President's Message

Dear Reader,

Warm Greetings for the New Year!

Ravindranath Tagore once said "The highest education is that which does not merely gives us information but makes our life in harmony with all existence". These words of Tagore very aptly describe the mission of Rajasthan Sammelan Education Trust. Along with imparting sound education, we are providing our students a holistic learning experience that motivates them towards becoming better human beings and pro-active citizens.

Nearly seven and half decades ago, founding fathers of our Trust committed to answer the urgent need for a strong educational edifice to empower the new generation, started their educational journey by starting a girls' school. Over the years, we have been successful to continue this educational journey and further add a large network of educational institutions from Pre-Schools to Primary Schools, Secondary Schools, Junior College, Degree to Professional Colleges and Institutes that offer courses like Management Education, Media studies and Vocational Courses, an Online Academy - all provided in RSET campus under the aegis of the Trust. Some of our institutes are offering doctoral programmes and we ensure that our students receive all possible facilities of education that prepare them to be the next generation leaders.

In the past few months, our institutions have made us proud by getting many awards and accolades. Mainadevi Bajaj International School & Ramniwas Bajaj English High School were felicitated at the Times Education Icon Awards - an event conducted by Optimal Media Solutions (A Division of Times Internet Limited) on Thursday 15th December, 2022 at Trident Hotel, Nariman Point, among the Top Schools with International curriculum and National curriculum respectively. Kudilal Govindram Seksaria English School for the fourth time has been ranked 8th among schools with State Board Curriculum in Mumbai as per Times School Survey 2022. Beyond academics, the Trust has provided counseling facility at Ramdhar Maheshwari Career Counseling Centre, residential facility to boys and girls coming from other cities in Draupadidevi Sanwermal Women's Hostel and Jankidevi Bilasrai Bubna Boys' Hostel. At the same time, talent of students in sports is nurtured at Pravinchandra D. Shah Sports Academy. The latest addition is Nalini Shah Music Academy which is providing training to students in vocal and instrumental music and dance.

Infrastructure plays a major role in supporting the learning environment of an institution and I feel happy of the fact that we have world class infrastructure that include spacious classrooms, libraries that are well stocked with books, journals, magazines, e-books, e-journals & newspapers, specialized labs and facilities of sports. Our faculty are encouraged to take part in research activities resulting many of their publications in prestigious journals, obtaining Ph.D degree and publication of books. Students are also encouraged to present research papers in prestigious seminars. On 22nd December, 2 students of B.Com and 2 students of B.Sc. IT of Ghanshyamdas Saraf College participated and presented their papers at Under Graduate level of Avishkar Research Convention organized by University of Mumbai. Institutes of higher education conducted industry visits for both undergraduate and postgraduate students. Students of Durgadevi Saraf Global Business School were taken for 'Rural Immersion' in and around Dahanu to make them aware of village industries. Our institutions conducted a range of events from outreach programmes to sports and cultural activities that are greatly valued in today's global environment. To commemorate the birth anniversary of Mahatma Gandhi, all institutions - from schools to colleges participated in various activities. The Literati Club of Deviprasad Goenka Management College of Media Studies organised an event titled

Ashok M. Saraf, President, RSET

"Contemporising Gandhi" where in relevance of the words of Gandhiji in the present context was emphasized.

At present, more than 16,000 students are daily coming in our campus to receive education. All our institutions have earned excellence in their respective areas of studies. Our institutes of higher education are regularly organizing seminars and workshops. Mock interviews were also arranged in the past few months by Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School to prepare the students industry ready. The Placement Cells are trying their best to provide best placements to the students on completion of their respective courses. Students of our schools and colleges are regularly organizing outreach programmes, blood donation camps and various health awareness programmes. All the institutions have celebrated Annual Sports Day with great fanfare.

In Pravinchandra D. Shah Sports Academy, expert coaches are appointed to train students in various games. Students have made their respective institutions proud by winning many prizes at state, national and international games, swimming and martial arts. Shaikh Hasib of Durgadevi Saraf Junior College SYJC Science won second place in Asia Cup 6th International Karate Championship -2022 organized by Asian Shito-Ryu Karate Do Association. Chinmay Naik of GSCC secured 2 Gold Medals at National Level karate competition held at Dhunmai Cawasji High School- Khanda. Swimmers of RBHS, Daksh Shah (Grade 2), Aanika (Grade 6) and Aarya Bhatia (Grade 8) have been winning accolades at various competitions at district, state and national level. Akshaj Pillay (Grade 9) won organized many 66+ Kg weight category in the Maharashtra State Judo Championship at Dhule.

I am sure that with all such facilities that we offer, our institutions will continue to shape the future of the young minds of our country and transform their potential into successful careers resulting in national development.

Hon. Secretary's Message

Dear Reader,

This New Year, I convey my warm greetings and best wishes to all the readers especially to students of all institutions of Rajasthan Sammelan Education Trust!

Rajasthan Sammelan Education Trust (RSET) has been a symbol of quality education accessible by people hailing from different social and economic background in Mumbai for the past seventy five years. In all these years, institutions of RSET have produced finest graduates and post graduates in commerce, management and media studies. Many of these students are currently occupying prestigious positions in organizations across India and the world. The diversity of students studying in the institutions provides a healthy learning atmosphere which has been revered by parents of our students. Learning beyond classroom is a daily affair where students are given opportunities to develop their skills through active participation in seminars, workshops, conferences and many other skilled development activities.

Our institutions not only prepare students as employable work force of our country but also as responsible citizens of our great nation with a strong foundation of culture and values. The institutions maintain a right balance between academic development and personality development of our student. Teachers here double-up as life coaches and mentors for the students which leads to their all-round development.

In the past few months, some of our schools have been recognized for their excellence in education. On 15th December, 2022 Mainadevi Bajaj International School (MBIS) and Ramniwas Bajaj English High School (RBHS) were felicitated among the Top Schools with International and National curriculum respectively at Times Education Icon Awards 2022 held at a glittering function in Trident Hotel, Nariman Point. The award was bestowed based on Times School Survey carried out earlier in this academic year. MBIS has also been conferred with the Award for Excellence in International Curriculum Practices at the 4th Edu Leaders' Summit 2022 in the month of November.

Ramniwas Bajaj English High School ranked 17th in Mumbai among schools with National curriculum as per Times School Survey 2022. During this period, some of the Principals and Faculty members of schools and colleges have been honoured by prestigious awards by reputed organizations for their contributions in the field of education.

Research is an integral part of higher education and I am happy to state that faculty members of colleges and management institutes are engaged in research work. Ghanshyamdas Saraf College and Durgadevi Saraf Institute of Management Studies are both recognized research centres affiliated to Mumbai University. DSIMS is carrying out research work under Remsons Centre for Management Research. Many faculty members have presented their research papers in seminars and conferences. Their articles have been published in prestigious journals. RCMR is at present working on the Volume 4 Issue 2 of the in-house journal 'The Management Quest'. The Placement Cell of colleges and Management institutes have been giving training to students to be industry ready.

Kailash Kejriwal, Hon. Secretary, RSET

In the past few months, students of the institutions of RSET have made us proud by winning many prizes in sports, swimming and martial arts at state and national level. Chinmay Naik from SYB.Com of Ghanshyamdas Saraf College secured two gold medals at National level Karate Competition held at Dhunmai Cawasji High School, Khanda. Satish Kumar Singh of TYB.Com won gold medal in 63.5 kg weight lifting category. Among the school children Aanika Bhatia of RBHS represented Maharashtra State in 38th Sub-Junior National Aquatic Championship at Rajkot 2022. She won the best swimmer trophy and brought laurels to the school by bagging 05 gold medals. Aarya Bhatia of the same school represented Maharashtra State in CISCE Swimming National Championship and won 2 Gold, 2 Silver and 1 Bronze medal.

Students need a supportive environment at their educational institutions as well as at home. The parents are the most strengthening power in moulding the future of their children. Their consistent support empowers us to do more and more for the betterment of the students. We have formed Parent - Teacher Association in each school and regular meetings of PTA are held by all the schools. I convey my gratitude to all the parents for having faith in us all these years. We are always careful of the safety of our students and accordingly mock fire drills are conducted from time to time in the campus to make the students aware of such happenings. Recently, in the month of November, a Mock Fire Drill was conducted in the campus under the guidance of Capt. Anant Yadnik, CEO, RSET.

I take this opportunity to thank each and every Donor, past and present, Trustees, Managing Committee Members and well-wishers who were involved in the development and progress of the educational activities of our Trust.

CEO'S Message

Captain (IN) Anant Yadnik (Retd.), CEO, RSET

Dear Reader,

Curricular and Extracurricular capabilities of the students are associated with each other. Hence we at RSET give immense importance to both these activities. It leads to the overall formation of student's personality and contributes to their holistic development.

Various semester/midterm/preliminary examinations of our schools/colleges were conducted smoothly as per the schedule of each institute. Our GOLD (Kunjibhari S. Goyal Online Academy) co-ordinated, arranged & conducted TY B.Com Semester-V all 6 subjects online LIVE Revision Lectures successfully for RSET as well as outsider students as the aim was to prepare the students for upcoming University Exams. More than 750 students attended the TY B.Com Live revision sessions.

As a part of Teacher enrichment programme the outside experts from the field of Education enlightened the Primary teachers with some intriguing activities that will enable the students to hone their Scientific, Technological, Reading and writing, Engineering, Artistic and Mathematical skills by conducting an engrossing workshop on STREAM. The activities will help in developing vital skills of problem solving, critical thinking, collaboration and innovation along with technology. The session ended with content as the teachers got multiple ideas to integrate subjects and to have a better and extensive understanding of the concepts in a fun way.

We at RSET have a good news to share with our Readers. One of our Schools, Maina Devi Bajaj International School (MBIS) was ranked 5th amongst the top International Schools in Mumbai recently. An article depicting the Vision, Mission and Core Values was published in the Times of India.

Our Schools and Colleges, have successfully conducted Annual Sports Days either at Prabodhan Krida Bhavan, Goregaon or our own state of art PDSA Ground during the month of November/December 2022. Our Institutions have also organised team events like Cricket, Kho-Kho,

Kabaddi, Football & Indoor events like Chess and Carrom. Glittering trophies were awarded to the winners of the various events.

We at RSET give immense importance to the social activities and celebrations of the festivals to develop an Indian Culture amongst our students. Thus a 'Swachhata Abhiyan' was conducted at RS Campus where students cleaned surrounding areas including the canteen. Navratri was celebrated enthusiastically by the students and teachers who danced on the Garba beats in colourful attire. A blood donation drive was also organized by one of our schools in co-ordination with Nair Hospital and Lions Club Millennium. The drive was successful with good response from Parents and Alumni. Mother's Day, Martyrs Day, National Constitution Day and National Integration Day were also celebrated in unique way by focusing on the relevance of the each day and contributing towards the cause.

Governing Council and College Development Committee Meetings are a must for every Institute once in three months. Thus, the same were scheduled and conducted during this quarter too. These meetings help the Management to oversee periodically the performance of all the institutions. We are glad to mention that the HOIs of the concerned Institutes have presented a detailed PPT during such meetings highlighting the specific achievement on Administrative and Academic fronts such as Admissions, Career Counselling, Workshops, Seminars, Guests Lectures, Awards and Accolades received by the Staff/students/institutions, Rural and International Immersions, Teaching - Learning activities that are beneficial for our students for their brighter futures. All the queries of the management were satisfactorily answered by them.

Our Junior College has organised NSS Residential Camp at Dahanu. Students were immensely benefitted as they learnt many different techniques like grafting, Vermicomposting, attending various quality lectures and actively participating in social service. Best Camper certificates were given to few students considering their overall performance during the camp.

As per the Management's directive one important mandatory activity viz; Disaster Management was conducted smoothly in the month of December 2022. Thus a Mock Fire Drill was conducted to create awareness among the staff and students. The purpose to organize the mock drill was to check the readiness of the Institutions to face any such emergency and also to make the students and staff aware about the fire-fighting and rescue operation. Its pertinent to mention that all the school and college building were successful evacuated within 3 to 4 minutes. More than 10000 students participated in this exercise. At the assembly point all the students were addressed by the experts in the field regarding the tricks and simple guidelines to follow safety tips were shared by them. The session proved to be an informative and imperative lesson on life saving skills.

It is a matter of immense pleasure to state that 2022 has been one of the best years for both the Hostels i.e. the DSWH and JBBH. Draupadidevi Sanwamal Women's hostel has completed 10 glorious years with many more yet to come. The admissions in DSWH are full and many students are on the wait list. Both the Hostels provide an excellent infrastructure and modern facilities and hence a star attraction for the students seeking the admissions here from all over the country and also from the international community.

In the end I sincerely thank our President Shri Ashok Ji Saraf for his valuable guidance on all the fronts and giving a free hand to all HOIs to complete the assigned tasks and keep the RSET's flag flying high.

Dear Reader

Warm Greetings for the New Year!

The month of January brought in its trail many interesting events taking place all over the world, in our country, in Mumbai and in RSET campus. 1st December, 2022 is a red-letter day as India assumed the G20 Presidency from Indonesia and will hold the same till November 2023. A nation deeply committed to democracy and multilateralism, India's G20 Presidency would be a water shed moment in our history as it will guide the work of the G20 under the theme 'Vasudhaiva Kutumbakam or One Earth, One Family, One Future - drawn from the Sanskrit phrase of Maha Upanishad, which means 'The World is One Family'. Essentially the theme affirms pragmatic global solutions for well-being of all.

In sports, India won the 1st ICC (International Cricket Council) Under-19 Women's T20 (Twenty 20) World Cup 2023 by defeating England with 7 wickets. It was the first Edition of the ICC Women's under-19 Cricket World Cup and it was hosted by South Africa (SA) from January 14 -29, 2023. With this India became the first title holder of the ICC Women's Under-19 Cricket World Cup. This was also India's first World Cup win in women's section. 'The Player of the final Match' title was awarded to 18 year old Titus Sadhu. Hailing from West Bengal, she had received her first player of the match award from Former Indian Cricketer Jhulan Nishit.

On Thursday 12th January, 2023 Mumbai joined the nationwide celebrations to mark the 160th birth anniversary of Swami Vivekanand. This day is observed as National Youth Day in his memory. Born as Narendra Nath Dutta in 1863, the young sanyasi was instrumental in spreading the values of Vedanta and Yoga to the world. He passed away at the age of 39. It was felt that the philosophy of Swamiji and the ideals for which he lived and worked could be a great source of inspiration for the Indian Youth. That is why, his birthday is observed as National Youth Day every year. Swamiji's most unique contribution to the creation of new India was to open the minds of Indians to their duty to the downtrodden masses. He also stressed upon inculcating moral values in youth.

At RSET campus, our schools, colleges and management institute have been buzzing with many academic, co-curricular, extra-curricular & sports activities. All the institutions celebrated Annual Sports Day in a grand manner at Prabodhankar Kridabhavan at Goregaon as well as Pravinchandra D. Shah Sports Academy ground in RSET campus with renowned

Dr. Sunanda Kar, Editor

sports personalities as the chief guest. In the preceding months, many of our schools and colleges have won awards and accolades. Mainadevi Bajaj International School was ranked 2nd in Zone D (Jogeshwari to Borivali) and 5th in the city of Mumbai among schools with International Curriculum and Ramniwas Bajaj English High School stood 17th in Mumbai among top schools with National Curriculum as per the Times School Survey 2022. MBIS has also been conferred with the Award for Excellence in International Curriculum Practices at the 4th EduLeaders' Summit held on 1 December 2022 at NESCO Grounds, Goregaon. Kudilal Govindram Seksaria English School also bagged 8th Rank in Times School survey 2023 for the third time in the SSC Curriculum category all over Mumbai.

Some of the Principals and faculty members of schools and colleges were honoured by awards for their outstanding service as an educator by reputed organizations. Colleges successfully conducted their regular and ATKT examinations from October to December 2022. Mode of examination for all the theoretical examinations was offline as per guidelines of the University of Mumbai. Schools conducted their first semester examinations in October followed by Open House in the month of November. All the schools regularly held PTA and Child Safety Committee meetings as well as School Sub-Committee meetings. Institutions of higher education also conducted their Governing Board and College Development Committee meetings in time.

Republic Day was celebrated in RSET campus on 26th January 2023. The national flag was unfurled by the Chief Guest Shri Vikas Pavankumar, Trustee RSET in the presence of Shri Ashok M. Saraf, President RSET, other dignitaries, staff and students. This was followed by a cultural programme with patriotic theme in Durgadevi Saraf Hall. During this time, students organized many outreach programmes through NCC, NSS, DLLE units and Rotaract Club of respective institutions. A Mock Fire Drill was organized by RSET under the guidance of Capt. Anant Yadnik, CEO, RSET, for all the institutions in case of emergency.

Durgadevi Saraf Institute of Management Studies (DSIMS) in association with Global Hospital Research Centre organized a Blood Donation Drive, where in a large number of donors appeared to donate blood and contribute towards a noble cause. A blood donation drive was organized by Kudilal Govindram Seksaria Sarvodaya School in co-ordination with Nair Hospital and Lions Club Millennium. The drive was successful with good response from Parents and Alumni.

Students of schools as well as colleges made us proud by bagging prizes at District, State & National level games, martial arts & swimming. We are sure that under the guidance of our visionary President and his team of Management members, our institutions will definitely grow further to greater heights.

Dear Reader,

Warm Greetings for the New Year!

It is a matter of great pride that various important events and happenings took place in all the educational institutions of Rajasthani Sammelan Education Trust. In the past few months, some of the faculty members as well as institutions have been honoured by prestigious organizations for their notable academic contributions. Students of schools and colleges have also fared extremely well in sports at district, state and national level competitions. All the institutions have celebrated Annual Sports Day in a grand manner with eminent sports personalities gracing the events as the Chief Guests.

It is heartening to note that Durgadevi Saraf Institute of Management Studies has organized mock interviews for the students by the alumni of the institution. Interactive and informative guest lectures were organized for students by noted personalities from corporate sector. Research articles of faculties were published in reputed journals. Students of DSIMS also organized a Blood Donation Camp in the month of December in association with Global Hospital Research Centre.

I am also very happy to know that students of our institutions are involved in many outreach programs through the activities of Rotaract Club, NCC, NSS & DLLE units of their respective institutions. NCC cadets of Ghanshyamdas Saraf College attended Sea Vigil exercise and celebrated Children's Day with children in Sevashram, Jogeshwari. NSS unit of the college organized seven days Residential Camp at Saphale Village from 18th December to 24th December, 2022. Career Guidance and Placement Cell of the college collaborated with Deloitte for campus recruitment of M.Com batch post graduating in 2023. In the month of December, the Trust organised a Mock Fire Drill for all the institutions in RSET campus.

I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader,

Wish you all a very Happy & Prosperous New Year!

It is my great pleasure to note that Rajasthani Sammelan Education Trust is successfully progressing and expanding in the area of educational endeavours. It is heartening to know that students of Kudilal Govindram Seksaria Sarvodaya School have bagged many prizes at Interschool competitions in singing, painting, elocution, quiz and essay writing. The students have also been awarded first prize at the senior group in quiz competition at the Inter School competition hosted by Shastri Vidyalaya, Virar. Some of the teachers of the school have been felicitated with the 'Nation Builder Award' by Rotary Club of West Zone. The Annual Athletic Meet for the academic year was held on 17th December, 2022 at the Prabodhan Kridabhavan. The children as always mesmerised the audience with the drill, lezim and yoga. The 'P' Ward Interschool Science Quiz was hosted by the school on 19th December, 2022 and students of KGSS bagged second prize both in junior and senior groups.

I am happy to note that students of Kudilal Govindram Seksaria English School celebrated Gandhi Jayanti by participating in various activities. 15th October, 2022 was celebrated as Vachan Prerna Diwas (Reading day) to honour the birth anniversary of our late President Dr. APJ Abdul Kalam. Students participated in various interschool sports activities and won many awards at the Taluka and State level. Gold medal of Excellence was won by primary and secondary students in English Olympiad. It is a matter of great pride that KGES for the fourth time has been ranked 8th in Mumbai among the schools with State Board curriculum as per the Times School Survey 2022.

I compliment all Heads of Institutions, Staff and Students for their all round progress and wish them a bright future.

Dear Reader,

I wish you a very happy, healthy & prosperous New Year!

Rajasthani Sammelan Education Trust has created an array of academic programmes and services within the campus not only to provide many academic opportunities to the students but also to empower them to be life-long learners, critical thinkers & productive members of an ever changing global society.

Our family is proud to be associated with the Trust for

- Dharmal Bajaj Bhavan named after my late grandfather
- Ramniwas Bajaj English High School named after my late father
- Mainadevi Bajaj International School named after my mother
- Mainadevi Bajaj International Playschool named after my mother

It is indeed a matter of great pride that Mainadevi Bajaj International School (MBIS) and Ramniwas Bajaj English High School (RBHS) were felicitated at the Times Education Icon Awards - an event conducted by Optimal Media Solutions (A Division of Times Internet Limited) on Thursday 15th December, 2022 at Trident Hotel, Nariman Point, among the Top Schools with International curriculum and National curriculum respectively.

At the Times School Survey carried out earlier this year, MBIS has been ranked 5th among schools with International curriculum in Mumbai & 2nd in Zone D. Ramniwas Bajaj English High School has been ranked 17th in Mumbai by Times School Survey 2022. MBIS has been conferred with the Award For Excellence in International Curriculum Practices at the 4th EduLeaders' Summit held on 1st December 2022 at NESCO Grounds, Goregaon. I convey my heartfelt compliments to the Principals, staff and students of both the schools.

It is heartening to note that students of RBHS have also excelled in swimming, Judo & Martial Arts at district, state and national level.

I convey my best wishes to all the institutions for further progress and to attain excellence.

Dear Reader,

Greetings for the New Year!

Education is the key to transform the destiny of a nation. Rajasthan Sammelan Education Trust has therefore very wisely taken the noble mission to ensure a continuous and smooth journey in its educational endeavours. Our family has associated with Rajasthan Sammelan Education Trust to create Jankidevi Bilasrai Bubna Endowment Freeship Fund for giving freeship to needy students of all the institutions of the Trust. I am pleased to note that as in previous years, this year too, a grand Scholarship Award Ceremony will be held in the month of January in which students will be awarded scholarships & freeships. I convey my hearty felicitations to all the awardees of scholarships & freeships in advance.

I am pleased to note that at present, there are 100 students in Jankidevi Bilasrai Bubna Boys' Hostel. Out of these, 97 are Indian students while 03 students belong to Afghanistan. There are many students pursuing the professional course of Chartered Accountancy in the Hostel. For proper interaction with each other pursuing the same course, these CA students have all been accommodated in the third floor of the Hostel. The inmates of JBBH are provided with all possible facilities such as free Wifi access, gym facilities, hygienic breakfast and dinner. House-keeping staff has been appointed by the Management keep the hostel neat and clean.

It is interesting to know that Rajasthan Sammelan Education Trust is giving full support to all the institutions to excel in sports activities. Many students have made us proud by bringing accolades at the State, National and International Sports Events. All the institutions have celebrated Annual Sports Day in a grand manner in the months of November and December.

I congratulate the President and his team for all their efforts and wish them further success in their educational endeavours.

Dear Reader,

Warm Greetings for the New Year!

It is indeed a matter of great satisfaction that many meritorious & needy students are awarded Jankidevi Bilasrai Bubna freeship from Jankidevi Bilasrai Bubna Endowment Freeship Fund to continue their studies in schools and colleges of Rajasthan Sammelan Education Trust. I am pleased to note that Jankidevi Bilasrai Bubna Boys' Hostel is also running successfully along with Indian as well as foreign students. The Management has provided all possible facilities for comfortable stay of the hostel students. Half yearly health check-up camp is also being held for the Hostel inmates by Ayaksha, the agency running Vijay Pal Singh Health Centre of the Trust. The Hostel inmates have also been given a slot in the morning (twice a week) to use Pravinchandra D. Shah Sports Academy ground for playing various games.

I am very happy to know that Savitridevi Bilasrai Bubna Computer Lab (KGSS) and Omprakash Bilasrai Bubna Computer Centre (RBHS) are fully utilized by students of the respective schools. It is indeed a matter of great pride that in the past few months, some of the Office-Bearers & Trustees of RSET and Principals have been honoured for the notable academic contributions of some institutions by prestigious organizations. Research papers of some faculty members have also been published in the reputed journals.

The Trust is also nurturing sports talents of the students through expert coaches at Pravinchandra D. Shah Sports Academy. It is a matter of great pride that many of our students and teams have won gold medal at District, State and National Level sports activities, swimming as well as in martial arts.

My special compliments to the President and his team of RSET for providing latest technology as well as facilities to all the institutions of RSET.

of Media Studies

Dear Reader,

Warm Greetings for the New Year!

I am pleased to note that Deviprasad Goenka Management College of Media Studies held regular examinations of undergraduate classes in the months of October and November successfully. The University examinations for Third year - Semester V were held in the month of December. Side by side the college held meetings of Governing Council and College Development Committee. It is heartening to note that DGMC organized many guest lectures, industrial visits and extra-curricular activities in the past three months. A two day workshop on 'How to make a Good Documentary Film' was organized on 2nd & 3rd December in Madhoprasad Saraf Seminar Hall by Mr. Pankaj Rishi Kumar who teaches & mentors documentary film makers. Students found the workshop very informative. Gandhi Jayanti was celebrated on 2nd October by organizing a peace march by Rotaractors. NSS volunteers participated in the 'Bhajan Sandhya' programme organized by University of Mumbai. The NSS volunteers also conducted a rally from Churchgate station to Gateway of India by displaying placards with the message of peace, non-violence & swachhata.

DGMC celebrated its Annual Sports Day on 23rd and 24th December, 2022 with great enthusiasm. This occasion was graced by Chief Guest Ms. Kranti Salvi (Berlin Guinness World record holder, the Guests of Honour were Ms. Nandini Sharma (A mountaineer) and Capt. Anant Yadnik, CEO, RSET. The symbolic sports torch, representing sportsmanship and spirit of fairplay, was lit and carried across the college campus by the student Mr. Nachiket Chonkar. All outdoor sports were played on the first day followed by indoor sports on the second day. Not just students, teaching and non-teaching staff also participated and showcased their talents.

I convey my best wishes to all the institutions for further progress and to attain excellence.

Women's Hostel

Dear Reader,

Warm greetings for the New Year!

It is a matter of immense pleasure to note that Draupadidevi Sanwamal Women's Hostel has completed ten successful years and is running with its full capacity, smoothly and successfully in the educational campus of Rajasthani Sammelan Education Trust. The Management has provided all possible facilities to the students and they are fully satisfied by the amenities provided to them. The students are also following the rules and regulations as laid down by the Management. Renewal for the stay of the students as well as new admissions from January 2023 to June 2023 started from the month of November 2022.

Students pursuing the professional course of CA were busy in preparing for their different levels of CA examinations such as C.P.T., IPCC and CA Final and have been attending coaching classes regularly. Regular internal meetings of the Rector and inmates of the hostel were held from time to time for renewals, wellbeing of the students, to appraise them about mock fire drill, to save water and electricity and to listen to the problems faced by students (if any) and their suggestions. I am happy to note that in the month of November, a mock fire drill was organized for all the institutions in the campus. Students staying in the women's hostel also participated in it. This helped them to know about the safety measures to be taken in case of a mishap.

As provided earlier proper security, provision of hygienic and tasty food, laundry, wifi, gym, house-keeping and many other facilities were continued to be provided to the students staying in the hostel.

I take this opportunity to congratulate the President and his team for their efforts in the field of education and wish them further success.

Dear Reader,

Happy New Year to one and all!

I am extremely happy to note that in the past few months students of the institutions of RSET have made us proud by winning many awards and accolades in sports activities at District, State and National level Sports Competitions. It is a matter of great pleasure to know that Ms. Nandini Vishwakarma, student from Pravinchandra D. Shah Sports Academy (PDSA) Football Team has been selected for Santosh Trophy State Level football team from Madhya Pradesh in the U-17 Girls Category organized by All India Football Federation. Three students are now playing for YPL (Youth Premier League) at District Level.

Table tennis tournament was organized by DSO Maharashtra Government, where 03 girls of PDSA secured 1st place at Borivali Taluka Level & 5th Rank in Mumbai District Level amongst 64 schools. In the month of November and December, PDSA had conducted Pre-Primary sports day for MBIS and RBHS as well as Cricket Tournament for DSJC.

It is my great pleasure to know that library collection of Amratlal Premchand Shah Library of MBIS comprises of 11600 items which includes books, periodicals, maps, flashcards, multimedia resources (CD's and DVD's) and posters. Students from Nursery to Grade 8 have a dedicated library period per week. Every week during library period, students talk and discuss latest news with their peers.

It is heartening to note that the number of students in Nalini Shah Music Academy is increasing day by day. The Second Annual Convocation of NSMA was celebrated successfully in Madhoprasad Saraf Seminar Hall, RSET campus on 26th November, 2022. NSMA has started Kathak, Bharatnatyam and Bollywood Free style dance curriculum. A well-trained and skilled teacher has been appointed to train the students.

I convey my best wishes to all the institutions of RSET for their further progress and development.

Dear Reader,

Greetings for the New Year!

I have great pleasure to note that in the past few months all the institutions have conducted many interesting academic as well as extra-curricular activities. Annual Sports Day was celebrated by all institutions in a grand manner.

On World Mental Day (10th October), RMCC organized a parenting session to help parents incorporate practical strategies to improve their child's holistic well-being. A seminar on Positive parenting was also conducted in Ramniwas Bajaj English High School (ICSE). Dr. Avinash Desousa, consultant psychiatrist with RMCC, had conducted the session for the parents. Life Skills sessions were conducted for students of Mainadevi Bajaj International School.

Ramdhare Maheshwari Career Counseling Centre (RMCC) had organized an Indian University Fair on 23rd November, 2022 at Durgadevi Saraf Hall. The purpose of the event was to help students, parents and people from academic fields to know about different courses offered by various universities. The event had 22 universities participating from all over India. RMCC conducted a career guidance and counseling session for St. Joseph School, Uttan on 5th December, 2022 for under privileged students of standard IX and X who are studying in Marathi medium. The objective of the session was to help students in making the right career choices and understand the importance of minimum education up to X standard.

I am pleased to note that Ladhidevi Ramdhare Maheshwari Night College of Commerce systematically conducted regular and ATKT examinations in the months of October and November. NSS volunteers participated in De-addiction Rally, Bhajan Sandhya (on the occasion of Gandhi Jayanti) at Gateway of India, workshop on Fire Safety, quiz competition, anti-dowry Rally, AIDS Awareness Campaign and many other related to social issues. DLLE volunteers participated in Yoga activity organized by Brahmakumari Centre, Borivali.

Vishwanath Podar
Study Centre

Dear Reader,

Warm Greetings for the New Year!

The New Year of 2023 arrived with a very special and memorable event for our family. On 8th January, 2023 - RSCA Study Centre was named as Vishwanath Podar Study Centre in the name of my father Late Shri Vishwanathji Podar at a glittering function attended by many Dignitaries, Trustees, members of Managing Committee, Staff and Students. My father was dedicated to the cause of education and social work who started Rajasthani Sammelan Education Trust with 11 other like minded people. He later started Sarvodaya Balika Vidyalaya now known as Kudilal Govindram Seksaria Sarvodaya School 61 years ago with just 02 students. The seed of education sown by my father has grown into 14 educational institutions, an Online Academy, a Counseling Centre and a Music Academy, a Boys' and a Women's Hostel along with many facilities.

The Chief Guest - Shri M.P. Taparia, Managing Director of Supreme Industries Ltd., performed the naming Ceremony at the entrance of Vishwanath Podar Study Centre in the presence of Guest of Honour Smt. Vidya Thakur, MLA, Goregaon Constituency along with other dignitaries. This was followed by a grand formal function in Durgadevi Saraf Hall. I am pleased to state that the Study Centre is mainly constructed for the benefit of the students pursuing the professional course of Chartered Accountancy. It is also an Extension Counter of ICAI Western Region. At present, approximately 75 students are enrolled with the Study Centre. The ICAI Western Regional Office has deputed 02 staff in the centre to provide required information to the students.

I take this opportunity to offer my compliments to the President Shri Ashok M. Saraf and his team for providing full support to all the institutions to excel in academics as well as extra-curricular activities.

Dear Reader,

Wish you all a very happy 2023!

At the outset, I convey my compliments to Ramniwas Bajaj English High School and Mainadevi Bajaj International School for being felicitated among the top schools with National and International curriculum respectively at the Times Education Icon Awards held in the month of December 2022.

All of us strongly believe that "Reading is to the Mind what exercise is to the Body". I am pleased to note that Trivenidevi Manmal Thard Library is well equipped with the most interactive Teaching Aids. It consists of more than 75 resources like the Structural basin, Solar System Model, Hollow Sphere, Convergent plate Boundaries, Fold Mountains and so on. Picture Talks like Mole Concepts, Reflection of light help the teachers to explain the concepts with clarity. Teaching Aids depicting Volcanoes, Heavenly bodies, Structure of the Earth help students to understand Geography using a practical approach. Picture talks encompass concepts of even difficult subjects like Chemistry, Physics, Mathematics, English Grammar and History. The library of RBHS has more than 140 Picture Talks. Trivenidevi Manmal Thard Library of RBHS also has collections from other languages like Hindi and Marathi. Magazines like Tinkle, India Today, Robin Age and Champak make students versatile readers. Library classes are regularly held for the students of Grades 1 to 10. Along with reading different story books, students also share their feedback about the stories with the Librarian.

I am happy to know that the staff room and classrooms of Manmal Thard Education Wing on the first floor of Ghanshyamdas Saraf College are used from 7.00 a.m. to 8.30 p.m. for regular lectures, various guest lectures, seminars and examinations. Dear Reader,

Wish you a very Happy and Prosperous New Year!

It is heartening to know that Shri Murlidhar Karwa Knowledge Resource Centre is regularly providing users with quality information, resources and services. Library orientation is given to the newly admitted students. They are introduced to various library resources, facilities and online services. English Language Lab has been used frequently by the students to improve upon their communication skills to achieve excellence in the corporate world. Book bank facility has been provided to financially weak students.

It is good to know that some faculty had assigned a group of students to do a project on library's operations. Accordingly students took the interview of the Librarian and were very much impressed to know about the hard work and efforts behind the daily routine tasks as well as collection development, classification and cataloguing of books, circulation of resources, print / digital maintenance of resources, updating digital portals with new useful links and other promotional activities at library. The group presented their work to the entire class and got applaud when they showcased the importance of the library and its role in disseminating knowledge to students' life.

KRC library is well equipped with modern and upgraded facilities. Currently KRC is having 11,210 books, 10,000 e-books, 35 research journals & magazines, and 1,900 e-journals covering global information. High-tech resources like educational CDs, DVDs, and management movies are kept for student's better perception.

Happy to know that Librarian Dr. Sunita Pujar has successfully completed her Ph.D. in Library and Information Science from Savitribai Phule Pune University, Pune, in December 2022. I convey my compliments to her for the same.

I congratulate one and all who have contributed in the achievement of their respective institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

Greetings for the New Year!

It is a great pleasure to know that the collection of knowledge resources at Smt. Prabhadevi Banwarilal Saraf Library are continuously growing with each passing year. At present, the Library has 7272 books, 34 research journals, 15 magazines, 09 newspapers, 134 audio-visuals, 06 e-books and 100 e-books saved to drive. The Library is open from 7.15 a.m. to 6.30 p.m. from Monday to Friday and on Saturday till 4.00 p.m.

It is interesting to note that the Library Committee organized an event called COMICVERSE during December Fever. Students from all courses, took part in it. Students came dressed as their favorite anime, comic or manga character. There was cosplay and a competition to find out the best-dressed student. The competition was aptly judged by the competent faculty members of the college. It was indeed a fully charged, energetic and fun event, where students shared their thoughts and feelings about their superheroes.

I am happy to note that Vinati Organics Chemistry Laboratory at Ramniwas Bajaj English High School is provided with the state-of-the-art devices like Lab coats, Distillation unit, Electronic Weighing Machine, Bunsen Burners, Beakers and Flasks, Concealed gas line and many safety devices such as Fire fighting equipment, First-Aid Kit etc. The students are provided with workstations having burners and plug points. The practical for the Secondary students are demonstrated by the teacher in the lab.

It is gratifying to note that all the institutions of RSET celebrated Annual Sports Day in a grand manner. Institutions of higher education organized many seminars and conferences that were graced by eminent academicians in their respective fields of education.

Dear Reader,

Greetings for the New Year!

It is heartening to note that Madhoprasad Saraf Seminar Hall on the 6th Floor of Deviprasad Goenka Management College of Media Studies is equipped to handle the special requirements of a media school. The seminar hall has sitting capacity of 60 people on comfortable chairs suited for seminars, as well as guest lecture series that DGMC arranges from time to time. The room has in built audio-video systems where film shows are organized for students of 'Film, Television & New Media Production'.

I am pleased to know that in the past three months, Madhoprasad Saraf Seminar has been regularly used for lectures, workshops, meetings and various events of the media college. Honouring the birth anniversary of Mahatma Gandhi, the Literati Club of Deviprasad Goenka Management College of Media Studies organized an event titled "Contemporizing Gandhi" on 19th October at Madhoprasad Saraf Seminar Hall. Both students and faculty members actively took part in the event. Participants read out interesting pages from the books and articles penned by the Father of our Nation. The participants further elaborated on the relevance of the words of Gandhiji in the modern context and explained what struck them the most in the particular article or page they chose to read out on stage.

The Rotaract Club of DGMC also organized an event called "A Stage for Teachers" at Madhoprasad Saraf Seminar Hall on 22nd of December 2022. The idea behind the event was to provide the teaching and non-teaching staff to showcase their talents. There were a total of 8 performances which included the members of the staff reciting poetry, songs, a group dance performance etc.

I take this opportunity to compliment the Editorial Board for providing all important information through quarterly bulletin 'Abacus' in a systematic and artistic manner.

Rajasthan Sammelan
Education Trust

Dear Reader,

Greetings of the Year 2023!

It is a matter of pride that Rajasthan Sammelan Education Trust has successfully completed 74 glorious years spreading the light of learning and knowledge far and wide. I am pleased to note that the academic merit of all the institutions go hand in hand with excellence in extra-curricular activities and sports. The conduct of the students, the general atmosphere prevalent in the Campus, the outreach programmes conducted by the students from school level to colleges, also by the management and media institutions has enabled us to occupy a special place amongst the educational institutions in the city of Mumbai. It is indeed inspiring and heartening to note that Mainadevi Bajaj International School (MBIS) has been ranked 2nd amongst schools with International Curriculum in Zone D (Malad, Kandivali and Borivali) and 5th in Mumbai as a result of survey carried out by the Times of India. The Ramniwas Bajaj English High School has had been ranked 17th in Mumbai by the Times School Survey 2022. Both the schools were felicitated with Times Education Icons Award 2022 for being the top schools with International and National curriculum respectively.

It is a great pleasure to know that students of the institutions of RSET have made us proud by winning many awards and accolades in sports activities at District, State and National level Sports Competitions. Ms. Nandini Vishwakarma, student from Pravinchandra D. Shah Sports Academy (PDSA) Football Team has been selected for Santosh Trophy State Level football team from Madhya Pradesh in the U-17 Girls Category organized by All India Football Federation. All the institutions celebrated Annual Sports Day in a grand manner by inviting eminent sports personalities as the Chief Guest.

I take this opportunity to convey my best wishes to all the Institutions of RSET for their further progress and development.

Growel Science Lab
At KGSS

Dear Reader,

Greetings for the New Year!

The month of January 2023 started with a very special and happy note for our organization and family. On 18th January 2023, we became a part of the educational journey of Rajasthani Sammelan Education Trust with the naming ceremony of the science laboratory of Kudilal Govindram Seksaria Sarvodaya School (KGSS) as 'Growel Science Lab'. The naming ceremony was performed by the Chief Guest Shri Vinod B. Saraf, Managing Director of Vinati Organics in the presence of my son Shri Neeraj More, Shri Ashok M. Saraf, President of the Trust & his team, teachers and students of the school. On the occasion of the naming ceremony, students of the school had prepared few projects that they explained enthusiastically.

It is interesting to note that Growel Science Lab at KGSS is well equipped with all required apparatus as per norms of SSC Board, Government of Maharashtra. It is regularly used by students of Secondary section for their Science practicals. The Laboratory is also used by students of Kudilal Govindram Seksaria English School (KGES) for their science practicals. Every year, the students of KGSS and KGES actively participate at the Science Exhibition organized by the Education Department of SSC Board. The students of both the schools prepare innovative projects and regularly bag prizes. It is a matter of great pride that the management has also been encouraging students of all institutions of the Trust to participate in extra-curricular activities, sports and outreach programmes. In the past few months students of schools and colleges have participated in district, state and national level sports and martial art competitions and many of them have bagged gold medal for the same.

I convey my compliments to the President and his team for excellent growth of all the institutions.

Rajasthani Sammelan
Education Trust

Dear Reader,

Wish you a very Happy and Prosperous New Year!

Rajasthani Sammelan Education Trust has created a record of distinguished services in the field of education by establishing institutions from Pre-School to College, Management & Media Studies in which more than 16,000 students are receiving education.

It is a great pleasure to note that in the past few months all the institutions organized many noteworthy co-curricular & extra-curricular activities along with teaching-learning followed by examinations. Staff Academy of Ghanshyamdas Saraf College organized a seminar on 'Effective & Healthy Investment Decision' in collaboration with Motilal Oswal for teaching & non-teaching staff in the month of December. Career Guidance and Placement cell of the college collaborated with Deloitte for campus recruitment of M.Com batch post graduating in 2023. An aptitude test for the registered students was also conducted followed by interview in the month of October 2022.

The Alumni of Durgadevi Saraf Institute of Management Studies (DSIMS) conducted 'Mock Interview' of the present students of DSIMS & DSGS followed by their valuable feed-back. Many 'Guest Sessions' were also organized by experts in respective areas of HR, Finance, Marketing & Operations. On 7th December 2022, Durgadevi Saraf Institute of Management Studies (DSIMS) in association with Global Hospital Research Centre organized a Blood Donation Drive, where in a large number of donors came forward to donate blood.

I am very happy to note that the Trust is also nurturing talents of students in sports by appointing expert coaches at Pravinchandra D. Shah Sports Academy. All the institutions have successfully celebrated Annual Sports Day in a grand manner with eminent personalities as the Chief Guests.

I take this opportunity to compliment the President & his team for the astounding growth of all institutions.

Rajasthani Sammelan
Education Trust

Dear Reader,

Greetings for the New Year!

It is with great pleasure to note that the New Year heralded with many activities and achievements of all the institutions of Rajasthani Sammelan Education Trust. Kudilal Govindram Seksaria English School for the fourth time has been ranked 8th among schools with State Board Curriculum in Mumbai as per Times School Survey 2022. Mainadevi Bajaj International School (MBIS) has been ranked 5th among schools with International curriculum in Mumbai. The school was also ranked 2nd in Zone D among the schools between Jogeshwari and Malad. Ramniwas Bajaj English High School (RBHS) has been ranked 17th in Mumbai by Times School Survey 2022. MBIS & RBHS were felicitated at the Times Education Icon Awards - an event conducted by Optimal Media Solutions (A Division of Times Internet Limited) on Thursday 15th December, 2022 at Trident Hotel, Nariman Point, among the Top Schools with International curriculum and National curriculum respectively.

Some of the Principals and teachers of the institutions of RSET have been also felicitated by prestigious organizations for their noteworthy contributions in the field of education. Along with academics, students also excelled in co-curricular activities and sports. SY BCom students of Ghanshyamdas Saraf College - Prity Rajput and Saba Sayyad won the First Prize in the Presentation on 'Intellectual Property Rights' held during 'Gyan Manthan' organized by Royal College of Arts, Science and Commerce on 21st December 2022. In sports, Chinmay Naik of GSCC secured 2 Gold Medals at National Level karate competition held at Dhunmai Cawasji High School- Khanda. Many students of the college also received Gold, Silver and Bronze medals in National Level competitions in kick-boxing, weigh-lifting and in various category of National level Races. Other institutions also made us proud with their awards and accolades.

I convey my best wishes to all the institutions for further excellence.

Rajasthan Sammelan
Education Trust

Dear Reader,

Wish you a very happy and prosperous New Year!

The history of Rajasthan Sammelan Education Trust is a narrative of response to society's call - a call to empower the youth with education. Over the years, Rajasthan Sammelan Education Trust has become more committed to educate the new generation with innovative courses and programmes. Many of such students who have passed out of the portals of the institutions of the Trust are playing important role in social, academic, economic and political life as excellent human resource of our country. It is heartening to note that every year students of Kudilal Govindram Seksaria Sarvodaya School & Kudilal Govindram Seksaria English School actively participate in the Science Exhibition organized by 'P' Ward. This year, students of both junior and senior group of Kudilal Govindram Seksaria Sarvodaya School bagged second prize at the Inter School Science Quiz Competition organized by 'P' Ward.

I am pleased to note that Ramdhar Maheshwari Career Counseling Centre (RMCC) of RSET is regularly giving support to parents and students by holding relevant workshops. RMCC organized a 'Parenting Session' on World Mental Day (10th October) to assist parents in making their parenting a happy experience. Sessions of 'Life Skills' for the students of Mainadevi Bajaj International School to help them in managing their emotions & to learn classroom etiquettes.

It is gratifying to note that some of the Principals and faculty of schools and colleges have been conferred awards for their notable services in the field of education. A Mock Fire Drill was successfully held on 29th November, 2022 under the guidance of Capt. Anant Yadnik, CEO, RSET for all institutions of RSET.

I compliment the President and his team for the excellent success in their journey of educational endeavor.

Suwadevi Doongermal
Patodia Lab
at MBIS

Dear Reader!

Wish you all a very happy New Year!

There are many students who cherish a desire to pursue the professional course of engineering after Grade 12. There are students who would like to study natural sciences up to Post Graduation with Chemistry being the major subject. For such students and also for general school children proper understanding of Physics as well as Chemistry is necessary. This involves not only teaching the theory but also conduct practical in a well-equipped laboratory.

I am pleased to note that Suwadevi Doongermal Patodia Chemistry Laboratory of Mainadevi Bajaj International School is located on the 9th floor of the school has been fully utilized by the students of MBIS for their Chemistry practical's, practical examinations and also for competitive examinations like Science Olympiads.

Early exposure to such a facility is important for our young students and hence Primary Section students make occasional visits to the laboratory. The chemistry laboratory is well equipped with all the essential apparatus and chemicals required for a complete learning as per International Standards. Keeping in mind the safety and security of the students, the lab follows all standard safety precautions and has a safety shower, fire alarms and extinguishers, fume cupboard, first-aid kit, safety goggles, lab coat and gloves. The students are duly supported by the Lab Assistant who keeps the lab ready well in advance with equipment's and chemicals.

MBIS has been conferred with the Award for Excellence in International Curriculum Practices at the 4th EduLeaders' Summit held on 1st December, 2022 at NESCO Grounds, Goregaon. Both MBIS & RBHS have also received 'Education Icon Award' organized by Optimal Media Solutions (A Division of Times Internet Limited) on Thursday 15th December, 2022 at Trident Hotel, Nariman Point.

I sincerely compliment all the Heads of Institutions, Staff and Students for their all-round progress and wish them a bright future.

Vijay Pal Singh
Health Centre

Dear Reader,

Warm greetings for the New Year!

Now a days in a city like Mumbai, most of the families are dual career families where both the parents go for work. Therefore often early symptoms of illness of the children go unnoticed due to the busy lifestyle of their parents. It is heartening to note that Vijay Pal Singh Health Centre is running successfully in RSET campus and is able to address health problems of many students at an early stage. Besides regular medical check-ups, schools can diagnose potentially serious ailments early before they become serious medical problems. I am pleased to know that Ayaksha, the agency working on behalf of the Trust is giving full support to take care of the physical well-being of the school children through regular health check-ups. General physicians, dentists, ophthalmologists, dermatologists and ENT specialists check thoroughly the students of the school. Along with health check-ups, workshops were also held on good touch and bad touch for smaller children.

It is heartening to note that along with health care Ayaksha is also teaching lessons of disaster management to all students of the campus. Under the guidance of Ayaksha Health Care Team, Rajasthan Sammelan Education Trust (RSET) had successfully conducted the Mock Fire Drill for all its Institutions in RSET Campus on 29th November 2022 under the guidance and instructions of Capt. Anant Yadnik, CEO, RSET

I am very happy to note that all the institutions of RSET celebrated Annual Sports Day in a grand manner. Institutions of higher education organized many seminars and conferences that were graced by eminent academicians and corporates in their respective fields of education and business respectively.

I congratulate one and all who have jointly contributed in the achievements of respective institutions of Rajasthan Sammelan Education Trust.

Ramnarayan
Saraf Educational
Outlet

Dear Reader,

Warm Greetings of the New Year!

The New Year has just started and I sincerely hope that it marks a great year for all our educational institutions. I am happy to know that Ramnarayan Saraf Educational Outlet is satisfactorily providing services related to stationery needs of the students and staff of all institutions of the Trust. At the same time, it is also providing facilities of xeroxing, scanning and printing.

It is a great pleasure to note that all institutions of Rajasthani Sammelan Education Trust have successfully celebrated Annual Sports Day with eminent sports personalities as their Chief Guest. Students of all the institutions have participated in various interschool/intercollegiate sports and extra-curricular activities and have won many prizes. Many students of our schools and colleges have won team as well as individual sports, swimming and martial arts events at district, state and national level games.

Students of NCC, NSS, DLLE units and Rotaract Club members of colleges conducted many outreach programmes. NCC cadets of Ghanshyamdas Saraf College celebrated Children's day with children of 'Sevashram' Jogeshwari East on 14th November, 2022. NSS unit of GSCC organized 7days 'Residential Camp' at Saphale village in the month of December 2022. It is interesting to know that Durgadevi Saraf Institute of Management Studies, Durgadevi Saraf Global Business School, Ghanshyamdas Saraf College and Ladhidevi Ramdhar Maheshwari Night College of Commerce have organized many guest lectures, seminars and conferences in which eminent speakers from academics from corporate world were invited to interact with students.

I am very happy to note that many faculty members of colleges and schools have received awards from reputed organizations. Their research papers have also been published in reputed research journals. I take this opportunity to wish all the institutions of RSET further success in their future projects.

Rajasthani Sammelan
Education Trust

Dear Reader,

Warm Greetings for the New Year!

I am pleased to observe that to be a student in any of the institutions of Rajasthani Sammelan Education Trust is an enriching experience as here education extends beyond the classroom teaching. Students get an opportunity to participate in co-curricular activities like outreach programmes through NCC, NSS, DLLE units and Rotaract Club in colleges and Management Institutes that develop empathy in students towards the needy people and instill discipline in them. Extra-curricular activities such as debates, music, dance, sports, international collaborations etc. are well blended in the form of inter-disciplinary approach.

I am pleased to note that in the past three months, distinguished personalities from academics and corporate world were invited by the institutes of higher education for guest lectures, seminars and conferences. Remsons Centre for Management Research (RCMR) of Durgadevi Saraf Institute of Management Studies is working on the Volume 4 Issue 2 of the in-house journal 'The Management Quest'.

It is a matter of great pride that in the month of December Shri Kailash Kejriwal, Hon. Secretary & Trustee, RSET and Shri Lalit S. Saraf, Treasurer, RSET were honoured at Times Education Icons Award Ceremony held at Trident Hotel, Nariman Point, for Mainadevi Bajaj International School (MBIS) & Ramniwas Bajaj English High School (RBHS) as leading schools with International & National Curriculum respectively.

It is heartening to note that IGCSE Toppers of MBIS, Vansh Lathiya, Thirukumaran Veleiyudham and Vansh Agarwal received the Award of Excellence at the MISA Felicitation Ceremony held on 8th October, 2022. A blood donation drive was organized by Kudilal Govindram Seksaria Sarvodaya School successfully on Thursday, 10th October, 2022 in co-ordination with Nair Hospital and Lions Club Millennium.

I take this opportunity to convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Devendra Lath
Communication Centre
at DSIMS

Dear Reader,

Warm Greetings for the New Year!

It is a matter of great pleasure that Rajasthani Sammelan Education Trust has provided latest technological support and facilities to the students of all the institutes in RSET campus to access valuable information from any part of the globe. Devendra Lath Communication Centre is one such centre which has video-conferencing facility along with other technological support. I am very happy to know that this Communication Centre is regularly used by the Trust for important meetings, presentations and video-conferencing. The students of Durgadevi Saraf Institute of Management Studies have also been utilizing video-conferencing facilities in Devendra Lath Communication Centre.

It is interesting to know that in the past few months students of the institutions of Rajasthani Sammelan Education Trust have excelled in sports activities by winning many sports competitions organised by other schools, colleges, District Sports Office & University of Mumbai. At the Inter Collegiate Kabaddi Tournament conducted by University of Mumbai, Girls' Kabaddi team of Ghanshyamdas Saraf College bagged First Place. Students of Durgadevi Saraf Junior College participated in DSO Athletic events and won first place in 400 meters & 1500 meters race and in triple and long jump. Three students from Kudilal Govindram English School are now playing football at YPL (Youth Premier League) at District Level. Many students have excelled in swimming & martial arts at district, state and national level.

It is praiseworthy that Rajasthani Sammelan Education Trust (RSET) had successfully conducted a Mock Fire Drill for all its Institutions in RSET Campus on 29th November 2022 under the guidance and instructions of Capt. Anant Yadnik, CEO, RSET. Fifteen institutes with approximately 15000 students had participated in this drill.

I wish a great future to all the institutions of Rajasthani Sammelan Education Trust.

Rajasthan Sammelan
Education Trust

Dear Reader,

Warm Greetings for the New Year!

It is said that progress and development of our nation in every field will be faster if we progress in education. Rajasthan Sammelan Education Trust has very wisely taken a lead role to provide opportunity to the student community by providing different systems of education through various institutions run by the Trust. It is interesting to note that in the past few months all the institutions have excellently combined academics with extra-curricular activities to make the lives of students interesting in the campus. All institutions celebrated Gandhi Jayanti by organizing various activities. On 1st October, 2022 NSS Volunteers of Ladhidevi Ramdhar Maheshwari Night College of Commerce (LRMC) and Deviprasad Goenka Management College of Media Studies (DGMC) participated in the De-addiction Rally organised by NSS Department, University of Mumbai from Azad Maidan to Gateway of India. On 2nd October, 2022 Volunteers of both the institutions participated in the Bhajan Sandhya conducted at Gateway of India. The Rotaract Club of DGMC also organized a 'Peace March' on the occasion of Gandhi Jayanti on 2nd October, 2022.

I am happy to note that all the institutions have celebrated Annual Sports Day with great enthusiasm. Many students of schools and colleges have excelled in sports, swimming and martial arts and have bagged prizes at district, state and national level competitions. The Management has also been encouraging the students to develop talent in various sports by appointing expert coaches to train students. The winners are encouraged by giving cash prizes, shields and trophies. The Trust is also giving scholarship and freeship to meritorious and needy students to pursue studies in their respective streams.

I convey my best wishes to all the institutions for further progress and to attain excellence.

at DSIMS

Dear Reader,

Through this issue of Abacus I wish a happy & prosperous New Year to every one!

It is a matter of great pride to know that Rajasthan Sammelan Education Trust is in a journey of continuous growth and development of its educational campus and has provided various types of educational opportunities to students belonging to all sections of the society. The Trust has extended educational facilities to students beyond the boundaries of its campus through Kunjibihari S. Goyal Online Academy (GOLD Academy). Residential facilities to students coming from other cities and countries have been provided to girls in Draupadidevi Sanwermal Women's Hostel & to boys in Jankidevi Bilasrai Bubna Boys' Hostel.

I am pleased to note that Smt. Smita Mahavir Agarwal Seminar Hall has been regularly used in the past few months by Durgadevi Saraf Institute of Management Studies for holding lectures, guest lectures, workshops, seminars, placement activities and Board Meetings. DSIMS is providing a helping hand to other institutions for conducting Board Meetings and Seminars by extending this facility. The air-conditioned seminar hall has a computer with screen and was of great help for Zoom meetings during lockdown due to COVID Pandemic.

It is indeed praiseworthy that in the past few months all the institutions of the Trust have excelled in curricular and co-curricular activities. Mainadevi Bajaj International School (MBIS) and Ramniwas Bajaj English High School (RBHS) were felicitated by Times Education Icon Award for being the Top Schools with International curriculum and National curriculum respectively. The event was conducted by Optimal Media Solutions (A Division of Times Internet Limited). MBIS has also been conferred with the Award For Excellence in International Curriculum Practices at the 4th EduLeaders' Summit held on 1st December 2022 at NESCO Grounds, Goregaon.

I wish excellent future to all the institutions of RSET.

Republic Day Celebrations

Republic Day celebrations in RSET campus for the academic year 2022- 2023 was hosted by Mainadevi Bajaj International School on Thursday 26th January, 2023. On Republic Day, the flag is unfurled, signifying that India is already a free country and so the flag is perched atop the flagpole and is unfolded.

Essence of India' beautifully depicted by DSWH students

President, RSET, Shri Ashok M Saraf with the Chief Guest, Shri Vikas Pavankumar

The celebrations began sharp at 9.00 am with the unfurling of the flag by the Chief Guest, Shri Vikas Pavankumar, Trustee, RSET, in the presence of Shri Ashok M. Saraf, President, RSET and other dignitaries. Students of MBIS Grade 5, Saanvi, Amaira, Dev, Aniya, Nihaar, Viraat and Vedika rendered a patriotic song followed by the National Anthem. The Compeers - Vanessa D'souza and Kushaal Agarwal guided the audience to move towards Durgadevi Saraf Hall for the cultural programme. The Chief Guest Shri Vikas Pavankumar, President, Shri Ashok M. Saraf, Hon.Secretary, Shri Kailash Kejriwal, Managing Committee members, Trustees, Principals and Heads of all institutions of Rajasthan Sammelan Education Trust, invited guests, parents, teachers and students were welcomed by the compeers aptly by the following words: "We are made wise not by the recollection of our past, but by the responsibility for our future."

"We must change to see our country change, a change in the right direction. Our country is a symbol of great diversity in every form. The feeling of oneness was evoked in the heart of every Indian in our movement to a glorious future. Being a Republic Nation, we have Freedom of mind, Faith in words, Pride in our hearts and Memories in our souls. So, let's salute the nation on it's 74th Republic Day".

Dr. Padmajaa S Kutty welcomed the august gathering by stating that Atma Nirbhar Bharat is surely a vision for all of us and we need to work towards the same. The highlights of her speech were as follows:

Adversity often plays the role of a great teacher. It makes us stronger and more confident. With that confidence, India has taken great strides in several sectors and is considered one of the potential superpowers of the world. Every Indian should salute our farmers, who have made our vast and populous country self-reliant in food-grains and dairy products. The coronavirus crisis led to Atma Nirbhar Bharat, a movement being taken forward by the people themselves." After about a year of this unforeseen ordeal, India today stands not despondent, but confident. Equally salient but touching more lives directly is the comprehensive reform in education which was long overdue. The 'National Education Policy', with its stress on tradition as well as technology,

will lay the foundation of a New India which aspires to emerge as a knowledge hub on the international stage.

Today, India is being rightly called "pharmacy of the world" as we are supplying medicines and other health care items, including vaccines to other countries. Our diaspora is our pride. Indians Abroad have succeeded in different walks of life political leadership, science, arts, academics, civil society and business, bringing laurels to their new homelands and also to India. As we are set to celebrate 74th Republic Day at RSET, let's send greetings to the members of the armed forces, paramilitary forces, the police and all those jawans who usually celebrate festivals staying away from their families. Their love for humanity and the spirit of sacrifice has taken India to great heights. This Republic Day, let us all take a resolution to be true jawans in our lives, and in our very own small way touch lives with compassion and humanity. Under the aegis of our compassionate and devoted Management of RSET, we, the staff, is indeed honoured to create nation builders. This makes RSET a worthy and cherishable place to work which can be concluded in the following lines Kaam aisa karo ki tumhaara naam ho jaaye Aur naam aisa karo, ki naam sunte hee, saare kaam ho jaaye

Chief Guest Shri Vikas Pavankumar was felicitated with a Plant as a token of gratitude by Shri Ashok Saraf. The theme-based cultural program began with the students from Draupadidevi Sanwermal Womens' Hostel presenting a graceful dance performance on the 'Essence of India'. Moving on, the students of Kudilal Govindram Seksaria English School presented a rendition of a song that filled the atmosphere with patriotism. A student from Grade 4 from Kudilal Govindram Seksaria Sarvodaya School, gave a breathtaking fiery speech that ignited the spirit of patriotism in the audience. An enthralling Mono Act was presented by a grade 6 student from Kudilal Govindram Seksaria Sarvodaya School.

Gender equality is a basic human right, yet inequality in gender is an issue that many girls and women face throughout their lives. While some progress is being made in various parts of the world, there is still a great deal left to be done to right the wrong. RBHS Primary Section students showcased a Human Pyramid in an artistic and captivating gymnastics performance with an effort to change society's attitude towards girls. The students of the host school MBIS unleashed a breath taking and spellbinding dance performance with elegance and grace which reminded us about our freedom fighters, and their sacrifices that helped India attain Independence and further

move on to become a sovereign and a Republic Nation.

The Chief Guest addressed the audience and mentioned that it is the cultural events along with the academics that shape the holistic development of every student. He further mentioned how each performance was packed with meaning that helped everyone remember the sacrifice and hard work put into being a Republic nation. His words of wisdom enlightened the audience. Mrs. Mini Nayar, Principal of KGES, proposed the vote of thanks, wherein she expressed appreciation to the host school for organizing the event with a meticulous touch. The event ended with a message for all: 'Let gratitude be the pillow upon which you kneel, and let faith be the bridge you build to overcome evil and welcome good'.

Proud moment Chief Guest, Shri Vikas Pavankumar unfurling the flag.

Felicitation of the Chief Guest by Shri Ashok M. Saraf

INTELLECTION HUB

In a metropolitan city like Mumbai, many students face difficulty to study properly in their own homes due to space constraints. The professional course of Chartered Accountancy being very challenging, students require a peaceful environment to study. Recognising the need of such students, RSET which has always been at the forefront of education decided to earmark an area for setting up a study centre exclusively for students who are pursuing their studies in Chartered Accountancy.

In due course a fully air-conditioned CA Centre was constructed with state-of-the-art facilities, along with library and reading room facility. The Institute of Chartered Accountants of India (ICAI), Western region also came forward and joined hands with RSET to establish an extension counter of ICAI in the CA Study Centre for the benefit of its students and members for submission of various documents and distribution of study materials to CA students.

Shri Kailash Kejriwal, Hon. Secretary RSET felicitating Shri Vinod Podaar Trustee RSET

With a handsome donation received from Mr. Vinod V. Podaar, the study centre was named in memory of Late Shri Vishwanath ji Podar at a glittering function on Sunday, 8th January 2023 in the morning. Vishwanath Podar Study Centre was inaugurated by Mr. M. P. Taparia, who is the Managing Director of Supreme Industries Limited, which has a pre-eminent history spanning nearly 80 years in the plastics industry.

Upon his arrival, the Chief Guest Mr. M.P.Taparia and the Guests of Honour Smt. Vidya Thakur and the Donor Trustee Mr. Vinod Podaar along with other guests and dignitaries were accorded a warm welcome by Mr. Ashok M. Saraf, President, RSET, Mr. Kailash Kejriwal, Hon. Secretary, RSET and the office bearers and managing committee members of RSET.

Mr. M. P. Taparia performed the inauguration ceremony by cutting the ribbon and unveiling the plaque at the entrance of the Study Centre in the presence of Guest of Honour Hon'ble Smt. Vidya Thakur, MLA, Goregaon Constituency, and President of RSET Mr. Ashok M. Saraf, Hon. Secretary, RSET, Mr. Kailash Kejriwal, office bearers and managing committee members of RSET and other dignitaries besides the family members of Mr. Vinod Podaar.

All the guests and dignitaries later visited the reading room and the library located in the basement of the Study Centre and appreciated the facility created by the RSET management for the benefit of the students.

A scintillating formal function was held in Durgadevi Saraf Hall of RSET Campus after the inauguration. Mr. Ashok M. Saraf welcomed the Chief Guest, Guest of Honour, the Main Donor

and other dignitaries present at the function. In his welcome address, he appraised everyone about the educational endeavours of the 75 years old Rajsthani Sammelan Education Trust, which is at present having 14 educational institutions, an Online Academy, a Counselling Centre, a Sports Academy, a Women's Hostel as well as a Boys' Hostel along with many other facilities.

He specially thanked Mr. M.P.Taparia for taking time out and coming all the way for the Naming Ceremony function. He also thanked Mr. Vinod Podaar for his generous donation for naming of the study centre at RSET as Vishwanath Podar Study Centre.

In his address, Mr. Ashok M. Saraf mentioned that Shri Vishwanath ji Podar was the inspiration and person who

started Rajsthani Sammelan along with eleven other like-minded people and started a school for the girl child 61 years ago with just 2 girls. He also mentioned that Shri Vishwanath ji Podar was very passionate about girls' education and in those early years when parents would not send their children to school, a girl's school provided an opportunity for them to send their girl child to school.

After the welcome address of the President, Mr. M. P. Taparia was felicitated by the President Mr. Ashok M. Saraf with a memento and bouquet. The Main Donor Mr. Vinod Podaar was felicitated by Hon. Secretary, Mr. Kailash Kejriwal and Smt. Vidya Thakur was felicitated by Hon. Jt. Secretary, Mr. Sunil Kabra. Smt. Panadevi Podar wife of Late Shri Vishwanath ji Podar was felicitated by Mr. Lalit Saraf. It was indeed a memorable occasion to have the first student of Kudilal Govindram Seksaria Sarvodaya School Mrs Sushila Jasrajpuria, daughter of Late Shri Vishwanath ji Podar amongst the august gathering at the Naming Ceremony. She was felicitated by Mr. Vinod L. Dalmia, Hon. Joint Secretary, RSET, with a bouquet.

In his address, the Main Donor, Mr. Vinod Podaar congratulated the President Mr. Ashok M. Saraf for his dynamic leadership and thanked him and all the committee members for naming of the Study Centre in memory of his father Late Shri Vishwanath ji Podar. He expressed his sincere gratitude to the chief guest Mr. M.P.Taparia for accepting the invitation for the naming ceremony and traveling all the way to Malad.

Mr. Vinod Podaar spoke from his heart and with great pride about the life and work of his father

Late Shri Vishwanath ji Podar, his defining qualities, values and teachings and his contribution to social causes, philanthropy, business and more importantly his contribution to the cause of girls education way back in 1950's when he started Sarvodaya Balika Vidyalaya (now known as Kudilal Govindram Seksaria Sarvodaya School) a school for the girl child with just 2 students.

Smt. Vidya Thakur in her address lauded the efforts of President Mr. Ashok M. Saraf and Hon. Secretary, Mr. Kailash Kejriwal for their unstinted efforts and complimented the team work of RSET's office bearers and committee members for imparting education to over 16,000 students and for the seamless management of the campus. She reminisced her association with Late Shri Vishwanath ji Podar and how his vision to start a school for the girl child with just 2 students in late 1950's has today paved the way for multitude institutions under the umbrella of Rajsthani Sammelan Education Trust.

While addressing the gathering, the Chief Guest, Mr. M. P. Taparia praised and lauded the efforts of Rajsthani Sammelan Education Trust for its grand contribution in the field of education. He further said that RSET has set an example of effectively utilising the infrastructure in such a way that today approximately 16,000 students are studying in a 2 acre campus. This, he said, was a great learning in effective utilisation of the infrastructure. He also spoke on how Artificial Intelligence (AI) will be reshaping the future in the next 20 years and suggested to the management of RSET to introduce AI in a big way in its institutions. While recollecting his association with Late Shri Vishwanath ji Podar, he mentioned that he has many fond memories, but the one that was uppermost was his dedication of working for the cause of education. Mr. Taparia said that the naming of the Study Centre in his name was indeed a befitting tribute to a person of the stature of Late Shri Vishwanath ji Podar who selflessly dedicated himself to the cause of education.

Mr. Rahul Podaar son of Mr. Vinod Podaar paid tribute to his grandfather Late Shri Vishwanath ji Podar by dedicating a poetry which expressed admiration, respect and deep love. It was a perfect tribute to remember the life of his grandfather Late Shri Vishwanath ji Podar and also a reminder to how his legacy has lived on.

The Programme was compered by Dr. Padmaja Kutty, Principal, Mainadevi Bajaj International School.

Hon. Secretary, RSET, Mr. Kailash Kejriwal proposed a vote of thanks. He thanked the chief guest, guest of honour and all the invited guests and dignitaries for their gracious presence at the Naming Ceremony function. This was followed by a sumptuous lunch for all guests & staff.

Every year Annual Sports Day is celebrated by academic institutions with great enthusiasm. This day is marked by organizing various kinds of sports events with the aim of encouraging the popularity of sports and also to inculcate sportsman spirit and the spirit of competitiveness in the students. Rajasthan Sammelan Education Trust has always encouraged students to participate in sports events by way of instituting various sports awards that include shields, trophies, medals & cash prizes. The Annual Sports Day Celebrations this year witnessed hard work, team spirit and dedication of participants from pre-primary sections of the schools to the senior students of degree and junior colleges. Over the years, new events have been included in the list by the institutions to make their respective Annual Sports Day more competitive and interesting. Eminent sports personalities are invited as Chief Guests who instill inspiration and enthusiasm in students by sharing their experiences and encourage students to participate in sports activities and practice regularly. In the academic year 2022-2023, Annual Sports Day was celebrated by institutions of RSET with great enthusiasm.

The Annual Athletic Meet of Kudilal Govindram Seksaria Sarvodaya School was held on 17th December, 2022 at the Prabodhan Kridabhavan from 9.00 am onwards. We were fortunate to have as our Chief Guest for the day Mr. Arun Mishra - National Gold Medallist in Water Polo to grace the occasion. Mrs. Neera Saraf and Shri Shrikant Dalmia Trustees, RSET, were also present to encourage and motivate the students.

The program began with the March Past and

It was indeed a thrilling sight to watch the girls parade the ground in perfect co-ordination to the drum beats.

This was followed by hoisting of the flag by the Chief Guest Shri Arun Mishra. Ms. Anokhi Gupta of Standard IX carried the athletic torch and ran swiftly passing on the same to her friends in the ground. Participants for the day then took the oath of sportsmanship, fair play and promised to follow the code of conduct. The stage was now set for our primary students to perform the

The girls of Std V, VI and VII performed the hoola loop drill with perfect co-ordination and movement. Then came the girls to perform lezim the traditional Maharashtrian dance to the excellent drum beats of our students. The white and orange combination of their dress made the scene more mesmerizing. Then began the track events for students from Std I to X which included running, relay race, three legged race and many more. Winners were felicitated with medals and certificates by the Chief Guest and other dignitaries.

The Chief Guest appreciated the efforts of PE teachers in training the girls and offered to provide free coaching for the students. The event ended with the rendering of the National Anthem by one and all present.

"Talent wins games but team work and intelligence wins Championship"

Kudilal Govindram Seksaria English School celebrated the Annual Sports Day on 19th December, 2022 in Prabodhan Ground with great Zeal, energy and enthusiasm. The program began with welcoming the chief Guest, Dr Tapan Panigrahi –Dronacharya Awardee. Dr. Tapan is an International Swimming Coach as well as former senior coach of Sports Authority of India. He is a multi-talented personality & holds a great experience of 45 years in the field of swimming. He is highly qualified with the Degree like M.Phil & Ph.d in sports science- swimming. He is a top merit

holder in International swimming coaching courses. Under his expert guidance more than 250 National swimmers, 60 International swimmers & many para-swimmers have been trained. His extraordinary skills as Indian team coach for National coaching camps & International competitions have been utilized by SFI & SAI for various Asian games, Olympic games, Common wealth youth games & many more. He was felicitated by the Principal Mrs. Mini Nayar with a bouquet and a memento as a token of appreciation.

The event unfolded with passing of the torch to the torch bearers who were students who had

proved their mettle in various sports tournaments. The event was inaugurated by hoisting the flag and releasing of balloons beautifully decorated with a mascot. To invoke God's presence, the students came up with a prayer song followed by the school anthem. It was a day in which our students tried to develop sportsmanship, learnt to be life-long learners to be energetic, competitive and great team players.

The Sports Day meet was declared open by the Principal Mrs. Mini Nayar. Students from all the four houses coupled with stirring marching music of the band marched in grand way with oath being administered by the sports captain. An energizing display set the tone for the rest of the event. It was a treat for the eyes as this colorful performance gave a glimpse of the wonderful world beneath the surface when students of preprimary, primary and secondary showcased their talent through artistic displays of Marshal Art, Lezim and sports dance mesmerizing our Guests and the parents with their energetic performances. Students Completed class-wise events including ready for the school, Sack-race, three-legged race, hurdles race etc. which signified that in life there is always hurdles, which we have to

overcome. It showcased the skills and exercises practiced by our own young sports enthusiasts when they began with the race like ready-for –school so beautifully displayed by the zestful innocence of the kids. It laid emphasis on the need for character, building perseverance and competition. In every event, students with their shining dresses and energy, captivated the audience leaving them smiling and waiting with enthusiasm for the next event.

"All work and no play makes Jack a dull boy" highlights the importance of being active in our life.

Victory is in the quality of competition and not the final score. Many records were made and the young achievers were awarded with gold, silver and bronze medals. They were the source of motivation for those who did not win any prizes. The medals to the runners were given away by the chief guest -Dr. Tapan Panigrahi and Principal Mrs. Mini Nayar along with other dignitaries present there. Best Athlete Girl and Boy were awarded on the basis of getting maximum points and other achievements. It is all about stamina, will power and overall performance which had the Canary house win the overall championship trophy for the best house. Annual sports day provided ample opportunity for healthy excitement and joy to all our young athletes. Principal Mrs. Mini Nayar appreciated the efforts of P.E teachers Mr. Dharmraj and Mrs. Bhavika supported by all the teaching and non-teaching staff for their efforts to make the event a grand success. She also congratulated all the winners and declared the meet closed. To sum up, the collective energy of the children and the facilitators added up to an energetic and fun filled day. The day ended on a positive and cheerful note. The event ended with National Anthem.

While the preprimary kids competed on PDSA turf, the other students battled it out at Prabodhan Kridabhavan, Goregaon. The tiny tots chose a circus team complete with the Big Tent, clowns and animals, while the older students decided to 'Unleash Your Potential'.

The Chief Guests were achievers on the sports field - Ms Auri Mascarenhas (National basketball player), Ms Mariya Patel, a Gold Medallist - Powerlifting and Weightlifting Player and Mrs Sybil Miranda, the Ex Captain of the Indian National Women's Hockey Team. The pre-primary sports day had the entire PDSA converted into a circus with races themed to

activities at a circus. The décor was colourful and vibrant energising and exciting everyone. The yoga display was well coordinated while the races combined various physical skills. The agility and quick movements of the students was testimony to the hours of practice the teachers and students had indulged in.

The torch was lit by students who have excelled in various sports like swimming, judo, wushu and football. The sight of the torch flaming ahead is a boost to many to pursue their interest in sports. We had the same practice followed by the pre-primary students as a sign of a tradition that must go on.

The school band belted out various tunes to build up the spirit and rhythm of the games while leading the houses in the synchronised march past. Keeping up with the theme, the

students revealed their talents and grits while upholding the values of sportsmanship. The interesting highlight for the younger children was the juggling clown and Mrs Moo the cow as the mascots. The child squealed in excitement to have Mrs Moo at the victory stand with them. The spectators in the stands were bursting with energy – grandparents, parents, siblings and all. It was truly enjoyable to hear the stands roaring with cheer and claps.

Class displays have been a constant feature and this year we paired dances, yoga, martial arts and gymnastics in the display. Coordination, alertness and trust was what marked the displays of human pyramid, martial arts, lexis dance and yoga. The displays of aerobics, martial arts and drills were colourful and well-coordinated. Various themes donned the races as the children showcased their skills and power. Students had themes around cleanliness, covid warriors and responsibility.

The teamwork and passion of the students was highlighted greatly during the inter house tug of war. This year the boys and girls formed house teams to compete. Each team tugging at the rope with rhythm and coordination was a joy and prompted the parents also to have a match for themselves. Parents jumped onto the competitive bandwagon during their races. At the end of the morning, all you heard was the clang of medals, gush of excitement, a deep sigh of satisfaction and the tired feet trudging home.

Like sprinter Hima Das says, "We are human beings, at the end of the day. Success and failure are a part and parcel of our life." Sports days provide excellent opportunities to develop values of sportsmanship, camaraderie, understanding, learning to rise above failure and being able to congratulate your opponent as he crosses the victory line. Our endeavour has always been to ensure that

every student is a part of the event so that we can provide opportunities and exposure to every activity and field. This is our way of helping students understand their potential and abilities so that the school helps them hone it.

Pre Primary students demonstrating their Yoga skills

The Annual Sports Meet at MBIS was scheduled on 3 different days section wise. The Pre Primary students experienced the day on 25 November 2022. With 'Rhymes Come Alive' as the main theme, the pre-primary section of MBIS became ready to jump-off the point for their Sports Day. The cheering crowd started their day early on 25 November, 2022 and were delighted to see the upcoming champions run the races. The day started with zealous young performers who presented the drill.

The chief guest, Mr. Sanket Parab, who has been a state coach, an International Mallakhamb judge, was a great source of motivation for the young ones. Parents were filled with enthusiasm as they wore their running shoes and got ready to participate in the fun race. The ground was filled with zeal and energy. They ended the day keeping true to the following: **We hop and we run, We skip and we jump, Our Sports day was filled with a lot of fun.**

The Primary Annual Sports Meet was scheduled on Wednesday, 14th December, 2022.

Participation in sports helps build self-esteem, confidence, teach children the benefits of goal setting and can help build their social skills. So, with this purpose, the Primary section of MBIS organized their Annual Sports Meet at Prabodhan Grounds on 14th December, 2022. This Annual Sports Meet was marked by many first time ever occasion; for the first time in the history of MBIS the entire Primary section had day together, for the very first time the students had taken part in the march past event and they experienced for the first time sports day on such a big ground.

Mr Pravin Thipsay the chess champion graced the occasion as the chief guest and declared the meet open. The most amazing thing about this sports day was that all 105 students from Grades 1 to 5 took part in the fun races and the 100 meter flat race; and the predetermined events-the standing broad jump and the ball throw apart from the selected 200 meters race and the relay race from grades 3 to 5. At MBIS individual participation is encouraged and it is the participation of children that is most important for us and it gave us immense joy to see all students taking part.

The fun races were based on the theme 'Stories Come Alive' and had fun games based on Aladdin and the magic lamp, Jack and the beanstalk, The Thirsty crow, Pied Piper of Hamelin and the Cap-seller and the monkeys. The parents too had fun taking part in the flat race. The welcome dance, the fan drill, the hula hoop drill, the yoga and the martial arts only added colour and excitement to the whole event. The Annual Sports Meet provided ample opportunities for healthy excitement and joy and was the culmination of the continuous and best efforts put in by our little ones and teachers. The parents took home sweet memories of their kids to cherish them forever.

The Secondary Annual Sports Meet was scheduled on Monday, 12 December 2022.

"Every job is a self-portrait of the person who does it. Autograph your work with excellence"- Jessica Guidobono

Sports are the one area of life that may teach us the most significant lessons about tenacity, patience, and what makes a good character. The Annual Sports Meet of the Secondary based on the theme, 'Feel the Zeal' symbolised energy, talents, and sportsman spirit of the

students, inspiring them to persevere and hone their skills in order to reach the highest levels. The most anticipated event of the year commenced with the arrival of the highly distinguished chief guest, Ms. Ami Ghia, a renowned badminton player.

The Yoga, Martial Arts, and Tabata Fitness Displays sought to educate the audience about the benefits of leading a fit and healthy lifestyle. A strong mind and a lively body are the basic requirements to live a long and happy life. The march past sent a clear sense of unity and camaraderie. In each race that was held, each house made a concerted effort. Ruby House bagged the first place this year. Due to their dominance in every tournament, Emerald House was awarded the title of the Best House.

Deviprasad Goenka Management College of Media Studies

Do you know what my favourite part of the game is? The opportunity to play - Mike Singletary

Sports is the celebration of human spirit. It serves the student community by providing vivid examples of excellence combined with integrity, courage and character. It is precisely for this reason that the principal of Deviprasad Goenka Management College of Media Studies, Dr. Amee Vora inspired the Sports Committee to organise the Annual Sports Day. Accordingly, the Annual Sports Day for the academic year 2022-23 was held on 23rd and 24th December 2022.

The celebration spanned over two days with athletes participating in outdoor as well as indoor sports. The spirit of exuberance could be sensed as many students enrolled themselves to participate in a wide range of sport activities. The Sports Day commenced with the Inauguration ceremony that was graced by honourable Chief Guest Ms. Kranti Salvi. Ms. Salvi is a Berlin Guinness World record holder for running a Marathon in Navari saree & is aspiring to climb the Mount Everest in Feb 2023. Guest of honour Ms. Nandini Sharma is a mountaineer. Our CEO Capt. Anant Yadnik also graced the inaugural ceremony.

The show began with an astounding and energetic performance of the Dhol Pathak and the folk dance of Maharashtra, Lezim was performed by our graceful students. Ms. Saloni Wadke, TYBAMMC student, a gold medallist in the district level championship showcased her artistic gymnastic skills. and Ms. Pooja Shah, FYBAMMC student who won Gold in the 14th All Mumbai Suburban Wushu Championship demonstrated her Kung Fu skills respectively.

The symbolic sports torch, representing sportsmanship and spirit of fair-play, was lit and carried across the college campus by our FYBAFTNMP student, Mr. Nachiket Chonkar. Students and participants took an oath of fair play and sportsmanlike conduct and the sports day was declared open by our Chief Guest. Purple balloons attached to a banner was released by the President of the Student Council Ms. Chetna Shastri, a TYBAMMC student.

Outdoor sports, such as cricket, football, volleyball, dodgeball, sack race, tug-of-war and spoon & lemon race were enthusiastically played on the first day at Pravinchandra D. Shah sports Academy (PDSA) Turf. Indoor sports such as carom, table tennis and chess were organized on day-2 within the DGMC campus.

All student participants & staff showcased a great sense of discipline and mastery of skills. Spectators cheered their favourites and encouraged the players throughout the matches. The atmosphere of the college was one of festivity and jubilation. The event concluded with the prize distribution ceremony. Principal Dr. Amee Vora congratulated the winners and encouraged the participants to outperform themselves next year. All the winners and participants were filled with pride as they received their medals and certificates. Dr. Vora also thanked and congratulated the organizing team for the successful completion of the event. The most awaited event ended on a high note.

Sports inspires young minds but also teaches good values and ethics to young students.

TIMES Education Icons

To felicitate the best in the field of education in the city of Mumbai, the Times Education Icon Awards was held on Thursday 15th December, 2022 at Trident Hotel, Nariman Point, Mumbai. Selected from a city - wide survey, the winners received their awards at the event conducted by Optimal Media Solutions (A Division of Times Internet Limited). The ceremony was attended by renowned educationist and eminent sports celebrities including Mary Kom, Bhaichung Bhutia and Vijender Singh. This event was anchored by celebrity host Sachin V. Kumbhar. He made an impression on the who's who from the Mumbai Education fraternity by the way he conducted the event.

At the event, Dr. Brijesh Karia, Chief Operating Officer, Singhania Education, contributed to the discussions on the key aspects of the New Education Policy 2020 and how schools can practically implement the policy to provide high quality education to students. Experts highlighted the importance of incorporating technology and innovation in education as well as the need for a holistic and student centric approach to learning.

These awards are based on the surveys conducted for top business schools, engineering colleges, education institutes in the field of fashion design, architecture and hotel management as well as schools across Mumbai. The winners of the event were selected on the basis of a survey conducted by independent research agencies i3RC Insights Pvt. Ltd., for Times School Survey 2022 and Times Top Education Institutes 2022 and Avance Insights Pvt. Ltd., for Times B School Survey 2022 and Times Engineering Survey 2022.

This year, Rajasthani Sammelan Education Trust's Mainadevi Bajaj International School (MBIS) and Ramniwas Bajaj English High School (RBHS) were felicitated among the Top Schools with International curriculum and National curriculum respectively. MBIS has been getting into the top International Schools in Mumbai. The Times School Survey carried out earlier this year, MBIS has been ranked 5th among schools with International curriculum in Mumbai. The school was also ranked 2nd in Zone D among the schools between Jogeshwari and Malad.

Ramniwas Bajaj English High School has been ranked 17th in Mumbai by Times School Survey 2022. The award was received by Shri Kailash Kejriwal, Hon. Secretary & Trustee, RSET and Shri Lalit S. Saraf, Treasurer, RSET, at the hands of the celebrity Bhaichung Bhutia.

Some of the prominent and prestigious schools to receive the awards this year included Jamnabhai Narsee School, The Cathedral & John Cannon School, Gundecha Education Academy, Oberoi International School, Bombay Scottish, D.G. Khetan International School, Navy Childrens School, Campion School and many others.

Times Education Icon 2022 was indeed a perfect platform to acknowledge and applaud the stars of the education industry. It was an evening of celebration amidst a galaxy of celebrities and stalwarts from the education sector. It was truly an iconic event to honour and recognize the efforts of India's top institutes.

MOCK FIRE DRILL AT RSET

Rajasthan Sammelan Education Trust (RSET) had successfully conducted the Mock Fire Drill for all its Institutions in RSET Campus On 29th November 2022. RSET had conducted Mock Fire Drill under the guidance and instructions of Capt. Anant Yadnik, CEO, RSET. Fifteen institutes had participated with more than 15,000 students who were evacuated within 3 minutes from the start of Fire Alarm which was announced by respective HOIs through loud hailers. The entire event was conducted smoothly without any problems like crowding, stampede, panic etc. RSET had engaged professional trainer from Ayaksha Health Care team, Mr. Madan Bandodkar who is a qualified Fire Safety and Evacuation Officer. He also conducted a lecture and training on operating fire extinguishers and the safety procedures to be followed in case of actual fire. This lecture was liked by one and all and the efforts taken by him was well appreciated.

For proper execution, Captain Anant Yadnik had prepared a detailed Manual for the Fire Mock Drill and had personally held two briefings centrally for all the HOIs and Administration staff of each and every Institute two weeks prior to this event. The Manual was shared with all the Institutes for their overall preparedness to face any emergency situation. A detailed power point presentation was made by CEO, RSET a week before the actual drill to ensure that the Do's and Don'ts are followed by each and every one participating in conduct of such a massive exercise.

The entire evacuation route was marked with proper signages leading to respective assembly areas of each institute. At the assembly area of each institute we had deputed the observers with a printed form to note all the details like the number of staff and students assembled, the time taken for the first person to enter and the time taken for the last person to leave, the time of the call given, the name of the person who called, the questions raised by the students regarding the fire safety and their satisfactory answers given by the external agencies etc.

Prior to the event, all HOIs had carried out the rehearsals of this exercise for their respective institutes. We, at RSET had also taken assistance of Safety training officer of M Power Security Services Mr. Narendra Waghmare, who conducted the session for Junior College and Degree College, wherein he demonstrated the evacuation procedure and few tricks like usage of blankets, handkerchiefs etc. for the safe exit from the buildings in case of fire. For the benefit of staff and students, the external teams had demonstrated the operation of fire hydrants, types of fire and usage of the fire extinguishers to extinguish any type of fire.

To carry such a massive exercise we had taken the mandatory written permission of the Malad Police station and the Fire Department. We are thankful to them too for giving these permissions readily.

This entire activity wouldn't have been possible without the support of the enthusiastic team of Mr. Vikas Ahuja, Mr. Deepak Thakur and Mr. Nikkhil Jethwa. Mr. Vikas had undertaken the task of the videography and photos of the entire event. Mr. Deepak had helped the CEO in

making the detailed PPT and Mr. Nikkhil had helped CEO in the overall administrative activity for the smooth conduct of the event.

Our wholehearted thanks to the President of RSET Shri Ashok Ji Saraf, Shri Kailash Ji Kejriwal, Secretary RSET along with the core team of

RSET's managing Committee members for giving the express approval and a free hand to conduct this activity.

UNLEASH YOUR POTENTIAL

Mrs. Florina Fernandes,
Principal

All work and no play makes Jack a dull boy

The above proverb was first recorded in 1659, which meant that the lack of balance between work and relaxation would render a person dull and stunted from a holistic standpoint. We could even interestingly add a line that has been lost in its travel through time, which says: "All play and no work makes Jack a mere toy."

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Play gives children a chance to practise what they are learning and develop important social skills like sharing, cooperating, listening, following directions, respecting personal space, making eye contact and using manners.

Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children. There are many reasons for this - a hurried lifestyle, changes in family structure, and increased attention to academics and enrichment activities at the expense of recess or free child-centered play.

At RBHS, we complement the rigor of academics with play and fun learning activities. A substantial part of this quarter of the academic year was devoted to engaging in fun activities that promoted and cemented learning along with activities that built the social skills through social outreach programmes.

Play and Learn Be it a normal school day or an event, activity-based learning or learning from an activity is what the students are engaged in. The Hobby club heralded Diwali in a unique manner; they learnt to make laddus and 'chiwada' in an easy-peasy manner so that they are confident of their culinary skills.

Students even engaged in creating innovative rangoli designs along with the traditional 'tash' game of cards but with a twist to suit the

Preprimary kids preparing sweets to distribute to ancillary for Diwali

students. Torans were made out of paper cups, earthen diyas were painted – all this to show the positive impact of our small actions on the environment.

The club allows the students to learn while enjoying themselves through language auctions, creative nutritional recipes, potting flowering plants etc.

Grade 1 students learnt germination of seeds by doing so in class and watching the roots and shoots sprout every day.

Germinating seeds in class is fun learning

Play and Compete Competition is always healthy when it develops resilience and perseverance while motivating kids to put in more effort. It is a perfect way to learn the unknown. Students engaged themselves in a Hindu mythological quiz at Diwali. The mood and mime competition got them to reflect about the values that are important for coexistence. The Ad Mad world brought the creative humour in the students as they persuaded students to buy house cleaning products. The entire school took on a festive look as students competed with their peers to create rangolis with a social messages of noise pollution, promoting brotherhood and peace.

An interesting competition initiated by the student council was bringing along creative bags on 'No Bag Day'. Students brought out more than a creative streak when they brought along toy trucks, pressure cookers, laundry bags, baskets etc to carry along their essentials. All this while theming their attire to the Indowestern dress code. In an interesting twist, the best dressed staff was decided by a jury of students who did so through rounds of interview and visual effect of attire.

Innovative bags on bagless day

The RBHS Sports Day of various sections were celebrated with great enthusiasm at Prabhodhan Kridabhavan, Goregaon. The ground was overflowing with zeal, passion and excitement as it was after a long two years. The Chief Guests were Ms Auria Mascarenhas (National basketball player), Ms Sybil Miranda (Captain - National Hockey team) and Ms Mariya Patel (Gold medalist -Powerlifting and Weightlifting). The displays and engaging games were enjoyable and inculcated various exercise skills. The parents were more than excited to be a part of the races as were the students to win the trophies for the Inter house tug of war.

RBHS was the envy of the football world when we hosted K Sankar, the only Indian referee at FIFA, accompanied by Rajendra Sawant, an ex-National referee. This was followed by a football match between RBHS teachers and AFA mothers with encouraging screams and cheers of the students. The visiting team won by a score of 1-0 and confessed that the teachers had put up a tough fight. The event was covered a leading news channel. What is even more interesting is that the teachers' team had been coached by the U16 boys football team who were stern, disciplined and motivating as

coaches with them 'punishing' the teachers with rounds of the field. A great way to learn patience and boost morale.

Our students have participated in varied competitions of Gizmo Greeks based on computer skills and creating a Math board game 'Mathomania' which won them the first place at the St John's Universal Astitva 3.0 MI festival. Our swimmers Daksh Shah (Grade 2), Aanika (Grade 6) and Aarya Bhatia (Grade 8) have been winning accolades at various competitions at district, state and national level.

Akshaj Pillay (Grade 9) won the Gold Medal in the 66+ Kg weight category in the Maharashtra state Judo Championship at Dhule Neev Sharma (Grade 4) and Daanya Kazi (Grade 9) secured first position in Wushu at district level. The school U11 football team were the 2nd runner up at the city Byju's Cup tournament.

Play in Drama Drama is known to boost imagination and impart social skills. What better learning environment can a school provide than engaging their students in theme-based drama. During the festivals of Diwali and Christmas, students enacted the story behind these festivals while highlighting the values that these festivals impart to the citizens of the country. The story of Christmas and the return of Lord Ram to Ayodhya could not have been better narrated than through the young actors of RBHS. The young children of pre- primary had a puppet drama to explain the significance of Diwali.

Playing and Learning out in the open Tagore's Shantiniketan was born out of his desire to cultivate a love for nature, to provide freedom of mind, heart and will, a natural ambience and to eventually enrich Indian culture.

Grade 1 students visited the BOB branch to learn the purpose, service, and importance of a bank. The ATM machine was a delight for them

Knowing about your bank

At Bollywood Park

as it also taught them about safety and security of money. Code of conduct at a bank was also one of the learnings. In a bustling city like Mumbai, we like to create Shantiniketan-like moments for our students. Their trips to Bollywood Park or Magic Mountain away from the city, the Veermata Jijabai Bhosale Udyan (Byculia Zoo) or to a cow shed in the suburbs are where we help them connect with nature. Their proximity to the animals helps them to understand their love for God's creations and how we impact their world. Picnics are conducted in urban parks which mute the sounds of the city and provide a calm and serene environment dominated only by their laughter and screams.

Preprimary Slumber parties are not only about sleeping!

Play and Social Skills Slumber Parties for pre-primary are not just to come dressed in pajamas and play games but also to enjoy storytelling, yoga and zumba. It is also a play to learn to team up, look out for others and make more friends.

ABMA, a soft skill company in the UK worked with some of our Grade X students in a pilot project on Life Skills. Through this month-long programme they read research and answered surveys. The result was an enriching understanding of the skills they are strong in and what they need to inculcate.

Shel Silverstein's 'The Giving Tree' was the idea behind the Joy of Giving month. Every child did a small good turn to bring a smile on someone's face without expecting anything in return. The Economics and Commerce students took on

the collection drive to collect essentials and toiletries for Desire society, Punarvas Education Society and IDF. Parents were generous and hence the drive was a huge success.

The Eco Commerce Canteen put up by the senior students sold home made products and made a huge sale of over Rs 17,000/-. This money has partly been used to buy clothes and toiletries for the Homeless Street Children Project of Scots' Kirk at Fort.

Eco-Commerce students handing over charity collection to Desire Society

Our tiny tots also prepared sweets in class and distributed them to the ancillary staff on the campus during Diwali. They spent Kindness week helping elders, animals in their own small way.

Play with the PTA Celebrations of all kinds give us the excitement and also allows us to relax and unwind in the midst of busy and crazy lives. One such celebration was organised by the PTA "Garba Raas 2022" - a fun-filled celebration with DJ music, light, food, games, variety of stalls and lots of gifts and surprises.

The RBHS Cricket Premier League was another occasion to bond and make new friends. With over 100 players, the matches brought out the best in their zeal to perform. Parents spent their evenings, preludeing the match, in coaching their players. It was a fun-filled family event.

Play and Awards RBHS ranked 17th in Mumbai among Schools with National Curriculum, as

per the Times School Survey 2022. We thank all our teachers, staff, and students for their incessant efforts in promoting excellence in education that exceeds all expectations! With this renewed inspiration, we shall continue forth in our pursuit of imparting world-class education to inspire positive change in our society.

Siksha Gaurav Puraskar presented to our Principal by Universal Mentors Association and Brainwonders at the 4th Eduleaders Summit was rather a symbolic confirmation of the untiring efforts and the potential future success of the entire team. Award for Excellence in providing enriching activities and skill development programmes was presented to RBHS at the India K12 Summit 2022 by Eldrok.

The Pleasing Principal 2022 Award was bestowed on our Principal from amongst entries from the country at The Rethink India 5th Estate edu INDIA 2022 Awards. This award was selected on the basis of evidences and anecdotes provided by the staff for the qualities they deemed their principal fit.

Positive Parenting through Play There is no such thing as being a perfect parent - just be a real one.

Dr Avinash Desouza's session on Positive

The Pleasing Principal award bestowed on our Principal

Parenting highlighted the facts about being a 'real' parent. He very simply and beautifully touched on those tender areas of every parent's soul that nags them about not doing their 'job' well. Through his anecdotal studies he mentioned how and why children behaved how they behave and what we as parents can do to tackle children in a calmer manner; being

stern and firm when required. He spoke about why it is important to keep children mindfully engaged and at times why we should allow them to be 'bored' so that they indulge in something constructive eventually. It is important to distribute home chores amongst everyone in the family so that children appreciate the work done for them. Every query had an anecdote or experience to help us understand that it is possible to bring about a change and parenting is a journey in progress.

SKILL BASED ACADEMIC APPROACH

Culmination: Primary: Grade 1 presented their first Culmination on 'Family'. They started with the Marathi song "Asava Sundar Chocolate Cha Bangla" followed by a skit 'Eventually everything connects' where kids spoke about nuclear, joint and extended family concepts. They also spoke about taking care of the environment, healthy and unhealthy food and animal habitats. The session ended with a Hindi

Swar Geet where students sang and danced. Students of Grade 2 culminated their first unit by presenting a skit on the importance of community helpers in front of their parents. It was a trilingual presentation in English, Hindi and French. They also sang a Marathi song to culminate what they learned in Unit 1. They ended the day by asking some mind boggling riddles from their parents. Parents were extremely elated to see their children perform confidently after 2 long years of pandemic. The students of Grade 3 at MBIS put up a spectacular Culmination event wherein, they showcased their acting and singing skills with sheer confidence and elegant smiles throughout. Their AOI unit 1 was all about Early settlements and so the students presented all that they had learnt through a humorous and entertaining skit. The students also incorporated the French and Hindi language through songs that they added as part of the show. That's not all, the students rapped and invited parents to play a game - The Hall of Fame, where they conducted a quiz for their parents about Early Humans. The parents participated enthusiastically and this for sure boosted the student's confidence. All is well that ends well and that's how the students ended the program with a vote of thanks and received positive and happy feedback from their parents.

On the same day, the students of Grade 4 had their first Culmination. The wonderful Tour of

Egypt and Indus valley was a trip that took parents and the audience back in time to thousands of years ago. It transported them into the majesty of Egypt's and the Indus Valley civilisation. Walking through the display and viewing, the enactment by the students the parents experienced and established connections that offered a stimulating and fascinating Journey into the two civilizations. The parents loved the Gallery Walk, cheered the students and conveyed their happiness with a word of thanks to the teachers and positive feedback.

Art Appreciation week: Primary

Every child is an artist...Picasso

To reiterate what Picasso the great artist said, the 'Art Appreciation' week was held, where every child right from Nursery to Grade 5 created something from their heart and built it with their hands. While the little ones from Nursery created Diwali cards and Grade 1 created hand puppets and Diwali card, Jr. Kg and Sr. Kg students made Turtles and Jelly Fish Craft which was wonderful.

2d lantern designs were done by the students of Grade 2 with great enthusiasm and interest. The wonderful diyas designed by the students of Grade 3 along with the Snake Finger Puppet was a pleasing sight. Paper sculpture and diya decoration by the students of Grade 4 was an art of self-expression with fabulous inventiveness. The Terrarium created by Grade 5 students was the cherry on the cake where their innate talent and extraordinary potential for art was displayed. The Art Appreciation week encouraged the students to think, developing their confidence and skills.

The theme '**GENDER EQUALITY**', one of the sustainable development goals to promote women's empowerment in society against all social issues was taken up during this week. The students created appropriate Posters & Caricatures.

They also participated with great zeal and enthusiasm in the Art Workshop conducted by the Art faculties to promote the universal and timeless qualities of different Arts created by world-renowned artists.

The students picked up the style of Henri Matisse (Painting with Scissors- Abstract Collage), Neoplasticism by Piet Mondrain, and Geometric Abstraction by Sayed Raza to apply on product design. We are extremely proud of our creative champions of Secondary sections (Grades 6-12) for showing their innate talent and extraordinary potential for Art on a grand scale.

Sr Kg. Inquiry Fair: Traffic Park

An amazing traffic park with different signs and symbols including safety signs was created in the Senior Kg classroom for their inquiry fair, where the students explained the meaning and importance of the various signs and symbols as they took their parents along with them in the traffic park. Principal Dr. Padmaja Kutty while

addressing the parents praised the little ones for their communication skills, confidence and the team work that was seen during the inquiry fair. She mentioned that apart from academics, activities like this enhances the overall development of the students at MBIS. National Mathematics Day was celebrated in the Primary as well as the Secondary.

BEYOND CLASSROOMS:

Master Class: Art of Effective Introductions and Public Speaking was the premise for the Master Class held at MBIS for Grades 10, 11 and 12. Mr. Anansh Prasad, Founder and Managing Director of SkillSphere Education highlighted 21st Century Life Skills to enable students to form connections, persuade people and initiate influencing decisions. He also provided hands-on exposure to students, on how to formulate a substantial introduction that has a lasting impression on people, because that is how people will remember you. The takeaway of the class was that students learned how to introduce themselves with a USP of their own. Our Principal also addressed the students and enlightened them on how their belongingness to the school needs to be expressed in any kind of introduction. This should be followed by an expression of gratitude to their parents, and also how they as budding citizens can contribute to the growth of the nation too. This kind of introduction will go a long way in building their USP.

DEAR [Drop Everything and READ] time was introduced. A 15 minutes time was designated where every student and staff reads. This initiative has been appreciated by parents. To commemorate Dr A P J Abdul Kalam's birthday which is also celebrated as Students' Day and MBIS commemorated this day with a difference. Students of MBIS-Grades 3 to 12 received a special edition of the newspaper 'The Hindu-In School', which was read during the DEAR time.

Celebrating DEAR time on APJ Abdul Kalam's birthday

NiaN time [News in a Nutshell]: The Principal while addressing the Senior Secondary students gathered that an awareness on Current Affairs was lacking amongst the student community. To initiate this, a 10 minute session on Current Affairs and News has been designated for preparing the students as aware citizens of the country. NiaN time was introduced where the Librarian spends 10 minutes of the Library period to discuss Current Affairs.

NiaN[News in a Nutshell] time

Tug of Words - Interschool Debate Competition

The Secondary students participated in Tug of Words - an interschool debate competition organized by JBCN School Borivali. Our team of 4 called The Mindtroopers, displayed their sharp argumentative skills and debated with passion and conviction. We are proud of our students for upholding the MBIS values and wish to present them with many such opportunities in the future.

Metro Ride on Children's Day: Jr Kg to Grade 5 129 students of MBIS from Junior Kg to Grade 5 had a fun trip as they travelled in the metro that connects between Aarey Metro station and Dahanukarwadi Metro station on 14 November 2022 to celebrate Children's Day. The students were really thrilled as this was their first trip on the metro with all their friends and their teachers. Other than the fun experience it was also an extremely exciting and learning experience for students. During the visit, the students also got to interact with the metro officials who explained to them about the different aspects of the operations like the baggage scanner and the frisking booth. They were also shown the automatic machine where one could buy the ticket with exact money. They also experienced that they had to scan the QR code given on the ticket at the entrance to the platform; only then the flaps would open for entry.

The students exclaimed that it was a super-duper way to celebrate this special day of theirs and the teachers couldn't agree more. This initiative was highly appreciated by parents. The endeavour was covered by Times NIE. Students of Grades 11 (AS level) and 12 (IBDP) attended a Psychology - Sociology Seminar - 'Towards an Equal World' held at The Cathedral School and John Connon Senior School.

This seminar brought in the application of the concepts learnt in Psychology and made it an enriching experience.

A Levels Orientation was successfully conducted for students and parents of MBIS and RBHS as well as parents of other schools. Students and parents of nearby schools also participated. The Induction of courses at Phasor followed the Orientation to give a clear understanding of integrated courses along with A levels. Computer Science; Art and Design

were introduced for A Levels from AY 2023-24 onwards.

A Tedx Youth talk was organised for the students of Grades 9 to 12 on Monday, 5 December 2022. Mr. Rushabh Turakhia, Philanthropist, author, and life coach spoke to the students about his life changing idea of doing good. He speaks of this extensively in his book "Your Turn Now", which is also the tagline of his drive.

Mr. Mrunal Shah, Founder and Chief Play Promoter - Sunday Bricks, STEM tools educator and trainer, and Lego trainer, spoke to the students on the importance of Lego in the everyday life of a teenager and how there is more than one way of expressing oneself.

Ms. Tasneem Dohadwalla, Author and Academic Director - of Crimson Education, spoke to the students about certain value systems which can have a negative impact on the growth of teens and the positives teens should pick up.

The AS level students also attended an event 'Hamari Pehchaan' on gender sensitization in the Madhoprasad Saraf Seminar Hall. Mx Maya Awasthi where they were enlightened on various superstitions related to the idea of Transgender, various types of transgender, gender stereotypes and the existence of laws supporting transgender but lack of its implementation.

MISAesthetics-Primary

Primary students took part in MISAesthetics 2022-2023, with the theme 'CELEBRATING INDIA' held at S.H. Agarwal International School.

The first Eumind VC for the project 'Go Green' was held on Friday, 9 December, 2022 at 01:00 pm IST.

It was a delightful experience to have interacted with our partner school Baken Park Lyceum School, Netherlands. It was indeed a unique learning experience for all our students.

SPORTS:

i) Inter House Basketball Competition
25 November: The Annual Inter house Basketball tournament was held for the Secondary Section. The results for Grades 9 - 12 are as follows: Topaz and Emerald House tied for the 1st place, followed by Sapphire and

Ruby in the 2nd and 3rd place respectively. In Grades 6 - 8 Ruby House stood 1st, followed by Emerald in the 2nd, Topaz 3rd, and Sapphire in the 4th position. In all, the tournament succeeded in giving students an opportunity to display their skills and teamwork with a healthy sense of competition.

ii) MSSA: Students participated in Football-Under 12 Championship

With 'Rhymes Come Alive' as the main theme, the Pre Primary students of MBIS became ready to jump-off the point for their Sports Day. The cheering crowd was delighted to see the upcoming champions run the races. The day started with zealous young performers who presented the drill. Parents and Teachers' Races added to the zeal and vigour. The Chief Guest, Mr Sanket Parab, who has been a state coach, an International Mallakhamb judge, was a great source of motivation for the young ones. Parents were filled with enthusiasm as they wore their running shoes and got ready to participate in the fun race. The ground was filled with zeal and energy.

The Annual Sports Meet for the Secondary was held at Prabodhan Grounds on Monday, 12 December 2022 with the theme, 'Feel the Zeal'. Ms. Ami Ghia, Former National Badminton player and Arjuna Awardee was the Chief Guest. Various displays- Cheer Leader Dance, Yoga, Martial Arts, and Tabata Fitness sought to educate the audience about the benefits of leading a fit and healthy lifestyle. A strong mind and a lively body are the basic requirements to live a long and happy life. The March Past sent a clear sense of unity and camaraderie. In each race that was held, each house made a concerted effort.

The Annual Sports Meet for the Primary was also held at Prabodhan Grounds on Wednesday, 14 December 2022 with the theme, 'Stories Come Alive'. Mr Pravin Thipsay, Chess Grandmaster and Arjuna Awardee graced the occasion as the Chief Guest. This Annual Sports Meet was marked by many first time ever occasions; for the first time in the history of MBIS the entire Primary section-Grades 1 to 5 had the Annual Sports Meet together; also for the very first time all the students participated in March Past; and they experienced for the first time a Sports Day on such a big ground. Mr Pravin Thipsay the Chess Grandmaster and Arjuna Awardee graced the occasion as the chief guest and declared the meet open. Individual participation was encouraged. The fun races were based on the theme 'Stories Come Alive' and had fun games based on Aladdin and the magic lamp, Jack and the beanstalk, The Thirsty Crow, Pied Piper of Hamelin and The Cap-seller and the monkeys. The parents too had fun taking part in the flat race. The welcome dance, the fan drill, the hula hoop drill, Yoga and the Martial Arts added colour and excitement to the whole event. The Annual Sports Meet provided ample opportunities for healthy excitement and joy and was the culmination of the continuous and best efforts put in by our little ones and

teachers. The parents took home sweet memories of their kids to cherish them forever. Ruby House bagged the first place this year. Due to their dominance in every tournament, Emerald House was awarded the title of the Best House.

NURTURING ENVIRONMENT

An Annual Health Check Up was conducted for all students of Nursery to Grade 12, conducted by Ayaksha Health Care under the guidance of Specialized Doctors, for all our students, on Wednesday, 19 October 2022. The Health Check Up entailed, General Health, Dental, Eye, Skin and ENT Services. A digital report generated by Ayaksha HealthCare and will be shared by the school with the students and their parents.

Emotional Management Workshop

An Emotional Management workshop was held for the students of MBIS from Grades 6-12. Ms. Bhoomi highlighted the importance of managing emotions to take decisions that impact career choices and changes. She further provided Emotional Management Tips that would be beneficial for the learners. The difference between Intellectual Quotient and Emotional Quotient was drawn to a balance towards emotional expression.

Garba Nite: The nine sacred days of Navratri signify the battle against evil which culminates with good emerging victorious. At MBIS, we celebrated this triumph with great zeal and exuberance! Our PTA members organized a splendid Garba Night for Primary and Secondary Section students, parents, and teachers of MBIS. The night was filled with music, dance, and festivity - allowing us to feel a strong sense of community while honouring our rich traditions.

Parenting Workshop - Raising Happy Children: Parents of Grades 1 to 5

An inspiring and exciting workshop for parents of Grades 1 to 5 was conducted on 15 November 2022 at MBIS. The topic was 'Raising Happy Children'. Dr Yolande Pereira was the Resource Person. Dr Yolande impressed upon the parents that children see themselves through the eyes of their parents and the way parents speak to them is the way they speak to themselves. So parents need to affirm, appreciate, applaud [3 As]; believe in their children's capabilities and trust them as security enhances competence. She also expressed that parents need to set a daily routine, set limits, be specific with rules and expectations and give them the permission to fail and bounce back from inevitable setbacks. She insisted that parents must use positive statements that are clear and should not nag. Dr Yolande said parents must always partner with school for better development of their child. The acronym H.A.L.T. must be remembered when children are not happy. It could be that they are: Hungry, Angry, Lonely or Tired. Children must be handled with tender

love and care. There is no way to be a perfect parent but there's always a way to be a good, loving and a caring parent. Parents who attended the workshop were truly indebted to Dr Yolande for her talk and promised to put into practise what they learnt in the hope of raising a happy child at home.

Reaching Out:

Students of grade 12 conducted an activity based on learning outcome 6 of the CAS program- Demonstrating Engagement with issues of global significance. The proceeds collected on account of the Canteen Day programme were used to purchase menstruation kits for the underprivileged girls, studying at Rishi Valmiki School (Goregaon). Grade 12 students visited this school and donated the Project Dignity kits to the girls studying there. The students of MBIS and Rishi Valmiki School interacted and played a small game which helped them know each other better. Overall, it was an experience of compassion and collaboration to achieve shared goals.

TEACHER ENRICHMENT PROGRAMME:

Ms. Farzana Dohadwalla enlightened the Primary teachers with some intriguing activities that will enable the students to hone their Scientific, Technological, Reading and writing, Engineering, Artistic and Mathematical skills by conducting an engrossing workshop on STREAM. The activities will help in developing vital skills of problem solving, critical thinking, collaboration and innovation along with technology. The session ended with content as the teachers got multiple ideas to integrate subjects and to have a better and extensive understanding of the concepts in a fun way.

We believe in the maxim-A teacher is a parent in school, and the parent is a teacher at home and the centre of their universe is the child.

Teaching is more than imparting knowledge; it is inspiring change. Learning is more than observing facts, it is acquiring understanding

The goal of Durgadevi Saraf Junior College is to teach applied science and technology and elevate its application, educate and train students with practical skills for employment and nurture highly-skilled professional people. Our Junior College Teachers evaluate the strengths and weaknesses of their students and guide them to follow the best practices. They not only bring out the best from the students but teach them valuable life skills too like communication, compassion, organization, and presentation. They are the ones who motivate the students to do better in every domain and help them achieve life goals. First semester examination of SYJC students were conducted from 3rd October 2022 to 11th October 2022. FYJC 1st Unit Test was conducted on 17th, 18th & 19th respectively. "You are never really playing an opponent. You are playing yourself, your own highest standards, and when you reach your limits, that is real joy." Some of the most successful people globally, well-known not just in their fields, but admired by everyone, are sportsperson. From Sachin Tendulkar to Sania Mirza, India itself has an abundance of sportsperson for people to look up to and feel inspired by. Today, sports have become an intrinsic part of our lives—from academic and professional perspective. The subject Physical Education forms a strong focus in our Durgadevi Saraf Junior college too, allowing students to compete with and against each other and causing sports and education to go hand in hand. Our PE teachers teach a range of different sports and provide young people with an opportunity to develop and improve their social and physical skills. They not only help Students to work on their fitness, but also give them tools to lead a healthy and physically active lifestyle. Our students learn to be competitive, creative and be ready for any challenging situations.

As the Navratri festival was around the corner we celebrated the festival at MBIP on 4th October, 2022 by dressing up in traditional wear and dancing to the tune of Garba along with parents at Bajaj Hall.

We had the theme of Community Helpers in the month of October 2022. A doctor, cobbler, carpenter, police man, milkman and barber was invited to the class to interact with our little angels as were learning all about Community Helpers. We ended the topic by dressing up as our Favourite Community helper on 14th October, 2022 at MBIP.

Our second Parent Teacher Meet was held on 20th October, 2022, wherein teachers shared the milestone record of each child with the parents for the duration of first term.

We celebrated a PRE DIWALI BASH at MBIP on 21st October, 2022. We had loads of art and craft activities, games for mothers and kids along. We also had a healthy dessert cooking competition for young mothers along with a fun filled Puppet show.

MBIP reopened after the Diwali break on 7st November, 2022. Children's day cum Movie day was celebrated on 14th November, 2022 along with popcorn treat.

We were glad to welcome a new batch of kids who joined us in Pre nursery programme during the month of November. The settling period of

the new batch of kids sailed very smoothly. Trick 'O' treat time! A post Halloween Bash was organized @ MBIP wherein our kids dressed up as witches and wizards to mark the celebration on 18th November, 2022.

Pre Nursery kids learnt all about Transport. Hence we celebrated a Show and Tell day along with a car wash activity at MBIP. Our tiny tots dressed up as Young Pilots and Smart Air Hostesses on 30th November, 2022, as we learnt all about Machines that Fly.

At MBIP, we transit the toddler from the inner world to the outer world through various themes. The theme we introduced in the month of December was all about winter along with keeping fit. Besides, we had an entire week of Christmas carnival. As winter had set in and we were learning about the winter season there was a Show and Tell day and kids carried along their winter wear to class on 12th December, 2022. As a part of Keep fit celebration we had fun races for kids in the play area on 16th December, 2022. Christmas was just around the corner so we celebrated the entire week as a Christmas Carnival week at MBIP from 19th December, 2022 to 23rd December, 2022. A lot of art and craft activities were done to make a Christmas tree, Snowman and Santa mask and take them home on the Christmas party day. Kids enjoyed singing Christmas carols and had fun while dancing to the jingle bells song. We also had a cooking experience wherein tiny tots had their

hands on experience of making chocolate balls in the class. We had a Christmas party on 23rd December, 2022 at MBIP. The little angels had come dressed up in party clothes and enjoyed along with Santa Claus in the class.

Children have never been very good at listening to elders, but they have never failed to imitate them.

- James Baldwin

Parenting is a bliss which also brings lot of challenges bundled along. Every parent has a unique parenting style and challenges. A child's mental and emotional health depends to a great extent on the nurturing he/she receives in the childhood. RMCC team on the account of World mental Day on 10th of October reached out to Parents to assist them in making their parenting a happy experience. RMCC organized a parenting session to help parents incorporate practical strategies to improve their child's holistic well-being. The speakers used the forum to discuss how Moral values, Emotional quotient, Nutrition and sleep hygiene can be developed across students from different age groups. The forum also focused on the importance of Partnership in Parenting.

The first speaker, **Ms. Riddhi Doshi Patel** spoke about the 'Importance of inculcating Moral Values' in children. Ms. Riddhi's session was an experiential and activity based session which focused on helping parents understand the importance of self-love and appreciation of self before anyone else.

Ms. Archita felicitating Ms. Riddhi Doshi

The second speaker for the day was **Ms. Tejal Dave** who spoke about the importance of 'Building Emotional Quotient' in children. Children who learn how to manage their emotions effectively in their childhood, can regulate their emotions much more effectively and build better relationships in adulthood.

The third speaker was **Ms. Shilpa Mittal** who spoke about the importance of 'Nutrition, Digital detox and Sleep Hygiene'. The session was very informative and the knowledge was helpful for parents not just to build better habits for their children but for themselves too. Ms. Shilpa again reiterated the importance of parents following positive parenting practices when it comes to nutrition, and sleep hygiene habits so that children can also imitate similar behaviors.

The last session was conducted by **Dr. Avinash Desousa** and he spoke about the importance of 'Partnership in Parenting'. As important as it is to build values in children, it is also important for parents to work together as a team with your child.

A seminar on Positive parenting was conducted by Ramniwas Bajaj English High School (ICSE) in collaboration with Ramdhar Maheshwari Career Counseling Center on 1st October, 2022. The seminar was conducted for parents of students from the pre primary and secondary section to help them inculcate positive parenting practices and build a deeper connection with their children. Dr. Avinash Desousa, **consultant psychiatrist with RMCC**, had conducted the session for the parents. The sessions focused on discussing the core concerns related to both the age groups and how parents can manoeuvre through these difficulties. For parents from the pre-primary section, concerns related to not coming to school and school anxiety, comparison of siblings, understanding of safe and unsafe touch, unhelpful punishment strategies and lack of parent coordination in raising the child. For parenting from the

Parents in session on Mindful Parenting

secondary section, concerns related to changes in adolescence, academic stress, their idea of relationships, how to discipline them, their screen and gaming addiction were discussed.

Inculcating Life skills in children and making them understand the importance of it in life is of great importance. The life skills session on **Managing Emotions** for grade VI to XI was conducted on 21st October 2022 for Mainadevi Bajaj International School to help students understand the importance of managing emotions. The session started with helping students understand emotions and feelings, also helping them understand the importance of expressing emotions. The session also focused on positive and negative emotions. The main idea of the session was to help students deal with negative emotions effectively. Different steps were discussed to help students identify the negative emotions and how to deal with them in a healthy way.

Classroom Behavior Etiquettes was conducted as a Life Skills session for Grade I & II for Mainadevi Bajaj International School on 7th October, 2022. The objective of the session was to make students understand what classroom etiquettes are and why they should be followed. The session started with briefing the students about school rules. The topics discussed in the session were Responsibility and Discipline. The session focused on helping students understand mannerism and etiquettes in the classroom.

Post pandemic Academic difficulties in **Reading and Spellings** have been observed more pronounced in the students of Primary section. On the 18th & 19th, November 2022 RMCC Professionals conducted a FREE assessment camp for students from Grade 1 to Grade 8. The purpose of this assessment was to know whether the child's reading and spelling age were age-appropriate. To measure them accurately, it was done through a standardized assessment test. Reading and Spelling are the

Schonells assessment camp

basic level foundational skills for students. If these skill sets are not developed in an age appropriate manner, students can have age gaps in learning which can hamper their academic growth and their self-esteem. After the assessments were conducted, evaluation were explained to the parents whether their ward's Reading & Spelling Age were appropriate with respect to the child's chronological age. The parents thanked the RMCC team for the initiative and provided positive feedback for the same.

Ramdhari Maheshwari Career Counseling Centre (RMCC) had organized an **Indian University Fair** on 23rd November, 2022 at Durgadevi Saraf hall. The purpose of the event was to help students, parents and people from academic fields to know about different courses offered by various universities. The event had 22 universities participating from all over India including Mumbai, Pune, Greater Noida, Karnataka, Ahmedabad, Chandigarh, Bangalore etc. The university representatives were providing information to students related to different courses offered by the universities including their eligibility criteria, Admission process and Degree as well as Masters Programs. This event served as an excellent opportunity for Students and Parents to meet the universities and also could interact with them and get answers to their queries on a One-on-One basis. Bringing together so many colleges in one place provided a great opportunity to obtain first-hand information. The information and guidance provided by the universities will help students and parents make informed choices.

Education is a basic necessity for all children. It becomes challenging for the students of lower strata to be motivated and continue with their education. RMCC conducted a career guidance and counseling session for **St. Joseph School, Uttan** on 5th December, 2022. There were over 157 students of grade 9th and 10th. These were Underprivileged students who are studying in Marathi medium. The objective of the session was to help students in making the right career choices and understand the importance of minimum 10th education.

The counselor initiated the session by discussing what motivation is and discussing different strategies about how they can be motivated to study and learn new information. Discussed and explained the three learning styles- Visual, Auditory and Read and write. Later also explanation on what are goals and how they can set goals to study and achieve in future. Explained the importance of minimum 10th education and how it would help them to have a better future. As education would be required for basic things like filling college forms if they wish to go for further education, filling forms for applying for Aadhar, Pan card etc. Options for vocational courses were discussed and students were encouraged to explore courses like tailoring, nursing, catering management, jewellery designing, type writing, hair and skin care etc. The counselor also discussed the importance of planning early to help children choose the right streams, courses and careers. The students were then encouraged to ask their questions and reach out individually later too if they had any doubts. The session was very interactive and successful.

students, working professionals and parents to help them understand and experience the healing and therapeutic benefits of Mandalas. Here they learnt how Mandala is not just a beautiful art form but also how it can help them with manage stress, sleeping problems, health issues etc.

The session focused on Mandala as a therapeutic tool and how to make them. While stress was a major concern for most of the participants, some also wanted to learn to sleep and concentrate better. During the session the participants not only understood the reason why making a Mandala proves beneficial for their mental, emotional and physical health but also experienced the benefits first hand. All the participants reported a marked improvement in their mental and emotional state after the session as compared to before. Not surprisingly most also said that they would continue making Mandalas to deal with most of the day to day stress that they go through. The session was loaded with interactions with the participants contrasting with phases of intense concentration when the participants worked on their Mandalas.

An undoubtedly effective session, Finding Peace through Mandala, proved to be a

Today's lifestyle where daily routine leaves little or no time for self-care individuals are often in a state of restlessness and dissatisfaction. Wellness and Life coaching has become the need of the hour to steer individual's life towards self-contentment. RMCC new initiative in the sphere of Wellness and Life coaching aims at assisting individuals to find their unique path for Mental and Emotional well-being.

A workshop on **Mandala Therapy** was conducted by Ramdhari Maheshwari Career Counseling Center on 15th December, 2022. The workshop was conducted for adults –

promising start to RMCC's latest initiative of Life Coaching and Wellness Programs. RMCC has been touching lives of various individuals by assisting them to **ACE** their Academic, Career and Emotional well-being.

DSWH has been working with the purpose of providing a comfortable and homely arena to all the students. We offer amenities that make the stay of the student comfortable so that they can devote their time peacefully in studies. It is an undeniable aspect that a home is irreplaceable but as an institution we have perceived a responsibility of making all our students feel their stay in the hostel as home away from home.

We provide our students with the ability to adapt and support them to make their ambitions come true. The arena is filled with care and homely vibes which lets the students feel just like home. Comfort and safety are a top priority for DSWH. Students feel a boost in their confidence along with a sense of individuality that helps them in developing themselves. The Month of November:

In the month of November, students returned

from home after enjoying a well elongated Diwali vacation so as to celebrate the festival with their families. All of them were very excited to return to hostel and resume with their usual schedules. The decorum and discipline was maintained. All C.A. students were busy in studies as their examinations were around the corner. The graduation students were also engrossed in their respective internal and external exams.

The daily work and duties were carried on well. All the students had given really good feedback which had motivated us to continue working with same dedication. In short, the Month of November had been swiftly paced month. Everything had been in place throughout the month.

1) Renewal & New Admissions: Jan-2023 to June-2023:

The processes for Renewal and New admission (January-2023 to June-2023) as well as new admissions for the new academic year also started side by side.

2) Meeting with the students:

An internal hostel meeting was conducted on 25.11.2022 with the Rector and Hostel's students. Following points have been discussed in the meetings:

- a) Renewals b) Mock drill c) Well being of the students d) Save water e) Save Electricity f) Other Problems facing by the students & their suggestions.

Mock Drill

The mock fire drill was conducted in accordance to the SOP provided to us. The session was helpful in letting us know the different aspects to be kept in mind in case of mishap with all necessary measures to be opted for. Around 40 students took part despite their respective busy schedules.

Month of December

As the year has been coming to an end in month of December, it is a matter of immense pleasure to state that 2022 has been one of the best years for our Institute. Draupadidevi Sanwormal Women's hostel has completed 10 glorious years with many more yet to come. The hostel is full of all 135 seats besides this we have a waiting list. All of this motivates us to strive harder so that we can fulfill our aim to provide the students with the best. The month of December was one of the hectic months of the year because one more tenure for the students has come to an end.

On the work front. The food had been satisfactory. Most of the students have gone to their home town for winter vacations to bring the new year of 2023. After seeing this year, we truly hope that the coming year also brings all the happiness to each one of us. And DSWH could continue helping the students of our hostel on their respective journeys.

We all are working and looking forward towards the next tenure to begin, with all the positivity and energy for making the next tenure much more mesmerizing for the students - both old and new. We received maximum number of renewals along with new admissions and wait list was also maintained.

The Month of January:

The New Year was also celebrated similarly with all the students being in the Hostel. The students who have not applied for renewal had vacated the hostel by 31st December so that we can start accommodating the new student accordingly. Students who have renewed their stay have given us marvelous feedback. This boosts our energies and we are looking forward with optimistic approach in our path.

The students were well contented with their stay in the hostel and the calls received from parents also conveyed their gratitude and praises for hostel facilities. Everything went on smoothly in the past three months.

A WISE HIVE

**Mr. Surendra
Shekhawat,**
Rector

In the past few months, Jankidevi Bilasrai Bubna Boys' Hostel has successfully continued to provide all the facilities given to the inmates earlier. This includes free wifi access to the entire building, provision of fire detection and fire-fighting system, CCTV and 24 X 7 Security. Gym facilities have been provided to students in an area in the first floor. Some gym equipments such as tread mill, cycle, bench & dumbbells have been provided in the hostel so that students can work-out as per their convenience. The students have also been given laundry facility by giving washing machines. The Warden of the Hostel as well as other staff take care of the comfort and safety of the inmates. To keep the Hostel neat and clean, the House-keeping staff appointed by the Management clean all the areas at frequent intervals.

At present, there are 116 students in the Boys' Hostel. Out of these, 113 are Indian students while 03 are foreign students belonging to Afghanistan. Most of these students are studying in the institutions run by Rajasthani Sammelan Education Trust. There are many students pursuing the professional course of Chartered Accountancy in the Hostel. For proper interaction with each other pursuing the same course, these CA students have been accommodated in the third floor of the Hostel.

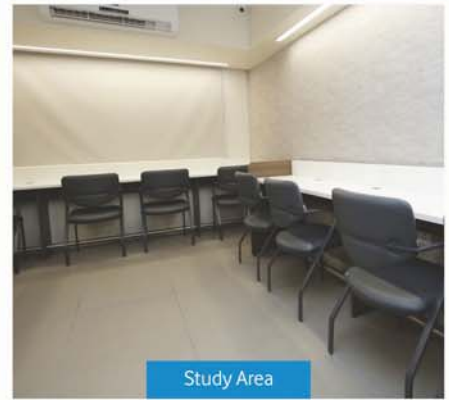

The inmates of the Hostel are provided with hygienic breakfast as well as dinner supplied by the in-house caterer of RSET. Half yearly health check-up camp is also being held for the Hostel inmates by Ayaksha, the agency running Vijay Pal Singh Health Centre of the Trust. The Hostel inmates have also been given a slot in the morning (twice a week) to use Pravinchandra D. Shah Sports Academy ground for playing various games.

Jankidevi Bilasrai Bubna Boys' Hostel is indeed becoming popular day by day and has proved to be a boon not only for Indian students but also foreign students coming from other countries. At the end we can say that the past few months were mixed months with festive season and hectic academic schedule both going hand in hand. The hostel staff under the guidance of Management members have been working sincerely. They were working with all the positivity and energy for making the old as well as new students comfortable so that they enjoy their stay in the hostel as a home away from home.

MUSICAL HARMONY

Mr. Pintu Mukherjee,
Head of Academy

Voice training session of Durgadevi Saraf Junior College.

As we know that Nalini Shah Music Academy (NSMA) established in the year 2020 with the objective of promotion of music and identifying talents and training students Hindustani Classical and Western Music. NSMA provides holistic learning of Music to educate our students and make them technically and professionally stronger and more proficient in the field of Music. We seek to train the learners based in Mumbai basic and technical knowledge of Music which will help in creating brighter, cultural and art sensitive talents in society. We offer varied music learning courses for children, youth and even adults. Our education of Music is mostly practical and it has a scientific methodical basis. We have well trained committed and motivated faculties who train the students well structured, scientific and progressive curriculums. We are affiliated to Bharatiya Sangeet Vidya Vihar (BSVV), Kolkata and Pracheen Kala Kendra (PKK), Chandigarh for Hindustani Classical vocal, Semi-Classical vocal, Bollywood songs and instrumental music like Tabla, Pakhwaj, Dholak, Khol, Sitar and Flute. We have also applied to Prayag Sangeet Samity (PSS),

Allahabad for the affiliation. We follow the syllabus of Trinity College of London (TCL) and London College of Music (LCM) for western Instrument like, Guitar, Keyboard, Drum, Congo, Thumba and Octopod. NSMA plays the right role in determining the quality of music students. Realizing the demand we have added two new instrumental courses -FLUTE and SITAR. NSMA also carries out research in Hindustani Music in order to restore some of undocumented works by the maestros.

Started Classical and Bollywood Dance Curriculum

"Geetam-Vadyam- Tatha Nriyam trayam sangeetamuchyate" -Dance is a part of Music, not unknown to any of us. Dance enables young people to gain artistic skills and discipline, as well as developing their ability in physical interaction, team working, problem solving, and observing, evaluating, verbal and non-verbal communication. The art of dance helps teach a child to focus, creativity, and discipline, all in which are mandatory in any area of education. Social Benefits- Dance improves sensitivity, understanding, appreciation, and consideration for others, both for their similarities and differences. We, NSMA have started the Kathak, Bharatnatyam and Bollywood Free style dance curriculum. We have hired a well-trained and skilled teacher to train the students. The teacher is a disciple of legendary gurus like Pandit Birju Maharaj (Kathak), Bidushi Shreelekha Mukherjee (Bharatnatyam) etc. She is a skilled choreographer in TV serials music videos for

the Bollywood Free style Dance.

Our Activities

The fear of Covid has been erased from people's minds. The number of students of NSMA is increasing day by day. The total number of our students enrolled is 150. We have started the regular session from the month of June 2022. The classes has been successfully running. The on campus music sessions of NSMA still continuing as per the standard operating procedure (SOP) of Maharashtra Govt. The admission process is going on. We are expecting more enrollments. We have created one year separate syllabus from Basic, Advanced and Sr. Advanced level courses. This syllabus is one year course. Also we have a well-structured syllabus for the examination. We have the out station online student from New Delhi, Kolkata. The musical work of NSMA is regularly active on its Facebook and instagram pages. At present we have a lot of followers.

Second Annual Convocation

The second annual convocation of NSMA was celebrated successfully in Madhoprasad Saraf Seminar Hall, RS campus on 26th November, 2022. Successful students were awarded certificates on this day. The students of NSMA appeared for the annual examination conducted by Bharatiya sangeet Vidya Vihaar (BSVV). Kolkata "SANGEET PRARAMBHIK" Part-1, Part-3" and First Year Junior Diploma, I.Mus, M.Mus and B.Mus-Ed held on 19th and 20th August last year. There were 32 students in Classical Vocal, Sugam Sangeet Vocal, Classical Instrumental, Sugam Sangeet Instrumental, Indian Rhythm Tabla/Pakhwaj category both written and Theory examination. At the same time our students also cleared the annual assessment of NSMA. Eminent educationist and Principal of Mainadevi Bajaj International School Dr. Padmaja Kutty was the Chief Guest of the ceremony. She presented the certificates to the successful students. Dr. Kutty in her speech explained on the utility of music while congratulating the successful students.

The cultural programme of NSMA students was very pleasant on this day. The vocal students both junior and senior won everyone's hearts by performing group songs. Welcome Bharatnatyam dance performance by

Anushree Agrawal was impressive. The event was full of charm with the presence of notable playback singer Sarrika Singh, eminent physician and actor of New Delhi Dr. Ashok Sharma. Both are the students of NSMA and the examination candidates in this year. Sarrika won the hearts of the audience by performing some mesmerizing songs. She reminisced about the Head of Academy's musical prowess and learning from him in the past. Dr. Sharma spoke on the intimately connection of Music with human health. Many people including the Deputy Registrar of BSVV Shri Subodh Kanti Roy, were present on the Zoom platform. Our Head of Academy highlighted the activities and success of the NSMA through his welcome speech. Teachers of NSMA were also felicitated on this day. Smt. Priya Natraj played the role of compeer. She announced the end of the programme with vote of thanks to everyone.

Trinity College of London (TCL) Examination.

At the same time our students are taking keyboard and Guitar online training according to the music syllabus of Trinity College of London. The students will also appear the TRINITY Examination. Our students will participate the initial examination both theory and practical to be held in the month of February, 2023.

Training to the students of DSJC and LRMC

NSMA has taken the charge of Vocal music training to the students of Durgadevi Saraf Junior College (DSJC) and Ladhidevi Ramdhar

Maheshwari College(LRMC) for annual day to be held on 12th and 13th January, 2023. The training program started from 6th December, 2022. The students will participate in the singing competitions of their respective colleges. Our Head of Academy is making the participants fit for the competition by training them.

Voice Modulation and Karaoke Singing Training programme

We give voice modulation training to our students. We teach how to sing in the recording studio. We teach the exercise of how to maintain throat. We also have the best technical facilities for Karaoke training. We train our students in Karaoke accompanying with voice and instrument.

Tabla training session in NSMA by Tabla Master Basudev Saha

We have purchased more musical instruments. At the moment we have a large number of sophisticated musical instruments, like Guitars, Keyboards, Taanpura, Scale Changer Harmonium, Tabla sets and sound karaoke systems. We have the best equipped recording studio for the professional voice training of the students. Despite all the obstacles and hardships of this epidemic some of the students are coming to the campus for the professional music training. We have all the facilities to fully introduce physical classes in the coming days.

Diploma in Music Production

Music Production courses are very popular in today's modern music world. A music

professional needs to be proficient in music as well as music Production. Music producers play an important role in the Musical Entertainment Industry. Today's producers are handling the roles of five different people, from writing songs to music programming, music arranging, making music track, recording, mixing and mastering. Realizing the demand, we have started one year Diploma in Music Production Course. We have the best and renowned Bollywood faculties for this course.

Social Media Publicity

We regularly post our various musical activities on social media. We have upload Vocal, Flute, Tabla and Sitar's small Classical pieces of Paltas on our facebook and instagram pages according to viewers' demand. Our facebook and Instagram page is quite popular. We also have lots of followers.

In the meantime, NSMA's smoothness running, perfection, has fascinated everyone. The professionalism of NSMA is triumphant today. The academy is gradually moving forward. Not to mention those who's active contribution on the want to success of NSMA is undeniable. Support of whole RSET team, including students, parents, teachers and employees of MBIS is appreciable.

The Impact of **TECHNOLOGY** OK **EDUCATION** in the 21st Century

by,

Kavita Sahay Kerawalla

Vice Chairperson
VIBGYOR Group of Schools

The advent of the 21st century heralded some exciting changes in the field of education. The turn of the millennium saw the consolidation of technology as one of the most crucial aspects of teaching and learning. The traditional chalk and talk methodology was almost on the verge of becoming obsolete as the world's newfound fascination with gadgets and digital tools galore threatened its then perceived archaic style of imparting education. The proliferation of tech gadgets from rudimentary Personal Computers, iPods, DVD Players, Projectors to the latest Desktops and Laptops, iPads, Smart books, Sensor TVs, Interactive Smart boards, Smart Desks and Smart Tabs among others is a phenomenon that has rolled on like the juggernaut it was hailed to be by educationists and learners embracing the tech wave. This movement started gaining momentum in the last few years of the 20th century and became entrenched in the first two decades of the 21st. If truth be told, technology has made a profound impact on the way education is currently being disseminated across the globe, it redefined life itself. The round the clock connectivity of the world wide web shrunk the world. The 21st century learning skills such as communication, critical thinking, cooperation, problem solving, and more, were propelled by

technology to a great extent, and very few in the educational sector were left untouched by this.

In the last few years, Artificial Intelligence or AI as it is popularly known, became a game changer in more ways than one. While Virtual Reality gave users an immersive, 360-degree experience, Augmented Reality simulated the real world and brought it into the classrooms. No longer did students have to leave the classroom and physically explore what they had to learn. Deep sea diving, Jungle adventures, Space walking and more could be enjoyed while sitting on one's bench or chair in the classroom or in the school hall or auditorium or even on the sports ground. Learning without walls – this catchphrase acquired a wholly different meaning. All this while, Audios, Videos, and Podcasts were being used extensively by teachers to provide deep and meaningful understanding of the various subject being taught to them. Classes were being conducted on WhatsApp and online academies were having a field day in garnering a huge number of students.

Apart from empowering the teaching fraternity, technology also simplified the work of

administrators including the Accounts Team, Front Desk, HR, Admissions Teams, IT Departments, Librarians, Resource Teams, Counsellors, Sports and Performing Arts Coordinators, Canteen Staff, Ancillary Heads, and the other staff members. Enterprise Resource Planning or ERP software which can be cloud-based, on premise, or hybrid is an integrated day-to-day management system which smoothened the administering and functioning of a school. Online Portals for communication with the various stakeholders of the schools became simple and was appreciated, specially by parents who were otherwise pressed by time and their inevitable home and work-related responsibilities.

Furthermore, technology also made schools become more inviting for the students. Air-conditioning and other modern amenities such as potable drinking water, systematic physical and digital libraries as gateways of knowledge, state of the art computer and science labs, art rooms with eye catching décor, more comfortable seating arrangements, fully functional hygienic canteens, child friendly playrooms, well organised storerooms, impressively arranged sports rooms, well maintained grounds, temperature controlled

green houses and swimming pools, and umpteen other aspects that go with modern formal schooling.

Additionally, technology is to be credited in some way for the rise of home schooling. It brought the world of education not only into schools but also into the homes of people who were considering this option for their children. The dependence on technology gave time to teachers to enhance their own learning and provide personal attention and differentiated instructions to their students as there were many online articles and groups which shared ideas and resources with exercises and activities which could be aligned to classroom teaching as well as be used to assign creative and productive homework and project work. Digital Tools for teachers helped them provide a comprehensive and exhaustive learning experience to students.

The Pandemic really drove home this point. With platforms such as Microsoft Teams, Zoom, Google and more, education gained a tremendous fillip. While the first wave of Covid19 led everyone into despair thinking that life would never go back to being normal, these platforms provided a lifeline to education. A new normal came into existence. Schools gained fresh insights into online teaching, and learning was revived and revived in a new technological avatar. Words such as online and hybrid classes, webinars and workshops, synchronous and asynchronous learning, chat box and screenshare, audible and muted, visible and connectivity, and many more became synonymous with students' efforts to get to grips with formal education. What had been happening in previous years on a relatively smaller scale on the internet, caught everyone's imagination and soon became a norm around the world. Not only the daily classes, but also tests and exams (which had been earlier the USP of a few universities and educational organisations) were being administered online regularly. Even corrections were being made online with the use of digital pens and other gadgets. Team meetings and Townhall meetings were being conducted online. Even culminations days, special days like the Republic Day, Independence Day, Investiture Ceremonies, Farewells, school concerts, and competitions, moved into the online mode. Of course, while nothing can take the place of face-to-face interactions, these were a salve in Covid19 times.

All this led to intensified and frustrating chaos as well as increased and compassionate collaboration. Everyone was learning together, School Managements, Principals and deputies, administrators, coordinators and department heads, teachers, academic as well as the non-academic employees of schools, the students, and even their parents. In the words of Charles

Dickens, 'It was the best of times, it was the worst of times...'. Some people in the field of education became trainers and many became learners and there was no end to learning. It became almost 24/7, a pressing issue and almost everyone jumped on to the bandwagon. The good news was that more and more people were gaining a world view and becoming global citizens. The best part of it all was that few were left untouched. The pandemic affected and propelled the digital revolution so much so that even reaching out to the underprivileged in remote locations became possible and purposeful. So, while, all this was being done to a limited extent in the pre pandemic times, after Covid19 struck, digital leaning gained a whole new meaning and dimension of its own.

And the story does not end here. In fact, the pandemic compelled technology to go into fast forward mode as there was very little choice. However, now that so many ideas have become reality, technology is bound to be enhanced by leaps and bounds. The sky is the limit in the foreseeable future.

So, let us look at the advantages that have accrued to the world of education for welcoming the gift of technology. A plethora of resources is available – there are too many online sites which will assist in teaching and learning. One can access curriculums and textbooks, exam papers and answer schemes, lesson plans, worksheets, and teaching videos to name a few. Anything and everything can be learnt on the internet and at one's own time and pace. This flexibility is preferred by many. Online learning can be fact based, it is paperless, and one can store information through online document storage and file sharing, thus saving space. It can be time saving too. Information is easy to gain, replicate, and disseminate. Those in favour emphasise that it saves money and effort. There is no need to involve plants and animals and people in real experiments which can be simulated with similar learning outcomes. Calculations have become a piece of cake. Most of all, online learning creates a sense of belonging, a connection to Global communities as there is a profusion of groups for students, teachers, and parents to join. One can become social media savvy as technology and social media have a somewhat symbiotic relationship. Another phenomenon seen in recent times is the spurt in the growth of online universities and the number of diploma and degree courses offered by them. Thus making them accessible.

While we have innumerable supporters of technology, there are those who warn about its negative effects. There is too much reliance on technology. Plagiarism has become a bane in academic circles. Some students resort to cheating as they are too distracted by their

devices leading to a lack of focus, sleep deprivation, a strain on eyesight and general physical problems. Smart phones, which can open a whole new world of learning, can also close many doors to personal health and wellbeing if not used judiciously. Another danger is that children and young adults may be brainwashed by the fake news that abounds all over the internet which may interfere with their research. Some tend to lose a sense of the real world as the virtual world overtakes their minds because real-life interaction has declined. They are attuned to simulated and controlled problems and are unable to tackle real ones. The question arises as to how far technology can be integrated into the process of education. Not all teachers and students may be tech savvy and the use of too many tech tools may cause confusion. Too many new ideas and gadgets and tools are being marketed. One concern is about how reliable can tech be? Fake online universities and degrees have been dulling down and diminishing the value of a good formal education.

This debate can go on endlessly. All in all, technology is a tool. How it is used makes all the difference. Technology should be wielded wisely to benefit humankind.

Dr. Shetty Divya Karunakar

Name of the Institution: Kudilal Govindram Seksaria English High school

Year of Passing: 2013-2014

Currently working: As a medical officer at PHC Hebbale

Memorable Events/ Journey in the Institution:

Whenever we hear the word "school" our minds are flooded with a thousand memories. Memories which are bittersweet and a lot of the times precious. I learned a lot from my teachers and am very proud to be their pupil. I speak on behalf of all the students that the best part of school is definitely having friends. Being in school doesn't just mean having to study the entire day, it also means taking time to discover yourself and spending time with friends. The extra-curricular activities were quite fun that helped me to develop my personality. I learned my time management skills in school and it has helped me a lot as a doctor as well. It's better to have a work- life balance from a young age itself. There were a lot of activities in my school and I feel the coming generations will avail of more facilities than even we had. Be sure to make the most of it. To whoever reading this I hope you have a happy school life and shape yourself into a better version of yourself.

Memorable Events/ Journey in the Institution:

I had spent a long 7 Years in this institute starting from Junior College in 2012. This college was one of the best things that happened in my life & I can't thank enough to all the teachers, management for all the support. I was involved in many extra-curricular activities in Ghanshyamdas Saraf College starting from being a CR of class, participating in College fest MAUJ, Attending various inter college competitions through DLLE. Working in Rotaract changed me completely. It has given me lots of confidence and has built leadership qualities in me. All this was possible because of the immense support & guidance of all the teachers at all point. Now after all these years, I am still connected with college thorough Alumni Association & get chance to do something for college. I am really grateful to be a part of this ins

Memorable Events/ Journey in the Institution:

Batch of 2020 was technically the first batch who had all their lectures online. But despite it being online, the teachers have been amazing, they have adapted so well to the new teaching methods and did their best to us give the thrill of MBA sitting at home. I was also lucky to visit campus on few occasions and attend 2-3 lectures and it was a new experience altogether, I really wish COVID wouldn't have taken away our college life but nonetheless I think my experience was amazing, as the teachers were the biggest support throughout. I would like to thank all my professors who have helped me in the best way possible.

My overall experience to date has been amazing, and the institute has an amazing infrastructure. DSGS has provided me with a number of opportunities to grow and explore my skills. I have always found a positive and healthy environment and the teachers were highly supportive.

Our Gratitude to the Large Donors of Rajasthani Sammelan Education Trust

Rajasthani Sammelan Education Trust today is a reputed name in the field of education with multiple educational institutions offering education from Nursery to post graduate studies in management and media studies. **Approximately 16,000 students** study across various schools and colleges located in the state-of-the-art RSET campus in Malad (Mumbai).

This transformation and growth of RSET has been brought about by some of the visionaries who were associated with the Trust since 1948 and had the far sightedness to empower the community through education. What started as a single school for the girl child way back in 1950's today has metamorphosed to multiple educational institutions and students.

RSET owes its gratitude to the benevolence of its **Large Donor families** who had the vision to invest for the cause of education way back in the early years and have continued to do it over the years, knowing fully well that **investment in knowledge pays the best interest**. And rightly so. From time to time all our **Large Donor families** who have been associated with RSET have seen their investment in education come to fruition and we are reaping the fruits of their vision through the various institutes and the infrastructural facilities that have been built at RSET some of which have been named as per the desire of our esteemed Donors and membership as per RSET rules were given as per the membership rules prevailing at that time.

RSET today is an aspirational brand and is on a growth run. While we are fortunate to have many large existing Donor families associated with us, there are still a large number of Donors wanting to associate with us.

For the benefit of such Donors and Members who wish to associate with us at **RSET**, we are giving below the Present Membership Categories & Status.

Present Membership Categories & Status

2: In the above Table, where the Present Membership Value amount is the same, the order appears as per the date on which the membership was given.

All our Donor Trustees, Office Bearers and Managing Committee Members bring with them an extensive experience and knowledge of running their successful enterprises. It is largely due to their efforts, vision and commitment that RSET has grown in the size and stature. Our gratitude to all our Members for joining with us in our educational endeavours.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthani.org.in
