President's Message

Dear Reader,

It is very well said by Nelson Mandela that " Education is the most powerful weapon which you can use to change the world". Indeed education is the key to the future progress of a country. Development of a country is possible only when both men and women are equally educated. The goal of education is not to increase the volume of knowledge but to provide opportunities for learners to discover their innate abilities and help them to excel in the areas of their interest.

In the recent past, both Union and State Governments are taking steps to implement National Education Policy 2020 in the higher education sector through a variety of initiatives that include institutional restructuring i.e. institutions of higher education to become multidisciplinary institutions, digital infrastructure i.e. to ensure appropriate integration of technology in education and student centric education which means students will be empowered to choose their curriculum, faculty and institutions. The NEP 2020 also promotes quality research through the establishment of the National Research Foundation. NEP also encourages continuous professional development of teachers and internationalization of higher education. This means that we need to improve the quality of education as per global standards and norms so as to attract more international students and enhance India's research and innovation capabilities.

Significant importance has been given to the concept of institutional autonomy reflected in the National Education Policy 2020 for giving greater flexibility towards academic development with regards to improvement of academic standards and excellence. Three of our institutions- Ghanshyamdas Saraf College, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies have been granted autonomous status by Mumbai University. All these institutions are working towards implementation of autonomy.

Over the years, Rajasthan Sammelan Education Trust has woven together a large network of educational institutions to provide students quality education. From Pre-Schools to Primary Schools, Secondary Schools, Junior College, Degree to Professional Colleges and Institutes that offer courses like Management Education and Vocational Courses - all are provided in RSET campus under the aegis of the Trust. Beyond academics, the Trust has provided counseling facility at Ramdhar Maheshwari Career Counseling Centre, residential facility to boys and girls coming from other cities in Draupadidevi Sanwalmal Women's Hostel and Jankidevi Bilasrai Bubna Boys' Hostel. At the same time, talent of students in sports is nurtured at Pravinchandra D. Shah Sports Academy. We also have Nalini Shah Music Academy to train students in music and dance.

From the year 2015, we have started Kunjbihari S. Goyal Online Academy (GOLD Academy) to provide e-learning content for B.Com syllabus of Mumbai University for our students as well as students beyond the boundaries of our campus. In the past three months, GOLD Academy has conducted 02 online MCQ tests for the students of Durgadevi Saraf Institute of Management Studies & Durgadevi Saraf Global Business School. Approximately 88 students successfully appeared for these MCQ tests. Subjective & MCQ type online tests were also conducted for mid-term internal exams on Gold Academy's Learning Management System (LMS) for Institutes of RSET.

Keeping pace with changing digitization in learning, administration and business, we at RSET have provided all possible technological support to our staff and students for teaching-learning and to administrative staff for office administration.

Ashok M. Saraf, President, RSET

For institutions of higher education, we have equipped libraries with large number of e-books, e-journals, data base of Indian Companies, case Studies and research articles through various portals. The library staff are given opportunity to upgrade their skills by attending workshops & seminars pertaining to latest method of utilization of e-sources.

I am pleased to state that Durgadevi Saraf Institute of Management Studies (DSIMS) and Durgadevi Saraf Global Business School (DSGS) organized the 10th Remsons International Research Conference 2024 on 31 August, 2024, under the aegis of Remsons Centre for Management Research (RCMR). The theme of the Conference was "Empowering Transformational Change in Business Landscape". Shri Krishna Kejriwal, Chairman and Managing Director of Remsons Industries Ltd. was the Chief Guest on this occasion. Dr Sharad Kumar Saraf, Chairman & Managing Director of Technocraft Industries India Ltd. delivered the keynote address. A significant highlight of the event was the unveiling of the research journal publication, "The Management Quest" (Volume 6, Issue 1).

In this quarter, three of our schools i.e. Ramniwas Bajaj English High School (ICSE Board), Mainadevi Bajaj International School (IGCSE Board) and Kudilal Govindram Seksaria English School (SSC Board) have been honoured by 'Mid-day Education Icon Award 2024' for Excellence in School Education. MBIS was also honoured for its endeavour in Promoting a Boutique Learning Experience in International Education at the 'Eldrok India K-12 Educator's Summit'. All institutions of higher education have conducted many outreach programmes through their NSS, DLLE Units and Rotaract Clubs.

We have many projects that are lined ahead to be completed in the near future. We therefore requests our Donors and well-wishers to come forward and render their generous support to be a part of our educational endeavours that aims to offer best education to our children and make them true world citizens.

Hon. Secretary's Message

Dear Reader,

We are in a period of transition with the National Education Policy 2020 to be implemented in our educational institutions. This calls us to update the human resources in our institutions. The quality of education is to be upgraded through creative, innovative and scientific methods to keep abreast with the new trends in education. The teaching community has to be empowered to face the challenges emerging from the National Education Policy.

To provide our students quality education, our vision is to give the teaching community proper facility to attend orientation and refresher courses, attend international, national and state level conferences and workshops, encourage them for research activities and organize similar activities in their respective institutions.

I am pleased to state that Durgadevi Saraf Institute of Management Studies is promoting research in Management Studies under Remsons Centre for Management Research. I have great pleasure to state that Durgadevi Saraf Institute of Management Studies (DSIMS) and Durgadevi Saraf Global Business School (DSGS) organized the 10th Remsons International Conference 2024 on 31st August, 2024 under the aegis of Remsons Centre for Management Research (RCMR).

The theme of the conference was 'Empowering Transformational Change in Business Landscape'. Shri Krishna Kejriwal, Chairman and Managing Director of Remsons Industries Ltd., was the Chief Guest on this occasion. Dr. Sharad Kumar Saraf, Chairman and Managing Director of Technocraft Industries India Ltd., delivered the keynote address. A significant highlight of the event was the unveiling of the research journal publication, 'The Management Quest' (Volume 6 - Issue 1).

In Ghanshyamdas Saraf College (GSCC) Dr. Seema Agrawal, Vice-Principal, authored the book 'Basic Concepts of Research Methodology and Statistics' which is published by AG Publishing House. Dr. Rupa Shah, Faculty of GSCC was also invited as a Guest Speaker to deliver a lecture on 'Skills for Research Development' organized by Research Advisory Council of Royal College and also as Resource Person to the refresher course in 'Recent Trends and Development in Teaching, Evaluation and Research' by Pillai College of Arts and Commerce.

In higher education, NEP 2020 provides valuable recommendations on various aspects of education that include moving towards multi-disciplinary and holistic education, institutional autonomy, continuous professional development of teachers, integration of technology and availability of content in Indian languages. Three of our institutions - Ghanshyamdas Saraf College, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies have been granted autonomous status by the University of Mumbai which enables the institutions to start new courses, design their curricula and form admission policies. All the 03 institutions are making preparations to start as autonomous colleges / institutions.

In the past few months, three of our schools - Ramniwas Bajaj English High School (ICSE Board), Mainadevi Bajaj International School (IGCSE Board) and Kudilal Govindram Seksaria English School (SSC Board) have been honoured by 'Mid-day Education Icon Award 2024' for Excellence in School Education. MBIS was also honoured for its endeavour in Promoting a Boutique Learning Experience in International Education at the 'Eldrok India K-12 Educator's Summit'.

All the institutions of RSET jointly celebrated Independence Day with Dr. Naresh M. Saraf as the Chief Guest who hoisted the National Flag in RSET

campus. This was followed by a cultural programme with patriotic theme in Durgadevi Saraf Hall. Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School also held the Investiture Ceremony of their respective institutions in the months of July and August, 2024.

It is our endeavour to instill global attitude in our students right from the school level. MBIS and RBHS are members of EUMIND (Europe Meets India) and every year they prepare projects with one of the European Schools. It is a matter of great pride that twenty five learners from Grades 8, 9 & AS levels of the academic year 2023-24 of MBIS were felicitated with the Certificate of Excellence received from the International Jury, Netherlands for their project as member of EUMIND.

We are also nurturing talents of students in sports by appointing expert coaches at Pravinchandra D. Shah Sports Academy. In football, two players from PDSA - Shloka Rawtoo of KGES & Vihaan Shah from RBHS were part of the Team AFA (Argentine Football Association, Indian). This year, the AFA team was honoured with the prestigious title of "Best Visiting Team 2024" at the Dana Cup. The team was awarded a trophy and gold medals in recognition of this achievement. Nidiva Chaudhary, a dedicated and talented student of KGES, has secured the 2nd place in Aerial Yoga in the prestigious Mumbai District Championship organized by the City Yogasana Association. In Maharashtra, State Sub-Junior & Junior Aquatic Championship organized by Swimming Federation of India held in Pune, Anika Bhatia of RBHS displayed outstanding performance by earning 4 gold & 1 silver medal across different categories.

I am confident that all our institutions will continue to shape the future of young minds of our country and transform their potential into successful careers resulting in National Development.

Message from Chief Mentor (Schools)

Dear Reader,

We recently celebrated 75 glorious years of Rajasthani Sammelan Education Trust's legacy in education. Reflecting upon the journey, I am reminded of the transformative power of collaboration and shared purpose. Over the years, we have remained steadfast in our commitment to shaping the future of young minds, and today, I am excited to share an initiative that exemplifies this vision.

Driving On The Ground Impact

Key Initiatives in this Quarter

Among the 14 institutions under the RSET's umbrella, I am focusing on our government-aided schools, Kudilal Govindram Seksaria Sarvodaya School (KGSS), for this quarter. As some of you know, this school serves as a co-educational institution up to grade 4 and transitions to a girls-only School through grade 10. A unique aspect of the school is its role in welcoming students from BMC schools into grade 9, as BMC schools operate only up to grade 8.

While this provides an invaluable opportunity for these students to continue their education, it also presents challenges. Many of these students arrive unprepared for the academic rigor of grade 9 due to gaps in their previous education. Recognizing this, we are embarking on a mission to bridge the divide between their current skills and what they need to succeed.

In partnership with International Baccalaureate Diploma Programme (IBDP) students pursuing CAS (Creativity, Activity, Service) certification, we are creating a win-win solution. These IBDP students will step in to teach and impart critical skills to our students, enriching both groups in the process:

- The IBDP students gain hands-on experience and fulfill their CAS certification requirements.
- The students of KGSS receive the much-needed support to meet their academic challenges and build confidence in their learning journey.

As part of this endeavor, I am personally working closely with the principal and teachers of the school. Their commitment and insights are instrumental, and I am extending my support to ensure that this initiative becomes a meaningful and impactful experience for all involved.

Looking Ahead - The Next Quarter

We are also proud to launch a new initiative to ensure that education is not hindered due to financial barriers. The school will now fund the cost of:

- School and PE uniforms
- Midday meals
- School shoes for all students.

Archita Saraf Rajpuria, Trustee, RSET

This has been made possible through the generous contributions of our donors, who are always ready to step up and help our students. By removing these financial hurdles, we aim to encourage more parents to send their children to school, increasing participation and student numbers in line with KGSS's mission to educate as many students as we can.

This effort is not just about education—it is about community, resilience, and progress. As we move forward, I invite you to join hands with us. Your encouragement, ideas, and resources can amplify the reach and impact of this initiative, ensuring its success and sustainability.

Together, let us celebrate RSET's milestone of 75 years by reaffirming our pledge to nurture and empower young minds. Thank you for being part of this shared vision.

Develop a passion for learning. If you do,
you will never cease to grow.

- Mark Twain

CEO'S Message

Captain (IN) Anant Yadnik (Retd.), CEO, RSET

Dear Reader

This message highlights the key academic and extracurricular activities conducted between July and September 2024 across all our institutes. During this period, several milestones were achieved, including the completion of counseling and admissions for various courses, the commencement of lectures, and the conduction of guest lectures and interactive sessions. These activities reflect our continued commitment to providing a holistic and enriching educational experience for our students.

Our Counselling Centre RMCC has undertaken many activities for our schools and colleges which includes career counseling sessions, assessments, webinars, skill-building workshops, and support programs aimed at nurturing both academic and emotional well-being. RMCC's holistic approach ensured that our students received individualized support in making well-informed decisions about their future.

In sports, all our institutions are achieving excellence by giving opportunities and boosting the morale of our students to participate at all levels including the international levels. For example, two students viz; Shlok Rawtoo from KGES and Vihaan Swetang Shah from RBHS have represented AFA and participated in the very prestigious Football tournament "The Dana Cup" established 41 years ago. This is the largest international youth football tournament in the world. The tournament was held in Denmark and is endorsed by FIFA, the United Nations, and the Danish Football Federation.

We at RSET give equal importance to social awareness. Thus, In a thought-provoking Master Class, renowned environmentalist Afroz Shah ignited a spark of sustainability among students of our international School MBIS. This exceptional session emphasized the significance of Conscious Living for a brighter future and strives to foster responsible global citizens.

While giving full attention to all our students in their holistic learning, we don't forget the importance of the teacher's enrichment programme which in-turn will benefit our students. Hence, we have conducted the teachers training programme by the internationally acclaimed master trainer and motivational speaker Dr. Dipesh Kundu who conducted the session in three modules, each covering an integral section of how one can enhance the teaching-learning experience in the ever-evolving educational landscape. The three modules were i) New Age Teaching Methodologies ii) Digital Learning in Classrooms and, iii) Active learning for soft skills. Which was well appreciated by one and all.

The 78th Independence Day of our country was celebrated by hoisting flag by the Chief Guest Dr. Naresh M. Saraf, Trustee RSET. The event started with the Flag hoisting ceremony followed by National Anthem and parade by Ghanshyamdas Saraf Degree College's NCC Cadets. Everyone assembled in Durgadevi Saraf Hall where the remaining programme took place. Students of all the institutes under the umbrella of RSET participated in the cultural programme where they gave speeches, performed different dances, drama, songs, etc. with patriotic theme. A novel concept of New Education Policy based activity was also performed by our Junior College students. The concept and the performance were liked and appreciated by one and all who attended this event.

To inculcate and make the students understand our Indian culture, tradition and importance of our festivals all our institutions have organised various theme based programmes on occasion of Ganesh Chaturthi, Dussehra, Navratri and Diwali. Such events are joyous occasions for all and also develop the national spirit for the unity and integrity towards the development of our nation.

Our NCC and NSS Volunteers from various institutes have actively attended training camps of few days in Mumbai and away from Mumbai too. During these training camps they have participated in different activities like working with police department for traffic management, the Mangrove and Beach Cleaning, coastal cleaning, Yoga, Padyatra, street plays, 'Tree Plantation Drive' Poster Making Competition etc. Such camps are a great opportunities for personality development and enhancing leadership skills

We at RSET regularly conduct the Parent Teacher Meeting for all the institutions and also give a Personal Hearing of the parents. 75% minimum attendance as a critical component of academic performance is discussed and emphasized to the parents. Parents agreed to support in improving their wards' attendance and ensuring compliance. It has been our observations over the years that such regular PTA meetings help in improving the academic performance of the students.

While our students and teachers attend various workshops, seminars and industrial visits, one such memorable event is that our Media College students had the opportunity to visit the Sets of Kaun Banega Crorepati. This visit offered the students hands-on experience of the intricate process of all then aspects of organizing and conducting such mega events.

All in all, I am sure that the Management is immensely satisfied with the performance of all the institutes. I am also hopeful that each HOI is thankful to the President Shri Ashok M Saraf and all the Trustees and Managing Committee members for allowing them a free hand in performance of their duties and assigned tasks.

Dear Reader,

The month of October arrived with the celebration of 'Gandhi Jayanti', the birthday of Gandhiji, Father of the Nation. In 2007, the United Nations passed a Resolution to observe Gandhi Jayanti as the International Day of Non-violence every year. The objective is to disseminate the message of non-violence through education and public awareness. Across the globe, conflicts are raging. War is creating destruction, destitution and fear. At this time, Gandhiji's teachings remain as relevant as ever and are a powerful source of guidance to create a better world for all.

Back home in sports, our country competed at the 2024 Summer Paralympics in Paris from 28th August to 8th September, 2024 and won 29 medals including 7 Gold, 9 Silver and 13 Bronze medals. This marked India's highest ever medal tally in Paralympics Games surpassing the tally of 19 medals won in the 2020 Games.

At RSET campus, the first half of this academic year was a great challenge for all Heads of Institutions. On one hand, teachers had to complete syllabus in time followed by unit test of schools and junior college and also first term/semester examinations of schools, colleges and other institutions of higher education. In between there were celebrations of National importance such as Independence Day, Teachers Day, Hindi Diwas and many other extra-curricular and co-curricular activities. At the same time, festivals were also lined up in a row. Starting from Parsi New Year, Raksha Bandhan, Ganesh Chaturthi, Eid and Navratri - All created a feeling of joy and enthusiasm in the minds of school and college students. Deviprasad Goenka Management College of Media Studies (DGMC) celebrated Ganesh Chaturthi from 7th September to 17th September, 2024. The daily Aarti ceremony brought students, faculty and guests together in a spirit of prayer and devotion.

Institutions of higher education conducted many Guest Lectures, Faculty Development Programs and Conferences. The Internal Quality Assurance Cell (IQAC) and Research Cell of DGMC successfully organized a one week virtual Faculty Development Program (FDP) on 'Qualitative and Quantitative Research Approaches' from 23rd to 28th September, 2024. The FDP had 69 registered participants from all over India and the participants constituted of several Professors, Ph.D students and Research Scholars from Universities across India. Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School jointly organized the 10th Remsons

Dr. Sunanda Kar, Editor

International Research Conference on 31st August, 2024.

Our schools - Ramniwas Bajaj English High School (ICSE Board), Mainadevi Bajaj International School (IGCSE Board) and Kudilal Govindram Seksaria English School (SSC Board) have been honoured by 'Mid-day Education Icon Award 2024' for Excellence in School Education. MBIS was also honoured for its endeavour in Promoting a Boutique Learning Experience in International Education at the 'Eldrok India K-12 Educator's Summit'. All institutions of higher education have conducted many Outreach Programs through their NSS, DLLE units and Rotaract Clubs. Rotaract Club of DGMC received 'Danveer Citation' from the District for successfully completing 11 activities as a part of Seva Mahotsav Initiative in just a week's time. Rotaract Club of Ghanshyamdas Saraf College organized a Blood Donation Camp on 1st July, 2024 and collected 54 units of blood.

In cultural activities, students of Deviprasad Goenka Management College of Media Studies participated in the 57th Youth Festival organized by University of Mumbai. DGMC secured ranks in 4 different events in Performing Arts and 6 different events in the Fine & Literary Arts at Zonal Level. Students of DGMC showcased remarkable talents and creativity in the prestigious Indian People Theatre Association (IPTA) through their play. Ms. Stuti Sahjwani secured the coveted Sanjeev Kumar Trophy for the Most Prominent Performer.

An Inter-Collegiate debate competition was organized by the Hindi Literary Association of Ghanshyamdas Saraf College on the topic "AI Should Be Used in Place of Humans" on 21st September, 2024. A total number of 15 teams participated, with each team comprising of two students. 1st Prize and Shri Manoharlal Podar Rotating Shield was won by Maqdoom Shah and Abhilash Singh of KES Shroff College. Second prize was won by Siddhika Pisal and Aditya Pandey of Sathaye College and the third prize was won by Deepika Taishete and Anika Gourishankar Doot of Xavier's College. First and second consolation prize were bagged by BSGD's Junior College and the third consolation prize was received by Ghanshyamdas Saraf College.

In Sports, teams of Pravinchandra D. Shah Sports Academy participated in Interschool Football, Aerial Yoga and Swimming. In Maharashtra State Sub-Junior & Junior Aquatic Championship organized by Swimming Federation of India held in Pune, Anika Bhatia of RBHS displayed outstanding performance by earning 4 gold & 1 silver medal across different categories.

Rajasthan Sammelan Education Trust is in an unending journey of educational endeavours. The President and his Team have faced many hurdles in their journey but they have successfully crossed those hurdles to start new institutions & in their project of massive expansion & revamp of RSET campus. Let us take inspiration from them to face challenges coming in our way with determination.

Dear Reader,

The First Semester of the academic year 2024-2025 is going to be over very soon. I take this opportunity to convey my hearty felicitations to the Management, Staff and Students for the noteworthy academic as well as extra-curricular activities conducted by all institutions of Rajasthani Sammelan Education Trust in the past three months.

It is heartening to note that Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized the 10th Remsons International Research Conference (RIRC) on 31st August, 2024 under the aegis of Remsons Centre for Management Research. President RSET and Chairman DSIMS, Mr. Ashok Saraf, presided over the conference and welcomed the gathering. Mr. Krishna Kejriwal, Chairman and Managing Director, Remsons Industries Ltd., graced the occasion as the Chief Guest. Dr. Sharad Kumar Saraf, Chairman and Managing Director of Technocraft Industries India Ltd. & the Chairperson of BoG of IIT Mumbai and IIT Jammu, delivered a keynote address. The Paper Presentation Session started right after the Plenary Session, chaired by Dr. Pankaj Trivedi, Professor and Dean at KJ Somaiya Institute of Management Studies and Research (KJSIMSR). Eighteen selected research papers had been presented by the academicians of various management institutes, research scholars, MBA students and industry professionals.

I am pleased to know that Ghanshyamdas Saraf College conducted various activities through its Research Cell, Staff Academy, Hindi Literary Association, Gujarati Literary Association, Commerce Department, NCC, NSS, DLLE, Career Guidance & Skill Academy, Placement Cell, Women Development Cell, Sports Committee and Rotaract. Durgadevi Saraf Junior College in association with Ghanshyamdas Saraf College and Ladhidevi Ramdhar Maheshwari Night College of Commerce, observed Hindi Diwas in a grand manner. In Sports, DSJC Table tennis girls' team secured 1st Place in Borivali Taluka and also secured 2nd place in District level, the tournament was organized by DSO.

I extend my best wishes for continued success to everyone associated with the Rajasthani Sammelan Education Trust.

Dear Reader,

Through this issue of Abacus, I convey my hearty felicitations to all our Office Bearers, Trustees, members of Managing Committee, Principals, Staff and Students for the excellent progress and development done by our institutions and organizations in the past few months

It gives me great pleasure to note that all the institutions jointly celebrated Independence Day in RSET campus with Dr. Naresh Saraf, Trustee RSET as the Chief Guest, who hoisted the National Flag. This was followed by excellent cultural programme of patriotic fervour.

It is interesting to note that all the institutions celebrated Hindi Diwas with great enthusiasm by organizing interesting literary activities and competitions. Kudilal Govindram Seksaria Sarvodaya School hosted an interschool poem recitation (Kavya Pathan) and debate competition as a part of Hindi Diwas celebration on 20th and 21st September respectively. Students of KGSS had great success on 28th September at an inter-school competition, where they secured 1st and 2nd prize in the elocution category. The students impressed the judges with their articulation, content, and confidence, bringing pride to the school.

It is also a matter of great pride that Three teachers of Kudilal Govindram Seksaria English School -Mrs. Chetana Nayak, Mr Dharamraj Yadav & Mrs Kavita Tawde and two teachers of Kudilal Govindram Seksaria Sarvodaya School -Mrs. Anjali Sharma & Mrs. Anita Mishra were felicitated with the prestigious "Nation Builder Award" by the Rotary Club of Mumbai West Coast on 28th September for their contribution in the field of education.

It is very encouraging to note that U-17 girls team from Kudilal Govindram Seksaria English School won the table tennis match at DSO Taluka level. The U/17 Girls Table-Tennis team also secured the 3rd place at the DSO District Level tournament held in Vile Parle. I wish excellent growth to all the institutions of RSET.

Our family is proud to be associated with the trust for

- Dhurmaj Bajaj Bhavan named after my late grandfather.
- Ramniwas Bajaj English High School named after my late father.
- Mainadevi Bajaj International School named after my mother.
- Mainadevi Bajaj International Playschool named after my mother.

I am pleased to note that Mainadevi Bajaj International Playschool is running successfully and is catering to the needs of Pre-Nursery toddlers. In the past three months, MBIP hosted many colourful events such as International Clown Day, Animal Yoga Day, Parent-Teacher and Grandparents Day, Janmashtami & Ganesh Chaturthi. MBIP hosted a workshop for parents on "Empowering Parents, Nourishing Toddlers" on 27th September, 2024 by a renowned Nutritionist, Ms. Shilpa Mittal.

It is a great pleasure to note that students of Ramniwas Bajaj English High School participated in the Inter-School competition organized by St. John Universal High School and bagged first rank in many competitions. The teachers, Ms. Charmi Shah & Ms. Trupti Chodankar bagged first prize in the Creative Roboot Competition. The school won the 1st Runner-up Trophy 2024. At the CICSE Taekwondo competition held at Airoli, students won many gold, silver and bronze medals. Daksh Shah of Grade 4 participated in the Maharashtra State Aquatic Championship-2024 and won many gold and silver medals. It is a matter of great pride that Mainadevi Bajaj International School has been awarded for Excellence in International Academic Innovative Curriculum at the Mid-Day Education Icons Award 2024. Rudhran Halwai of Grade 1 has received 'Super Talented Kid Award' & created a World Record for being the youngest to achieve 50 certificates in the International Book of Records.

I wish a great future to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader,

I am extremely happy to know about the development and growth of all institutions managed by Rajasthani Sammelan Education Trust in the past few months.

It is a matter of great pride that twenty five learners [Grades 8, 9 and AS Levels of the AY 2023-24] of Mainadevi Bajaj International School (MBIS) were felicitated with the Certificate of Excellence received from the International Jury, Netherlands. MBIS basked in the glory for achieving this recognition for the third consecutive year. MBIS has also been acclaimed for its endeavour in Promoting a Boutique Learning Experience in International Education at the Eldrok India K-12 Educators' Summit. MBIS has been awarded for Excellence in International Academic Innovative Curriculum at the Mid-Day Education Icons Awards. The School has had many exhilarating moments with some students receiving awards and medals for their achievements in academics and sports.

Ramniwas Bajaj English High School celebrated Independence Day, National Sports Day, Teachers' Day, Ganesh Chaturthi, Hindi Diwas and many other extra-curricular activities along with regular academics. Students also participated in Inter-school Sports Competitions and won bronze, silver and gold medals in martial arts, football, karate & basketball. It is a great pleasure to note that Mainadevi Bajaj Physics Lab in RBHS has continued its engaging and interactive sessions throughout the months of July, August and September bringing fresh experiments and exciting discoveries to the students. I am pleased to note that in the past three months Mainadevi Bajaj International Playschool has hosted many events for the Pre-Nursery toddlers such as Friendship Day, Independence Day, International Clown Day, Raksha Bandhan, Janmashtami etc. and is among the popular Playschools in the area.

I take this opportunity to convey my best wishes to all the institutions for an excellent academic year ahead.

Dear Reader,

It is heartening to note that at present Jankidevi Bilasrai Bubna Boys' Hostel is occupied with 149 students. The inmates are provided with all possible facilities such as free Wifi access, gym facilities, hygienic breakfast and dinner. House-keeping staff are deputed to keep the hostel neat and clean. 1 Gbps high speed fiber free internet service is being provided for the students in study area. The students staying in the hostel pursue various courses such as CA, BBA, MBA, Multimedia, Engineering and Paramedical courses. Some of them are also aspirants of IIT, JEE, NEET etc. Under the guidance of Capt. Anant Yadnik, CEO, RSET, the Rector and other staff ensure seamless operations, continuous facility enhancements for the comfort and satisfaction of the inmates of the hostel.

I have great pleasure to observe that over the years, many students are benefitted by freeship received from Jankidevi Bilasrai Bubna Endowment Freeship Fund. Every year, a grand function is organized by the Trust during Annual Day celebrations in the month of January in which scholarships & freeships are awarded to selected students which make them feel special.

I am happy to note that Savitridevi Bilasrai Bubna Computer Lab (KGSS) and Omprakash Bilasrai Bubna Computer Centre (RBHS) are regularly used by students. All the institutions of RSET jointly celebrated Independence Day. Besides, the institutions also celebrated Teachers Day, Hindi Diwas and many other events. The NCC, NSS and DLLE units and Rotaract clubs of the institutions of higher education conducted many outreach programmes and participated in trainings. Many faculty members of the institutions of higher education have attended seminars and conferences and have presented their research papers.

I convey my best compliments to the President Shri Ashok M. Saraf and his team for the initiatives taken in the field of educational endeavours.

Dear Reader,

I have great pleasure to observe that Rajasthani Sammelan Education Trust has always taken care to empower the students with latest technological skill that will provide them value added knowledge along with the regular courses that they are pursuing in their respective institutions.

I am very happy to note that all the institutions of Rajasthani Sammelan Education Trust jointly celebrated Independence Day with flag hoisting performed by Dr. Naresh M. Saraf as the Chief Guest which was followed by cultural programme of patriotic theme. The institutions also celebrated Teachers Day followed by celebration of Hindi Diwas in the month of September, 2024.

It is gratifying to know that Durgadevi Saraf Institute of Management Studies (DSIMS) and Durgadevi Saraf Global Business School (DSGS) jointly organized the 10th Remsons International Research Conference 2024 on 31st August, 2024, under the aegis of Remsons Centre for Management Research (RCMR). Chief Guest Shri Krishna Kejriwal, Chairman and Managing Director Remsons Industries Ltd, delivered an insightful inaugural speech. Dr. Sharad Kumar Saraf, Chairman and Managing Director Technocraft Industries India Ltd delivered the key-note address.

I am pleased to note that many students of the institutions of RSET are being benefitted by getting freeship from Jankidevi Bilasrai Bubna Endowment Freeship Fund. Such students can continue their studies with the help of freeship in schools, colleges and management institutes. Jankidevi Bilasrai Bubna Boys' Hostel is also running successfully with 149 students. The Management has provided all possible facilities along with 24x7 security services, installation of CCTV, housekeeping, washing machines for washing clothes in the washing area and gym facility. Healthy & hygienic breakfast and dinner are provided by the in-house caterer of the Trust.

I compliment the Management for giving the best infrastructure as well as best technological support to all institutions of Rajasthani Sammelan Education Trust.

Management College
of Media Studies

Dear Reader,

At the outset, it gives me immense pleasure to note that Deviprasad Goenka Management College of Media Studies (DGMC) has been conferred with the Autonomous Status from the academic year 2024-25 by the University of Mumbai. The college has started working towards it and will implement it very soon. The college has also received approval from AICTE to start the course of BMS & has started the course from the month of November, 2024. DGMC also conducted regular & ATKT examinations of postgraduate classes between 23rd July, 2024 to 30th July, 2024.

Along with performing academic duties systematically, the Principal, faculty & students conducted many extra-curricular activities such as Creative Art Workshop, Yoga Workshop, Nutrition Workshop, Physical Fitness Workshop & Garba Workshop by inviting experts from the concerned areas.

The Internal Quality Assurance Cell (IQAC) & Research Cell successfully organized a one week Virtual Faculty Development Program (FDP) on 'Qualitative and Quantitative Research Approaches' in the month of September. The FDP had 69 registered participants from all over India.

It is a matter of great pride to note that at the finals of the Youth Festival of Mumbai University, students of DGMC won first place in Hindi One Act Play and also Best Actor and Best Actress awards. In literary arts, students won first place in Hindi & English debate. The students of DGMC showcased remarkable talent and creativity as they participated in the prestigious Indian People Theatre Association (IPTA) Competition on 20th & 26th September at Rangsharda Auditorium & Ms. Stuti Sahijwani secured the coveted Sanjeev Kumar Trophy for the most promising performance.

I take this opportunity to convey my whole hearted compliments to the team of DGMC and the team of Rajasthani Sammelan Education Trust whose hard work has made all the achievements possible.

Women's Hostel

Dear Reader,

Over the years, Rajasthani Sammelan Education Trust has become more committed to educate the new generation with innovative courses and programmes. Many of such students who have passed out of the portals of RSET institutions are playing important role in social, academic, economic and political life as excellent human resource of our country.

I am pleased to note that Draupadidevi Sanwamal Women's Hostel is running successfully in RSET Campus. The Management has provided all possible amenities to the students to lead a comfortable life and study peacefully in a secured environment. The students staying in the Hostel are abiding by the rules and regulations laid down by the Management.

The months of July and August were very busy months for the hostel staff. Renewals of the old students along with the new admissions took place in these months. The queries led to admissions and fees collection. The admissions were received from different parts of the country for different courses. Looking at the response of the students and their parents, one could easily make out that more and more guardians were interested in accommodating their wards in Draupadidevi Sanwamal Women's Hostel (DSWH) for safety and security as the hostel is in the educational campus of Rajasthani Sammelan Education Trust with 24 X 7 security. The parents and students were also impressed by the ambience of the women's hostel along with other amenities.

It is heartening to note that 15 students of the hostel had taken part in the Independence Day celebration of institutions of RSET by dancing to patriotic songs titled "Bharat Ki Beti". During this quarter, repairing and painting work was also completed in certain rooms & areas successfully.

I take this opportunity to convey my whole hearted compliments to the team of Rajasthani Sammelan Education Trust whose hard work has made all these achievements possible.

Nalini Shah Music Academy

Dear Reader,

The First Semester of the new academic year is coming to an end and I am pleased to know that Pravinchandra D. Shah Sports Academy has taken many initiatives to encourage the students to participate and excel in sports activities.

In football two players from Pravinchandra D. Shah Sports Academy - Shloka Rawtoo of KGES & Vihaan Swetang Shah from RBHS were part of the Team AFA (Argentine Football Association, Indian) They showed their exceptional skill and team work and played a significant role in the team's success and journey to the quarter finals. This year, the AFA team was honoured with the prestigious title of "Best Visiting Team 2024" at the Dana Cup. The team was awarded a trophy and gold medals in recognition of this achievement. Nidiva Chaudhary, a dedicated and talented student of KGES, has secured the 2nd place in Aerial Yoga in the prestigious Mumbai District Championship organized by the City Yogasana Association. In Maharashtra State Sub-Junior & Junior Aquatic Championship organized by Swimming Federation of India held in Pune, Anika Bhatia of RBHS Displayed outstanding performance by earning 4 gold & 1 silver medal across different categories.

It is a great pleasure to note that Nalini Shah Music Academy (NSMA) has also started post-school activities in music for the students of MBIS & RBHS in Hindustani Classical Vocal, Indian Rhythm, Western Guitar, Keyboard & Classical Dance. Students of NSMA also participated in the cultural programs presented by all the institutions of RSET on Independence Day.

It is heartening to note that Amratlal Premchand Shah Library of Mainadevi Bajaj International School is stocked with books on a wide range of topics. I take this opportunity to convey my best wishes to all the institutions for further excellence in academics as well as sports.

Ladhidevi Ramdhari Maheshwari
Night College of Commerce

Dear Reader,

I am pleased to note that this quarter at Ramdhari Maheshwari Career Counseling Centre (RMCC) has been characterized by significant academic progress of students actively working towards enhancing their academic skills and achieving their educational goals. RMCC continued its steadfast dedication to career guidance and student development throughout August and September 2024.

RMCC's has been working with schools like Ramniwas Bajaj English High School (RBHS) and Mainadevi Bajaj International School (MBIS) to strengthen their student support systems. At RBHS, RMCC counselors held regular meetings with both parents and teachers to discuss student's progress and development goals. Similarly at MBIS, personalized counseling sessions were provided to students, alongside consistent communication with school leaders to ensure the implementation of effective interventions. A major focus area for RMCC during this period was the promotion of study abroad opportunities. RMCC also held multiple webinars, including sessions on navigating study abroad entrance exams and exploring career options in sports.

It is heartening to note that Ladhidevi Ramdhari Maheshwari Night College of Commerce successfully started lectures of T.Y.B.Com Sem V and S.Y.B.Com Sem III from 12th June, 2024. F.Y.B.Com Semester 1 lectures started from 26th July, 2024. On the very first day of the College Orientation Session took place in which the Principal and some faculty members gave an overview of the Syllabus under National Education Policy (NEP). Volunteers of NSS conducted various outreach activities. Cultural Week was organized from 2nd August, 2024 to 7th August, 2024. Competitions like Cartooning, Poster Making, Rangoli, Mehendi, Elocution and Quiz were organized. The theme for these competitions were Freedom Fighters. Also, the association celebrated Teachers' Day on 5th September with a competition in which students as teachers managed the classes.

I am sure that all the institutions under Rajasthan Sammelan Education Trust will lead to further excellence and growth in future.

Ladhidevi Ramdhari Maheshwari
Night College of Commerce

Dear Reader,

I have great pleasure to know that Ladhidevi Ramdhari Maheshwari Night College of Commerce is making progress in academics as well as extra-curricular activities day by day. On 26th July, the first day of their college, an orientation session for F.Y.B .Com students was organized. In this Orientation session Principal Dr. Shripad Joshi and the concerned faculties gave an overview of the syllabus under National Education Policy (NEP). Students were also given a brief idea about various associations and the activities conducted by these associations.

I am happy to note that volunteers of the NSS unit of the college actively participated in the Mangrove and Beach Cleaning Activities at Manori and Bhayandar. The activity was organised in association with For Future India (FFI). On 14th August, 2024 Tiranga Padyatra was organised by the NSS unit of the University of Mumbai in which 5 NSS volunteers participated. In the month of September, 2024 the Volunteers also offered their services in the Ganpati Visarjan activity. The Cultural Association celebrated cultural week from 2nd August, 2024 to 7th August, 2024 by organizing various cultural competitions. The Cultural Association also celebrated Teachers' Day on 5th September, 2024.

It is interesting to note that the team of Ramdhari Maheshwari Career Counseling Centre has been closely working with RSET schools to provide support and guidance to students, honoured for their academic excellence by different organizations. A major focus area for RMCC during this period was the promotion of study abroad opportunities. The centre held multiple webinars, including sessions on navigating study abroad entrance exams and exploring career options in sports. In September, RMCC hosted a variety of career-oriented webinars, including one focused on the booming travel and tourism industry.

I convey my best wishes to all the institutions for their further progress and to attain excellence.

Dear Reader,

I am extremely happy to know about the development and growth of all institutions managed by Rajasthan Sammelan Education Trust in the past few months. It is gratifying to learn that all the institutions have enthusiastically celebrated Independence Day in RSET Campus followed by Teachers' Day and Hindi Diwas. I am happy to know that Pravinchandra D. Shah Sports Academy is giving full support to the students in nurturing their talents in sports like basketball, volleyball, tennis, football, skating etc. Students of schools and colleges have excelled in various sports, swimming and martial arts and have won prizes at prestigious matches.

Today, life is full of challenges for a student due to intense competition for admission in professional courses and later to obtain a suitable placement. Therefore, students have to work hard in order to excel in studies. To encourage such meritorious students who are unable to pay fees for their studies, our organization has become associated with Rajasthan Sammelan Education Trust by awarding freeships through BKT Endowment Freeship Fund for students of all the institutions. Every year, the Trust organizes a grand function in which selected students are awarded scholarships & freeships.

I am pleased to note that Mahavirprasad Poddar iMac Computer Lab & Mahavirprasad Poddar Colour Grading Lab at Deviprasad Goenka Management College of Media Studies are regularly used by the students to work on media related projects.

It is heartening to note that Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School have received 'Mid-Day Education Icons Awards' for excellence in School Education. Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized the 10th Remsons International Research Conference (RIRC) on 31st August, 2024.

Dear Reader,

It is my great pleasure to note that the team of Shri Murlidhar Karwa Knowledge Resource Centre of Durgadevi Saraf Institute of Management Studies is continuously engaged in diverse activities that not only attract students but also enhance the utilization of library resources and collections. In celebration of 78th Independence Day, themed "Viksit Bharat," the team curated a special book display that highlighted India's rich history and culture. This initiative has garnered positive feedback from both faculty and students. During the library orientation, Dr. Sunita Pujar, the Librarian, introduced the library's facilities and services to the newly admitted MMS students, emphasizing the importance of making the most of the collection.

At present the Knowledge Resource Centre is well-equipped with modern resources, including 11,800 books, 10,000 e-books, 785 audio-visual materials, 1,900 e-journals, and 25 journals and magazines. The Knowledge Resource Centre (KRC) also provides access to 12 newspapers, ensuring students and faculty stay informed about the latest in business and management. The Wordsworth Language Lab enhances professional language skills and communication among students, while HBS case studies offer real-life business scenarios and strategies. EBSCO management database and e-core collection are popular resources for research articles and e-books, complemented by the Ace Knowledge and Research Portal (Ace KP) for financial updates.

I am happy to note that, in addition to the other software, recently KRC subscribed to eAarjav, a leading anti-plagiarism software that guaranteed the originality of every document. It is a great pleasure to note that Dr. Sunita Pujar had been invited as a panelist for a group discussion at the upcoming National Conference on "Open Access to Scholarly Information: The Role of Research & Academic Communities in Building a Sustainable Knowledge Society," hosted by Dr. BMN College of Home Science in Mumbai on September 20-21, 2024. Dear Reader,

It is heartening to know that Smt. Prabhadevi Banwarilal Saraf Library at DGMC has been regularly serving users with quality information, resources and services. The library supports learning, teaching, and research activities with a variety of knowledge and resources. Newly admitted students are introduced and trained for latest information and communication technologies available in this library. It is the endeavour of the library staff to expand knowledge, skills and performance of the students by updating their skills by introducing them to latest technology.

At present, Smt. Prabhadevi Banwarilal Saraf Library is having 4498 books, 10 research journals, 08 magazines for current affairs, and 08 newspapers. High-tech resources like e-books and 132 CDs, DVDs and number of e-journals are made available to update global information of the students. Side by side, cataloguing and classification of new books were done using Koha software and the accession register was updated. Additionally, the RNI registration process was followed up. The question papers from exams held during the college's summer session were received and maintained in the library. The library staff also worked on acquiring the ISSN (International Standard Serial Number) for the college's e-journals, International Journal of Media, Communication & Management. The library staff also participated as a member of the Research Committee in organizing the Faculty Development Program (FDP) on Qualitative and Quantitative Research held in September 2024.

It is heartening to note that Vinati Organics Chemistry Lab at Ramniwas Bajaj English High School is well equipped with all the apparatus and chemicals required as per the rules of ICSE Board. The Chemistry Lab has proved to be extremely useful for the students as it allows them to explore chemical concepts, view changes in matter and acquire scientific skills in an atmosphere similar to professional scientific environment.

It is my great pleasure to note that Rashi Peripheral Play Area which is located on the 7th floor of Mainadevi Bajaj International School, has become the heart of the co-curricular activities of the school. The area is meant exclusively for the International School and is in use throughout the day. It provides space for numerous sporting and other activities for students of all the grades and the primary section in particular. Almost all the Physical Education classes of the primary and pre-primary students are conducted in the play area.

Apart from these time-tabled activities, the play area is also used for the practice of yoga and as a training ground for Martial Arts. The area is well endowed with playing equipment for the younger students and basketball rings for the older children. It is also used as a practice area for the school's investiture ceremony, cultural item to be presented during Independence Day celebration as well as to celebrate events such as Janmashtami. This is the area that gives MBIS an edge in carrying out its co-curricular programs.

I am pleased to note that students of Ghanshyamdas Saraf College, Ladhidevi Ramdhar Maheshwari Night College of Commerce, Durgadevi Saraf Junior College and Deviprasad Goenka Management College of Media Studies conducted many social service projects through their respective NSS and DLLE units and Rotaract Clubs. Deviprasad Goenka Management College of Media Studies also conducted Blood Donation Camp successfully.

Rajasthani Sammelan Education Trust has given equal importance to sports by providing training to students by expert coaches in Pravinchandra D. Shah Sports Academy (PDSA). PDSA teams have bagged many prizes in Football, Basketball, Aerial Yoga & Swimming at prestigious competitions.

I convey my best wishes to the Management as well as to all institutions of RSET

Shri Beniprasad
Luharuka Computer Lab
at DSIMS

Dear Reader,

I am extremely happy to know about the development and growth of all the institutions managed by Rajasthani Sammelan Educational Trust. All the institutions have conducted many colourful cultural activities, along with their routine teaching learning duties. Students of all the institutions have participated in interschool/intercollegiate competitions and have bagged many prizes. Institutions of higher education have also organized seminars & workshops.

Shri Beniprasad Luharuka Computer Lab in Durgadevi Saraf Institute of Management Studies is utilized regularly by students between 8 am to 9 pm every day. Due to the availability of high speed internet connectivity, students can access information from across the world. The computer laboratory is well suited to online examinations.

It is a matter of great pleasure to note that Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized the 10th Remsons International Research Conference (RIRC) on 31st August, 2024. President RSET and Chairman DSIMS, Mr. Ashok M. Saraf, presided over the conference and welcomed the gathering. Mr. Krishna Kejriwal, Chairman and Managing Director, Remsons Industries Ltd., graced the occasion as the Chief Guest. Dr. Sharad Kumar Saraf, Chairman and Managing Director of Technocraft Industries India Ltd. & the Chairperson of BoG of IIT Mumbai and IIT Jammu, delivered the keynote address. This was followed by paper presentations. It is heartening to note that Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE) and Kudilal Govindram Seksaria English School (SSC) have received 'Mid-Day Education Icons Awards' for excellence in School Education. I feel happy to note that all institutions of RSET celebrated Independence Day, National Sports Day, Teachers' Day, Ganesh Chaturthi, Hindi Diwas and many other extra-curricular activities along with regular teaching-learning activities.

I take this opportunity to convey my best wishes to all the institutions for their excellent growth.

Rajasthani Sammelan
Education Trust

Dear Reader,

Rajasthani Sammelan Education Trust has very successfully created a vast resource of knowledge in its institutions. In the past few months, some of the institutions have made us proud by achieving higher ranking as an educational institute. I am pleased to note that Ramniwas Bajaj English High School (ICSE Board), Mainadevi Bajaj International School (IGCSE Board) as well as Kudilal Govindram Seksaria English School (SSC Board) have received 'Mid-Day Education Icons Awards' for excellence in School Education. I feel happy to note that all institutions of RSET celebrated Independence Day, National Sports Day, Teachers' Day, Ganesh Chaturthi, Hindi Diwas and many other extra-curricular activities along with regular teaching-learning activities.

It is indeed a matter of great pride that Rudhran Halwai, Grade 1 of MBIS created a World Record for being the youngest to achieve 50 certificates in the International Book of Records. I am pleased to note that Ghanshyamdas Saraf College, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies have received 'Autonomous Status' from Mumbai University. All the three institutions are making preparations to implement the same. Durgadevi Saraf Institute of Management Studies (DSIMS) and Durgadevi Saraf Global Business School (DSGS) organized the prestigious 10th Remsons International Research Conference 2024 on 31st August, 2024.

It is heartening to note that in the past few months, colleges and management institutes have organized campus interview, faculty development programmes, industrial visits and many outreach programmes through the NSS, DLLE units and Rotaract clubs of the institutions. NSS unit of DGMC in association with the Lions Club of Millennium and Nair Hospital Blood Bank conducted a Blood Donation Drive on 22nd August, 2024 in Dhurmal Bajaj Hall in which 89 bottles of blood were collected.

I convey my hearty compliments to one & all in RSET and wish them growth and excellence.

Growel Science Lab
At KGSS

Dear Reader,

I am very happy to observe that Growel Science Laboratory has continued its engaging and interacting sessions through the months of July, August and September bringing fresh experiments and exciting discoveries for participants. These activities aimed to foster curiosity and a love for Science among young minds with a hands-on approach to learning. In the month of July, the focus shifted to the fascinating world of electricity and magnetism. Participants experimented with creating simple circuit, learning the difference between conductors and insulators.

The month of August was all about Chemistry! The lab session introduced VI grade students to chemical reactions using materials found in their kitchen. From making Volcanoes with baking soda and vinegar to testify PH levels of various household substances. Theme for the month of September was Space exploration. Children learned about the solar system, phases of the moon and the life cycle of stars. Each month in Growel Science Lab offered new learning opportunities, allowing young scientists to explore the wonders of science in a fun, engaging and interactive way.

I have great pleasure to note that Growel Science Laboratory is also shared by the students of Kudilal Govindram Seksaria English School (KGES) for conducting their practical. The teachers and students of the school celebrated International Asteroid Day by conducting various class wise activities in the science lab. Students of classes VIII, IX & X also participated in Physics National Scholarship conducted by the Times of India. Certificates were awarded to all the participants. Hindi Diwas was celebrated by all the institutions of RSET. KGSS celebrated Hindi Diwas in a grand way by organizing an Inter-School Poetry Recitation Competition (Kavya Pathan) and a Debate Competition on 20th & 21st September respectively.

I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Rajasthani Sammelan
Education Trust

Dear Reader,

It is indeed heartening that the Rajasthani Sammelan Education Trust has seen unprecedented growth and expansion in terms of infrastructure, new educational institutions, strength of students and staff over the past few years. Currently the Trust is running fourteen educational institutions with more than 16,000 students, an Online Academy, Women's Hostel, Boys' Hostel, Career Counseling Centre, Sports Academy and such other facilities contributing to the intellectual and physical welfare of its Staff and Students.

Undoubtedly it is a matter of immense pride that Ramniwas Bajaj English High School (ICSE Board), Mainadevi Bajaj International School (IGCSE Board) as well as Kudilal Govindram Seksaria English School (SSC Board) have received 'Mid-Day Education Icons Awards' for excellence in School Education. One cannot but agree that Research is an integral part of the institutes of higher education. It is noteworthy that Durgadevi Saraf Institute of Management Studies has taken a lead role in the area of research under Remsons Centre for Management Research. Ghanshyamdas Saraf College and Durgadevi Saraf Institute of Management Studies are approved Research Centres of Mumbai University. A number of doctoral students are pursuing research in these institutions for being awarded Ph.D. degree under approved research guides.

I am happy that the NSS, DLLE & Rotaract Clubs functioning under our institutions have conducted several outreach programs. The NSS unit of Deviprasad Goenka Management College of Media Studies in association with the Lions Club of Millennium and Nair Hospital Blood Bank conducted a Blood Donation Drive on 22nd August, 2024 resulting in collection of 89 bottles of blood which is no mean feat. The Pravinchandra D. Shah Sports Academy is also doing an excellent job nurturing potential young talent in various items of sports and games under expert coaches.

I take this opportunity to convey my best wishes to all the Institutions of RSET.

IRB Endowment
Scholarship Fund

Dear Reader,

I am pleased to note that over the years, Rajasthani Sammelan Education Trust has woven together a large network of educational institutions. From Pre-Schools to Primary Schools, Secondary Schools, Junior College, Degree College to Professional Colleges and Institutes that offer courses like Management Education and Vocational Courses - all are provided in RSET campus under the aegis of the Trust. Beyond academics, the Trust has provided counseling facility at Ramdhar Maheshwari Career Counseling Centre, residential facility to boys and girls coming from other cities in Draupadidevi Sanwarmal Women's Hostel and Jankidevi Bilasrai Bubna Boys' Hostel. At the same time, talent of students in sports is nurtured at Pravinchandra D. Shah Sports Academy. There is also a Music Academy which teaches students music, dance and instrumental music.

There are many meritorious students in every institution who take their studies seriously and plan their study plan carefully. To encourage such brilliant students, Rajasthani Sammelan Education Trust is regularly awarding merit scholarships to students of all institutions every year through IRB Endowment Scholarship Fund. The scholarships are awarded annually at a grand function during Annual Day Celebrations with great fanfare which makes the recipients all the more happy and excited.

It is interesting to note that all the institutions of the Trust have conducted many activities during the past three months. All the institutions jointly celebrated Independence Day in RSET campus with flag hoisting performed by the Chief Guest Dr. Naresh M. Saraf, Trustee RSET. This was followed by cultural programme with patriotic theme. Teachers' Day and Hindi Diwas were also celebrated by respective institutions in the month of September. NSS & DLLE Volunteers and Rotaract Club members of Colleges conducted many outreach programmes.

I take this opportunity to convey my best wishes to all the Institutions of RSET for their further progress and development

Madhoprasad Saraf Seminar Hall
at DGMC

Dear Reader,

It gives me great pleasure to note that in the quarter of July to September 2024, Madhoprasad Saraf Seminar Hall on the 6th floor of Deviprasad Goenka Management College of Media Studies has been extensively used by the college for conducting important meetings, workshops, guest lectures, orientations and other such activities. On 9th July, a staff meeting was held in the Seminar Hall in which many important matters were discussed by the Principal along with the faculty members. On the same day, the Women Development Cell of the college organized a workshop by Mr. Paresh Sheth, certified SAP, CEO of MNC Investment Bank on 'Money Matters – A Beginners Guide to Financial Literacy'.

In the months of July and August, DLLE and NSS units organized Orientation Programme for the First Year students. An Intercollegiate Debate Competition was organized on 9th August, 2024 by IQAC & Women Development Cell in which 22 colleges participated. I am pleased to note that the Rotaract Club of DGMC received 'Danveer Citation' from the District at a meeting held in Ramnarayan Jhunjhunwala College, Ghatkopar on 14th August, 2024 for successfully completing 11 activities as a part of the Seva Mahotsav initiative in just a week's time..

It is indeed heartening to note that in academics, DGMC has received autonomous status from Mumbai University. The college is working towards implementation of the same. In academics, Farzin Dalal made DGMC proud by topping and ranking 1st in MACJ – Part II course at the University level. She was also the topper of MACJ – Part I at the University. In sports, Pooja Shah, a student of TYBAMMC won 04 Gold medals in 6th Palghar Wushu Championship on 4th August, 2024. She was also selected at the National Level.

I wish excellent growth and development to all the institutions of Rajasthani Sammelan Education Trust

Rajasthani Sammelan
Education Trust

Dear Reader,

Rajasthani Sammelan Education Trust is in its 76th year of establishment and at present more than 16,000 students are regularly coming in RSET campus to study in the institutions run by the Trust. Many of the alumni are well settled in jobs, self-employed, successful professionals and leading quality lives thereby confirming the belief that these students have used all the facilities provided to them to their optimum advantage.

It is heartening to note that in the past three months, all the schools, colleges and management institutes have remarkable achievements to their credit. Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE) and Kudilal Govindram Seksaria English School (SSC) have received 'Mid-Day Education Icons Awards' for excellence in School Education. It is a matter of great pride that twenty five learners [Grades 8, 9 and AS Levels of the AY 2023-24] of Mainadevi Bajaj International School (MBIS) were felicitated with the Certificate of Excellence received from the International Jury, Netherlands for their project as member of EUMIND (Europe Meets India). MBIS basked in the glory for achieving this recognition for the third consecutive year. MBIS has also been acclaimed for its endeavour in Promoting a Boutique Learning Experience in International Education at the Eldrok India K-12 Educators' Summit.

Institutions of higher education conducted many workshops and conferences. Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized 10th Remsons International Research Conference on 31st August, 2024. In Deviprasad Goenka Management College of Media Studies, the Internal Quality Assurance Cell (IQAC) and Research Cell successfully organized a one week virtual Faculty Development Programme (FDP) on 'Quality and Quantitative Research Approaches' from 23rd to 25th September, 2024.

I convey my compliments to the President and his team for excellent growth of all the institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

Education is a great leveler for it raises the socio-economic status of a human being. Therefore, the President & his team at Rajasthani Sammelan Education Trust have embarked on the journey of empowering the new generation by providing them education all the way from School, College, Management Institute, Media College, an Online Academy, a Music Academy, a Counselling Centre and a Sports Academy. The diverse academic disciplines integrated with cultural & sports activities is the driving force to make the students proficient to face any challenges of the global community. It is a matter of great pride to note that more than 16,000 students are presently studying in the educational campus of RSET. At the same time, there are approximately 28000 students enrolled with Kunjbihari S. Goyal Online Academy. A Women's hostel & a Boys' Hostel are also provided for outside students to stay & pursue higher & professional education.

It is a matter of great pride that Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE) and Kudilal Govindram Seksaria English School (SSC) have received 'Mid-Day Education Icons Awards' for excellence in School Education. All the institutions of RSET jointly celebrated Independence Day with Dr. Naresh M. Saraf, Trustee RSET as the Chief Guest. Other functions held by respective institutions include National Sports Day of India on 29th August followed by Teachers' Day & Hindi Diwas in the month of September.

Students of the institutions of RSET conducted various outreach programmes through NCC, NSS, DLLE units and Rotaract Club. The ISR committee of Durgadevi Saraf Institute of Management Studies organized a Rakhi selling drive from August 07th to 13th 2024. This drive was focused on promoting eco-friendly and ethically handcrafted Rakhis made from bamboo by tribal women.

I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader!

I am pleased to note that Suwadevi Doongermal Patodia Chemistry Lab has been fully utilised by the students of Mainadevi Bajaj International School for their Chemistry practical, practical examinations, competitive examinations like SOF etc. Primary Section students make occasional visit to understand the difficult concepts that are taught in class. The students are duly supported by the Lab Assistant who keeps the lab ready well in advance with the required equipment's and chemicals. The Chemistry laboratory at MBIS is well equipped with all the essential apparatus and chemicals required for a complete learning as per international standards. The lab follows all the standard safety precautions like safety shower, fire alarms and extinguishers, fume cupboard, first aid kit, safety goggles, lab coats, gloves, etc.

It is heartening to note that Mainadevi Bajaj International School has been awarded for Excellence in International Academic Innovative Curriculum at the Mid-Day 'Education Icons Award 2024.' Rudhran Halwai of Grade 1 has received 'Super Talented Kid Award' & created a World Record for being the youngest to achieve 50 certificates in the International Book of Records. The School has had many exhilarating moments with some students receiving awards and medals for their achievements in academics and sports. In the institutions of higher education, Ghanshyamdas Saraf College, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies have received autonomous status from Mumbai University. Along with studies, the Management has given equal importance to develop talents of students in sports by appointing expert coaches in Pravinchandra D. Shah Sports Academy. Students of schools and colleges have excelled in sports, swimming and martial arts at District & State level. Many students have been selected to play at the National level.

Vijay Pal Singh
Health Centre

Dear Reader,

I am glad to know that through Vijay Pal Singh Health Centre, Rajasthani Sammelan Education Trust is addressing the basic health issues of students through regular check-ups. Ayaksha Health Services, the agency appointed to take care of Vijay Pal Singh Health Centre is conducting regular health check-up of school children of RSET. The Health Centre is kept open from 7 am to 7 pm on all working days. In case of emergency a doctor is available every day in the morning to attend to the students.

Other activities of Ayaksha Health Services include making children aware of oral hygiene, teaching children about good touch and bad touch, how to face exam anxiety and fear related to performance. Recently Shri Rakesh Rawal, Founder of Ayaksha organized a training on POSCO Act for the Support Staff of all the institutions of RSET which was held in Durgadevi Saraf Hall. The event was a collaborative effort of the RSET team- Captain Anant Yadnik, Dr Ajay Agrawal, Mr Vikas Ahuja, Dr Padmajaa SKutty, Mr. Ranjit Goraksha & IT team with Mr Rakeshji Rawal. Dr Neelu Grover, from Ayaksha was the facilitator for the event. With audio-visual presentation, she talked about the various types of child abuse, their consequences and preventive measures. The POSCO Act was well explained with presentations by Dr. Neelu Grover. 65 support staff attended the training.

It is a matter of great pride that all the institutions are constantly engaged in the pursuit of academic excellence. Faculty members of the colleges and management institutes have presented their research papers in prestigious conferences. Their research papers have been published in reputed journals. Students have participated in interschool as well as intercollegiate competitions and have won many prizes. I compliment the Management, the Principals, Staff and Students of all institutions for their excellent growth.

 Ramnarayan
 Saraf Educational
 Outlet

Dear Reader,

The first term of the academic year 2024-2025 is almost over and it is a matter of great pleasure to note that Ramnarayan Saraf Educational Outlet in RSET Campus is satisfactorily providing services related to stationery needs of the students and staff of all institutions of the Trust. At the same time, it is also providing facilities of xeroxing, scanning and printing. All stationery items required by the institutions are regularly provided by Shreeji Enterprises, the Agency looking after the educational outlet.

My father Late Shri Ramnarayanji Saraf's motto was to give best education to the youth. Hence he was actively involved in the project of massive expansion and renovation of the educational campus of Rajsthani Sammelan Education Trust. He always thought of providing best facilities to the students studying in all the institutions of the Trust. Today when he is no more, our family has all the more become associated with the activities of Rajsthani Sammelan Education Trust and work for the educational excellence of all the institutions run by the Trust.

It is a matter of pride to note that all the institutions run by our Trust are becoming popular day by day for their high academic standards and extra-curricular activities. A new era of leadership dawned at Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School as Investiture Ceremony marked the beginning of a new chapter in the three institutions' rich history. The symbolic pinning of badges & sashes to the newly elected Student Council members of the three schools embodied the trust placed in them to lead their peers. Institutions of higher education of RSET have arranged many seminars, conferences and faculty development programmes in the past few months. I wish excellent growth and development to all the institutions of Rajsthani Sammelan Education Trust.

Dear Reader,

In a country where its citizens are educated, they are able to solve their own problems as well as the problems of the nation in a better way with knowledge acquired through good education. Rajsthani Sammelan Education Trust has therefore very aptly taken a lead role to provide opportunity of different systems of education to the student community through various institutions run by the Trust.

It is heartening to note that all the institutions celebrated Independence Day jointly on 15th August, 2023 in RSET Campus. Dr. Naresh M. Saraf, Trustee, RSET was the Chief Guest who hoisted the national flag in the campus. This was followed by a cultural program presented by the schools & colleges. In the month of September, Teachers Day and Hindi Diwas were celebrated by respective institutions. The Management has also encouraged all the institutions by awarding trophies & cash prizes for holding various competitions during celebration of Hindi Diwas. I also take this opportunity to convey my hearty felicitations to the Principals & faculty members who have been felicitated by many reputed organizations for achieving excellence in education.

My special compliments to Students of X standard, Ms. Krishnali Bhandarkar and Ms. Janhvi Diwadkar of Kudilal Govindram Seksaria English School who were awarded with the title 'Student of the Year' by Times NIE on 3rd September, for their academic performance in standard IX. It is also a matter of great pride that Daksh Shah of Grade 4 of Ramniwas Bajaj English High School participated in the Maharashtra State Senior & Lower Age Group Aquatic Championship-2024 at Nerul Gymkhana. In the boys U-9 categories, he won many gold, silver and bronze medals. Institutions of higher education organized many Faculty Development Programs, Seminars & Conferences.  at DSIMS

Dear Reader,

In today's world, changes are taking place at a very fast pace in the field of education. The present generation of students are regularly using technology as their learning tool. Many schools and colleges are providing video-conferencing facilities in their campus so that educationist from different parts of the world can have live discussion. Rajsthani Sammelan Education Trust has also provided such technological support and facilities to the students to access valuable information at Devendra Lath Communication Centre which has video-conferencing facility.

I am pleased to know that recently faculty interviews for Durgadevi Saraf Global Business School (DSGS) were conducted in DLCC on 28th September, 2024. Eleven candidates could clear the first round and were interviewed by a panel of members. Dr. Chandrahauns Chauhan, Professor, Jamnalal Bajaj Institute of Management Studies, Mumbai, was invited as an external expert to help in the selection process along with the Director, DSGS, Dr. Sarita Vichore and the HR Head. Only 5 candidates were found good and suitable who made it to the third round.

It is heartening to note that all the institutions have encouraged their students to organize many outreach programs through their NSS & DLLE units and Rotaract Clubs. NSS Unit of Deviprasad Goenka Management College of Media Studies in association with the Lions Club of Millennium and Nair Hospital Blood Bank conducted a Blood Donation Drive on 22nd August, 2024 in Dhurmal Bajaj Hall. 50 NSS volunteers worked tirelessly in order to make sure the smooth conduction of the Blood Donation Drive. This camp successfully collected 89 Blood Bags.

It is a great pleasure to know that Ghanshyamdas Saraf College, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies have received autonomous status from Mumbai University. Dear Reader,

Overall development of the individual is the goal of education and the Management members at Rajasthani Sammelan Education Trust have ensured that there is no stone unturned to equip the students by providing them complete education so that they can face challenges in life and also pursue a good career. Infrastructure plays a major role in the teaching-learning environment of an institution. I feel very happy to state that the Trust has provided state of the art infrastructure to all the institutions irrespective of the fees paid by the students.

In this quarter, many faculty members of the institutions of higher education have noteworthy academic achievements to their credit. Dr. Seema Agarwal, Vice-Principal of Ghanshyamdas Saraf College authored a book ' Basic Concepts of Research Methodology and Statistics'. CA Prof. Gurunathan Pillai, Vice-Principal & Prof. Prajna Shetty received the 'Nation Builder' Award by Rotary Club of Mumbai West Coast on 28th September, 2024.

It is heartening to note that the Internal Quality Assurance Cell (IQAC) and Research Cell of Deviprasad Goenka Management College of Media Studies successfully organized a one-week virtual Faculty Development Program (FDP) on "Qualitative and Quantitative Research Approaches" from 23rd to 28th September, 2024. Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized the 10th Remsons International Research Conference (RIRC) on 31st August, 2024 under the aegis of Remsons Centre for Management Research.

Along with academics, the Trust has given equal importance to nurture and develop talents of students in sports. In Maharashtra State, Sub-Junior & Junior Aquatic Championship organized by Swimming Federation of India held in Pune, Anika Bhatia of Ramniwas Bajaj English High School displayed outstanding performance by earning 4 gold & 1 silver medal across different categories. at DSIMS

Dear Reader,

A seminar hall is a vital facility in a management institute because it provides a space for academic events and for students and faculty to learn and engage with each other. Keeping this in mind, the Management members of Rajasthani Sammelan Education Trust have provided Smt. Smita Mahavir Agrawal Seminar Hall as one of the Seminar Halls in Durgadevi Saraf Institute of Management Studies (DSIMS). Equipped with audio-visual aids and comfortable seating, it ensures seamless presentations and discussions while maintaining a pleasant ambience with efficient air-conditioning.

I am pleased to note that Smt. Smita Mahavir Agrawal Seminar Hall has been regularly utilized in the past few months for holding lectures, guest lectures, workshops, seminars, placement activities and board meetings. DSIMS is also providing support to other institutions for conducting board meetings and seminars by making the Seminar Hall available to them.

It is a great pleasure to note that Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School organized the 10th Remsons International Research Conference (RIRC) on 31st August, 2024 under the aegis of Remsons Centre for Management Research. President RSET and Chairman DSIMS, Mr. Ashok Saraf, presided over the conference. Mr. Krishna Kejriwal, Chairman and Managing Director, Remsons Industries Ltd., graced the occasion as the Chief Guest. Dr. Sharad Kumar Saraf, Chairman and Managing Director of Technocraft Industries India Ltd. delivered the key note address. Eighteen selected research papers had been presented by the academicians of various management institutes, research scholars, MMS students and industry professionals at the second half of the conference.

It is a matter of great pride that Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE) and Kudilal Govindram Seksaria English School (SSC) have received 'Mid-Day Education Icons Awards' for excellence in School Education. I wish further excellence and growth to all institutions.

10TH REMSONS *International*

RESEARCH CONFERENCE REPORT

Durgadevi Saraf Institute of Management Studies (DSIMS) and Durgadevi Saraf Global Business School (DSGS) organized the 10th Remsons International Research Conference 2024 on 31 August, 2024, under the aegis of Remsons Centre for Management Research (RCMR). The theme of the Conference was "Empowering Transformational Change in Business Landscape".

Dr. Sarita Vichore, Shri Vinod L. Dalmia, Shri Ashok M. Saraf, Shri Krishna Kejriwal, Dr. Sharad Kumar Saraf, Shri J. P. Khemka and Dr. C. Babu at the 10th Remsons International Research Conference.

Lighting the Auspicious Lamp

The conference commenced with the traditional lighting of the lamp, followed by the national anthem and Saraswati Vandana. Dr. Sumana Chaudhuri, the Chief Convener, welcomed the distinguished guests and participants, setting the tone for the day's proceedings. Dr. C Babu, Director of DSIMS, delivered the opening address, emphasizing the relevance of the conference theme in today's rapidly evolving business environment. He highlighted the unique qualities of the RSET President and the chief guests, drawing parallels to a recent article featuring fifty outstanding leaders, and underscored their embodiment of leadership excellence. Dr. Sarita Vichore, Director of DSGS, in her address, referred to McKinsey's 2023 report which was focused on the era of Artificial Intelligence. While discussing about the three key elements of AI: Narrow Intelligence, Generative AI, and General AI, Dr. Vichore emphasized the importance of balancing AI advancements with human touch.

Mr. Ashok Saraf, President of Rajasthani Sammelan Educational Trust (RSET) and Chairman of DSIMS & DSGS, delivered the Presidential Address. He highlighted RSET's role in shaping more than 60,000 students. He reminisced about his father's (Shri Mahavirprasad Saraf) vision in establishing DSIMS to provide quality education through skill development initiatives. Mr. Saraf also addressed the role of AI in shaping students' futures, acknowledging both the challenges and strategies to overcome them through business education.

Mr. Krishna Kejriwal, Chairman and Managing Director of Remsons Industries Ltd, focused on the evolution of family businesses and the impact of globalization on the Indian economy. He emphasized the shift towards professional structures in corporate management and the importance of adapting to dynamic

environmental challenges. Some key words of the inaugural speech of Mr. Kejriwal were - the automation, AI, data analytics in driving innovation and enhancing customer experiences, the shift towards customer-centric business models and personalized offerings. He cited example of Toyota's assembly line. He highlighted the importance of global market understanding and the need for flexible strategies in business. He stressed on the critical role of leadership in attracting and retaining talent, fostering emotional intelligence, and creating adaptable work environments. He concluded by narrating the evolution from intelligent leadership to collective leadership and collaborative culture for meaningful decision-making in today's business world.

Dr. Sharad Kumar Saraf, Chairman and Managing Director of Technocraft Industries India Ltd & the Chairperson of BoG of IIT Mumbai and IIT Jammu, delivered a keynote address. He emphasised the importance of management education to keep the momentum up with the India's Amrit kaal vision of 'Viksit Bharat' and 'Atmanirbhar Bharat,' while accentuating the

importance of embracing the technological change.

Dr. Sharad in his keynote speech covered several crucial aspects, including the definition of 'Empowerment' in the business landscape as the ability to accept and implement the transformational change. He cited examples of companies which failed to adapt to changing technologies, such as Polaroid and the advent of digital cameras. By sharing his personal experiences in embracing digital tools, he narrated the importance of being adaptable in the face of rapid technological advancements. He referred to Darwin's theory of evolution in the business world and emphasized that only the fittest can survive in a constantly changing environment and Change is the only constant parameter in the Universe. He lauded the role of MBA institutions which bestow different human values and principles and thereby prepare students to manage, lead and grow businesses in this evolving landscape.

A significant highlight of the event was the unveiling of the research journal publication, "The Management Quest" (Volume 6, Issue 1). This launch underscored the conference's commitment to promoting and disseminating quality research in management studies. The morning session ended with a vote of thanks proposed by the co-convener Dr. Sunita Pujar.

The Paper Presentation Session started right after the Plenary Session, chaired by Dr. Pankaj Trivedi, Professor and Dean at KJ Somaiya Institute of Management Studies and Research (KJSIMSR).

Independence Day *Celebrations*

"May we think of freedom not as the right to do as we please, but as the opportunity to do what is right."

The 78th Independence Day celebrations held on Thursday, 15th August 2024, organized by Rajasthani Sammelan Education Trust, was a vibrant and heartfelt tribute to the spirit of freedom. The event, meticulously planned and executed, showcased not only the rich cultural heritage of India but also the pride and patriotism shared by the community.

The festivities commenced with the NCC cadets' escort of the Chief Guest, accompanied by the rousing beats of the school band. The disciplined march of the cadets, their crisp salutes, and the solemnity of the moment set the tone for the morning. The flag hoisting ceremony

followed a stirring moment as the Indian tricolor unfurled against the backdrop of clear skies. The hoisting of the flag was done by the Chief Guest-Dr. Naresh M. Saraf, Trustee, RSET, in the presence of our respected president Shri. Ashokji Saraf, Hon. Secretary, Shri Kailashji Kejriwal along with the distinguished Management members and Trustees.. The general salute performed by the cadets, coupled with the National Anthem, brought an immediate sense of unity and national pride among the attendees. The RSET members, Heads of Institutes, along with all the teachers and non-teaching staff participated in full strength for the flag hoisting ceremony.

The excitement and energy were palpable as the guests, students, and staff made their way to Durgadevi Saraf Hall for the cultural program. The hall, beautifully adorned and buzzing with anticipation, provided the perfect setting for the series of performances that were about to unfold. The program began with student compeers from Mainadevi Bajaj International School, welcoming the audience and introducing the host Principal, Dr. Padmajaa S. Kutty, who welcomed the dignitaries to the ceremony with her speech. This was followed by a request to the audience to stand in silence for 20 seconds to offer condolences to the Kolkata medical student victim. After which her address was inspiring, highlighting the importance of the day while also commending the students and faculty for their dedication in preparing the event. Dr. Padmajaa Kutty recited a poem and displayed a video resonating with her speech.

A special moment followed when the Hon. Secretary, Shri Kailashji Kejriwal, presented a potted plant to the Chief Guest Dr. Naresh Saraf, symbolizing growth and prosperity—qualities that are synonymous with both the Trust and the country's aspirations. The hall resonated with the sound of patriotic songs performed by students from NSMA, their voices filled with emotion and pride. Shortly afterward, KGES students, who had achieved national recognition in sports, were felicitated in a heartwarming ceremony that celebrated their dedication and hard work.

KGES Primary section students enthusiastically participated in the activities like Badge Making, Kite Making & Hand fan making on the occasion of celebrating Independence Day.

KGES Secondary section students celebrated Independence Day by making beautiful art work like Tricolor wheel making, Tricolor Wall Hanging & Tricolor posters.

One of the most captivating performances of the morning was the series of patriotic dances by students from various institutions under the Trust. The first of these, performed by KGES students, captivated the audience with its vibrant choreography and moving symbolism. As they swayed and spun to patriotic tunes, the hall was awash with applause. This was followed by a speech from a student of KGSS, whose words reflected the hopes, dreams, and aspirations of India's youth—thoughtful, passionate, and deeply connected to the essence of Independence Day.

MBIS students delivered a powerful rendition of a patriotic song, adding to the emotional resonance of the morning. Following that,

students from DGMC showcased a poem and skit that encapsulated both the struggles of the freedom movement and the triumph of independence. The skit, particularly, was a hit with the audience, using humor and drama to highlight important historical events and national values. The mood in the hall was reflective but filled with pride as a student from LRMC delivered a soulful solo song, further deepening the patriotic atmosphere.

As the cultural program continued, the energy in the hall never waned. The students of RBHS and DSWH kept the momentum going with their expressive dances, each performance unique in style but united in the theme of celebrating India's freedom. GSCC students followed with their own musical tribute to the nation, their harmonies blending seamlessly and moving the audience. The program continued with more

energetic dance performances from NSMA and DSJC students, each reflecting the different cultural aspects of India while reinforcing a common love for the country.

The Chief Guest, delivered his much-anticipated speech. A trustee of Rajsthani Sammelan Education Trust and an eminent businessman, Dr. Saraf's words were both motivating and insightful. He spoke not only about the significance of Independence Day but also about the importance of education, unity, and forward-thinking in shaping the future of the country, starting with our young minds at RSET. His speech was peppered with personal anecdotes, historical references, and calls to action, resonating deeply with the audience.

The celebrations concluded with a vote of thanks by Dr. Ameer Vora, Principal of DGMC. Her words were filled with gratitude, acknowledging the hard work of the students, the dedication of the teachers, and the cooperation of all those involved in making the event a success. The day's formal events may have drawn to a close, but the spirit of patriotism lingered as attendees exited the hall.

Behind the scenes, much effort had gone into ensuring the smooth flow of the program. The organizing committee, led by individuals such as Mr. Ranjit Goraksha and Ms. Hetal Shah, had left no stone unturned. Invitations were sent out well in advance, and arrangements were meticulously made for snacks, photography, valet parking, and sound systems. The decoration of the flagpole and the dais had been handled with precision, and even the housekeeping and maintenance teams, overseen by Mr. Deepesh and Mr. Mishra, played a crucial role in ensuring the venue was spotless and well-organized. The entire event was a testament to the teamwork and coordination between various institutions under the Trust, from KGSS to MBIS, KGES, RBHS, DSJC, and other institutions of higher education. Each group played a vital part, whether it was through performances or logistical support. The peons, assigned to different duties at the flag hoisting and within Durgadevi Saraf Hall, worked diligently to ensure everything ran like clockwork.

Even the smallest details were carefully planned, such as the snacks provided to participants. The catering by Mansa Mata Caterers was well-received, with a simple yet satisfying menu that kept energy levels high throughout the morning. Perhaps the most moving aspect of the celebration was not just the performances or the speeches, but the collective effort of an

entire community coming together to honor their country. The students, in particular, stood out for their enthusiasm and dedication, from the comedians to the dancers, singers, and speakers. Their pride in their country was evident, not only in the way they performed but in the energy they brought to the celebration.

In the end, the Independence Day celebrations of 2024 were not just about commemorating a historical event but also about looking forward to the future. It was a reminder of the sacrifices made for freedom, the progress the country has made, and the responsibilities that lie ahead. For the students and faculty of the institutions of Rajasthanni Sammelan Education Trust, it was a day filled with meaning, unity, and a renewed sense of national pride.

Institutes of RSET celebrate

हिन्दी दिवस

Rajasthani Sammelan Education Trust has always taken the lead role to promote Hindi, the national language of India by organizing literary activities by the institutions run and managed by the Trust. The Trust has also organized Kavi Sammelan from time to time and has honoured reputed Hindi poets, dramatists and scholars. To encourage students to come forward and participate in literary activities, the Management members have instituted many trophies, shields and cash prizes in all the institutions for organizing various literary competitions in Hindi as well as in other languages.

Hindi Diwas is an annual literary day celebrated on 14th September all over India and also all over the world to propagate the Hindi Language and its cultural heritage and values. It was on this day of 1950 that the Indian constitution under article 343 adopted Hindi as the official language with Devnagri script. Apart from local events in schools and colleges, every government institute celebrates this official language day with enthusiasm.. It was called the language of unity by Mahatma Gandhi.

14th September, is therefore recognized as Hindi Diwas and is celebrated every year to highlight the importance of Hindi language by all the institutions of Rajasthani Sammelan Education Trust with great enthusiasm by organizing interesting events of literary nature.

To begin with, we have **Kudilal Govindram Seksaria Sarvodaya School**, the oldest Hindi medium school

run by the Trust with many talented students having command over Hindi language. The school hosted a thrilling Inter School Poetry Recitation and Elocution competition on 20th and 21st September, 2024. An Inter School Poetry recitation competition was organized in the School on 20th September, 2024. The event's highlight was the presence of renowned writer and Kavyitri Dr. Sunita Singh who graced the occasion as the Chief Guest. Dr. Sunita has written a Kaavya Sangrah "Palash Ki Pagdandiyan".

The esteemed panel of Judges Mr. Awdhesh Singh & Mr. Vinod Singh had the challenging task of evaluating the outstanding performance. 1st prize for the day was bagged by Master. Ravikant Dinesh Sharma of D. V. M. High School, Kandivali and the 2nd prize went to Ms. Jahnvi Rajkumar Sing of Kudilal Govindram Seksaria English School, Malad. The Rotating shield went to D. V. M. High School for scoring the maximum points.

On 21st September, the Inter School Debate competition on the topic "Man's Life Changes not by Money but by Knowledge" was organized at Durgadevi Saraf Hall with renowned Writer and Director Mr. Abhilash Awasthi as the Chief Guest. He was well known Sub Editor of magazine "Dharmyug" and now he is the Editor of 4 different newspapers i.e. Dopfar, Vividh Samachar, Dabang Duniya & Dainik Dakshin

Mumbai. The Judges for the day were Mr. Ashok Rammurti Singh (Shikshak Mahapaur Vijeta) and Mr. Jaishankar Pandey (Headmaster of BMC School). The 1st and 2nd prizes were received by KGSS student Ms. Suhani Suresh Gupta and Ms. Riya Shailesh Mishra. Rotating Shield was received by KGS Sarvodaya School but as usual KGSS handed over the shield to D.V.M. English High School, Kandivali. The participants won the hearts of the audience.

The compeers for the two days events were our teachers Mrs. Neetu Singh and Mrs. Preeti Naidu. Ms. Suhani Gupta and Ms. Riya Mishra student of KGSS secondary section had participated in Debate competition organized by DGMC where Ms. Suhani Gupta won II prize and KGSS won trophy as well.

Kudilal Govindram Seksaria English School also celebrated Hindi Diwas in a grand manner by organizing a variety of programmes that stressed the significance of the national language. The students participated with great enthusiasm and highlighted the significance of Hindi language through various innovative and creative activities. It was a way to pay respect to Hindi and also the willingness to learn more about this language which is deeply rooted in our culture. It is a reminder that no matter where ever we go in life we must value and respect our language and culture. Teachers also shared their views that the native language should be retained at all cost but efforts instructed not to use English words which made the competition interesting & entertaining. Students participated whole heartedly. The teachers said that in a developing India when English is given priority, we still communicate & express our feelings in Hindi. "Hindi Hamari shaan hai, desh ka abhimaan hai". They emphasized that we should

be proud of our National Language. The teacher highlighted the importance of Hindi in our country. It was a great pleasure to see the students participate with great enthusiasm and they also spoke on the importance of the language in the contemporary society.

This day not only highlights the importance of the Hindi language but also symbolizes our culture, tradition and identity. Under the guidance of their Hindi teachers, Ms Deltina, Mr Krishnaraj and Ms Sunilam, students of primary and secondary section participated with great enthusiasm in which various genres of literature (Hasya Rasa, Raudra Rasa, Veer Rasa, Karun Rasa) was the outline of the programme. The programme began with the worshipping of Ma Saraswati that included Saraswati Vandana and welcome song. The significance of this day is not limited to just a day's celebration. It fills us with respect and love for our mother tongue. To highlight the same, a humorous play was staged by the secondary section students. To glorify the importance of Hindi language and how it paved its way to become our national language, eloquent speeches were delivered by the primary and secondary section students. Drama and dance was the highlight of the entire programme as it showcased one of the most significant texts of Hinduism and

Indian culture that is 'Mahabharata'. Many poets and eminent writers have contributed greatly towards promoting the language and to pay homage to such great writers and poets of Hindi language, Ms. Janhvi Singh of class X presented a wonderful poem. Janhvi had also participated in the interschool kavya pathan competition and was awarded with the second prize. The foundation of a rich and developed society

lies in its language. The function came to an end with a wonderful poem recitation by our Hindi teacher, Mrs. Sunilam, parting with a wonderful message to preserve the language as it is an invaluable heritage for all of us.

Hindi Diwas celebration at **Ramniwas Bajaj English High School** on Friday, 13th September

Creating words out of letters

2024, was indeed a vibrant and joyful event, highlighting the students' linguistic talents and fostering a deeper appreciation for Hindi. The celebration kick started with a short assembly conducted by the students in Hindi. A short prayer encouraging everyone to be thoughtful and kind followed by the importance of Hindi Diwas in our constitution were the highlights. The icing on the cake were the various activities conducted for the students throughout the day. The pre-primary students enjoyed a puppet show packed with songs and fun. Grades 1 & 2 participated in Finding Your Pair game with zeal. They were tasked with searching for partners who could contribute in forming meaningful words through the letters and pictures assigned to them. This interactive activity helped enhance their vocabulary and understanding of the language. It also encouraged teamwork, quick thinking, and made learning Hindi fun and engaging.

Street Play On Gender Equality

Grade 3 had a Hasya Kavita recitation, where students presented humorous poems, bringing laughter to the audience. The performance was lively and engaging boosting their confidence and creativity. A dumb charades game based on popular 'Hindi Muhavare' provided students of grade 4 with an opportunity to act out popular idioms while others guessed the idiom. This fun activity enhanced both language skills and teamwork through gestures and imagination. The twist of including props added to the fun element.

The influence of technology in our lives today was reflected in the 'Circle debate' conducted for the students of Grade 5, in which one group discussed both the positive and negative aspects of online gaming. Some of them highlighted benefits like skill development and fun, while the others focused on drawbacks like addiction and reduced physical activity. The other group debated about Facebook friends and discussed the pros and cons of online friendships. The discussions encouraged thoughtful and respectful exchange of ideas wherein everyone shared their views respectfully. The secondary

students had the company of their parents in celebrating the Hindi language through the humorous and engaging Hasya Vyanga Kavita competition for Grade 9. Students along with parents or teachers performed satirical poems, setting a lively tone for the rest of the event.

Grade 10 students participated in a unique debate competition involving teams of students, parents, and teachers. The topic was closely related to their daily lives, allowing participants to express their views and engage in thoughtful discussions. Grade 8 students participated in a fast-paced Dumb Charades competition where they acted out Hindi muhavre (idioms) for their teammates to guess. The creativity and teamwork displayed were commendable, adding to the day's energy. For Grades 6 and 7, the house-wise Antakshari competition added a musical touch to the day. Students sang Bollywood songs based on words provided by the teachers, showcasing their knowledge of Hindi songs and bringing a wave of excitement to the audience.

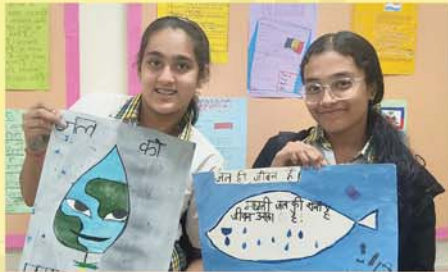

Adding to the celebration, RBHS students also performed a powerful street play at the RSET campus on the topic of UN Goal 5: Gender Equality. The play captured the audience's attention by advocating for equal treatment for all genders. A significant highlight of the performance was the discussion not just about two genders but also about society's responsibility to accept and respect all three genders.

Overall, the Hindi Diwas celebration was a

resounding success, instilling pride in the Hindi language while fostering camaraderie, joy, and valuable social lessons among the students.

हिंदी हमारे देश और भाषा की प्रभावशाली विरासत है! - By Makhanlal Chaturvedi

The **Hindi Diwas** celebration at **Mainadevi Bajaj International School** was a vibrant and well-coordinated event, filled with a variety of engaging performances and activities. The program was designed in two phases, with each focusing on promoting the richness and significance of Hindi language.

Depicting a Social Message Grade 8- Aanya and Yashvi

Spreading Awareness Grade 8-Pulkit,Vamika and Aarna

Hindi Diwas was celebrated in the school with great joy and enthusiasm. The celebration was organized in two phases. In the first phase a wide range of activities marked the day, beginning with a poster competition based on the theme "जल है तो कल है". The Poster making Competition on the theme "जल है तो कल है" was held on Friday 30 August 2024 from 1:40 pm to 3:00 pm in their classrooms with an objective to emphasize sensitivity and awareness towards water conservation and appreciation and admiration for the Hindi language. The students from grade 6 to grade 8 participated with great enthusiasm, showcasing their creativity and understanding through beautiful and thought-provoking posters. The quality of the posters was

exceptional, reflecting the students' dedication to both the theme and their artistic skill. The event was a significant opportunity for students to engage with an important environmental issue while also celebrating Hindi Diwas.

In the second phase Hindi Diwas was celebrated with great enthusiasm and fervor in the school on 13th September, 2024 where students from grade 6 to grade 12 participated actively in various events. The event took place in the cafeteria from 11:30 AM to 12:30 PM. The celebration commenced with the lighting of the lamp followed by the school prayer, creating an atmosphere of reverence and unity.

The event was graced by the presence of the chief guest, Lata Sabarwal, a renowned artist and social media content creator, who delivered a heartfelt message emphasizing the importance of speaking Hindi and taking pride in our national language. Her speech highlighted how Hindi is not just a medium of communication but a reflection of our rich cultural heritage. She inspired the students to embrace and promote Hindi in their everyday lives.

Lighting the Lamp of Knowledge- Our Guest of Honour, Ms Lata Saberwal, our Principal Dr Padmajaa S Kutty, our Hindi faculty, Ms Pushpa Chaube and Student Council Heads

Dr. Padmaja Kutty, Principal of the school further motivated the students by reciting the famous poem "कोशिश करने वालों की हार नहीं होती" ("Those who try never fail") by one of the famous Hindi laureate and Padma Bhushan recipient, Late Shri Harivanshrai Bachhan. This powerful poem, filled with perseverance and determination, resonated deeply with the students, encouraging them to continue striving towards their goals, not just in academics, but also in nurturing their connection with Hindi language.

Portraying the message of Sustainability through a Street Play Grades 6, 7, 8

The students showcased their talents through a street play, creatively focusing on nature conservation and cleanliness, which tied together social awareness and the essence of Hindi Diwas. This performance was not only entertaining but also sent a strong message to the audience about the importance of protecting the environment.

Celebrating Unity in Diversity -Grade 6 Anika, Prisha and Grade 7-Thea, Saanvi and Sana

Additionally, students from Grades 6 to 8 also performed cultural and social dances, which brought to life the diverse heritage of India, with Hindi as a unifying thread. Their vibrant costumes, synchronized moves, and energy enthralled the audience, leaving everyone in high spirits.

One of the standout moments of the event was the speech delivered by Ahana Chaudhary,

who spoke eloquently on the significance of the Hindi language. Her speech highlighted how Hindi connects millions of people across the nation and how it serves as a bridge to our cultural and literary roots.

To further engage the audience, an interactive activity based on Hindi idioms was conducted. This fun and educational session not only tested the students' knowledge but also sparked a renewed interest in the beauty and intricacy of the Hindi language, leaving the audience smiling and participating eagerly.

The event was flawlessly coordinated under the leadership of Aarush and Aishi, who ensured everything ran smoothly and efficiently. Their efforts, along with the hard work of the students and teachers, contributed to the resounding success of the celebration.

Overall, the Hindi Diwas celebration at the school was a huge success, fostering a deeper appreciation for the Hindi language among the students. It not only encouraged them to take pride in their linguistic heritage but also inspired them to preserve and promote it for future generations.

हिंदी हमारी आन है, हिंदी हमारी शान है हिंदी हमारी वाणी का, अनुपम वरदान है

On September 19, 2024, **Durgadevi Saraf Junior College (DSJC)**, in collaboration with **Ghanshyamdas Saraf Degree College (GSCC)** and **Ladhidevi Ramdhar Maheshwari Night College of Commerce**, proudly celebrated Hindi Diwas. The event, held at Durgadevi Saraf Hall starting at 12:00 p.m., was designed to

Chief Guest Shri Premprakash Dubey addressing the audience

honor Hindi language and promote cultural awareness among students.

The celebration commenced with the ceremonial lighting of the lamp, accompanied by a heartfelt Saraswati Vandana. This ritual symbolized the onset of knowledge and enlightenment, setting a respectful tone for the event. Following this, students from DSJC performed a welcome song, captivating the audience and igniting a spirit of enthusiasm for the event.

The attraction of the celebration was a singing competition, where participants from the three institutions showcased their talents through devotional songs. This competition not only highlighted the musical abilities of the students but also emphasized the significance of devotional music in expressing spiritual sentiments.

The event was graced by the esteemed chief guest, Shri. Prem Prakash Dubey, a renowned devotional singer known for his soulful voice and engaging performances. His presence inspired participants to deliver their best. Joining him as judges were Smt. Sarita Upadhyay and

Shri. Ganesh Nautiyal, both respected figures in the music community. Their expertise added a layer of credibility to the competition, as they provided constructive feedback and encouragement to the participants.

As the competition unfolded, the audience was treated to an array of mesmerizing performances. Each participant brought their unique style and interpretation to the devotional songs, resonating deeply with the audience. The atmosphere was filled with emotion, as students poured their hearts into their performances.

After an intense round of evaluations, the judges announced the winners. Purvi Rathod from GSCC won the 1st prize for her enchanting rendition, captivating the audience with her voice and presence. Sia Sharma secured the 2nd prize, while Anurag Pandey was awarded the 3rd prize for his impressive performance. Additionally, Tulsi Gupta and Sneha Tiwari received consolation prizes, recognizing their efforts and encouraging them to continue pursuing their passion for music.

The highlight of the awards ceremony was the presentation of the 'Smt. Kishnidevi Parasrampuriah Trophy' to DSJC, acknowledging the college's overall excellence and participation in the event. Furthermore, the winners received cash prizes generously donated by the Saraf Trust, showcasing the support for artistic expression and talent development among students.

In his address, Shri Prem Prakash Dubey spoke passionately about the importance of the Hindi language in today's world. He emphasized how Hindi serves not only as a means of communication but also as a vital part of our cultural identity. His words resonated with the students, inspiring them to take pride in their linguistic heritage and to explore the depths of the Hindi language.

Shri Dubey's insights reminded everyone present that language is a bridge to understanding culture, history, and values. He encouraged

students to embrace Hindi with enthusiasm and to appreciate its rich literary and cultural contributions.

The program was compered by Dr. Poojarani Singh and Ms. Priyanka Singh, who maintained a lively and engaging atmosphere throughout the event.

In conclusion, Ms. Preeti Jha delivered a heartfelt Vote of Thanks, expressing gratitude to the participants, judges, and all attendees.

To summarize, Hindi Divas celebration at Durgadevi Saraf Junior College was not just an event; it was a vibrant showcase of talent, culture, and the spirit of togetherness among the participating colleges. It successfully highlighted the significance of Hindi language while providing a platform for students to express their devotion and artistic skills through music. Such initiatives are essential in promoting cultural richness and appreciation within the educational framework, and this event stood as a testament to the dedication of all involved in making it a resounding success. The memories created during this celebration will undoubtedly resonate within the college community for years to come.

Deviprasad Goenka Management College of Media Studies also organized a vibrant celebration on Hindi Diwas that engaged

students in various activities, showcasing their love for the Hindi language and their commitment to keeping it alive.

The celebration organized by the Cultural and the Literati Cub attracted a large number of participants. With over 40 students attending, the atmosphere was charged with enthusiasm and energy. Eighteen students actively participated in the planned activities, demonstrating their eagerness to express themselves in Hindi. The event provided a platform for students to come together, share their thoughts, and engage in friendly competition, all while honing their language skills. One of the highlights of the day was the "Kya Kahoge" activity, a fun and engaging game where students were given situations and had to respond in Hindi. This exercise not only tested their vocabulary and quick thinking but also encouraged them to express their emotions and opinions in the language. Participants found themselves grappling with phrases, idioms, and expressions, which underscored the richness of Hindi as a medium of communication. The spontaneous nature of this game brought out laughter and camaraderie among participants, making it a memorable experience.

Another intriguing segment was the "3 Shabdo Ki Kahani," where participants were tasked with creating a story using just three words.

This activity pushed the students to think creatively while relying on their linguistic skills. It was fascinating to see how each participant interpreted their chosen words, weaving them into short narratives that ranged from humorous to thought-provoking. The exercise illuminated the beauty of storytelling in Hindi and the power of language to convey deep meanings in a few words. The "Haan Aur" activity was another highlight that encouraged students to engage in a continuous dialogue. In this activity, participants had to keep a conversation going using only "Haan" (yes) and "Aur" (and). This proved to be a humorous yet challenging task, as students had to maintain the flow of conversation while being restricted in their verbal choices. It emphasized the idea that effective communication is not solely about vocabulary but also about tone, context, and body language.

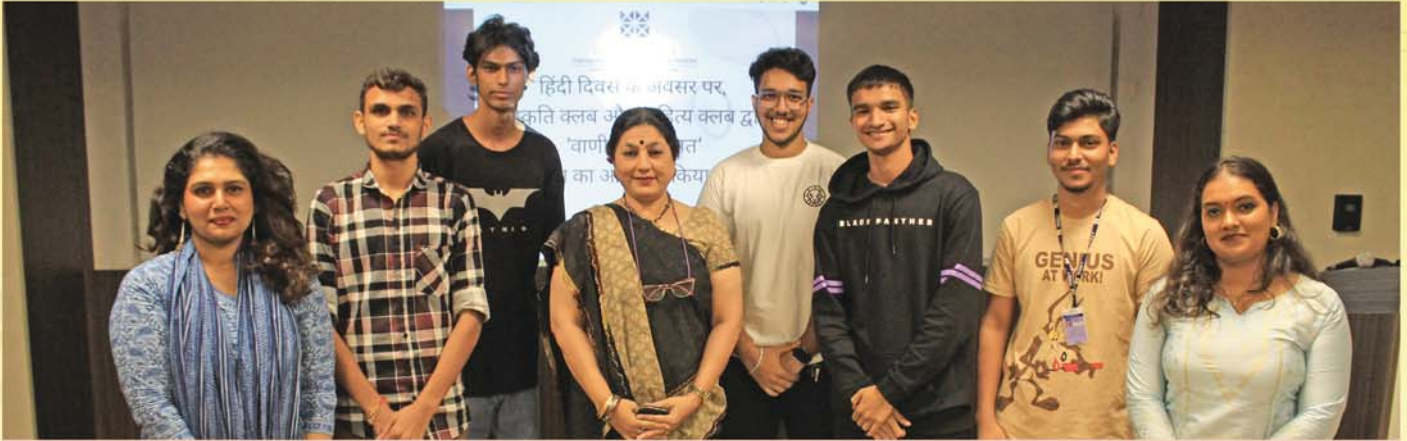

While the activities were filled with laughter and enthusiasm, they also highlighted an important aspect of language learning: the challenges of continuously speaking and communicating in Hindi. Many students found it difficult to articulate their thoughts fluidly, often reverting to English or struggling with Hindi vocabulary. This experience served as a reminder of the linguistic shifts that often occur in our multilingual society, where English frequently takes precedence.

The event also sparked discussions about the need for a deeper understanding of Hindi, particularly among younger generations. Many students expressed a desire to improve their command over the language, recognizing that Hindi is not just a means of communication but also a vital part of their cultural identity. This sentiment echoed throughout the event, fostering a collective responsibility among participants to embrace and promote Hindi in their daily lives.

Despite the challenges, the overall atmosphere of the event was one of joy and celebration. The students enjoyed every moment, relishing the opportunity to engage with their peers and showcase their Hindi language skills. The celebration was not merely an academic exercise; it was a heartfelt acknowledgment of the cultural richness that the Hindi language embodies. The enthusiastic participation and the spirited discussions during the event emphasized the importance of such celebrations in fostering a sense of community

among students. It reinforced the idea that language is not just a tool for communication but a bridge that connects us to our roots and traditions. The celebration of Hindi Diwas at DGMC, was a resounding success. Through engaging activities and vibrant participation, students were able to celebrate their linguistic heritage while confronting the challenges of language use in a modern context. As they laughed, learned, and shared, they created memories that would last a lifetime.

Events like these are crucial for promoting cultural awareness and encouraging students to embrace their linguistic identity. As we continue to navigate a world increasingly dominated by global languages, it is essential to cherish and promote our native languages like Hindi. Celebrating Hindi Diwas was not just an event; it was a commitment to keeping the spirit of Hindi alive for generations to come.

Celebrating young leadership: Investiture Ceremony of the MBIS student council accompanied by celebration of the founder's day

The Investiture Ceremony marked the beginning of a new era of leadership and responsibility, as the Student Council members of MBIS embarked on their journey to make a difference in the lives of their peers and the school community. The Chief Guest for the Event was Cdr George PV, a veteran from the Indian Navy, whose presence inspired the MBIS Torch bearers. The Guest of Honour, Ma'am Seema Bajaj graced the occasion with her esteemed presence.

The Student Council of MBIS comprised 36 members across Grades 5 to A Levels, taking an oath to uphold the values of the school, promising to work tirelessly for the betterment of their peers and the institution. A student led event, this ceremony was a testament to the

school's commitment to nurturing young minds and fostering a culture of excellence.

The occasion was reflective of the earnest and passionate spirit of the students of MBIS and was hosted by Harshita, Anika, Vedika, Pulkit, Aahana and Jayasvi.

The ceremony commenced with the lighting of the lamp while the Saraswati Mantra sung by our Lower Secondary students - Noman, Shrey, Pulkit, Aanya, Vamika, Aarna and Devashri resonated through the hall. Joining them to sing the School Song were Arnev, Aryan, Darsh, Revaant, Nihaar, Aishi, Zurain, Diya, Dishant, Aarav, Kanav and Jai. The welcome dance, an eclectic mix of the two Indian classical dance forms Kathak and Bharatnatyam, very elegantly put together and presented by AS Level students, Raashi Vyas and Ojal Khanvilkar. Our students of Grades 6 to 8, Harshita, Evaa, Sana, Anaaya, Vedika, Aniya, Sae, Anika and Thea rendered a dance performance to wish Ma'am Mainadevi on her birthday.

As the drums rolled, the newly elected Student Council marched in. Led by the Head Boy and Head Girl, all the council members were

conferred with their badges and sashes. The Student Council took the Oath led by the Head Girl, Saanchi Soni, to uphold the school motto of loyalty, truth and honour in high esteem, followed by a motivational address, by the Head Boy, Ved Bubna.

The Principal's address and address by the Chief Guest filled the room with motivational sentiments and words of

appreciation for the entire team that worked to make the event a success. The event came to a close with the Vote of Thanks by the Voice of Youth representatives- Samarth Goyal and Varuni Lodha.

As no event at MBIS is complete without a sincere display of patriotic sentiments, we concluded the ceremony with the singing of the National Anthem. It was a momentous occasion to witness the Unveiling of these Leaders of Tomorrow.

Congratulations to these Champions of Change!!!

Empowering Future Leaders: Investiture Ceremony – 31st July 2024

A new era of leadership dawned at Ramniwas Bajaj English High School as the Investiture Ceremony marked the beginning of a fresh chapter in the institution's rich history. The event was a testament to the values of responsibility, dedication, and service that the school upholds. The symbolic pinning of badges and sashes to the newly elected Student Council members embodied the trust placed in them to lead their peers and contribute meaningfully to the school's development.

The presence of distinguished guests, Lt. Col. Ashok Ray Chaudhury and Ms. Archita Saraf Rajpuria, alongside Principal, Ms. Florina Fernandes, added to the gravity of the occasion. Their words of wisdom and encouragement inspired the student council members to embrace their roles with integrity, enthusiasm, and a sense of purpose.

The Student Council this year boasted of the

addition of Student Mentors who would work alongside the School Counsellor and aim at providing a listening ear to the student body. The mentors have been carefully selected as ones who embody empathy, confidence,

integrity and patience. We are proud to open up another wing of responsibility to the students.

As each member of the council took the solemn pledge, they committed to fulfilling their duties with sincerity and to work towards the

betterment of the school and its community. The event not only celebrated their success but also reminded them of the responsibility they bear in being role models for their fellow students.

The newly elected council, composed of leaders with diverse strengths, will now carry forward the mission of the school, guided by values of teamwork, respect, and excellence. This Investiture Ceremony was not merely a formal event, but a celebration of leadership in its true sense—one that seeks to nurture and empower the future trailblazers of tomorrow.

Congratulations to the newly elected Student Council members, as they embark on this honorable journey of leadership and service. May they continue to inspire, lead, and set examples for others to follow.

Trips

To help students develop new skills, gain confidence and have better learning experience outside the normal classrooms, an educational trip was organized for all the students on 30th August. It was a wonderful opportunity for children to socialize and learn from the trip:

Preprimary section – Byculla Zoo

KGES Pre Primary Section had organised a trip to the Byculla zoo on 30th August to give them firsthand experience with the nature. The children were more than excited to encounter the wild life. A trip to the zoo is always an exciting adventure, full of opportunities to observe and learn about animals from all over. The day began with the anticipation of seeing exotic creatures, from towering giraffes and roaring lions to playful monkeys and colourful birds. Though being so tired children were even more excited to see the animals roar and penguins swim. Snack boxes were provided to the children which added to their excitement and joy. The trip provided students the joy of discovery and opportunity to learn new things. It was a wonderful opportunity for socializing and outdoor learning thus helping them to strengthen their bonds. All the students came back to the school rejuvenated.

Primary section – Kidzania

KGES organised a Field Trip to KIDZANIA for Primary Section on 30th August. It was a perfect combination of fun and learning. The various activities in Kidzania were designed to aid in physical and intellectual growth, contribute to the development of skills and attitudes, stimulate creative thinking and boost self-esteem and self-confidence. On the third floor of the mall was a Kidzania activity, where kids when they entered, were given some kidzos (Kidzania

currency), and using these kidzos they can play games in the establishment. If they went bankrupt, they had a chance to work and earn kidzos again and continue playing games. There were 24 games in total. The activities taught the kids the values of hard work, discipline, etc. The tour was truly a memorable one with lots of new experiences for the kids to cherish for a long time to come. The students also carried all the lovely memories and went back home happily.

Secondary section – Saguna bagh

KGES Organized one day educational fun filled trip for the students of standards V to X at Saguna Bag, Neral on 30th August. Children experienced the beautiful pure farmland Saguna Bag spread across land cultivated by award winning Farmers. The trip provided students with vivid learning experience in various areas including sustainable farming practices. Children observed various birds & animal, species like emu, ostrich, chameleon, python etc. learned about their habitats & importance in the ecosystem. Students enjoyed a unique experience in the bullock cart ride and paddle boating. Demonstration of traditional Indian sport mallakhamb and entertaining magic performance created a great enthusiasm amongst Students. Children also had great experience in activities such as pottery, bamboo basket making they also observed different variety of fishes, birds aviary, process extracting the honey, etc. Children savoured healthy delicious food & juices served at regular intervals. Overall, the educational trip to Saguna Bag also a resounding success, providing students with a unique learning experience that went beyond classroom. It developed an appreciation love for nature. Children returned home safely with sweet memories filled with education entertainment.

To review the performance of students in the tests, open house for the classes of 1st to 10th was conducted on 31st August. The teachers discussed about the students performance with the parents.

UNLEASH YOUR POTENTIAL

Mrs. Florina Fernandes,
Principal

ACHIEVEMENT

We are delighted to announce that our Principal Florina Fernandes has recently graduated from the IC3 University as a certified Career and College Counsellor. As a part of this year long flagship course she visited universities like Christ,Plaksha,Rishihood and Vijaybhoomi. The world of careers is diverse and changing rapidly, hence it is important for us to keep abreast of the changes and our Principal is confident that the knowledge and network she has gained will help her guide her students and parents in a focussed way.

PRE-PRIMARY ACTIVITIES

- Rainbow week - Introduced young children to the concepts of diversity, acceptance, and respect for all individuals, regardless of differences. The activities allowed children to express themselves creatively through colours, art, music, and themed activities, promoting individuality and self-confidence.
- Show and Tell- Encourages children to speak confidently in front of their peers, helping them develop verbal expression, vocabulary, and clear communication.
- Free Play - Supports gross and fine motor skill development through physical activities like climbing, running, and manipulating toys, which promote coordination and overall physical health. It allows children to express their feelings and emotions freely, helping them develop emotional intelligence and learn how to manage their emotions in various situations.

Free Play in the Preprimary

- Pre Independence Day (National Heroes) - Helps young children learn about important figures who played a role in the country's independence. It encouraged a sense of pride and love for the country by introducing children to the achievements and sacrifices of national heroes.
- Raksha Bandhan Celebration – was important to understand the significance of Raksha Bandhan as a festival that celebrates the bond of love, care, and protection between siblings.

Raksha Bandhan

- Janmashtami Celebration – was exciting as the story of Lord Krishna's birth and his childhood adventures was retold through simple and engaging dramatizations by their very own teachers.

Janmashtami celebration

- Magical Day – introduces them to the world of magic, encouraging them to think creatively and use their imagination as they explore the

wonder of magic tricks.

Magical Day

- Field trip to Ganpati Pandal - Helped children to learn about the significance of Ganesh Chaturthi and the cultural traditions associated with the festival by experiencing the Ganpati pandal first-hand.

ACADEMIA

"The beautiful thing about learning is nobody can take it away from you."

Workshops and Seminars

1. An FIM online meeting was conducted by Ms. Gurleen with math teachers from Grades 1 to 8 on 25 July. FIM employs a brain-based learning technique known as DEEP PRACTICE, where skills that normally take months of regular practice can be mastered in a matter of weeks, or even days. Along with rapid increases in computation, problem-solving, critical thinking, pattern recognition, and other maths skills, this type of practice causes myelin to grow thicker around the axons in the brain. More myelin means greater retention of skills.

2. Some of our teachers attended the "Build Your STEM Competency through AI and Game-Based Learning" workshop at CNM School on Monday, August 5, 2024 conducted by their Principal Kavita Sanghvi. It was an interactive experience that introduced AI concepts through fun, educational games. We gained hands-on skills in problem-solving and critical thinking while exploring real-world STEM applications. The gamified approach made learning engaging and accessible, helping to break down complex topics. Overall, the workshop fostered a collaborative environment that encouraged creativity and confidence in STEM subjects.

3. The excitement and buzz surrounding the Animation Workshop for our Grade 5 students got the ball rolling for our expert guest speaker from the animation industry, Mr Amarjeet Nanavade. He introduced them to the creative world of animation, encouraging them to explore their imaginations and bring their ideas to life.

La Actividades (CO-CURRICULAR)

'The outdoors offers limitless potential to young children. It becomes a place where they can go to relax their mind, to be inspired and to deep dive into the world of imagination. It's a place where they can design, create and explore. The possibilities are endless.'

Monsoon trek to Kothaligad fort, Karjat

1. Monsoon Treks to Karjat

A trek to Kondana Caves, Karjat was organised for Grades 4 to 7 on Friday, 12 July 2024, designed to enhance the child's learning beyond the classroom. This trek offered a unique opportunity for students to explore nature and develop valuable skills. Kondana Caves situated in Karjat offers the ancient lifestyle of Buddhist followers. Ancient rock-cut caves, Kondana Caves are very famous Buddhist caves. These caves enclose sculptures, vihara, chaitya, and stupa. Sculptures and stupas are specimens of the ancient period Buddhist architecture.

The lush green of the forests and hills are mesmerising and makes one forget the smoke and chaos of the city, for at least some time. The trek while going up and down was crisscrossed with small streams, small and large waterfalls and the greenery and the view of the green expanse of the valley was absolutely stunning. Some parts of the climb were really steep and nearly all of it very muddy and slippery. But under the guidance of the tour escorts and teachers climbed up on the top with a lot of safety and enthusiasm, also experienced the light showers. The first-hand experience has helped them to gather a lot of beautiful memories.

A contingent of students from grades 8 to 10 participated in a monsoon trek organized to Kothaligad, Raigad in an effort to teach the young minds about the importance of nature and witness the monsoon in all its glory. The nature treks provide students with an opportunity to admire the vivid vistas that are unique to the monsoon season. Instead of learning about nature in the confinement of their school classrooms, students were able to experience it first-hand. The students were impressed by the wonders of the environment and returned with memories of beautiful birds,

lush green trees and the rolling hills. Many took time to appreciate the delicate beauty of the forest. A light drizzle was falling when the students wearing trekking gear began the trek. The trekking trail passed through places of exquisite natural beauty. When the trekkers passed through thick natural forests, the students saw many paddy fields and rare species of birds.

2. RBHS Got Talent

"Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle."

On August 3rd, 2024, RBHS witnessed one of its most anticipated events - RBHS Got Talent! The atmosphere was electric, with creativity and energy pulsating through every performance. From mesmerizing magic tricks, including a blindfolded act, to captivating card magic, the show had it all!

The stage came alive with folk dances, hip-hop, and drum beats that left the audience in awe. Adding to the excitement was the incredible art piece created in just 2 minutes!

Our esteemed panel of judges, the talented and beautiful actress Ms. Aditi Bhatia and the seasoned and gorgeous actress Ms. Sanchi Peswani, had a challenging task on their hands.

The competition was fierce, and the judges struggled to pick their favourites among the talented young performers. It was truly a day where dreams were ignited, and talents were showcased!

3. The Investiture Ceremony of the Interact Club at Ramniwas Bajaj English High School was a remarkable event that took place on August 21, 2024. It marked the beginning of a new chapter for the club and demonstrated to community service and leadership development.

The winners of RBHS Got Talent

2. National Sports Day Celebration

To commemorate the birth anniversary of The Hockey Legend - Major Dhyan Chand, National Sports Day is celebrated across the country on 29th of August every year. Fitness is very important to live a healthy life and the theme for this year is, "**Healthy Body + Active Mind = Happy Life**"

Various activities were planned to spread awareness on the importance of sports and

The Parents Carom Competition

physical activities in every individual's life, especially in the present scenario with the primary focus on the importance of eating healthy, nutritious snacks, sporty hairstyles and outfits and to develop a spirit of sportsmanship. Inter House Matches were held on Friday, 30 August 2024. Students participated in this event House-wise Games were there for the students to enjoy the day:

- Gr 1 - Obstacle Adventure
- Gr 2 - Ball Toss Tussle
- Gr 3 - Cone Hoop Chaos
- Gr 4 - Up & Down Showdown
- Gr 5 - Tic-Tac-Toe

The secondary students had an interhouse cricket tournament which included 2 staff members in each team. The Ruby House won the match. The National Sport Day at RBHS was a memorable and impactful event that celebrated the spirit of sportsmanship and physical activity.

At the parents' carom competition we had a total of 25 teams enrolled with 50 players participating. The prowess and excitement for the game was so evident and we marvelled at their calculated moves. Many parents were happy to have started playing the game that had aged years ago.

Results were as follows

- 1 st Place- 1) Adityanarayan Somani
- 2) Akshay Chechani

- 2nd Place- 1) Ankit Gupta
- 2) Mayur Agrawal

3. Teachers' Day Celebration

"The best teachers are those who show you where to look, but don't tell you what to see."

Our school celebrated the Teachers' Day on 5th of September with great enthusiasm. The venue was the Activity Hall. PTA, CSCC and the student council organised the programme where they felicitated the teachers and had various performances such as dance and drama. The theme for the teachers was Indian Fusion. The children also wrote special messages on leaves, and flower cutouts for the teachers, which were displayed creatively like 'The Giving Tree, Gratitude Garden on each floor by the admin team.

4. Ganesh Chaturthi:

"Embracing the traditions, spreading the love, and creating unforgettable memories." Echoing this festive spirit, the students celebrated Ganesh Chaturthi with much zeal and zest. We celebrated the effervescent festival of Ganesh Chaturthi on Friday, 6th September, 2024 with creative and festive activities. Students engaged in fun, craft activities creating colourful torans and decorations to celebrate this auspicious occasion. The celebration featured hands-on craft sessions where students made decorative wall hangings, reflecting the joyous spirit of the festival. It was a wonderful opportunity for our students to embrace cultural traditions, showcase their creativity, and partake

Puppet show on Hindi Diwas for PrePrimary

in the festive joy.

5. Hindi Diwas Celebration

‘आइए हिंदी दिवस पर हिंदी की सुंदरता पर गर्व करें’ Hindi Divas, celebrated on September 14th, honours the adoption of Hindi as a widely spoken language. In today’s tech savvy age, where abbreviations have become the official

Hindi is not just a language, it is the soul of Indian culture and heritage. Lets celebrate its beauty on Hindi Diwas

lingo, it is a gentle reminder how this ancient language not only celebrates our rich cultural heritage but also gives us our unique identity globally.

It was held on Friday, 13 September with activities that brought out the creative geniuses amongst our students like अक्षर एक नई पहचान, Hasya Kavita, पहचान कौन? (Hindi Muhavre) and debates.

6. Roald Dahl’s Birthday Celebration

“Those who don’t believe in magic will never find it.”

This day holds a special place in the hearts of millions as it commemorates the birthday of the legendary author Roald Dahl, who gifted the world with some of the most enchanting and imaginative stories ever written. From his witty characters to his fantastical worlds, Dahl’s works have left an indelible mark on both children and adults alike.

It was celebrated on 18 September 2024. The students were dressed up as their favourite Roald Dahl characters. The themed activities for Grades 1 & 2 were Puppet Show, Grade 3 Fantastic Mr Fox Mask, Grade 4 Chocolate Wrapper Designing and Grade 5 Dream Jar Activity.

We also had a ‘Share Your Loved Book’ activity where teachers and students advertised their book and then encouraged their peers to borrow it. This promoted an enthusiastic reading habit that students require for personal growth.

Appreciation

“Be the reason someone smiles. Be the reason someone feels loved and believes in the goodness in people.”

It is said that ‘True love is selfless. It is prepared

to sacrifice.’ Who better to teach us about selflessness than a child? Anaika Faria of Grade 3 touched our hearts when she donated her hair to make wigs for cancer patients through Duhita Foundation during the summer of 2024. Her generous act devoid of any returns is testimony to the goodness that the world has.

Cumplimiento

“A winning attitude allows you to work on the things you can control.”

Tree plantation drive by NSS at RSET

Life is a remarkable and essential time in a student's life. This life teaches them many things and builds the confidence to face any challenges and struggles in their future. Instead of just focussing on the study, a student must participate in extracurricular activities too. All these things help in the overall development of a student. After parents, the teachers are the biggest well-wishers in a student's life and they can make them cross every hurdle to help them succeed in life. Our DSJC teachers always motivate students and bring out the best in them to help them shape their future in the proper direction.

WIDENING HORIZONS

Ms. Urvi Pal,
Head

KSIL's focus on academic excellence shows its dedication to nurturing students' intellectual growth. This report highlights the key academic and extracurricular activities conducted between July and September 2024 across our partner institutes. During this period, several milestones were achieved, including the completion of counseling and admissions for various courses, the commencement of lectures, and the organization of guest lectures and interactive sessions. These activities reflect our continued commitment to providing a holistic and enriching educational experience for our students.

Tilak Maharashtra Vidyapeeth (TMV) successfully completed counseling for its Computer Application and Business Administration programs for the academic year 2024-2025 in

July. Additionally, admissions for the First year BSc in Computer Application and BSc in Business Administration began, with lectures for second-year BCA and BBA, as well as first-year BSc students, starting in early August.

Our partner institute, Helen O'Grady International, completed admissions for its 23rd batch, with both theory and practical sessions underway. The institute also organized a guest lecture on the Protection of Children from Sexual Offences (POCSO) Act, delivered by Ms. Shaheen Khan on 1st September 2024. Internships for the 22nd batch students are ongoing. Furthermore, Helen O'Grady conducted Speech and Drama sessions for school children to enhance their communication and performance skills.

Kalpna International Institute of Management Studies (KIIMS), held counseling sessions for admissions for the academic year 2024-2025. During this period, lectures were also conducted for fashion designing and interior design students across all three years, ensuring continuity in their academic progress.

On 23 September, 2024 the support staff of KSIL attended a session on POCSO training workshop conducted by a professional at Durgadevi Saraf Hall. The session was conducted in view of the need of the hour.

The activities conducted during this phase emphasize our dedication to creating a dynamic and supportive learning environment for students. As we move forward, we remain focused on fostering growth, creativity, and academic excellence.

As the renowned educator John Dewey once said, "Education is not preparation for life; education is life itself." This philosophy resonates with our vision of empowering students with knowledge, practical skills, and values that extend far beyond the classroom.

Examinations (Jul 2024)

University Examination

MA-J&MC & MA –MC-FTNM SEM I ATKT exams were held from 23rd Jul 2024 to 30th Jul 2024

Parent Teacher Meeting & Personal Hearing

Parent-Teacher Meeting at DGMC was held on 10th August 2024 for Second Year (SY) and Third Year (TY) students and for the First Year (FY) students on the 19th Sept 2024 in accordance with the University Ordinance 6086. Also Personal Hearing with parents was conducted for SY-BAMMC (16 students) and SY-BAFTNMP (7 Students) on 30th Sept 2024.

Parents were invited to the meeting to discuss their wards' attendance records. The class coordinators and faculty members presented detailed reports on individual student attendance, highlighting those with attendance below the mandated 75%. The discussion focused on:

- A thorough review of each student's attendance was conducted.
- Parents were made aware of the potential academic consequences of low attendance.
- Faculty members informed parents about the implications of Ordinance 6086 of the University of Mumbai. The ordinance clearly states that students who fail to maintain a minimum of 75% attendance are at risk of being debarred from examinations and other academic activities.
- It was emphasized that attendance is a critical component of academic performance and that non-compliance could result in severe academic penalties.
- To ensure that the importance of attendance was understood, parents were asked to sign an undertaking. The undertaking served as a formal acknowledgment that they were aware of their ward's attendance situation and the potential consequences under the university's regulations.
- Parents agreed to support their wards in

improving attendance and ensuring compliance with university norms.

- The consequences of attendance falling below the required 75% threshold were clearly outlined to the parents. These include debarment from examinations, which can seriously affect the student's academic progression.

The faculty assured parents that they would receive regular updates on their ward's attendance and academic performance. Any signs of non-compliance would be addressed promptly.

College Development Committee meeting for the AY 2024-25

In the CDC meeting held on 24th Aug 2024 the Academic Report from May 2024 until July 2024 was presented, new admissions for the BAMMC and BAFTNMP Program and pending BMS admissions were discussed. Other matters with regards to the marketing of DGMC Courses and IQAC requirements was also discussed with the College Development Committee.

Orientation Program and Commencement of Regular Lectures for First Year Students

The academic session 2024-25 for the First Year BAMMC & BAFTNMP courses at DGMC began on 10th July 2024, with a comprehensive Orientation Program. The event aimed to familiarize students and their parents with the academic and administrative aspects of the courses, focusing on the implementation of NEP 2020 from this academic year.

The Orientation Program successfully set the stage for the new academic year. It provided both students and parents with essential information to navigate the upcoming academic journey. Following the orientation, the students were prepared to begin regular lectures, which commenced on 11th July 2024, as per the schedule.

MA Part I - Orientation Program

The academic session for MA J&MC and MA MCFTNM Part I at DGMC for the year 2024-25 commenced on Monday, 12th August 2024, with an Orientation Program. Students were given brief introduction to the MA curriculum, including Major and Elective subjects. The event aimed to introduce the new students to the institution's academic culture, expectations, and resources available to them. This marked the official beginning of their journey in the MA program.

DGMC's Surprise Test for Internal Assessment

Between the 23rd and 28th of September 2024 a surprise test was organized for the internal assessment of all subjects for Second Year (SY) and Third Year (TY) students. This test was conducted for a total of 20 marks and aimed to evaluate the students' grasp on the curriculum in a spontaneous and practical manner.

The surprise element of the test encouraged students to maintain consistent preparation, fostering regular engagement with their coursework. Each department ensured that the test covered essential topics from their respective syllabi, balancing theory and practical knowledge. The test results will contribute to the internal assessment marks, playing a key role in the overall academic evaluation for this term.

Workshops Conducted under Vertical 6

The Art Express

Creative Art Shop "The Art Express" was conducted on 4th September 2024. All first year students enrolled in Vertical 6 and selected Cultural Activity were required to attend this workshop. Ms. Pallavi Naik taught students craft with a coconut shell. Students were able to produce some beautiful artefacts using Coconut shells.

Yoga Workshop

A two-day yoga workshop was held on 23rd and 25th September 2024, as part of the sports initiatives under Vertical 6. The Guest speakers for this workshop were Ms. Kirti Jani and Ms. Kavita Longjam. The workshop aimed at promoting physical and mental well-being among students, focusing on the integration of yoga into daily routines for improved concentration, flexibility, and stress management.

The sessions were led by experienced yoga instructors who introduced participants to basic asanas, breathing techniques (pranayama), and mindfulness practices. Day one focused on fundamental postures that improve physical strength and posture alignment, while day two emphasized advanced breathing exercises and

mental relaxation techniques to reduce stress and enhance mental clarity.

This initiative was well-received, with positive feedback on how yoga can contribute to overall fitness and mental health, aligning with the broader goals of sports and wellness in the academic environment.

Nutrition Workshop

A two-day nutrition workshop was held on 27th and 28th September 2024, with Ms. Mrugaya Bambarkar, a consulting dietician at Healthifyme, as the guest speaker. This workshop aimed to educate students on the importance of balanced nutrition in maintaining physical and mental well-being, particularly in the context of sports and fitness.

Ms. Bambarkar shared insights on creating personalized meal plans that cater to different body types and activity levels. She emphasized the role of macronutrients, hydration, and mindful eating in enhancing athletic performance and overall health. Practical tips on managing dietary habits amidst a busy student lifestyle were also discussed.

The workshop was interactive, with participants engaging in Q&A sessions and learning how to make informed dietary choices. The initiative was well-received, reinforcing the connection between nutrition and fitness as part of the holistic wellness objectives of Vertical 6.

Physical Fitness Workshop

A two-day physical fitness workshop was conducted on 30th September and 1st October 2024, by Mr. Ketan Khot, the Head Basketball coach at SNTD Women's University, as the guest speaker. The workshop was designed to promote the importance of regular physical exercise and fitness in maintaining a healthy and active lifestyle.

Mr. Khot led participants through various fitness drills, focusing on agility, strength training, and endurance. The sessions incorporated both theoretical insights and practical exercises, highlighting the significance of tailored fitness regimes for individuals based on their specific needs and goals. He also emphasized the importance of discipline, motivation, and consistency in achieving fitness targets.

The workshop concluded with an interactive session where students discussed personal fitness challenges and received valuable advice on how to overcome them. This initiative further reinforced the role of physical fitness in the overall wellness framework under Vertical 6.

Garba Workshop

The Garba Workshop organized by the Culture

Club in collaboration with Rotaract Club on 27th Sept 2024, aimed to celebrate and promote traditional Indian dance, particularly Garba, a vibrant and lively dance form associated with the festival of Navratri.

The students had the privilege to learn from Ms. Puneeta Hirani and Ms. Khushali Hirani. The workshop provided participants with an opportunity to learn the basic steps, rhythms, and cultural significance of Garba.

This workshop was compulsory for all students registered under the Vertical 6 - cultural activities subject of NEP 2020.

The session showcased a wide range of international and Indian award-winning advertisements, with Gatorade's ads standing out due to their indirect yet creative messaging. The event's goal was to explore the

were given a specific theme, 'Mumbai - always on the move'. The students enjoyed their experience of witnessing new ways to explore visual storytelling, and also got extremely invested in narrating their own visual stories.

Photo Exhibition

The student members of the Photography & Cinematography club of DGMC organized a 3 day exhibition on the 16th, 17th & 19th of Aug 2024 displaying the works of students. The theme for the exhibition was Mumbai: Forever moving. The objective of the event was to engage with the students of the club interested in showcasing their work, where photos were shot on a photo walk organised earlier in the month of July. The exhibition was held in the DGMC's foyer where the audience could vote for their favourite photograph that were displayed.

Independence Day Celebration

The Cultural Club of DGMC participated in the Independence Day held on 15th August, 2024. The students presented a captivating dance performance and a thought-provoking Hindi skit that highlighted the essence of Independence Day. The audience, comprising students, faculty, and guests, responded with enthusiastic applause and appreciation. The performances resonated deeply, evoking a strong sense of national pride and unity.

Literati Club Elocution

On 11th July - World Population Day the Literati Club organised an Elocution event to engage in the following topics on population of India.

- Harnessing the potential of India's growing population.
- Navigating the challenges of India's growing population.
- Population control measures in India - Past, Present, Future.

elements that made these ads exceptional, encouraging deeper understanding and analysis. With around 40 students in attendance, many engaged actively in discussions, sharing their unique perspectives. Each ad screening was followed by thought-provoking questions, sparking comparisons between international ads like Doritos and Coke and Indian ones like Hyundai. The event highlighted how brands tailor their strategies to different regions and emphasized elements such as messaging, brand tone, and color usage.

Photography and Cinematography Club Photo Walk

IQAC & Photography and Cinematography Club of DGMC organised a Photowalk where the students were exposed to concepts of street photography and were given time to shoot photographs at the iconic venue of the Chhatrapati Shivaji Terminus, formerly known as the Victoria Station. The photowalk also was done with the intent of setting up an exhibition with the photos from the students. The students

Film Club

Film Screening

Amidst the realm of academia, where knowledge intersects with creativity, film screenings in July / Aug served as portals to diverse cultures, historical contexts, and artistic expressions. Film Club of DGMC screened "Anand" and "Gour Hari Dastaan". The film navigated the delicate balance between truth and forgiveness, leaving a profound impact on viewers long after the credits rolled. These films are helping students to understand the craft of storytelling.

During the months of July, August, and September, we engaged children and parents in a variety of enriching activities that fostered learning, creativity, and social development. Each event was thoughtfully designed to provide children with opportunities to explore new concepts, strengthen relationships and develop important life skills in a fun and interactive environment. Highlights from this period include our celebrations of World Yoga Day, Friendship Day, and several interactive sessions aimed at enhancing both parent-child and peer connections. We celebrated World Yoga day on 14th July 2024 and the children enjoyed various animal yoga poses in the play area. A Sing along session to facilitate bonding over rhymes with the parents was organized on 27th July 2024. MBIP tots celebrated Friendship day on 5th August 2024, by making a friendship band while the teachers explained the importance of friendship through a story on sharing and caring. All about Colours and Shapes was the theme for the month of August. A cooking experience was done wherein the kids enjoyed eating a sandwich cut in different shapes. We celebrated the International Clown day on 9th August 2024 at MBIP. The day kicked

off with a lively role play by a teacher as, she in a colourful and vibrant costume, was transformed into a clown. The kids giggled and clapped as they saw funny moves of the clown. The celebration filled the classroom with smiles and pure joy, spreading happiness. As we taught the kids all about their country, India and instilled pride of being an Indian, our tiny tots @MBIP dressed up in tri-coloured clothes on 14th August 2024 to celebrate Independence Day at MBIP. The festival of Raksha Bandhan was an occasion which helped us inculcate values like empathy, compassion and love amongst the tiny tots. The kids enjoyed decorating the rakhis too on 16th August 2024. We celebrated Janmashtami with the Grandparents day on 23rd August 2024. We had organized various games for the grandparents, which they participated in enthusiastically and thoroughly enjoyed too. Our angels had dressed up as Krishna and Radha and enjoyed the music and dance time at the Durgadevi Saraf Hall in the campus. Culmination day was a fun filled event as we had various activities for reinforcement of all the themes done in the month. The little ones participated along with their parents and enjoyed all the activities with sheer joy and excitement.

In the month of September we had the Ganesh Chaturthi celebration at MBIP on 12th September 2024. The children tried their hands at making modaks in class and worshipping Lord Ganesh. A vegetable market was created in the classroom on 19th September 2024 to introduce the concept of Vegetable Market. It was organized to promote healthy eating habits and introduce the kids to all the vegetables. They enjoyed shopping for various vegetables from the market and also exchanged fake currency which was provided by the teachers. MBIP hosted a workshop, "Empowering Parents, Nourishing Toddlers" on 27th September 2024 by a renowned Nutritionist, Shilpa Mittal. She shared valuable insights on healthy eating habits and how to read labels for young parents. In the spirit of fostering physical wellness, creativity and emotional bonding, these engaging events not only promoted learning but also helped strengthen the connection between children, parents, and educators.

personal growth and improved well-being.

The centre also placed a strong emphasis on inclusive education through its remediation services. RMCC’s Special Educator conducted more than 300 offline remediation sessions, providing targeted support to students with diverse learning needs. These sessions were designed to help students overcome learning difficulties, and collaborative meetings with counselors and teachers further ensured that effective strategies were implemented.

Parental engagement remained a cornerstone of RMCC’s approach to student success. Throughout August, nine parent meetings were organized, offering a platform for open communication between parents, counselors, and educators. These meetings allowed parents to stay informed about their children’s progress and facilitated a collaborative effort in supporting the student’s overall development.

RMCC’s has been working with schools like Ramniwas Bajaj English High School (RBHS) and Mainadevi Bajaj International School (MBIS) to strengthen their student support systems. At RBHS, RMCC counselors held regular meetings with both parents and teachers to discuss student progress and development goals. Life skill sessions were conducted for younger students, focusing on building personal and social competencies. Similarly, at MBIS, personalized counseling sessions were provided to students, alongside consistent communication with school leaders to ensure the implementation of effective interventions.

A major focus area for RMCC during this period was to apprise of study abroad opportunities. The centre held multiple webinars, including sessions on navigating study abroad entrance exams and exploring career options in sports. RMCC registered 20 students for study abroad services,

helping them apply for courses in countries like the USA and Germany. The centre also provided continuous guidance on scholarships and university selections, ensuring that students had access to the best international education opportunities.

In September, RMCC hosted a variety of career-oriented webinars, including one focused on the booming travel and tourism industry. Through these sessions, students gained valuable insights into emerging career opportunities, allowing them to make well-informed decisions about their future paths. RMCC also continued to share regular updates and creative content with its student database, ensuring that students were kept informed of the latest career trends, opportunities, and scholarship offers.

As part of its ongoing effort to enhance career readiness, RMCC collaborated with Durgadevi Saraf Junior College (DSJC) and Ghanshyamdas Saraf College (GSCC) to offer a Career Development Program. This initiative saw enthusiastic participation from students who were eager to develop their career planning skills and gain clarity on their professional goals.

RMCC launched a mentorship program for High School students to help them transition smoothly from high school to college. This mentorship initiative was part of RMCC’s larger effort to support students during this critical phase of their educational journey. The mentorship program is crafted to assist students starting from Grade 10, guiding them through crucial career decisions. It’s more than choosing subjects; it’s about mapping out an entire journey. We help students determine key parameters for college selection, from understanding the application process to aligning their choices with their goals and personality.

The centre’s dedication to personalized support, educational growth, and emotional well-being during the period has had a lasting impact on the students and professionals it serves. Through tailored counseling, specialized assessments, skill-building workshops, and an array of study abroad services, RMCC has once again demonstrated its vital role in helping young minds and professionals shape their futures and achieve their career goals.

This quarter has been characterized by significant academic progress, with students actively working towards enhancing their academic skills and achieving their educational goals. The Ramdhar Maheshwari Career Counseling Centre (RMCC) continued its steadfast dedication to career guidance and student development throughout August and September 2024. The center’s activities spanned career counseling sessions, assessments, webinars, skill-building workshops, and support programs aimed at nurturing both academic and emotional well-being. RMCC’s holistic approach ensured that students, graduates, and professionals received individualized support in making well-informed decisions about their future.

In the quarter, RMCC had several new enrollments, offering comprehensive career assessments for school students and professionals. These sessions were conducted both online and offline, allowing participants to explore their strengths and align their educational paths with personal aspirations. RMCC carried out specialized Psycho educational assessments to help students better understand their learning profiles and address academic challenges.

Personal development and emotional support are integral aspects of RMCC’s mission. During this period, the centre saw a significant demand for Life-Coaching and Personal Skill-Building sessions. These individual-focused interventions allowed participants to work on essential life skills and manage personal challenges, fostering resilience and self-awareness. RMCC’s life-coaching services have been instrumental in guiding students and young professionals toward

is the safest place for women students to stay and pursue their career and fulfill their dreams. The contentment and security of each student is the topmost priority for us. The hostel provides a healthy and safe environment. During their stay, each and every student develops a sense of responsibility, independence, and self-care. Being at hostel one learns to develop a bond with fellow students and roommates which leads them to become best friends for life. Students get an elite atmosphere for holistic development along with their peers and a chance to cultivate socio-economic responsibility.

dreams into reality. To help them achieve their visions, we at DS hostel provide vast opportunities and platforms to shape them to face future challenges. The staff at DS hostel had always been working for providing a comfortable and homely arena to all the students. We possess amenities that are at par with paramount in nature and as needed for the comfortable stay of the students. It is an undeniable aspect that a home is irreplaceable but as an institution we have perceived a responsibility of making all students feel home away from home. There are total 45 rooms for the students in the DSWH and one Rector's residence flat and 1 Room for Asst. Warden. All the rooms are self-contained. The total capacity of Girls hostel is 135 students. There are three Aqua guards for water purification in, two refrigerators, two Inductions, one LCD and one Microwave in the Hostel. There is a solar system of 2000 litre capacity fitted in the hostel. The Solar system is also having the electrical back up to heat the water during the

another lift for an emergency. There is a dining Hall in the girls' hostel. The seating capacity of the dining hall is of 40 students. All 135 students take their meals in the Dining. We serve Breakfast and Dinner. There is a dedicated recreational area, laundry room with 4 washing machines.

We had renewals along with the new admissions in the month of July. The queries led to admissions and fees collection. The admissions were received from different parts of the country for different courses. Looking at the response we could easily make out that more and more people were interested in accommodating their wards particularly for safety and security in DS Hostel. They were really impressed by the ambience of our hostel. Students were coming from other prestigious Institutes of Mumbai for our next tenure. The students who were aspiring to get into our hostel also gave really pleasant feedback for the hostel. Admissions are at peak and both the students and their parents were coming to see the hostel for admission purposes. We had begun to receive admissions from the month of May itself and it was really soothing to see our hard work being paid off so well. The admissions and queries were being received from all parts of the country. Also 12% GST has been removed from our fees structure. Many of the students were busy in their professional courses and their examinations. The other students were seeking admission in their respective universities. The students had maintained the dignity of the hostel by abiding to the rules and regulations laid by our authorities. New students were also anxious about joining and settling down in the hostel. Mumbai is famous for providing students with a vast arena

facilities of the Hostel were provided as before. This included Food, Housekeeping, Maintenance, laundry, Security and Wi-Fi. The month of August was again very busy month with new students joining the hostel. Admissions are at peak and both the students and their parents were coming to see the hostel for admission purposes. Many new admissions were taken in August. A new food committee of new and old students had been formed for this tenure. Menu prepared by members was handed over to the caterer.

Celebrations

The students of our hostel had taken part in the Independence Day celebration by dancing to patriotic songs titled "Bharat Ki Beti" and was performed by 15 students. The rector

had arranged for necessary props and seating arrangements for the students. Post the performance, snacks were also arranged in the hostel's dining hall by the Rector. In the month of September, all the new students had settled down in the hostel. They were busy with their studies. The month of September had also been a swift month everything had went on smoothly. The students had also maintained the decorum of the hostel. All the students were busy in their respective courses and classes. It was hectic month for the students related to their studies. . The month of October was a mixture of festivity and hard work. At the beginning of the month, all the students were busy with their academic exams. Students were excited for Navratri & Dussehra at the same time. Rector and other

Hostel staff were regularly taking care for the comfortable stay of the students in the hostel.

**Maintenance Work:
Painting & Repairing work:**

Repairing and painting work was completed in certain rooms & areas successfully. Painting and repairing work were done in 7 rooms. Extra flaps in the student's cupboards had been installed for the safety of the students' belongings.

This prestigious tournament sees participation from 56 countries, with a total of 1,550 teams competing across various age groups ranging from Under-11 to Under-19 for both boys and girls. This extensive participation underscores the global appeal and competitive spirit of the Dana Cup.

Our two players from PDSA were part of Team AFA. AFA team has been a consistent participant in the Dana Cup for the past 16 years, demonstrating their commitment to youth football and international competition. This year, our team achieved a remarkable feat by reaching the quarter-finals. The team showcased their talent and determination by securing victories against strong teams from Denmark, Sweden, Germany, Peru, and Bolivia. However, their impressive run ended in the quarter-finals with a loss to Guatemala.

Among the standout players this year were Shlok Rawtoo from KGES and Vihaan Swetang Shah from RBHS. Their exceptional skills and teamwork played a significant role in the team's success and journey to the quarter-finals.

This year, the AFA team was honoured with the prestigious title of "Best Visiting Team 2024" at the Dana Cup. This accolade reflects not only their performance on the field but also their sportsmanship, teamwork, and overall conduct throughout the tournament. The team was awarded a trophy and gold medals in recognition of this achievement.

The Dana Cup continues to be a significant event in the youth football calendar, fostering global friendships and competitive spirit among young athletes. The team's accomplishments this year are a testament to their hard work, dedication, and the support they receive from their schools and communities. Their journey and recognition as the best visiting team highlight the importance of perseverance and sportsmanship in sports.

SWIMMING-

The Maharashtra State Sub Junior & Junior Aquatic Championship, organized by the Swimming Federation of India, is a prestigious event in the state's swimming calendar. Held in Pune, the competition brought together the best young swimmers from across Maharashtra to compete in various categories and strokes, showcasing their talent and determination.

Aanika Bhatia of RBHS displayed outstanding performance in this championship, earning a

total of five medals across different categories in u/14 age group:

• **Gold Medals:**

1. 100m Butterfly: Anika clinched the gold medal in this challenging event, showcasing her strength and technique over the course of the race.

2. 200m Butterfly: She further demonstrated her dominance in the butterfly stroke by winning the gold in the 200m event, leading the field with a commanding performance.

3. 200m Individual Medley (IM): In the IM event, which tests versatility across all four strokes (butterfly, backstroke, breaststroke, and freestyle), Anika emerged victorious, securing another gold medal.

4. 4x100m Freestyle Relay: Anika was a crucial member of her team in the relay event, helping them secure the gold medal through a strong performance.

• **Silver Medal:**

1. 50m Butterfly: Anika narrowly missed out on the gold in the 50m butterfly, finishing with a well-deserved silver medal.

Anika Bhatia's performance at the Maharashtra State Sub Junior & Junior Aquatic Championship was nothing short of remarkable. Her achievements highlight her dedication and skill in swimming, particularly in the butterfly stroke and individual medley. These accomplishments not only underscore her talent but also set a high standard for future competitions. Her success at this state-level event marks her as one of the rising stars in the Indian swimming community.

Date: 29th August 2024

Occasion: National Sports Day

To celebrate National Sports Day on 29th August 2024, RBHS, MBIS & KGES schools organized vibrant inter-house tournaments, providing students an opportunity to showcase their sporting talents and foster a spirit of healthy competition.

RBHS Inter-House Cricket Tournament

At RBHS, the day was marked by an exciting inter-house cricket tournament. The event brought together students from various houses, all eager to represent their teams and compete for the coveted title. The matches were filled with thrilling moments, displaying a high level of cricketing skill and teamwork. From powerful batting performances to sharp fielding and strategic bowling, the tournament was a true celebration of the sport. The atmosphere

was charged with excitement as spectators cheered for their favourite teams, adding to the competitive spirit of the event.

MBIS Inter-House Football Tournament

Simultaneously, MBIS hosted an inter-house football tournament, where students from different houses clashed on the football field. The tournament showcased intense matches with impressive displays of agility, strategy, and sportsmanship. The teams battled it out with determination, each aiming to secure victory for their house. The final matches were particularly exhilarating, with players giving their all in pursuit of glory. The event not only highlighted the students' passion for football but also emphasized the importance of teamwork and perseverance.

Both tournaments were a fitting tribute to National Sports Day, honouring the spirit of sportsmanship and athletic excellence. The events at RBHS and MBIS provided a platform for students to engage in friendly competition, develop their skills, and build camaraderie among peers. The day was a resounding success, leaving participants and spectators with a deepened appreciation for sports and a renewed enthusiasm for future competitions.

KGES Sports Quiz and Educational Week

In addition to the physical activities, KGES contributed to the National Sports Day celebrations by organizing a Sports Quiz. This quiz was the culmination of an entire week dedicated to educating students about the history of sports and various related topics. Throughout the week, students engaged in learning sessions that covered significant sports events, legendary athletes, and the evolution of different sports disciplines. The quiz itself was a challenging and engaging event, where students tested their knowledge and celebrated their newfound understanding of the world of sports.

These tournaments were a fitting tribute to National Sports Day, honouring the spirit of sportsmanship and athletic excellence. The events at RBHS, MBIS & KGES provided a platform for students to engage in friendly competition, develop their skills, and build camaraderie among peers. The day was a resounding success, leaving participants and spectators with a deepened appreciation for sports and a renewed enthusiasm for future competitions.

Media and its impact on the present generation

The world of media

Snack media, bite sizes, punchy headlines, razor sharp text. What am I talking about? Knowing these words could lead you directly into the hearts and minds of Gen Z. Or so media would have you think.

Gen Z, for the uninitiated, refers to those born roughly between 1997 and 2012. They are the drivers of both, media and technology, and hold more influence than their predecessors ever did. In fact, the term 'Media' has changed beyond recognition in the last century more than it had before – and yet, today when we speak of media in the present day, our experience of it was unimaginable even 2 decades back.

These 'Digital Natives' as they are sometimes referred to have information access more than and faster than before. They have access to smart phones, social media and constant connectivity which shapes how they perceive themselves, their world and it directly affects their chosen ways of social communication and interaction, besides how they consume everything.

What makes it possible?

With easy internet access, the availability of information, news, games besides interaction on platforms like Instagram, TikTok, Snapchat,

and YouTube has given rise to a phenomenon popularly known as social media influencers, who have a powerful impact on their fashion choices, lifestyle decisions, and even political opinions.

If you think this is some kind of doomsday viewpoint, think about this: Social media allows Gen Z to explore and express their identities in ways not possible before and also influences how they perceive themselves and present their views to the world, moment by moment.

The pace and the personalisation of media today, is overwhelming and is making their generation anxious. Jonathan Haidt, an eminent social psychologist, in his book, 'The Anxious Generation' says, 'The collapse of adolescent mental health is an urgent and complex topic we can't understand from any one disciplinary perspective.' He has been studying morality, emotion and culture to get insights into this phenomenon.

Some issues like cyberbullying, FOMO (fear of missing out), and negative body image weren't rampant or even existent before. Managing the pressures of an always-online world can take a toll on their mental health – and this is not really limited to Gen Z.

The good news however...

Not all is bad with this rise of new media though. With the internet at their fingertips, Gen Z has unparalleled access to information, news, and diverse perspectives. They are more informed about global issues and social causes than previous generations at the same age. Hence, the younger generation's commitment to activism and social causes like justice, environmental sustainability, among others gets amplified and allows them to mobilize and raise awareness quickly and effectively. This has been a boon, although the instant 'headline' approach to things can create dangerous situations for entire populations.

The preference of digital streaming services and content online over traditional TV and radio, especially user-generated content and short-form videos has made the influence by social media and online reviews a reality which cannot be escaped. This however, helps increase the value of authenticity and the younger lot are more likely to support brands that align with their values.

Overall, the media landscape has a profound impact on how Gen Z thinks, acts, and engages with the world around them. It shapes their cultural norms, influences their opinions, and

provides platforms for both self-expression and collective action.

The impact on education in India

Educational content in India is helped immensely by the media and this is not restricted to access by the internet alone. Television with channels like Doordarshan's DD National, Discovery and National Geographic allow access to science, history, and environmental studies for millions, reaching even those in far-flung geographies.

The internet of course, has brought knowledge to the people's finger tips. All kinds of education, academic and practical, basic to advanced, simple to complicated, is now available through online courses. This has the added advantage of reduced infrastructure and pricing which makes it affordable to many, who couldn't have opted for learning due to their economic status earlier. In this sense, this also helps bring about a level playing ground for willing and meritorious students.

Technology and innovation has pushed the world of teaching and education further – allowing learning to be more audio-visual than before and also facilitate interaction and simulation. Virtual labs in science simulating experiments is a case in point.

Real-time updates, global developments, digital news platforms and educational websites provide instant access to information to news and current affairs relevant to the world out there.

With time, the media of today has also had a huge impact on values and cultural perspectives among students. Television, OTT platforms and cinema cover topics which portray social issues, ethical dilemmas, and cultural diversity, prompting critical thinking and discussion among viewers. Of course there is a flip-side, due to a rise in hero worship, consumerism and wrong messaging which can hurt the social fabric in the short and the long-term.

Challenges for the individual and the society at large

Unreliable internet connectivity, fake news, biased viewpoints, no quality checks on accuracy and authenticity of online information create misinformation and confusion. Online scams, porn and social media addiction are other dangers posed by easy access of the media.

These ideas can be engaged in:

- Promote fact-checking and thus create an atmosphere of responsible digital citizenship.
- Integrate all media when disseminating reliable information, especially educative content.
- From policy makers to educators and parents, all stakeholders must get together on formal platforms consistently creating systems which aid safe ways of internet engagement.
- Encouraging students to indulge in offline activities, play, social interaction, off days to disengage from screens, while promoting physical mobility in natural environments.
- Allowing screen-time consent for students

only above a certain age.

These are but a few of the things that may help harness the best effects of media for our students while safeguarding their childhood responsibly.

Memorable Events/ Journey in the Institution:

First and foremost, I am immensely proud to be associated with DSGS. The education and skills I acquired during my time at the institution have played a pivotal role in shaping my career and personal growth. The rigorous academic curriculum, combined with the practical exposure provided, has laid a strong foundation for success in the business world.

The faculty at DSGS has consistently demonstrated a high level of expertise and dedication to their respective fields. Their unwavering support, guidance, and mentorship have been instrumental in my professional journey. The inclusion of case studies, group projects and internships has allowed students to apply classroom concepts to real-world scenarios. This hands-on approach not only fosters critical thinking and problem-solving skills but also prepares students to be adaptable and resilient in dynamic business environments. As an alumna, I have also had the opportunity to engage with the vast network of fellow alumni, which has proven to be invaluable.

Name of the Institution: Durgadevi Saraf Institute of Management Studies (DSIMS)

Course Completed: BMMS

Year of Passing: 2022

Present Organisation & Designation: Neotas Development Private Limited - Research Analyst in Due Diligenceinternship

Memorable Events/ Journey in the Institution:

As I look back at my days at DSIMS, we were the first batch to study in COVID-19 Pandemic. We were given online education from the start. The online education was something I was receiving for the first time. DSIMS had great faculties who made every effort to teach in the online mode. DSIMS has excellent classrooms, computer lab and great infrastructure which we missed due to COVID-19 Pandemic. But I enjoyed connecting with Professors and other students in Online mode. Learning in Online mode with DSIMS was really great as it still provided a platform to showcase our skills.

I decided to pursue Finance as my specialization. The MMS course has an overall good curriculum which touches upon every aspect of Finance. The faculties and friends I met here helped me throughout my course. I will remember the friends and the faculties who made the stay really memorable. I am glad to be back as Alma Mater of this Institute which has laid a foundation of my Career. I will be happy to continue my association with DSIMS in whatever way possible. I am really proud to have studied at this great Institute of Mumbai.

Our Gratitude to the Large Donors of Rajasthani Sammelan Education Trust

Rajasthani Sammelan Education Trust today is a reputed name in the field of education with multiple educational institutions offering education from Nursery to post graduate studies in management and media studies. **Approximately 16,000 students** study across various schools and colleges located in the state-of-the-art RSET campus in Malad (Mumbai).

This transformation and growth of RSET has been brought about by some of the visionaries who were associated with the Trust since 1948 and had the far sightedness to empower the community through education. What started as a single school for the girl child way back in 1950's today has metamorphosed to multiple educational institutions and students.

RSET owes its gratitude to the benevolence of its **Large Donor families** who had the vision to invest for the cause of education way back in the early years and have continued to do it over the years, knowing fully well that **investment in knowledge pays the best interest**. And rightly so. From time to time all our **Large Donor families** who have been associated with RSET have seen their investment in education come to fruition and we are reaping the fruits of their vision through the various institutes and the infrastructural facilities that have been built at RSET some of which have been named as per the desire of our esteemed Donors and membership as per RSET rules were given as per the membership rules prevailing at that time.

RSET today is an aspirational brand and is on a growth run. While we are fortunate to have many large existing Donor families associated with us, there are still a large number of Donors wanting to associate with us.

For the benefit of such Donors and Members who wish to associate with us at **RSET**, we are giving below the Present Membership Categories & Status.

2: In the above Table, where the Present Membership Value amount is the same, the order appears as per the date on which the membership was given.

All our Donor Trustees, Office Bearers and Managing Committee Members bring with them an extensive experience and knowledge of running their successful enterprises. It is largely due to their efforts, vision and commitment that RSET has grown in the size and stature. Our gratitude to all our Members for joining with us in our educational endeavours.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthani.org.in
