President's Message

RSET institutes adopt the high tech path

Dear Reader,

At the outset it's my proud privilege to greet you at the beginning of the new academic year!

Education system in life after COVID-19 Pandemic has changed completely. One of the worst hit sector is education sector as schools and colleges had to be shut down and teachers had to adopt new methods of teaching-learning through online teaching. In RSET campus also, teachers were trained by IT Department in how to conduct teaching through Zoom app and operate Google classroom. Hence, with the support of GOLD Academy (Kunjibihari S. Goyal Online Academy) and IT Department of RSET, teachers were able to reach the students for online education and completed their syllabus in time.

Most of our institutions of higher education utilized the lockdown period by organizing webinars on topics relevant to them that received great response. Ghanshyamdas Saraf College organized web-based seminars on a diverse number of themes - most of these being national webinars. Special mention can be made of a national seminars organized by Internal Quality Assurance Cell of the college and different departments in the months of April, May and June. Internal Quality Assurance Cell of Deviprasad Goenka Management College of Media Studies organized a national webinar on 'Media takes a New Dive - Careers and Opportunities' in the month of May on Zoom platform and live streamed on You Tube. In this webinar eminent media personalities participated as resource persons. Among schools, Mainadevi Bajaj International School conducted many webinars relevant to school education.

Along with holding webinars, Durgadevi Saraf Institute of Management Studies also conducted one month online certification programme on 'Communication Skills' and 'Retail Management'. Hence at institutions of RSET, learning never stopped during the lockdown period. All the Heads of Institutions and Faculty members as well as students well adapted to the new method of online teaching learning.

The new academic year of 2020-21 began with great moments of pride along with 100% results of Kudilal Govindram Seksaria English School (SSC Board), Mainadevi Bajaj International School (IGCSE & IBDP Board) and Ramniwas Bajaj English High School (ICSE Board). Kudilal Govindram Seksaria Sarvodaya School gave 98% result in SSC Board examination in which 75 students were distinction holders out of 265 students appeared for SSC Board examination. Results of Durgadevi Saraf Junior College at HSC Board examination ranged between 95 - 98% in Commerce, Arts and Science.

At Rajasthan Sammelan Education Trust, it is our mission to empower the new generation not only with modern education but also to explore their hidden talents in other areas. Our Donors Shri Harish P. Shah and Smt. Bina H. Shah joined us to fulfil our mission and gave us a handsome donation to start Nalini Shah Music Academy in our campus from this new academic year. Earlier they had also come forward and had donated a large amount for starting Pravinchandra D. Shah Sports Academy and Amratlal Premchand Shah Library at Mainadevi Bajaj International School. Nalini Shah Music Academy is a Hindustani Classical and Semi-

Ashok M. Saraf, President, RSET

classical Vocal and Western Instrumental Music Institute with an aim to train the learners with basic and technical knowledge of music. We have already appointed well qualified staff and online classes have already started.

Recently the Government announced New Education Policy 2020 which brings about several major changes in education system in India. Among the major reforms, the 10+2 structure in the schooling system has been replaced by 5+3+3+4 structure leading to the launch of four-year bachelor's degree; opening India to foreign universities; incorporating vocational education in college curriculum; and creation of a National Research Foundation in the area of higher education.

With the beginning of new academic year, admissions are being done online and regular online classes have also started. Extra-curricular activities are also being conducted online.

Before I end, I express my gratitude to all our Donors - past and present who have supported our Trust over the decades through their philanthropy and have helped us to move forward in our educational journey by providing latest & technology supported education to our young generation.

“ We make a living by what we get,
we make a life by what we give.
-Winston Churchill ”

Hon. Secretary's Message

A ray of hope for teachers and students

Dear Reader,

The academic year 2020-21 heralded with new hopes and aspirations for further growth and development of all the institutions in RSET campus. Our newly launched 'Nalini Shah Music Academy' from this academic year has been welcomed by members of Managing Committee, Trustees and Students. It is an effort by us to develop talents of students in music along with their studies.

We aim to provide enriching and holistic learning experience to all students studying in RSET institutions. We have created a state of art infrastructure as well as provided latest technological support to all institutions. We have also recruited well qualified staff to empower students with quality education. From the past few months, the impact of COVID-19 Pandemic is observed in every sector around the world. The economic impact is very disturbing. Businesses across the world especially hospitality, entertainment and aviation, have seen a major impact. Factories, Restaurants, Markets, Super Markets, Malls, Transport etc. were shut down for the fear of spreading of corona virus as per government directives.

The Education sector in India as well as other countries are badly affected by this. All educational activities halted in India from the middle of March, 2020. However, it has worked as a catalyst for the educational institutions to grow and opt for new online platforms which have not been used before. The lockdown has given a ray of hope to teachers and students to continue their educational activities online using different apps like Zoom, Google Classroom, Google Meet etc.

During this time, GOLD Academy (Kunjibihari S. Goyal Online Academy) of RSET initiated to record and make a repository of online lectures conducted by all institutions with the help of IT & ERP support departments of RSET. A stepwise plan was designed to schedule a lecture, conduct a lecture, record the lecture and give access to students for online learning. Online examinations were also conducted by MCQ type online tests for PGDM students of 3rd & 6th Semester of Deviprasad Goenka Management College of Media Studies and for internal examinations of the Self-financed Departments of Undergraduate students of Ghanshyamdas Saraf College as well as M.Com students. Schools also held PTA meetings through online platform.

Results of Board examinations were declared in the months of May – June. Our school children fared excellently by giving 100% result in RBHS (ICSE Board), MBIS (IGCSE & IBDP) & KGES (SSC Board) while results of KGSS at SSC exam was 98%.

Along with online academic activities, institutions also organized many extra-curricular activities. Many institutions celebrated International Yoga Day on 21st June, where in the students performed asanas as per the videos of sports teacher circulated to students earlier. The students also sent their videos that were compiled by the concerned teachers. DGMC organized an online session on yoga by practicing pranayama and meditation for teaching & non-teaching staff.

Kailash Kejriwal, Hon. Secretary, RSET

This year Pravinchandra D. Shah Sports Academy could not organize summer camps due to lockdown. So the staff at PDSA prepared work-out videos and circulated amongst students on a regular basis to keep them fit and strong. After every two weeks, the workout schedule was changed and increased in intensity level with inclusion of proper warm-up, mobility and cool down stretches.

To create global attitude in students, institutions of higher education tied up with many foreign universities for students and faculty exchange. Schools also did not lag behind. It was indeed a proud moment for us when 05 groups of students of RBHS for the second year in a row participated in the EUMIND (Europe Meets India) programme & were awarded the Certificate of Excellence by the International Jury for their e-project: 'Three Generations' in April 2020.

With the beginning of new academic year, admissions are being done online & teaching has also started online in all the institutions along with online extra-curricular activities.

We have many challenges ahead. But we are sure that with the co-operation of our Principals, Teachers, Students and Parents, we will successfully face all the challenges and our students will achieve greater success & will scale newer heights in their education and career ahead.

“ I would rather have it said,
'He lived usefully,' than, 'He died rich.'
- Benjamin Franklin ”

CEO'S Message

Captain (IN) Anant Yadnik (Retd.), CEO, RSET

Lockdown not a stumbling block

Dear Reader,

All the three months of this quarter namely April, May and June 2020 were under lockdown and our schools and colleges were closed. However, Lockdown did not prove to be a stumbling block for the efficient working of any of our institution. On the Contrary, the teaching and non-teaching staff took the situation in their stride and utilized the digital space to its optimum for performing the various operations of the institution. To get the students to connect to academics once again after the sudden closure, our institutions sent out assignments and links as online materials. This helped to bridge the gap between the previous class and the new class. The objective of the online sessions was activity based teaching focussed on skill development. Some interesting online activities were also planned and executed during this quarter. One of our School has conducted 1423 classes and 40 meetings in May whilst in June, 1513 classes and 34 meetings were conducted to ensure delivery of quality education across Nursery to Grade 10 ensuring the transition to New Normal.

A large number of additional online activities, like PTA meetings, students admissions, staff meetings, audio and video conferences, results declaration, were also conducted online. It was indeed a unique experience of celebrating International Yoga Day this year as the staff and students performed the various Yoga Asanas at their own homes. The art, craft, and the music training too was taught online to the students of lower classes by their respective teachers. Our counselling centre conducted various webinars like a "Mandala Art Webinar" (with an objective to provide strategy to relax and to cope with stress and anxiety especially amid Covid 19 lock down), Life Skills Programme, emotional

wellbeing and Career Guidance for students. A large number of participants attended these webinars and the testimonials received from the participants was quite encouraging.

Whilst the online mode of teaching has become a new normal, there was an exception to this norm and hence a special care was taken to ensure that there was no online teaching for the students from Nursery to Std II. Instead the parents of these students were provided with recorded videos and work sheets for them to get the work done from their wards.

The online lectures conducted for our college students during the lockdown were, an amazing testimonial to our college's earnest attempt to walk the extra mile to keep our students fruitfully engaged in up skilling themselves in their area of specialisation. They have organized various web-based seminars on a diverse number of themes. National level Webinar on various topics were held for faculty and students and a large number of participants got benefitted through such platforms and the feedback received from these participants is quite encouraging. The webinar on "Get an International Degree while studying at Saraf College" was conducted online in the month of May 2020 through Zoom Cloud Meeting. Our teaching Staff members presented Research Papers in international conferences and on various topics of general interest like business and economics and were highly appreciated by the international community for their work. The various Faculty Development Programs (FDPs) were held, the objective of which is also to acquaint the teachers with Microsoft Basics and other software's mostly used in various industries.

Our Kunjbihari's Goyal Online Academy (GOLD) of Learning and Development has aptly proved its tagline "LEARNING BEYOND BOUNDARIES". It has certainly assisted all our schools and colleges in delivering resourceful digital interface with students with incredible competency. They have scheduled, conducted and recorded the lectures. The joint efforts of Gold Academy, IT Department and all our Schools and Colleges have helped in successfully mitigating every obstacle that appeared in our online educational journey.

During this difficult covid-19 Pandemic times, fitness plays an important part in every individual's life. The more fit a person the better immunity, the better immunity, there are less chances of getting attacked by virus and infections. Hence, we at PDSA (Sports Academy) came up with a solution for this and have been in constant touch with our students and their parents to help them make more fit and strong by preparing workout videos and sending them on a regular basis. The response we received was amazing. It was loved and appreciated by everyone.

To ensure the safety of the employees coming to office, weekly Sanitization is carried out under the administrative supervision. Further the sanitising bottles are kept near all the Biometric machines to ensure the safety of employees from spreading covid19.

In the middle of every difficulty lies an opportunity – Albert Einstein

“Strive for Progress, Not perfection.”

Message From Director of Schools

A first rate response to a global calamity

Figures and percentages may vary but there is no disputing the fact that the current pandemic has affected a large number of students across the world. Estimates vary from a percentage as high as 70, to an absolute figure of over 1.25 billion students. In Mumbai and across Maharashtra as well as all over the country, schools and other educational institutions continue to be shut, having a devastating impact on not just the education of those affected but also on their future, which has now become uncertain. In the schools of RSET many students who have gone back to their native places and away from Mumbai, the hub of the pandemic, have been unable to return. Some of them are accessing online learning and others are simply waiting for this calamity to pass.

Many local and international organisations led by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) have been involved in assessing and categorising the impact of this pandemic on education.

The main impact is on interrupted learning since schools provide the education which constitutes the umbrella under which overall growth and development of children occurs. While the impact is felt by all students, those coming from economically and socially backward sections of the society experience this very acutely. In the schools of RSET we have tried to overcome this lacuna by being imaginative about reaching our students.

Many students attend school because almost all state governments provide a free mid-day meal. With school closure accompanied by loss of income for parents, this has been absent and children are suffering from malnourishment.

When schools closed without notice it caused a lot of confusion, stress and anxiety to teachers and students. There was often lack of clarity about their roles and how they were expected to remain connected with their students. And while online learning has been lauded by many and disliked by others, no one denies the frustrations, delays and anxieties involved in this form of learning. No one had imagined that the technical aspect of distance learning would be one of the chief stress causing factors for many families, students and educators.

This is apart from all the health hazards that online learning and the lockdown have entailed. Among other problems, webinars conducted by Mainadevi Bajaj International School focused on ways to deal with eating disorders, anxiety and irritation among children, headaches and eyesight issues caused by spending long hours in front of the screen.

In addition to being shut down in their houses and often without jobs, parents had to take on the role of becoming the main educators in their children's lives. This has been difficult for all parents, but for those without proper education and resources this has become even more challenging. Recognising this, schools of RSET have held several parental training and advisory sessions.

The financial dimensions of this crisis have been varied. It has been very obvious that people have lost their incomes or have had to suffer a substantial drop in them. Schools have been caught up in a bind about reducing or not charging fees. This has been particularly stressful for parents and managements of unaided schools which are entirely dependent on fee. In its generosity the management of RSET instructed

Nitin Padte, Director of Schools, RSET

all its heads to ensure that while collecting fee for the current academic year they should show utmost sensitivity to affected parents and offer them whatever concessions that were possible.

In this scenario the global and local response to issues faced by those in the field of education has been as phenomenal as the pandemic itself. UNESCO has been involved in giving technical assistance to quickly prepare and deploy inclusive distant learning solutions, utilizing hi-tech, low-tech and no-tech approaches.

Webinars have been conducted for affected people at all levels including ministers of education, officials from education departments, heads of institutions and other stakeholders to share information about country-wide efforts to maintain the provision of inclusive education in different contexts. The institutions of RSET have themselves conducted innumerable free webinars involving experts to help and promote the interests of their student, parent and staff communities.

The global community has been involved in supplying a selection of digital learning resources that governments, schools, teachers, parents can use to open opportunities for learners unable to attend to school. On an individual level, in our institutes a variety of platforms have been explored to make online learning meaningful and stress free.

In the rural areas of India there have been thousands of initiatives where local governments have created a pool of retired teachers and others able to teach basic subjects. These people have extended education to millions of students who cannot access distance learning.

In every problem, big or small, there is an opportunity to explore the boundaries of human imagination, of human kindness and sensitivity. This pandemic has done exactly that. The world has come together and pooled its resources to ensure that our youngsters do not miss out on a bright future due to this pandemic.

Education undergoes a seachange

The new academic year of 2020-21 arrived with many uncertainties in the educational sector. Ever since COVID-19 has been declared as Pandemic by World Health Organization (WHO), state governments are taking all the precautionary steps to curb the spread of the disease that includes shutting down educational institutes, vacating hostels, postponing entrance examinations, ceremonies and more. In the wake of this emergency situation, educational institutions have shifted their operations to online learning.

This year, admission process has also undergone a sea change. At the beginning of the academic year, we don't find academic campuses buzzing with new students anxiously looking at the list of admitted students in junior college and undergraduate classes as right from filling of forms, confirmation of admission to payment of fees - all are done through digital portals.

Education is dynamic and both teachers and students have to constantly adapt themselves to new methodologies to ensure continuity in learning during lockdown period. Distance learning tools came into prominence and within a very little time both teachers and students embraced online teaching-learning platforms of Zoom, Google classroom, Google meet etc.

Final year examinations of the universities in Maharashtra were pending for which the government approached UGC, seeking extension to complete the same by 31st October for professional and non-professional courses.

University of Mumbai has declared that final year examination for students of all colleges will be held between 1st October and 17th October. For preparing time tables for the exams, the University has set up around 40 clusters of colleges based on the courses they provide i.e. traditional courses, management, engineering, architecture, teacher's training, physical education, law, pharmacy and fine arts among others. Each cluster will have one college in lead. The time table will remain uniform for students belonging to a particular cluster. The exams will be

Dr. Sunanda Kar, Editor

conducted online in multiple choice questionnaire mode for 50 marks with the time limit of one hour. However, colleges outside Mumbai may find it tough to conduct online exams as there is no guarantee of internet connection there.

In the month of July, the new National Education Policy (NEP) 2020 approved by the cabinet was declared after a gap of 34 years (the last one being in the year 1986). NEP 2020 brings a large number of changes that can revolutionize education in India.

Among the noticeable changes, the 3 year undergraduate studies structure is changed to 4 year pattern with multiple entry and exit points to make higher education more suited to get jobs later. The new system will scrap the existing 10 + 2 format and will make our education system more like the global format. A few of the other changes it brings are extending the coverage of Right to Education (RTE) Act till the age of 18, a change in the pattern of exams and multi-disciplinary holistic education which will help students to pick up their own choice of subjects rather than a few set combinations.

In our RSET campus, all the institutions right from schools to colleges and professional institutes have well adapted themselves to online teaching learning. Even some of the libraries of the institutions are providing online support to the users through OPAC (Online Public Access Catalogue) wherein they can search in library catalogue to locate books and other collections from their home.

It is indeed heartening to inform that schools and colleges of RSET are conducting statutory meetings of Governing Boards, School Sub-committees, Child Safety Committee and Parent Teacher Association well in time through Zoom platform. We specially acknowledge strong support of IT Department of RSET and Kunjibihari S. Goyal Online Academy (GOLD Academy) for smooth conduction of teaching-learning, board meetings and other activities through online.

The Management has been taking all possible measures of sanitization of the campus from time to time. It is said that 'there is light after every darkness'. We are sure that the present situation due to COVID-19 Pandemic will be under control in due course. But it has taught each one of us in the educational sector to be digitally savvy to face challenges in future.

Dear Reader,

I extend my warmest greetings to our students and staffs at the RSET campus for the new academic year!

It is heartening to observe that some of our institutions obtained excellent results at the Board examinations. The students of Ramniwas English High School, Mainadevi Bajaj International School & Kudilal Govindram Seksaria English School have received 100% results at the ICSE, IGCSE and SSC Board examinations respectively held in February – March, 2019, the results of other institutions are above 95% which is very encouraging. My congratulations to the Management, Principals, Staff & Students for contributing to the academic excellence of our institutions and increasing the standard of education of all our institutions.

I am pleased to note that despite of lockdown during the months of April to June 2020, most of the institutions functioned normally using online mode both for academic and administrative activities. The students of 2019-21 batch of Durgadevi Saraf Institute of Management Studies completed their Summer Internship Projects (SIP) with the corporates resorting to work from home to keep themselves safe. DSIMS also conducted online certification programme on Communication Skills and Retail Management through Zoom platform. I am very happy to note that DSIMS is ranked 7th Best B School in Mumbai according to the Times Education B School Survey 2020.

It is heartening to note that all institutions of higher education and Mainadevi Bajaj International School conducted national webinars that received great response. I am happy to note that the Trust has started Nalini Shah Music Academy from this academic year which will provide opportunity to students to learn music along with their studies.

I compliment the President and his team for their constant support and encouragement to the institutions for their excellent growth and development.

Dear Reader,

At the outset, I wish all the students a fruitful academic year!

As we begin this academic year, we find that the past few months have been filled with many challenges by Principal, Staff and Students of all institutions of Rajasthani Sammelan Education Trust. In the month of April, COVID Pandemic became stronger and widespread. Accordingly, the teachers of all the institutions prepared results of the year 2019-20 and shared with the students through whatsapp. Online lessons for Standards IX and X began in the month of June.

I am indeed happy to know that the new virtual classroom was accepted well by both teachers and students within a fortnight with the support of IT team of RSET. Regular meetings of teachers were conducted by the Principal and Headmistress through Zoom App and Google duo. Admissions were also taken online.

I am pleased to note that the Secondary Teachers of Kudilal Govindram Seksaria English School attended a Webinar on 30th June organized by Ramdhar Maheshwari Career Counseling Centre on emotional wellness for Women-Making emotional quotient a priority. It was indeed a unique experience of celebrating International Yoga Day this year as the staff and students performed various yogasanas at their own homes and shared the videos which was then compiled by the teachers of respective schools and colleges. Children also received online training on craft, art, yoga and music by their subject teachers along with academics.

I am very happy to note that Ramniwas Bajaj English High School and Mainadevi Bajaj International School have given 100% results at their ICSE & IGCSE Board examinations of February/March 2020 respectively.

I wish a bright future to all the institutions of Rajasthani Sammelan Education Trust.

Dhurmaj Bajaj Bhavan,
Ramniwas Bajaj English High School,
Mainadevi Bajaj International School,
Mainadevi Bajaj International Playschool

Dear Reader,

Warm Greetings and my best wishes to all the students & staff in the campus for the new academic year!

Our family is proud to be associated with the Trust for

- i) Dhurmaj Bajaj Bhavan named after my late grandfather.
- ii) Ramniwas Bajaj English High School named after my late father.
- iii) Mainadevi Bajaj International School named after my mother.
- iv) Mainadevi Bajaj International Playschool named after my mother.

I am pleased to note that due to the sudden lockdown, the teachers adopted online teaching efficiently & quickly and started the academic year of Ramniwas Bajaj English High School in the month of May 2020 through google platform. Students of Grade 1 & 2 had virtual classes once a week while for students Grade 3 to Grade 10 the session of virtual classes commenced every day. In all, 1423 classes and 40 meetings were conducted in May while in June 1513 classes and 34 meetings were conducted to ensure quality education across Nursery to Grade 10. It was indeed a proud moment for the Management, Staff and Students when the fourth batch of RBHS gave 100% result in ICSE examinations. Out of 32 students, 26 students secured distinction while 6 students secured first class. Mainadevi Bajaj International School also efficiently conducted online classes with constant feedback between teachers, learners and parents. During the months of May & June, MBIS conducted 5 Webinars. In this period, Vidhaan Bagadiga of Grade 3 achieved 3rd international ranking in National Cyber Olympiad & received gifts Bronze medal & Certificate of outstanding performance. It was a proud moment for MBIS, when the students gave 100% result at IGCSE examination.

I compliment the President and his team for their vision and hard work in their mission of educational endeavours.

Mainadevi Bajaj International Playschool

Dear Reader,

Warm Greetings at the beginning of the academic year!

It is indeed a great pleasure for me and my family to extend our greetings to everyone associated with Rajasthan Sammelan Education Trust. At the outset, I convey my hearty felicitations to the students of the fourth batch of ICSE Board examinations for giving 100% results with 26 students getting distinction out of 32 students. The remaining 6 students passed in first division. I am sure that this has been possible due to the meticulous planning and hard work of students in collaboration with their teachers.

Congratulations are due to the efforts taken by the Principal, Staff and Students of Mainadevi Bajaj International School for their 100% results at IGCSE Board examinations. Other institutions have also given excellent results for which I convey my hearty felicitations to all. It was indeed creditable for the staff and students of all institutions of RSET to shift to online teaching-learning during complete lockdown of the country. The schools also introduced online yoga dance and music to alleviate stress and anxiety. It is heartening to note that MBIS conducted 5 webinars in the month of May with expertise from various fields and topics. Institutions of higher learning also conducted many webinars that received huge response.

I am pleased to note that Mainadevi Bajaj International Playschool conducted a Parent-Teacher meeting via Google Meet in April 2020 for the entire batch of the Pre-Nursery kids. A script was also drafted by the team to help kids do the activities for skill building at home. The Virtual Orientation session of Parents was conducted on 1st June, 2020 followed by virtual classes with varied themes.

I take this opportunity to congratulate the President and his team for giving all technological support to the institutions of RSET.

Sharda Cropchem Bloomberg Lab

Dear Reader,

Warm Greetings for the New Academic Year!

I am pleased to note that Jankidevi Bilasrai Bubna Boys' Hostel of Rajasthan Sammelan Education Trust is running very smoothly. In the previous academic year, the hostel was occupied to its fullest capacity of 152 students. Along with Indian students there were 20 foreign students from Bangladesh, Afghanistan, Egypt, Madagascar, Tunisia, Tanzania and Ghana. I am pleased to note that admissions for the new academic year has started in full swing from the month of July 2020. Due to complete lockdown caused by COVID-19 Pandemic from the middle of the month of March 2020, Indian students had left for their home town. But the foreign students stayed in the hostel. I am pleased to note that the Management has provided all possible facilities to them to make their stay comfortable during the lockdown period.

I feel happy to note that Savitridevi Bilasrai Bubna Computer Lab (KGSS & KGES) & Omprakash Bilasrai Bubna Computer Centre (RBHS) are fully utilized by the students of the respective schools. Many students from the institutions of RSET have benefitted financially by freeship received from Jankidevi Bilasrai Bubna Endowment Freeship Fund. I am very happy to note that Sharda Cropchem Bloomberg Lab is running successfully in Ghanshyamdas Saraf College. It is also a matter of pride to note that students of Ramniwas Bajaj English High School and Mainadevi Bajaj International School & Kudilal Govindram Seksaria English School have given 100% results at the ICSE, IGCSE & SSC Board Examinations respectively held in February- March 2020.

I convey my best wishes to the President Shri Ashok M. Saraf and his team for their noteworthy educational endeavours.

Sharda Cropchem Bloomberg Lab

Dear Reader,

Warm Greetings for the new Academic Year!

I am very happy to note that Sharda Cropchem Bloomberg Lab is running successfully in Ghanshyamdas Saraf College. Financial market is subject to constant changes. Commerce students specializing in finance must learn to follow these changing trends. Even during lockdown period IQAC along with Career guidance and Placement Cell of Ghanshyamdas Saraf College organised a national webinar on 'Structuring and Integrating Research with Bloomberg Quant' on 6th June with Zoom and You Tube which received a huge response. Ms Krupa Desai, Bloomberg Consultant and Trainer was the resource person on this occasion. It is indeed a matter of great satisfaction to note that during the period of complete lockdown due to COVID-19 Pandemic, all the institutions took the challenge and started conducting online classes through Zoom App and finished their syllabus in time. Ramniwas Bajaj English High School, Mainadevi Bajaj International School, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies conducted many webinars during the lockdown period.

I am pleased to note that many meritorious & needy students have been awarded Jankidevi Bilasrai Bubna freeship to complete their education in their respective institutions. Jankidevi Bilasrai Bubna Boys' Hostel is also running successfully and has started admissions for the academic year 2020-2021. The Management has provided all possible facilities for comfortable stay of the hostel students. It is gratifying to note that Savitridevi Bilasrai Bubna Computer Lab (KGSS) and Omprakash Bilasrai Bubna Computer Centre (RBHS) are fully utilized by students of the respective schools.

My special compliments to the President and his team of RSET for providing latest technological support as well as facilities to all the institutions of RSET.

Deviprasad Goenka
Management College
of Media Studies

Dear Reader!

Warm greetings to everyone at the beginning of this new academic year!

I am pleased to know that from the middle of March 2020, Deviprasad Goenka Management College of Media Studies has organized various online curricular as well as co-curricular activities as there was complete lockdown of all activities all over the country due to COVID-19 Pandemic. Approximately 55 sessions of 1.5 hours each of FYPGDM, and 25 sessions of SYPGDM were conducted online, along with the assignments and activities given by each faculty based on their subject. For PGDM students the college held online examinations in the month of May and declared results in early June with the support from the Gold Academy, the RSET Institute offering Online Learning., . PGDM's 9th Academic Council Meet took place online on 29th June 2020 in which the members approved some revision the Programme Structure of PGDM from the next academic year.

It is heartening to note that for under graduate students, Deviprasad Goenka Management College of Media Studies (DGMC) initiated the "Career Lab" sessions with an aim to enhance the "Written, Communication and Language Skills" through planned activities. Career Lab program was divided in to three phases from the month of April, May till June, 2020. This 50-hour module was attended by more than 540 under graduate students of DGMC. The college also organized webinars and online guest lectures that received a huge response.

On the occasion of International Yoga Day on 21st June, Deviprasad Goenka Management College of Media Studies organised an online session on Yoga by practicing Pranayam and Meditation for the teaching and non-teaching staff for mental peace and fitness in the lockdown period.

I wish excellent growth and development to all the institutions of Rajasthani Sammelan Education Trust.

Draupadidevi
Sanwamal
Women's Hostel

Dear Reader,

Warm greetings for the new academic year!

It is heartening to note that Draupadidevi Sanwamal Women's Hostel is running successfully in the educational campus of Rajasthani Sammelan Educational Trust. The Management has provided full 24 x 7 security to the inmates of the Hostel by appointing a registered security agency. Other facilities provided to the inmates include free services like wifi, laundry, complimentary breakfast, spacious recreational area with LED TV and also in-house gym facilities for physical fitness of the students staying in the Hostel. This year due to COVID-19 Pandemic, there was complete lockdown of academic institutions from the middle of March 2020. Most of the hostel students left for their hometown and only 10 foreign students are staying in the hostel. They are served with hygienically prepared brunch along with dinner by the in-house caterer of RSET. New admissions and renewal of old students have started in the month of July. Since most of the academic institutions have opted for online teaching instead of classroom based educational activities, old students are yet to return in the hostel. Due to this, RSET Management has waived off fees for July within the renewal period. I am very happy to know about about 100% results of Ramniwas Bajaj English High School at ICSE Board examination, Mainadevi Bajaj International School at IGCSE examination, Kudilal Govindram Seksaria English School at SSC Board examination and excellent results of all other institutions. I am very happy to note that Durgadevi Saraf Institute of Management Studies is ranked 7th Best Private B-School in Mumbai according to the Times of India B-School survey 2020.

My whole hearted compliments to the team of Rajasthani Sammelan Education Trust whose hard work has made all these achievements possible.

Ramdhar Maheshwari
Career Counseling Centre,
Ladhidevi Ramdhar Maheshwari
Night College of Commerce

Dear Reader,

It is a great pleasure for me and my family to extend our greetings to everyone associated with Rajasthani Sammelan Education Trust at the beginning of this academic year!

I am pleased to note that Ramdhar Maheshwari Career Counseling Centre could think out of the box and be innovative during complete lockdown due to COVID-19 Pandemic. RMCC geared itself and came up with offerings which could be serviced online. Counselors addressed students and faculty members of institutions through webinars on life skills programmes. RMCC also organized a Career Guidance Webinar for parents and students. Students studying from Grade 8 to 12 on 26th June, 2020 with the objective to spread the awareness on importance of choosing the right career path. A webinar on Emotional Well Being for Women was also conducted on 30th June, 2020. Individualized remediation sessions were also conducted by special educators for students with academic difficulty. The sessions were interactive and the progress in students was much appreciated by the parents.

It is heartening to note that the teaching and non-teaching staff of Ladhidevi Ramdhar Maheshwari Night College of Commerce utilized the lockdown period to the optimum by online operation. The teaching staff engaged FYB.Com and SYB.Com lectures online in the months of April & May and TYB.Com lectures till the end of June. They also drafted a teaching plan for their respective subjects for the next academic year. Some of the faculty members participated in international e-conference, national webinars and also presented papers in e-conference. The librarian of the college also completed stock verification & updation of the information about the location of the book in particular shelf through KOHA Library Management Software.

I wish an excellent growth and development to all the institutions of Rajasthani Sammelan Education Trust.

Ramdhar Maheshwari
Career Counseling Centre
Ladhidevi Ramdhar Maheshwari
Night College of Commerce

Dear Reader,

New academic year has just started and I convey my best wishes to all the students for a successful and fruitful academic year!

I am very happy to note that the complete lockdown due to COVID-19 Pandemic from middle of March 2020 did not prove to be a stumbling block for the efficient working of Ladhidevi Ramdhar Maheshwari Night College of Commerce. The teaching staff started teaching students online while the non-teaching staff used online mode for performing their administrative duties of the institution by working from home. The teaching staff members also participated in various National and International level Webinars organized not only by the colleges in the city of Mumbai but across the country, in this quarter.

It is heartening to know that the team of Ramdhar Maheshwari Career Counseling Centre also geared itself up to provide their services online that would benefit students and individuals with their mental wellness and academic/career decisions. Counselors have been addressing individuals' emotional concerns through online sessions. On 14th May, 2020, RMCC conducted a "Mandala Art Webinar" with an objective to provide strategy, to relax and to cope with stress and anxiety especially amid Covid 19 lock down. More than 130 participants attended the webinar which was conducted by Mrs. Geeta Dalal who is a renowned mental health practitioner.

RMCC formulated a Life Skills program for the students of Grade 3 to Grade 9 for them to be able to understand the life challenges and how as students they can manage situation successfully without feeling overwhelmed. RMCC conducted online Emotional wellbeing Webinars, Career Guidance Webinar, Webinar on Emotional Well-being for Women in the month of June.

I wish excellent growth and development of all the institution of Rajasthan Sammelan Education Trust.

Shah Library at MBIS
Nalini Shah Music Academy

Dear Reader!

Greetings at the beginning of the new academic year!

I am pleased to note that during complete lockdown in the past few months due to COVID-19 Pandemic, staff at Pravinchandra D. Shah Sports Academy came up with an innovative idea to be in constant touch with students and their parents by preparing workout videos and sending the videos to the students on a regular basis. After every two weeks, the workout schedule was changed along with increase in intensity level. The fitness videos included to build-up muscular strength and endurance, cardio-vascular endurance, flexibility, speed, power, agility, co-ordination, balance and reaction time. Children responded amazingly to this idea. It was appreciated by parents also as the work-out guidance given in the videos kept the children busy and helped to keep them fit and healthy. It is interesting to note that the newly established Nalini Shah Music Academy has already started online vocal and instrumental music classes under the expert guidance of music teachers appointed by Rajasthan Sammelan Education Trust. It is a matter of great pride that Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School have given 100% result at their ICSE, IGCSE & SSC Board examinations respectively. Institutions of higher education organized national webinars which received immense response. Mainadevi Bajaj International School conducted 5 webinars during this lockdown period. School and college students celebrated International Yoga Day on 21st June from home by performing yogic asanas and sent video to the concerned teacher who consolidated all the individual videos into one.

I take this opportunity to compliment Shri Ashok M. Saraf and his team for giving strong technological support to all institutions in order to use the lockdown period effectively through online activities.

Dear Reader,

Warm Greetings for the New Academic Year!

In today's world, it is necessary to equip the youth with education so that they can be engaged in fruitful occupation. Sometimes, due to lack of proper finances many students are unable to continue their studies. To help such students, we have come forward to provide freeship to the deserving students of the institutions of RSET through BKT Endowment Freeship Fund. I am very happy to note that the Trust is awarding every year freeships and scholarships to students of all the institutions so that deserving students can pursue their desired branch of studies. I am pleased to note that Rajasthan Sammelan Education Trust has taken a novel initiative of starting Nalini Shah Music Academy in the campus from this academic year. This will help many students to learn vocal and instrumental music along with their regular course of studies. Due to COVID-19 Pandemic, the Trust has taken all precautions to keep the campus sanitized. At the same time, admissions have been started online and teachers have started the new academic year by teaching online through Zoom app. For online form filling, Computer Lab at the CA Centre in the campus has been opened for the benefit of students. I am very happy to note that recently Ghanshyamdas Saraf College has signed an MOU with University of Fraser Valley, Canada to offer Bachelor's Degree in Computer Science with BSc -IT course of Mumbai University run by the college. Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria Sarvodaya School have given 100% result at their respective Board Examinations of ICSE, IGCSE&IBDP & SSC held in February- March 2020.

I convey my compliments to the President and his team for excellent growth of all institutions.

Kunjbihari S. Goyal
Online Academy

Dear Reader,

It is a great pleasure for me and my family to extend our greetings to everyone at the beginning of this academic year! Kunjbihari S. Goyal Online Academy (GOLD Academy) is successfully providing the best e-learning platform with latest technology and easy to access 24 x 7 to all in the student community. The long lockdown for the COVID-19 pandemic had stopped physical access to Schools, Colleges, Management Institutes, and other supporting institutions of Rajasthani Sammelan Education Trust (RSET).

I am pleased to note that institutions of RSET had quickly adapted and gone to great lengths to embrace this new kind of e-learning. In response to significant demand for online learning, GOLD Academy collaborated with RSET IT support department & experimented various online teaching platforms available such as Google Class Rooms, Google Meet and Zoom online as suitable aids for accomplishing effective online education for all institutions. All the online lectures held in the lockdown period have been recorded and maintained in RSET ERP software and selected lectures have also been uploaded on GOLD E-Learning portal. GOLD Academy's Learning Management System also conducted MCQ type online test for conducting internal exams of PGDM students of Deviprasad Goenka Management College of Media Studies and students of Self-financed undergraduate courses & M.Com of Ghanshyamdas Saraf College. During this period, GOLD Academy also conducted promotional activities through GOLD Academy's face book page & You Tube channels.

It is heartening to note that Ramniwas Bajaj English High School, Mainadevi Bajaj International School & Kudilal Govindram Seksaria English School have given 100% result at the ICSE, IGCSE & SSC Board examinations respectively held in February-March 2020.

I am sure that all the institutions under RSET will lead to further growth and excellence in future.

Remsons Group Chair
Professorship for Management Research,
(In Memory of Radhadevi Harlalka)
at DSIMS

Dear Reader,

Warm Greetings for the New Academic Year!

It is heartening to know that Durgadevi Saraf Institute of Management Studies has been promoting research work in the field of management studies under Remsons Centre for Management Research even during lockdown period due to COVID-19 pandemic starting from the middle of March 2020. Many faculty members presented research papers at various seminars across the country and also attended national and international webinars. Dr. Nehal Joshipura completed in April her certification program on Data Analytics using R" certification from Skyfi Labs online. This opportunity was given by AICTE. The modules of the certification covered introduction to Data Analytics, Introduction to R Programming, Functions and Data Frames in R, Data Manipulation, Data Visualization and Final Project implementation.

Dr. Nehal Joshipura also published a research paper titled "Low-risk effect: evidence, explanations and approaches to enhancing the performance of low-risk investment strategies " published at ABDC 'B' ranked and Scopus listed International Open-access Journal Investment Management and Financial Innovations. Dr Sharad Kumar published a research paper on "Economic and Social Impact of Covid 19" in Sambhashan, a monthly Journal of Faculty of Social Science, University of Mumbai in its May 2020 issue. I am very happy to note that DSIMS is ranked 7th Best B School in Mumbai according to the Times Education B School Survey 2020.

I am pleased to know that although there was complete lockdown of class-room teaching in RSET campus, regular online classes for PGDM and MMS students started from 6th April, 2020 and the entire course delivery was effectively done through online teaching. All the sessions were completed by 1st week of May 2020.

I take this opportunity to convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Shri Murlidhar Karwa
Knowledge Resource Centre
at DSIMS

Dear Reader,

Warm greetings at the beginning of the new academic year!

I am pleased to note that as education around the country begins to resume, Shri Murlidhar Karwa Knowledge Resource Centre at Durgadevi Saraf Institute of Management Studies has also reopened its facilities to the users.

COVID-19 Pandemic had resulted in extraordinary situations where national economies have been shut down using lockdown procedure to prevent the spread of this disease. The staff at KRC Library had also responded to this extraordinary situation by offering their services online through digital access yet remaining closed to the users. It is heartening to know that even during lockdown period in last three months, KRC staff provided maximum services though they worked from home. They coordinated with major publishers and digital platforms to provide free resources for remote teaching, learning, and research. This has helped students a lot in successfully completing their Projects and Reports. The staff at KRC also provided the latest updates in the field of education and management through emails. The KRC staff also sent current news as there was unavailability of newspapers. Ms Sunita Pujar, Librarian and Ms Sneha Sawant, Assistant Librarian also participated in many national & international Webinars and Quiz competitions during this period and upgraded their skills and knowledge to face this unpredictable challenge. These webinars mainly focused on new directions for library and information service and education, digital library of the future and many other informative topics relevant for providing online services by the library staff. I sincerely hope for the fast recovery in current scenario so that they can serve the users without any restrictions.

I convey my best wishes to one and all who have jointly contributed in the achievements of respective institutions of Rajasthani Sammelan Education Trust.

Nathmal Garodia
Seminar Hall
at DSIMS

Dear Reader,

A warm welcome to one and all at the beginning of the new Academic Year.

Through this issue of Abacus, I convey my deep appreciation to all Office bearers, Trustees, members of Managing Committee, Principals, Staff and Students for their continuous dedication for the growth and development of all institutions and organizations under Rajasthani Sammelan Education Trust. I am pleased to note that Durgadevi Saraf Institute of Management Studies has been fully utilizing Nathmal Garodia Seminar Hall by regularly organizing seminars and workshops. The institute is also providing a helping hand to other institutions by making Nathmal Garodia Seminar Hall available for important seminars and workshops. It is heartening to note that DSIMS has been ranked 7th among top private B- Schools in Mumbai as per Times B- School Survey 2020. It is heartening to note that the Trust has started Nalini Shah Music Academy from this academic year. Academic Head has also been appointed to start online classes in vocal and instrumental music. Ghanshyamdas Saraf College has signed an MoU with University of Fraser Valley, Canada to offer Bachelor's Degree in Computer System with BSc-IT course of University of Mumbai taught in GSCC. It is indeed admirable to know that during complete lockdown of educational institutes caused by COVID-19 Pandemic, the Management has given all possible support to the institutions to continue teaching by taking online classes. Laptops were provided to teaching and non-teaching staff to work from home.

With the beginning of the new academic year, admission process has begun and this year the entire process is online. Computer labs have been opened for filling up online forms by students.

I wish a great success to all institutions of Rajasthani Sammelan Education Trust.

Smt. Prabhadevi Banwarilal Saraf
Library at DGMC &
Vinati Organics Chemistry Lab at
RBHS

Dear Reader,

Greetings for the New Academic Year!

It is a great pleasure to know that Smt. Prabhadevi Banwarilal Saraf Library is fully utilized by the staff and students of Deviprasad Goenka Management College of Media Studies. The Library is well stocked with books, research journals, magazines, newspapers, audio-visuals, e-books and data bases. The Library is open from 7.15 a.m. to 6.30 p.m. from Monday to Friday and on Saturday it closes at 4.00 p.m. I am pleased to note that during the recent lockdown due to COVID-19 Pandemic, the library provided online services to students & staff. On the occasion of World International Book Day on 23rd April, DGMC library organized an online quiz competition. 318 participants from the students & faculty took part in the Quiz. It is heartening to know that Vinati Organics Chemistry Lab at Ramniwas Bajaj English High School is used with complete relevance. As required by the ICSE Council, the furniture in the lab is suitable and relevant to the number of students. Safety precautions like fire extinguishers, gas connections, exhaust fans, availability of running water as well as a first aid kit is found in the lab. A stock register is maintained by the lab assistant to keep an inventory of the materials in the lab. The students are trained to identify all the equipment available in the lab. Students of the Primary [Grades 3-5] as well as the Secondary make use of the lab.

It is very commendable that during the recent lockdown period Ramniwas Bajaj English High School successfully conducted many online classes. Colleges and professional institutes of RSET organized many webinars that received great response.

I convey my hearty compliments to one and all & also wish further growth and excellence to each institution of Rajasthani Sammelan Education Trust.

Rashi Peripherals
Play Area
at MBIS

Dear Reader,

It is heartening to know that all the institutions of Rajasthani Sammelan Education Trust have made remarkable progress in the past few months and have added noteworthy achievements to their credit. Recently Ghanshyamdas Saraf College has signed an MOU with University of Fraser Valley, Canada to offer Bachelor's Degree in Computer Science with BSc-IT course of Mumbai University run by the college. This will be a 4 year degree course with 2 years in Saraf College and 2 years in Canada. From this academic year, the Trust has also started Nalini Shah Music Academy in the campus. This will give an opportunity to students to learn vocal and instrumental music along with their studies.

It is gratifying to note that Rajasthani Sammelan Education Trust is in a continuous journey of providing all possible facilities to the student community. During recent lockdown of all educational activities due to COVID-19 Pandemic, all educational institutions were given full technological support to teach online from their home. Administrative staff were given laptops so that they can perform their duties from home. It is a matter of great pleasure to note that Rashi Peripheral Play area of Mainadevi Bajaj International School on the 7th floor continues to be at the center of sports and co-curricular activities of the school. Since Rashi Peripheral Play area is well-endowed with playing equipment for the younger students and basketball rings for the older children, is not only used by the little children but also by bigger students. Almost all Physical Education classes of the Primary and Pre-Primary students are conducted in the Play Area. It is used for the practice of Yoga and training and for Martial Arts.

I take this opportunity to convey my best wishes to all the institutions of Rajasthani Sammelan Education Trust for their further progress and development.

Shri Beniprasad
Luharuka Computer Lab
at DSIMS

Dear Reader,

Greetings at the beginning of the new academic year!

In the past few months, due to complete lockdown of the educational institutions due to COVID-19 Pandemic, digital learning has proved to be very useful for the educational institutions of Rajasthani Sammelan Education Trust. I am pleased to note that with the support of IT Department of the Trust all the staff continued to teach with Zoom App to complete their syllabus. Now with the beginning of new academic year, all admissions have been done online and teachers have also started online teaching to their students. I am pleased to note that generally Beniprasad Luharuka Computer Lab is fully utilized by the students of Durgadevi Institute of Management Studies. The computer lab is open from 8 a.m. to 9 p.m. and is also utilized for online examinations, to complete projects by students of DSIMS. The students also browse the internet to procure relevant information for academic purpose. DSIMS has also extended its help to other institutions of RSET to use Beniprasad Luharuka Computer Lab for conducting practicals and for Online examination. In recent years, Digital Learning is playing an important role in the field of education. Students of today's business schools are going to become tomorrow's business leaders. They have to be technology savvy to suit their future job roles in the corporate world. Therefore, Rajasthani Sammelan Education Trust has provided all technological support and facilities to students to access valuable information with the use of technology. It is heartening to note that Rajasthani Sammelan Education Trust has started Nalini Shah Music Academy from this academic year in the campus.

I convey my whole hearted compliments to Shri Ashok M. Saraf, President, RSET and his team of office-bearers, members of Managing Committee & Trustees for the astounding growth of all institutions.

IRB Scholarship
Endowment Fund

Dear Reader,

Wish you all a fruitful Academic Year!

I am very happy to know that every year Rajasthani Sammelan Education Trust is awarding IRB Scholarship to meritorious students of all institutions of the Trust. The scholarship is awarded to the students at a grand function witnessed by thousands of students and guests which motivates the students to work harder and achieve further excellence in their studies. I am happy to know that at present approximately 16,000 students are studying in all the institutions of Rajasthani Sammelan Education Trust which speaks volumes about the efforts of the President Shri Ashok M. Saraf and his dedicated team members in their mission of providing education to all sections of the society. The Trust is imparting education not only to students within the campus but has also gone beyond the boundaries of the campus through Kunjibihari S. Goyal Online Academy of Learning and Development (GOLD).

It is heartening to note that the Management is providing latest technological support to all institutions for teaching-learning. During recent lockdown due to COVID-19 Pandemic, the IT Department of the Trust gave training to faculty members to teach through Zoom platform. All the faculty members successfully completed their syllabus by teaching online.

With the beginning of the new academic year, admissions were also done online. Teaching also continues online in all the institutions of RSET. I take this opportunity to specially congratulate the Principal, Staff and students of Kudilal Govindram Seksaria English School (SSC Board), Ramniwas Bajaj English High School (ICSE Board) and Mainadevi Bajaj International School (IGCSE & IBDP Boards) for 100% results at their respective Board examinations. I also compliment the Management for all round development of the institutions of RSET.

Madhoprasad Saraf Seminar Hall
at DGMC

Dear Reader,

Greetings at the beginning of the new academic year!

Madhoprasad Saraf Seminar Hall at Deviprasad Goenka Management College of Media Studies is a state of the art Seminar Hall which is equipped with relevant technology required for a Media College. Generally most of the important meetings, workshops and seminars of the College are held in this Seminar Hall. From the middle of March 2020, there was complete lockdown of all activities due to COVID -19 Pandemic. Due to this, online lectures were scheduled and conducted by DGMC through Google Meet from 19th March 2020. Approximately 55 sessions of 1.5 hours each of FYPGDM, and 25 sessions of SYPGDM were conducted online, along with the assignments and activities given by each faculty based on their subject. Other institutions also conducted their teaching-learning through online method. All the institutions were given strong support by IT Department of the Trust to teach students through Zoom Platform. I am pleased to know that during the lockdown period, DGMC also organized a webinar on 26th May 2020 on the topic "Media Takes A New Dive: Careers and Opportunities" on Zoom online platform and live streamed on YouTube. Other institutions also organized many webinars. It is heartening to note that International Yoga Day was celebrated by DGMC by organising an online session on yoga for the teaching and non-teaching staff to help achieve mental peace and pursue fitness during the lockdown period. Other institutions also celebrated International Yoga Day through online activities.

With the strong technological support of the Management, all institutions have successfully completed admissions online for the new academic year and have also started online classes. I take this opportunity to compliment the Management for all round development of the institutions of RSET.

Study Centre

Dear Reader,

Greetings at the beginning of the new academic year!

Rajasthan Sammelan Education Trust has started RS CA Study Centre and ICAI Extension Counter from July, 2015 and has received overwhelming demands from the students pursuing the professional course of Chartered Accountancy. The professional course of Chartered Accountancy needs hard work and often students start preparing for the course and appear for the examination along with their graduation. Hence, they need to concentrate in their studies and study in a peaceful atmosphere. The Study Centre is kept open from 8 a.m. to 10 p.m. for the CA students so that they can study peacefully in the centre. The ICAI Western Region Centre has deputed their staff to give all required information to the students so that they can complete all necessary formalities in this centre only. Ever since the lockdown of the educational activities due to COVID-19 Pandemic, the CA Centre has been closed for CA students. However with the starting of online admissions for the new academic year, the computer lab of the CA Centre has been opened for the students to fill-up forms online. Three intern students have been appointed at the helpdesk to help students with queries and in filling their forms. It is a matter of great pleasure to note that all our schools have fared excellently at their respective board examinations held in February-March 2020. Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE & IBDP), Kudilal Govindram Seksaria English School (SSC) gave 100% result. Kudilal Govindram Seksaria Sarvodaya School (SSC) gave us 98% result with 78 distinction holders out of 265 students.

I convey my best wishes to one and all who have jointly contributed in the achievements of respective institutions of Rajasthan Sammelan Education Trust.

Vijay Pal Singh
Health Centre

Dear Readers,

At the outset, I convey my heartfelt greetings to one and all at the beginning of the new academic year!

Vijay Pal Singh Health Centre was started in the year 2014 and since then it is running successfully in RSET campus and is able to address the health issues of school children that often go unnoticed due to the busy schedule of parents. Once health problems are identified, parents are also able to take proper action in time.

I am happy to know that renowned doctors are visiting Vijay Pal Singh Health Centre regularly and are advising the students on health related issues. In the previous academic year of 2019-2020, Vijay Pal Singh Health Centre has successfully treated first aid cases in the clinic. Regular medical check-up of the school children in the areas of ENT, Skin care, general check-up, Eye and Dental check-up were conducted successfully. At present, due to lockdown, the health centre is closed for some time due to COVID-19 Pandemic till the government gives permission to educational institutions to open.

It is heartening to note that Rajasthan Sammelan Education Trust is providing training in various sports and games to the students by appointing expert coaches through Pravinchandra D. Shah Sports Academy which has resulted in winning many interschool/intercollegiate matches by the students. It is also a matter of great pride that many faculty members have completed their research projects and have obtained Ph.D. Schools and Colleges of the Trust celebrated International Yoga Day on 21st June, 2020 by conducting yoga activities at their home and then sent the videos to their teachers to compile.

I convey my compliments to the President and his team for all the good work done in the area of education.

Rajasthan Sammelan
Education Trust

Dear Reader,

Greeting for the new academic year!

It's indeed a pleasure to note that the Rajasthan Sammelan Education Trust is forging ahead with a number of novel projects. I wholeheartedly congratulate the Management for starting the Nalini Shah Music Academy in the campus to which required staff have already been appointed and online classes in full swing! It is my honour to extend felicitations. It's gratifying to know that the COVID-19 induced lockdown period had been gainfully used by all the institutions with online activities. The national webinar jointly organised by Shrivallabh Saraf Knowledge Resource Centre & IQAC cell of Ghanshyamdas Saraf College has received overwhelming response. Sharda Cropchem Bloomberg Lab of the College successfully organised a workshop to train students in market analysis and evaluation of complex financial instruments. It was ably conducted by the well-known certified Bloomberg trainer Ms. Krupa Desai. Durgadevi Saraf Institute of Management Studies & Deviprasad Goenka Management College of Media Studies have conducted many webinars. Among schools, Mainadevi Bajaj International School have done so. All the institutions have continued with online sessions and classes. I do take this opportunity to sincerely congratulate the Management in giving strong technological support to all institutions through the IT Department of the Trust that has given timely training to the faculty to continue classes through Zoom platform. It is indeed praiseworthy that Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IBDP & IGCSE) and Kudilal Govindram Seksaria English School (SSC) have secured 100% success in the Board Examinations. My heartfelt congratulations to the Principals, members of Staff and Students. Well done!

I take this opportunity to complement the President and his dedicated team for their sustained hardwork in empowering our generation next by providing quality education.

Patodia Lab
at MBIS

Dear Reader,

Warm Greetings for the New Academic Year!

In order to understand the concepts in Science especially in Chemistry, one has to look beyond the books and conventional classroom teaching. The knowledge that students attain in classrooms will be effective only if they observe the process and understand the relationship between action and reaction. Conducting experiments, reviewing them closely, developing logical reasoning, and responding to analytical comments are some of the valuable skills that help in preparing the next generation of scientists, engineers, and medical professionals. I am glad to note that this is a continuous process in Suwadevi Doongermal Patodia Chemistry Laboratory of Mainadevi Bajaj International School, Teachers here constantly induct the students on how to work safely with different apparatus and chemicals in order to prevent injury to themselves as well as their classmates around them. Certain experiments are demonstrated by the teachers while the others are performed by the students themselves.

It's a matter of great pride for us that students of Mainadevi Bajaj International School have fared excellently by achieving 100% result at the Board Examinations of IGCSE & IBDP held in February-March 2020. Students of Kudilal Govindram Seksaria English School and Ramniwas Bajaj English High School also attained 100% result at the SSC & ICSE Board Examinations respectively. I am very happy to note that Rajasthani Sammelan Education Trust has started Nalini Shah Music Academy in RSET Campus from the new academic year of 2020-21. I also heartily compliment the Management for giving strong technological support and training to staff to teach students through Zoom platform during the lockdown period in the previous academic year. In the new academic year also admissions have been completed through online and the classes have also started online.

Love & support would always be there for all your further excellence and growth of all the institutions.

Shri Vinay S. Saraf

Ramnarayan
Saraf Educational
Outlet

Dear Reader!

I convey my warm greetings to everyone at the beginning of the new academic year!

The academic year has just started and parents of school children are coming at Ramnarayan Saraf Educational Outlet in the educational campus of Rajasthani Sammelan Education Trust to collect set of text books, notebooks and other stationery items required by the students of schools. Due to COVID-19 pandemic there is complete lockdown of educational activities in RSET campus and most of the institutions have started online teaching for the new academic year.

My uncle Late Shri Ramnarayanji Saraf was actively involved in the projects of massive expansion and renovation of the educational campus of Rajasthani Sammelan Education Trust. He always thought of providing various facilities to the students studying in all the institutions of the Trust. Today when he is no more, being his family member, it has become our moral duty of to get involved in the activities related to the educational endeavours of Rajasthani Sammelan Education Trust. It is a matter of great pride to note that Durgadevi Saraf Institute of Management Studies has been ranked 7th among Top Private B-Schools in Mumbai as per Times B-School Survey 2020. Students of Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School have made us feel proud by giving 100% result at ICSE, IGCSE & SSC Board Examinations respectively held in February- March 2020. Results of other institutions also are between 95% to 98%. I take this opportunity to congratulate the Principals, staff & students of our schools & colleges for excellent results.

I convey my compliments to the Management for their strong support to all institutions and the recent initiative of starting Nalini Shah Music Academy from this academic year.

Rajasthani Sammelan
Education Trust

Dear Reader,

Greetings at the beginning of the new academic year!

Excellence is an unending process of constant improvement. The President and his team of Rajasthani Sammelan Education Trust have embarked on a continuous journey of achieving excellence in their educational endeavours. Recently, the Trust has successfully started Nalini Shah Music Academy in RSET campus giving opportunity to students to learn vocal and instrumental music along with their regular studies. I am very happy to note that during the recent lockdown period, Ghanshyamdas Saraf College of Arts and Commerce conducted various academic and life-skills activities for its students and faculty from April-June 2020. Owing to the COVID-19 pandemic, activities were conducted online, through the Zoom platform. The College organized web-based seminars on a diverse number of themes. In April 2020, Shrivallabh G. Saraf Knowledge Resource Centre and Internal Quality Assurance Cell of the College organized a National-level Webinar on 'Technology-mediated Teaching Learning'. The resource persons provided practical demonstration of tools along with theoretical background. More than 400 participants from across the country joined the webinar and provided excellent feedback. Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies also organized various online activities. It is a matter of pride to note that Durgadevi Saraf Institute of Management Studies has been ranked 7th among Top Private B-Schools in Mumbai as per Times B-School Survey 2020. Students of Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School have made us feel proud by giving 100% result at ICSE, IGCSE & IBDP & SSC Board Examinations respectively held in February- March 2020.

I wish further excellence to all the institutions of Rajasthani Sammelan Education Trust.

Shri Neel Sujan

Rajasthani Sammelan
Education Trust

Dear Reader,

New academic year has just started but this year all admissions from schools to institutions of higher learning as well as Women's & Boys' hostel are done online due to COVID-19 Pandemic. I convey my best wishes to all the students for a successful & fruitful academic year!

It is indeed commendable that within a few years, Rajasthani Sammelan Education Trust has been successful to achieve its mission of providing 'Education for All' by establishing a number of schools, colleges, an online academy as well as professional institutions in RSET campus. It is gratifying to know that all the educational institutions have fruitfully utilized the lockdown period by holding online classes as well as webinars. Ramdhar Maheshwari Career Counseling Centre also conducted a "Mandala Art Webinar" with an objective to provide strategy to relax and to cope with stress and anxiety especially amid COVID-19 lockdown. It is also very interesting to note that staff at Pravinchandra D. Shah Sports Academy prepared many videos of various exercises and mail them to school children to build stamina & energy and also keep them occupied during the lockdown period.

I am very happy to know that all the institutions celebrated International Yoga Day on 21st June, 2020 in a unique way. Students of each institutions performed various asanas at their home and posted the videos to their sports teachers who compiled the videos into one. It is a matter of great pride to note that students have excellently fared at the Board examinations held in February/March 2020 by giving 100% results. I also appreciate the efforts of Management to keep the campus sanitized by regular sanitization.

I take this opportunity to extend my appreciation to the editorial team for bringing out the informative quarterly bulletin regularly.

Shri Sunil Lath

-: Donor :-
Devendra Lath
Communication Centre
at DSIMS

Dear Reader,

Warm Greetings at the beginning of the new academic year!

It is a matter of great pleasure to note that Devendra Lath Communication Centre is regularly used not only by the students and staff for various academic and administrative purposes but also by Management members for their online meetings. During the lockdown period caused by COVID-19 Pandemic, zoom meetings were held from DLCC which were attended by many Managing Committee members as well as staff present in the campus. It is heartening to note that during the recent lockdown period starting from 22nd March, the Management has given all technological support to staff to teach online & complete their syllabus. This was possible with the support of IT Department and teachers taught through zoom app. All the institutions used lockdown period fruitfully by organizing many webinars that received a great response. Non-teaching staff were given Laptops within and outside Mumbai Municipal Corporation so that they can perform administrative duties from home. I also appreciate the efforts of the Management to maintain proper sanitization within the campus for the safety of the staff on duty and the students staying in the women's hostel. Since foreign students were stuck-up in the hostel as they could not go to their countries, they were given free meals (both in Women's and Boys' Hostel) that were not in their contract. I also take this opportunity to congratulate Shri Ashok M. Saraf and his team for starting Nalini Shah Music Academy in the campus from this new academic year. Also my special compliments for signing of MOU of Ghanshyamdas Saraf College with University of Fraser Valley, Canada to offer Bachelor's Degree in Computer System with our BSc IT course.

I wish a bright future and great success to all the institutions of RSET.

Agrawal (Nevatia) Seminar Hall
at DSIMS

Dear Reader,

Greetings for the new academic year!

I am very happy to know that Smt. Smita Mahavir Agrawal (Nevatia) Seminar Hall at Durgadevi Saraf Institute of Management Studies has been frequently used for holding lectures, seminars, meetings and conferences. The Seminar Hall is air-conditioned and has technical support of a computer and LED projector for presentations. It is also used for Board meetings of the Management, other institutions and for various training programmes. The seminar hall is also used for placement activity, interview of staff & other important workshops. It is indeed heartening to note that during the lockdown period due to COVID-19, all the institutions utilized the time by online teaching through Zoom platform and completed their syllabus. Durgadevi Saraf Institute of Management Studies conducted one month online certification courses on 'Communication Skills' and 'Retail Management'. Ghanshyamdas Saraf College of Arts and Commerce conducted various online academic and life-skills activities for its students and faculty from April-June 2020 through the Zoom platform. The College organized web-based seminars on a diverse number of themes. It is a matter of great pleasure to note that all our schools have fared excellently at their respective board examinations held in February-March 2020. Ramniwas Bajaj English High School (ICSE), Mainadevi Bajaj International School (IGCSE & IBDP), Kudilal Govindram Seksaria English School (SSC) gave 100% result. Kudilal Govindram Seksaria Sarvodaya School (SSC) gave us 98% result with 78 distinction holders out of 265 students. It is also interesting to note that all the institutions celebrated International Yoga Day online. The students conducted various asanas and mailed the video to the concerned teacher who consolidated the videos into one.

I take this opportunity to convey my best wishes to all the Institutions of RSET for their further progress and development.

Education Trust

Dear Reader,

It is my great pleasure to note that with each passing year, Rajasthani Sammelan Education Trust is progressing and expanding in the area of educational endeavours. The Trust has been successfully providing quality education to different sections of the society through a variety of courses offered by different institutions. At the same time, various facilities are provided by the Management to the staff and students to facilitate the teaching learning process. The institutes of Higher Education as well as Kunjibihari Goyal Online Academy (GOLD Academy) are providing value added courses to the students along with regular undergraduate and post graduate courses. I am pleased to know that the Trust has started Nalini Shah Music Academy in the campus from this academic year. It is heartening to note that during complete lockdown of educational activities due to COVID-19 Pandemic, the IT Department and Kunjibihari S. Goyal Online Academy (GOLD Academy) of the Trust jointly helped all the institutions to continue teaching learning online through Zoom Platform / Google Classroom to complete their syllabus. The institutions of higher education organized many webinars that received great response. Mainadevi Bajaj International School also conducted many webinars. In this new academic year, online admissions have been done and online teaching has also started. It is a matter of pride to note that Durgadevi Saraf Institute of Management Studies has been ranked 7th among Top Private B-Schools in Mumbai as per Times B-School Survey 2020. Students of Ramniwas Bajaj English High School, Mainadevi Bajaj International School and Kudilal Govindram Seksaria English School have given 100% result at ICSE, IGCSE & IBDP & SSC Board Examinations respectively held in February- March 2020.

Shri Vinod V. Podar

Donor & Member of Managing Committee,
Rajasthani Sammelan Education Trust

Enabling Education through Philanthropy

Shri Vinod V. Podar is the son of Late Shri Vishwanathji Podar and Smt. Pannadevi Podar. Shri Vishwanathji Podar was one of the founding member of Rajasthani Sammelan Education Trust who started Sarvodaya Balika Vidyalaya (now known as Kudilal Govindram Seksaria Sarvodaya School) with 02 girl students, one of them was his own daughter Smt. Susheela R. Jasrapuria. Shri Vinod Podar completed his early schooling in Sarvodaya Balika Vidyalaya followed by N. L. High School, Malad (West). Later, he completed his graduation from Prahladrail Dalmia Lions College of Commerce & Economics, Malad (West). After completion of his education, he joined his father's business of Shakti Plastics Industries. Presently, he is the Managing Director of the company Shakti Plastic Industries which deals with plastic waste management and recycling.

Shri Vinod Podar joined Rajasthani Sammelan Education Trust at an early age and later became member of the Managing Committee approximately for the past twenty years. He is also member of many RSET sub-committees and institutions. Shri Vinod Podar is a Donor of Rajasthani Sammelan Education Trust and has given a handsome donation for RS CA Study Centre and ICAI Extension Counter. This RS CA Study Centre was started in the year 2015 which is of great help for students pursuing the professional course of Chartered Accountancy as they are able to study in a quiet environment and they can also obtain all study material from ICAI Extension Counter.

Shri Vinod Podar is actively involved in the educational endeavours of Rajasthani Sammelan Education Trust. He is also involved with many social, cultural and philanthropic activities and is greatly respected due to his helpful nature.

In his personal life, he is happily married to Smt. Asha Podar and has two sons - Shri Rahul Podar and Shri Pratik Podar, both are married and Shri Vinod Podar is also blessed with grand childrens.

Through this issue of Abacus, we recognize the dedication and services rendered by Shri Vinod V. Podar for the development and progress of Rajasthani Sammelan Education Trust. We hope that in future also we will continue to get his guidance and support from time to time.

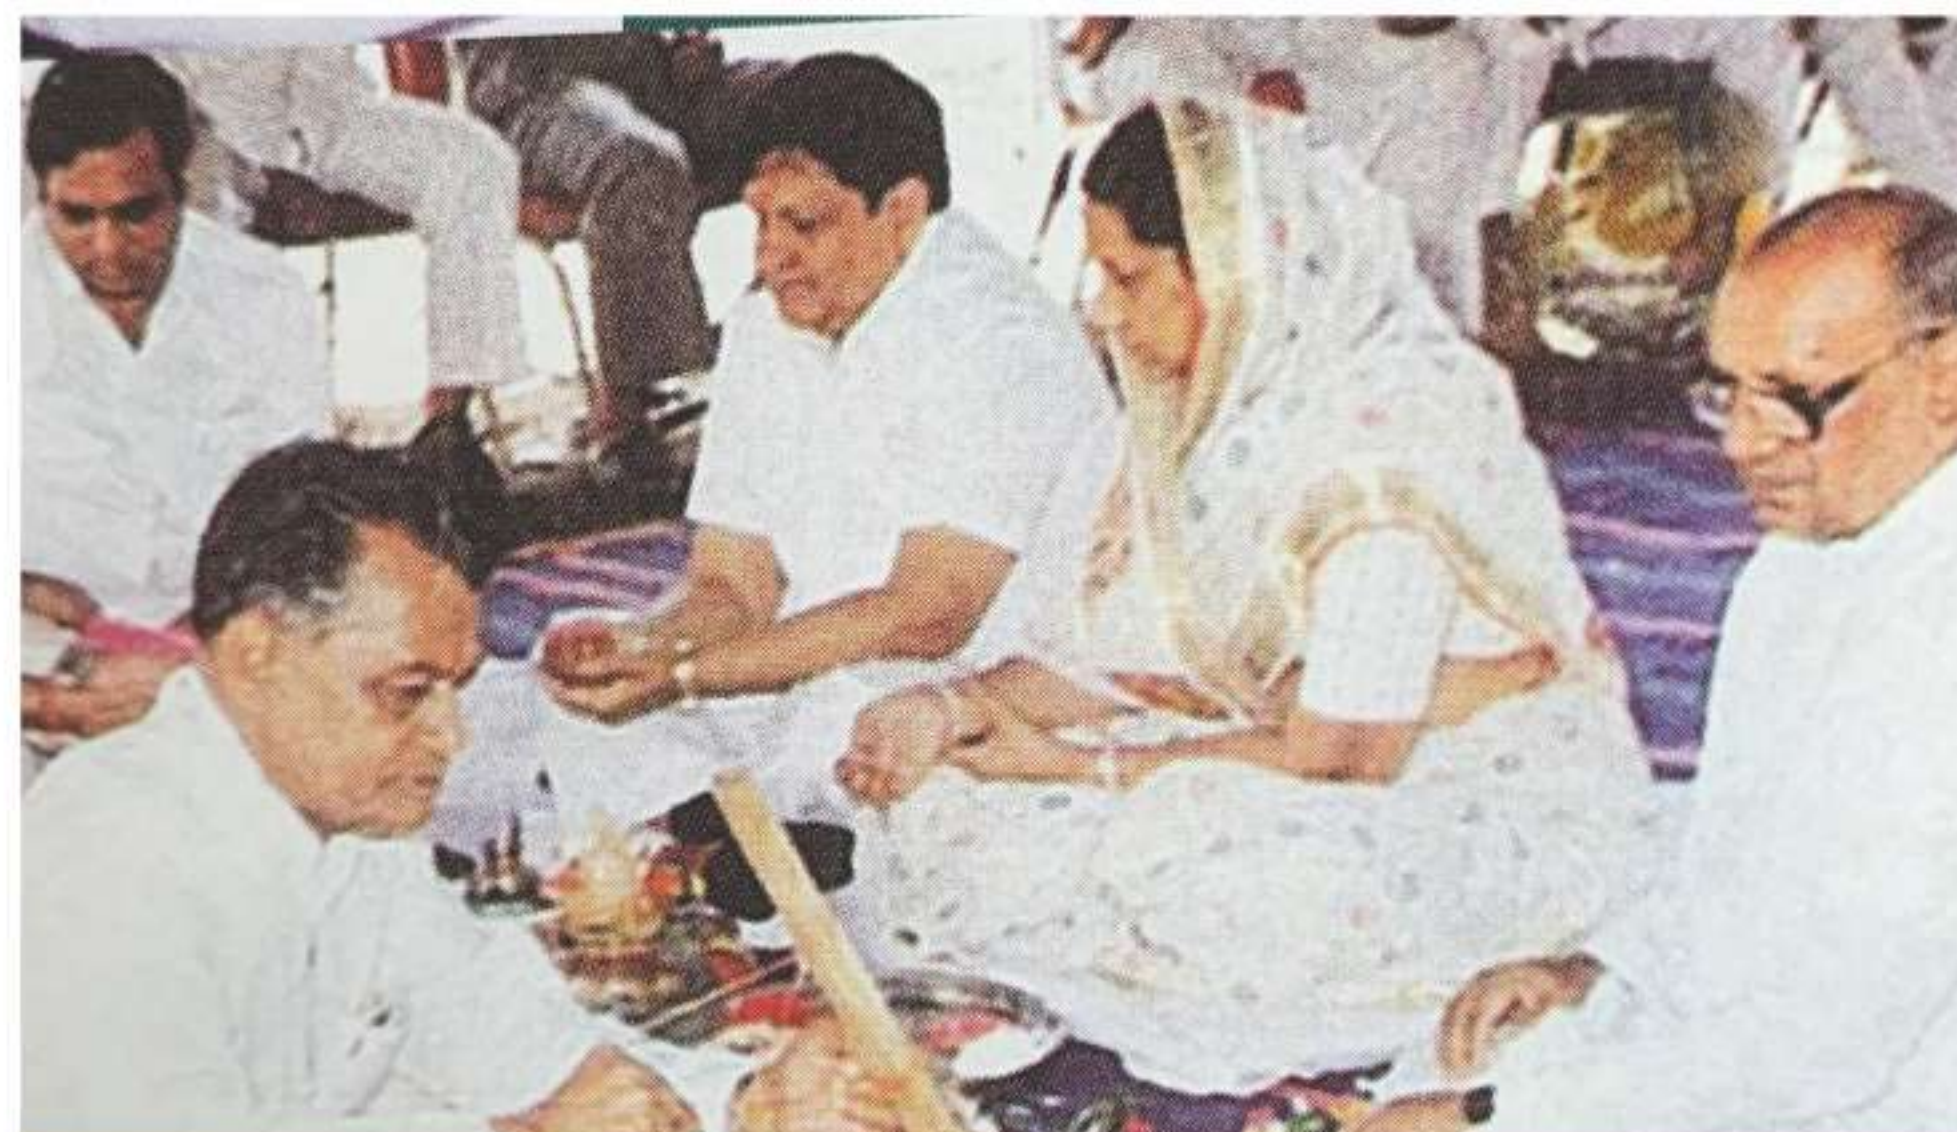

Excerpts of Interview of

Shri Vinod V. Podar

1) When and How did you get associated with Rajasthani Sammelan Education Trust?

My father late Shri Vishwanathji Podar was a great social worker. He also had great concern for girls' education. My father therefore started Sarvodaya Balika Vidyalaya, the first vernacular school of Rajasthani Sammelan Education Trust in the Hanuman Temple of Chincholi with 02 girl students in the year 1954. My elder sister Smt. Susheela R. Jaspuria was one of the two students of the school. Gradually, students strength started increasing. To give this school greater dimension, great philanthropist late Shri Kudilalji Seksaria donated a spacious land of 4000 sq. yards and a small building was built on this land to start the primary section of the school. Hence from a very early age, I developed love for girls education and social work. Initially, I became a member of Rajasthani Sammelan Education Trust about 30 years ago and later became member of the Managing Committee. Hence under my father's inspiration, I became associated with Rajasthani Sammelan Education Trust.

Shri Vishwanathji Podar at the Bhumi Pujan ceremony of Ghanshyamdas Saraf College along with main donor Shri Mahavirprasadji Saraf and Late Smt Kirandevi M Saraf and others

2) Since when did you start playing active role in the Educational Endeavours of Rajasthani Sammelan Education Trust?

After becoming member of the Managing Committee of the Trust, I started playing active role in the educational activities of Rajasthani Sammelan Education Trust. The Managing Committee took decision of opening a junior college attached to Sarvodaya Balika Vidyalaya (now known as Kudilal Govindram Seksaria Sarvodaya School) in the year 1975. This was followed by extending educational facilities to girls up to graduation by starting Ghanshyamdas Saraf College. In all these educational endeavours of early days of RSET, my father late Shri Vishwanathji Podar played an active role. Under his guidance and also other senior members like late Shri Prahladraji Saraf, late Shri Satyanarayanji Kabra and Shri Banwarilalji Jhunjhunwala, I became involved in the educational activities of Rajasthani Sammelan Education Trust.

3) How did you contribute in the growth and development of the educational institutions of Rajasthani Sammelan?

In the year 2007, Shri Ashokji Saraf became the President of Rajasthani Sammelan Education Trust. Under his leadership, the Managing Committee took the decision of extending educational activities and total revamp of the campus by demolishing the old

Shri Vinod Podar felicitating Shri Mahavirprasad ji Saraf Main Donor RSET at the inauguration of Mainadevi Bajaj International School.

school building and by constructing a modern building of 12 floors with state of art facilities to house Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School, Kudilal Govindram Seksaria Sarvodaya School, Kudilal Govindram Seksaria English School and Draupadidevi Sanwarmal Women's Hostel. The Management further constructed a building of 7 floors to house Deviprasad Goenka Management College of Media Studies and Ramniwas Bajaj English High School to run as ICSE school. All such decisions were taken at the meetings of Managing Committee and as a member of Managing Committee, I always supported these educational projects and contributed in whatever way it was possible on my part. In the year 2015, I donated a handsome amount to start RSCA Study Centre which is housed in the new building of 7 floors. The Study Centre proved to be a boon to those students who are pursuing the professional course of Chartered Accountancy. The students can study here in a peaceful and quiet atmosphere. Since it is also an extension centre of ICAI, the students can submit various documents pertaining to CA studies and also can obtain study material for CA course. The Study Centre was inaugurated in the year 2015.

4) Tell us some important incidents which you would like to mention in this context?

Although, there are many memorable incidents connected to the educational endeavours of Rajasthani Sammelan Education Trust, some incidents are very close to my heart. The first one is the Golden Jubilee celebrations of Kudilal Govindram Seksaria Sarvodaya School in the year 2010 in the month of January. It was a great occasion for me and my family as the school was started by my father late Shri Vishwanathji Podar. It was a grand two days function in which all the institutions of the Trust participated in the celebrations. The second incident was the inauguration of RSCA Study Centre and ICAI Extension Counter in RSET campus on 8th July, 2015 by CA Manoj Fadnis, President ICAI and in the presence of CA Sunil Patodia, Chairman, WIRC. This was also memorable for me as our family had given donation for this Study Centre and it was for the benefit of the students pursuing CA studies.

5) Rajasthani Sammelan Education Trust initially started girls' school and college which are now co-educational. What is your view on this matter?

In my opinion, Management has taken a very wise decision by converting the junior college now known as Durgadevi Saraf Junior College and Ghanshyamdas Saraf Girls' College of Commerce and Arts as co-educational colleges. In today's world girls are Competing with boys everywhere and therefore they should study in co-educational schools and colleges. We must recognize the fact that our lady members in the society are surpassing in all fields of national and international activities. Right from our Prime Minister Late Smt. Indira Gandhi, Hon'ble Minister for External Affairs Late Smt. Sushma Swaraj and present Finance Minister Hon'ble Smt. Nirmala Sitharaman are all women only who are superior in their achievements. Therefore, all institutions of RSET are now co-educational except KGSS and it is a welcome change for the future of our young generation.

6) What is your message to the present team of Managing Committee members of Rajasthani Sammelan Education Trust?

Since the past one decade and more, under the dynamic leadership of the President Shri Ashok M. Saraf and his team, Rajasthani Sammelan Education Trust has witnessed Unprecedented growth and expansion. The Trust has started many endowment funds to sponsor education of needy students who cannot afford to pay for their education. Hence, I request the President to give more freeships and scholarships to deserving students so that they can get equal opportunities in the sphere of higher and professional education.

I wish a great future to Shri Ashok M. Saraf and his team in their journey of educational endeavours.

Shri Vinod Podar felicitating Dr Rajan Welukar, Vice Chancellor of University of Mumbai

Dr. Latha Venkat, Principal

"We will not let the crisis to define us but will use it to refine us"

The month of April began on a not very healthy note with the Covid-19 Pandemic becoming more stronger and wide spread. Teachers started preparing the Annual results for classes I to IX on the overall average performance of students throughout the year as the final exams for the academic year were cancelled as per notification received from the government.

The tentative timetable for the coming academic year 2020-21 was shared with the teachers by the Principal on mail and teachers were instructed to plan their work accordingly. Teachers made subject committees, divided the portion term wise amongst themselves and started preparing for the new normal by making notes, PPT and recording.

The results for the academic year 2019-20 was shared through whatsapp with students from 28th to 30th April, 2020. Online lessons for Standards IX and X began in the month of June with the use of Zoom App. The students had a motivational session at the start by the Principal on 1st June, 2020. The new virtual classroom was accepted well by both students and teachers within a fortnight with the support of the RSET IT team throughout. Students of V to VIII were more comfortable with lessons on Whatsapp and you tube videos recorded by teachers to be used at a time convenient to them due to non availability of additional gadgets for use at home.

Mrs. Arti Rai, Headmistress, Primary

Book distribution

Textbooks for classes I to VIII were received from department and distributed to students in the second week of June. It was indeed a unique experience of celebrating International Yoga Day this year as the staff and students performed the various Yoga Asanas at their own homes and shared the videos which was then compiled by our teacher Mrs. Sapna Sharma and shared.

A zoom meet was conducted by Mr. Pratik Sable from IT department on 29th June, to resolve issues faced by teachers during their online sessions and also to train them on how to install and conduct lessons on their own Zoom ID and record the same.

Children of V to VII are into craft, art, yoga and music training online by their respective subject teachers along with academics. All staff members attended a zoom meet on Mahacareer hosted by the Education Inspector Shri Anil Sable on 30th June, 2020.

Teamwork makes the dream work and it is this spirit which keeps us at KGSS going strong.

"Let's all be proactive and not reactive to the pandemic."

Mrs. Mini Nayar, Principal

"A Good Education is a Foundation for a Better Future"

Due to the ongoing Pandemic, the school closed for students and staff from March 15th onwards. The staff was instructed to work from home. The parents were assured of complete support and cooperation.

April month began with the recapitulation of syllabus in all the 3 sections. To keep the students productively occupied, regular worksheets and assignments were provided to parents through Whatsapp. Pre-primary teachers came up with various activities. Community schooling tasks like watering the plants, playing with dough, cleaning your toys etc. were assigned to the tiny toddlers to keep their tiny hands busy.

Regular meetings of teachers were conducted by the Principal & Headmistress through Zoom App & Google Duo. Allotment of new classes to class teachers was done. Report cards of the students were shared by respective class teachers. Principal discussed the Std. IX promotions with the teachers. Curriculum planning for the next academic year was done by the teachers. Despite working from home, the entire staff was geared up to take all the necessary steps to give the best to all our students. Admissions were taken online.

The process of making KGES new School Dairy for the next year was completed along with the help of PV ADVERTISER. Printing of new stationery for the school records i.e. Attendance register, Daily Log, School register, Proxy book & all other relevant stationery is complete. As

Mrs. Indrani Balan, Headmistress,
Primary & Pre-primary

Disha Kalal from Sr kg - Cleaning of toys

per the instructions received from the education department, Aadhar card numbers of all the students of Primary & Secondary section have been uploaded on the Saral Database. Online teaching on Zoom app successfully commenced from 8th May 2020 for the Grades IX & X. Daily updation of Edu department details was done by the Principal & the Headmistress. Online portal of Shaalasiddhi was completed by filling all the required details as per the instructions received from the education department. Gentle reminder of fees payment was given to parents.

Through regular meetings with the teachers, the Principal & the Headmistress, ensured that the academic planning and plan of action was completed. Teachers tried to reach out to the parents personally for the II term pending fees as the deadline was over and convinced them for the payment of next academic year. All the necessary reports were sent to all on a regular basis. Principal and Headmistress attended the zoom meeting hosted by Sir, with regards to the online teaching, fees and staff coming to the campus. All the peons and maids were available in the campus on a rotational basis.

The month of June started with the online tests for std IX and X from 3rd June to 12th June. The submission of SSC exam papers was done by the teachers at the scheduled time. The teachers were ready with the academic planning for online teaching and the timetable was made accordingly. The School E-magazine was shared with all the students through Whatsapp. The same was uploaded on the school website. The Parents were informed through the circular about the fee's installment for the 1st term.

A Staff zoom meeting was held on 9th June with all the 3 sections staff members by the Principal. The Principal Mrs. Mini Nayar & Headmistress Mrs. IndraniBalan conducted an Orientation meeting with all the parents through the zoom app. Zoom lectures started for all the students from 15th June. Initially, the school started with full time table but, later as per the government instructions the lectures timings were reduced:- 1) Std III to V for 1hr 2) Std. VI to VIII for 2 hrs 3)Std. IX & X for 3hrs. The Education department declared that there would be no online teaching for the students from Nursery to Std. II. Therefore, online pre-recorded videos & worksheets were sent to parents through WhatsApp groups. A webinar was attended by the pre-primary teachers conducted by Viva education on 20th June on the syllabus of Pre-primary section. Coordination with parents for collecting uniforms from Paridhan store was done.

The KGES staff attended a zoom meeting for training for ERP entries arranged by Kunjabihari S. GoyalOnline Academy supported by IT Team.

Mrs. Reba Nandan from secondary section attended a webinar hosted by Hindustan Times on 26th June, 2020 offering online courses. CODE-A-THON for grade 6th to ,9th. It's a 5-month course. 6th & 7th will learn HTML-making their own web page. 8th & 9th will learn-PYTHON- Develop their own game. Secondary teachers Mrs. Shweta Jain & Ms. Sumana

Mitra attended an online career counseling workshop on 30th June for the students of Standard 9th, 10th organized by the Department of Education. Resource persons were Sudam Kumbhar sir, Naikwade sir, Sangeeta Shrivastava Madam and Anil Sable Sir, the West zone education inspector. The meeting was conducted to guide students about how to use Maha career portal. Resource persons inducted everyone with details of the portal which gives information about 550 career options (professional and vocational), 21000 colleges, 1050 entrance exams along with scholarship options. SSC students can login on www.mahacareermitra.in with their SSC seat numbers to get their kalchachni results. Students can also visit www.Mahacareerportal.in and they can explore various career options through this site. The workshop was very informative and attended by our 9th & 10th Std students.

A webinar was organized by RMCC on emotional wellness for Women- Making emotional quotient a priority. This was attended by the Secondary teachers on 30th June. As per the Education department the primary section teachers were instructed to download Pragyana App. All the teachers attended an orientation programme organized by CBM

Ms. Asha Pinto about how to conduct effective online classes for the students. H.M. Mrs. Indrani Balan attended various department meetings regarding the issues such as Promotion of students, conducting online classes, fee issues, dealing with parents, etc. The teachers online teaching observation was regularly filled in the link provided by the department. All the online lectures were recorded by RSET, IT department daily. The Principal also conducted a zoom meeting with all the Std. X students & teachers & addressed the challenges. The Principal and Headmistress attended zoom meetings hosted by the President and DOS with all the HOIs. All the accounts and admin related work was done on a regular basis.

Dr. Padmaja Kutty, Principal

EMBRACING THE NEW NORMAL

Change is constant and embracing the new normal was a challenge we accepted with grit, grace and determination.

13 March was the last day of school for our students due to the sudden announcement of the pandemic. However, since the academic year had almost come to a closure with only revision classes pending, we declared this as a vacation period for our students and teachers. All the students from Nursery to Grade 7 were declared passed and promoted to the next grade.

The students of Grades 8 and 9 had already completed their exams in February and started off the new academic session. Their sessions continued through online videos, links and assignments from 18 March itself so as to keep pace with the voluminous portion. 23 April: The teachers resumed and the team connected online. Google Meet was the platform chosen. It was decided to commence the academic session in

May. To get the students to connect to academics once again after the sudden closure, the school embarked on to the digital learning platform and sent out assignments, links as online materials. This helped to bridge the gap between the previous class and the new class.

A survey was done to understand the digital facilities possessed by parents so as to avoid any gaps in implementation. The PTA played a pivotal role in collecting the information. Parents appreciated the efforts and it was a smooth transition to the Virtual classroom from 4 May onwards.

The students of Pre Primary to Grade 2 received self recorded videos of teachers teaching concepts. Students of Grades 1 and 2 had virtual classes once a week; whilst students of Grades 3 to 10 commenced the session with virtual classes everyday. The timings were segregated so as to facilitate the attendance of siblings to virtual classes. The objective of the online sessions was activity based teaching focussed on skill development.

The session ended with elan on Friday, 29 May where there was a family activity planned for students of the Primary and the Secondary. The parents of Grades 3 to 5 joined their wards in an online Activity called 'Family Tadka'. This was a no flame cooking activity where the students of Grade 3 made Veg Quesadillas, Grade 4 made Coleslaw sandwiches and Grade 5 made Vegetable wraps. The theme for Grades 6-10 was Family Ties wherein the students had to make temporary tattoos on their parent's hand.

All guidelines were given to the students and both the activities garnered great enthusiasm and appreciation from all parents. Magical Mondays and Wonderful Wednesdays have been introduced in the Pre Primary wherein the teachers indulge students in creative activities, games, music and dance sessions. They thanked the school for bringing happy moments in the family even during the trying times.

The students were given a break from 1 June -6 June. The session resumed on 8 June.

Highlight of the months: In all, 1423 classes and 40 meetings were conducted in May whilst in June, 1513 classes and 34 meetings conducted to ensure delivery of quality education across Nursery to Grade 10. Thus team RBHS very smoothly slipped into the New Normal with ease and elan.

Eumind (Europe meets India) achievers 2019-20: All 5 groups awarded Certificate of Excellence

NEW HOPES NEW BEGINNINGS: Online Parent Orientation sessions were conducted on 5-6 June across sections. World Environment Day was celebrated across sections. The Pre Primary students did Best Out of Waste activities to showcase the importance of saving the environment. Parents attended in large numbers to understand the way ahead with the online sessions. The first PTM [Parent Teacher Meet] was held on Saturday, 20 June. Parents met the teachers online and discussed the academic progress of the child.

The first meeting of the PTA was held online on 27 June, The PTA of AY 2019-20 will continue till fresh elections are held with the physical presence of parents in school. The International Yoga Day was celebrated across sections. The Pre Primary children performed simple breathing exercises and yogic poses. For the Primary and Secondary, this was again a family activity. The recorded videos of the Yoga teacher was circulated in all the classes and the children followed the poses mentioned by the

teacher. Once again, the families enjoyed the Yogic poses which brought calmness and peace to the mind. The article was featured in Times of India –NIE Edition on 29 June.

PROUD MOMENT: For the second year in a row, all 5 groups of students who participated in the Eumind programme were awarded the Certificate of Excellence by the International Jury for their e-project: 3 Generations. The results were declared in April.

If everyone is moving forward together, then success takes care of itself.

Mr. Nitin Padte, Director

Online learning at MBIS

April saw a transition to online teaching and learning experience for our students. We at MBIS had been working hard in creating a comprehensive online infrastructure for the effective remote learning of our students resulting in the home-schooling due to the ongoing pandemic. Apart from academic learning we also introduced online yoga, dance and music to alleviate stress and anxiety. We were particular about timely attendance of the students.

An important tool that has helped in successfully holding the online classes was the constant feedback between teachers, learners and parents. Our partners in education - our parents were very cooperative and supportive of us. As we will continue with online classes in the new academic year 20-21, we will be placing a significant premium on our learners' Happiness Quotient as we believe that happy learners are better learners.

Term 2 examination: Students of Grades 6-8 appeared for their Term 2 examination online and their session ended on 5th May 2020.

Online classrooms: Students of Grade 10 & 12 continued to attend their online teaching-learning sessions from 5th May to 5th June 2020.

Exam.Net: Students of Grade 9 & 11 appeared for their online examination through exam.net from 17th June to 24th June.

Report Card: Students of middle school were mailed their Term 2 report card on 12th June 2020.

Webinars: MBIS conducted 5 webinars in the month of May with expertise from various fields and topics.

Webinar 1: Coffee, Children & Conversations by SLN Show with MBIS Student Prisha Goenka

Webinar 2: Life in Lockdown: Hear it from our Teens conducted by Ms Reshma Samnani and IBDP students

Webinar 3: A healthy mind in a healthy body conducted by Our Director of School Mr Nitin Padte along with physiotherapist Ms Kruti Khemani and a nutritionist Ms Shreya Adhav

Webinar 4: Why choose IBDP program conducted by Mr Husien Dohadwalla and MBIS staff

Webinar 5: Peep into a day at MBIS conducted by Ms Farzana Dohadwalla and MBIS staff

Laurel to School: VIDHAAN BAGADIYA of Grade 3 achieved 3rd International Ranking in National Cyber Olympiad conducted by SOF. Marks Scored: 39/40, Class/Section Rank: 1, Zonal Rank: 3, Int Rank : 3, Award Won: Gifts Worth Rs. 1000/- International Bronze Medal & Certificate of Outstanding Performance.

Reopening of School: MBIS reopened for the Academic Year 2020-21 for Staff on 8th June 2020 and for Students on 15th June 2020.

School Reopened with Virtual Learning: Online learning, which came as a panacea for the crisis, is increasingly seen as a new paradigm in education. MBIS reopened on Monday, 15th June'20 for all grades.

Thankfully, technology has brought the school to our homes, and the learning happily continues. It's been more than 3 months since children have been home and away from schools, yet we are making sure that students keep up with their studies during lockdown. In these unprecedented times, teachers and parents are putting their best foot forward to uphold the value of education. These virtual classes are being held structurally by following a proper time table. This has helped the students to become disciplined and productively busy. They are also very excited about these classes, as they get up early and get ready for all these classes. The daily roll call proves this to us. Another advantage of online learning is that it allows students who were not able to get back to the city due to the lockdown to also be able to participate in these classes. As students and teachers continue to engage and explore various features of online learning, they both agree that online learning is 'The Best Bet during lockdown! Students are very excited about the online classes also because they get to meet their friends and talk to them daily - all as part of the classes.

Curriculum Morning- Nursery- Grade 12: The new academic year 2020-21 at MBIS commenced with the Virtual Curriculum Morning on Friday, 12th June '20 for all the grades to understand the School's and Parent's role in the teaching- learning process (Online and on-campus) The session was very informative and efficacious.

Budding Astrophysicist: Amandeep Basra, the budding astrophysicist from MBIS, photographed the moon using his telescope with remarkable results.

CAS Activity: At MBIS, CAS plays a central role in developing life skills in our students. The final term of 2019-20, saw the pandemic and subsequent lockdown. This has been a challenging time for all of us and more so for our migrant workers / daily wage workers who had to go for days without any income. We thus collaborated with Habitat for Humanity – India Chapter to raise funds to provide essential food supplies as well as hygiene kits for them. Our Grade 11 students created fund raising pages on the online crowd funding platform Ketto and in 30 days, they raised over Rs 2,09,000/-

PTA: The first PTA meeting for the Academic year 20-21 was held on Wednesday 3rd July '20 via zoom meeting.

Budding Astrophysicist-Amandeep Singh photographed the moon using his telescope

IN PURSUIT OF EXCELLENCE

Established in 1975

Dr. Jayant Apte, Principal

We scheduled FYJC Final Exams from 16th March to 7th April 2020 (including Re - exams on medical grounds). We have planned to declare the FYJC results on 20th April 2020 and thereafter SYJC admissions in the last week of April 2020. But we couldn't conduct due to lockdown; COVID-19.

The DSJC staff / teachers are doing their work from home in the Month of April 2020 due to lockdown. HSC Board Exam paper assessment completed, as per the instructions of Moderator. Also completed HSC Board Exam paper Moderation as per the instructions of Chief Moderator. Done department wise discussion online and prepared Year Plan for the next academic year for both FYJC & SYJC 2020-21. Time table committee has planned the lectures for the next academic year while discussing through online mode.

Conducted online audio conference meeting with the senior teachers on 24th April 2020. Conducted online audio conference meeting with non-teaching staff on 27th April 2020.

We started to conduct online lectures of Commerce/Science/Arts, during the COVID-19 Lockdown period through Zoom App., from 27th April 2020 onwards. Question bank on completed topics were prepared by the subject teachers and emailed, as per the requirement of Mr. Ashish Datta (Gold Academy).

We continued with Online lectures till 29th May 2020. Over all 420 lectures were conducted through online Zoom App. Seminar for SYJC IT

Ms. Shashi Yadav, Vice Principal

Online Seminar on "Get an International Degree while studying at Saraf College"

Students on "Get an International Degree while studying at DSJC/GSCC" conducted online on 1st May 2020 at 10.30am through Zoom Cloud Meeting. The speaker Mr. Manoj Patki from the STAAR Uni Advise group has been closely associated with the education departments of consulates and embassies of various countries, detailed students with the information on how to get an international degree, also specified about Canada University. 20 IT students from both Commerce & Science stream attended the online seminar. DSJC Coordinator, Mrs. Swapna Roy also attended the seminar. Ms. Aarti Borkar organized and concluded the programme with a vote of thanks.

The second Seminar for SYJC IT Students on "Get an International Degree while studying at Saraf College" conducted online on 8th May 2020 at 12.00 noon through Zoom Cloud Meeting. 52 IT students from both Commerce & Science stream attended the online seminar. Principal Dr. Jayant Apte & Coordinator Mrs. Swapna Roy also attended the seminar.

Rotaract Club of Durgadevi Saraf Junior College & Ghanshyamdas Saraf College of Arts and Commerce organised a Webinar on "Skill Development" and the sub theme was 'Reimagining the Future: Navigating the Path ahead'. It was held on 28th May 2020 from 10:30 am to 12:00 pm on Zoom app and it was also streamed live on Facebook page of our College. The Speakers for the webinar were Mr. Harmeet Chawla and Mr. Jasmin Dawada. Mr. Harmeet Chawla is a transformational speaker with more than 25 years of experience in Operations Strategy and Change Consulting and also has his own Management Consulting Firm called Flywheel Management Services. Mr. Jasmin Dawada is a certified Ethical Hacker from EC Council (Europe) for past 7 years.

FYJC results were declared on 5th June 2020. The Overall Passing is 99.19% ; Commerce is 99.11%, Science 100% and Arts 99%. SYJC online admission, started on 6th June, which was continued till 30th June 2020.

The third Seminar for SYJC IT Students on "Get an International Degree while studying at Saraf College- An interactive session with Mr. Ravi Philips, Director of Marketing UFV, Canada" conducted online on 7th June 2020 at 11.00 am through Zoom Cloud Meeting. Mr. Manoj Patki from the STAAR Uni Advise group introduced the speaker, Mr. Ravi Philips. Director of Marketing UFV, Canada detailed students with the information & PowerPoint Presentation on, Why Canada is the most sought after destination today among students and professionals alike. He also specified about Canada University education system, life on campus, students safety, accommodation and living expenses. He also discussed about employment and career opportunity for students after their studies at UFV. He thanked the Management & Principal Dr. Jayant Apte for giving him this opportunity.

All the teaching staff were given training on 23rd June, 2020 to use Google Meet/ Google Classroom for online lectures. After SYJC admission we have started online lectures from 1st July, 2020.

Ghanshyamdas Saraf
college of arts & commerce
EDUCATION EMPOWERS

Established in 1983

Dr. Jayant Apte, Principal

Ghanshyamdas Saraf College of Arts and Commerce conducted various academic and life-skills activities for its students and faculty from April-June 2020. Owing to the COVID-19 pandemic, activities were conducted online, through the Zoom platform. The College organized web-based seminars on a diverse number of themes.

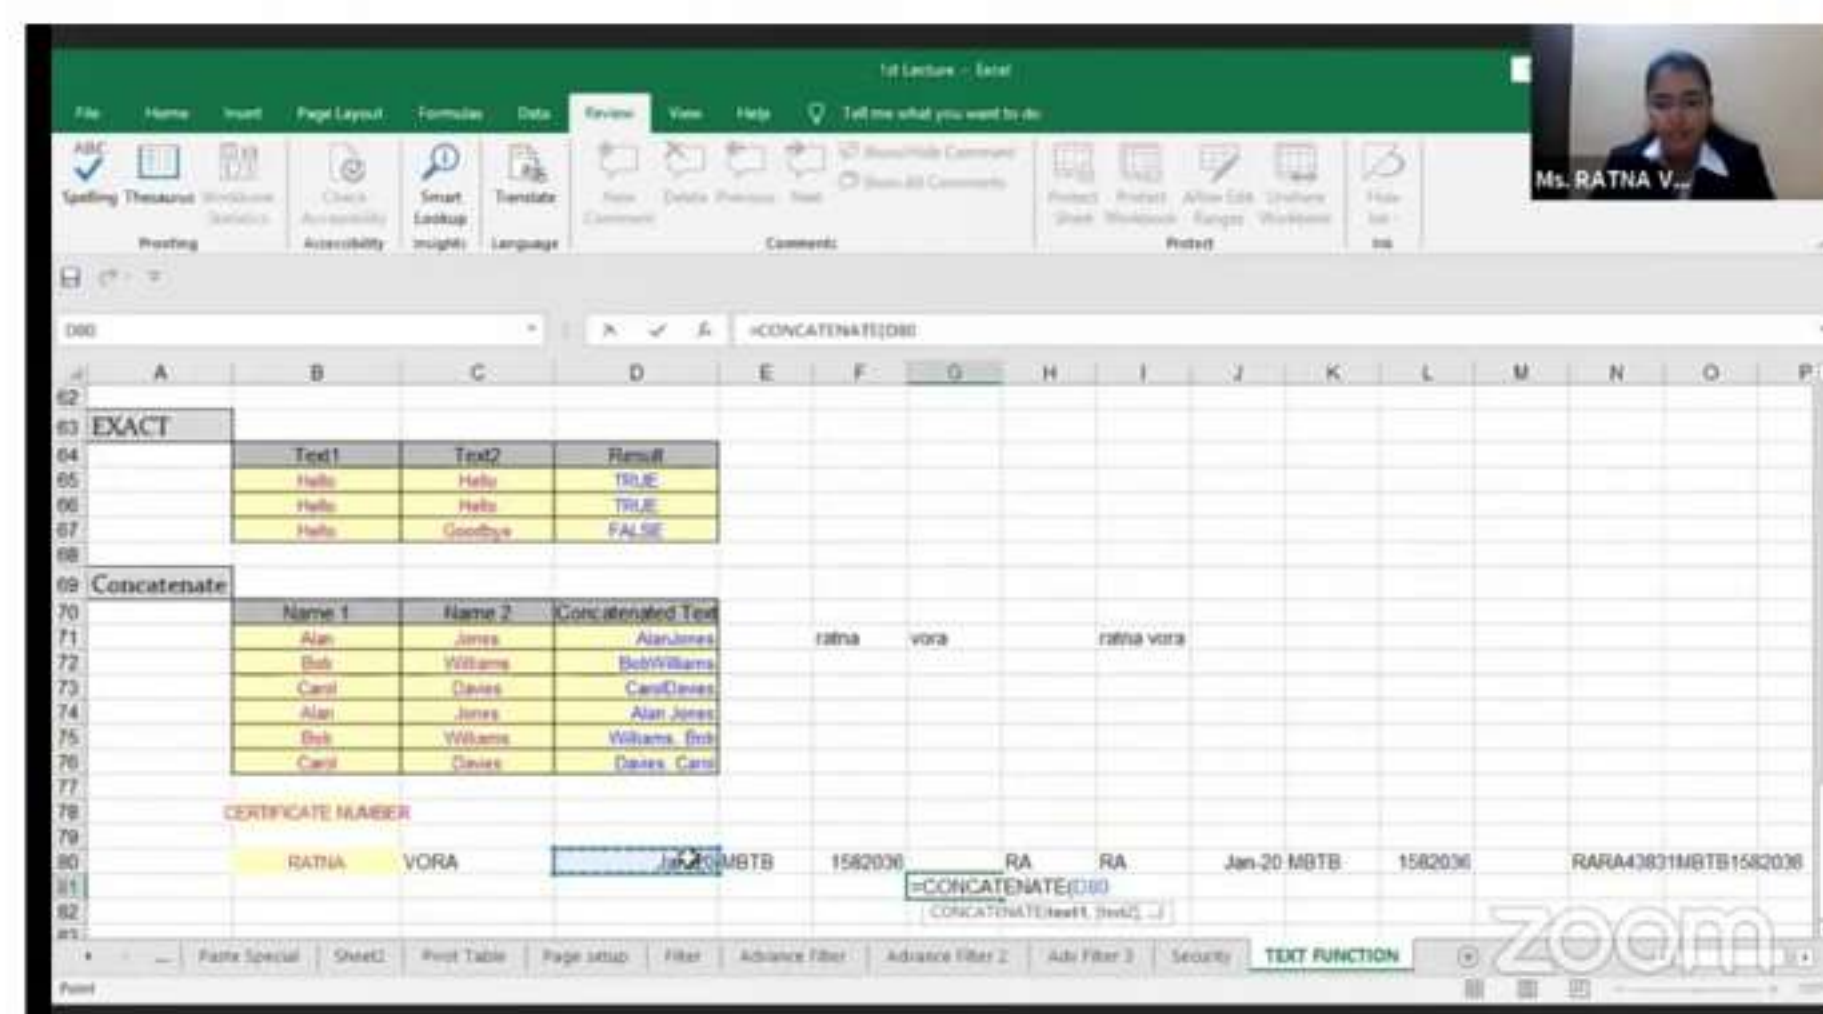

Webinars for Faculty

- In April 2020, Shrivallabh G. Saraf Knowledge Resource Centre and Internal Quality Assurance Cell of the College organized a National-level Webinar on 'Technology-mediated Teaching Learning'. The resource persons provided practical demonstration of tools along with theoretical background. The tools covered in the webinar were- Google Classroom, Flipgrid – Empower Every Voice, Mentimeter – Online Interaction, Padlet – Online Bulletin Board, OER – Open Educational Resource, Screencast-o-matic, Word press – Mentor Web Presence, Exelearning – Interactive Web Learning, Wakelet – Everything In One Place, TEDED- Gamified Educational App, Kahoot – On the Fly Assessment. More than 400 participants from across the country joined the webinar and provided excellent feedback. The webinar aptly catered to the current need of technology-mediated learning tools and was received with much enthusiasm by the faculty-attendees.

- The IQAC in association with Financial Planning Academy organized a webinar on 'Using Derivatives to Enhance Your Portfolio Returns' on 14th May 2020. The seminar showcased the practical aspects of trading in derivatives for value investing and creating a risk-free portfolio of wealth.

Mrs. Bhavana Vaidya, Administrator

Ms. Ratna Vora from SDVTII explaining the Text Functions during 2 Days Webinar on Advanced Excel organized by IQAC and BCAF Department of GSSC in association with SDVTII on May 20 and 21, 2020

- A two-day National Webinar was organized by IQAC and the Department of B.Com (Accountancy and Finance) in association with Skill Development and Vocational Training Institute of India on 'Advanced Excel' on 20th and 21st May 2020, especially for the teaching fraternity. The resource persons explained the use of Microsoft Excel in teaching and administrative work, followed by demonstration of various functions and formatting styles that aid in teaching-learning.

- On 22nd May 2020 a one-day national webinar was organized by IQAC and Department of BSc.IT in association with Skill Development and Vocational Training Institute of India on 'MS-Excel- Tips and Tricks' exclusively for the non-teaching staff, where the use of Excel in administrative purposes was elucidated.

Webinars for Students

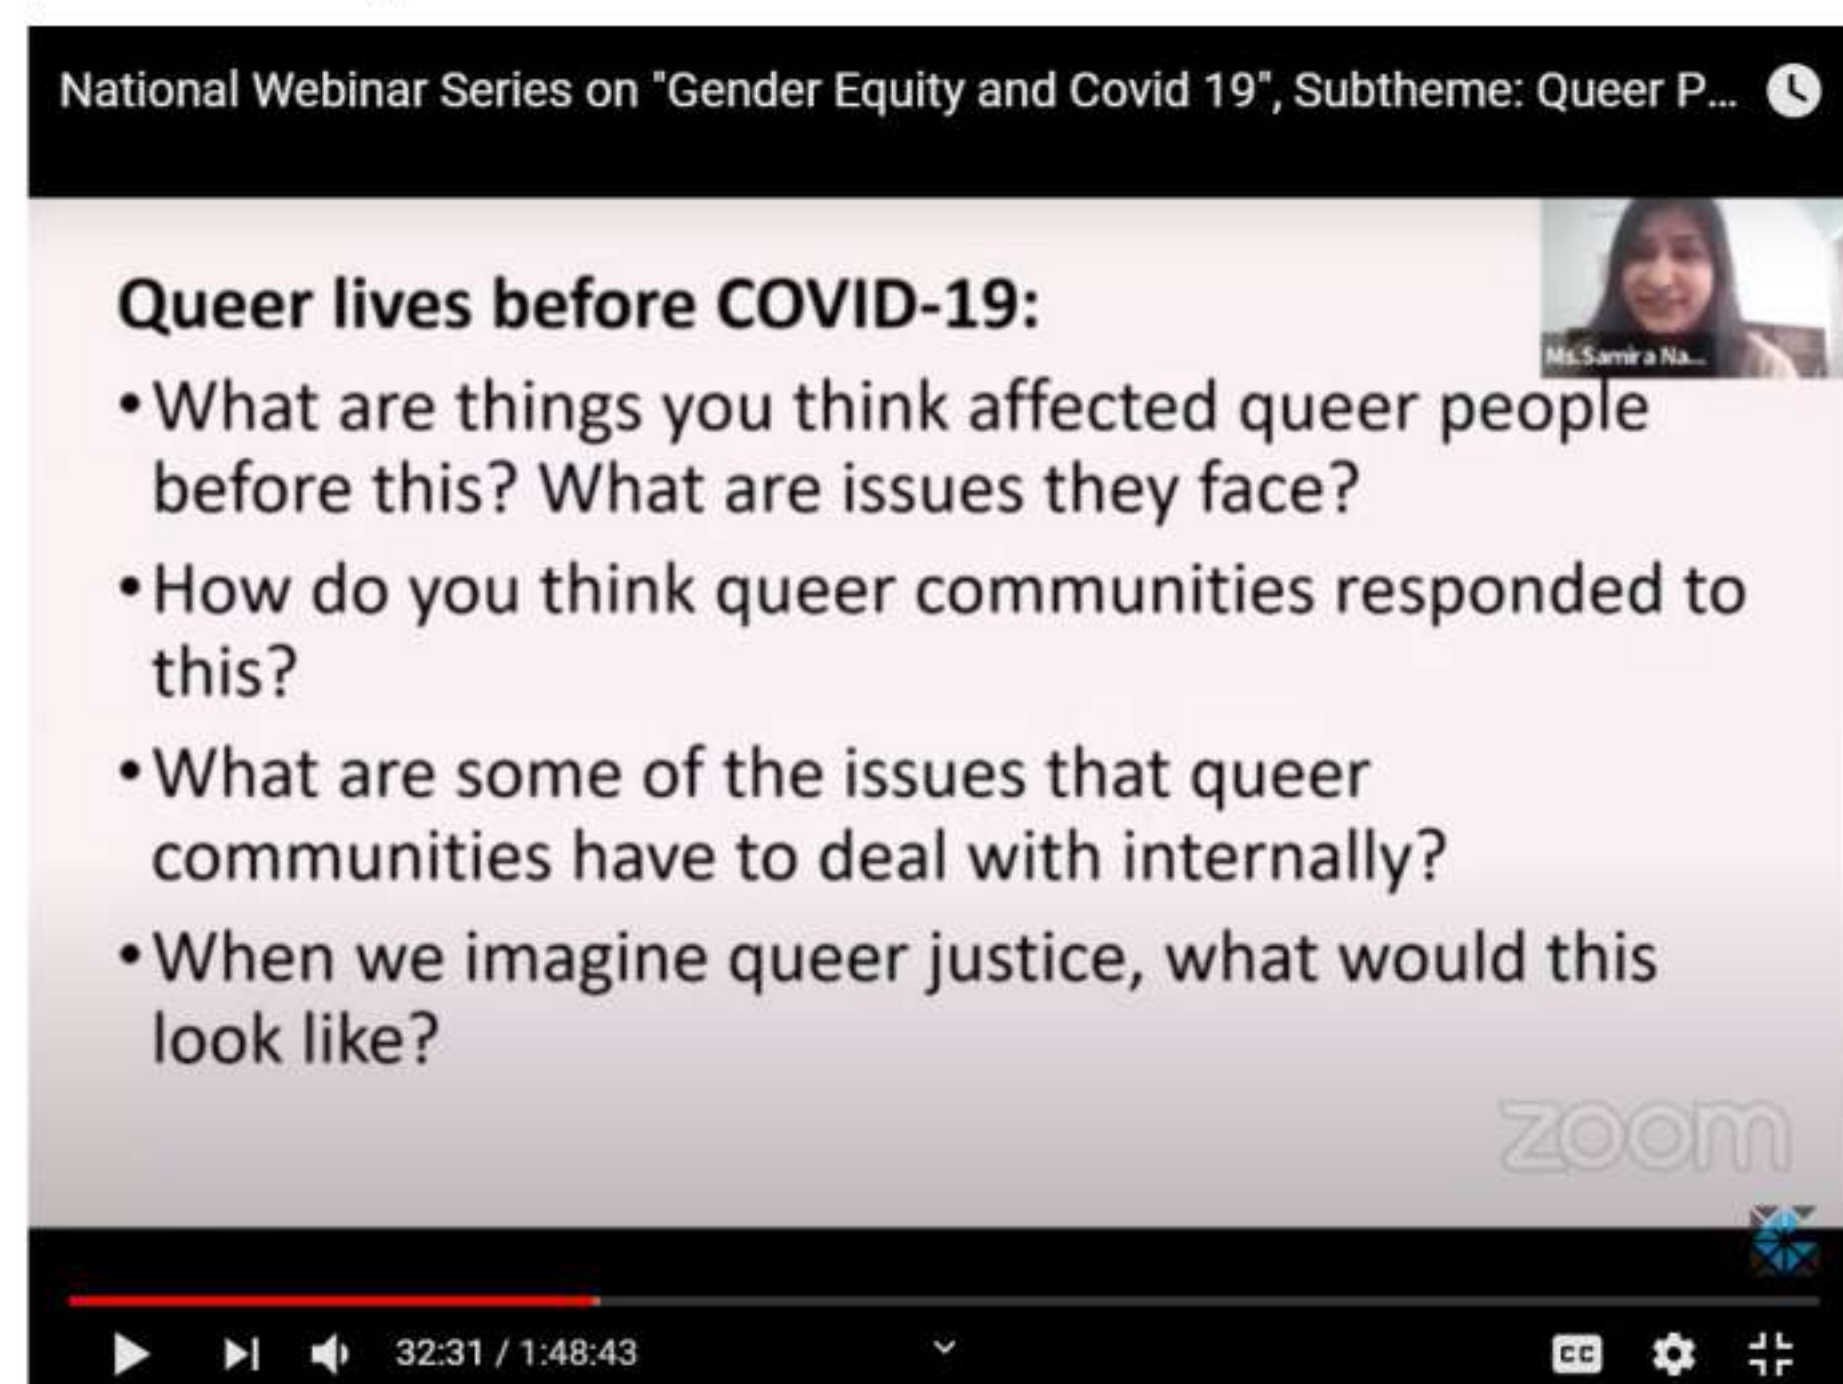

- IQAC and B.Com (Financial Markets) Department in association with Financial Planning Academy organized a webinar for students and faculty on 'Career in Financial Planning' on 26th May 2020 that focused on compounding and time value of money and their importance in financial planning.

- On 27th May 2020, IQAC and Department of Banking and Insurance organized a webinar on 'Banking Jobs: Think Beyond IBPS and Public Sector Banking Jobs'. The webinar was designed to make the students aware about opportunities in banking that extend beyond the conventional scope of IBPS and Public Sector banking.

Mr. Apurv Gangar from Royal Bank of Scotland enlightening the students on the seven aspects of becoming work ready during a webinar on How to be A Great Professional and Be Work Ready organised by IQAC and Rotaract Club of Ghanshyamdas Saraf College on May 16, 2020.

- The Rotract Club of College organized a webinar on 'Skill Development' on 16th and 28th May 2020, with sub themes like- 'How to be a Great Professional and Work-Ready' and 'Re-imagining the Future and Navigating the Path Ahead', respectively, for the students. The objective was to create awareness about cyber security among the students, and to help them identify and enhance their professional skills sets. The webinar highlighted on the importance of professionals being competent globally and utilizing their potential to the optimum level.
- IQAC and Department of BMS in collaboration with NIIT organized a webinar on 'Future of Digital Marketing and Career Opportunities' on 10th June 2020 for students elaborating on making optimum use of digital platforms to develop career opportunities.
- IQAC and Department of English organized a webinar on 'Introduction to Business Communication: Understanding the Basics of Corporate Expression': on 6th June 2020, exclusively for the SYJC students of Durgadevi Saraf Junior College to orient about Business Communication and the significance of the subject in academics as well as the students' professional sphere.

Ms. Samira Nadkarni discussing the lives of Queers before Covid 19 during a National Level Webinar on Gender Equity and Covid 19 organised by Women Development Cell of GSCC in association with UWDC, Mumbai University on May 15, 2020

Women Development Cell- On 15th May 2020, Women Development Cell of the College in association with University Women Development Cell organized a National-level webinar on 'Gender Equity and COVID-19' which aimed at a holistic understanding of gender equity, and the dynamics of gender in the context of global pandemic.

WE CREATE LEADERS

Established in 2010

Dr. C. Babu, Director

Durgadevi Saraf Institute of Management Studies (DSIMS), despite of lockdown during this period (April-June 2020) functioned normally using online mode both for academic and administrative activities. During this period faculty members availed their annual vacations from 18th May to 16th June 2020 and the students of 2019-21 batch did their Summer Internship Projects (SIP) with the corporates resorting to work from home to keep themselves safe.

Month-wise synopsis of events occurred during April to June 2020

April 2020

- Faculty Meetings held through Zoom video call every Mondays and Thursdays. All important discussions held through Zoom video call and Audio Conference periodically. Regular online classes for students started from 6th April, 2020. Promotion of new certified programs and scholarship policy for PGDM students.

May 2020

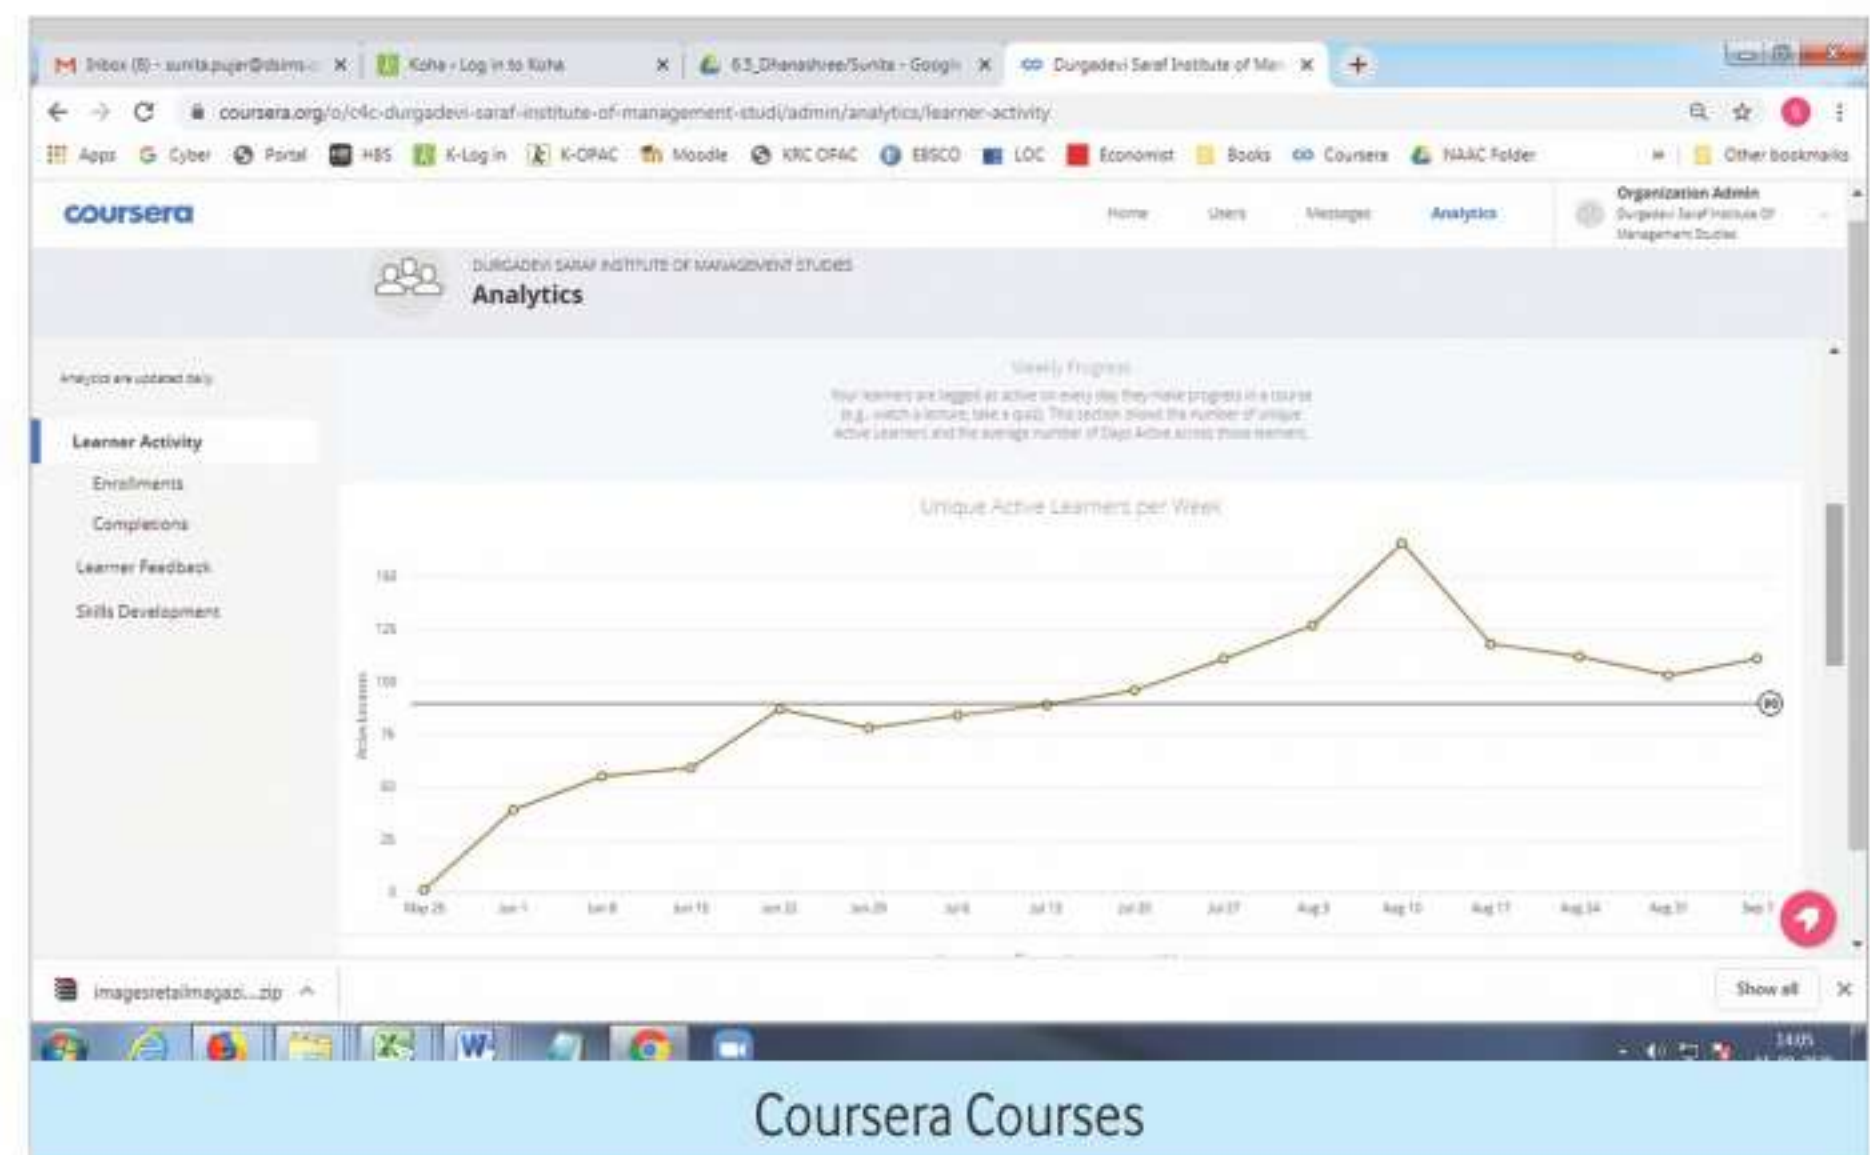

- In-house Faculty Retreat – 8th & 9th May, 2020 to finalize the course structure for PGDM 2020-22 batch
- Faculty Development Program – 11th May, 2020
- Summer Internship project for PGDM and MMS students
- Capstone project Submission

June 2020

- Special Engagement Program (SEP) for new PGDM admissions - 9th

Dr. Sharad Kumar, Dean, Academics & Research

June, 2020

- Online Certificate course on Communication and Retail Management - 9th & 10th June, 2020 respectively.
- Coursera Courses
- In-House Faculty Development Program started on 26th June, 2020

EVENTS AT DSIMS

1. April 2020

- Periodic Faculty Meetings were held in April 2020 twice a week to discuss on various issues like admission, examinations, online classes for students, Course completion etc.

- Regular online classes for PGDM and MMS students started from 6th April, 2020 and the entire course delivery was effectively done through online teaching. All the sessions were completed by 1st week of May 2020.

2. May 2020

- Scholarship Policy 2020-22 for PGDM admission was prepared to attract meritorious students which we reapproved by the Chairman. It also included additional facilities to be offered to the PGDM students of 2020-22 batch like:

- Lap-top
- Bloomberg
- Books
- HBS Online Course
- Rural Immersion
- Foreign Language

- In-House Faculty Retreat was held on 8th and 9th May, 2020 to discuss the recommendations of Board of Studies meetings organized by each domain, the rationalization of courses based on AICTE model curriculum of January 2018 and finalization of the academic calendar for the year 2020-2021 (excluding Co-Curricular and extra-curricular activities) including the examination related issues.

• SIP

Summer Internship projects (SIP) have been initiated for PGDM and MMS students. Most of the students are doing their internship as work from home under various reputed companies and few students are doing projects under the guidance of faculty mentors. The duration of SIP projects of most of the students was from 18th May 2020 to 16th July 2020 thereafter the regular classes have been scheduled from 21st July 2020 after organising a one day each Boot Camps for PGDM and MMS students scheduled on 18th and 21st July 2020 respectively.

The faculty guides are constantly in touch with the industry guides to know the progress of their respective mentees and helping for deciding the topics for the SIP, etc.

• Capstone

Capstone project Submission of soft copy has been done by the PGDM and MMS students and the faculty mentors are now finalizing and sharing the capstone project marks. Online Viva for capstone will be scheduled at the end of this month.

June 2020

• One-month online certification program on Communication Skills:

From 10th June 2020, (DSIMS) started its first one-month online certification program in Communication Skills. With a batch of 20 graduate students with varied educational backgrounds this online program is conducted Zoom platform. Sixteen sessions of one and a half hour each were scheduled with the aim to sharpen the overall communication skills of the student and boosting their self-confidence. All the online classes are being conducted on Zoom Platform using power-point presentations, Video clips and a lot of interactive discussions held between faculty and students. At the end of the program every participant is being awarded with an online course completion certificate from DSIMS.

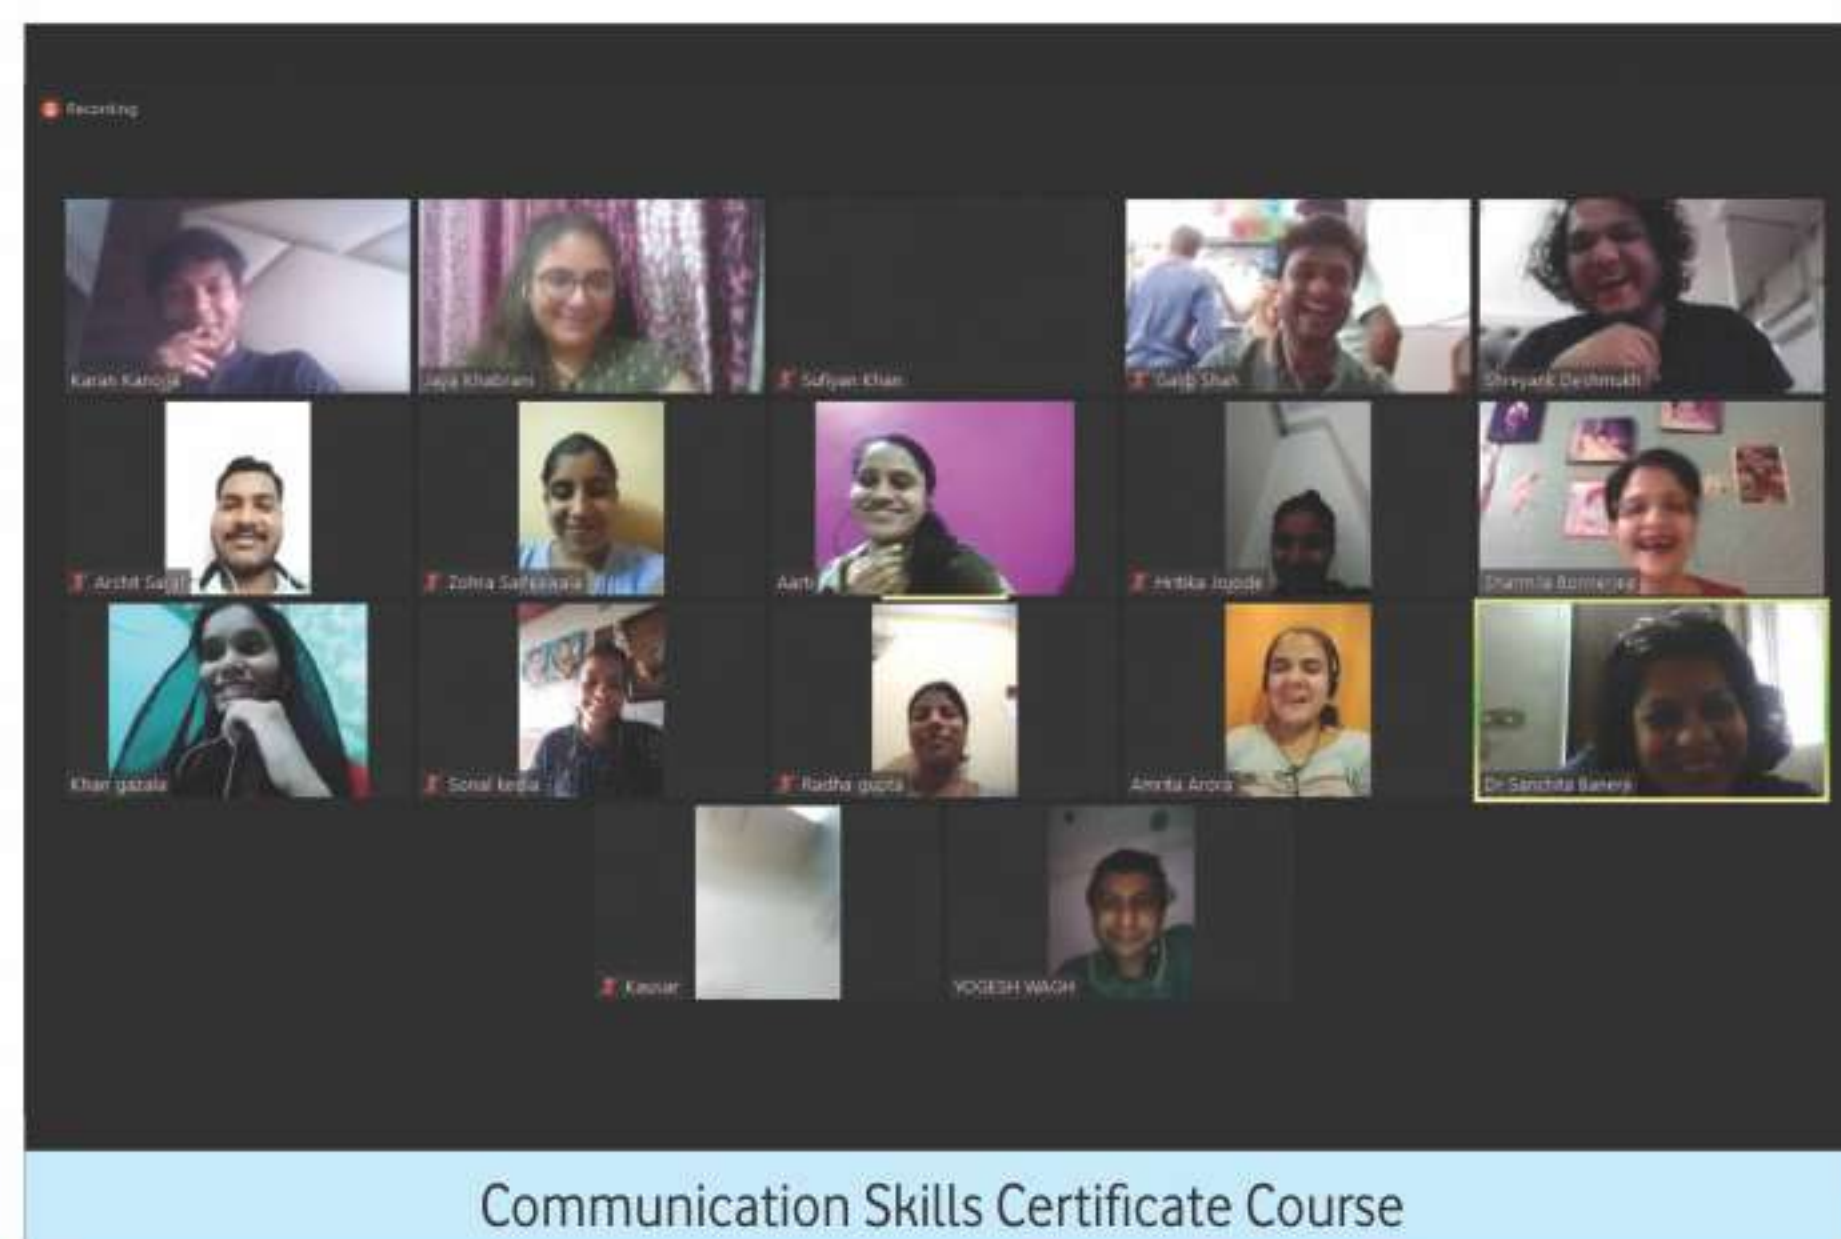

• **One-month online certification program on Retail Management** (DSIMS) conducted a one-month free Online, Retail Management Certification Program in the month of June-July 2020. This was done to empower the students with knowledge in the critical pandemic times. This course on "Retail Management" provided the students with an overview of the retail sector as well as opportunities in Retail Management.

The sessions turned out to be very interactive as students showed a lot of keenness to learn and understand the various aspects of retail.

• Coursera Courses

Many of DSIMS students/learners have completed the online courses of coursera. Out of 562 invitations including the faculty, staff, students (2018-20, 2019-21, 2020-22 batches) and also few Alumni members, 265 learners had enrolled and were active in completing their courses.

In total, 31 learners completed one course, whereas few of them completed multiple courses. Two learners have even completed 12 courses each.

• In-house Faculty Development Program

Faculty Members started In-house Faculty Development Program (FDP) from 26th June, 2020 and this program was to be conducted on different topics by each faculty for 90 minutes which would continue till 17th July 2020.

REMSONS CENTRE FOR MANAGEMENT RESEARCH

• Dr. Nehal Joshipura completed in April her certification program on Data Analytics using R" certification from Skyfi Labs online. This opportunity was given by AICTE.

The modules of the certification covered:

Introduction to Data Analytics; Introduction to R Programming; Functions and Data Frames in R; Data Manipulation; Data Visualization; Final Project implementation

• 29th May, 2020

Dr. Nehal Joshipura published a research paper titled "Low-risk effect: evidence, explanations and approaches to enhancing the performance of low-risk investment strategies " published at ABDC 'B' ranked and Scopus listed International Open-access Journal Investment Management and Financial Innovations.

Dr. Sharad Kumar published a research paper on "Economic and Social Impact of Covid 19" in Sambhashan, a monthly Journal of Faculty of Social Science, University of Mumbai in its May 2020 issue.

SEMINARS / EVENTS ATTENDED/CONDUCTED

• 6th May 2020

Dr. Padma Singhal attended the Faculty Learning Program organized by Business Standard on 'Changes in the Higher Education Sector and Strategies for Management Education in India on Zoom mode dated 6th May, 2020. She received the certificate for participating in this program.

• 23rd May, 2020

The following five faculty members attended a two-day online Faculty Development Program (FDP) on Making Online teaching effective to enhance student engagement organised by Higher Education Forum (HEF) on 16 and 23 May, 2020.

- Dr. Sumana Chaudhuri
- Dr. Chandrasekhar Kaushik
- Dr. Sarika Jain
- Dr. Padma Singhal
- Prof. Pooja Goswami

Professor. Shanti Rajan of University of Stirling, RAK Campus was the Speaker and Facilitator. Professor A.K. Sengupta of HEF India was the Principal Facilitator and he was accompanied by an illustrious and distinguished team from academia as Project Managers.

• 25th May, 2020

Dr. Padma Singhal attended the Faculty Learning Programme on 'POST COVID WORLD: SKILLS & STRATEGIES FOR FACULTY' organised by Business Standard on 25th May, 2020. The speaker of the program was Prof. M J Xavier, Founding Director - IIM Ranchi, Professor of Marketing & Business Analytics, LIBA Chennai.

• 30th May 2020

The following faculty members attended a Webinar organised by HEF on the subject "Online Teaching Making it Effective", which was conducted by Dr (Prof) Bhimaraya Metri Director at IIM Tiruchirappalli.

- Dr. Sadhana Ghosh
- Prof. Somesh Banerji
- Prof. Sharmila Bonnerji
- Dr. Chandrasekhar Kaushik
- Dr. Dhanashree Potey
- Prof. Priyanka Oza

It was attended by Directors and Professors from various colleges and Institutes making it a great success. Dr. Metri shared fine nuances of effective teaching namely - create tools and techniques, create pre-reads and caselets; reinvention; engaging and involving the students; creating digital course material; use of digital technology by the faculty and making it interactive.

• 12th June 2020

Dr. Nehal Joshipura has completed Certificate course on "Data Visualisation using Tableau" from Great Learning Academy on 12th June.

The course objectives included:

- Understand how brain perceives data and draw insights from data.
- Recognize visual characteristics of data that are meaningful.
- Choose an appropriate display mechanism to communicate data effectively.
- Transform data into information that is actionable.
- Start using Tableau software to solve real business problems.

• 13th June, 2020

The HEF organised an online FDP on "Writing a Research paper in International Perspective" on June 13, 2020. The FDP was facilitated by Dr Peter Cunningham, Prof. Emeritus, Nelson Mandela University. The FDP was very enlightening, and he discussed at length about all the sections of the research paper i.e. abstract, structure, literature review, methodology, discussion of findings. He also discussed how to choose the right journal.

The Webinar was attended by Dr. Sharad Kumar, Dr. Sumana Chaudhuri, Dr. C. Kaushik, and Dr. Nehal Joshipura.

April, May & June 2020

- Ms. Sunita Pujara and Ms. Sneha Sawant attended various Webinars during this quarter and to name a few, following details are given hereunder:

- On April 27, 2020, attended webinar on 'Open Educational Resources', conducted by Library Professionals Association (IPA) New Delhi and MIT WPU, Knowledge Resource Centre, Pune.
- On 7, May 2020, Participated in a webinar on 2 topics - 'Covid: Where are we and Life in future', and 'EYE: Is there ever a lockdown' conducted by Bombay Teachers Training College in association with BIAP (Board of Industry Academia Partnerships) (Certificate Received).
- On Saturday, 30th May 2020 attended a webinar lecture series - 1st session on 'Cloud Computing: An Overview' by Dr. Francis Jayakant, Scientific Officer @ IISc and 2nd session on 'Institutional Repositories:

Using DSpace', by Dr. S M Pujar, IGIDR, Mumbai, conducted by LIS Academy & NCSI - Net Foundation, Bangalore. 3. Sent invite to all the students for Coursera.

- On 1st June, 2020 participated in one day National webinar on 'Library as a Learning Resource Centre', organised by SSSKR Innani Mahavidyalaya, Karanja (Lad), Wasjim.

- Participated in the online International webinar on "New Directions for Library & Information Service, & Education" organized by Karnataka State Library Association (R) held on Saturday, June 13, 2020, conducted by Karnataka State Library Association @, Bengaluru (Certificate Received).

- Participated in National Level Webinar on "Master Class on Data Driven Digital Marketing 4.0 for Business", conducted by P.C.E.T's S.B. Patil Institute of Management and Pune Business School, Pune. (Certificate Received).

- Attended the online webinar on 'Effective Utilization of J-Gate Research Resources', held on 20th June, 2020 organized jointly by the Library Development Committee and Library of K J Somaiya College of Science and Commerce (Certificate Received).

- On April 30, 2020, attended a webinar on 'The Digital Library of the Future' by Dr. Michael Keller & Tom Cramer by JIO institute.

• 27th June, 2020

Dr. Nehal Joshipura attended a FDP conducted by Dr. Veena Vohra in an engaging manner using the discussion pedagogy. This program was organised by Higher Education Forum (HEF). Material used: HBSP article titled "Mastering Case Teaching in Online Classes" and Caselet "A Professor's note to himself".

SPECIAL ENGAGEMENT PROGRAM (SEP)

This year the COVID-19 pandemic has utterly changed the mode and perspective of education and has forced many sectors to shift their bases to online including education. With this changing educational imperative, DSIMS had planned and delivered a 72 hour online Special Engagement Program (SEP) for PGDM Batch 2020-22 from 9th June to 21st July 2020.

The Objectives of the intervention were:

- To act as a bridge course for helping the learners reach a uniform level of understanding as learners for this course come from a diverse background.
- To sensitize learners with basic nuances of management and facilitate creation of a strong foundation before the regular classes take off.
- To provide an environment for assuring academic progress and accommodating the demands of higher education.
- To revisit and reinforce the knowledge, skills and abilities learners have gathered during graduation program.

Various areas were covered under this SEP Program, starting from ice breaking sessions, Book Review, Advanced Excel, Statistics, Basic Mathematics Economics, Fundamentals of management, to name a few. Every session was finally concluded by an evaluation process. Each student will be getting a certificate after the successful completion of the SEP program.

PGDM Academic Activities – April / May / June -2020

• Lectures:

Academic session for PGDM for Batch 2019-20, TRIM IV and 2018-20, TRIM VI, commenced in third week of February - 2020. After certain classroom sessions of both the years, due to pandemic outbreak and lockdown announcement in second week of March 2020, online lectures were scheduled and conducted through Google meet from March; 19th March 2020. Approximately 55 sessions of 1.5 hours each of FYPGDM, and 25 sessions of SYPGDM were conducted online, along with the assignments and activities assigned by each faculty based on their subject. Few of the faculty members carried out viva, group as well as individual based on the topics assigned to them.

The syllabus was successfully completed through online lectures by 5th May 2020.

• **Mentoring:** A professional activity, where the aim is to provide career guidance for personal and professional development of the students. The activity of mentoring helps students to understand their behavior, attitudes, beliefs, and skills required to achieve their goals.

The students of FYPGDM students, Batch 2019-21, were mentored on one-to-one basis and were assisted through the selection process of their specialization stream viz. advertising and Communication and Media and entertainment before the commencement of Trimester IV. Keeping the above genesis in mind queries relating to career opportunities, expertise required, challenges ahead were addressed during the mentoring sessions. To guide and assist them in selecting specialization.

For SYPGDM students, the mentoring sessions addressed issues related to stress, coping with unprecedented and unforeseen challenges, shifts in career choice.

• Dissertation projects:

The Capstone Project is designed to meet the learning needs and interests of the students. The student works/interns was carried out under the guidance of the mentor assigned to each student from the institution as well as from the Organization where he /she is interning.

Each student mentee was ably guided through Google Meet and over the phone during their Capstone Project. A report of each was then compiled and submitted to the Placement officer.

The dissertation project evaluated by the mentor on parameters like;

- Number of meetings with the students.
- Feedback of the projects.
- Progress on the project and
- Evaluation of the report.

• Internship:

It's one thing to learn concepts whilst sitting at a desk, in class and another to practically implement what one has learned. Internships in media were offered with opportunities to learn some practical skills.

Our SYPGDM students were offered opportunities in the Print media, Advertising agencies, Digital Marketing etc. To name a few agencies where our students where the students were interning were Hindustan Time, Ogilvy, Saatchi and Saatchi, Alt Balaji, Endelmode, TBWA, MullenLowe Lintas, Leo Burnett, Wavemaker. This opportunity not only helped the students to gain confidence, but also developed and refined their skills and gained valuable experience while exploring a career path. It also helped them build a network with professionals in their respective fields.

• Examination:

The Examination Department is a robust, responsive, fare and transparent, is a multi-faceted system geared to give quality assured and time-bound end to end service to students and stakeholders. For PGDM students the Institute held online examinations for their student the period of pandemic with the support from the Gold Academy- an in-house Learning management System. The examinations were scheduled as under:

Regular Examinations were scheduled from 22nd to 28th of May'20, results of which was declared on 3rd June'20 to the students. Results were declared on 3rd June 2020. ATKT Examination were scheduled on 15th and 16th June 2020.

• **Specialization Selection Process:** Trim IV allows the students to opt for either Advertising and Communication or Media and Entertainment as a stream of specialization. To guide them through the selection of their streams the following process was followed as a part of mentoring as under:

• **Phase I-** A Written Examination was administered comprising of questions from areas of Advertising, research, Branding, Production, Television and Films for 100 marks.

• **Phase II-** A Group Discussion was conducted by dividing the students into 6 groups and were given topics in their areas of interest to discuss.

• **Phase III-** A Personal Interview was also held for all the students to judge their subject knowledge as well as their awareness for the stream of their choice.

Significant emphasis was laid on training and placement program, with models of MEAM and Mindful Communication, facilitating the process of placement driven activities.

Academic Council Meeting held on 29th June 2020

PGDM's 9th Academic Council Meet took place online on 29th June 2020. Those present at the meet included RSET's President Shri Ashok ji Saraf, Dr. Swaroop Rawal – an Educationist and actress, Dr. Rupa Shah, the former Vice Chancellor of SNDT University, Mumbai CA Anil Bhandari, Central Council member and mentor-ICAI and Director of ANP, Mr. Sandip Tarkas, Director of Songdew Media Pvt Ltd, Dr. Ashish Kulkarni, Founder, Punnaryug Artvision Pvt Ltd and FICCI AVPCG, Sundeep Nagpal, Director, Media Strategy, DGMC's Principal Dr. Amee Vora, Registrar Yashwant Baing, MACJ Faculty-in-charge Dr. Dilnaz Boga, PGDM Program-in-charge Mr. Partha Pratim Samanta and Assistant Professor Rubina Mohammad.

Objective

The objective of the academic council meet was to seek the approval on the revised Program Architecture for the PGDM program, which had been approved by the Board of Studies in their last meeting held on 15th Feb'2020.

Outcome of the 9th Academic Council Meeting

The Academic Council members gave their approval for the new architecture for the incoming batch of 2020-2022 and they complemented the college for framing a very robust and power packed program architecture.

Under Graduate Academic Activities – April / May / June -2020

CAREER LAB

Deviprasad Goenka Management College of Media Studies (DGMC) initiated the "Career Lab" sessions with an aim to enhance the "Written, Communication and Language Skills" through planned activities.

"Career Lab" the brain child of Dr. Amee Vora, Principal, DGMC, was a unique and skillful, Career Lab program divided in to three phases from the month of April, May till June, 2020. The sessions were attended by under graduate students of BAMMA and BAFTNMP. This 50-hour module was attended by more than 540 students of DGMC.

The first phase (20th – 30th April, 2020) of the 'Career Lab' emphasized on the need to enable students to communicate clearly with an impact, by improving their verbal and written communication style, as well as improving their interpersonal skills.

In the second phase (4th – 14th May, 2020) the students were encouraged to design a strategy for developing and telling stories. Shaping individual ideas into compelling and well-structured narratives and complex story worlds, identifying, understanding, and engaging different audiences in their stories, helps the student to participate in the larger story world they created.

The third phase (4th – 22 June, 2020) The overall objective of this final session was to assess and motivate students, written expression of thought and provide learners opportunities to explore ideas and to build connections between content areas.

Yoga day

DGMC OBSERVES INTERNATIONAL YOGA DAY 2020 held on 21st June, 2020 on Google Platform

Yoga is a group of physical, mental and spiritual practices or discipline which originated in ancient India. The idea of International Day of Yoga was first proposed by the Prime Minister of India Narendra Modi during his speech at the United Nations General Assembly in 2014. The United Nations subsequently declared June 21 as the International Yoga Day on December 11, 2014. Many countries which do not know our language, tradition or culture are now connecting to India through Yoga.

In pursuance of this wonderful initiative by Prime Minister Modi, Deviprasad Goenka Management College of Media Studies organised an online session on Yoga by practicing Pranayam and Meditation on 21st June, 2020 for the teaching and non-teaching staff to help achieve mental peace and pursue fitness in spite of their busy working schedule and in this ongoing lockdown period.

The session was conducted by the renowned Yoga Guru Sharmila Saurashtri all the faculty and staff benefitted immensely from it and even suggested to continue the practice with in the college campus post lockdown.

Guest Lecture Series

Mukhlis Alam from Tata Institute of Social Sciences (Mumbai) conducted two lectures in April 2020 with MACJ Part I for the subject of Media Research. The students who attended the lectures online were taught various facets of statistical research such as nature, scope and limitations of statistics, Descriptive and Inferential statistics, Kinds of Variables, Bell-shaped curve, Median, Mode, Variance and Covariance, Correlation and Regression, Parametric, Non-parametric tests, Spearman's rank, Correlation Coefficient, Chi-square test and Anova and Kendall Rank Correlation. In the question and answer session that followed both the sessions, students dispelled all their doubts on the complex topics.

Careers & Opportunities

Webinars

Webinar: Media Takes A New Dive: Careers and Opportunities

A free webinar "Media Takes A New Dive: Careers and Opportunities" was organised under the leadership of Dr. Amee Vora by the Internal Quality Assurance Cell of Deviprasad Goenka Management College of Media Studies. The webinar was hosted on 26th May, 2020 from 4 p.m to 6.30 p.m on Zoom online platform and live streamed on YouTube.

The eminent resource persons - Dr. Amitha Sehgal, Mr. Sandip Tarkas, Mr. Vishal Nongbet and Ms. Ankita Bhatkhande enlivened the webinar with their expertise and experience. DGMC alumni - Ms. Anushree Shetty, Ms. Seema Tiwari, Mr. Varun Menon and Mr. Rugved shared their learning experience at DGMC emphasizing the need for field specific educational grooming in building a career.

Participants across India benefitted from the webinar's holistic guidance and visionary prognoses of the post - pandemic trends in educational qualification, skill sets and career demands in the areas of Media, Communication, Journalism and Entertainment.

Web Rendezvous

Webinar: WEB Rendezvous: Unlocking Young Minds: Gen Next

Deviprasad Goenka Management College of Media Studies (DGMC) held a webinar, "Unlocking Young Minds: Gen Next" on 27th May, 2020, from 3 pm to 5 pm with eminent panelists, faculty and students. The panelists for this webinar were Dr. Sumati Oza (Moderator) founder and director of 'Image-Eleganz', Dr. Harish Shetty a practicing psychiatrist and the founder of 'Maitri' an organisation that works with families affected with mental illness, Dr. Hanif Lakdawala, Director at Akbar Peerbhoy College of Commerce & Economics, advocate Sheetal Metkar, a parent of a student at DGMC, renowned Odissi dancer and the founder of 'UTKAL Nritya Niketan' since 2000.

The webinar was broadcast on YouTube via Zoom app which attracted 1K+ live viewers. During the webinar, various opinions were showcased regarding the impact of the lockdown on the student's lives and their career. These opinions came from different stakeholders, including international students, Indian students, psychiatrist, parents, as well as teachers and expert.

All the panelists agreed that the recent lockdown had both positive and negative side, and therefore the impact differed from person to person. For example, international students were complaining about being away from their families and mentioned how much they are struggling with food arrangements, and how much efforts they took to assure their families of their safety. Meanwhile, Indian students complained about staying home all the time and missing personal privacy and freedom. The daily routine for both international students and Indian students changed as they started new activities such as cooking or helping their families.

Parents stated that the lockdown was a reason that they became close to their kids, as they spent more time with them and also complained of difficulties in trying to make this time easy for them.

Experts advised that, an individual's state of mind is more important than college or studies and that students along with parents should focus on their mental health. They cited some examples about the tricks to achieve that such as reading, practicing yoga, learning a new skill or hobby, keeping busy, praying and so on.

Panelists also discussed the matter of online learning. Students agreed that online lectures are a good method to study as they are more comfortable and easier. At the same time, both students and teachers confessed that they are missing their classrooms.

Overall, one has to deal with any disaster or crisis happening in our lives and sometimes the issue is not in the problem itself, but how we deal or handle it. Dr. Shetty advised the participants not to take tension and deal with the COVID 19 pandemic by taking care of our mental health and adjusting with whatever resources that is available.

ADD-ON Online Workshop

Auroville Film Institute and DGMC Collaboration

The online documentary film-making workshop was held from 18th to 25th June 2020.

DGMC always aims at enhanced learning experience across programmes. We are keenly aware how exposure helps shape student learning experience and advance motivation and achievement. To ensure continued learning, even in this lockdown where the entire education came to stand still DGMC collaborates with Auroville Film Institute for academic exchanges.

Auroville Film Institute is manifestation of the long-standing dream of the Mother (Mirra Alfassa – the founder of Auroville) of having a "cinema studio, a cinema school..." in Auroville. Dedicated to the cinema of awakening, the Auroville Film Institute has certain guiding principles like "Unending education and constant progress and Human Unity above all. Richa Hushig and Rivu Laha are the founders of this institute. DGMC and AVFI hold hands to take such a noble dream ahead by launching their first online workshop titled: Unlock: Film Your Thoughts. We are lucky to have

UNLOCK!

ADD-ON Online Workshop

them as the instructors for our collaborative initiative.

This workshop will familiarize the participants with the basics of media and audio-visual storytelling – to enable them to produce their own stories within the confines of their own spaces; using handy equipment like personal computers, cell phones or any other cameras/ gadgets readily available at home. Online documentary film-making workshop reflecting on self, surrounding and stories was received well and we look forward to Phase II.

Library: Report on World International Book Day Online Quiz Competition on 23 April 2020

On the occasion of World International Book Day, 23 April, DGMC library organized an online quiz competition. 318 participants from the students, Teaching Professionals and Academic Staff took part in the Quiz.

The analysis of the Quiz results found that there is a need to inculcate reading habits and writing skills amongst the students. In order to facilitate this habit, there is a need to build on the E collection of books and most importantly to make it available to the students.

Online Educational Journey with GOLD Academy

Academic Programs evolve with an inherent commitment to integrated sustainability. Promoting sustainability is a major driving force of DGMC's Internal Program Quality Assurance process.

Of late, the Novel Corona virus pandemic crisis has subverted the time-honored teaching-learning process and brought our Undergraduate Program to the digital mode of interactive learning. While half the world of academia was groping in the sudden darkness that sealed the functioning of institutions, DGMC found itself one step ahead along the road to a new educational paradigm.

Online lectures for BMM, BAMMC and BAFTNMP were seamlessly undertaken amidst the clampdown of the lockdown. Thanks to the prompt intervention by the IT department! Both in-house faculty and visiting faculty transitioned from physical classrooms to online portals of instruction to conduct add-on lectures.

The online lectures conducted for our undergraduate programmes during the lockdown were an amazing testimonial to our college's earnest attempt to walk the extra mile to keep our students fruitfully engaged in upskilling themselves in the area of career-oriented communication and creative writing.

Kunjibhari's Goyal Online Academy of Learning and Development, with its vision of providing online learning content to anyone located anywhere, is all set to facilitate the process of mentoring, monitoring and evaluating learning intake. Living up to every word stated in the tagline of Gold Academy, LEARNING BEYOND BOUNDARIES, it has certainly assisted DGMC in delivering resourceful digital interface with students with incredible competency.

The examination section of the department being robust, responsive, fair and transparent, is a multi-facet system with a wide range of activities geared to give quality assured and time-bound end to end service to students and stakeholders.

Leveraging on the substantial benefits of technology and with a vision of providing online solution, the joint efforts of Gold Academy and DGMC have helped in successfully mitigating every obstacle that appeared in our online educational journey.

Webinar Activities Partaken

Teaching and Non-teaching staff kept abreast on relevant topics during the lockdown Webinars attended by Teaching and Non-

Teaching Staff:

1. The webinar on NAAC was organised by iquaaclusterindia.com (whitecode) in the month of 22nd to 26th April, 2020. The following syllabus was covered in the webinar:

- Institutional of IQAC.
- Curricular Aspect.
- Teaching, learning and evaluation
- Research., Innovation and extension
- Infrastructure and learning resource.
- Students support and progression
- Governance & leadership
- Institutional values and best practices.

2. Webinar organized by Jhunjhunwala College with key resource person Ms. Usha Mukundan with regards to the NAAC- work assignment for the administrative staff (Registrar, Accountant, Head Clerk, etc.) on record maintenance.

3. Advanced Excel Online Workshop organised by Valia Center of Excellence, Valia College

4. Online Teaching Masterclass organised by Indian Institute of Digital Education on Exposure to Content Creation Tools, Strategies and Models in online teaching conducted by Karan Shah, CEO, IIDE.

5. Queer Studies in India: Some Reflections organised by Kerala University / Speaker Dr. Parasuraman on Tracking and Tracing the colours of gender equality from the age of Manusmriti to the age of post modernism.

6. Webinar on Covid -19 and the Media organised by CNBC Awaaz conducted by Journalist Alok Joshi on Analytical practice oriented view on role of a journalist in global pandemic.

7. Workshop on Criminal Justice Social Work: Scope and Challenges organised by Department of Criminology and Police Studies, Sardar Patel University of Police, Security and Criminal Justice, Jodhpur. Speaker Prof. Vijay Raghavan spoke on the Importance of multilevel interventions for achieving Criminal Justice in the context of #blacklivesmatter

8. Insights for Academia Faculty Development Program: Learning, Pedagogy and Effective Use of Case Methodology - How to do case studies and incorporate that in e-learning.

9. Webinar on Turnitin software was attended by DGMC Librarian. As per UGC plagiarism policy research paper/article should be checked with plagiarism policy.

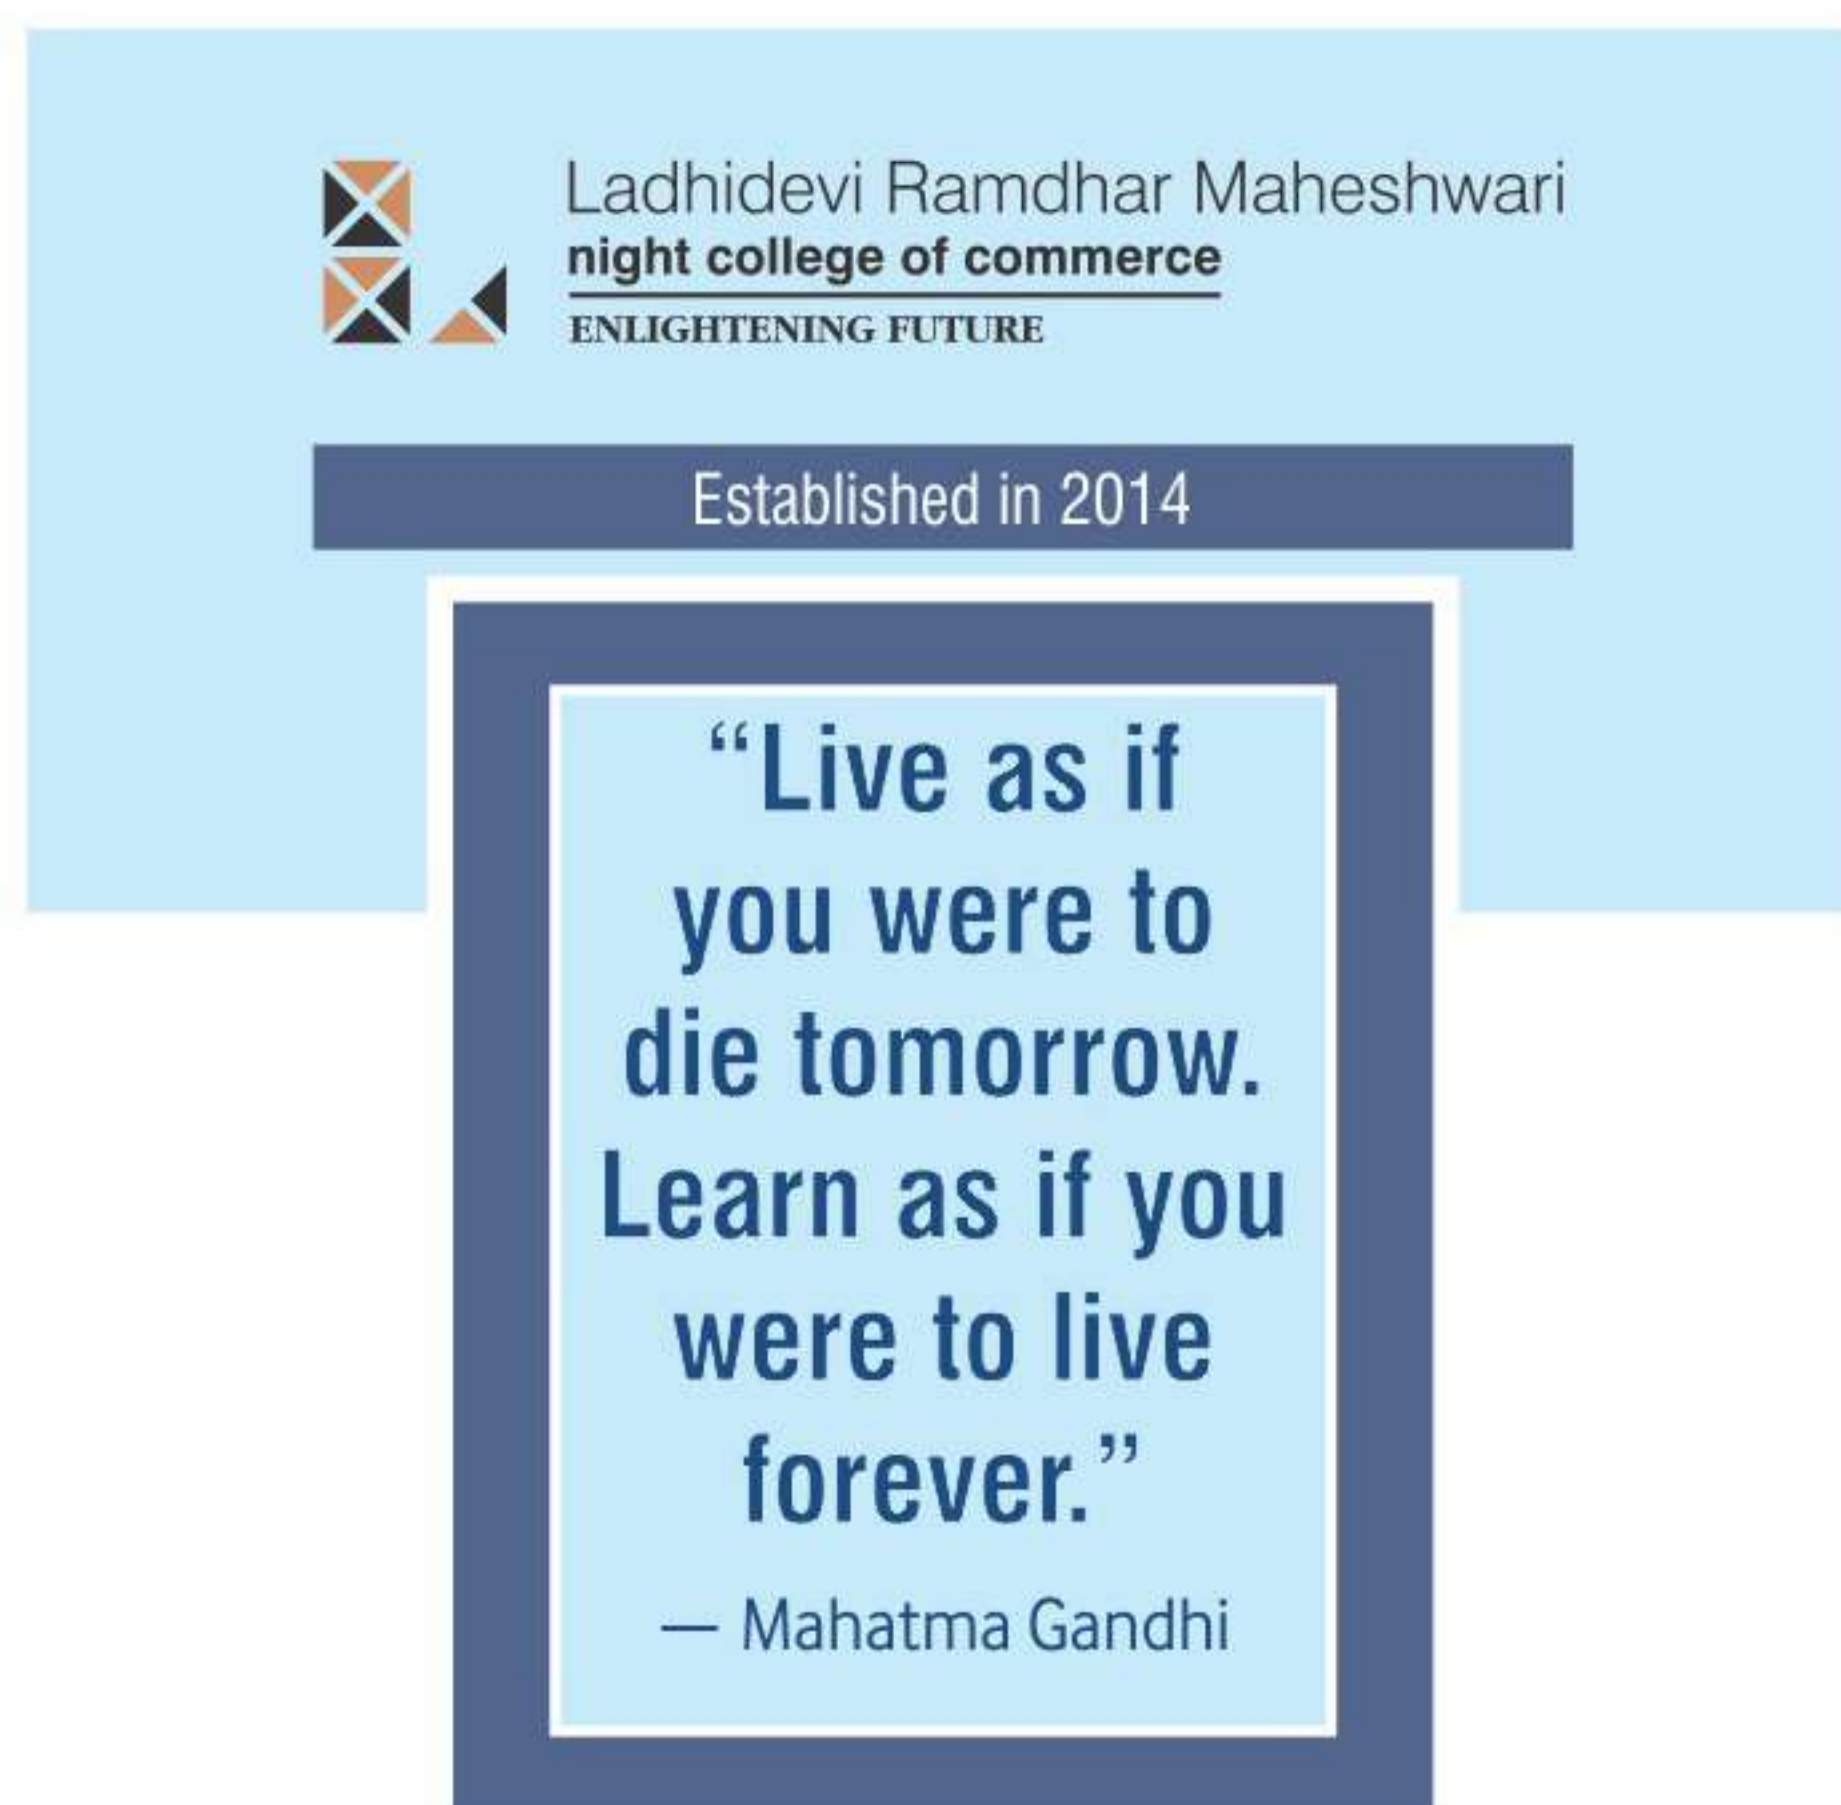

10. DGMC Librarian also attended International Librarians Development program which was designed to understand the work structure and the knowledge for the online collection availability and service provision and maintenance.

June Developments

1. Admission Process was in progress for PGDM
 2. Result process for 1st and 2nd year BMM and BAFTNMP
- Notices were sent to students regarding payment of fees. Special allowances were made for students who were unable to pay their fees due to the ongoing pandemic COVID 19.

DGMC
www.dgmcms.org.in

www.facebook.com/DGMediaSchool

Lockdown did not prove to be a stumbling block for the efficient working of the institution. On the Contrary, the teaching and non-teaching staff took the situation in their stride and utilized the digital space to its optimum for performing the various operations of the institution.

Engaged Lectures

The teaching staff members teaching to the class of F.Y.B.Com and S.Y.B.Com engaged lectures for the months of April and May and those teaching T.Y.B.Com engaged the lectures till the end of the month of June. In addition to it, a teaching plan was also drafted by all the teachers for their respective subject for the coming academic year.

Admission

The admissions for S.Y.B.Com and T.Y.B.Com started from 29th June, 2020. But before the date of the admission and also from 29th June, 2020 i.e. the date of the commencement of the admission the class teachers of respective classes saw to it that their students are getting proper communication pertaining to admission. Certain things were communicated to the students through the formal as well as informal channels. The administrative department in-warded Semester 4 marks of S.Y.B.Com students on Mumbai University portal.

Staff Meetings

The staff meetings were conducted on 29th and 30th April by Principal Dr. Vijayprasad. S. Kulkarni the objectives of which were to solve any doubts pertaining to conducting lecture online.

Covid-19 Combatant

Dr. Nishit K. Dave, received Certificate of appreciation for Covid-19 Combatant from Vinayaka Mission's Research Foundation, Salem on April, 2020. Participated international e-conference on "Strategies & challenges in higher education during Covid-19 lockdown period in India with reference to the world", organised by Govt. of Maharashtra, Govt. Vidarbha of Science & Humanities, Amravati, India on May, 2020. Participated in national webinar of Bajaj College of mgt. & tech.,

Uttarakhand. Received participated certificate of national e-conference on Research in interdisciplinary studies, organised by Govt. college of education, (Govt. of Maharashtra), Akola.

Research Paper Presentations by Staff Members

Our teaching Staff member Ms. Neha Kothari presented Research Paper in following two international conferences and on following topics:

1) Opportunities and Challenges faced by India after COVID 19' in the International Conference on COVID 19 organized by Shri Asaramji Bhandwaladar Arts, Commerce & Science affiliated to Marathawada University, Aurangabad.

2) At International Conference on 'Strategies on Revival of Indian Business in Post Pandemic Economic Scenario' organized by IAA – South Bengal Branch on the topic 'Impact of COVID 19 – from legal perspective'.

Other Activities by Staff Members:

The teaching staff members did other activities like maintenance of records of student's attendance and sending of recorded video lectures to the IT department and preparation and maintenance of Work from home records. The time table committee even prepared the time table in the month of June for S.Y.B.Com and T.Y.B.Com lectures.

Participation in Workshops, Webinars, E-Conferences, Faculty Development Programs, E-Quiz.

The teaching staff members participated in various National and International level Webinars organized not only by the colleges in the city of Mumbai but across the country, in this quarter.

They even participated in various Workshops which provided them with hands on experience with various programs like Microsoft Excel, Statistical Package for the Social Sciences (SPSS); the latter mostly used in research work; to name a few. The Workshops were also of National/ International repute organized by various Colleges across Mumbai City in collaboration with University of Mumbai.

The various Faculty Development Programs (FDPs); the objective of which is also to acquaint the teachers with Microsoft Basics and other softwares mostly used in various industries; saw the participation of Faculty members of LRMC. The teachers also took part in various E-Quiz competitions and E-Surveys organized by various institutes across Maharashtra and India. These programs not only offered our faculty members with good knowledge of the working of various technology but also Certificates.

Library

In the month of June librarian Mr. Pravin Deshmukh started with the work of Stock Verification and Updation of the information about the location of the book in particular shelf into the KOHA library management software; both the work are in progress, the updation work is basically an exercise of Inventory Mapping.

Mainadevi Bajaj
international playschool
YOUNG EVOLVING MINDS

Established in 2014

Ms. Urvi Pal
Academic Head

Mainadevi Bajaj International Playschool had to be shut in the month of March 2020, due to the sudden outbreak of the Pandemic and hence we did not get a chance to formally say good bye to all the kids. Therefore, to conclude our journey, we conducted a PTM session for all the parents via Google meet in the month of April 2020 for the entire batch of the Pre Nursery kids. We also shared the Milestone record for Pre-Nursery batch 2019-2020 over a mail along with the Class Photograph. A script was also drafted by the team to help kids do the activities for skill building at home.

During the month of May 2020 extensive planning was done by the team for our virtual online classes starting from the month of June 2020 due to the lockdown. The videos along with the content and applications to be used was created as the first step towards the online classes. We started the month of June with our Virtual Orientation Session on 1st June, 2020. Our Pre-nursery 2020/2021 batch parents, were happy with the entire session and sent us positive feedback. Virtual classes with varied themes on Me Myself, Parts of my Body, My Family, were done through videos. Teachers did the introductions of themes by innovative ideas, teaching aids too.

We had an informative session by the Coordinator on the topic of: How to tap the potential of young tiny tots. We also celebrated Fathers' day on 21st June, 2020 by sending out a Handmade card to all the Proud Fathers. A post was created out of all the beautiful messages by our tiny tots to their beloved Fathers and then uploaded as a surprise on our Facebook

Mrs. Dixha Nath
Program Head

page. A kit with all the basic stationary items was provided to the parents which in turn helped them to do art activities with convenience.

career counseling centre
STEERING TO SUCCESS

Established in 2011

Mrs. Dixha Nath, Director

In the middle of every difficulty lies an opportunity.
- Albert Einstein

The year of 2020 is marked with pandemic bringing in new normal across the world. The difficult phase has given an opportunity to all to think out of the box and be innovative. RMCC understands the challenges this phase has brought upon students and individuals in terms of uncertainties and limitations.

RMCC team geared itself and come up with offerings which could be serviced online and would benefit students and individuals with their mental wellness and academic/career decisions. Counselors have been addressing individuals' emotional concerns through online sessions. On 14th May, 2020, RMCC conducted a "Mandala Art Webinar" with an objective to provide strategy to relax and to cope with stress and anxiety especially amid Covid 19 lock down.

Over approximate more than 130 participants attended the webinar which was conducted by Mrs. Geeta Dalal who is renowned mental health practitioner.

The speaker displayed various intricate designs which would be used to create mandalas and handhold the participants to create their own mandalas. As shared by the participants the experience was very therapeutic and help them to feel relaxed and calm.

RMCC formulated a Life Skills program for the students of grade 3rd to 9th for them to be able to understand the life challenges and how as students they can manage situation successfully without feeling overwhelmed.

The life skills that were covered during the sessions for students of grade 3rd to 6th focused on building empathy, working on effective communication, fostering creative and critical thinking. Problem solving and decision making, building self-awareness, coping with stress and emotions and building interpersonal relationships were the life skills topic module for students of grade 7th to 9th.

These ten life skills are recommended to be a part of the education system by the World Health Organization for leading an enriching and full filling life for all children and for maintaining their mental health.

RMCC conducted Emotional wellbeing webinars online during the COVID times in the month of June. The webinars focused on managing emotions, building interpersonal skills, goal setting, time management, building resilience and self-care during these unprecedented times. The

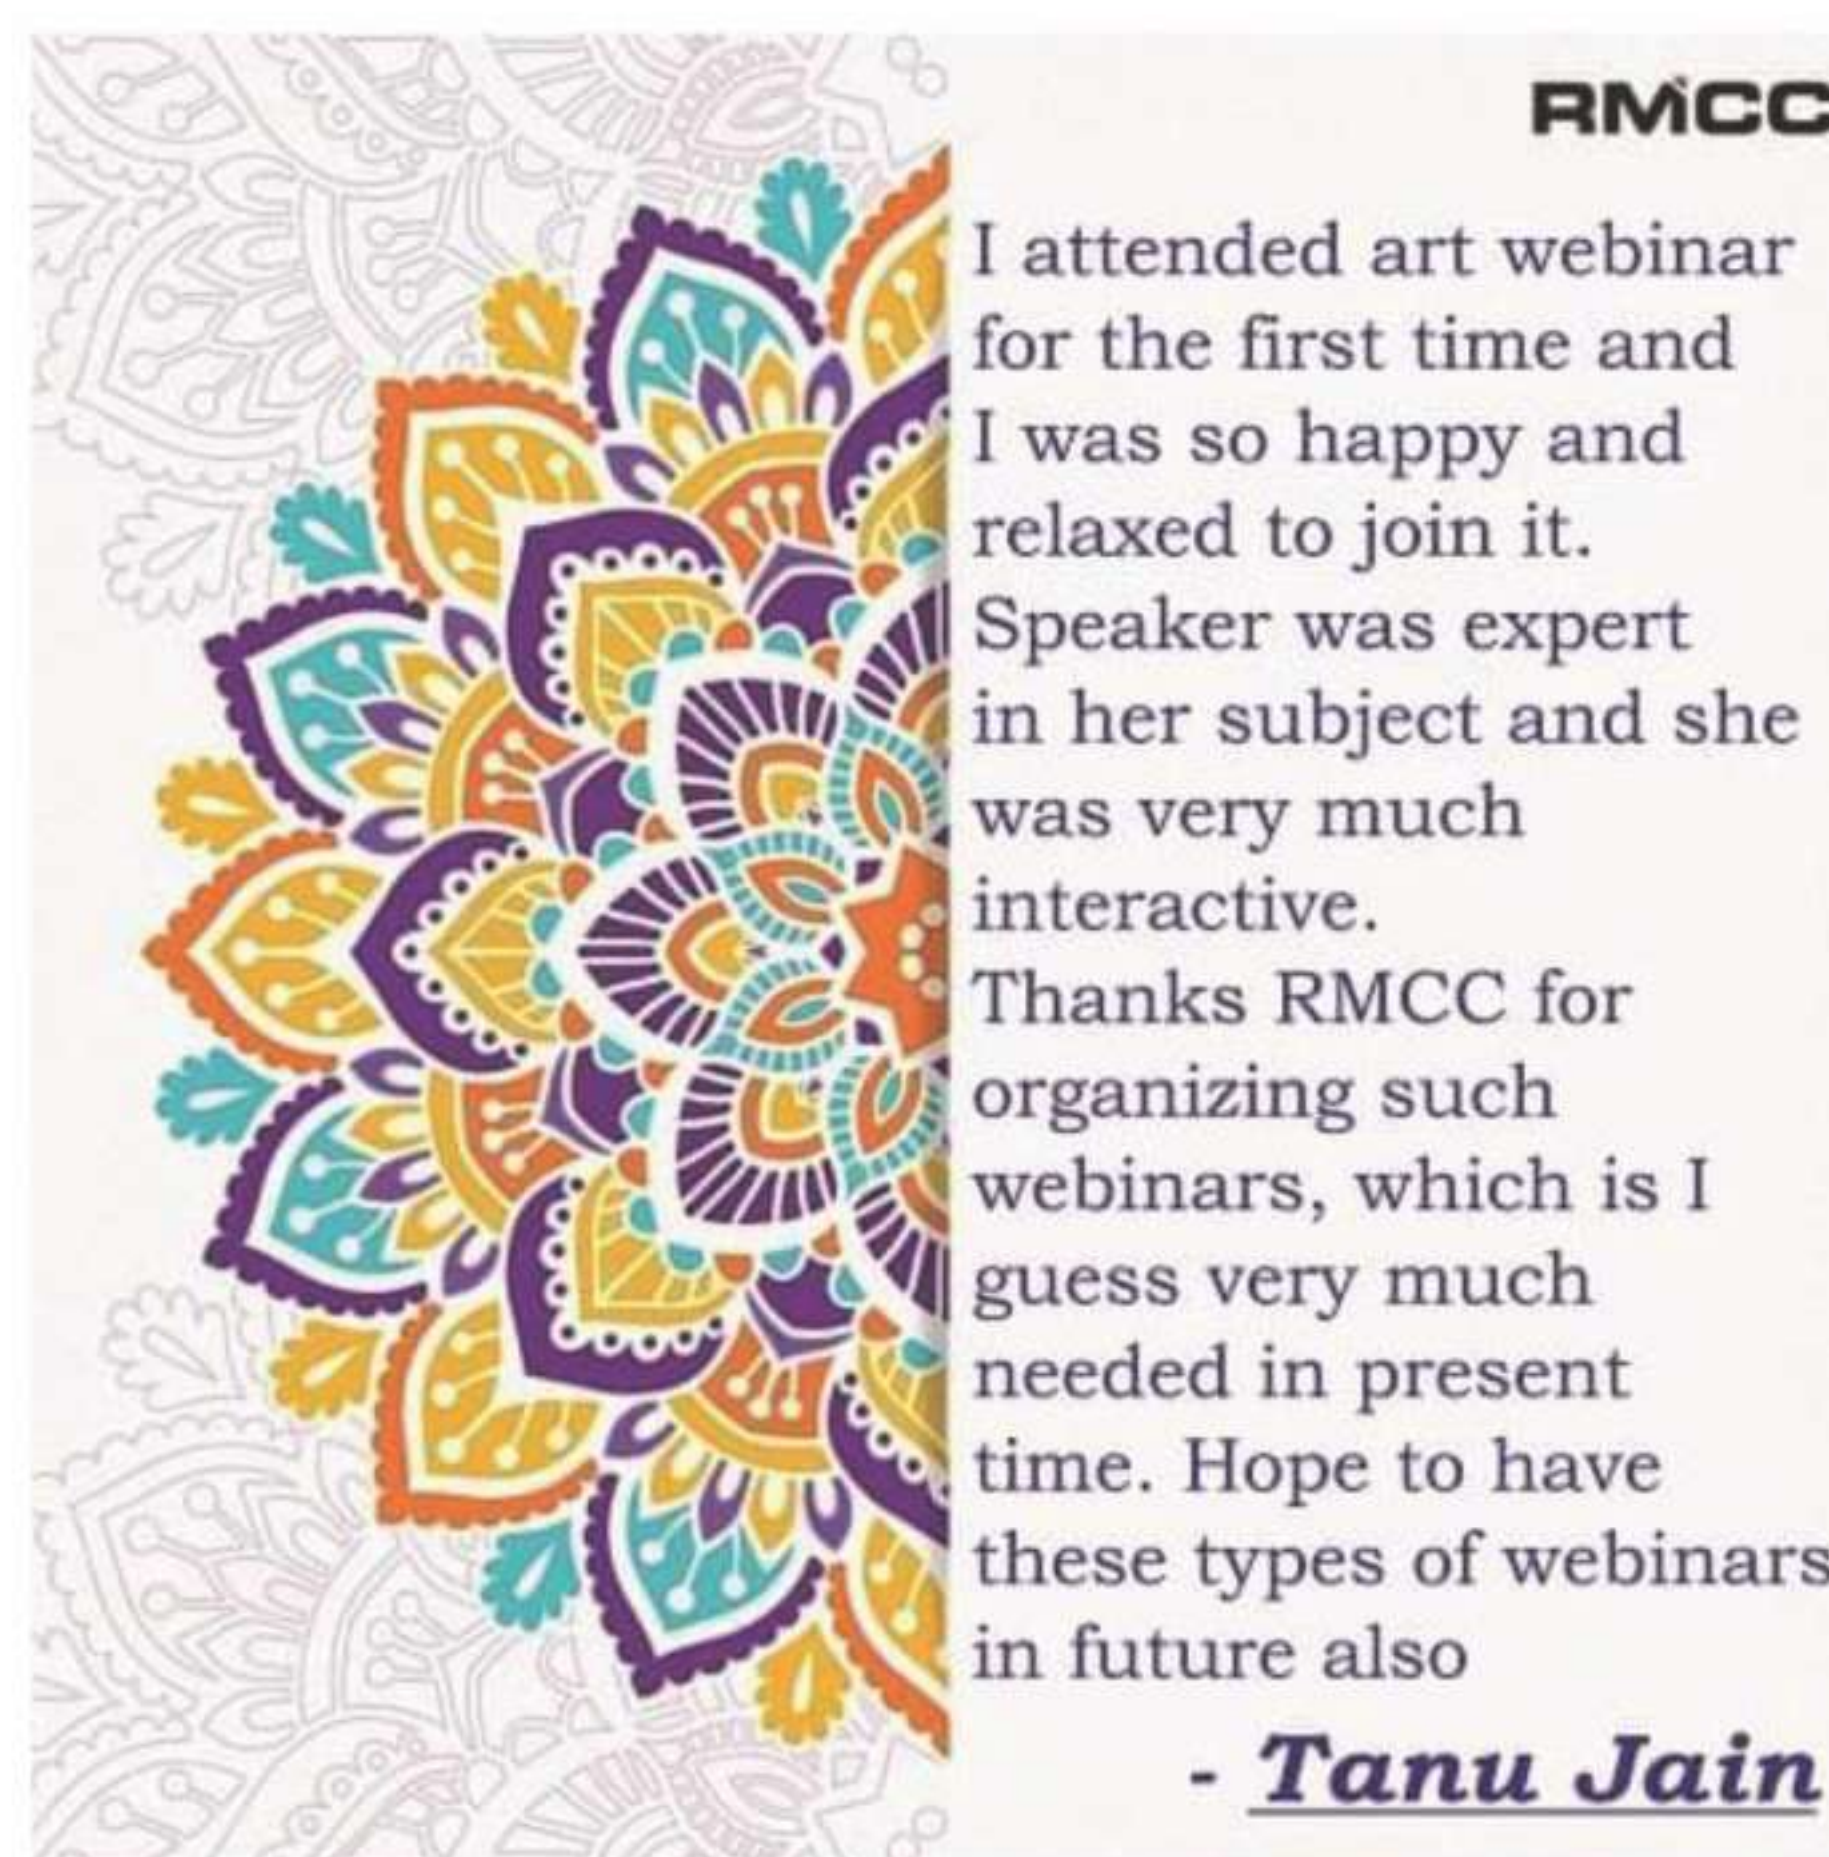

objective of each of the sessions was to help children from the 4th - 10th grade regulate their emotions, learn effective strategies and take care of their mental well-being.

RMCC organized a **Career Guidance Webinar** for Parents and students studying from grade 8th to 12th on 26th June, 2020 with the objective to spread the awareness on importance of choosing the right career path. The webinar focused on the importance of subject selection for students in their formative years and why it is imperative to know career options at an early stage.

A webinar on **Emotional Wellbeing for Women** was conducted on 30th June, 2020. This webinar threw light on the importance of how to be emotionally resilient and how to manage self in the challenging times. Women are the ones who are their last priority to take care of their self and hence this webinar focus on importance of ME time and how to deal with challenging emotions and thoughts. The activities like looking within did bring a lot of calmness in them and they could feel energized. Safe place was another task they enjoyed recreating their favourite safe place where they could feel safe and added elements to make it more soothing and comfortable for themselves.

Online career counseling sessions have been conducted for students and working professionals to assist them with their Career planning. Online assessment and individualised online counseling have allowed us to reach out.

Individualised remediation sessions have been conducted by special educators for students with academic difficulty. The sessions are interactive and engage students with various activities. The progress in students is much appreciated by the parents.

Testimonial for Mandala Art Webinar

Mansimran - Thank you for such an amazing session. I was so engrossed in making my mandala and felt so relaxed after it. Looking forward for more sessions in future.

Pooja Ghadigaonkar - It was an awesome and relaxing session. Thanks to Geeta Ma'am for sharing valuable information and providing us with another strategy to calm down. The art of Mandala helped me to keep grounded regardless of external chaos in the environment.

Thank you once again to Geeta Ma'am and RMCC team for an amazing webinar.

Testimonial for Emotional Wellness Series Webinar

RMCC

Emotional Wellness Series for Children

I had a lots of fun and learnt things

- Revaa Asawa

Tanisha Purohit - It was a very good, exciting n enjoyable lecture..I enjoyed very much.

Mohammed Balwa - Happy and interesting session

Ananya Bhat - Loved the initiative taken especially for kids during this time.

Aryan Nitesh Jain - I like the webinar very much & I enjoyed it a lot thank you

Prini Jain - it was really helpful thanks a lot for this webinar.

Testimonial for Career Guidance Webinar

Career Guidance Webinar

RMCC

The session helped me a lot to choose my career. I found all my answers through the webinar.

- Nausheen Mapkar

Joshika - It was great... I enjoyed and got a lot of info.

Prini Jain - it was really helpful thanks a lot for this webinar.

Testimonial for Women Webinar

RMCC

Emotional Wellness Webinar For Women

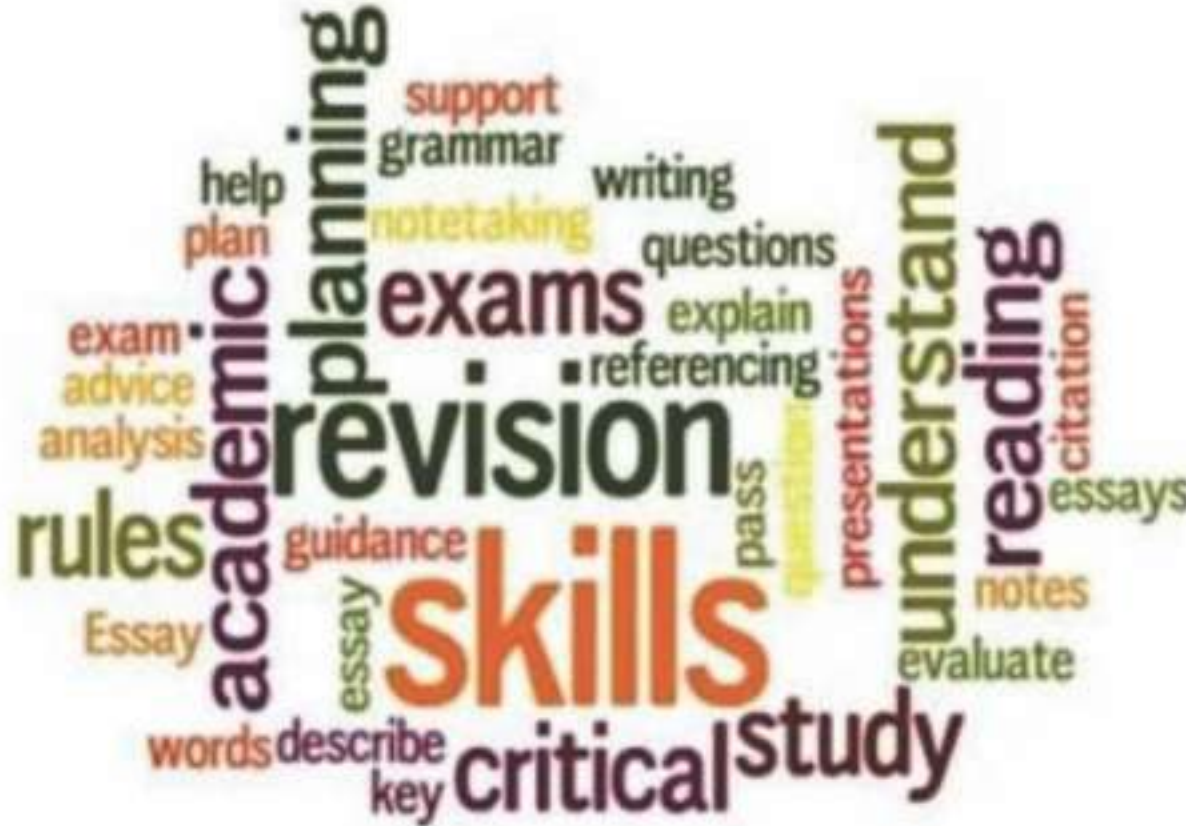

Thank you so much.
Definitely helped us become positive.

- Krishna Radhakrishnan

Siddhi Rane - It was bunch of helpful activities and tips which made us refresh our lives happily.

Sreevidya Charlu - The webinar was good. Felt relaxed and calm to listen to all positive things.

**Draupadidevi Sanwormal
women's hostel**
HEAVENLY DOMICILE

Established in 2012

Ms. Bhawna Mishra, Rector

"It is time for us all to stand and cheer for the doer, the Achiever-the one who recognizes the challenges and does something about."
-Vince Lombardi

The month of July is usually a greatly engrossing month for Draupadidevi Sanwormal Women's Hostel as admissions begin for the forthcoming tenure. This year, due to COVID -19 Pandemic, there was complete internment of academic establishments from the mid of March 2020. Due to this, several students departed for their hometown. New admissions have started currently for the tenure of July 2020 to June 2021. In June, we have been receiving renewal applications from most students and also the month of June was once more glorifying for the hostel. Due to the lockdown, the academic establishments have opted for on-line modes to resume classroom-based educational activities. The previous students are yet to resume their stay in our hostel. They have invigorated the renewal by making online payment. It was indeed very considerate of Management to waive off fees for July within the renewal period.

At present ten foreign students are residing in the hostel. They are served with hygienically prepared brunch along with dinner by the in-house caterer of RSET. These students belong to the countries of Thailand, Madagascar, Mauritius, Sri Lanka and Namibia. The Rector of the Hostel has been taking care of the comfort and safety of the students throughout the pandemic. A meeting was conducted with the Rector

and the Management in which the challenges and views of each the hostel employees and students were discussed in detail.

In order to maintain the cleanliness and hygiene of the hostel, the House-keeping staff has been cleaning all the areas at frequent intervals even when conveyance wasn't available for the employees throughout the lockdown due to COVID-19 pandemic. Various tasks associated with the Annual cleaning work was additionally disbursed throughout this period within the same means, security services were made available 24x7 by deputing security personnel within the hostel premises. Other facilities such as free Wi-Fi access to the whole building, provision of fire detection and fire-fighting system and CCTV were also provided to the hostel for convenience, safety & security of hostel students.. Some gym equipments have additionally been provided within the hostel so that students can lead a healthy routine as per their convenience.

The hostel staff have been ensuring to take every measure that has been mentioned by the government to protect the students from the pandemic. Weekly Sanitization and Pest Control procedures are carried out thoroughly under the supervision of the Rector. The Rector had been working closely with all the staff who were working in the hostel to ensure proper functioning of the hostel. The Rector was available round the clock for each and every student in order to ensure the welfare of all the inmates of the hostel by abiding to all the safety measures during this sudden outbreak of the pandemic.

Just like every year, half-yearly health check-up camp will, be conducted for the Hostel inmates by Ayaksha. All the rules and regulations were once again read out to the students to confirm that they abide by the rules that are laid out for them. Students were suggested to take care of the hostel property equally as they'd do in their homes. The students were suggested to use all the amenities properly followed by general directions such as:

- To keep the respective rooms in an orderly manner as there can be visitors who would be aspiring to seek admissions and would reflect an optimistic arena for them as well.
- Switching off the lights, fans, air-conditioners, plug points when not in use for conserving the energy.
- Conservation of water by closing taps of washrooms and basins when not in use.

The students who have been aspiring to take admission in our hostel have also given extremely encouraging feedback. New students are highly anxious about joining and settling in the new city of Mumbai.

The Rise of e-Learning

With this sudden shift away from the classroom in many parts of the globe, some are wondering whether the adoption of online learning will continue to persist post-pandemic, and how such a shift would impact the worldwide education market.

Research suggests that online learning has been shown to increase retention of information, and take less time. The changes corona virus has caused might be here to stay.

Activities – New Initiative

April - June 2020:

• **The long lockdown for the COVID-19 pandemic had stopped physical access to Schools, Colleges, Management Institutes, and other supporting institutions of Rajasthan Sammelan Education Trust (RSET).**

• **RSET has quickly adapted and gone to great lengths to embrace this new kind of e-learning.**

• Initiated the activities to record and make a repository of online lectures conducted from all RSET institutes in Gold Academy's LMS with the help of IT & ERP support.

• In response to significant demand, for online learning RSET IT support department in collaboration with Gold e-Learning, experimented various platforms available. Google Class Rooms, Google Meet and Zoom online were the platforms shortlisted as suitable aids for accomplishing effective online education.

• The step wise plan was designed

- Schedule a lecture
- Conduct a lecture
- Record the lecture
- All online activity details are maintained on RSET ERP software specifically designed & developed for online activities.
- All video content is given a proper naming system for easy identification
- Upload the lecture on GOLD E-Learning portal
- Creating Courses, subjects, Topics in Gold LMS System
- Access to students for online Learning
- Conduct Online Examinations

• Plans and Future Activities

- Plans to capture & record all online lectures & activities once new Academic Year starts for all the RSET institutes with support of RSET IT team.
- Quality checking
- Upload all the recordings into Gold Academy's portal and make it easy for students for online learning.
- Plans to upgrade the Gold Academy's Online Test Module and customize it according to the requirements.
- To provide a common platform for all RSET institutes to conduct internal as well as external online exam on Gold Academy's LMS.

- Till June 2020, Gold Academy is enriched with good number of repositories in terms of online lectures recorded videos conducted by RSET institutes.

Other Activities:

- MCQ type online test conducted for internal exams on Gold Academy's Learning Management System (LMS) for DGMC- PGDM Students (Trimester-III & VI)
- 270 students successfully appeared for the exams conducted for 4 days.
- MCQ type online test conducted for internal exams on Gold Academy's LMS for GSCC- SELF FINANCE Students, MCOM (Semester-II & IV)
- Approximately 1326 students successfully appeared for the exams conducted for 4 days.

Promotional Activities:

- Started promoting Gold Academy's facebook page & YouTube channels
 - Selected few important lectures from FY, SY, and TY B.Com recorded videos for GOLD Academy's Facebook page & YouTube Channel promotions.
 - Edited, checked rendered, uploaded and published on facebook & YouTube with descriptions.
 - 40+ Videos and Images Posted & Published on facebook page
 - 30+ Videos Posted & Published over YouTube channel
 - Total no. of likes in Gold Academy's facebook page : 5.2K and YouTube channel: 1.2K
 - Total no. of views in Gold Academy's facebook page followers: 5.15K & YouTube channel views: 111.3K views
 - Total no. of Gold Android App downloaded & Installed till date are 1000+ and 484 Active installs
 - Regular SMS & E-mails sent to registered students for new updates.
- Software development & support activities:
Following activities are completed:
- Facebook Promotion (Created and shared Images and Videos for promoting study materials on facebook)
 - Non-B.Com Module made live (Only enrolled students can see their course and cannot see other courses etc.)
 - Changes/Updation in Students Dashboard for Test i.e. pop-up and dashboard counts.
 - Test with Weight-age Module made live (Added weight-age to questions for MCQ test)
 - Module Test Button Auto hide Module made live (Admin can set Date-Time to enable button, auto Refresh Test button Event on IST +5:30 without considering local system time)
 - Course Assign Page filter /Module, view page filter and Course page filter added
 - Paid Students for 2019-20 un-enrolled and informed to renew their courses with emails and SMS notifications
- LMS Code Update: (Local Module with local database)

FITNESS REGIME

Established in 2015

Mr. Dharmraj Yadav, Sports Incharge

During this difficult times, fitness plays an important part of every individuals life.

The more fit a person, the better immunity. If a person has better immunity, there are less chances of getting attacked by any virus or infection.

As our Summer Camps were near, the kids were looking forward to devote their time to their favourite sport after their examinations. However, due to COVID-19, there was complete lockdown & children had to stay at home and became frustrated as they could not engage themselves in their favourite activities.

We at PDSA came up with a solution for this and have been in constant touch with our students and their parents to help them make more fit and strong by preparing workout videos and sending them on a regular basis.

After every two weeks the workout schedule was changed and increased in intensity level with inclusions of proper warm-up, mobility and cool down stretches.

We focused on different components of fitness like

1- Muscular strength

Muscular strength is the amount of force you can put out or the amount of weight you can lift.

2- Muscular endurance

Muscular endurance refers to the ability of a given muscle to exert force, consistently and repetitively, over a period of time.

3- Cardiovascular endurance

Cardiovascular endurance is the level at which your heart, lungs, and muscles work together when you're exercising for an extended period of time. This shows how efficiently your cardiorespiratory system functions, and is an indicator of how physically fit and healthy you are.

4- Flexibility

Flexibility is the range of motion in a joint or group of joints or the ability to move joints effectively through a complete range of motion.

5- Speed

Speed is the ability to move quickly across the ground or move limbs rapidly to grab or throw.

6- Power

Power is the ability to exert a maximal force in as short a time as possible, as in accelerating, jumping and throwing implements.

7- Agility

Agility is the ability to rapidly change body direction, accelerate, or decelerate.

8- Coordination

The definition of coordination is the ability to execute smooth, accurate, controlled motor responses (optimal interaction of muscle function). Coordination is the ability to select the right muscle at the right time with proper intensity to achieve proper action.

9- Balance

Balance as a component of physical fitness refers to the athlete's ability to stay in controls of their body's position.

10- Reaction time

Reaction time is the last dash point for skill-related components of physical fitness. It refers to the speed at which an athlete responds to an external stimulus.

The response we received was amazing. It was loved and appreciated by everyone. Many of the students and their parents started sharing their workout videos with us and requested to keep sharing the new workout videos after every two weeks as they could find difference and improvement in their health and lifestyle.

The month of July is always a very busy month for Jankidevi Bilasrai Bubna Boys' Hostel as admissions commence for the new tenure. This year, due to COVID -19 Pandemic, there was complete lockdown of educational institutions from the middle of March 2020. Due to this, many students left for their home town. New admissions have started now for the new tenure of July 2020 to June 2021. Renewal process for old students has also started. Since the lockdown of class room educational activities is still continuing, old students are not yet back in the hostel. They are renewing for their stay by making online payment. It is indeed a kind consideration of the Management to waive off fees for the month of July in the renewal process.

At present 20 foreign students are staying in the hostel. They are provided with hygienic breakfast, lunch as well as dinner supplied by the in-house caterer of RSET. These students have come from Bangladesh, Afghanistan, Egypt, Madagascar, Tunisia, Tanzania, Ghana, Sudan, Fiji, Mauritius, Sri Lanka and Malawi and stayed in the hostel throughout the lockdown period. The Warden of the Hostel as well as other staff have been taking care of the comfort and safety of these students during the lockdown.

To keep the Hostel neat and clean, the House-keeping staff appointed by the Management have been cleaning all the areas at frequent intervals even when public transport was not available for the staff during the lockdown. In the same way security services were also made available 24x7 by deputing security personnel in the hostel premises. Other facilities include free wifi access to the entire building, provision of fire detection and fire-fighting system and CCTV. Gym facilities have been provided to students in an area in the ground floor. The Some gym equipments such as tread mill, cycle, bench & dumbbells have been provided in the hostel so that students can work –out as per their convenience. New washing machines have also been purchased to provide washing facility of clothes in the washing area.

As is done every year, this year too, half yearly health check-up camp will also be held for the Hostel inmates by Ayaksha, the agency running Vijay Pal Singh Health Centre of the Trust. The Hostel inmates have also been given a slot in the morning (twice a week) to use Pravinchandra D. Shah Sports Academy ground for playing various games after the lockdown period is over.

Jankidevi Bilasrai Bubna Boys' Hostel has a total capacity to accommodate 152 students. Last year, the hostel was full to its capacity with 132 Indian students & 20 students belonging to foreign countries. In JBBH, many students coming from other cities to pursue the professional course of Chartered Accountancy take admission. For proper interaction with each other pursuing the same course, these CA students are generally accommodated in the third floor of the Hostel.

Jankidevi Bilasrai Bubna Boys' Hostel is indeed becoming popular day by day and has proved to be a boon not only for Indian students but also foreign students coming from other countries.

Impact of **COVID 19** on Indian Education Sector With Special Reference to Teaching – Learning Process

Abstract:

The world is battling COVID-19 and economies across the globe have declared a lockdown. Work from home (WFH) has become the norm, especially for service organizations. Following government instructions, even the academic institutions had to shut down temporarily, affecting academic delivery. Thus, they had to find new alternatives to academic delivery, and virtual classes were the way forward. The objective of the study is to assess the adoption rate for virtual classes and to determine the various opportunities, challenges, and reasons for non-adoption of virtual classes. Among those who adopted virtual mode, the mean of actual benefits was significantly less than the mean of expected benefits. Network issues, lack of training, and lack of awareness were stated to be the major challenges faced by them. Lack of awareness was stated to be the most important reason by those who did not adopt virtual classrooms followed by lack of interest and doubts regarding the usefulness of virtual classes. Less attendance, lack of personal touch, and lack of interaction due to connectivity issues were found to be the significant drawbacks of virtual classes. The paper also suggests the ways to overcome the above challenges, drawbacks, and reasons behind non-adoption of virtual classes. (204 words)

Keywords: COVID-19, Virtual Classes, Impact on Learning, teaching – Learning Process, Opportunities, Challenges

Introduction:

You can teach a student a lesson for a day; but if you can teach him

to learn by creating curiosity he will continue the learning process as long as he lives. -Clay P. Bedford

The COVID 19 pandemic, also known as the corona virus pandemic, is an ongoing global pandemic of corona virus disease 2019 (COVID 19), caused by severe acute respiratory syndrome corona virus 2 (SARS CoV 2). At the moment, many countries have taken measures — some of them stringent — to slow down the spread of SARS-CoV-2, the virus that causes COVID-19. Dealing with the unforeseen challenges caused by the COVID-19 pandemic has taken a significant toll on people all across the world.

The petrifying and severe impact of COVID-19 has shaken the world to its core. Against the backdrop of such a pandemic, it is obvious that the education sector will suffer in all the countries like many other sectors. The Indian education system has been badly affected by the entry of the disease and also because of social distancing measures that were taken to prevent the spread of the disease. The ultimate act on the part of the Central government has been to impose a lockdown on the entire country. With the full lockdown being imposed in the country, the education sector initially came to a standstill. This is an unprecedented and unfamiliar situation for all. Nobody still knows when the situation will become normal. It is imperative that the lifting of lockdown should obviously not take place in one go, but gradually, as otherwise the very purpose of the imposition of lockdown will be defeated with the spreading of the disease again.

It is also true that unless the social distancing measures are removed, bringing back normalcy will be difficult. It is a known fact that the educational institutions are most vulnerable for the spread of the disease due to the mass gathering in the classrooms. Therefore unless, the infection is totally eradicated from the country, it is difficult to bring back the students to the schools, colleges and universities. Resuming normal classes in classrooms therefore seems a distant dream at present.

As we are aware that education is a dynamic force in the life of every individual influencing his physical, mental, emotional, social and ethical development. The Indian education system is quite an old education system that still exists. It has produced so many genius minds that are making India proud all over the world. The role of learning is extremely important in the preparation of adolescents and youth for citizenship in a democratic society. The learning process represents the channel through which the adolescents strive to acquire the habits, skills, knowledge, attitude, values and appreciation, which are necessary for effective participation in a democracy. Learning therefore becomes a process by which changes in behavioral patterns are produced through experience. Learning is brought about through teaching.

Teaching process is the arrangement of environment within which the students can interact and study how to learn. The process of teaching learning aims at transmission of knowledge, imparting skills and formation of attitudes, values and behavior. Teaching involves setting appropriate learning experiences for students, and for that purpose includes selection and sequencing of activities or kinds of interactions that would lead to expected learning. Teaching is intended to learning, without learning teaching is incomplete.

Most of the Governments around the world have temporarily closed educational institutions in an attempt to contain the spread of the COVID-19 pandemic. These nationwide closures are impacting over 91% of the world's student population. The UNESCO estimates that about 32 crore students are affected in India, including those in schools and colleges. Therefore, the government has come up with e-learning program.

E-Learning can be defined as is the combined use of computer hardware, software, and educational theory and practice to facilitate learning. In other words it is "the study and ethical practice of facilitating learning and improving performance by creating, using and managing appropriate technological processes and resources". Virtual classes, using various online platforms, have been started in many institutions. It is, however, difficult to say at this moment, how far it has been successful. India is a vast country with many complexities. Only a handful of private schools could adopt online teaching methods. Their low-income private and government school counterparts, on the other hand, have completely shut down for not having access to e-learning solutions. The economic divide, the rural-urban divide and the resulting digital divide all have played an important role. The overall response of the country to the pandemic has thus been very mixed in the education sector as far as e-learning is

concerned.

The situation is very different when one looks at rural colleges and universities. Many students in rural areas may not have access to smart phones or computers. Even if they do, the net connectivity may not be as high as in urban areas.

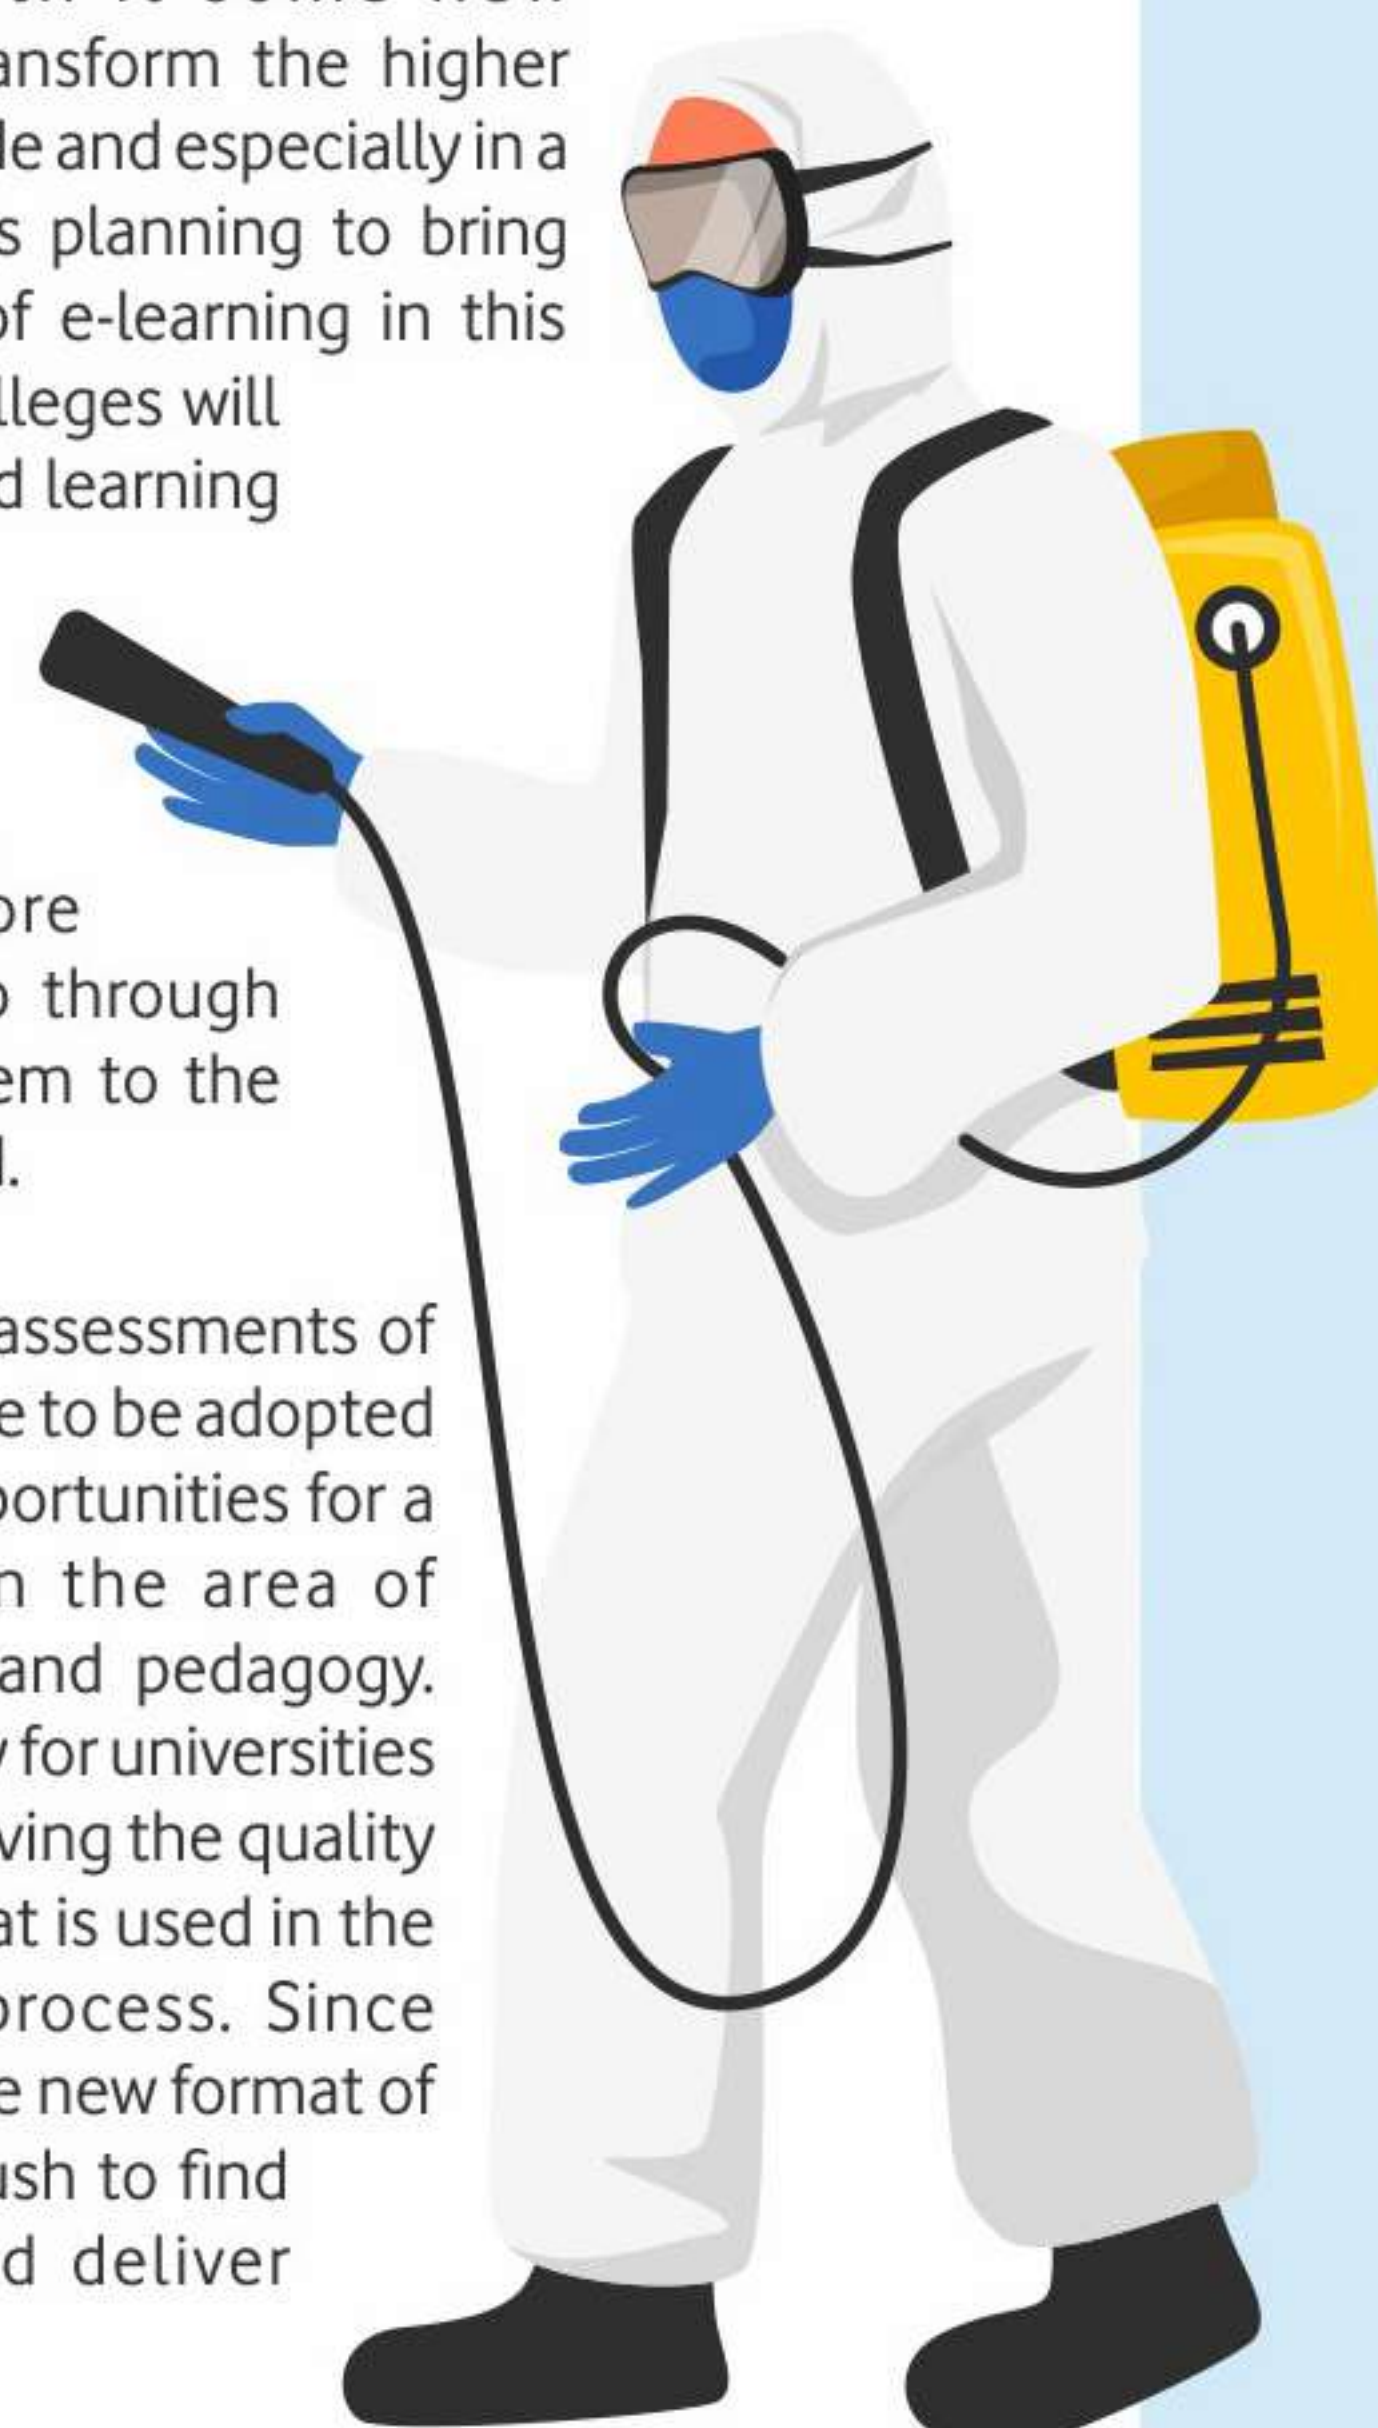

Objectives of E-Learning are:

1. The principal mission of e-learning is to enhance student access to the University's academic programs.
2. E-learning is intended to help students acquire the technical skills and online learning strategies important to the pursuit of their academic and career goals.
3. Teaching faculty also acquire new instructional skills to their professional growth and development.
4. Commitment to provide quality educational programs relevant to the student's future career of their desired courses.
5. Commitment to provide supplementary videos, research papers, books, journals or articles and course modules to help the students in their endless pursuit of knowledge.
6. Establishing an online platform encouraging effective communication between the professors and students.

The speed of the spread of the epidemic, the closure of higher education institutions and the transition to online teaching was so swift that it hardly gave any time to plan and to reflect on the potential risks or the potential opportunities that such a sudden change could bring.

Any change bring with it some new opportunities that will transform the higher education system worldwide and especially in a country like India which is planning to bring about a planned reform of e-learning in this sector. Universities and colleges will shift to a model of blended learning where both face to face deliveries along with an online model will become a norm. This will require all teachers to become more technology savvy and go through some training to bring them to the level that would be required.

New ways of delivery and assessments of learning outcomes will have to be adopted which opens immense opportunities for a major transformation in the area of curriculum development and pedagogy. There is a great opportunity for universities and colleges to start improving the quality of the learning material that is used in the teaching and learning process. Since blended learning will be the new format of learning, there will be a push to find new ways to design and deliver quality content.

The sudden shift to online learning without any planning -- especially in countries like India where the backbone for online learning was not ready and the curriculum was not designed for such a format -- has created the risk of most of our students becoming passive learners and they seem to be losing interest due to low levels of attention span. E-learning is a special kind of methodology and not all teachers are good at it or at least not all of them are ready for this sudden transition from face to face teaching- learning to e-learning. There is a risk that in such a situation, learning outcomes may not be achieved and it may be only resulting in engaging the students.

Thus, we can summarize the opportunities in e-learning:

1. Convenience and flexibility in both place and time.
2. Increased opportunities for all learners to participate, including those who are shy or reticent in face-to-face communication.
3. Provide platform for spontaneous online interaction through question-answer sessions.
4. Take advantage of online materials/materials in different formats such as videos, assessments and simulations.
5. Online education can cost less due to a variety of reasons. For example, there is no cost for commuting.
6. E-learning might give students access to specialized degree courses that may not be available in an easily accessible or local institution of learning.
7. Online courses can help students to study and understand the concepts from the global perspectives.

Different ways in which Online Learning can be made effective in the COVID 19 Pandemic are:

1. Use Good Face time apps like Zoom, WebEx Cisco and Microsoft Teams etc which have good features and can help to support the e-learning process.
2. Collaboration with top nosh foreign universities which can help in guiding local professors to learn and be at ease while dealing with today's technology.
3. Set up an IT Team of experts who can manage the Logistics

and other common problems like technical glitches or any unlawful acts committed by students associated with e-learning so that professors can smoothly conduct their lectures

4. Always be prepared for an effective Plan B where you need to have a backup plan for all assignments and assessments that rely on technology.
5. Evaluation process must be practical based on viva, interviews etc.
6. It would be wise for a professor to take students in batches of 30-35 students for a specific subject to reduce his/her workload and engage in teaching effectively thus maintain the online session's decorum too

Challenges of Online Learning:

1. Requires self-discipline and time management skills.
2. Need to work to build on community connection.
3. Relies on technology being functional and accessible.
4. Conducting open book examinations where a lot of copying or cheating can happen due to lack of proper exam supervision in general.
5. Online Learning may create lot of isolation i.e. lack of social contact with friends
6. Lot of illegal activities like sending explicit messages, hacking and distraction may spoil the quality of online lectures.
7. Having online Exams might be a tough challenge because of open book test or other tests
8. Problem of bogus people entering via meeting links and creating chaos in the online classroom

India is not just going through a reform in the higher education sector, but now it will go through a major transformation in general.

ALUMNI FEEDBACK

Ms. Harshil Manish Patel

Name of the Institution : Mainadevi Bajaj International School

Currently Pursuing: IBDP

Year of Passing: 2020

Memorable Events/ Journey in the Institution:

My most memorable in MBIS was the Re-union. This event was very memorable because we all could meet the passed-out students of MBIS. And second-best event was the Sports Day 2019. This sports day was very special to me because my house won the "Best House Trophy" after many years. I thank MBIS for all opportunities which they gave to me.

Ms. Sakshi Poddar

Name of the Institution: DSIMS (Durgadevi Saraf Institute of Management Studies)

Course Completed: MMS

Year of Passing: 2019

Present Organization: HDFC Bank Ltd., NRI Personal Banker

Memorable Events/ Journey in the Institution:

Just thinking about the alma mater itself is a memorable event. Starting with it I would like to thank the faculty mentors who mentored me towards my career path. Expressing one memorable event would be difficult but, mentioning the few are like, being a part of the Student Placement Cell was a great opportunity for me as it groomed me in every aspect of personality.

Also being a part of FINANCIA Conclave has provided me with a myriad of new and lifetime experiences. This helped me in becoming organized starting from planning of the event theme to getting sponsorship and then inviting participants from across colleges. This helped me learn that how planning is important and without which one cannot execute.

The warmth of batch mates and full time support from faculty members had made my stay memorable and worthwhile. It gives me immense proud to be associated with DSIMS which offers the best possible grounding for the path you are about to take.

Mr. Konark Vyas

Name of the Institution: Ghanshyamdas Saraf College of Arts, Science & Commerce.

Course Completed: BSc I.T

Year of Passing: 2017

Present Organization: Associate Consultant at Cap Gemini India Pvt. Ltd. (3.5 years)

Most Memorable Event in the Institution:

In the year 2014 with God's grace I was able to join Ghanshyamdas Saraf College. GSCC was not only a college but it became my second home during my years of education. Intelligent, kind, resourceful and helpful are some of the adjectives which are still too less to define the greatness of the faculty I was lucky to have at GSCC. I was an average student before I joined BSc IT at GSCC but the faculty here motivated me and I became a confident individual

One of the best memories which was I have is that the faculties helped me even when I fractured my leg during the final semester of my curriculum and wasn't able to attend all the lectures. The faculties of BSC IT helped me to complete the syllabus what I missed after my recovery which motivated me to achieve 3rd rank at the end of our curriculum.. I was also awarded a scholarship while studying my BSc IT course.

INTELLECTION HUB

Established in 2015

Rajasthani Sammelan Education Trust has started RS CA Study Centre. In the city like Mumbai there are space constraints in many houses and students often face inconvenience to study in a peaceful atmosphere. This study centre proves to be a boon to many students, as they are able to study in a quite environment. The study centre remains open from morning till late evening for the benefit of students. The ICAI Extension counter has also been opened at the RS CA Study Centre for the benefit of its students and members, for submission of various documents and distribution of study material to CA students.

RSCA
www.rsca.org.in

Established in 1975

Dhurmal Bajaj Bhavan is a community hall which was constructed in the year 1975-76 with the handsome donations received from Shri Dhurmal Bajaj Charity Trust & other philanthropists of the community. It is situated on S.V. Road, on the opposite side of the Educational Complex of Rajasthani Sammelan Education Trust. It has a spacious, air conditioned hall on the ground floor with a seating capacity of 350 persons. The building has two more halls on the first & second floors. There are air conditioned rooms adjacent to the hall on all the floors. Dhurmal Bajaj Bhavan caters to the needs of the community, as it is rented out to the people for marriage & other social & business purposes. Many cultural activities of the schools & colleges of the trust are also conducted in Dhurmal Bajaj Bhavan.

Established in 2001

Rajasthani Sammelan Education Trust has set up Trivenidevi Deora Chikitsa Sahayata Kosh to provide medical help to needy people. It is managed by Trivenidevi Deora Chikitsa Sahayata Kosh Committee. The committee receives applications for medical help from needy people and on scrutiny of the applications, sanctions and disburses medical aid to the concerned persons who have applied for the same. Many people including the staff of all the institutions have availed of this facility from time to time.

Established in 2002

Durgadevi Saraf Hall is constructed in the educational complex of Rajasthani Sammelan Education Trust & is an air conditioned, sound proof hall with state of the art facilities. It has a seating capacity of approximately 300 persons & is mainly used for organizing seminars, conferences & cultural activities of the educational institutions of the trust. Besides, it is sometimes also given to the members of the community for marriage & other social needs. The hall has all the facilities to cater to business meetings. It has 2 air conditioned rooms adjacent to the hall.

Established in 2010

To maintain universally accepted IT Standards in security, availability and data management, Rajasthani Sammelan Education Trust has decided to have an IT Hub as proper data centre which is supported and managed 24 x 7. The IT Hub is constructed on the 10th floor of the new building, in a built-up area of 3800 sq. ft. It is fully air conditioned and is operational. The main aim of constructing the IT Hub is to make all course material available on line to our students, easy flow of interaction between student and teacher through electronic medium, to create alumni data and keep students attached to our organization life-long through web, to safe guard the campus using video vigilance and electronic access control, to control the entire admission process of all institutions centrally, to safe guard all available data and provide fast internet services within the campus.

Established in 2010

Rajasthani Sammelan Education Trust has started a cafeteria in its premises to provide snacks of large varieties to students. The cafeteria is situated on the ground floor on the south side of Durgadevi Saraf Hall in a total built-up area of approximately 4500 sq. ft. It is used by staff and students of all institutions. Various food items of different price range are supplied by the cafeteria to the students & staff of all our institutions. The cafeteria supplies all kinds of snacks and beverages to the canteens of all the institutions of Rajasthani Sammelan Education Trust.

Established in 2010

Rajasthani Sammelan Education Trust has started an educational outlet in its campus by the name of Ramnarayan Saraf Educational Outlet. This educational outlet is dedicated to the memory of late Shri Ramnarayanji Saraf. The educational outlet is constructed on the ground floor of the new building of Ramniwas Bajaj English High School on the rear side, in a built-up area of 5000 sq. ft., with an independent entrance. In this educational outlet, all stationery items, text books etc. are sold at a reasonable price so that students need not go out to purchase such items elsewhere. It also has xeroxing facility for staff and students.

Established in 2014

Rajasthani Sammelan Education Trust has constructed Vijay Pal Singh Health Centre on the ground floor of the new building of Ramniwas Bajaj English High School and Deviprasad Goenka Management Institute of Media Studies, in a built-up area of approximately 1200 sq. ft. The health centre is fully air-conditioned and has a well equipped clinic, managed by trained and experienced staff and qualified medical professional prepared to meet the emergencies. The health centre caters to the students of all institutions of Rajasthani Sammelan Education Trust for health check-up. It will also conduct health and wellness educational seminars for staff, students and parents.

Kirandevi Saraf
library and reading room
WORLD OF KNOWLEDGE

Kirandevi Saraf Library and Reading room offers reading room facilities to such students who do not have a peaceful environment at their house. The reading room is open to all students from Standard 8th onwards. The Kirandevi Saraf Library and Reading room facility is available to the students from 6pm in the evening to 9pm and from 9am to 9pm on Sundays & holidays. The library is manned by staff of Rajasthani Sammelan Education Trust and the students are enrolled on payment of nominal fees to access the facilities.

Draupadidevi Sanwarmal
women's hostel
HEAVENLY DOMICILE

University Grants Commission (UGC) has given a special grant to GSCC under X Plan to start residential facilities for women students to pursue higher education. RSET's Draupadidevi Sanwarmal Women's Hostel is state-of-the-art infrastructure with two and three bedded A.C. and non A.C. rooms, Wi-Fi enabled recreational area, a dining room, a dry pantry and laundry facility. The hostel has round the clock vigilant security services with CCTV surveillance.

www.dswhostel.org.in

Pravinchandra D. Shah
sports academy
FITNESS REGIME

Pravinchandra D. Shah Sports Academy is built on a 24,000 sq ft area with the most modern infrastructure. The Academy offers sports facility like Tennis, Basketball, Box Cricket, Futsal, Handball, Netball, Hockey, Skating & a walking track. Pravinchandra D. Shah Sports Academy will perhaps be the new sports landmark in the north western part of Mumbai and will add a new dimension to the educational endeavour of Rajasthani Sammelan Education Trust.

www.pdsa.org.in

B K T
freeship endeavour fund
FOSTERING KNOWLEDGE

Rajasthani Sammelan Education Trust has started BKT Endowment Freeship Fund to provide freeship to those students who cannot afford education due to lack of funds. BKT Endowment Freeship Fund is going to provide opportunity to many deserving students to obtain suitable education and thereby make progress in their life by becoming properly qualified.

Remsons Group
management research centre
MANAGEMENT RESEARCH

Rajasthani Sammelan Education Trust has started Remsons Group Management Research Centre (in memory of Radhadevi Harlalka) in Durgadevi Saraf Institute of Management Studies. Research is an important part of management education for its growth and development. Remsons Group Management Research Centre has been playing an active role in the area of research in management studies. This has given an opportunity of interaction with scholars of reputed universities all over the globe. The Director as well as faculty members of DSIMS have been presenting research papers in many international and national seminars and workshops. We are sure that in future, many scholars will successfully complete Ph. D Programme from Durgadevi Saraf Institute of Management Studies.

I R B
scholarship endowment fund
HONOURING EXCELLENCE

Rajasthani Sammelan Education Trust has started IRB Scholarship Endowment Fund to provide scholarships to all meritorious students of all the institutions of Rajasthani Sammelan Education Trust. This will give encouragement to many brilliant students to achieve further excellence in education. Meritorious students will be further motivated to work hard and give their best performance in the field of studies.

Jankidevi Bilasrai Bubna
endowment freeship fund
EMBOLDENING STRENGTHS

Rajasthani Sammelan Education Trust has started Jankidevi Bilasrai Bubna Endowment Freeship Fund to give freeship to the needy and deserving students studying in various educational institutes of RSET. The Jankidevi Bilasrai Bubna Endowment Freeship Fund will provide the much needed financial support to such students who do not have the financial means to pursue their education.

Jankidevi Bilasrai Bubna
boys hostel
A WISE HIVE

Jankidevi Bilasrai Bubna Boys' Hostel is the latest addition in the educational endeavours of Rajasthani Sammelan Education Trust. The hostel provides safe and secured accommodation to male students coming from other states and abroad in Mumbai for obtaining higher and professional education. It is housed in an independent building with seven floors and is situated near RSET campus. It has all state of art facilities such as a canteen, air-conditioned study area on all the floors, lounge and TV room, games room etc. All the rooms are air-conditioned.

Rajasthani Sammelan
finishing school
A NEW BEGINNING

With the increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, RSET's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

Rajasthani Sammelan
skill development centre
SCULPTING SKILLS

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

Rajasthani Sammelan
teachers' training institute
BUILDING FOUNDATIONS

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan Education Trust. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthani.org.in

When we give cheerfully and accept gratefully,
everyone is blessed.

- Maya Angelou

What will you decide today

A small monetary contribution from your lifestyle
can change someone's life for good.

Your Pledge to educate a child is your gesture to get them into the mainstream. Your contribution will provide Quality Education to under privileged students from all communities studying in the aided section of our school and college. Your gesture can impact the lives of over 4700 students and empower them.

Pledge to Educate a child. Contribute for a noble cause.

Donations to Rajasthani Sammelan are eligible for deduction under section 80G of Income Tax Act, 1961.

You may Pledge:

Rs.11,000 Per Student/Per Year
Rs.21,000 Per Student/Two Years
Rs.31,000 Per Student/Three Years
Rs.51,000 Per Student/Five Years
Rs.101,000 Per Student/Ten Years

Pledge for multiple students can be taken under any of the above options.
