President's Message

RSET's Islands of Excellence

Dear Reader,

Rajasthan Sammelan Education Trust (RSET) a public Charitable Trust was started in the year 1948 and is one of the oldest educational trust in the western suburbs of Mumbai. RSET had a humble beginning in its journey of educational endeavours with the establishment of Sarvodaya Balika Vidyalaya (now known as Kudilal Govindram Seksaria Sarvodaya School) a girls school in 1959. But over the years, our Trust grew steadily to its present stature as conglomerate of premier institutions with eleven education institutions, a women's hostel, a boy's hostel, a sports academy, a music academy, a counselling centre and many other facilities employing over 700 employees and educating over 16000 students. Our vision is rooted in tradition but it is keeping pace with changing trends in the global educational scenario facing new challenges and setting and meeting higher benchmarks.

Our institutions are committed to the highest standard of academic excellence and value based education. Its ambience inspires learning. Diverse opportunities are provided for learners self-expression and empowerment, be it classroom interactions, co-curricular or extra-curricular activities, sports social service, NCC, NSS, Rotaract Club etc. Each institution is an Island of Excellence, standing testimony to quality education – be it a play school, a school, a college, a management institution or a media college. The income generated from fees taken from students is ploughed back into developing the institutions, their infrastructure and teaching & learning resources.

It is indeed a matter of great pleasure to state that Mainadevi Bajaj International School ranked 1st in Zone D (Jogeshwari to Borivali) and 5th in Mumbai among schools with international curriculum as per Times School Survey 2020. Ramniwas Bajaj English High School stood 5th in Zone D and 21st in Mumbai among Top schools with National Curriculum as per the Times School Survey 2020. Kudilal Govindram Seksaria English School also bagged 8th Rank in Times School survey 2020 in the SSC Curriculum category all over Mumbai. Durgadevi Saraf Institute of Management Studies ranked 7th among Top Private B-School in Mumbai as per Times B School Survey 2020. Deviprasad Goenka Management College of Media Studies has been ranked as Top Emerging B-School in Mumbai as per Times B-School Survey 2020.

In spite of continued lockdown during the last three months (July to September) all our institutions functioned normally using online mode right from admission to academic & administrative activities. At the same time, many extra-curricular activities were also conducted by the institutions. Independence Day was celebrated in RSET campus on 15th August, 2020 adhering to the norms of social distancing. Shri Kailash Kejriwal, Hon. Secretary & Trustee, RSET, hoisted the National Flag on this occasion.

During this period, we regularly held zoom meeting of Office Bearers & Core Committee members to invite their suggestions on various administrative matters as well as to apprise them about the initiatives taken to run admission, administration & online teaching in the institutions during lockdown period. Annual General Meeting of the Trust was also successfully held on 19th September, 2020 through Physical-cum-Zoom platform.

To give exposure to students with global environment of teaching-learning & industry, some of our institutions have tied themselves with

Ashok M. Saraf, President, RSET

many foreign universities. Durgadevi Saraf Institute of Management Studies has signed MOU with Alba Graduate School, Athens, Greece, Frankfurt School of Finance and Management, Germany, Ottawa University, Kansas, USA, Oxademy Graduate School, UK, University of Finance and Administration (VSFS), Prague, Czech Republic, to enable faculty and students to visit foreign universities to enhance academic collaborations. During this period, DSIMS also conducted many short term online courses such as Entrepreneurship, Digital Marketing, Retail Marketing, Business Analytics etc. Ghanshyamdas Saraf College has signed an MOU with University of Fraser Valley, Canada, for offering Twinning Program to our students of BScIT.

Distinguished personalities of National and International fame were invited for webinars and workshops to inspire and enlighten the students and the staff through Zoom platform. In the month of August, the Counsel General of Afghanistan, Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited RSET Campus and met students from Afghanistan staying in boys' as well as women's hostels. They were welcomed at RSET Campus and students from Afghanistan had a very healthy interaction with them.

I take this opportunity to thank each and every Donor past and present, Trustees, Managing Committee Members and well-wishers who were involved with the development and progress of the educational activities of our Trust. My special thanks to the Donors who provided financial support to the Trust during the lockdown period. I also convey my best wishes to our Principals, Faculty, Staff and Students in their future endeavours.

The Pillars of Academic Quality

Dear Reader,

Over the past decade, the environment of education has dramatically changed. We now live in an era where a critical understanding of the global dimensions to learning and development of students as global citizens are gaining importance. Quality education system encompassing quality pedagogy is vital for achieving success in the global arena. A quality education is supported by three key pillars: ensuring access to quality teachers; providing use of quality learning tools and the establishment of safe and supportive quality learning environments. I am happy to state that we are making our best efforts to provide all such facilities to each institution run by Rajasthan Sammelan Education Trust.

Due to COVID-19 Pandemic, schools and colleges were shut down in the second week of March 2020 as a preventive measure. Situation remained the same in the new academic year of 2020-21. The government is still debating whether to reopen educational institutions from January 2021. This has pushed educators to reshape the mechanism of imparting lessons. Immediate measures taken was shifting teaching process to online platform. This was followed by online administration of institutions and also and conduction of online extra-curricular activities for the students.

In our institutions of RSET, academic programmes were duly complimented by extra-curricular activities through online platform in the past three months. As a part of celebration of 'Hindi Diwas' KudilalGovindramSeksariaSarvodaya School hosted an Inter School Recitation Competition which saw participation of 18 schools from Mumbai. Mrs. SikhaRastogi, Hindi Teacher at International School, Bangkok joined the event online from Bangkok as the Chief Guest. Durgadevi Saraf Junior College along with Ghanshyamdas Saraf College and LadhideviRamdhar Maheshwari Night College of Commerce celebrated Hindi Diwas in a big way with Smt. SudarshanaDwivedi, senior journalist, Nav Bharat Times as the Chief Guest on 14th September 2020. Other institutions also celebrated Hindi Diwas with equal zest and enthusiasm.

NSS volunteers of Ghanshyamdas Saraf College participated in virtual celebration of 'NSS Day' on Google Meet. Self-Finance Department of the college organised a webinar on 'Disha- Guidance for prospective Career Paths' – a five day's orientation programme designed to guide the students after HSC from 23rd July to 28th July 2020. Course wise industry experts from Capgemini, Kotak Mahindra Bank, Aditya Birla Life Insurance and Tata Projects Ltd briefed the students about industry requirements.

It is indeed a matter of great pride for us that our schools and colleges have been placed at the high ranks as per Times school/ international school/ college and B- School survey 2020. Mainadevi Bajaj International School ranked 1st in Zone D (Jogeshwari to Borivali) and 5th in Mumbai among schools with international curriculum. Ramniwas Bajaj English High School stood 5th in Zone D and 21st in Mumbai among Top Schools with National Curriculum. KudilalGovindramSeksaria English School has been placed at the 8th Rank in the SSC Curriculum category in Mumbai. Durgadevi Saraf Institute of Management Studies ranked 7th among Top Private B-School in Mumbai while Deviprasad Goenka Management

Kailash Kejriwal, Hon. Secretary, RSET

College of Media Studies has been ranked as Top Emerging B-School in Mumbai as per Times B-School Survey 2020.

Research is an integral part of the institutes of higher education. It is heartening to note that Durgadevi Saraf Institute of Management Studies has taken a lead role in the area of research under Remsons Centre for Management Research. In the past few months, many faculty members have submitted papers in reputed international and national journals. Case studies have also been conducted by faculty members and have been published in reputed journals. Many faculty members also attended prestigious webinars. Ghanshyamdas Saraf College is an approved Research Centre of Mumbai University. The Principal and three other faculty members are approved research guides of Mumbai University as well as other universities. Some students have already completed Ph.D. under these research guides. We from the side of Management have always been giving full support to research activities in all possible ways. Institutions of higher education have also tied up with many foreign universities for student and faculty exchange.

The year 2020 has brought in a new order of learning and with that, there is a digital shift in roles, skills and the rapidly evolving pace of education. Teacher being front line workers in an educational institution are imparting online teaching successfully. At the same time they are also organizing various extra-curricular activities by using novel methods. I convey my compliment to the Principals, Teachers and Students of all institutions of RSET.

“ I would rather have it said,
'He lived usefully,' than, 'He died rich.'

The New Normal at RSET

Dear Reader,

Today, Covid-19 outbreak has affected all walks of life and education system is no exception. During this challenging times and new normal set up due to the pandemic, RSET has left no stone unturned to give quality education to the students. Despite continued lockdown for the entire quarter (July-September 2020) we at RSET functioned normally using online mode; both for academic and administrative activities. Technology has been an enabler in this moment of crisis. Resources like Zoom and G-suite for online learning has enabled our institutions to provide a seamless educational experience to all its students. We have slowly and steadily motivated our teaching staff to physically attend their schools and colleges on staggered basis for imparting enhanced learning experience to their students as better resources can be provided in the institutions. Similarly, most of the administrative staff attended the office by following Government of India and Maharashtra Government norms.

Administrative arrangements of weekly in house sanitisation of all the premises (indoors and outdoors) has been ensured for the safety of all the staff who have been coming to the Campus. Further, hand sanitizer bottles with stands have also been provided to the staff before they enter the offices.

All the classes held online by our Institutions were recorded by the IT Department. The teachers have entered their logged in details on ERP. This has greatly helped the HR Department to calculate the number of working hours put in by each teaching staff.

We at RSET has carried out successfully all the on line activities like Examinations, Results, Admissions, Faculty Development Meetings, E-Conferences, Governing Council Meetings and Webinars. Even the social initiatives were undertaken digitally by our NSS, NCC and Rotaract Club Members. Student Council elections and the Investiture ceremonies

were carried out online and the same was appreciated by one and all.

It was a great moment of pride for us that all our Schools/colleges have performed stupendously in SSC/HSC/ICSE/IG and IB Boards. Very large number of students have scored distinction and First Class grades in their respective Board Examinations.

The Institutes have ensured that the students complete their homework, assignments and other tasks given to them online. Several MCQ type online test were also conducted successfully for internal exams on Gold Academy's Learning Management System (LMS) for our PG Students of Management.

For the first time we at RSET have carried out the entire Online Admission Process of all the students in various Institutes. Prospectus and Online Application forms were made available to the students. The online window for submission of online admission form was made open for few weeks. Subsequently the verification of the documents and collection of fees too was done online. The Merit Lists were drawn and communicated to the students on their email and Whatsapp. Their classes commenced after all the completion of the admission procedure.

In view of the Covid-19 pandemic the 74th Independence Day was celebrated in a simple manner by hoisting of national flag by Shri Kailashji Kejriwal, Secretary, RSET and was attended by our President Shri Ashok Saraf other trustees, committee members and representatives of RSET institutes. As it is rightly said, "Out of adversity comes opportunity". Hence, despite the Covid-19 Pandemic our institutions at RSET have conducted almost all the events like celebrations of the Teachers' Day, Hindi Diwas, Ganesh Festival and the Janmastami Celebrations too

The technology has shrunken the world to a global village and we at RSET have exploited the technology by organising and participating in various high quality webinars on the different topics like "economy, education and excellence", "training effectiveness through communication", "creativity amongst the students", "effective study skills", and "parenting in the pandemic". These are just few examples to mention. There have been a large number of topics of relevance and interests of the students which have been covered in these three months through webinars. The students and faculty members have been fortunate to get an extensive learning from the speakers through webinars. These speakers are experts in their field and are the international fame celebrities and personalities.

Jankidevi Bilasrai Bubna Boys' Hostel as well as Draupadidevi Sanwaram women's hostel of RSET are presently occupied by Indian as well as Foreign students from twelve different nations who could not go to their respective countries due to COVID-19 Pandemic. In addition to the state of art facilities like fully AC Rooms, CCTV, Wi-Fi access, Lounge, 24x7 Security, Etc. RSET management has provided them hygienically prepared Brunch and Dinner (which was not in their package) by the in-house caterer of RSET. Recently, the Consul General of Afghanistan Ms. Zakia Wardak and her team visited RSET Campus to meet the students from Afghanistan staying in these hostels. A meeting was arranged of Ms. Zakia Wardak with students from Afghanistan at Nathmal Garodia Seminar Hall of Durgadevi Saraf Institute of Management Studies in which the students spoke highly about the facilities provided to them in both the hostels.

Thanks and Jai Hind

Message From Director of Schools

The 'back to school' season is here

As the pandemic wanes in some countries and rages on in others, academicians the world over are mulling over the issue of restarting educational institutions. This is going to be a slow process, often a process of trial and error, and it is likely to witness many ups and downs. This has already become apparent with the state government of Maharashtra allowing schools to reopen and the civic body, the BMC, taking a more cautious approach.

It has been a while since countries across the world began opening up their educational systems after the pandemic had settled in. While most countries across the world have been very cautious about reopening of schools, some have been quite brave about it. For example, Sweden has kept its schools open all along. Schools in countries such as China, Denmark, Japan and Norway opened as early as in April. In the United States, where the situation does seem to be under control, many states have decided to keep their schools shut for a prolonged period of time. As the process of unlock got under way in India, the Maharashtra government decided to allow schools to re-open from the 23rd of November 2020. However, given the continued gravity of the situation, this decision has been rescinded and now schools will reopen only in the new year.

In this process the most important question that has challenged governments and school administrations has been the timing of opening schools. This has been determined by the progress of the pandemic, not only in different parts of a country but within a country itself. As we know Maharashtra was among the worst affected states in India and there were some states which suffered only a passing epidemic. With infections down to within hundreds the Maharashtra government decided that it is time for schools to reopen. However, the civic body felt that this should not be allowed and at present the decision to reopen schools hangs in the balance. At RSET, preparations for reopening of our schools and other institutes began in August itself when staff, who were working from home since March 15th, were urged to return to schools and work from the campus. Online teaching continued but this was facilitated from the institutes.

The second important question to consider is for whom to open the schools. It might seem like an obvious response to say that senior students should return to school and colleges first but this has not been a universal response. Looking at the serious mental health and attention challenges faced by the youngest of the children in online learning, some advanced countries took the decision of opening up schools for pre-primary students first. Such a decision will not go down well in highly populated countries like India where many students live in joint family situations and may carry the infection back home asymptotically. In Maharashtra the government has been influenced by a consideration of how a continued absence might affect the future prospects of students. Hence the decision to allow those who are likely to face board examinations in the near future – that is students from Grades 9 to 12 – to return to school.

The next consideration pertains to the pre-conditions that must be met when reopening schools. When schools reopen lakhs of students and thousands of teaching and non-teaching staff will make their way to these institutions and expose themselves and others to the virus. So

Nitin Padte, Director of Schools, RSET

preventing this occurrence will be a major consideration on the minds of most governments and school administrations. Schools have been asked to ensure adequate social distancing in the classrooms as well as in other spaces. The entire school building has to be sanitised periodically and a doctor should be at hand. The government has also mandated that all staff who will come in contact with students have to mandatorily get themselves tested for Covid before resuming classes. This poses several challenges not only in terms of the magnitude of the task but also the knowledge that a Covid test is valid only for a limited period of time. So are school staff expected to get themselves tested on a weekly/monthly basis? Is the system ready to take on such a load? And what about the students? Are they not to be tested?

One of the biggest challenges is posed by the parent community of metropolises like Mumbai which had been deeply affected by the virus. Governments may announce school opening dates, but can parents be forced to send their children to school? Almost every family was affected by the virus and some have lost their family members to the pandemic. How willing will such parents be to send their children to school? What guarantees can educational institutions with a fixed amount of budget offer to such genuinely worried parents. One of the important considerations will be handling a mixed bag of students – some who will attend school physically and some who will continue to demand online learning. Running online and offline classes simultaneously will be technologically and physically challenging and if institutions decide to send pre-recorded lectures to students, parents are going to wonder if they are getting their money's worth.

Despite these challenges, a locked down state cannot be accepted as a semi-permanent state of affairs and solutions will have to be found. These will need to be effective and often innovative. How well they will work, only time will tell.

With Hope on the Horizon

Lockdown has become the word of the year 2020 as it has affected millions of people across the world. It has totally affected the way we work, travel, study, shop and socialize. It has brought with it words like 'social distancing', 'sanitizer', 'quarantine', 'mask' and some other words that we never used in our lives otherwise. All these words are bi-products of COVID-19 Pandemic that has taken lives of millions of people all over the world. Widespread job and income loss along with economic insecurity among families are increasing day by day. Many business houses have adapted (with varying levels of success) to work from home policies.

Festivals like 'Ganpati', 'Eid', 'Navratri' etc. were lack luster and the festive mood was lacking due to Government directives of social distancing to prevent spread of COVID-19. In market places and malls, the mood was subdued with few customers in the shops that generally remain overcrowded during festivals.

As regards sports, for the first time, the 2020 Indian Premier League (IPL) cricket matches were played in empty stadiums without any audience in Dubai, Abu-Dhabi and Sharjah. Due to Corona Virus Pandemic, tournament was shifted out of India with many safety protocols in place. The matches were scheduled from 19th September to 10th November, 2020.

Education sector is the worst affected sector as more than 91% of the world's students are out of school due to school closures in at least 188 countries. For many pupils in our country, lockdown represents an interruption in their learning journey. Experts estimate that drop out of school children will double where in children from economically weak social groups will be affected at a large number. Girls will be affected even more.

Teachers across the country are trying their best to continue their teaching in a situation where physical presence is no longer possible. Teachers at the country's premier private schools are tech-savvy. Most of them have access to the internet at home as well as other digital infrastructure required to craft and share the course material with students. But what about

Dr. Sunanda Kar, Editor

students of aided schools who do not have access to smart phones, internet, WIFI and similar other facilities to continue online learning? As per a notification of state government, all schools will remain closed till 31st December, 2020 in Mumbai. Parents have written to the education department that all assessments in the new academic year be conducted online and schools not be opened until it is safe for students.

With a semester lost, first year junior college (FYJC) aspirants and their parents are getting anxious with each passing day waiting for their classes to begin. The second merit list for FYJC aspirants was put on hold on 9th September following the Supreme Court's interim stay on Maratha quota, admissions were stalled for first year junior college. Recently Maharashtra Government has passed a resolution stating that all admissions for current academic year will be done without the Socially & Educationally Backward Classes quota. However admissions before the SC's order on 9th September will remain unaffected. State Education Department has also started free online classes for FYJC students but very few students are attending these classes.

As regards institutions of RSET, in the new academic year, all institutions have well adapted themselves right from online admission to conduct various academic and extra-curricular activities for their students through Zoom & Google Meet. Women Development Cell of Ghanshyamdas Saraf College along with Maharashtra State Commission for Women and Responsible Netism organized the launch of 'Digital Stree Shakti', and a webinar on Cyber Security, on 21st July 2020. Adv. Yashomati Thakur, Honourable Minister, Department of Women and Child Development, Government of Maharashtra presided as the Chief Guest for the launch. Faculty members of Durgadevi Saraf Institute of Management Studies attended many webinars on different topics during this period. All the institutions of RSET have regularly conducted statutory meetings of Governing Boards, School Sub-Committees etc. through Zoom platform.

In the words of Roy T. Bennett 'Never lose hope. Storms make people stronger and never last forever'. We hope that once the COVID vaccine is available to the medical fraternity, the pandemic will definitely be controlled. We sincerely hope that the year 2021 brings with it healthier world where we can live freely as we did earlier. Let our educational campuses and class rooms be full of students and our teachers and we can enjoy our lives to the fullest.

Dear Reader,

I am pleased to note that despite continued lockdown in phases during the months of July to September 2020, all the institutions of RSET functioned normally using online mode both for academic and administrative activities. Most of the administrative staff attended the office by following Government of India and Maharashtra Government norms. In the month of September 2020 most of the faculty members attended the office in staggering basis. The lectures were scheduled as per the academic calendar and conducted smoothly in on-line mode.

It is heartening to note that as per Times B- School Survey 2020, Durgadevi Saraf Institute of Management Studies has been ranked 17th among the Private Institutes of Western India. Many faculty members attended webinars and 'Faculty Development Programmes' organized by prestigious organizations and institutes. MMS & PGDM students also attended guest lectures from industry experts and webinars relevant to their branch of study through online platform. The Department of Self- Finance of Ghanshyamdas Saraf College organized 'Disha- Guidance for Prospective Career Paths'- five days orientation programme designed to guide the students about career prospects after HSC, from 23rd- 28th July 2020. Course-wise industry experts were invited from Capgemini, Kotak Mahindra Bank, Aditya Birla Life Insurance and Tata Projects Ltd., who briefed the students about various industry requirements.

Student volunteers from NSS unit, NCC cadets & Rotaract Club members organized many outreach programmes. I am happy to note that Durgadevi Saraf Junior College as well as other schools and colleges celebrated National Sports Day, Hindi Diwas & many other activities in a grand manner through Google Meet & Zoom platform.

I take this opportunity to compliment the President and his team for their strong technological support to all the institutions so that they are able to conduct all their activities online.

Dear Reader,

It is a matter of great pleasure to note that in the past few months all the institutions of Rajasthani Sammelan Education Trust have excellently combined academic activities with extra- curricular activities through online platform. Due to COVID-19 Pandemic, the 74th Independence day was celebrated on 15th August 2020 in a simple manner by hoisting of national flag by Shri Kailash Kejriwal, Hon. Secretary and Trustee in RSET campus and was attended by representatives of RSET institutes. Two teachers of KGSS as well as two teachers of KGES were honoured by the 'Nation Builder Award' by Rotary Club of Mumbai West Coast.

It is interesting to note that Hindi Diwas was celebrated with great enthusiasm by schools & colleges by organizing interesting literary activities and competitions. I am happy to note that On 19th September 2020, KGSS hosted an online Inter school Recitation Competition which saw the participation of nearly 18 schools from Mumbai. Mrs. Shikha Rastogi, Hindi teacher at International Global Schools, Bangkok joined live online from Bangkok as the Chief Guest for the event. Virtual Hindi Diwas Day was also celebrated on 14th September by KGES.

Institutions of Higher Education also conducted many prestigious activities. The IQAC (Internal Quality Assurance Cell), Career Guidance and Placement Cell of Ghanshyamdas Saraf College organized a webinar on 'Placement and Higher Education Opportunity in India and Abroad Post COVID-19' on 27th August 2020. Ramdhar Maheshwari Career Counseling Centre conducted webinars on 'Parenting in the Pandemic', 'Effective Study Skills' & Career Guidance along with many other online activities.

I also offer special compliments to the President and his team for all the safety measures taken in RSET campus during COVID-19 Pandemic. I wish a great future ahead to all Heads of Institutions, Staff and Students.

Mainadevi Bajaj International Playschool

Dear Reader,

Over the years, Rajasthani Sammelan Education Trust has become more committed to educate the new generation with innovative courses and programmes. Many of such students who have passed out of the portals of RSET institutions are playing important role in social, academic, economic and political life of our country.

Our family is proud to be associated with the Trust for

- i) Dharmal Bajaj Bhavan named after my late grandfather.
- ii) Ramniwas Bajaj English High School named after my late father.
- iii) Mainadevi Bajaj International School named after my mother.
- iv) Mainadevi Bajaj International Playschool named after my mother.

It is indeed a matter of great pleasure to note that teachers of Mainadevi Bajaj International School and Ramniwas Bajaj English High School have kept themselves updated with the latest teaching strategies by attending professional development workshops through online platform. Parents and students of classes 10,11 and 12 of MBIS attended a webinar organised by Ghanshyamdas Saraf College regarding a Twinning programme in Computer Information System from University of Fraser Valley, Canada where in the first two years will be conducted in GSCC (as the college has tied up with UVF, Canada) and last two years at UVF, Canada. I am happy to note that Mainadevi Bajaj International School, Ramniwas Bajaj English High School as well as all other schools, colleges and professional institutes continued online learning sessions, online examinations & assessments. In all these months online activities like Investiture Ceremony, celebration of Janmashtami, Hindi Diwas, Teacher's Day, Ganpati festival, recitation & debate competitions were also organised efficiently by institutions of RSET through online Platform.

I take this opportunity to compliment the President of Rajasthani Sammelan Education Trust and his team for encouraging all institutions to attain excellence.

Dear Reader,

I am extremely happy to know about the development and growth of all institutions managed by Rajasthan Sammelan Education Trust in the past few months and the way they have accepted the challenge to continue educational as well as extra-curricular activities through online platform during lockdown period due to COVID-19 Pandemic

I am very happy to know that online workshops were organized by the school counselor of Ramniwas Bajaj English High School for social and emotional well-being of students. In order to celebrate Independence Day and to instill a sense of patriotism, an online 'Legends of India' competition was organized in which children were dressed as legends and spoke a few lines about them. Along with regular online teaching, other activities included 'Handling Learning through Yoga' - an Online motivational session for Grade 10, celebration of Hindi Diwas, National Sports Day, professional development of teachers, webinar for Science and Mathematics teachers, Investiture Ceremony, conduction of statutory meetings and many other activities.

Mainadevi Bajaj International School celebrated Investiture Ceremony & Founder's Day on 18th August which is also the birthday of its Founder, Smt. Mainadevi Bajaj. MBIS also organized many webinars on varied topics, celebrated Independence Day, Teachers Day and many festivals during this period. As a part of the annual celebration of the Bastille day- French National Day (14th July), this year the students at MBIS came up with many innovative ideas and expressed themselves in French.

It is interesting to note that the tiny tots of Mainadevi Bajaj Play School dressed up in tri-coloured clothes to celebrate 'Independence Day' on 15th August, 2020 and shared their photographs through Whatsapp.

I take this opportunity to convey my compliments to all who have jointly contributed in the achievements of respective institutions of Rajasthan Sammelan Education Trust.

Dear Reader,

Scholarships & Freeships provide opportunity to students to pursue studies in their desired branch and realize their career aspirations on completion of studies. It is to empower such brilliant and deserving students with education that our family has been associated with Rajasthan Sammelan Education Trust through Jankidevi Bilasrai Bubna Endowment Freeship Fund. It is indeed heartening to note that many students from institutions of Rajasthan Sammelan Education Trust have received financial help in all these years that they genuinely deserved.

I am pleased to note that Jankidevi Bilasrai Bubna Boys' Hostel of Rajasthan Sammelan Education Trust is running very smoothly. Due to COVID-19 Pandemic followed by lockdown in the month of March, most of the students left the hostel. With the beginning of the new academic year some of the old students have renewed their admission online. New students are also taking admission and are waiting for the lockdown to end so that they can come to stay in the hostel.

I am glad to note that the construction work of the Gym at the 7th floor of JBHH is almost over and will be over within a very short time. The students staying in the hostel are given all possible facilities to make their stay comfortable. Since students from Afghanistan are also staying in the hostel, the Counsel General of Afghanistan, Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited the hostel in the month of August. They were given a warm welcome in RSET Campus and students from Afghanistan had a very healthy interaction with them.

I take this opportunity to extend my appreciations to the President Shri Ashok M. Saraf and his team for their excellent work done in the field of education.

Dear Reader,

I have great pleasure to observe that Rajasthan Sammelan Education Trust has always taken care to empower the students with latest technological skill that will provide them value added knowledge along with the regular courses that they are pursuing in their respective institutions. During lockdown, the IT Department gave training to teachers to teach through online platform so that teaching-learning can be continued effectively. With the beginning of the new academic year all the schools conducted online meetings of Parent Teacher Association, Child Safety Committee & School Sub-Committee. Institutes of higher education also conducted their Board meetings through Zoom platform.

Our organization has joined hands with RSET in its noble mission of educating youth with latest education by establishing Jankidevi Bilasrai Bubna Endowment Freeship Fund, Savitridevi Bilasrai Bubna Computer Lab (KGSS), Omprakash Bilasrai Bubna Computer Centre (RBHS), Jankidevi Bilasrai Bubna Boys' Hostel and Sharda Cropchem Bloomberg Lab in Ghanshyamdas Saraf College. I am pleased to note that Jankidevi Bilasrai Bubna Boys' Hostel is becoming popular day by day and has proved to be a boon not only for Indian students but also foreign students coming from other countries. A state of the art Gym is being constructed on the seventh floor of the hostel which will be completed very soon.

I am very happy to note that Sharda Cropchem Bloomberg Lab is running successfully in Ghanshyamdas Saraf College. By using Bloomberg's service, Saraf College students can perform historical market analysis, compare different investment strategies, evaluate complex financial instruments, and analyse specific companies and industries. It is interesting to note that all the institutions have conducted many interesting extra-curricular activities through Zoom in the past few months. We congratulate everyone associated with Rajasthan Sammelan Education Trust for empowering the new generation with learning abilities.

Management College
of Media Studies

Dear Reader!

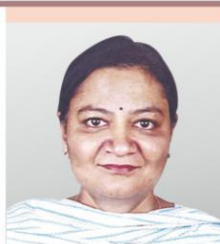

At the outset, my compliments to the Management for considering the request of parents/students for paying their fees in installments for the new academic year considering the COVID-19 Pandemic scenario!

I am pleased to note that Deviprasad Goenka Management College of Media Studies (DGMC) started the new academic year with orientation program to acquaint students & parents with the new online lecture delivery system and also to brief them about the new initiatives taken by DGMC for the benefit of the students. Many famous media personalities were invited as speakers for the orientation program. This was followed by 'Master Class Sessions', a new initiative to take the students beyond the frame-work of syllabus and giving them an opportunity to interact online with expert professionals in the field of media studies. As per guidelines received from University of Mumbai, an online Mock Test was also conducted for final year undergraduate & postgraduate students.

It is heartening to note that the Training & Placement Cell also conducted an orientation program for students acquainting them with training modules as per the industry needs. TAP Cell aims to offer the registered students to complete live projects, internship opportunities and make them industry ready. Side by side Guest lecture series were also continued in which corporate experts & consultants were invited to deliver lectures on various topics related to media and they also interacted with the students.

I am pleased to note that inspite of lockdown, DGMC conducted many extra-curricular activities through online platform such as book review competition, teachers day celebration, ad film competition and online sports activities. DGMC also conducted many webinars & some add on courses on 'Broadcasting and Journalism' & 'Photo Journalism'.

I wish a bright future to all the institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

I have great pleasure to know that Draupadidevi Sanwamal Women's Hostel is running smoothly and successfully in the educational campus of Rajasthani Sammelan Education Trust. The Management has provided all possible facilities to the students and they are fully satisfied by the amenities provided to them. I am pleased to know that all the students staying in the hostel are following the rules and regulations laid down by the Management to maintain discipline.

It is heartening to note that the renewal process for old students and new admissions are also going on side by side. Old students are renewing for their stay in the hostel by making online payment so that they can come back as soon as class room teaching starts. The hostel staff is taking full care to keep the hostel premises sanitized by getting the pest control and sanitization processes done in every week in the hostel. The students staying in the hostel are also abiding by all the precautions efficiently. I am happy to note that the brunch and the dinner being served are also routinely monitored. 24x7 security services are available for the safety of the women students. House-keeping staff keep the hostel neat and clean. Since women students from Afghanistan are staying in the hostel, the Counsel General of Afghanistan, Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited the hostel on 19th August, 2020. They were extremely impressed by the ambience of the hostel and the facilities provided to the students. The delegates were appreciative of the efforts put up by the hostel staff.

Dear Reader,

Rajasthani Sammelan Education Trust provides an environment conducive to teaching-learning by various innovative facilities to support all institutions. During lockdown period, Management has provided all possible technological support through IT Department of RSET so that all institutions could smoothly continue teaching-learning as well as other activities.

I am pleased to note that in the past few months Ramdhari Maheshwari Career Counseling Centre successfully conducted many webinars on varied topics such as 'Parenting in Pandemic' with the employees of nVent with strategies to handle the challenges faced by them as parents amid lockdown. Some other webinars were 'Effective study skills webinar', 'Career Guidance' webinars for schools and colleges. RMCC had organized a webinar on 'Sports Psychology' on 26th September, 2020 which focused on "Unveiling the Unseen Hidden Opponents in Sports Performance" and was facilitated by Mrs. Amruta Karkhanis Deshmukh, a National level sports person. RMCC also continued Remedial sessions to bridge grade gap for students with learning difficulties. Emotional wellness sessions have helped many clients to stay focused and sail through emotional challenges. It is heartening to note that Ladhi Devi Ramdhari Maheshwari Night College of Commerce successfully completed admissions through online platform and started online lectures of all undergraduate classes. At the same time, four students of the college participated in the singing competition organised by Durgadevi Saraf Junior College on Zoom Platform on account of Hindi Diwas on 14th September, 2020. Mr. Sumer Pandit of T.Y.B.Com won 3rd prize. Some of the faculty members attended many National and International webinars. Along with teaching, online tests were also conducted for the students during this period.

I take this opportunity to convey my best wishes to all the institutions for further excellence in academics as well as in extra-curricular activities.

Dear Reader,

Rajasthan Sammelan Education Trust has given to students of all institutions best infrastructure, strong technical support through IT labs with latest software, video-conferencing facilities to interact with students of other countries, well qualified staff and well stocked libraries with books, journals, magazines, DVDs, e-books & online data bases etc. Existing facilities are constantly upgraded to ensure that our students have access to latest equipments.

I am pleased to note that Ladhidevi Ramdhare Maheshwari Night College of Commerce which was started in the year 2014, has carved a niche among the night colleges affiliated to Mumbai University. The college caters to the educational needs of those students who work during daytime and are interested to pursue higher studies. The aim of the organization is to develop the personality of students by conducting various extra-curricular and co-curricular activities along with teaching. The college successfully completed admission for FYB.Com classes through online platform.

Simultaneously online lectures were started for SYB.Com & TYB.Com classes. The students also participated in singing competition through Zoom platform which was organized by Durgadevi Saraf Junior College on the occasion of Hindi Diwas and one of them also bagged a prize. It is heartening to know that the team of Ramdhare Maheshwari Career Counseling Centre also provide their services online by conducting many webinars for the students as well as their parents to equip them with strategies to handle the challenges faced by them due to lockdown. The team also conducted online career guidance seminars for school and college students. Individual remedial sessions for students with learning difficulty also continued through online platform.

I take this opportunity to congratulate the Management for the strong support given to all institutions to face successfully challenges caused by COVID-19 Pandemic.

Dear Reader!

It is heartening to note that the newly established Nalini Shah Music Academy has already started online vocal and instrumental music classes under the expert guidance of music teachers appointed by Rajasthan Sammelan Education Trust. The Head of the Academy is also taking care for smooth functioning of the Academy.

Due to continuous lockdown of the educational institutions in the past few months, Pravinchandra D. Shah Sports Academy could not organize summer camps as well as sports activities in RSET campus. However, I am pleased to note that to encourage the students, the Sports In-charge at PDSA has been sending videos of various work outs to keep them busy. 29th August was celebrated as National Sports Day in an unique way by PDSA as it is the birth anniversary of Major Dhyan Chand, the famous Indian Hockey player. This year students were encouraged to organize some activity individually on National Sports Day at their residence and send the videos to the In-charge PDSA so that all videos can be consolidated and kept properly.

It is heartening to note that Amratlal Premchand Shah Library of Mainadevi Bajaj International School is well stocked with books on a wide range of topic. There are also many magazines and newspapers that ensure that students and teachers are up to date with the latest happenings in the world. As digital resources have become very important the library subscribes to many online resources that enhance information base of the students. The library is laid out in such a student friendly manner that allows students to do group work as well as to work quietly.

Dear Reader,

It is heartening to note that in the past few months, Kunjibihari S. Goyal Online Academy (GOLD Academy) has been constantly engaged to record and make a repository of online lectures conducted by RSET institutes in GOLD Academy's LMS with the help of IT Department & ERP support of RSET. This was due to extended period of lockdown caused by COVID-19 Pandemic.

I am happy to note that GOLD Academy also carried out a step-wise plan in the months of July to September 2020 along with some additional activities that helped the institutions of RSET to function smoothly through online platform. Apart from recording the lectures and entering on RSET's ERP software, unique naming code was given to all recorded video content. Thereafter, students were given access to online learning. GOLD Academy also conducted online examinations as per the requirement of the institutions. MCQ type online tests were conducted for PGDM and MMS students of Durgadevi Saraf Institute of Management Studies. A total number of eight online exams were successfully conducted by GOLD Academy for six days in which 334 students appeared.

It is heartening to note that GOLD Academy is constantly engaged in promotional activities that included updating its face-book page. It is encouraging to note that GOLD Academy's face-book is liked by 5.3 K people and has 5128 followers. Simultaneously, regular sms & e-mails were sent to registered students for new updates. GOLD Academy also completed software development and some support activities for subjective test modules in GOLD LMS.

It is a matter of great satisfaction that during the lockdown period the Management has taken care to keep the RSET Campus clean by getting all the areas sanitized properly from time to time.

at DSIMS

Dear Reader,

Rajasthani Sammelan Education Trust has started Remsons Group Chair Professorship for Management Research (in memory of Late Smt. Radhadevi Harlalka) in Durgadevi Saraf Institute of Management Studies. Research is an integral part of management education which helps academia and industry both. The Centre for Management Research at DSIMS is an advanced Centre of excellence focusing on contemporary and usable research in all areas of management studies. The objectives of the Centre are Academic Research, Corporate Research and Case studies and teaching notes.

I am pleased to note that under the aegis of Remsons Research Centre, the faculty members of DSIMS regularly publish quality research and participate in research conferences in India and abroad. It is heartening to note that Durgadevi Saraf Institute of Management Studies is also publishing its Research Journal titled "The Management Quest" with ISSN 2581-6632 (Online). The first issue of Volume 2 of the Journal with Special theme on "Digital Transformation of Business" was unveiled on 31st August 2019 at the time of 10th Foundation day of the institute. The Volume 2 and Issue 2 of Management Quest has also been published and can be accessed through online.

Many Research papers were published by the faculty members in the past three months. Dr. Sharad Kumar and Prof. R. Kannan published a paper in the journal 'Sambhasan'on 'Low-risk effect: evidence, explanations and approaches to enhancing the performance of low-risk investment strategies'. Dr. Nehal Joshipura along with Dr. Mayank Joshipura published the research paper 'Economic and Social Impact of COVID-19' Dr Sanchita Banerji has authored a book on "Human Resource Management: Concepts, Perspectives & Applications" published by International Research Publication House.

Dear Reader,

'Atmanirbharta' has four components- employment, health, education and culture. These must transcend from an individual to the family, to the society and then to the nation. DSIMS always works towards strengthening these components.

This academic year begins with virtual lectures and online learning as the current pandemic situation is uncertain. I am very happy to note that Shri Murlidhar Karwa Knowledge Resource Centre designed differently online orientation for the newly admitted students and introduced them to use Shri Murlidhar Karwa knowledge resource centre (KRC) to their maximum advantage. KRC also provided book bank service to the students and distributed the books for the entire trimester. Though there are physical limitations, KRC is trying to provide the latest information to their users through online modes. It is heartening to note that RSET libraries group, which includes 9 libraries from schools to post graduate institutes under one roof are helping each other by exchanging library materials through Inter Library Loan. Now KOHA Web OPAC is also accessible for searching the collection of the library. KRC has provided digital access for Journals and Magazines and sent the issues in soft copies, also e-books are sent to the faculty members as per their subject need. KRC team has also completed successfully annual stock verification.

I am very much glad to know that KRC has also taken big initiative for providing Coursera service to their users. Coursera is an online learning platform with rich learning contents of reputed universities that are offered free. Along with online teaching, all the institutions have also conducted extra-curricular activities through online platform. The institutions also celebrated Hindi Diwas by organizing various online activities. All the schools celebrated their Investiture ceremony with great enthusiasm.

Dear Reader,

Rajasthan Sammelan Education Trust has always been sensitive to the changing global scenario and changing needs of industry as well as society. Accordingly the Management has always provided variety of educational facilities, infrastructural and technical support to the students studying in the institutions run and managed by the Trust. It is due to this farsighted outlook of Management that during the lockdown period caused by COVID-19 Pandemic, the teachers were quickly given training by the IT Department of RSET to continue teaching from home by using Zoom App. The administrative staff also worked from home and for that they were provided laptops immediately. Management has also taken precaution to sanitize the campus regularly. With the beginning of new academic year, new admissions as well as teaching are continued online.

I am pleased to know that Nathmal Garodia Seminar Hall of Durgadevi Saraf Institute of Management Studies is regularly used by the institute for organizing important seminars, conferences and lectures delivered by reputed scholars as well as corporates. Recently, Annual General Meeting of the Trust was held in this hall which was attended by office-bearers, members of Managing Committee, members of Rajasthan Sammelan Education Trust as well as staff of RSET. Those members who could not be present personally, attended through Zoom. The technological support of a smart board, LCD projector, computer in the sound proof seminar hall and expertise of IT Department of RSET made it possible to conduct the Zoom cum physical Annual General Meeting so smoothly.

It is heartening to note that all the schools of RSET conducted Investiture ceremony through online platform. Other noteworthy functions celebrated online were Teachers Day and Hindi Diwas. I convey my best wishes to one and all associated with Rajasthan Sammelan Education Trust.

Dear Reader,

Today's schools are not only tasked with preparing children for their future careers, but also teaching essential life skills, habits and attitudes that will help them successfully navigate adulthood. To do this and provide the best learning experience for students requires both indoor instruction and outdoor physical activity. I am pleased to note that Rashi Peripherals Play area at the seventh floor of Mainadevi Bajaj International School is one such play area where children of the school regularly play and enjoy during their play time. It is also used for physical education classes of Pre-Primary and Primary students. It is also used for practice of yoga, football, basketball, throw ball, badminton, dumbbells, drills, march past, pyramid practice, martial art, fun games, functional training, self-defence training, jump rope, tag games & parachute drills.. Mainadevi Bajaj International School also celebrates various festivals and organises other interesting activities like Janmashtami, Chocolate Day, Voter's Day etc. in the play area. Though there has been complete lockdown of educational institutions, all the schools and institutes of higher education started various academic and extra-curricular activities efficiently for their students online through Zoom and Google Meet in the new academic year 2020-2021. They also conducted many outreach programmes through their NSS, NCC units and Rotaract Club. NSS Unit of Ghanshyamdas Saraf College celebrated 'Doctor's Day' on 1st July 2020, applauding the relentless work of the doctors during the COVID-19 pandemic.. Students of Durgadevi Saraf Institute of Management Studies supported the NGO GOONJ by organizing a COVID 19 FUND RAISER and providing basic essentials to people who needed the same.

Dear Reader,

In recent years, digital learning is replacing traditional educational methods at a fast pace. Irrespective of how much technology is integrated into the classroom, digital learning has come to play a crucial role in education. It empowers students by getting them to be more interested in learning and expanding their horizons. Digital learning is indeed a step ahead from traditional education methods. Students of today's management institutes are going to become tomorrow's business leaders. They have to be well versed with latest technology to suit their future job roles in the corporate world. Therefore, Rajasthani Sammelan Education Trust has provided all technological support and facilities to the students to access valuable information with the use of technology.

Shri Beniprasad Luharuka Computer Lab named after my father late Shri Beniprasad Luharuka is one such example of technological support provided by the Trust in its campus. I am pleased to note that the computer lab is fully utilized by the students of the institute. The lab is open from 8 a.m. to 9 p.m. every day for the use of the students. Apart from routine activities, the computer lab is also utilized for online examinations.

In the past few months, due to complete lockdown of the educational institutions due to COVID-19 Pandemic, the faculty members were given quick training by IT Department of RSET to continue their teaching through Zoom App to complete their syllabus. With the beginning of new academic year, all admissions have been done online and teachers have also started online teaching to their students.

It is gratifying to note about the noteworthy extra-curricular activities of all the institutions conducted through online platform. I congratulate all those who have jointly contributed in the achievement of respective institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

Today, value of education is understood by all. Even uneducated and economically weak parents try their level best to educate their children with the hope of giving them a better life in future. However, in a big city like Mumbai due to space problem students often face difficulties at home to study in a peaceful and quiet environment. It is with this aim that Rajasthani Sammelan Education Trust has started RS CA Study Centre and ICAI Extension Counter in RSET Campus.

RS CA Study Centre and ICAI Extension Counter in Malad has proved to be a boon for the students staying in western suburbs as they can obtain CA Study material from this extension counter and need not travel all the way to the Western Region Office. At present due to lockdown of RSET campus for COVID-19 Pandemic, students are not allowed to come and study in RS CA Study Centre. However, the computer lab of the study centre was opened from 9 am to 5.00 pm for filling of online application form during admission for FYJC and First Year Degree courses. Six Interns were appointed for Help Desk and in the computer lab of CA centre to help students with queries.

I am very happy to note that Mainadevi Bajaj International School has been ranked 1st in Zone D & 5th in Mumbai among top schools with international curriculum, Ramniwas Bajaj English High School as 5th in Zone D and 21st in Mumbai among top schools with national curriculum and Kudilal Govindram Seksaria English School ranked 8th in Mumbai among schools with SSC curriculum as per Times School Survey 2020.

Dear Reader,

Receiving a merit based scholarship is a matter of great pride for a student as it indicates that a student has stood out among his/her peers. The scholarship awarding authority has recognized this quality which also becomes important for a student's future career. On completion of studies, when one applies for a job, it distinguishes the candidate's resume to stand out.

To encourage brilliant students, Rajasthani Sammelan Education Trust is regularly awarding merit scholarships to students of all institutions every year through IRB Endowment Scholarship Fund. The scholarships are awarded annually at a grand function with great fanfare which makes the recipients all the more happy and excited. I am pleased to note that all the institutions of the Trust have efficiently conducted academic as well as extra-curricular activities during the past three months through online platform. All the institutions jointly celebrated Independence Day in RSET campus with flag hoisting following the norms laid down by the government due to COVID-19 Pandemic. This was followed by celebration of Teachers' Day and Hindi Diwas by respective institutions in the month of September. Volunteers of Ghanshyamdas Saraf College, Ladhidevi Ramdhar Maheshwari Night College of Commerce and Durgadevi Saraf Junior College conducted many outreach programmes through NSS, NCC, Rotaract Club and DLLE units. Students of Durgadevi Saraf Institute of Management Studies successfully raised funds in collaboration with Goonj (NGO) to help economically weak persons to survive during pandemic.

It is a matter of great pleasure that Nalini Shah Music Academy started by the Trust from this academic year is running successfully and has started online vocal as well as instrumental music courses. I compliment the Management for this new endeavour.

I wish a great future to all the institutions of Rajasthani Sammelan Education Trust.

Madhoprasad Saraf Seminar Hall
at DGMC

Dear Reader,

At the outset, I compliment Shri Ashok M. Saraf, President RSET & his team of Office-Bearers & Managing Committee members for handling so efficiently the lockdown of RSET campus due to COVID-19 Pandemic. At first, safety measures were taken by placing hand sanitizer dispensers with stand at the entrance of RSET gate and near every biometric machine, temperature monitoring of every staff and visitor entering the campus and regular sanitization of entire campus frequently. At the same time, the Management took the challenge to start the new academic year of 2020-21 completely through online platform. With the strong support of IT Department of RSET, all the institutions efficiently handled the admissions through online mode. This was followed by online teaching and also conduction of extra-curricular activities

It is a great pleasure that our family became associated with RSET after the naming of the Seminar Hall as Madhoprasad Saraf Seminar Hall which is situated on the 6th floor of Deviprasad Goenka Management College of Media Studies. The Seminar Hall is well equipped to handle the special requirements of a Media College. It can accommodate 60 people on comfortable chairs suited for seminars as well as special lecture series and has in built audio-video systems for film shows. Every year, many workshops, guest lectures, meetings and orientation programmes are held in this seminar hall. I am pleased to note that Deviprasad Goenka Management College of Media Studies (DGMC) started the new academic year with orientation program to acquaint students & parents with the new online lecture delivery. Many famous media personalities were invited as speakers for the orientation program. 'Master Class Sessions' - a new initiative to take the students beyond the frame-work of syllabus was also conducted.

I wish a great future to all the institutions of Rajasthan Sammelan Education Trust.

Rajasthan Sammelan
Education Trust

Dear Reader,

It is indeed a pleasure to note that with each passing year Rajasthan Sammelan Education Trust is progressing rapidly in its educational endeavour. The Trust has been providing quality education to diverse sections of society. The institutes of Higher Education as well as Kunjibihari Goyal Online Academy (GOLD Academy) are providing value added courses to the students along with regular undergraduate and post graduate courses. At the same time various facilities are provided by the management to staff and students to facilitate the teaching as well as learning process.

It is heartening to note that during the lockdown due to COVID-19 Pandemic, Independence Day has been celebrated by the RSET institutions observing all protocol laid down by the Government. Besides, all the institutions have celebrated Teachers Day & Hindi Diwas through online platform. Mainadevi Bajaj International School, Ramniwas Bajaj English High School and Kudilal Govindram Seksaria English School have conducted the Investiture Ceremony online with great zest. I am happy to know that despite the lockdown and the current work from home mode, all institutions have continued in their endeavour to keep themselves updated with the latest teaching strategies. The lectures were conducted smoothly on-line. Teachers have also attended their schools/colleges on staggered basis. All the schools successfully conducted the Parent - Teacher Association, Child Safety Committee & their sub-committee meetings as well as statutory committee meetings online. The Student Council elections were held for the year 2020-21 followed by online Investiture Ceremony to invest the newly elected Student Council members with their sashes and badges.

I convey my best wishes to one and all.

Suwadevi Doongermal
Patodia Lab
at MBIS

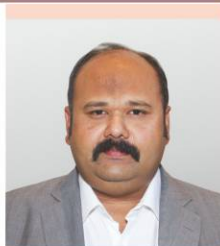

Dear Reader,

I am happy to note that Suwadevi Doongermal Patodia Chemistry Laboratory at Mainadevi Bajaj International School provides a platform for students to nurture the budding scientist within them. The Lab is provided with the state-of-the-art devices like Lab coats, Distillation unit, Electronic weighing machine, Bunsen burners, beakers and flasks, Concealed gas line and many safety devices such as Fire fighting equipment, First-Aid Kit etc. The students are provided with workstations having burners and plug points. The practical for the Secondary students are demonstrated by the teacher in the lab.

It's a pleasure to note that a young Scientist, Prithvee Prashant, of Grade 4 from MBIS has built a model of the GSLV MK III launcher which was used to launch the Chandrayaan 2 spacecraft. His creativity to build it using basic cardboard, tissue paper, and acrylic colour is notable. He has also accurately placed the national flag, national emblem, and the ISRO insignia in the model. I sincerely hope that this young scientist makes our nation proud one day. It is heartening to note that Rajasthan Sammelan Education Trust has started Nalini Shah Music Academy on the 7th floor of MBIS which is working successfully by providing online courses on vocal and instrumental music.

Since students from Afghanistan are staying in the Jankidevi Bilasrai Bubna Boys Hostel and Draupadidevi Sanarmal Women's Hostel, the Counsel General of Afghanistan, Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited the hostels in the month of August. They were given a warm welcome in RSET Campus and students from Afghanistan had a very healthy interaction with them.

I compliment President and his team for their constant support and encouragement to the institutions for their excellent growth and development.

Vijay Pal Singh
Health Centre

Dear Reader,

I am glad to know that through Vijay Pal Singh Health Centre, Rajasthani Sammelan Education Trust is addressing the basic health issues of students through regular check-ups. Ayaksha Health Services, the agency appointed to take care of Vijay Pal Singh Health Centre is conducting regular health check-up of school children of RSET. The Health Centre is kept open from 7 am to 7 pm on all working days. In case of emergency a doctor is available every day in the morning to attend to the students. Other activities of Ayaksha Health Services include making children aware of oral hygiene, teaching children about good touch and bad touch, how to face exam anxiety and fear related to performance.

It is interesting to note that inspite of lockdown due to COVID-19 Pandemic, Independence Day was celebrated by the RSET institutions jointly taking care of social distancing norm laid down by the government. Besides, all the institutions have celebrated Teachers Day & Hindi Diwas through online platform. Mainadevi Bajaj International School, Ramniwas Bajaj English High School and Kudilal Govindram Seksaria English School celebrated Investiture Ceremony through online mode with great zest.

I am very happy to note that Mainadevi Bajaj International School has been ranked 1st in Zone D & 5th in Mumbai among top schools with international curriculum, Ramniwas Bajaj English High School as 5th in Zone D and 21st in Mumbai among top schools with national curriculum and Kudilal Govindram Seksaria English School ranked 8th in Mumbai among schools with SSC curriculum as per Times School Survey 2020. Institutions of higher education held Webinars and Guest Lectures on relevant topics.

I wish a great future to all the institutions of Rajasthani Sammelan Education Trust in this academic year.

Dear Reader,

At the outset, I feel pride in being associated with Rajasthani Sammelan Education Trust. I appreciate the exemplary work being done by RSET in the field of education of children of all age in the western suburbs. The number of students taking education in RSET campus being more than 16,000 is a rare achievement and establishes the quality education RSET team is providing to the students. Kunjibhari S. Goyal Online Academy (GOLD Academy) is another feather in their cap.

I have known the Trust since more than forty years and the recent development of the infrastructure and new institutes providing Post Graduation studies, Boys' Hostel, Women's Hostel, Sports Academy and recently started Music Academy shows the devotion and dedication of the President, Trustees and Office Bearers of RSET.

It is a great pleasure to note that inspite of continuous lockdown of educational institutions in the past few months due to COVID-19 Pandemic, all the institutions organized many noteworthy extra-curricular activities along with successfully performing regular academic schedule. Keeping social distancing in mind, Independence Day was celebrated in RSET Campus on 15th August with Shri Kailash Kejriwal, Trustee and Hon. Secretary hoisting the National Flag in the campus. This was followed by online celebration of Teachers' Day and Hindi Diwas by most of the institutions. Schools of RSET also celebrated Investiture Ceremony in a grand way through online platform. It is indeed a matter of great pride to note that schools, colleges and institutes of Rajasthani Sammelan Education Trust have been placed in high ranks as per Times School/College and B-School survey 2020. Institutes of higher education have signed MOU with many foreign universities to enhance academic collaborations.

I convey my hearty compliments to one and all for further growth and excellence.

Rajasthani Sammelan
Education Trust

Dear Reader,

We all know that in the present competitive environment only people doing the best in their respective fields will survive and outshine others. Therefore, Rajasthani Sammelan Education Trust has given to students of all institutions best infrastructure, strong technical support through IT labs with latest software, video-conferencing facilities to interact with students of other countries, well qualified staff and well stocked libraries with books, journals, magazines, DVDs, e-books & online data bases etc. Existing facilities are constantly upgraded to ensure that our students have access to latest equipments. The skills of teaching faculty are upgraded by giving them opportunity to attend refresher courses, orientation programmes, conferences and seminars at regular intervals. Distinguished personalities of National and International fame are invited for seminars and workshops to inspire and enlighten the students and the staff. In the month of August, the Counsel General of Afghanistan, Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited RSET Campus and met students from Afghanistan staying in boys' as well as women's hostels. They were given a warm welcome in RSET Campus and students from Afghanistan had a very healthy interaction with them.

It is heartening to note that inspite of continuous lockdown, all the institutions of RSET have efficiently managed in the new academic year of 2020-2021 admissions followed by teaching-learning through online platform. This was possible due to strong support given by IT Department of RSET. Side by side many webinars, guest lectures and extra-curricular activities like celebration on Teachers' Day, Hindi Diwas etc. were also organized through online mode.

I convey my best wishes to all the institutions of Rajasthani Sammelan Education Trust.

Ramnarayan
Saraf Educational
Outlet

Dear Reader,

I am very happy to know that over the years, Ramnarayan Saraf Educational Outlet has been extensively used by the institutions as well as students of Rajasthan Sammelan Education Trust. Generally a large number of students regularly visit the educational outlet not only for stationery items but also for xeroxing, scanning, obtaining xeroxed study notes and also for other items required for preparing their projects. Ramnarayan Saraf Educational Outlet has proved to be a boon not only for all the institutions to fulfill their stationery requirements but it has helped parents and students of schools greatly as they easily get full set of text books, note books as well as work books as required class wise. Since, the educational outlet is also doing printing work, printing of banners, invitation cards, stationery are also done here.

It is indeed praise worthy that the Management has given strong support to all institutions to conduct all their activities through online mode with the help of IT Department of RSET that included admissions for the academic year 2020-21 to teaching as well as extra-curricular activities. Kunjibihari S. Goyal Online Academy (GOLD Academy) became a repository of online lectures conducted by RSET institutes in GOLD Academy's LMS with the help of IT Department & ERP support of RSET. This was due to extended period of lockdown caused by COVID-19 Pandemic.

I am very happy to note that during the lockdown period Investiture Ceremony of Mainadevi Bajaj International School, Ramniwas Bajaj English High School and Kudilal Govindram Seksaria Sarvodaya School were held successfully online on Zoom platform.

I congratulate the Managing Committee members for their vision and hard work. I wish them further success in their educational endeavours.

Rajasthan Sammelan
Education Trust

Dear Reader,

I am pleased to note that despite continued lockdown in phases during the period of July-September 2020, institutions of Rajasthan Sammelan Education Trust functioned normally using online mode both for academic and administrative activities. Most of the administrative staff attended the office by following Government of India and Maharashtra Government norms. In the month of September 2020 most of the faculty members attended the office in staggering basis. Along with teaching, extra-curricular activities were also conducted by all institutions. Ramniwas Bajaj English High School organized a webinar for English and Science teachers of primary section. The secondary teachers attended many webinars on different subjects organized by other schools. All the schools conducted online Student Council Elections followed by the Investiture Ceremony which was also held online to invest the newly elected Student Council Members with their sashes and badges.

It is heartening to note that Mainadevi Bajaj International School has been ranked 1st in Zone D & 5th in Mumbai among top schools with international curriculum, Ramniwas Bajaj English High School as 5th in Zone D and 21st in Mumbai among top schools with national curriculum and Kudilal Govindram Seksaria English School ranked 8th in Mumbai among schools with SSC curriculum as per Times School Survey 2020. The Department of Self- Finance of Ghanshyamdas Saraf College organized 'Disha- Guidance for Prospective Career Paths'- five days orientation programme designed to guide the students about career prospects after HSC, from 23rd- 28th July 2020. Other institutions of higher education also organized many important events for the benefit of the students and staff.

I convey my whole hearted compliments to Shri Ashok M. Saraf, President, RSET and his team of Office Bearers and Trustees for the astounding growth of all institutions.

Rajasthan Sammelan
Education Trust

Dear Reader,

It gives me immense pleasure to note that Rajasthan Sammelan Education Trust has grown tremendously over the past seventy one years and now the Trust has eleven educational institutions, an online academy, a counseling centre & hostels for both boys' & girls' and a music academy running under the aegis of the Trust. More than 16000 students receive education in different educational institutions.

It is indeed a matter of great pleasure to note that Mainadevi Bajaj International School ranked 1st in Zone D (Jogeshwari to Borivali) and 5th in Mumbai among schools with international curriculum as per Times School Survey 2020. Ramniwas Bajaj English High School stood 5th in Zone D and 21st in Mumbai among Top schools with National Curriculum as per the Times School Survey 2020. Kudilal Govindram Seksaria English School also bagged 8th Rank in Times School survey 2020 in the SSC Curriculum category all over Mumbai. I take this opportunity to congratulate the Principal, staff and students of the above mentioned schools.

It is indeed admirable that all the educational institutions of RSET have accepted the challenges coming in their way of teaching-learning due continuous lockdown of the educational campuses. They have well adapted themselves to online platform and have succeeded in providing the students with a meticulously and carefully planned mix of academics and extra-curricular activities through online mode. Students of all our institutions have proved yet again that it's not just studies that they excel in but also in every single co-curricular and extra-curricular activity that the institution chose to organize. Some of the schools and institutions of higher education also organized webinars.

I take this opportunity to offer my compliments to the President Shri Ashok M. Saraf and his team for providing full support to all institutions of RSET.

Dear Reader,

Technology has become a part of teaching-learning in the present system of education. I have great pleasure to note that Rajasthani Sammelan Education Trust has always taken care to provide latest technological support to all institutions from time to time. Bloomberg Lab in Ghanshyamdas Saraf College, Mahabirprasad Poddar iMac Computer Lab & Mahabirprasad Colour Grading Lab at Deviprasad Goenka Management College of Media Studies speak volumes about the desire of the Management to provide latest technological support to the institutions of RSET. It is heartening to note that during the recent lockdown period DLCC was frequently used by Management for Zoom meetings to discuss various important administrative and academic issues. Since it has video-conferencing facilities, the Management is conducting regular meetings with senior staff from their office as well as from abroad as and when required. Many dignitaries and foreign visitors have visited Devendra Lath Communication Centre and other areas of the educational campus of Rajasthani Sammelan Education Trust and have appreciated the ambience and infrastructure. I am happy to note that in the new academic year, all admissions were done online followed by online teaching by schools and colleges of RSET. At the same time, online extra-curricular activities were also conducted with the help of IT Department of the Trust. Durgadevi Saraf Institute of Management Studies conducted short term online certificate courses. Some of the schools and institutions of higher education conducted many webinars.

I also appreciate the efforts of the Management to maintain proper sanitization within the campus and checking temperature at the entrance of the gate for the safety of the staff on duty and the students staying in the women's hostel. I convey my best wishes to one and all for their further progress and developments in the educational endeavours of Rajasthani Sammelan Education Trust.

Dear Reader,

Through this issue of Abacus, I express my heartfelt appreciation for the important events taking place in all the institutions of Rajasthani Sammelan Education Trust in the new academic year through online platform due to lockdown of educational campuses. It is indeed extremely heartening to note that all the admissions were done online which was followed by online lectures by all institutions. Independence Day was celebrated in RSET Campus in the presence of few Management members & Heads of Institutions. The Trust has encouraged almost all the institutions to celebrate Teachers' Day followed by Hindi Diwas with great enthusiasm by organizing interesting literary activities and competitions through Zoom platform. Investiture Ceremony was also celebrated by all the schools in the same way.

It is a matter of great happiness that the Management has started Nalini Shah Music Academy in RSET Campus from this academic year which is running successfully. Teachers have also been appointed to train students in vocal and instrumental music. I am pleased to know that Smt. Smita Mahavirprasad Agrawal Seminar Hall in Durgadevi Saraf Institute of Management Studies, in the name of my late mother is a popular location to hold important seminars and meetings. The seminar hall has been used in the past few months to hold Zoom-cum-Physical meetings of Managing Committee & Board of Trustees of RSET as well as committee meetings of the other institutions. Since the air conditioned Smt. Smita Mahavirprasad Agrawal Seminar Hall is sound proof and is technologically equipped to hold online meetings, it has proved to be of great help to all institutions to hold online meetings.

I congratulate one and all who have jointly contributed in the achievement of respective institutions of Rajasthani Sammelan Education Trust.

VIRTUAL INVESTITURE CEREMONY

"Leaders are not born but are made by their experiences in life".

To inculcate the leadership qualities in the students and to give them a feel of functioning of the administrative body, the Junior Student Council [Grade 5] as well as the Senior Student Council [Grades 6 to 10] was formed. An online democratic voting procedure was set in place which ultimately formed the school student council of the year 2020-21.

The Student Council members were then invested with badges and sashes in the Investiture Ceremony held online on Friday, 14 August 2020.

The ceremony though online, was conducted with a lot of zeal and zest. The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledge to bestow their duties to the best of their abilities. We believe that the child centric approach will frame a responsible citizen.

The blowing of the bugle marked the beginning of the grand Investiture ceremony. The event commenced with a welcome song by Mihika Bhise, followed by the introduction of the Chief Guest as well as the Guest of Honour.

A brief idea of the House System was given to the audience. The students were then conferred with the badges and sashes by their parents. The Head Boy then led the swearing in ceremony. The entire Student Council took the oath to

uphold the values and the responsibilities bestowed on them.

It was a proud moment for all the Parents to witness their children being invested with great responsibilities while embarking on a new journey as leaders. T

The Chief Guest, Shri Ashokji Saraf congratulated them and exhorted them to uphold the values while discharging their duties. He encouraged students to always walk on the correct path and be the change. He concluded by saying that 'A leader is one who knows the way, goes the way and shows the way.'

The Principal, Dr Padmaja S Kutty appreciated the students motivated them to keep moving forward despite all the obstacles and challenges that life throws in front of us. Citing the example of Ricky Ponting, she asked them to look for opportunities to deliver their best and achieve great heights. She also showed them a video of success stories and advised them to be role models while executing their responsibilities for the smooth running of the school.

The Vote of Thanks was rendered by the Head Girl.

This was followed by the School Anthem sung melodiously by Atharv Nimkar.

The ceremony concluded with a collated dance performance of various students on the patriotic song, 'Saare Jahaan se achha Hindustan Hamara'. The comperes, Nayasa Singhal and Ananya Bhat did a marvellous job of weaving the entire programme with their flawless narration.

The parents, who witnessed the online rehearsals for about a week, all kept wondering how an important school event like the Investiture Ceremony would be conducted on a digital platform. After the event, their testimonials highlighted the seamless and meticulous execution of the event in the new digital era.

The Director of Schools, Mr Nitin Padte congratulated the team. It indeed was a proud and memorable day for RBHS.

VIRTUAL INVESTITURE CEREMONY

Rajasthan Sammelan Education Trust's Kudilal Govindram Seksaria English School proudly celebrated the virtual Investiture Ceremony on 15th September 2020, investing its outstanding students as office bearers.

This event sets the right tone for the beginning of an Academic Year during which the young leaders not only learn to guide other students but also create models in leadership for others to emulate. Investiture Ceremony is an event where the school entrusts faith and hope in their student council. The true essence of Democracy was learnt and thoroughly experienced by the students of KGES. Every student who obtains leadership role feels proud and responsible. The deserving young talent of school was bestowed with the responsibility of leading their school with Commitment, Confidence and Competence. The Principal, Mrs. Mini Nayar and Head Mistress of Primary and Preprimary section- Mrs. Indrani Balan welcomed Mrs. Neera Saraf - Donor Trustee of RSET, Mrs. Nilima Pahwa - Member of RSET, Mr. Nitin Padte - The Director of Schools and the parents. The Ceremony commenced with melodious prayer song by the school choir. The school council members of Primary and Secondary section, were designated with their duties and responsibilities along with the Scarves, Sashes and Badges by the Distinguished Guests, Principal and Head Mistress. The student council took an oath led by Head Boy Mst. Chandan Mishra, to follow the school's Vision and Mission "Inspire, Invent and Initiate" and promised to discharge their duties with Sincerity and to the best of their abilities. Trustee Mrs. Archita Rajpuria also graced the occasion to wish the students.

Principal Mrs. Mini Nayar addressed the school council with her influential speech and guidance. She said leaders are not created they are made and every leader stands as an example of Commitment, Dedication, Loyalty and Responsibility. Principal thanked the outgoing student leaders for all their efforts throughout the year. The Principal stated that the school expected the newly elected leaders to live up to the expectations of the post that they were holding and serve the school with utmost dedication. The newly elected Head girl and Head boy ensured and promised to put in all their efforts for the well being of the school at all times with all dedication and commitment.

The Principal Mrs Mini Nayar also expressed the mission and vision of KGES student council:

MISSION:

KGES believes that students should play an active and positive role in school life and we believe that our student council helps to achieve this. Student council is a group of elected students who work together to promote and serve the school environment in its true spirit.

VISION:

To be an effective and bonded student representative body.
To foster creativity, leadership and organizational skills in students.
To develop a sense of belonging to the school.
To serve with commitment.

The details of the newly nominated students leaders are as follows :

Designation	Secondary section	Primary section
Head Boy	Mst. Chandan Mishra	Mst. Kush Seth
Head Girl	Ms. Ishika Singh	Ms. Hiya Mehta
Sports captain	Mst. Raju Yadav	Mst. Shlok Rawtoo
Canary House Captain	Ms Shraddha Yadav	Ms Ayushi Thakur

Trustee Mrs. Neeraji Saraf, inspired and encouraged the elected leaders to be dutiful and responsible. Mrs. Nilima Pahwa also congratulated the newly appointed school council members. Director of schools Mr. Nitin Padte wished the students and appreciated the efforts taken by the school in providing opportunities to the students.

The celebration concluded with the National Anthem. Every child who was elected as a Leader felt proud with a sense of responsibility towards the school.

CELEBRATES INDEPENDENCE DAY

Every year Independence Day is celebrated with great enthusiasm all over India. On 15th August 1947, our country achieved independence from British rule. On the eve of 15th August 1947, India's tricolor flag was first hoisted by Pandit Jawaharlal Nehru, the first Prime Minister of India, at Red Fort, New Delhi. Since then Independence Day is celebrated in honour of the birth of a free nation. The main event takes place in New Delhi, where the Prime Minister hoists the National Flag at the Red Fort accompanied by gun shots, parades, amazing live performances and music. On this day tributes are also paid to the freedom fighters who sacrificed their lives to gain freedom for India.

Every year Independence Day of our beloved motherland India is celebrated with great pomp and enthusiasm at RSET Campus. The day starts with the arrival of the dignitaries— the Chief Guest, the President, Office-Bearers, Trustees & Managing Committee members of RSET in the campus. They are escorted by

Shri Kailash Kejriwal, Shri Ashok M. Saraf, Shri Vinod Podar, Shri Lalit Saraf, Shri Sunil Kabra, Shri J.P. Khemka, Shri Arun Saboo and others.

Temperature checking of Shri Ashok M. Saraf, President, RSET at Gate No.1 by Security Staff.

NCC Cadets near the flag post followed by flag hoisting by the Chief Guest along with singing of national anthem by school children. Flag hoisting is followed by march past by NCC Cadets of Ghanshyamdas Saraf College with salute to honour the national flag. Later dignitaries are escorted to the auditorium. Various cultural programmes based on the theme of Independence Day are presented by all the institutes of Rajasthani Sammelan Education Trust.

However, this year there was total lockdown of the educational campus of RSET due to COVID-19 Pandemic. Hence the 74th Independence Day of the country was celebrated in a moderate way as per the government norms of social distancing. In the morning, Shri Ashok M. Saraf, President, Shri Kailash Kejriwal, Hon. Secretary along with few Trustees and Managing Committee members arrived in the campus. They were welcomed by Heads of Institutions and Staff and were escorted near the flag pole. Exactly at 9 a.m. the National Flag was hoisted by Shri Kailash Kejriwal, Hon. Secretary and Trustee of RSET. Simultaneously the National Anthem was sung by Dr. Latha Venkat on this occasion.

Independence Day was also celebrated by Pre-Primary and Primary students of Mainadevi Bajaj International School in advance during their virtual classes on Friday 14th August. The students of Grade 2 remembered the great freedom fighters and spoke about their contribution in making India a free nation. The entire class was filled with patriotism and pride and their zeal was seen as they came dressed as their favourite freedom fighter during the online class. The students of Grade 4 engaged themselves in heartfelt performances which included speeches and songs dedicated to the nation in Hindi.

The cute little students from Senior KG of MBIS painted tri-colour hand-fans whereas the Junior KG students celebrated our 74th Independence Day with a quilting activity and made beautiful tri-colour flags too. The students from Grades 3, 4 and 5 created their own patriotic poems and

recited the same.

Tiny tots of Mainadevi Bajaj International Playschool did not lag behind. They dressed up in tri-coloured clothes to celebrate 'Independence Day' on 15th August, 2020 and shared their photographs through WhatsApp and also took part in the online recitation competition.

To instill a sense of patriotism, Independence Day was virtually celebrated by Ramniwas Bajaj English High School both for Primary and Secondary sections. 'Legends of India' competition was held for children in which they dressed up as legends and spoke a few lines about them. The virtual celebration of Independence day conducted for Primary and Secondary was highly appreciated by parents. These were individual classroom sessions that infused enthusiasm amongst students and parents.

हिंदी दिवस

14 September

Hindi Diwas is celebrated in our country on 14th September every year because on this day in 1949, the Constituent Assembly of India had adopted Hindi written in Devanagari script as the official language of the Republic of India. This decision was ratified by the Constitution of India that came into effect on 26th January, 1950. Under the Article 343 of the Indian Constitution, Hindi written in Devanagari script was adopted as the official language. In all, there are 22 Scheduled languages of India, of which, two are officially used at Union government of India level i.e. Hindi and English. Hindi is spoken by 250 million people as the original language and it is the fourth language of the world.

Rajasthan Sammelan Education Trust is a Hindi Speaking Linguistic Minority Trust & hence the President, Trustees & Managing Committee members give special importance in celebrating Hindi Diwas. All the institutions are encouraged to celebrate Hindi Diwas by holding events based on Hindi language. Trophies & prizes are also instituted by the Trustees to encourage students to participate in competitions organized by the institutions. As in previous years, this year too, Hindi Diwas was celebrated by the institutions of RSET but in a different manner i.e. through online platform due to lockdown of educational campuses in phases caused by COVID-19 Pandemic.

Hindi written in Devanagari script was approved as the official language by the constituent assembly on September 1949 which also marks the birthday of Hindi scholar and stalwart Beohar Rajendra Sinha. It is a moment of pride for every Indian. To remember the historic occasion of this mother language of India and to emphasize the importance of this language Hindi Diwas was celebrated at KGES on 14th September. A variety of programmes that stressed the significance of national language was held. The students participated with great enthusiasm and highlighted the significance of language through various innovative and creative activities. It was a way to pay respect to Hindi and also the willingness to learn more about this language which is deeply rooted in our culture. It is a reminder that no matter where ever we go in life we must value and respect our language and culture. Teachers also shared their views that the native language should not be retained at all cost but efforts should also be made to expand the language's reach throughout the length and breadth of the country. It is a way to acquaint people with

the richness of this language as well as our historical past. The in house competitions organized on Hindi Diwas in the Preprimary, Primary and Secondary sections invoked respect for this language and its use in the country. Fancy dress competition was held for the students of Std V and VI. Std VII and VIII had the Poster making competition and finally the students from Std IX and X came up with poem recitation. Students were instructed not to use English words which made the competition interesting & entertaining. Students participated whole heartedly. Teachers expressed their views on the importance of Hindi during the virtual class. They said that in a developing India when English is given priority, we still communicate & express our feelings in Hindi. "Hindi Hamari shaan hai, desh ka abhimaan hai". She emphasized that we should be proud of our National Language. The teacher highlighted the importance of Hindi in our country. It was a great pleasure to see the students participate with great enthusiasm and they also spoke on the importance of the language in the contemporary society. Our secondary student, Ms Kahkasha Shaikh from std X participated in the Interschool Hindi Poetry recitation competition wherein more than 20 schools had participated. Language & culture plays an important role in making people to connect with the people & helps in making a strong nation. This event serves as a patriotic reminder to Indian population of their common roots and unity. Thus the celebration concluded with a positive note.

Students of Grade 9 had written and presented an article in Hindi on 'Corona ka Samajik prabhav'. The Article covered the social impact of Coronavirus, importance of social distancing and precaution to be taken and how we should overcome this pandemic. Students of Grade 10 and 12 made collages of great writers. On Saturday, 26th September at 5:00 pm, the esteemed parents of MBIS were invited to play a game of Housie with a Twist on Zoom. It was based on Bollywood movies. More than 60 parents joined this event and made it a successful one. There was a lot of laughter and this simple act of spending time together took a load off everyone's mind, and we created some new, fun memories to remember whenever we stroll down memory lane.

Durgadevi Saraf Junior College, Ghanshyamdas Saraf Degree College & Ladhidevi Ramdhar Maheshwari Night College of Commerce:

Durgadevi Saraf Junior College has always been in the forefront to promote this beautiful language. The college celebrated every year "Hindi Diwas" with great pomp and festivities. So far the college has organized elocution, debate, singing and other competitions. Not only the Hindi speaking students, but also students speaking other languages actively participate in various competitions organized by the college during Hindi Diwas every year. The Management has always encouraged the staff and students to promote Hindi and always encouraged the students by attending these programmes and by instituting trophies and

cash prizes.

This year Hindi Diwas was celebrated on 14th September, 2020, by Durgadevi Saraf Junior College along with Ghanshyamdas Saraf Degree college & Ladhidevi Ramdhar Maheshwari Night college, with great zeal and enthusiasm through online Zoom webinar platform.

It was all about paying tribute to our national language. Hindi is the soul of Indian culture. On this auspicious occasion a competition titled "HINDI BHASHI GAAYAKO KA HINDI FILMO MEIN YOGDAAN PRATIYOGITA" was organized. Smt. Sudarshana Dwivedi (Sr. Journalist and a script writer of Hindi TV Serial) was our chief guest for this occasion. Smt. Shashi Nigam (singer) and Smt. Manisha Singh (Writer & Teacher) were the judges for the competition. The occasion was graced by Shri Shrikantji Dalmia, Trustee, RSET, Principal Dr. Jayant Apte and also the teachers of DSJC, GSCC & LRMC.

First Prize was won by Ayush Jha of DSJC, Second prize by Divyesh

Jaypurwala of DSJC, Third prize was shared by two students Sumar Pandit of LRMC and Ashwin Oza of DSJC and consolation prize was won by Tanish Rajul of DSJC and Shagufta Farukhi of GSCC.

Kishnadevi Parasrampur trophy instituted by Shri Kailash Parasrampur, Trustee, Rajasthani Sammelan Education Trust was awarded to Durgadevi Saraf Junior College.

Smt. Sudarshana Dwivedi congratulated our staff and management for organizing this programme with a modern twist as Hindi language is largely becoming popular through Hindi film songs. Our judges also appreciated the efforts of our management to promote Hindi language with changing trends.

The students also felt enlightened and this definitely will give boost to the importance of Hindi language at all levels.

The highlight of the month was the Investiture Ceremony which was held online to invest the newly elected Student Council members with their sashes and badges. This ceremony also witnessed the felicitation of the Grade 10 batch of rank holders [1-10]. Our Chairperson, Shri Ashokji Saraf was the Chief Guest and our Trustee, Ms Archita Saraf Rajuria was the Guest of Honour. They appreciated the team for the stupendous success of the event. Our Director, Mr Nitin Padte also graced the occasion with his presence and acknowledged the commendable efforts of the RBHS team for the success of the event.

GRATITUDE IS A POWERFUL CATALYST FOR HAPPINESS

The PTA members visited the school and expressed their gratitude to the

staff for all the hard work done through online sessions. The cake and the card for the staff really gave a personal touch. The school gifted all teachers with a book, 'Ikigai' and a snack box to commemorate this special day.

Teachers' Day was celebrated virtually by the Student Council. The children put up various performances and presentations to appreciate their teachers. This gesture really touched our hearts.

3. Our Young Scientist: Our young Scientist, Prithvee Prashant, of Grade 4 has built a model of the GSLV MK III launcher which was used to launch the Chandrayaan 2 spacecraft. He built it using basic cardboard, tissue paper, and acrylic colour. He has also accurately placed the national flag, national emblem, and the ISRO insignia in the model. This young scientist will surely make our nation proud one day.

4. Budding Hindustani Classical Singer

Vamika Chaurvedi of Grade 4 has been learning Hindustani classical music degree course for the past three years. Her live performance was aired on Instagram on 20th July and Facebook on 26th July. Congratulations Vamika!

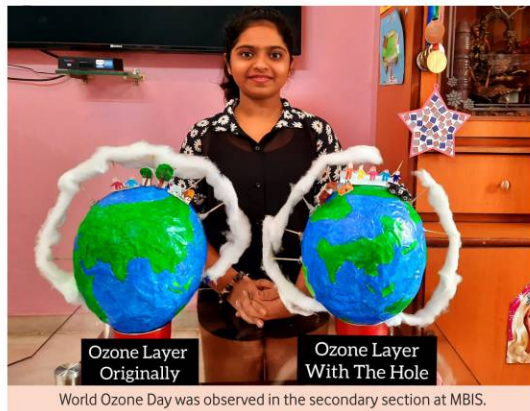

5. Budding YouTuber

Meet our budding YouTuber, Ms. Sanjana Gokhale who has made us all proud by starting her YouTube channel, SassySan. Sanjana has always been adventurous and loves challenges. After watching numerous videos of various YouTubers and admiring their courage and creativity, she mustered up courage and embarked on this new adventure. Her videos are a unique portrayal of glimpses from everyday life. Her cheerful and jocular demeanour provides comical relief to our monotonous and stressed lives.

Celebrations-Early Years

Nursery

Rakhi- A bond of love...Nursery students are learning about Myself and My Family. On Friday, 31st July they celebrated Raksha Bandhan with friends online and made rakhis for their siblings.

World Ozone Day was observed in the secondary section at MBIS.

Senior KG

'Celebrations never stop though it's online.'

The students of Sr.KG celebrated the two festivals Eid and Raksha Bandhan on Friday, 31st July '20 by making greeting cards for their loved ones during their online sessions.

Bastille day-Secondary Section

As a part of the annual celebration of the- Bastille day- French National Day (14th July), this year the students at MBIS churned their creative juices and came up with innovative ideas to express their journey of learning a foreign language. Whether it is expressing their emotions in French about how they miss school, to exploring French monuments (mind you - their list did not have the cliché - Eiffel Tower) to writing a poem, the students gave their best shot.

Grade 6 & 7 Students of grade 6 did an activity on facts of France like the monument, food, currency, and French national flag on the occasion of French national day. Students of grade 7 dressed up themselves on famous French personalities like the French singer, footballer, French writer, scientist, fashionista etc on the occasion of French national day.

Grade 8 Ayushmaan Goyal, Samarth Goyal and Prisha Goenka each have chosen a French monument, all unusual ones as none of them have described Eiffel Tower, the cliché associated with France, Paris.

Grade 9 Vansh Lathiya has expressed his feelings about how he misses school and remembers the good old days at school.

Grade 11 Aarushi Pandey had penned a poem about 'how a French girl wishes she was Indian, so that she could do all things Indian.'

Professional Development

In spite of the lockdown and the current work from home set up, our teachers have not stopped their endeavour to keep themselves updated

Student Council Election

'A leader is one who knows the way, goes the way, and shows the way.'
- John Maxwell

We, at MBIS, are committed to training the young minds to lead with confidence and responsibility. What could be a better platform than the 'Student Council' to achieve this goal? Our enthusiastic Grade 9 students came forward to shoulder the responsibility of being a catalyst to smoothen the school-functioning.

They even prepared impressive posters and gave inspiring speeches while campaigning for the forthcoming Student Council Elections.

Investiture Ceremony & Founders Day

Mindful Grand Parenting Webinar

Grandparents make the world a little softer, a little kinder and a little

warmer. On Tuesday, 18th August'20 a webinar on 'Mindful Grand-parenting in Covid-19 times' was organised by MBIS. The lead speaker was Ms. Farzana Dohadwala, the senior academic advisor of MBIS. The crux of the webinar was how to provide support and encouragement to their grandchildren in learning new skills and values. The webinar covered topics like Happy-living – together, How to help your grandchild in his/ her online learning, Mother tongue support, how to live in the present, not to react but respond to situations so on and so forth.

Parentime Webinar

Webinar by MBIS in collaboration with the Parentime on "How To Turn Fussy / Picky Eaters Into Happy Eaters" with focus on children, was Conducted by MS Nidhi Gupta a Nutrition and Parenting coach on Saturday, 8th August 20.

Master Class Series

Ms Princy Jain, Senior Journalist who formerly worked with Hindustan Times and The Times of India as a Principal Correspondent delivered the first Master Class talk on Media Literacy to our Grade 8 to 12 students. The talk was very insightful with relevant examples that helped students understand more about the topic.

Independence Day celebration- Pre-Primary & Primary

Independence Day is both an occasion to celebrate and to remember the struggles of those who fought to give us this gift of Independence... And at MBIS this is exactly what we did during the virtual classes in the Pre-Primary and Primary Sections on 14th August, Friday as Independence Day was celebrated in advance. The students of Grade 2 remembered the great freedom fighters and spoke about their contribution in making India a free nation. The entire class was filled with patriotism and pride and their zeal was seen as they came dressed as their favourite freedom fighter during the online class. The students of Grade 4 engaged in heartfelt performances which included speeches and songs dedicated to the nation in Hindi. The cute little students from Senior KG painted tri-colour hand-fans whereas the Junior KG students celebrated our 74th Independence Day with a quilting activity and made beautiful tricolour flags too. This day was celebrated with a myriad of feelings; and with feelings come emotions. The students from Grades 3, 4 and 5 created their own poem with 'Independence Day' as the theme and took part in the online recitation competition.

Janmashtami Celebration- Nursery, Grades 1&2

Janmashtami was celebrated with great eagerness and happiness by the students of Nursery, Grade 1& 2 on Monday, 10th August '20. The cute students of Nursery were dressed up as little Radhas and Krishnas whereas the students of Grade 2 enjoyed an online Hindi story session on Lord Krishna and were keen to know more about the festival. In Grade 1 this activity was integrated with the science topic "Reuse, reduce and recycle". The students decorated pots and made flutes that signify this festival with materials that were available at home. This was followed by a story narration on the birth of Lord Krishna by the teacher and singing and dancing by the students.

Ganpati Celebration- Jr & Sr Kg Ganpati Bappa Morya' On Friday, 21st August '20- Jr Kg and Sr Kg welcomed Lord Ganesha by making the Lord Ganpati with leaf cutouts and clay. As they were making the ganpati step by step the eagerness and excitement on the students' faces showed how happy they were when the little Ganesha was finally complete.

GRADE 12 ONLINE PTM was held on Friday, 7th August, 2020.

Hogwarts Digital Escape Room

On 31st August, 2020 'Hogwarts Digital Escape Room' - challenge was organized as a team activity from Grade 7 to 12. It was a fun team building activity where students had to solve puzzles to get out of the locked room.

Symbols of India and also performed Palm breathing exercise and Pranayam in their PE class. Grade 8 students did Yoga mobility routine for neck, back and core workout along with live roller coasters which depicted the National Symbols of India.

Teachers' day Celebration

FIRST EVER VIRTUAL TEACHERS' DAY CELEBRATION-Love is best expressed in actions because even if you take all the ink and paper available in the world and write millions of words on it to express your love and gratitude, it still falls short in conveying your admiration and reverence to those who mean a world to you. However, when these words are accompanied by actions, the receiver is overwhelmed. This is what the MBIS Student Council made possible for their precious teachers. The thick clouds that have enveloped the world could not deter the spirits of MBIS students who meticulously organized and executed the Teachers' Day Celebration.

Career counselling

RMCC (the in-house counselling department within RSET) conducted an exclusive career counselling webinar for parents and students of Grades 10, 11 and 12 of MBIS. This session focused on how students in secondary and high school need to kick-start the process of planning for their future, options for further study both in India and overseas post the IB Diploma, scope of overseas education during the pandemic time and admission/eligibility requirements for a range of countries. The session provided valuable insights to our students and will undoubtedly aid them in planning effectively for their future career aspirations (both locally and globally).

Master Class

As part of the 2nd Master Class Series of Industry Leader / Influencer Talks at MBIS we had Mr. Rahul Nair, a noted writer and film-maker deliver a talk to our secondary and high school students on 'How OTT platforms are changing the rules of the entertainment space in India'. His rich experience in these vertical and personal anecdotes made this a very insightful session for our learners.

"We at Mainadevi Bajaj International School, celebrated 'World Ozone Day' on 16th September, 2020. The students of grade 6,7&8 showed great enthusiasm by participating in research and an online quiz on ozone. The students also explained their understanding of the concept of how ozone molecules are formed or broken through demonstration using toothpicks and pieces of paper, foil or Chupa Chups."

Hindi Diwas

On Saturday, 26th September at 5:00 pm, the esteemed parents of MBIS were invited to play a game of Housie with a Twist on Zoom. It was based on Bollywood movies. More than 60 parents joined this event and made it a successful one. There was a lot of laughter and this simple act of spending time together took a load off everyone's mind, and we created some new, fun memories to remember whenever we stroll down memory lane.

Primary

On Monday, 14th September '20, students of MBIS - Primary Section celebrated Hindi Diwas virtually. Different activities were organised to create awareness and encourage students. Grade 1 students recited rhymes and poems while the students of Grade 2 came up with new and interesting stories during their storytelling session. Hindi riddles and slogans were the activities presented by Grade 3 students whereas Grade 4 students had organised a Hasya kavi sammelan. Not to be left behind, Grade 5 students came up with whacky tongue twisters in Hindi. Overall a fun filled Hindi Diwas.

Secondary

Students from grade 6 to 12 participated in different activities. Students

IN PURSUIT OF EXCELLENCE

Established in 1975

Dr. Jayant Apte, Principal

Today Covid-19 outbreak has affected all walks of life and education system was expecting a shutdown. But as it is rightly said, "Out of adversity comes opportunity". Even at the times of crisis, RSET has left no stone unturned to give quality education to the students. E-learning has been adopted to teach students, as social distancing has become the norm, the precautionary measures during Covid-19. Technology has been an enabler in this moment of crisis. Hence, during these ever-changing times to continue educating our students, the college has shifted its base to virtual platforms for conducting online classes. Resources like Zoom and G-suite for online learning has enabled our college to provide a seamless educational experience to all its students.

SYJC online lectures were started from 2nd July 2020 after a break in the month of June. We are delivering different live lectures and are conducting the different subject classes at a specific time through our laptop or desktop. In this live class, teachers and students have interactions, Power point presentations and whiteboard screen sharing. To assess students' understanding and progress, teachers are conducting oral Q & A session during the online classes, which are helpful to get some clarity on their prior knowledge and the extent of work done by the students.

Rotaract Club of Ghanshyamdas Saraf College of Arts and Commerce and Durgadevi Saraf Junior College in association with Rotary Club organised a Webinar on Yoga and the theme was 'Be fearless'. It was held on 04th August, 2020 through online Zoom platform. The Speaker for the webinar was Mr. Kush Panchal, internationally acclaimed Yoga trainer, has

trained many celebrities of Bollywood & Hollywood.

FYJC admission for minority and in-house quota started from 12th August to 21st August 2020. Online (M.M.R.) 1st merit list declared on 30th August and admission procedure continued till 5th September 2020.

It is said, "Teachers can change lives with just the right mix of chalk and challenges." But due to the Covid-19 outbreak, teachers had to begin teaching virtually. It was challenging but teachers never give up, do they? The Covid-19 pandemic might have shaken up the world, but teachers have shown their resoluteness to tackle even this problem with their expert skills at innovation and their tenacity to impart knowledge even in the most trying situations. Teachers' Day is reminiscent of all those teachers who influence our lives profoundly and bring back nostalgic and sweet memories. A good teacher can inspire, ignite the imagination and instill a love of learning. Enthusiasm and festivity marked the Teachers' Day celebration at Durgadevi Saraf Junior College this year too, despite the new normal, which is proof of how much the teachers are appreciated. It was celebrated on 5th September online through Zoom platform. It was a short virtual celebration, through a pre-recorded video, which was organised for the teachers by the Cultural Committee.

It commenced with a warm welcome and introduction followed by Saraswati Vandana. The anchor was Ayush Jha from SYJC. The students engaged themselves in unbridled capacity to shower love, admiration

Hindi Diwas celebration

and respect to their teachers through melodious songs, energetic dances, speech and poem recitation by conveying regards from their homes. Despite restrictions, students left no stone unturned to make their teachers feel special.

This year Hindi Diwas was celebrated on 14th September, 2020, by Durgadevi Saraf Junior College along with Ghanshyamdas Saraf Degree college & Ladhidevi Ramdhar Maheshwari Night college, with great zeal and enthusiasm through online Zoom - webinar platform. It was all about paying tribute to our national language. On this auspicious occasion "AHINDI BHASHI GAAYAKO KA HINDI FILMO MEIN YOGDAAN PRATIYOGITA" was organized. Smt. Sudarshana Dwivedi (Sr. Journalist in Navbharat times and a script writer of Hindi T.V Serial) was our chief guest for this occasion. Smt. Shashi Nigam (singer) and Smt. Manisha Singh (Writer & Teacher) were the judges for the competition.

First Prize was won by Ayush Jha of DSJC, Second prize by Divyesh Jaypurwala of DSJC, Third prize was shared by two students Sumer Pandit of LRMC and Ashwin Oza of DSJC and consolation prize was won by Tanish Rajul of DSJC and Shagufta Farukhi of GSCC.

Kishnidevi Parasrampuriah trophy instituted by Shri Kailash Parasrampuriah, Trustee, RSET was given to Durgadevi Saraf Junior College. Smt.

Online participation of our student in Fit India Movement

Sudarshana Dwivedi congratulated our staff and management for organizing this programme with a modern twist as Hindi language is largely becoming popular through Hindi film songs. Our judges also appreciated the efforts of our management to promote Hindi language with changing trends. The occasion was graced by RSET trustee member

NSS foundation Day

Student performing on Teachers Day celebration

Shri Shrikantji Dalmia, Principal Dr. Jayant Apte and also the teachers of DSJC, GSCC & LRMC.

The NSS unit celebrated online NSS Foundation day on 24th September 2020 on Zoom platform with immense ardour and avidity. Mrs. Hema Ulli started the program by welcoming the Guest and Speaker. She gave an introductory speech on NSS to orient the young students towards community service. The program comprised of set of events. The kick start was the speech given by the Principal Dr. Jayant Apte who addressed our students about self-less service. The program was then followed by the mesmerized speech given by Mrs. Snehalata through her years of practice in terms of administration & co-ordination with NSS Committee members.

The Guest speaker "Shri Namdev Belnekar" enlightened the students by saying that any physical illness or psychological disorder can be recovered with the help of yoga. He encouraged them for upgrading themselves towards anti-ageing & medicinal yoga practice.

The events such as saraswati vandana, speech in Hindi, Marathi & motivational dance as well as song showcased the good efforts & endeavours taken by NSS volunteers. One of the Ex-NSS volunteers & volunteers of current batch also shared their personal experience regarding lockdown and encouraged the students about developing positive attitude & its utilization in the best way, in this pandemic period. The program ended with vote of thanks by Mrs. Vaishali Belnekar.

Sports: Due to this pandemic situation students are practicing (Personal Fitness) at their place for various games like Kabbadi, Kho-Kho, Basketball, Football, Volleyball etc. On 29th August, National Sports Day was celebrated on account of birth anniversary of Major Dhyanchand, our sports committee conducted online sports quiz. 119 students participated in this quiz competition.

DSO (Mumbai suburban) has organized Fit India Freedom run from 29th August to 2nd October 2020, to encourage fitness and avert obesity, laziness, stress, anxiety, diseases etc. 15 students from our college successfully participated in this campaign and awarded certificates, under the 'Fit India Movement'.

Our students attended webinar on "Unveiling the unseen hidden opponents in Sports Performance" Organised by R.M.C.C on 26th September 2020 on Zoom platform.

Many of our teachers attended various online webinars during this period.

Vineeta Rajapurkar (HOD, Hindi department) along with three other college teachers got together and came up with the concept of Sankalp Sahitya Kala Manch. Through this platform they conducted webinars based on the new 12th standard Hindi Yuvakbharati textbook with the permission of the Special officer Dr. Alka Potadar, the Hindi textbook writing committee- Pune. These webinars were attended by Hindi lecturers from all over Maharashtra. For each unit, the reputed poets,

authors, and numerous language experts were called for guidance and open discussion. With the co-operation of Hindi lecturers and Sankalp Sahitya Kala Manch, 18 webinars were successfully conducted within the span of 2 months. These events were featured and lauded in daily Hindi newspapers such as Jansatta, Yashobhumi, Lokmat, Navbharat, and Navbharat Times.

Mr. Surendra Sawardekar organized one day online multidisciplinary international conference on "Effective strategies During Covid-19 Global pandemic scenario (ESCGP 2020)" on 5th July 2020, under a section of Operational Edu-care development by Pandavas Greempite in association with Martial Arts fitness club.

EVENTS AT DSIMS

13th & 14th August, 2020

Students who participated in Retail Management and Communication On-Line courses (in June 2020) were awarded with e-certificates and were granted the status of DSIMS Alumni.

10th July, 2020

Faculty Development Program on "Plagiarism" was organised by HEF. The FDP was facilitated by Dr. Kirti Arekar, Associate Professor at K J Somaiya Institute of Management Studies & Research, Mumbai and others. Dr. C. Kaushik and Dr. Nehal Joshipura attended this FDP on Zoom Platform.

25th July, 2020

The FDP on "Simulation as a Teaching Tool" organised by Higher Education Forum discussed how simulation can help teachers in improving their teaching pedagogy. Simulations aim to provide an experience as close to the 'real life situation' as possible; however, a simulated activity has the advantage of allowing learners to 'reset' the scenario and try alternative strategies and approaches. This allows learners to develop experience of specific situations by applying their wider learning and knowledge. The instructors also differentiated between a case study and a simulation where it says that business simulation considers studying industry conditions, understanding customer, strategy formulation, managing operations, conducting study after every period of play and presenting situation analysis for present and future.

The FDP was conducted by Dr. Suresh Mony and Dr. Neha Chhabra Roy.

28th July 2020

Dr. Sumana Chaudhuri attended a Webinar hosted by Bombay Chamber of Commerce and Industry (BCCI). Director General of BCCI, Dr. Sandeep Khosla in his opening remarks mentioned that there are currently 3000 active members with the Chamber, of which 2200 members are from the MSME sector. In this pandemic, the MSME sectors are the worst hit. BCCI working relentlessly to revive this sector. BCCI is in the process of drafting a White paper on MSME's revival strategy, which is to be published in the month of August, 2020.

The theme of the webinar was MSME-WAY FORWARD. It was an interactive session with Dr. Harshadeep Kamble, IAS, Secretary (Small and Medium Industries) and Development Commissioner (Industries) Government of Maharashtra. Dr. Harshadeep Kamble in his address mentioned that in this pandemic year the businesses should try to remain afloat. He also informed that, during his tenure, the MSME state budget has been increased from INR 5 crores to INR 10 crores under the aegis of the New Industrial Policy. He put in his records his appreciation for the Import Substituting MSME Units and promised to offer state support to strengthen those units.

Mr. Lancy D'Souza, Advocate of Bombay High Court was the other speaker who enlightened the audience about the legal problems faced by the MSMEs.

Dr. Vinod Chopra, Member of MSME Committee, BCCI moderated the

session.

Report of the E-Conference on NEP 2020: Impact on PGDM Education

Dated 29th August, 2020

• National Education policy

The New Education Policy 2020 as approved by the Union Cabinet aims at making "India a global knowledge superpower". One of the stated aims of the policy is to instill a "deep-rooted pride" in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions. The Government formulated the New Education Policy through the consultation process for an inclusive, participatory, and holistic approach, which takes into consideration expert opinions, field experiences, empirical research, stakeholder feedback, as well as lessons learned from best practices.

In pursuant to the objectives and goals of the NEP 2020, Education Promotion Society for India (EPSI) organised an E-Conference on 29 August 2020. The E Conference was attended by over 200 academic leadership of MBA/PGDM Universities and Institutes of the country including representation from overseas Think Tanks, Director, BIMTECH and Trustee and Executive President of EPSI, Dr Harivansh Chaturvedi chaired the proceedings of the Conference. Besides the inaugural keynote address delivered by Professor Anil Sahasrabudhe, Chairman, All India Council for Technical Education (AICTE), the highlight of the E Conference was a set of two panel discussions led by three moderators of outstanding academic excellence.

• The distinct features of the NEP 2020 are:

(a) There would be a single regulator for all higher education institutions in India.

(b) In a bid to ramp up digital learning, a National Educational Technology Forum (NETF) would be created. E-courses will be developed in eight regional languages initially and virtual labs will be developed.

(c) Top 100 foreign colleges will be allowed to set-up campuses in India. According to the NEP 2020, listing salient features of policy, "such (foreign) universities will be given special dispensation regarding regulatory, governance, and content norms on par with other autonomous institutions of India.

(d) Standalone Higher Education Institutes and professional education institutes will be evolved into multi-disciplinary education. There are over 45,000 affiliated colleges in our country. Under Graded Autonomy, Academic, Administrative and Financial Autonomy will be given to colleges, based on the status of their accreditation.

(e) Setting up of National Research Foundation (NRF).

Around 268 affiliating universities in India have 40,000 plus colleges attached to them. The policy endeavours to transform HEIs into centres of innovation and excellence by reducing their administrative burden. By granting graded autonomy and turning HEIs into degree-granting colleges, NEP intends to bring greater transparency and standardisation in the higher education landscape.

The policy also aims to transform educators by enhancing the professional standards among teachers. The National Education Technology Forum (NETF), for instance, will enable the exchange of ideas on the use of technology for enhanced learning, which will help in bridging the digital divide.

• The E-Conference deliberated on the following aspects of NEP 2020:

1. The Impact of the NEP 2020 on management education in general, particularly over 500 PGDM granting B-schools.
2. Challenges and opportunities of NEP 2020 for B-schools.
3. Planning the future roadmap to align and benefit from this landmark policy.

SOCIAL INITIATIVES

What a start of the year! Indeed a memorable journey to remember for all of us. Unity is diversity and hence even in these tough times we made it pass with lots of happiness.

The faculty in-charge for Social initiatives, Dr. Sarika Jain, guided throughout to conduct the event and presented us the big picture to motivate the team. The year started with first activity of supporting NGO-GOONJ, by organizing a COVID 19 FUNDRAISER on the 31st August 2020 which ended on 15th September 2020.

It was a pleasure talking to Ms. Neelima from GOONJ who has given a tour in this project in which the students supporting Goonj which is helping people from all over India who can't survive this pandemic by stabilizing them economically and by providing them with Basic essentials. For helping them, the students raised funds through Ketto platform from which the funds collected are directly transferred to Goonj.

The Students have also organized an Instagram campaign in the form of a talent hunt "ROCK OUT FOR CHANGE" competition where participation invited beyond DSIMS like student of XIMB, working professionals like High court advocate or voice modulators and even DSIMS alumni also participated with the students. The motive was to spread awareness of the cause, increasing the visibility of our campaign and DSIMS Project sahyog Instagram page. Through this remarkable campaign we have raised an unexpected amount of Rs 30,967 via personal selling and via digital media was Rs.2,350 which makes it the total of Rs. 33,317.

Looking at the enthusiasm of people gave lot of satisfaction. The Instagram talent hunt received a good response as well. And we are happy to announce our winner was Komal Lonkar. This activity also gave us the opportunity to interact with our juniors who came up with great energy, enthusiasm, ideas and made a great contribution to the success of the event.

Students expressed their thanks to DSIMS for giving them this opportunity to work for a greater cause for good. We also acquired basic skills such as learning personal selling, digital creatives, writing content. On this account I would love to name all the people in their respective teams who worked for this event and made it happen.

Organizers - Aakansha Chopra and Aditya Kesarwani (SYPGDM)

Content writing - Ronak maru (SYMMS), Ruchira K Jainar, Anchal Pandya (FYPGDM).

Documentation - Aakansha Chopra (SYPGDM), Maithili Rane (FYPGDM)

Digital creatives - Aditya Kesarwani (SYPGDM), Medha Kumari, Sonal Kedia and Priya Singh (FYPGDM).

Social media - Ayushi Kakrania (SYMMS) Jatin Saraf and Nidhi Mishra (FYPGDM)

Participants Coordinator - Saloni Jakhota and Pawan Heda (SYMMS), Rishika Naval, Khushboo Agarwal (FYPGDM).

Contributions to the page handled by Suyog somani (SYMMS)

The major thing we learnt is how smoothly communication can take place in such difficult times too by proper coordination and team work and how we can create opportunities when we have a lot many constraints.

Hope we get many such opportunities in the future to do wonders and have successful events so that we can enhance more of our skills and spread positivity.

SPECIAL ENGAGEMENT PROGRAM (SEP)

This year the COVID-19 pandemic has utterly changed the mode and perspective of education and has forced many sectors to shift their mode of operations to online including education. With this changing educational imperative, DSIMS had planned and delivered a 72 hour online Special Engagement Program (SEP) for PGDM Batch 2020-22 from 9th June to 21st July 2020.

The Objectives of the intervention were:-To act as a bridge course for helping the learners reach a uniform level of understanding as learners for this course come from a diverse background.

-To sensitize learners with basic nuances of management and facilitate

gathered during graduation program.

Various areas were covered under this SEP, starting from ice breaking sessions, Book Review, Advanced Excel, Statistics, Basic Mathematics Economics, Fundamentals of Management, to name a few. Every session was finally concluded by an evaluation process. Each student will be getting a certificate after the successful completion of the SEP.

Academic Activities

Promotion and Admission Procedure

Extreme measures were taken in the Education Sector for the first time. These measures were taken keeping into account the pandemic caused by COVID 19. One of these steps was to promote all the students of First Year and Second Year BAFTNMP/BMM/BAMMC.

DGMC also followed the guidelines provided by the University of Mumbai for the promotion of students. For Semester II & IV the internal marks were carried forward, as the assessment for Internal Evaluation had already taken place.

For external evaluation, the tabulation of marks was done on the basis of the internal marks and the average marks of Semester I & III as the case may be.

Moreover the University had instructed that all students with ATKT would be given admission, but they would have to clear the backlog within the first three months.

On the above grounds all students were granted promotion to the next year and the classes for the same commenced from 6th August, 2020. Also keeping the pandemic scenario, while seeking admission to the consecutive year, an empathetic stance was taken by the Management of DGMC. The students were given the provision to pay their fees in instalments.

ORIENTATION

Academic success is important to the student, the institution and the community and the institution need to provide a range of resources and services to help students achieve their goals. Orientation is one of the most common intervention strategies used by institutions to promote retention and increase their engagement with the students.

Since the program development encompasses curriculum revision consistent with mission and vision statements as well as changes in circumstantial planning, the latter requires a detailed analysis that drives realistic growth objectives that are grounded in data driven information and knowledge.

An orientation program, hence was conceptualised and drafted based on

foundation course lectures, guest based workshops and session and case based activities. Experiences and dedicated faculty members with a rich history of diversity and commitment to teaching excellence were identified for the delivery of both the programs.

Orientation – SY/TY – BAMMC / BMM and SY / TY – BAFTNMP

The orientation programme for the students of SYBAFTNMP and TYBAFTNMP was held on 1st August 2020, 3rd August & 4th August, 2020. The students were welcomed by Dr. Amee Vora on the online platform. The objective of this orientation was to initiate communication with the parents and students. The students were also made aware of the guidelines that they need to follow as a part of the student fraternity. They were also informed of the Guidelines related to Examination, Discipline, Placement, Co-curricular and extra-curricular activities, Add-on courses offered by DGMC. The parents were also introduced to the Teaching and the Non-teaching staff.

Orientation – FY – BAMMC / BAFTNMP

The Orientation programme for BAMMC & BAFTNMP students and their parents / guardians was conducted by Deviprasad Goenka Management College of Media Studies on Sat, 1st Aug 2020, Mon, 3rd Aug 2020, Fri 4th September 2020 and Sat 5th September 2020 respectively.

The objective was to acquaint the students and parents with the new online lectures delivery system and to brief them about the new initiatives taken by DGMC for the benefit of the students.

Principal Dr Amee Vora presented everyone with an overview of the status of the commencement of the lectures and elaborated on the robust online delivery system set up by DGMC. She explained the expectations that the college had from the students regarding their attendance, conduct, and overall discipline during the sessions. Other faculty members also gave an overview of the co-curricular and extra-curricular activities conducted by DGMC.

They were also informed of the Guidelines related to Examination, Discipline, Placement, Co-curricular and extra-curricular activities, Add-on courses offered by DGMC. The parents were also introduced to the Teaching and the Non-teaching staff.

Orientation – PGDM: Batch 2019-21

The orientation program of the SYPGDM, Batch 2019-21, was conducted in the first week of July '20 (1-4) and following speakers were invited.

- Mr Partho Ghosh- Creative Director, Prime Focus.
- Mr Bejoy Nambiar- Indian Film Director.
- Mr Arijit Ray- Co-Founder and Managing Partner, Paper Boat BrandWorks.
- Mr Chinni Nihlani- Founder and Creative Director, Promoshop.
- Mr Mangesh Borse- Educator and Media Professional- Weschool.

Dr Amee Vora, Principal, DGMC, while addressing the students, gave an overview of the changes that have been initiated in the program.

All the speakers exhorted the students to do well and also encouraged them to participate in various virtual live webinars and events. The speakers also gave a brief overview of the industry and career opportunities in the respective industries.

Mr. Partha Samanta and Ms. Rubina Mohammad emphasised on the curriculum development and gave an overview on Advertising and Communication and Media and Entertainment through their respective workshops. Significant emphasis was laid on Training and Placement program, with models of MEAM and Mindful Communication, facilitating the process of placement driven activities.

The students on successfully completing the Head Start Orientation Program were able to demonstrate a positive attitude towards the start of classes in the upcoming trimester.

Masterclass: Conducted on 5th August 2020

The academic year 2020 to 2021 at DGMC began with Masterclass Sessions. The purpose of the Master class sessions was to take teaching beyond the mesh wires of syllabus specific education. The Principal of DGMC organized these sessions envisioning an opportunity for students to meet online, interact and discuss ideas, thoughts and information with an expert professional in the field, thus opening up wider horizons of exposure for students.

The mode chosen for conducting the Master Class was online. The platform used for conducting the Master classes was Google Meet. Accordingly, Masterclass sessions were conducted on 5th August, 2020 for SYBAFTNMP, TYBAFTNMP, SYBAMMC and TYBMM Advertising and Journalism.

The Resource Persons were:

1. **Mr. Sushant Kamble:** Proprietor & Director of CROPCIRCLES FILMS which is a production house that produces and directs television commercials, AVs, music videos, web series, documentaries, short films, etc.
2. **Mr. Ashraf Engineer:** A journalist by profession having worked Sakal, Hindustan Times and Mid-Day.
3. **Ms. Vandana Kakar:** An expert and experienced professional from the PR industry.
4. **Ms. Swapna Waghmare Joshi:** An expert and experienced professional from the Directorial field for Television & Films.

Examinations:

Mock Test conducted on 23rd September 2020

A Mock Test was conducted for the TYBMM Semester VI Regular and Semester V ATKT Examination, TYBAFTNMP Semester V ATKT Exam, MAFTNMP regular Exam for Semester IV and MACJ Semester IV regular Exam. Mock test for the final year students appearing for their lower exam was also conducted

The Exam was conducted as per the guidelines given by the University of Mumbai.

The objective of the Mock Test was to give an idea to the students and make them aware about the process of online examination. In order to facilitate this process the students appeared for the Mock Test on the 23rd September, 2020. The online exam was conducted using the online exam portal "Eklavya".

The students got the username and the password on their email. The Mock test was conducted very smoothly, with no problem from the Management or the students. In addition the students also got an insight into the format of the Examination.

Surprise Test conducted from 28th September 2020 to 1st October 2020

The online lectures for the students of TYBAFTNMP, SYBAFTNMP, TYBMM (Advertising & Journalism) & SYBAMMC commenced from 6th August, 2020. The response to online learning from the students has been very encouraging.

The last week of September, 2020, from 28th September 2020 till 1st October, 2020 was kept as a Surprise test week.

The objective of the surprise test was to get an understanding of the level of comprehension by the students for all the subjects taught by the faculties using the online medium.

The test was conducted during the lecture timings, by the faculties teaching their respective subjects.

The faculties were given a free hand in deciding the format of the surprise test. It could be MCQs, Case studies, one line answers, or detailed answers, or any other format feasible.

Training and Placement Cell Orientation Program was conducted on 30th September 2020

The Training and Placement cell, popularly referred to by students and faculties of Deviprasad Goenka Management College of Media Studies by the abbreviation TAP, is an important addendum in the education model believed and nurtured at DGMC. Besides facilitating job placements, the TAP cell aims to complement the University prescribed curricular, co-curricular and extra-curricular learning with on-demand corporate leadership training based on current and future industry trends of human resource hiring.

The TAP cell has Training Modules concurring with industrial needs. These modules were designed after several discussions among the TAP collaborators under the directions of Principal Dr. Amee Vora. The Modules range from self-understanding, soft-skills and personal branding all the way to topics like CV building, work ethics, and managing pressures. Each module is a self-steering lesson, which can help a student enrolled with TAP to achieve their career goals. The endeavor of the TAP Cell is to offer the registered and trained students live projects, internship opportunities and make them industry ready to be placed.

Guest Lecture Series II

At DGMC, a lot of emphasis is laid on providing in-depth knowledge on various contemporary issues and courses. Corporate experts and consultants are invited on a weekly basis to conduct meaningful dialogue with students. It provides the students with the mentors to answer critical questions about their career choices. Also, it's a boon as they break the monotony and revive interest when students get to know about the practical applications of theoretical concepts. Hearing about changes being made in the working world with theoretical concepts is exciting and insightful for students.

The following listed below are some of the series of guest sessions and workshops conducted for SYPGDM students, Batch 2019-21. (July-Aug'20)

- Mr. Argho Mukherji is a senior media & Communication Consultant at Pitchfork Partners Strategic Communication and conducted a workshop on the topic Marketing Communication

2-Day Sports Event – CHETAK organised by the Sports Committee
DAY 1 - Sprint, Walk & Trash Takers - S. W. A. T. T was held on 18th September 2020

Fit India freedom run: Initiative by Ministry of youth affairs and sports
Objective: To infuse students with a sense of activity

On 18th of September, 2020, the sports committee of DGMC, convened by Mr. Partha Samanta, organized a Fit India freedom run as part of a two-

day event 'CHETAK'.

The purpose of the event was to engage students in physical activity through the college platform. This was done in part to counter the stagnancy set in by online courses and virtual interaction and partly to keep the students aware of importance of physical activity. As many of the first-year students had not have the opportunity to interact with other students of the college, the run was also to encourage student participation and healthy social interaction amongst the student body. The event was organized in two parts. The first part was the relay run starting at Borivali station and ending at college campus through Kandivali and Malad which was led by the student representative of the sports committee, Mr. Ritesh Gupta and four other students who participated in the run.

The second part focused on individual participation allowing all students to be a part of the activity from their respective location. This was keeping in mind the current pandemic and ensuring that students could participate without compromising their health and safety. On the 18th of September, between 6:00 AM and 9:00 AM, any student of DGMC could participate using a common application and then share the details of their participation with the college committee.

As a result of the activity, a total of 9 students covered a cumulative distance of over 37 Kms within three hours. All who participated were cheered on by their peers through Facebook Live and were also awarded a certificate for participation in the Fit India Freedom challenge.

DAY 2 – Online Carrom and Chess was held on 18th September 2020

The second day comprised of 2 events, namely Carrom and Chess on online forums. While carrom was organized from 9 am to 12 noon, chess was played from 12:30 PM to 3:30 PM. A total of 48 students participated in both the games. All the students were pre-given a platform where they could register and participate. Once the students registered, the initial pairing of partners was done by the sports committee in random order. Slowly, with each round student were eliminated. After much excitement and nail biting finish, one winner was selected in each respective game.

The Literati Club organised The VOX 2020 on 29th September 2020

The Literati Club held its first event for 2020 on the 29th of September. The event was called 'VOX 2020'. It wasn't a competitive event but an open mic where students interested in writing or oration came forward to share their thoughts and ideas with everyone. The idea of the event was for students to write a piece of prose or poetry on the theme 'Isolation and Solitude' and present it in front of the audience. A total of 12 participants had registered for the event. Most of the students performed poetry. Students like Devansh Ahuja, Rishikesh Kumar and Gaisul Azam were especially appreciated for their efforts and thoughts. While the event was in progress, certain members of the audience expressed the desire to perform impromptu as well. The Principal and the panellists all agreed to let them perform at the end. As a result, three students came up to perform. Students and Teachers also appreciated Ramritik Dubey & his power packed rendition of poetry written by him.

In conclusion, the event was very interactive and enjoyable for everyone. It was a healthy session where literature was discussed with great passion and enthusiasm.

Webinar: PGDM Careers

Career is much larger and significant part of students' lives today than it was ever. With so many job opportunities, courses, institutes, and similar platforms, it is incredibly difficult for a student to derive at the most suitable ones. An adequate choice of career will not only offer an effective job opportunity but will also allow a student to embrace a respectful lifestyle. Also the desired career path engages an individual making them more informed, confident and dedicated.

To choose MBA is like diving in an ocean, in which institutes are offering various courses with a wide scope. Due to cut throat competition, students are unaware of the methodological and logical approach required in this field. Employers also seek only those aspirants who can work beyond objective skills. It requires a perfect strategy and continuous practice for developing differentiative skills.

Virtual Career guidance webinar on 24th July'2020 at DGMC was conducted to help in making the students honest about the right assessment related to their own skills and practical market requirements.

The speakers of the program, Dr Amee Vora (Academician and Theatre Personality- Principal at DGMC) Dr Ashish Kulkarni, (Chairman of FICCI for Animation) Mr Sandip Tarkas (Director- SongDew) and Ajay Kakar (CMO, Aditya Birla Capital) helped in developing personal and aptitude skills such as resilience and adaptivity so that students become capable of facing competencies of media management world, as the media and communication sector is becoming more diverse and dynamic.

Dr Amee Vora emphasized on the fact of media being highly popular and so the experience is critical. One has to be motivated and persistent in applications. Mr Sandip Tarkas spoke on the lines of gaining work experience and building a portfolio of work, with Radio, television, newspaper of PR agencies. Mr Ajay Kakar stressed on the fact where media studies graduates enter careers in media, cultural and creative industries and work in areas of television, film and video, writing and publishing, PR and media practice.

Dr Ashish Kulkarni stressed upon the fact on digital marketing encompassing, even more roles and skills than marketing ever before and its this flexible, versatile nature of business that makes it so fascinating. He also emphasized on the fact that most common uses of digital marketing applications and software include social media management, content marketing and community building.

The session ended with a boat load of new knowledge, which sparked new ideas and a newfound excitement amongst the students.

Webinar: What after 12?

Deviprasad Goenka Management College of Media Studies conducted a live webinar for the benefit of students who appeared for their Standard 12th examinations this year. The webinar was conducted on Saturday, 25th July, 2020 from 3 pm onwards on Google Meet platform, and it was titled, "What after 12th?"Careers in MEDIA". The objective of the webinar was to guide the students in making the right career choices in life.

Five eminent media professionals were on the panel to guide the students. They were Mr Samarjit Bhandral, former Deputy Executive Editor, CNMC Awaaz, Network 18, Ms Karmya Aggrawal, Brand Strategist & Planner, Mr Rutvij Barot, Trace VFX, Mr Milind Jog, an award winning cinematographer, and Ms Archita Jasani, DGM - EROS NOW. These media stalwarts enthusiastically interacted with the students, who were keen to know more about the various media-centric career options available today, especially in the shadow of the ongoing Covid-19 pandemic. These panellists patiently responded to the doubts and queries of the students after they had spoken to the students while presenting their viewpoints.

The students were explained about the Bachelor of Arts (Multimedia & Mass Communication) & Bachelor of Arts (Film, TV & New Media Production) programmes offered by DGMC for them after 12th. More than 100 students had availed the information presented in this webinar with their virtual presence. They collectively expressed their gratitude to DGMC at the end of the webinar for organizing this event today.

PAID Courses: Specialised Add-on courses

Course I - TV expert conducts add-on certificate course in Broadcast Journalism

The Broadcast Journalism course conducted at DGMC in July by veteran broadcast multilingual journalist and producer Samarjit Singh Bhandral was extremely informative and insightful for the students who attended the sessions online.

The 12 sessions, conducted over a month, included insights regarding a plethora of topics like Newsroom Departments, Input-Output desks,

Newslists, Rundowns, Scripting, etc. The afternoon sessions of the add-on certificate course were engaging as the professor kept the students busy with fun assignments that were useful in the world of news. Not only this, but the students were also guided on this magnificent journey even beyond the lecture hours.

Narrowing down the elements of newsrooms, the media students learned how Input and Output Desks at any TV channel function and form a seamless transition for every story. Moving on the students understood how to avoid being monotony by using various elements like flashes, tickers, slugs, graphics, etc. while doing a story.

The concept of packaging a news story so that it ensures maximum viewership was also covered, many more such similar concepts were also taught. Scripting at all levels was simplified into designated sections and taught with ease. Surprisingly, the students also learned to plan an electrifying debate show. They even shot a news reporting capsule and analysed it. All of the assignments that were turned in were given constructive criticism and it truly helped elevate levels of learning.

Course II - Multimedia add-on course

This month-long course was conducted by Italy-based European Pressphotoagency's Mumbai's photojournalist Divyakant Solanki for the students of DGMC. Some of the topics covered by the renowned photographer were within the realm of photography and videography. He also instructed the students in editing both photos and videos. Some of the important topics that were addressed in the online class were basic introduction of Photography, what is Photography, History of Photography.

The students also learned the transition of the camera – from different types of camera (old to new) to different type of lenses and its uses and importance. Solanki also enlightened the students about what to keep in mind while shooting photographs – Shutter Speed, Aperture (F-Stop), ISO – in full detailed lectures with examples.

The class also got lessons on how to compose a frame, metering, knowing your camera settings, how to hold the camera in different positions, in different situations. Different types of Camera Modes (each mode from Auto, Program, Shutter Priority, Aperture, and Manual) were explained, along with the Rule of Third to understand the composition while shooting and how to implement techniques.

The students also got a sneak preview of photography tips and essential photography equipment in the class which took place thrice a week in two-hours-long sessions. Editing skills were also imparted in in Photoshop and Lightroom.

In Video, the class was taught understanding the camera, settings for the videos from the frame rate to shutter speed, Aperture, ISO, White Balance and basic Video editing in Kinemaster.

Our theme for the first week was 'All About Me'. A cooking experience was done by teachers in a recorded video on 3rd July, 2020; they made a special Monaco topping with a smiley on it.

The little ones at MBIP had loads of fun while they learnt about the topic 'My Family' through a puppet show video shared by the teachers on 10th July, 2020.

A virtual informative session on 'Multiple Intelligences' was recorded and shared by the coordinator on 13th July, 2020. Parents appreciated the information shared in the session.

Children had fun while learning different Yoga poses during the 'Animal yoga' session on 23rd July, 2020.

Our first Parent Teacher Meet was conducted from 27th July to 30th July, 2020 on the Google Meet platform. Teachers discussed the observations made through the videos shared by the parents on WhatsApp. Teachers also gave them tips about how to do the activities in a play way method.

The MBIP tots celebrated 'Friendship day' on 3rd August, 2020 by making a friendship band and the teachers explained the importance of friendship through a story on sharing and caring.

Independence day

We celebrated 'Janmashtami' on 11th August, 2020 through a video with a story on Lord Krishna. Also, we initiated an art and craft activity to decorate the Matki. Our angels had dressed up as Krishna and Radha and enjoyed sending us brief videos and pictures about their celebration at home.

As we taught kids all about their country, India and to display the pride of being an Indian, our tiny tots @MBIP dressed up in tri-coloured clothes to celebrate 'Independence Day' at MBIP on 15th August, 2020 and shared their photographs through WhatsApp.

An informative session on 'How to tap the potential of young tiny tots' was recorded on 17th August, 2020 by our Coordinator Anita Gambhir and shared in the classroom to facilitate parents and their parenting skills.

Kids learnt all about 'Colours and Shapes' from 17th to 21st August, 2020. We organized a Colour week @MBIP in the month of August. Various videos along with fun filled games and activities related to colours and shapes were shared in the Google Classroom.

'Ganesh festival' was celebrated on 21st August, 2020 as kids had hands on experience on making yummy Modaks in the Google Class to celebrate the Ganesh festival. We also taught them to make a Ganesh idol with play dough. We were amazed to see beautiful idols made out of play dough by our young tiny tots.

A Zoom meet was organized for the parents by MBIP on 3rd September, 2020. Ms Farzana Dohadwalla was invited to discuss 'All about National and International Boards'.

We made videos on 'Skill Building' from 28th September to 2nd October, 2020 for the tiny tots through various games. It was an interesting and fun week, as kids enjoyed making these activities at home along with their parents.

As the lockdown had relaxed and we could fetch resources from the vendors, we started with the concept of 'DIY Kits and worksheets' for the kids and handed them over to the parents on 29th September, 2020.

Kids enjoyed doing these activities at home under the guidance of their parents. We also shared a demonstrative video on how to use the DIY kits at home.

COVID 19 pandemic has brought about unprecedented and unforeseen challenges for the society and for the world on the whole. Education and pedagogy had to take a paradigm shift for continued learning. The changes in learning and working environment have brought in lot of stress and anxiety for parents, students and educators. The team at RMCC has endeavored to reach out to all and to assist and equip them with strategies to sail through this time successfully.

RMCC conducted a webinar on **"Parenting in the Pandemic"** with the employees of nVent on July 9th, 2020 to equip them with strategies to handle the challenges faced by them as parents amid lockdown.

The webinar focused on discussing concerns with communication and effective strategies, dealing with stress and anxiety due to Covid 19, discussing strategies to reduce screen time and engagement activities for the family. The webinar was attended by over 50 employees and the employees attending the webinar mentioned that the tips shared were helpful and they'll be taking active steps to inculcate changes to make their quarantine life easier using the same.

RMCC conducted an **Effective study skills webinar** on 8th August, 2020 to help students learn effective study habits, build up on their motivation and learn effective skills to achieve success.

Owing to the pandemic and the increase in online teaching, the students find it difficult to learn and retain new information and hence, the webinar helped them with learning new skills that could make learning easier. The session entailed different techniques that the students could use to build on their retention, learn new concepts; self-motivate themselves and improve their focus. It also entailed activities which focused on practicing different skills that they learnt during the session so they know how to execute them too. These skills will assist them to be smart learners and ensure that their efforts produce results. The students thoroughly enjoyed the session and they mentioned that they would like to have such sessions even later as it was very helpful for them. **A career guidance webinar** was conducted by RMCC on 14th and 18th August for the students pursuing their graduation program from **D. G. Tatkare Mahavidyalay** in Mangaon, Maharashtra. Over 75 students, from different courses - B.A., B. Com, B.M.S., B. Sc. and B. Sc. (IT) attended the

session on 14th August. Students of Junior college attended the webinar on 18th August. The objective of the session was to help the students understand the importance of career assessments and guidance in making the right career choices. The webinar focused on understanding the importance of career counseling and how personality, interest and aptitude play a very important role in choosing a career. The counselor spoke to the students about what are the anticipated challenges in choosing a career and how deeper understanding of our strengths and areas of improvement helps us in making the right choice. The students thanked the facilitator for her inputs and mentioned that they obtained clarity in understanding the different options available for them.

RMCC conducted a career guidance webinar for **DSV School, Thane** on 15th August, 2020 for students in the 9th and 10th grade. Over 50 students attended the webinar conducted online owing to the pandemic.

RMCC took the initiative to organize a **webinar for Fathers** on 15th August, 2020 to assist them to balance their work and life challenges and be more emotionally resilient at the face of adversity. The webinar was attended by fathers who have been successful working professionals in different walks of life. The facilitator of RMCC discussed what various unhealthy emotions are and how unhealthy coping styles are leads them towards being more emotionally disturbed. Various strategies were discussed on how to cope with unhealthy negative emotions like working on the thought process, dispute irrational thoughts and letting go of the past.

The sudden lockdown in March and the pandemic were very overwhelming for everyone and adjusting to it took a toll on mental health. We all had to suddenly adapt to new ways of working and communicating and adapt ourselves to technological mediums. Work life balance became difficult to achieve because of no healthy boundaries. Educators especially found it difficult to adjust to the sudden changes and conduct online teaching sessions. Keeping this in account, RMCC conducted a **webinar for teachers - Embracing online teaching and Self-care on 29th August, 2020**. The objective of the session was to help teachers with online engagement strategies that can be useful for school and college students. In addition to this, it also focused on the importance of self-care during these unprecedented times. The session was fruitful and resourceful for the participants.

Self-care has different meanings for everyone but on a fundamental level, self-care means taking care of oneself physically, emotionally and mentally. There are multiple self-care strategies that have been used by individuals during the lockdown and the webinar **Happy Journaling conducted by RMCC on 19th September** specifically focused on journaling as a self-care strategy. The purpose of the webinar was to equip the participants with the skill of journaling by rationalizing their thoughts and understanding how thoughts play an important role in influencing our behaviours.

RMCC had organized a **webinar on Sports Psychology** on 26th September, 2020. A one of its kind webinar which was focused on "Unveiling the Unseen Hidden Opponents in Sports Performance". The webinar was facilitated by none other than **Mrs. Amruta Karkhanis Deshmukh**, a National level sports person who has bagged more than 13 medals in various sports events like cycling, swimming and track racing and is a record holder sea swimmer.

Ms. Amruta explained the participants of FOUR main Hidden Opponents that are left unseen and unattended while the participants largely focus on their physical fitness. Participants were explained how these opponents reflect in their performances and managing them well could enhance the performance considerably. RMCC has been conducting online career counseling sessions to assist students to choose their way forward. Continuous Remedial sessions have been conducted to bridge

grade gap for students with learning difficulties. Emotional well being sessions have helped many clients to stay focussed and sail through emotional challenges.

DSWH has been working on our purpose of providing comfortable and homely arena to all the students staying in our hostel. We provide amenities that are at par with paramount in nature and contemporary design.

It is an undeniable aspect that a home is irreplaceable but as an institution we have perceived a responsibility of making all are students feel home away from home.

The enhancement has never been hindered in DSWH. The teachings would exceed the classroom learning but would inculcate fundamental skills for being able to overcome challenges in long run. Social skill, life lessons, adaptability and productive approach towards trivial aspects assists in overall development. Rector and other Hostel staffs are dedicated in ensuring high standard of lifestyle and vicinity for our students. Apart from this, we assist the students by:

- 1) Great environment for academics.
- 2) Being independent and responsible individuals.
- 3) Develop strong work ethics.

Recreation Lounge

4) Ability to build friendship is inculcated.

5) Promotes acceptance and value diversity as we have students from all over the globe. International and Domestic students shares meals, rooms and fostering a close bond that transcends geographical and cultural differences. As students shares personal stories, cultural insights and new experience with each other they learn to see beyond categories of difference a fundamental lesson they take with them for years to come.

Renewal Process & New Admissions:

Renewal process for old students and new admissions are also going on. Since the Lockdown of class room educational activities is still continuing, old students are renewing for their stay by making online Payment.

Online Classes:

Amidst the current pandemic situation, we are taking the utmost care to abide by the various guidelines laid for ensuring that the safety of our students is maintained. With the education being conducted via online mode. The students were engrossed in their respective schedules. Few students had their final exams conducted online as well.

Hygiene:

The Pest control and Sanitization processes are being conducted every week in the Hostel. We have been taking measures to ensure that the hygiene quotient has been maintained throughout the period. The students are also abiding by all the precautions efficiently.

Amenities:

The Brunch and the dinner being served are also routinely monitored. Security an H.K. had been made available in the hostel WIFI service was also satisfactory and prompt response was received from the team as well.

Special Occurrences:

Independence Day was celebrated in the campus by keeping all the restrictions involving social distancing in place stringently.

The Counsel General of Afghanistan Ms. Zakia Wardak along with her two colleagues and Ms. Renu Pritiani of ICCR, had visited us on 19th August, 2020. They were extremely impressed by our hostel; the delegates were appreciative of the efforts put by us.

How COVID-19 is Revolutionizing the Online Education Industry
While we have established that the online education sector was rapidly growing even before the COVID-19 pandemic, it is safe to say that the contagion has accelerated this growth at an unimaginable rate.

Since the first COVID 19 case registered, more than six months later our world has been transformed dramatically. Everything from board meetings to grocery shopping are now being conducted online via laptops or smart phones, exposing our heavy dependency on stable internet availability like never before.

Activities

July - September 2020:

- Continued the activities to record and make a repository of online lectures conducted from all RSET institutes in Gold Academy's LMS with the help of IT & ERP support during extended lockdown due to COVID-19.
- The step wise plan continued in July - Sept with additional activities:
- Schedule a lecture, Conduct a lecture, Record the lecture
- All online activity details are entered & maintained on RSET ERP software specifically designed & developed for online activities.
- Unique naming code given to all recorded video content.
- Uploading the lecture on GOLD E-Learning portal
- Creating Courses, subjects, Topics in Gold LMS System
- Access to students for online Learning
- Conducting Online Examinations
- Quality checking of videos before uploading
- Remarks after quality checking
- Customized and upgraded the Gold Academy's Online Test Module as per the requirements.
- Provided a common platform to all RSET institutes to conduct internal as well as external online exam on Gold Academy's LMS

- Till Sept 2020, Gold Academy is enriched with very good number of repositories in terms of online recorded video lectures conducted by RSET institutes.
- Quality checking and linking of these recorded videos on Gold LMS is in progress.

Other Activities:

- MCQ type online test conducted for internal exams on Gold Academy's

Learning Management System (LMS) for DSIMS Online Exam (PGDM & MMS) Students.

- Total 8 online exams conducted successfully.
- 334 students successfully appeared for the exams conducted for 6 days.

Promotional Activities:

- Edited, checked rendered, uploaded and published on facebook & YouTube with descriptions.
- Total no. of likes in Gold Academy's facebook page: 5.3K and 5128 followers.
- YouTube channel subscribers: 1.23K
- Total no. of Gold Android App downloaded & Installed till date are 1000+ and 500+ Active installs.
- Regular SMS & E-mails sent to registered students for new updates.

Software development & support activities:

Following activities are completed:

- New Development for Subjective Test Module in GOLD LMS:

- Designed two modules:

1. Admin Module

In Admin Module designed New pages i.e Add Category, Subject, Topics and Exam Creation with bulk question import and bulk student import functionality and also designed exam report pages. After that we have added online correction for submitted answers.

2. Student Module

In student Module Dashboard and Subjective Test pages designed with Editor with toolbar to create table, add Hr, text formatting, full Screen and then added restrictions for student to prevent copy-paste, print screen, select text etc.

- In Existing LMS we have made several changes in MCQ test Module. Developed module for variable weightage to each question in a test (i.e. 1,2,3... or 1.5 etc)
In Admin module developed Sequential and random SET wise question pattern in MCQ Test
In Admin module restriction on displaying question and attempt limit for the test question.
In Module, topic and category pages added new search mechanism.
For Assessment courses added functionality to display MCQ test button instead of learn button.
- Azure Server Updated to SQL DTU to perform better for more logins during online exam days & then again scaled down. Also created azure container to download azure database backup on regular basis online.

FITNESS REGIME

Established in 2015

Mr. Dharmraj Yadav, Sports Incharge

Pravinchandra D. Shah Sports Academy is a state-of-the-art facility, built on an approximate area of 24,000 square feet with the most modern infrastructure. The Academy offers sports facilities like Tennis, Basket Ball, Box Cricket, Foot Ball, Volley Ball, Basketball etc. and the turf, imported from New Zealand, is made as per international standards. This is perhaps, the first of its kind, in-house sports academy in any of the educational institutions in the north-western part of Mumbai suburbs which caters to the growing needs of the students for sporting facilities. Pravinchandra D. Shah Sports Academy was inaugurated on 18th April, 2015 at a glittering function by Shri Sujay Jairaj, Trustee, Jamnabai Narsee School at Rajasthani Sammelan Campus. Since then PDSA has played a major role to develop sports talents of the students by organizing various interesting sports activities as well as giving training to students in various sports by expert coaches.

Due to continuous lockdown of the educational institutions in the past few months, we were unable to organize summer camps as well as sports activities in RSET campus. However to encourage the students, we have been sending videos of various work outs to keep them busy. 29th August is celebrated as National Sports Day as it is the birth anniversary of Major Dhyan Chand, the famous Indian Hockey player. On this day, states like Haryana, Punjab, and Karnataka among others organise events to promote a sporting culture among the youth of the country. Post-2012, the government has used this day to launch various sports schemes, including the Khelo India movement, which was announced by Prime Minister Narendra Modi in 2018.

This year, we could not organize any activities at PDSA. However, we encouraged students to organize some activity individually on National Sports Day at their residence and to send the videos to us so that we can consolidate it and keep the same for our record.

PDSA has always been a prime supporter of sports. We were in the lead to support FIFA U-17 World Cup held in INDIA and at the same time our schools had also been a part of India's first NBA match held at NSCI DOME Worli. We have been also organising many inter-school competitions and our PDSA teams had made us proud by winning championship in football, basket ball, Kabaddi and other games as well as in Martial Arts & Swimming. We at Pravinchandra Sports Academy are awaiting lockdown due to COVID -19 Pandemic to end so that educational institutions can open and we are able to start our regular coaching and our teams can participate in various matches organised by prestigious organisations, schools & colleges.

Golf Balls Have, On Average, 336 Dimples.

The dimples on a golf ball are designed to make it more aerodynamic, allowing it to travel further in the air. There are no official rules about how many dimples a golf ball can have and most feature between 300 and 500.

Sports Have Been Played on the Moon

In 1971, Alan Shepard and Edgar Mitchell made history when they became the first people to play sport on the moon. The Apollo 14 astronauts participated in what Mitchell later jokingly described as "the first lunar Olympics". Shepard hit a golf ball while Mitchell threw a makeshift javelin – it was actually a staff they'd used in one of their scientific experiments.

Michael Phelps Has Won More Olympic Golds Than Mexico

The American swimmer added five gold medals and a silver to his collection in Rio 2016 to take his Olympic medal haul to a record-breaking total of 28. According to Time Magazine, he's won more Olympic golds during his career than many countries, including Portugal and Mexico, have won since 1896.

The 1956 Summer Olympics Were Held in Two Countries

Melbourne, in Australia, was the official host city for the 1956 Summer Olympic Games, but it was unable to host the equestrian events due to the country's tough quarantine laws. These events were, as a result, held in Stockholm, five months earlier than the main Olympics began. These weren't the first Games to be held in two countries either – that honour goes to the 1920 Summer Olympics, which took place in Belgium and the Netherlands.

The Colours of the Olympic Rings are Significant

Many people know that each of the world-famous Olympic rings represents one of the five continents of the world. However, the rings were designed by Baron Pierre de Coubertin in 1912, and he stated that, together with the white background, their colours also represented the flags of every nation competing at that year's event.

A WISE HIVE

Established in 2018

Mr. Varun Sharma, Rector

Jankidevi Bilasrai Bubna Boys' Hostel has been started from the academic year 2018 and is presently occupied by Indian as well as Foreign students from Bangladesh, Afghanistan, Egypt, Madagascar, Tunisia, Tanzania, Ghana, Sudan, Fiji, Mauritius, Sri Lanka and Malawi. Recently, the Consul General of Afghanistan Ms. Zakia Wardak visited RSET Campus to meet the students from Afghanistan staying in Jankidevi Bilasrai Bubna Boys' Hostel as well as Draupadidevi Sanwamal women's hostel of RSET. A meeting was arranged of Ms. Zakia Wardak with students from Afghanistan at Nathmal Garodia Seminar Hall of Durgadevi Saraf Institute of Management Studies in which the students spoke highly about the facilities provided to them in both the hostels.

Throughout the lockdown period caused by COVID-19 Pandemic, the foreign students could not go back to their respective countries and had to stay in their respective hostels & the Management provided them hygienically prepared lunch also (which was not in their package) along with breakfast and dinner supplied by the in-house caterer of RSET. Renewal process for old students is also going on. Since the lockdown of class room educational activities is still continuing, old students are not yet back in the hostel. They are renewing for their stay by making online

payment. Other facilities provided to the inmates of the hostel include free WiFi access to the entire building, provision of fire detection and fire-fighting system, CCTV and 24 X 7 Security. Each floor has been provided with a lounge and a television for recreational facility.

Presently, Gym facilities have been provided to students in an area in the ground floor. However a separate Gym is under construction on the seventh floor of the hostel. Some gym equipments such as tread mill, cycle, bench & dumbbells have been provided in the Gym so that students can work out as per their convenience. Some recreational equipments such as Table Tennis, carom etc. have also been purchased. Also provision of a separate washing area is being made on the seventh floor for the students. Washing machines have been provided to the students and new washing machines with dryers have been purchased for the convenience of the inmates of the hostel.

Warden of the Hostel as well as other staff are always alert to provide comfort and safety of the inmates. To keep the Hostel neat and clean, the professional House-keeping staff appointed by the Management clean all the areas at frequent intervals.

Some of the students staying in the hostel are pursuing the professional course of Chartered Accountancy. All the CA students are being accommodated in the third floor of the Hostel so that they can interact with each other as and when needed. Half yearly health check-up camp has also been planned for the Hostel inmates by Ayaksha, the agency running Vijay Pal Singh Health Centre of the Trust. The Hostel inmates have also been given a slot in the morning (twice a week) to use Pravinchandra D. Shah Sports Academy ground for playing various games after the lockdown period is over.

Jankidevi Bilasrai Bubna Boys' Hostel is indeed becoming popular day by day and has proved to be a boon not only for Indian students but also foreign students coming from other countries to complete their professional and higher education.

MUSICAL HARMONY

Established in 2020

Mr. Pintu Mukherjee,
Head of Academy

Nalini Shah Music Academy (NSMA) has been started from this academic year by Rajasthan Sammelan Education Trust to nurture talents of students in music along with their regular studies, with handsome donation received from Shri Harish P. Shah and Smt. Bina H. Shah of Harish & Bina Shah Foundation.

Swami Vivekananda has beautifully said, *"Music is the highest art and to those who understand music is the highest worship"*. The genuine place to achieve this highest art is our Nalini Shah Music Academy (NSMA). NSMA provides holistic learning of Music to educate our students and make them technically and professionally stronger and more proficient in the field of Music. As the Head of Academy I am privileged and honoured to be given the opportunity to express about our aim and future plans. I am grateful to Mr. and Mrs. Harish P. Shah and their Foundation for this great initiative in music and for giving me the opportunity to serve the music as one of the key players in this initiative. I am also thankful to Mr. Ashok M. Saraf, Dr. Naresh M. Saraf and RSET for the same.

NSMA is a Hindustani classical and semi classical vocal and Indian and western Instrumental Music training Institute. We seek to train the learners based in Mumbai basic and technical knowledge of Music which will help in creating brighter, cultural and art sensitive talents in society.

NSMA offer varied music learning courses for children, youth and even adults. Our education of Music will be mostly practical and it will have a scientific methodical basis. We have well trained committed and motivated faculties under the guidance of RSET's NSMA with well structured, scientific and progressive curriculums. NSMA is staffed by a team of highly professional and experienced musicians that are not only teachers but also working in the music industry. If a student follow our class, there is no reason why the student would not be able to achieve the

Tabla class at NSMA

Students receiving the certificate of completion of course

targets set by the teacher.

We are also affiliated to Bharatiya Sangeet Vidya Vihar (BSVV), Kolkata and Pracheen Kala Kendra (PKK), Chandigarh for Hindustani Classical vocal and instrumental music like Tabla, Pakhwaj, Dholak, Mridangam, Sitar and Flute. We follow the syllabus of Trinity College of London (Music) for western Instrument like, Guitar, Keyboard, Drum and Octapad.

Our successful students will be given opportunities to interact with many legendary professional artists and talented scholars of the nation. They will also be given opportunity to participate in the events /activities / competitions /Auditions/ empanelment in RADIO/ Film TV industries/different workshops etc. Regular Karaoke and Audio sessions will be provided to our students at the NSMA's audio recording studio to build a society of successful Bollywood standard music professionals.

Certificate award Ceremony

As expected, today we are successfully continuing the online and in person classes. We have created two separate syllabus named Basic and Advanced online courses in vocals, tabla, guitar and synthesizer. We have recently successfully completed the Basic Online Course. Successful students were awarded completion certificates at Nathmal Garodia Seminar Hall. At the same time, we gave due respect and appreciation to the teachers. The beautiful video message of Shri Harish P. Shah and President Ashok M. Saraf wishing success to the event and the academy was broadcast live through Zoom. In the beginning, the opening song was presented by Shri Kishor Kumar Vyawahare a classical vocal student of NSMA which was captivating. Everyone present was mesmerized by his Ganapati Vandana.

Felicitation of NSMA Music teachers

NSMA is a new academy started from this academic year but we are trying our best to achieve excellence. The academy is gradually moving forward. The professionalism and ability of our faculties proves that today we are ready to face all kind of challenges in the music industry.

Not to mention those whose active contribution on the way to success of NSMA is undeniable. The first to speak are Mrs. Nishita Goenka, Mrs. Archita Rajpuria and the support of RSET team including students, parents and teachers is commendable.

CAREER CHOICES & CAREER PLANNING

THE WAY AHEAD ...

The younger generation of today are at crossroads about their pursuit of educational careers. They are seeing the traditional career options losing their sheen and at the same time, a plethora of new career options have come into being. Further, due to the global exposure that is available through the internet & world wide web, there is an information overdose. A direct consequence of this is conflicting views and opinions about career choices both in the minds of the students' & parents.

In the light of the above, here are some guidelines to make informed career choices:

1. Parents must discuss with their children about the career aspirations and not force their career desires onto the student as this can lead to a complete chaos in the education path of the child. This is best done when the child is in Standard X...
2. An aptitude test administered by a qualified career counselor can show the right path; further the counselor can also explain about various career choices to the aspiring student.
3. All parents must ensure that they are not victims of peer pressure or try to impose their career path onto the children. Many parents get into a competitive mode where career choices are determined by market trends or the herd mentality and the aptitude of the child is ignored.
4. Further students too must not fall prey to peer pressure amongst classmates. A normal tendency is to choose career options that childhood friends choose or the most in demand in the neighborhood. Such a short sighted approach would only lead to incorrect career choices and plenty of anxiety and confusion later on.
5. In earlier years, the teacher used to be a great influencer of the career choice of the student. However this trend is on the decline but the coaching class & its teachers have taken over this task. It is here where we see the peer pressure to a great extent.
6. The right approach would be to do an aptitude test, ascertain ones career choice based on potential and then work towards the same. A thorough research using the power of google can enlighten the family about the pros and cons of various institutions. This would also connect them with online groups such as alumni, researchers and provide a channel to get more information to make an informed choice. Besides, it would be great if the student and parent visit few institutions that their child wishes to join and understand about various courses they offer and review the infrastructure & facilities. Such a visit could also provide an opportunity to meet some of the faculty and get a realistic view from them.
7. Another factor to tackle diplomatically is the peer pressure from the extended family & relatives who tend to make career choices of children a TEA TIME topic for discussion. Further, each person tends to believe that they know best and are the ultimate career experts. This leads to lots of judgmental decisions which is not in

the interest of the child's career.

8. The younger generation of today is often called the fast food generation and always seem to be in a hurry. They wish to have faster tracks to complete their studies quickly, want jobs fast, then demand faster career successes and then also exit fast. Thus in this scenario an informed career choice made with a scientific approach could be a solid career foundation.

9. It is very critical for all parents and teachers to help students to transit from school to college in a seamless & smooth manner. Further the transition for a junior college to a professional institution should be handled with utmost care and caution.

10. Another important focus area for the younger generation is develop ones overall personality. In today's competitive world the person who succeeds is the one who has multiple skills under his belt. Specialization in an area is important but one should not be an over-specialist. It is useful to inculcate communication skills, inter-personal skills, teamwork skills to all children. These go a long way in boosting their confidence and also build better impressions on one and all around them. It is required that the parents encourage the child to actively participate in extra-curricular and co-curricular activities at the school & college level. It is here that they learn valuable lessons of competitiveness and sportsmanship.

Career counseling is an extremely critical and useful activity in the life of a student .in a world that is full of choices and intensely competitive; it is important for one and all to plan their careers irrespective of social status. It is here that a career counselor could be most helpful as he/she could give expert guidance and also a dispassionate view of various career options.

To summarise, it is absolutely necessary for all schools to initiate in house career seminars for students at the beginning of std X. This would help students increase their awareness about various careers options and the requirements for the same. It is ideal that parents also attend these seminars as they can clarify their doubts and queries. I strongly advise that this is followed up with an aptitude test whose results need to be discussed on an individual basis with each student & their parents.

However every student needs to remember that to build a strong career, they must take this decision after thorough understanding of the prospective field and the underlying interest. The age of information overdose is such is such that it becomes important to pause, analyse and then decide on the career path to choose among the plethora of options available. It is here that a career counselor could be of help & guide the student in the right career path. It is also important for every student to focus on their overall personality development & communication skills as these are an integral part of their career success. Students are also advised that in order to build a solid career foundation, they must at least pursue a degree course in their chosen area of interest. Short term courses may help you find a job in the short run but the career progression will be stunted over a period of time in the absence of a proper qualification. It would be then ideal to also complete a Master's degree in the chosen area of interest.

Here are 3 steps to make your admission process more

comfortable and anxiety free ..

Step I: Draw a list of colleges you wish to apply to

It is every child's dream to go to the best college; however the admission process is dependant not only on your performance but the relative performance of peers. Hence it is ideal to draw up a list of 10 colleges that one can apply to. This should be determined by the reputation, subjects offered, proximity from home and such. Besides all students should familiarize themselves with the admissions procedure and requirements for online application form submission. Further do keep attested copies of all important documents such as mark lists, domicile certificates, & such ready for use as needed during the process. It would be also useful to visit the college you are applying to and get some ideas about the courses and such and interact with some of the students & faculty onsite.

Step II: Confirm one admission

Based on the admission process, take admission into the first college allotted to you. This will give you an admission in hand and minimize your anxiety to a great extent. Every system allows you to continue to try for a seat in the college of your choice although you have confirmed one seat for yourself. Do ensure that you are aware of the deadlines & last dates for these procedures and these are sacrosanct and cannot be extended. As most of these are available online, tracking becomes much easier and simpler.

Step III ..Understanding the migration process

It is important for us to realize that the process of migration from junior college to degree college has to be planned for also in a systematic manner. In some cases, we also have to plan for the migration from school to junior college or from std XII in a school to a degree college. Please ensure that all the procedures and norms for this migration are understood & followed. You may also need migration certificate if the transition is across states or across different boards. Since the rules vary from board to board and even state to state, sufficient preparation will make the task much easier.

Let us remember that careers are made by conscious planning. One should never choose careers because they are popular or easy to complete but choose the appropriate /right career for the right person. Let us remember that if careers are not planned they may go haywire. Besides, the latent potential that people possess may remain subdued and suppressed.

ALUMNI FEEDBACK

Ms. Pooja Gupta

Name of the Institution: Durgadevi Saraf Institute of Management Studies (DSIMS)
Course Completed: MMS
Year of Passing: 2019
Present Occupation: Vivo (Joinmay Electronics Mumbai Pvt Ltd) – Management Trainee

Memorable Events/ Journey in the Institution:

First of all, I would like to show gratitude towards all my professors as I'm really obliged for have given the chance to share about my wonderful journey in the world of DSIMS.

Apart from the regular lectures there have been various other events and occasions including the Conclaves, Foundation Day and all such innumerable occasions wherein knowledge sharing has taken place by not just our professors but also from so many motivational speakers such as Dr. Kiran Bedi as well as other industry experts from various fields. The institution's association with IDF gave us an opportunity to work as student volunteer and having working for the placement team as well as other events such as the Conclaves, Alumni Meet, etc. helped me in various ways to upgrade my skills such as communication skills, teamwork, group handling, leadership skills, time management etc.

DSIMS has also taught me how to handle pressure of multiple tasks and to prioritise work on the basis of importance and urgency. It gives me immense pride to be associated with DSIMS which offers the best possible grounding for the path we are about to take.

Ms. Shweta C. Rao

Name of the Institution: Ghanshyamdas Saraf College of Arts & Commerce
Course Completed: B.C.A.F
Year of Passing: 2015
Present Occupation: Assistant Manager in Human Resources at Kotak Mahindra Bank

Memorable Events/ Journey in the Institution:

There are many memorable events with the collage and it is difficult to remember one such event. One of the many things that I learned from the college is public speaking. I owe it to all the faculty members who push students for that extra mile and help us to overcome our greatest fears of facing the public. Faculty members in the college are experienced and friendly in nature to all the students.

The college also provides platform to show and enhance talent in sports and other co-curricular activities. The amount of growth I have seen in myself at the end cannot be on any measuring scale on personal and profession front.

I would like to appreciate efforts of all the faculties for believing in each one of us and help us to be confident and a responsible in all walks of life.

Most Memorable Event in the Institution:

One of my most memorable moments in school was when I was selected as the Captain of my House (Emerald) in Grade 8 and as the Discipline Minister in Grade 9 which was just like a great pleasure to me. Also the Sports Day and Annual Day programmes are a great memory to cherish.

I have been in this school since Pre Primary and I am grateful to all my teachers for the infinite love, support & lessons that they gave me which will help me to climb the ladder of success. The school has shaped my personality and clarified my visions for future. I feel blessed on being a part of RBHS. I will cherish these memories for my whole life.

Rajasthani Sammelan
teachers' training institute
BUILDING FOUNDATIONS

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan Education Trust. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthani.org.in

What will you decide today

A small monetary contribution from your lifestyle
can change someone's life for good.

Your Pledge to educate a child is your gesture to get them into the mainstream. Your contribution will provide Quality Education to under privileged students from all communities studying in the aided section of our school and college. Your gesture can impact the lives of over 4700 students and empower them.

Pledge to Educate a child. Contribute for a noble cause.

Donations to Rajasthani Sammelan are eligible for deduction under section 80G of Income Tax Act, 1961.

You may Pledge:

- Rs.11,000 Per Student/Per Year
- Rs.21,000 Per Student/Two Years
- Rs.31,000 Per Student/Three Years
- Rs.51,000 Per Student/Five Years
- Rs.101,000 Per Student/Ten Years

Pledge for multiple students can be taken under any of the above options.
