# President's Message

Dear Reader,

The New Year heralded with many new projects at R.S. Campus. On 16<sup>th</sup> January, 2015 our Kunjibihari S. Goyal Online Academy (GOLD Academy) was inaugurated by Shri Vinod Iwde, Hon'ble Education Minister of Maharashtra, in the presence of Shri Vinod Shelar, Chairman, Education Committee, MCGM, Shri Badrinarain Goyal and Shri Ravi Goyal, Main Donors of GOLD Academy, Trustees and Managing Committee Members of Rajasthan Sammelan Educational Trust, Dignitaries, Staff and Students. It was indeed a new venture for our Trust aiming to provide easy and affordable Online education to students anytime and anywhere.

The idea of Online education was born during my visit to Harvard as a team member of a delegation team from Maharashtra and Mumbai University on "University Leader Development - South Asia Initiative Workshop". In one of the sessions at the workshop, we were exposed to the innovative use of technology to provide Online education to millions of students across the world. Back to Mumbai, I shared the idea with my colleagues at Rajasthan Sammelan who fully supported me to start an Online Academy. Shri Badrinarain Goyal and Shri Ravi Goyal helped us with handsome donations to start this virtual and unique Academy scheduled to benefit large number of students beyond the boundaries of our campus.

We believe that proper sports facilities are needed for healthy physical growth of our students. At the same time, proper coaching in various sports will nurture talents of many of our students interested in sports. Many students of our institutions have excelled in sports & at present some of them have been selected to play at National level. Hence, we thought of developing a Sports Academy in our campus. Shri Harish Shah and Smt. Bina Shah, Trustees of Signet Foundation came forward to realize our dream of establishing a Sports Academy by giving a handsome donation and a state of art Pravinchandra D. Shah Sports Academy was constructed in the name of Shri Pravinchandraji Shah father of Shri Harish Shah.

Pravinchandra D. Shah Sports Academy was inaugurated on 18<sup>th</sup> April, 2015 at a glittering function by Shri Sujay Jairaj, Trustee, Jambhaji Narsee School at

Rajasthan Sammelan Campus.

Former Indian cricketers, Shri Nikhil Chopra, Shri Nitesh Kulkarni and Shri Vikram Chopra played a cricket match with the team of Rajasthan Sammelan at the glittering inauguration which was attended by various sports personalities, eminent educationists and parents of the various institutions of Rajasthan Sammelan.

**Ashok M. Saraf**

President, Rajasthan Sammelan Educational Trust

On the same day, naming ceremony of the library of Mainadevi Bajaj International School as Amratlal Premchand Shah Library was performed by Smt. Ramoben A. Shah, in the presence of the Donors of the library Shri Pravinchandra Shah, Shri Harish Shah, Smt. Bina Shah and other dignitaries. In the past few months, students of all our existing institutions have participated in various interesting extra-curricular activities and have made us proud by winning prizes at the Interschool/ Intercollegiate competitions. All the institutions have successfully celebrated their Annual Day with colourful cultural programmes. During this time, Mainadevi Bajaj International School successfully conducted Third Students Exchange Programme with Scheffel Gymnasium School, Bad Sackingen, Germany.

With all sincerity and dedication, we are continuously moving forward in our mission of providing education to the modern generation. We have crossed many milestones and we intend to cross many in future. We already have a Women's Hostel and we have plans to start a Boys' Hostel so that male students coming from other cities can stay peacefully and continue further studies. We also have plans to start a deemed University in future.

We therefore solicit co-operation and support of all Donors, Trustees, Members of Managing Committee and well wishers to come forward and be a part of our educational movement.

# Hon. Secretary's Message

Dear Reader,

*Rajasthani Sammelan Educational Trust is on a journey of continuous growth and development of the educational campus along with providing various facilities to the students staying in all the institutions. Our Trust has been able to maintain high academic standards in all the institutions right from schools, colleges, management institute and medic college. We have taken care to provide the latest and best innovative education to our students. To develop a global attitude and also to enrich knowledge of our staff and students, we have invited many reputed scholars in the campus in the past few months.*

*Our Kunjibihari S. Goyal Online Academy (GOLD Academy) was inaugurated on 16th January, 2015 at the hands of Hon'ble Minister of State for Education Shri Vinod Tawde. GOLD Academy has come into existence after extensive planning and research carried out by a team of professionals well versed in conceiving, designing and building the learning portal. GOLD Academy aims to offer an Online learning platform which is easily accessible, extremely affordable and convenient to use.*

*This was followed by another important project of launching a Sports Academy in R. S. Campus. On 18th April, 2015 Pravinchandra D. Shah Sports Academy was inaugurated by Shri Sujay Jairaj, Trustee, Jamnabai Narsee School. On the same day, naming ceremony of Amratlal Premchand Shah Library of Mainadevi Bajaj International School was also performed by Smt. Ramaten A. Shah.*

*During this time, Durgadevi Saraf Institute of Management Studies successfully organized an International Conference under the aegis of Remsons Centre for Management Research which was attended by renowned academicians, professionals, research scholars and policy makers.*

*Deviprasad Goenka Management College of Media Studies organized a First Mega 3 Day Intercollegiate Mega Fest - "Mumbai Media Champs" in which 34 colleges participated in 30 media-centric competitions. Many renowned media personalities graced the occasion by their presence.*

*Mainadevi Bajaj International School successfully conducted Third Student Exchange Programme with Scheffel Gymnasium School, Bad Sackingen, Germany*

*between 16th January to 26th January, 2015 in which 12 German students along with two teachers were welcomed by host parents of the school. They were taken to sight seeing in and around Mumbai and also for a trip outside Mumbai. The German students also participated at the Republic Day celebrations held in our campus. We thank our Trustees and Managing Committee members who have sponsored various events conducted during their stay in Mumbai.*

*Many faculty members from Ghanshyamdas Saraf College presented research papers at reputed seminars and conferences. The students of Durgadevi Saraf Junior College successfully completed a residential N.S.S. Camp of one week while students of both Ghanshyamdas Saraf College and Ladhadevi Ramdhar Maheshwari Night College of Commerce successfully participated in UDAAN festival of Department of Lifelong Learning and Extension (DLLE) at Thakur College. Ramdhar Maheshwari Career Counseling Centre provided valuable academic as well as behavioural counseling to the students.*

*Our Kirandevi Saraf Library and Reading Room is also running successfully and is utilized by in-house as well as other students staying in neighbouring areas. The library has been kept open from 9 a.m. to 9 p.m. during holidays for the benefit of students appearing for professional examinations.*

*We believe that the physical infrastructure present in any institution helps to create the learning environment. An enabling, empowering and energized environment motivates and contributes to the well being of all staff members and students in teaching-learning activity. Keeping this in mind, we have provided spacious classrooms, high tech computer and science laboratories and many state of the art facilities.*

*Like plants which provide shade after growing into big shady trees, we wish that students cared and nurtured by all our institutions turn into rich human resources for our country as they become mature individuals. I solicit the co-operation and support of all donors, trustees, members of managing committee and well wishers to be part of our educational endeavour.*

Director General, Rajasthani Sammelan Educational Trust

# Director General's Message

Higher Education worldwide and its future direction is neither simple nor straight forward. There is no crystal ball that will provide an accurate portrayal of future global developments in higher education. When we think of higher education, we are often bound by the constraints of national thinking because academic institutions worldwide stem from common traditions and the issues facing higher education around the world have many common characteristics. However, for long term sustainability and growth, it is essential that

*Institutes of higher education understand the importance of:*

- Information and Communication Technology (ICT)
- Tactician to Strategist with global mindset
- Specialist to Generalist with Globality
- Bricklayer to Architect with Global dimensional Design and Innovation
- Problem-solver to Global Agenda Setter with Global Leadership Effectiveness
- Converting aspirational values to reality
- Inculcating the culture of research
- Professional Leadership.

At RS (Higher Education), we have taken the cognizance of the above issues with a different perspective and now developing focused approach towards:

- Use of Technology:** Technology as a learning tool is being introduced for all the Management Programs. The conventional classroom teaching is strengthened by e-learning. The learning material will be made available to the students online.
- Online Learning:** We are developing online course material for different short term certificate programs in the areas like animation, digital marketing, with the use of Information and Communication Technologies for the creation and dissemination of knowledge
- Developing professional leadership in the Family Managed Business:** Today the family business is undergoing turbulence and the turbulence needs to be addressed since there is a generation gap in the family.

To move from the Family Managed Culture to Family + Professional Management Culture, we at RS 's DSIMS will be introducing the programs for Family Managed Business Entrepreneurs shortly. The program entails giving a flavor of not only managing a business in India but also understanding the way the family business is being managed abroad.

**4. Internationalization:** Internationalization is the buzz word in the changing Global Business Perspective. It is essential to encourage international cooperation between institutions in order to share knowledge across borders and facilitate collaboration. We at RS are already working in the areas of faculty exchange, students exchange, credit transfers and study tours.

**5. Corporate connect for Sustainability:** The philosophy or the thought process under which educational institutions operate are 'Institute to Corporate' whereas, for long term sustainability the focus needs to be 'Corporate to Institute'. At both the Institutes of Rajasthani Sammelan, we are creating an executive education cell through which the Corporate Connect will take place. We will be undertaking Management Development Programs, both retail and customized, Research and Consultancy.

**6. Accreditation:** Accreditation of educational institutions/ programs is a global practice and its need has been felt by various developing and developed countries. Its primary purpose is to assure prospective students and public that graduates of an institution, conducting various programs, have achieved a minimum level of competence in their chosen fields of study, thus serving as a form of consumer protection. The institutions of RS are preparing themselves not just for the NBA/ NAAC accreditation conferred by AICTE/ UGC/ MHRD, but also for South Asian Quality System, AMBA- British accreditation, EQUIS- European Accreditation and AACSB- American Accreditation.

With the systems and procedures with flexibility in place, accreditation of programs and institutions, international cooperation with some of the foreign Universities/ Institutes, meeting the regulatory norms and preparing ourselves for academic centric culture with focus on students' complete development, sensitivity towards society, we aspire to be one of the most preferred Institutions in the area of Higher Education in the years to come. We will be nurturing excellence for a better tomorrow.

# EDITORIAL

**Dr. Sunanda Kar | editor**

The academic year has come to an end and students are enjoying their long awaited summer vacation. All the institutions have completed their examinations, declared results and are getting ready to begin the next academic year in June. However, the recent announcements by State Education Department that Unaided Non-Minority schools can cancel the admissions in the pre-primary section made under the Right to Education Act 2009 has created confusion and panic among the parents who belong to weaker economic section of society. Such parents are worried about their child's future if schools turn away the students or else they have to pay full fees. Since they belong to weaker economic section, such parents may not be able to afford the fees charged by unaided schools. Both the school managements and parents are anxiously awaiting for the State Government GR to decide their course of action.

Close to the admission process is the issue of school bag weight of children. The state had set up an eight member committee headed by Director of Primary Education to prepare a draft solution. The

committee felt that the weight of the school bag should not exceed 10% of the Student's weight. But generally it exceeds that by upto 20-30% of the students weight. It is found that due to the weight, students may face problems like back pain, mental stress, headache and spinal pain which can have adverse effect on child's growth. Hon'ble Education Minister Shri Vinod Tawde has announced that the new rules to reduce the weight of the school bag will be implemented from the academic year 2016-17 only. We hope for a better solution!

There are many students who do not have the luxury of enjoying summer vacation in these months. Students of Science stream who have appeared for XII Standard examination and aspiring for engineering and medical courses are busy preparing for their entrance examinations for admissions in their respective courses. It is the dream of every parent to make their son or daughter professionally

qualified. However, sometimes students select a course of professional studies due to family pressure or peer pressure that he/she is unable to cope up later on. Recent spate of suicides in reputed engineering institutes are examples of this fact. Often due to their poor score, students face depression and commit suicide as they cannot withdraw from the course of study due to family or societal pressure and at the same time find it difficult to clear the papers.

According to a recent report in The Times of India, very less percentage of students use counseling services available for them in the campus. In such cases, when students face depression due to their inability to clear the backlogs proper mentoring by senior faculty or arranging remedial classes for difficult subjects / papers may help the students along with proper counseling sessions to come out from the depression. & also to clear the backlogs.

At Rajasthani Sammelan, we have Ramdhar Maheshwari Career Counseling Centre which is providing academic guidance to the students for choosing the correct stream. Aptitude and Psychometric tests are conducted to help students to identify their area of interest and strength and to decide proper future career for them. Students are also assisted in emotional management, effective study habits, improving concentration, conflict resolution, classroom behaviour, discipline and many other areas of counseling. Students are also assisted for preparing for SAT, ILTS, GRE and TOEFL examinations.

It is advisable for parents to take help of reputed counselors while choosing a professional course of study for their ward. Often they think that they know the best for their children but sometimes they may over estimate or under estimate their child while deciding the choice of their career. If a student chooses a proper course of study it will lead to his/her personal happiness in future life as he/she will find job satisfaction & at the same time will contribute to the society through his/her expertise.

Dear Reader,

It is extremely heartening to note that many interesting events have taken place at R.S. Campus in the past few months. Rajasthani Sammelan has taken a novel step to extend educational opportunities beyond its campus by starting online education through GOLD Academy. This has been followed by the inauguration of Pravinchandra D. Shah Sports Academy to provide state of art sports facilities not only to in-house students but also to the community.

I have great pleasure to know that all the institutions have successfully celebrated Annual Day. It is interesting to note that Durgadevi Saraf Institute of Management Studies has recently organized an International conference which was attended by academicians, professionals, research scholars

and policy makers. Many papers were also presented in the conference by eminent scholars and professionals. The Institute has also successfully completed International Immersion to Singapore and Thailand with 54 students of PGDM and MMS. Many reputed scholars from foreign universities visited the Institute and interacted with the students and faculty members.

I am very happy to know that students of Durgadevi Saraf Junior College have made us proud by representing Maharashtra Sports Team at National level. During this time, faculty members of Ghanshyamdas Saraf College participated in prestigious National and International Seminar and Conferences and have presented papers.

I wish a great success to all the institutions of Rajasthani Sammelan.

Dear Reader,

The academic year is coming to an end and I express my heartfelt appreciation for the excellent progress and development of the educational institutions managed by Rajasthani Sammelan. At the outset, I extend my compliments to the Management for recent inauguration of Pravinchandra D. Shah Sports Academy which will offer sports facilities of tennis, basket ball, cricket, football, volley ball etc. I am sure that in future the Academy will nurture and develop sports talents of our students so that we have National level Sports Team from the schools and colleges of Rajasthani Sammelan.

It is interesting to know that the students of Kudlal Govindram Seksaria Sarvodaya School participated in many interschool competitions and the students bagged many prizes. The students of standard VII had a Warli painting

I am very happy to know that Kudlal Govindram Seksaria English School organized many extra curricular activities. They have also taken care to celebrate Fashion Week, Pet Day, Maha Sankranti and many other activities for the enjoyment of pre-primary children. All the institutions have celebrated their Annual Day successfully with interesting cultural programmes.

I congratulate and compliment the Management, all the Principals, Staff and Students for overall growth and progress of all the institutions. I wish a great success to all.

I am very happy to know that Mainadevi Bajaj International School successfully conducted third Students Exchange Programme with Scheffel Gymnasium School of Germany. They also attended the Republic Day celebrations held at Durgadevi Saraf Hall in R.S. Campus and were given a hearty farewell on the same day.

It is interesting to know that Ramniwas Bajaj English High School organized a Science Exhibition on the occasion of the Birth Anniversary of Dr. C.V. Raman which is celebrated as National Science Day in our country.

I convey my compliments to the Management for their success in providing complete education to all students in R.S. Campus.

Dear Reader,

It is my great pleasure to know about the excellent progress of all the institutions of Rajasthan Sammelan in the past few months. All the institutions have celebrated Annual Day in a grand manner. At the same time, they have also justified their main duties of teaching-learning successfully, conducted in-house as well as Board and University examinations in their respective institutions.

I am very happy to know that Rajasthan Sammelan has recently inaugurated Pravinchandra D. Shah Sports Academy and thereby has initiated efforts to train students in various sports in a professional way. On the same day, the library of Mainadevi Bajaj International School has been named as Amratlal Pravinchandra D. Shah Library.

MBIS also successfully conducted IGCSE Grade X examinations in the month of March. Ramniwas Bajaj English High School conducted Interschool Drawing Competition by White Board while the pre-primary students celebrated library week.

I take this opportunity to compliment the editorial team for presenting the activities of all the institutions in an interesting way in every issue of Abacus.

Dear Reader,

In the past few months many interesting events have taken place in the educational Campus of Rajasthan Sammelan. The month of January saw Annual Day celebrations of all institutions followed by the inauguration of Kunjibhavi S. Goyal Online Academy. I am sure that the Online Academy will not only be helpful for in-house students but will extend opportunities offered by Rajasthan Sammelan beyond the boundaries of its campus and will receive a lot of success.

I am happy to know that Draupadidevi Sanwamal Women's Hostel is fully occupied to its intake capacity and all the students staying in the hostel are following Hostel Rules and Regulations systematically. They have also been provided necessary facilities by the

I take this opportunity to felicitate the President, Trustees, Members of Managing Committee of Rajasthani Sammelan Educational Trust for starting Online Education through GOLD Academy and also wonderful Sports opportunity to students with the inauguration of Pravinchandra D. Shah Sports Academy.

Dear Reader,

It is indeed a great pleasure to know that Kunjibihari S. Goyal Online Academy (GOLD Academy) has initiated bold steps and started enrolling students from various associated colleges. At present approximately 4,000 students are enrolled in the portal and we hope that it will continue to grow further. GOLD Academy has taken a wise decision to provide to the students courses for appearing in competitive examinations as well as video lectures for professional courses of CA, CPT, Banking and MBA entrances.

It is interesting to note that all the institutions of Rajasthani Sammelan have successfully organized many co-curricular and extra-curricular activities. They have celebrated Annual Day of their institutions. Students have successfully participated in many interschool / intercollegiate competitions and have bagged many prizes. Many schools and colleges have successfully conducted Board / University examinations in their respective institutions.

I compliment the President and his team for their vision and hard work in their mission of educational endeavours.

Dear Reader,

For proper growth and development of youth, it is necessary to equip our new generation with education. At the same time, we need to focus on their participation in sports. 'A sound mind in a sound body' is a well-known saying which means that a person needs to be healthy and fit to achieve success in life. With this objective, our family became associated with Rajasthani Sammelan to start Pravinchandra D. Shah Sports Academy named after my father Shri Pravinchandraj Shah.

The month of April witnessed the grand inauguration of P.D. Shah Sports Academy having state of the art facility in R. S. Campus. The occasion was graced by former Indian Cricketers - Shri Nikhil Chopra Shri Nilesh

It is a matter of great joy that the Academy will offer Sports facilities like Tennis, Basket Ball, Box Cricket, Football, Volley Ball etc. and will train students to become National level players.

I am very happy that the library of Mainadevi Bajaj International School having rich knowledge resources has been named as Amratilal Premchand Shah Library named after my late father-in-law Shri Amratilal Shah.

I extend my compliments to the President and his team for providing complete education to the students.

Dear Reader,

It is my great privilege to be associated with Rajasthani Sammelan in their mission of educating students of various sections of the society. It is said that the progress and development of our nation will be faster if we progress in education. Rajasthani Sammelan Education Trust has very aptly taken a lead role to provide opportunity of different systems of education to student community through various institutions run by the Trust. It is highly commendable that the Trust is focused on reducing the educational inequity by providing highest quality of educational facilities to students belonging to different sections of the society.

It is observed that there are many students who aspire to study and equip themselves with education and thereby secure a good career for

their further progress. However, in many cases weak financial status come in the way of many students to continue desired field of study. It is with the mission of helping such students financially that we have associated ourselves with Rajasthani Sammelan to provide freeship to the deserving students of all the institutions of the Trust.

Education system all over the world is changing rapidly. I am very happy to note that Rajasthani Sammelan has started Kunjibihari S. Goyal Online Academy (GOLD Academy) to extend educational facilities beyond the boundaries of the campus along with other courses of study. I take this opportunity to congratulate Shri Ashokji Saraf and his team of Trustees and Managing Committee members for tremendous success in their journey of educational endeavours.

Dear Reader!

I am happy to know that in the past few months, Remsons Centre for Management Research has been successful in promoting research work. Many research papers have been presented by the faculty members under the centre that have been published in National and International Management Journals. The Research Centre regularly held committee meetings, discussed research agenda and implemented the same under the guidance of Dr. Sharad Kumar, The Chair Professor and the Dean Academics of the Institute.

It is a matter of great pride that Durgadevi Saraf Institute of Management Studies has successfully hosted under Remsons Centre for Management Research International

I am pleased to know that in the past few months Rajasthani Sammelan Educational Trust has started Online Education through Kunjibhan S. Goyal Online Academy (GOLD Academy) to extend the facilities of education beyond its campus. The Trust has also recently inaugurated Pravinchandra D. Shah Sports Academy that will further help to develop more sports activities in the campus.

I wish a bright future to Remsons Centre for Management Research, to Durgadevi Saraf Institute of Management Studies as well as to all institutions of Rajasthani Sammelan.

Dear Reader!

In the past few months, Rajasthani Sammelan Educational Trust has taken many new initiatives to support the teaching-learning environment in R.S. campus. Recently, the Trust started Kunjibhan S. Goyal Online Academy (GOLD Academy) with the aim of providing easy and affordable Online education to students anytime and anywhere. This was followed by the grand inauguration of Pravinchandra D. Shah Sports Academy which will provide training as well as sports facilities to students in Tennis, Basket Ball, Box Cricket, Football, Volley Ball etc. so as to become National level players.

I am very happy to know that the work of Vishwanath Podar Study Centre has been

completed and it is now ready to be utilized by the students to study at a peaceful environment. It is heartening to note that our Trust is trying to have tie-up with some prominent professional institutes to run an office from this Study Centre and utilize the area for professional coaching to the students.

My father late Shri Vishwanathj. Podar was dedicated to the cause of girls' education in particular and education of youth in general. Therefore, it will be a dream come true for our family when the Study Centre will start and many students will be benefitted by it.

I am also pleased to know about the progress of all other institutions and compliment everyone associated with the Trust.

Dear Reader,

I am very happy to know that Shri Murlidhar Karwa Knowledge Resource Centre has become a learning hub for the students of Durgadevi Saraf Institute of Management Studies by offering a large number of books, journals, magazines and newspapers. In the past few months, 820 books have been added to the library collection by keeping two mini exhibitions at the Knowledge Resource Centre. Now, the total collection of books is 5423.

It is heartening to know that the Knowledge Resource Centre subscribes 44 national and international journals and magazines along with 12 newspapers. It also subscribes to full text database for research articles 'EBSCO- Business Source Premier' and Statistical database for company and industry data 'Capitaline Plus'.

It is a matter of great pride to know all the visitors, Dignitaries, always praise Shri Murlidhar Karwa Knowledge Resource Centre and appreciate infrastructure along with the rich collection of both print and non-print material. On all the special days like, Environment day, Women's day, World Book and Copyright day KRC is keeping a small display.

I take this opportunity to wish excellent growth and development to all the institutions of Rajasthan Sammelan Educational Trust.

Dear Reader,

I am very happy to know that Nathmal Garodia Seminar Hall named after my father Late Shri Nathmalji Garodia in Durgadevi Saraf Institute of Management Studies has become the most popular venue for holding important events of all the institutions of the Trust. It is regularly used for Management meetings, workshops and seminars. Mainadevi Bajaj International School organized in Nathmal Garodia Seminar Hall, many events including a farewell party of German Students who had visited their school in January.

It's heartening to know that many scholars visiting from reputed foreign universities delivered talk in Nathmal Garodia Seminar Hall. Recently Prof. Nora Ann Colton, Deputy Vice Chancellor, University of East London,

In the past few months, many noteworthy activities have taken place in R.S. Campus. The Trust has started Kunjibihari S. Goyal Online Academy (GOLD Academy) so that the educational opportunities provided by Rajasthan Sammelan Educational Trust can be extended to the students outside the boundaries of the campus. This was followed by the grand inauguration of P.D. Shah Sports Academy.

I compliment the President and his team for tremendous success in their journey of educational endeavour.

Dear Reader!

Fast few months witnessed many important activities in R. S. Campus. In the month of January, Kunjibhari S. Goyal Online Academy (GOLD Academy) was inaugurated by Shri Vinod Tawde, Honble Minister of Maharashtra. This was followed by the inauguration of Pravinchandra D. Shah Sports Academy at a glittering function. On the same day, the library of Mainadevi Bajaj International School was named as Amratlal Premchand Shah Library. I take this opportunity to congratulate the President and his team for all the progress and development in their mission of educational endeavours.

During the Physical Education and Martial Arts periods all the classes of the school have been using Rashi Peripherals Play Area for practising martial arts skills, and other games. Yoga classes were also held in this area. Currently, a sports coaching program 'Enjoy A Ball' is conducted in the area during the evening.

I compliment the Editorial team for bringing out the informative quarterly bulletin Abacus regularly.

Dear Reader,

I am extremely happy to know about the development and growth of all the institutions managed by Rajasthani Sammelan Educational Trust. All the institutions have conducted many colourful cultural activities along with their routine teaching learning duties. Students of all the institutions have participated in interschool/intercollegiate competitions and have bagged many prizes.

I am pleased to know that Mainadevi Bajaj International School has successfully organized third Students Exchange Programme with Scheffel Gymnasium School, Bad Sackingen, Germany. I wish a great success to all the Institutions of Rajasthani Sammelan Educational Trust.

Dear Reader,

Education is a vital tool for the human resources development and empowerment of citizens of a country. Education plays a major role in imparting knowledge, values and developing skills in youth who are going to play major role in social economic and political life of our country. Therefore, Rajasthan Sammelan has very wisely taken the task of providing education to students right from School to College and other professional branches of Management and Media Studies.

We have associated with Rajasthan Sammelan with the aim of providing scholarship to the brilliant students of all institutions through IRB Endowment Scholarship Fund so that such

students work hard and perform better in academics. We are happy to know that many meritorious students have been awarded scholarships that included cash awards as well as tablets required to support their studies.

It is a matter of great pleasure that many new educational endeavours have been undertaken by Rajasthan Sammelan in the past few months. The Management has recently inaugurated Pravinchandra D. Shah Sports Academy to offer sports facilities of tennis, basketball, box cricket, football, volleyball etc. to the students and to train them in such a way so that they can represent various sports at National level.

I wish a bright future to all the institutions of Rajasthan Sammelan.

Dear Readers,

It is indeed a matter of great pleasure to note that Rajasthan Sammelan Educational Trust is continuously growing and expanding. The trust has been successfully providing quality education to different sections of the society through a variety of courses offered by different institutions run and managed by it. In the past few months, the Trust has taken initiative to start many innovative programmes and courses that will definitely benefit the student community in general and students of the campus in particular.

I am very happy to know that the Trust has started Online Education by establishing Kurjibhan S. Goyal Online Academy which will provide Online Education to the students beyond the boundaries of the campus. The Trust has also inaugurated Pravinchandra D. Shah

It is heartening to know that Vijay Pal Singh Health Centre is running successfully in R.S. Campus and is able to address health problems of many students through regular health check-up so that the parents can take timely action for the health problems faced by the students. Along with regular health check-ups, the Health Centre has also handled emergency cases of accidents of the students by giving them first-aid. Training programmes on Disaster Management, First Aid were also held by qualified Doctors.

I compliment the Management and wish a great future to all associated with Rajasthan Sammelan.

Dear Reader!

I am very happy to know that Ramnarayan Saraf Educational Outlet has been extensively used in the past few months. With exams approaching, large number of students regularly visited the educational outlet not only for stationery items but also for xeroxing, scanning and also for other items required for preparing their projects. Ramnarayan Saraf Educational Outlet has proved to be a boon not only for all the institutions to fulfill their stationery requirements but it has helped parents and students greatly as they easily get full set of text books, note books as well as work books as required class wise.

Education was very close to the heart of Late Shri Ramnarayanji Saraf who always

## EXCERPTS OF INTERVIEW OF SHRI BANWARILALJI JHUNJHUNWALA

### • How and When did you get associated with Rajasthani Sammelan?

I became associated with Rajasthani Sammelan from the year 1960. In fact, late Shri Vishwanathji Podar introduced me to Rajasthani Sammelan. At that time, Shri Ghanshyamdasji Jalan was the President of Rajasthani Sammelan. There were many other important personalities who were associated with Rajasthani Sammelan and worked very hard during the initial years. Late Shri Vishwanathji Podar initially started the school in the Hanuman Temple of Chinchol with two students. Presently the school has more than 1,700 students in both primary and secondary sections.

### • What were the difficulties faced by Rajasthani Sammelan in the early years of its inception?

It was a very difficult journey for the founding fathers in the early years of Rajasthani Sammelan. I came to know that great philanthropist Shri Kuditaji Seksana had donated land to start Sarvodaya Balika Vidyalaya. Some more land adjacent to this land donated by Shri Kuditaji Seksana was also purchased for future expansion. Late Shri Brijmohanji Ruia came forward and donated a handsome amount to start the construction. We also collected required funds in many phases to complete the school building. When I joined Rajasthani Sammelan, the school building with ground plus first floor was constructed. Later on many donors from the community supported the educational endeavours of Rajasthani Sammelan. Along with education, we also started working for the community. At that time, there was no community hall in Malad area so in 1975, Dhurmal Bajaj Bhavan was constructed with

the help of handsome donations received from Shri Dhurmal Bajaj Charitable Trust. On 16th April, 1976 Dhurmal Bajaj Bhavan was inaugurated by Shri Aditya Birla, the renowned industrialist at a glittering function organized by Rajasthani Sammelan. Shri Ramkrishna Bajaj renowned industrialist and philanthropist graced the occasion as the Chief Guest. This was also the year of Silver Jubilee celebrations of Rajasthani Sammelan. This function was attended by many industrialists, educationists and philanthropists.

### • Tell us about the educational endeavours of Rajasthani Sammelan in the early years?

When I joined Rajasthani Sammelan, the Trust had started Sarvodaya Balika Vidyalaya that was imparting education to the girl students up to S.S.C. During the early years, the first Principal was Smt. Pratiba Patvardhan who worked between 1954 - 1971. She was a good administrator and a soft spoken lady. Sarvodaya Balika Vidyalaya became famous very soon as a good school in the area. Being the only girls school, all conservative family people preferred to send their daughters to study in this school. My sister Smt. Gomtidevi as well as my daughters Smt. Umilal and Smt. Seema have also studied in this school. The school celebrated its Silver Jubilee in a grand way in the year 1985. I also remember Smt. Rekha Panchratan, Hindi Teacher of the school who taught very well. Smt. Krishna Chawla, Head Mistress and many others who have contributed to the growth of this school. However, we later decided to extend educational facilities up to HSC level. In 1975, Rajasthani Sammelan received recognition from the State Government to

start a Junior College which was attached to the school. In the year 2006, the Management decided to attach Junior College to Ghanshyamdas Saraf College. The Junior College was also named as Durgadevi Saraf Junior College. Very soon the Management decided to start a Degree College for the girls. It was a great task to start a girls college affiliated to University of Mumbai. We had to work very hard and we were duly supported by the Hon'ble Chief Minister of Maharashtra, Shri. Murli Deora, Member of Parliament, Justice D.R. Dharuka (Retd.) and Adv. K.R. Dhanuka to get permission from the Government. Ultimately, we succeeded in getting temporary affiliation with Mumbai University. Philanthropist Shri Mahaviprasadji Saraf came forward with handsome donations and on 2nd July, 1983 the college was inaugurated by Hon'ble Shri. Sudhakar Naik, the Education Minister, Govt. of Maharashtra. Principal B.K. Acharya was the first principal of the college who did his best to promote the college and help all the students.

### • You were the Chairman of the Governing Council of Ghanshyamdas Saraf College for a very long period. Kindly tell us how did you contribute to the growth and development of the college?

I was the Chairman of the Governing Council of Ghanshyamdas Saraf College for more than a decade and I gained excellent experience while working as the Chairman. During my tenure Dr. (Smt.) Sunanda Kar was the Principal of the college who worked very hard for the development and progress of the college. During this time, we obtained permission from the Government and the University of Mumbai to start self-financed courses of BMS, BCAF, BCBI, BMM and Post Graduation courses in Commerce - Accountancy and Management. We always supported all the programmes planned by the Principal. Our new college building was inaugurated on 3rd July, 1997 by Hon'ble Dr. P.C. Alexander the then Governor of Maharashtra. The college received accreditation with 'A' Grade from National Assessment and Accreditation Council, Bangalore. It was a great achievement and myself & Shri Madhavprasad Khemka who was the Secretary of Governing Council fully supported all the activities connected with the accreditation procedure. Dr. Sunanda Kar was the Senate member of the University of Mumbai and actively

Shri Banwarilal Jhunjhunwala felicitating the guests at a function organized jointly by Ghanshyamdas Saraf College and Sahyog

participated in the activities of the University with our support. I was also nominated as Senate member under Management Category.

• **How did you contribute in the growth and development of the Institutions of Rajasthani Sammelan?**

Initially I was a member of the Managing Committee but later worked as the Secretary, Treasurer and President of Rajasthani Sammelan. Meantime, I was also elected as Trustee and presently I am working as the Treasurer and Trustee of Rajasthani Sammelan. In this way, I have been closely involved with all the important decisions and activities of Rajasthani Sammelan for more than 40 years. I am a member of many sub-committees that include Governing Board of Durgadevi Saraf Institute of Management Studies, Governing Council of Ghanshyamdas Saraf College (Chairman and now Vice-Chairman), Durgadevi Saraf Junior College and many other schools and institutions of Rajasthani Sammelan. We have taken various decisions jointly for the progress and

development of all the institutions, starting new institutions and courses and also massive expansion of the infrastructure in our premises.

• **Tell us about some important event that took place in the past as well as in the recent years?**

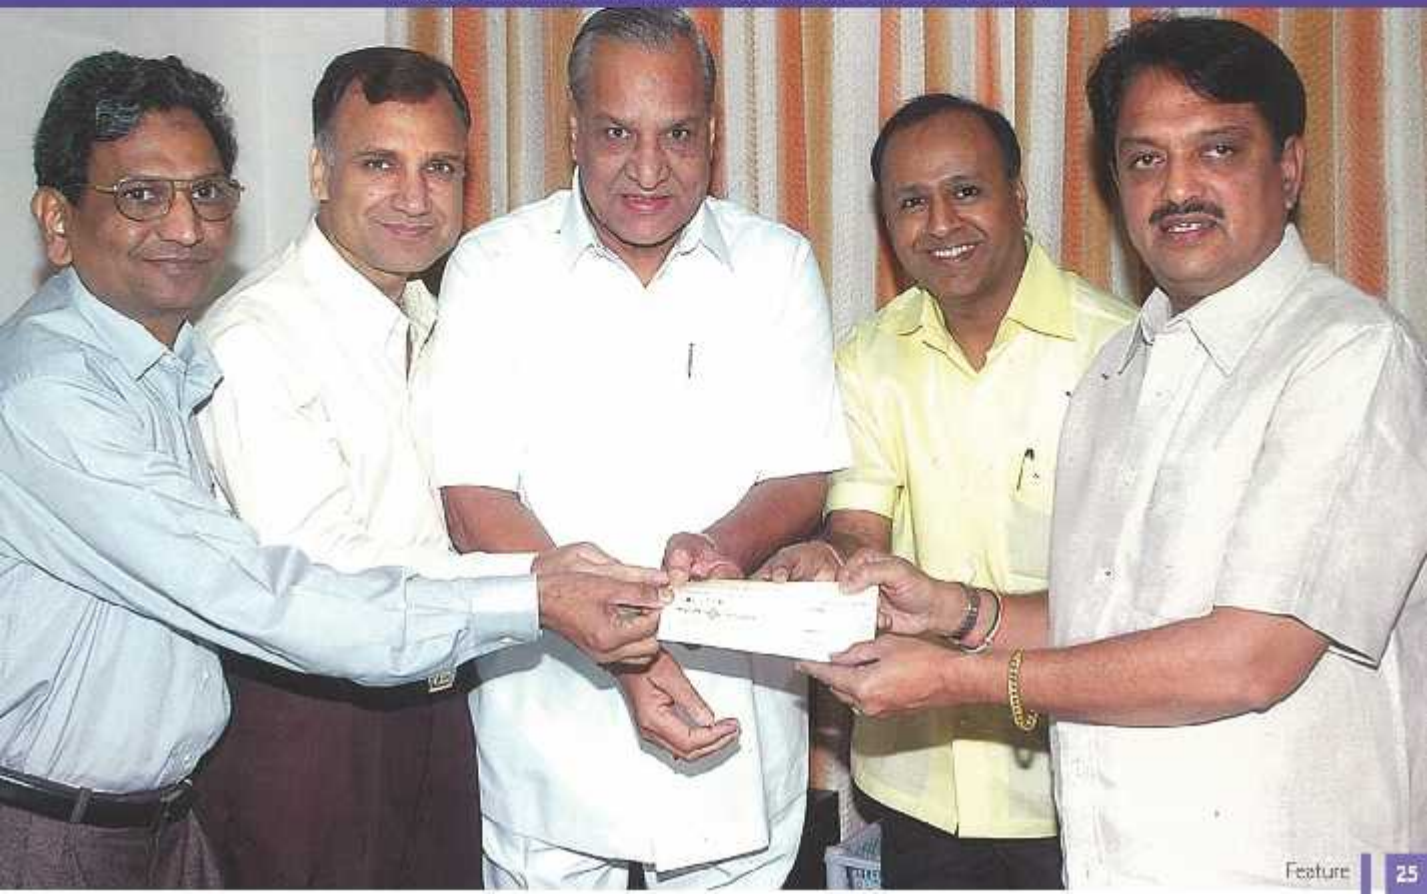

There are many events that I remember. However the most important event was the award ceremony of NAAC accreditation when Ghanshyamdas Saraf College was accredited for the first time with 'A' Grade. It was a grand function graced by Dr. Rajsekaran Pillai, Vice Chairman, UGC and Dr. V.S. Prasad, Director, NAAC. Both of them awarded the certificate to Dr. Sunanda Kar. She was also felicitated by the Management at a separate function in the evening by Shri Mahavirprasadji Saraf, Main Donor and the Chief Guest. Just before Dr. Dhanukaji.

• **Are you still actively involved in the working of Rajasthani Sammelan?**

Yes, I am still actively involved in all the activities and decisions taken by Rajasthani

Sammelán. I am presently the Treasurer of the Trust and devote maximum possible time for the betterment and welfare of our Trust. It is my passion to work for Rajasthani Sammelán. At present, Shri Ashokji Saraf is leading the team as the President and has started many institutions and facilities in the campus within a short span of time. We have plans to start a Boys Hostel very soon and in future we aim to start a deemed university under the banner of Rajasthani Sammelán. My message to the new generation of leaders of Rajasthani Sammelán is that along with our progress we should always remember to help those who are economically weak and help them to acquire education. We should always work for the empowerment and self sufficiency of the new generation by providing them best possible education. I wish all success to Shri Ashokji Saraf and his team in their onward journey of educational endeavour of Rajasthani Sammelán. ♦

## State of the art Sport Academy launched

### Inauguration OF PRAVINCHANDRA D. SHAH SPORTS ACADEMY

**R**ajasthan Sammelan Educational Trust has always taken care for all round development of students studying in the institutions of the Trust. Along with teaching, all the institutions have been regularly organizing extra curricular activities for the development of the personality of the students. At the same time for the physical well being of the students, sports activities have also been encouraged in all the institutions.

Recognising the need for providing a state-of-the-art sports infrastructure, Rajasthan Sammelan Educational Trust initiated efforts in this direction

to provide such a facility in this part of suburbs which would not only benefit the students of Rajasthan Sammelan, but also the citizens in the western suburbs and add a new dimension to the educational endeavours of Rajasthan Sammelan Educational Trust. With handsome donations received from Shri Harish Shah and Smt. Bina Shah, the work of Pravinchandra D. Shah Sports Academy was

completed in the campus. Pravinchandra D. Shah Sports Academy is a state-of-the-art facility, built on an approximate area of 24,000 sq ft with the most modern infrastructure. The Academy will offer sports facilities like Tennis, Basket Ball, Box Cricket, Foot Ball, Volley Ball etc. and the turfs, imported from New Zealand, are made to international standards. This is perhaps the first of its kind, in-house sports academy in any of the educational institutions in the north-western part of Mumbai suburbs which will cater to the growing needs of the students for sporting facilities.

Pravinchandra D. Shah Sports Academy was inaugurated on 18th April, 2015 at a glittering function by Shri Sujay Jairaj, Trustee, Jambhai Narsee School at Rajasthan Sammelan Campus.

Former Indian cricketers, Shri Nikhil Chopra, Shri Nilesh Kulkarni and Shri Vikram Chopra played a cricket match with students of the institutions of Rajasthan Sammelan at the glittering launch function which was attended by various sports

personalities, eminent educationists and parents of the various institutions of the trust.

A basketball match between Jamnabai Narsee School & Hiranandani School was also played in which Basketball Champion and National Gold Medalist, Shiba Maggon also participated. A demonstration football match between Jamnabai Narsee School and Mainadevi Bajaj International School followed it. The inauguration ended with an eclectic sports dance performance choreographed by Shiamak Davar. The

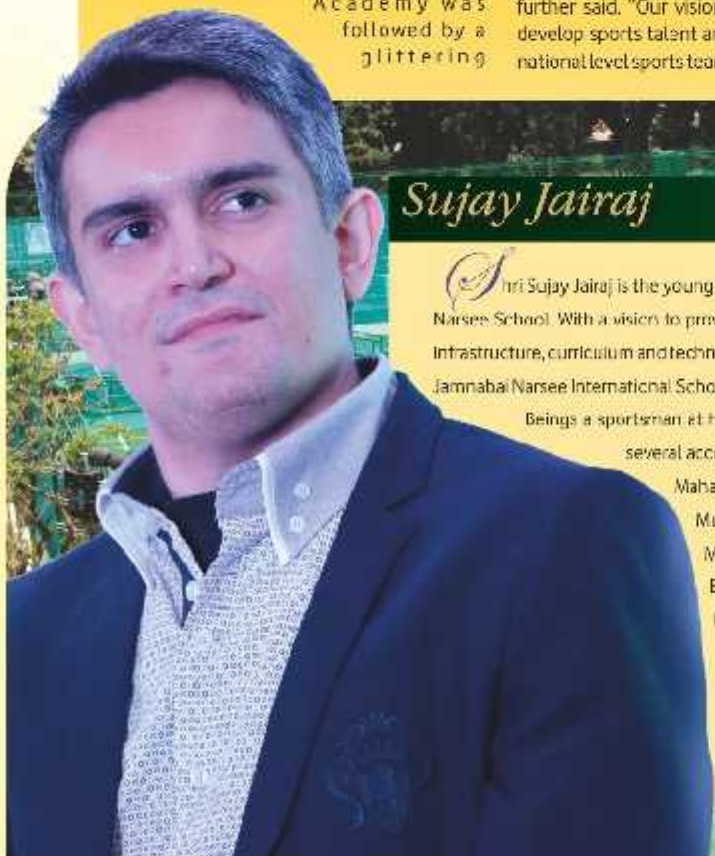

inauguration of the Sports Academy was followed by a glittering

function in the Durgadevi Saraf Hall. Shri Pravinchandra D. Shah, Shri Harish Shah and Smt. Bina Shah, Main Donors for the Pravinchandra D. Shah Sports Academy were felicitated along with Smt. Ramaben A. Shah by the office bearers and trustees of Rajasthani Sammelan.

In his welcome address, Shri Ashok M. Saraf, President, Rajasthani Sammelan informed the gathering that Rajasthani Sammelan has developed this Academy with the mission of providing world class sports infrastructure to the students of all the institutions as well as for the community. He further said, "Our vision is to nurture and develop sports talent and we hope to have national level sports teams from our schools

and colleges at Rajasthani Sammelan soon". He further informed the gathering that the sports facilities will also be available to sports groups in the evening.

Shri Sujay Jairaj, Chief Guest of the function, pointed out that education consists of teaching, extra-curricular activities, sports and values. Combination of all these factors can help in all round development of a student's personality. Shri Pravinchandra D. Shah appreciated the initiatives taken by Rajasthani Sammelan for creating such a state of the art sports facility. At the end of the programme, a vote of thanks was given by Shri Kailash Kejriwal. The programme was compered by Prof. Bhavana Vaidya.

## Sujay Jairaj

Shri Sujay Jairaj is the young and dynamic Trustee of Narsee Monjee Educational Trusts – Jamnabai Narsee School. ## CELEBRATION OF FESTIVALS:

• **Makar Sankranti:** Makar Sankranti is a Hindu festival celebrated in almost all parts of India and Nepal in a myriad of cultural forms. It is a harvest festival. Makar Sankranti marks the transition of the Sun into the zodiac sign of Makara rashi (Capricorn) on its celestial path. The day is also believed to mark the arrival of spring in India and is a traditional event. Makara Sankranti is a solar event making one of the few Indian festivals which fall on the same date in the Gregorian Calendar every year. Importance about Makar Sankranti was been given in the morning assembly.

## • Holi:

Holi is a spring festival, also known as the festival of colours or the festival of love.

Holi celebrations start with a Holika bonfire on the night before Holi where people gather, sing and dance. The next morning is a free-for-all carnival of colours, where participants play, chase and colour each other with dry powder and coloured water, with some carrying water guns and coloured water-filled balloons for their water fight.

# Naming Ceremony

**of AMRATLAL PREMCHAND SHAH LIBRARY @ MBIS**

The library of Mainadevi Bajaj International School was named as Amratlal Premchand Shah Library on 18th April, 2015. The naming ceremony was performed by Smt. Ramaben A. Shah, mother of Smt Bina Shah, Trustee, Rajasthani Sammelan in the presence of the Donors of the library Shri Pravinchandra Shah, Shri Harish Shah, Smt. Bina Shah, other dignitaries, President, Trustees and members of Managing Committee of Rajasthani Sammelan.

Amratlal Premchand Shah Library of MBIS is an all encompassing, forthcoming and proactive learning area. It is the hub of all school activities. The librarian works closely with teachers on curriculum support, thereby giving students a practical and wider perspective through various research techniques. Presently we have a collection of over 10,500 items which includes books, DVDs and other audio-visual materials, flashcards, posters, etc. The collection includes books which are available for students from Nursery to students in IBDP, in the appropriate formats from cloth books, board books, flap books and pop-up books. In addition, students have access to newspapers, periodicals and the Internet. We also have photocopying facilities to

assist students in projects and research assignments. These resources not only impart information and knowledge but also give students an opportunity to give wings to their dreams. The library is open from 7.50 am to 3.30 pm from Monday to Friday and from 8.00 am to 1.00 pm on Saturday.

Amratlal Premchand Shah Library conducts library lessons for the entire school from Jr.Kg to Grade 12. While the younger students are exposed to story-telling sessions and reviewing the stories orally, the older students are encouraged to review books critically and practice academic honesty in all their research. Students are graded on their library performances in the quarterly Report cards.

Various activities are organized for the students, throughout the year with the aim of encouraging them to read extensively and connect the read (read as RED) material with the world around them. The librarian conducts monthly themes and challenges for students to cover reading different materials around the year. The library has its Annual Book Week wherein various in-house activities as Buddy Reading, Drop Everything and read, Teachers Story Telling sessions,

Parent Story Telling sessions and the Character Parade among many others are organized that are well loved by all students. The students look forward to this week eagerly and take part in all the activities with great enthusiasm.

We thank the Shah family for their financial support and assistance for Amratlal Premchand Shah Library. The library continues to strive to follow the profiles and attitudes as laid down by the International Baccalaureate whereby making students not only good readers but also creative thinkers.

The naming ceremony was followed by a glittering function in Durgadevi Saraf Hall. Shri Pravinchandra D. Shah, Shri Harish Shah and Smt. Bina Shah, Main Donors for the Pravinchandra D. Shah Sports Academy were felicitated along with Smt. Ramaben A. Shah by the office bearers and trustees of Rajasthani Sammelan. While addressing the gathering Smt. Bina Shah remembered the virtues of her late father Shri Amratlal Premchand Shah who was a Gandhian and a man of principles. The function ended with a vote of thanks given by Shri Kailash Kejriwal.

Mass Drill in the Assembly

## JANUARY:

The school reopened on Monday, January 05, 2015 after the winter vacation. The month began with rehearsing for the Annual day Celebrations which was held on Wednesday, January 21, 2015. The theme was 'Books' it was presented as drama with songs and dances. All the 518 students took part in the show. The students thoroughly enjoyed preparing and performing and their parents were very appreciative too. The chief guest for the day was Tushar Gandhi, the great grandson of Mahatma Gandhi. Being a book lover himself he was moved by the show

and spoke very motivationally that no one wanted him to stop. The Guests of honour were Mr. Vinod Kumar Bajaj and Mrs. Deepa Bajaj. Mr. Bajaj was so moved by the students performance that

he announced Rs. 50000/- to be given as books to all the students of the school. Sankranti was celebrated by doing art and craft activities related to the festival.

This year the Pre-Primary children performed for the Republic Day Celebrations held at D.S.Hall for the entire R.S. family. It was a song on national integration which was well appreciated by all. By the end of the month, it was once again time for the Young Explorers' Club activities. The aim was language development and this was achieved by the teachers beautifully through picture talk, dramatization and videos from Tuesday, January 27, 2015 to Thursday, January 30, 2015 in the D.S. Hall. Open day for the Pre Primary was held on Friday, January 30, 2015, and for Main School on Saturday, January 31, 2015 when parents were given the

test papers and report. The parents could interact with all the teachers teaching their child and find out how they were progressing. The Assembly theme for this month was "I am responsible for my happiness" where students presented their thought on taking responsibility and presented the same through drama, speeches and poetry.

- The interschool drawing competition by white board was held on Sunday, January 11, 2015 where many students participated and won several certificates. 20 students took part in 'Ganit Gyan', an interschool exam in Mathematics and won certificates.

## FEBRUARY:

February saw a spurt of curricular activities regaining prominence after the Annual Day in January.

Library Week was celebrated by the Pre Primary from Monday 9th Feb. to Friday 13th Feb. The children indulged in various activities related to reading and even making organic readers. Care of books, a visit to the school library and rules to be followed in a library were some of the topics dealt with. The week culminated in a competition for the children when they had to either speak on a topic or narrate a story. The aim was to inculcate the habit of reading and thus, enhance language skills.

## Self Help

Self awareness and self protection attitude needs to be inculcated from young age. On Thursday, 5th February, a session on "Good Touch Bad Touch" was conducted for the Sr Kg. children by the school counselor, Ms. Renu Puri, in order to make them alert and ward off any unwelcome behavior/treatment meted out to them. The same was then done for each of the Primary School classes. The children were encouraged to talk about it.

## EVS Exhibition

This month the Young Explorers' Club took on a different activity. An exhibition on children's work was held on Friday 27th February 2015 in the pre primary classrooms. The theme was

Ms. Urvi Patil

Ocean World. All art and craft activities done by the children under the theme were displayed by the teachers. Parents were invited along with their children to be a part of this event. The Sr. Kg. children presented the sea creatures to the parents who visited the exhibition; while the Jr. Kg. children sang songs based on the theme. Not only that, the teachers contributed to the event by devising games related to the topic which the children could play. Also, a classroom was dedicated to the all-time favourite activity-Water Play. The 'selfie corner' was the most popular spot where the children could pose as mermaids or scuba divers and their parents could take their pictures. The exhibition was well appreciated by all those who visited.

#### Teacher Enrichment Programme

A session on "Common Errors in English" was conducted on Saturday, 7th Feb. 2015 for the teaching and non-teaching staff of the school, by Ms. Urvil Patil. The session dealt with making use of correct English colloquially as well as in the written form on a regular basis. It was a session that everyone felt was much needed and there were some worthwhile takeaways from it.

#### Science Day

February 28, 2015 was the birth anniversary of Dr. C. V. Raman is celebrated as National Science Day in our country. On the eve of this day we had a full day Science Exhibition. All the students of Std I to VII prepared theme based exhibits as a part of EVS or Science learning in class. Every student got to display, show and explain their project to each and every student of their class at first and then all the students of all the other classes in the School. Every one got enough time to go and see all exhibits as well as show one's own to everyone else. At the end of the day every one looked exhausted but beaming with intellectual satisfaction and the feast they had of reasoning and laws of Nature.

Presentation by students for PETA

School Assembly So far we were doing Class assembly, assembly via PA system or Section assembly. This month we introduced School Assembly with a mass drill component to it. We are doing this in the School ground every morning and it gives a good feel of unison and helps concentration.

#### Theme of the Month

This month's theme was "On the way to know myself". In the Assembly students shared ways and means adopted for knowing one's self. The Lobby Board display on the theme provided with some vocabulary to help initiate the process. It also suggested a simple activity: every day write 10 positive things and 10 negative things that happen to you. The principal even offered to even sign the record and suggest further steps for those who put in time and effort.

#### MARCH/APRIL 2015

##### Pre Primary Activities:

- Eco Friendly colours were used to celebrate the festival of Holi on Thursday, 5th March 2015. The children and the teachers of Pre Primary thoroughly enjoyed themselves playing Holi and the atmosphere was one of merriment with squeals of laughter being heard from the classrooms. The children were explained about how to enjoy a safe Holi without using dangerous colours and water balloons.

- The Pajama Party was held on Friday, 20th March 2015 at the Durgadevi Saraf Hall from 5.00 pm to 7.30 pm. The children of the Pre Primary came dressed in their nightwear, with their stuffed toys ready for a cozy night time experience. The teachers had organized theme based games and other activities for the children. After the games, the children were served a small meal and then they took a little nap before they returned home.

- The Young Explorers' Club activities included a schedule of 3 days, from 23rd March to 25th March, when theme of community helpers and professions was dealt with. Children dressed up as various professionals and spoke about them too. A field trip to the post office too, was organized when the children not only went around the post office but even posted letters home to their parents.

- Talent Show was scheduled for 6th and 7th April when the Pre Primary children displayed various talents from hand and foot painting to dancing and doing aerobic exercises! It was

Yoga practice in Assembly

held at the Bajaj Hall. The teachers found it very challenging to select the winners since all the little ones had emerged victorious.

- A cooking experience was conducted on Thursday 9th April 2015, when the children of Pre Primary learned how to evenly spread jam on slices of bread.

- The Annual Report Day for the pre Primary section was held on Friday, 10th April 2015. Students of the Sr. Kg., ready to go to the Std. I, had the graduation ceremony. It was a proud moment for all the parents as well as the children to be moving higher.

- Summer vacation begins from Monday 13th April. School re-opens on Monday 15th June 2015 for the Pre Primary section and on Tuesday 9th June 2015 for Std. I students.

- The Middle School students had an Inter house folk song competition on Saturday, March 14, 2015. 15 to 23 students participated from each house. The highlight of the competition was use of unconventional, traditional musical instruments like a tin or bucket or a pot or utensils for the background music and to involve the audience. It was very entertaining learning experience.

- Class photographs were taken for all the classes with their class teachers on March 16, 2015.

- The focus in Primary and Middle School was on revision work and preparation of question papers.

- On March 24-25, 2015 Mrs. Indira Williams, Principal of Baldwin Girls High School, Bangalore came as Inspector for ICSE Affiliation.

GIVING WINGS TO YOUR DREAMS

Established in 2009

Ms. Shagufta Parkar, Head of School

The second semester at MBIS has begun with great gusto. Many exciting activities, academic as well as extra curricular, have taken place in the past three months.

The Third Student Exchange Programme with Scheffel Gymnasium commenced on 16<sup>th</sup> January, 2015. 12 German students along with their two teachers were welcomed by the host parents with tremendous enthusiasm. Students were taken for a cookery class on the first day where they learnt the nuances of Indian Cuisine and on the same day they were taken to The Village, Kandiwli, where they tasted this Indian cuisine. On the next day, the German students and teachers were taken on a Mumbai Darshan tour, where they not only learnt the history and culture of the city but also had a fun time exploring the city. The German exchange students along with their

partners also went on an excursion to the Borivali National Park, where they saw many animals that inhabit the forest. Every host student and his/her family took their German friend on a trip to places like Goa, Lonavala etc. They returned in time to

celebrate the Indian Republic day along with the rest of Rajasthani Sammelan. We bid them farewell with a dinner organized at school. The programme included dance performances, speeches and reflections of the students and teachers, and games. In the end, they danced to their hearts' content to music along with other teachers and students.

In January 2015, Keshav Srushthi became the distinguished recipient of the Guinness World Record for Suryakumbh – the largest "Solar Cooking Festival". The event

was graced by the Honorable Governor of Maharashtra, C Vidyasagar Rao and other eminent personalities. Fifty students of MBIS from grades 7 to 9 participated in this World record setting event. They cooked Maggie in a self-assembled solar cooker at Patwardhan Ground, Bandra. It was extensively covered by the media.

A workshop on "Effective Parenting" was conducted by renowned psychologist Ms Salma Prabhu and was highly appreciated by parents.

German Students all dressed in Indian Attire for the farewell party

On 19<sup>th</sup> and 20<sup>th</sup> January, MBIS along with 'ADVENTURE TOURS' arranged an educational excursion to Igatpuri for grades 2, 3 and 4. Students were taken to 'Mystic Valley Resort', where they enjoyed fun and adventure activities like 'archery', 'rifle shooting', hiking, treasure hunt, 1 minute games, art activities, races & DJ. Personal development along with entertainment was taken into consideration while planning these activities.

From 19<sup>th</sup> to 23<sup>rd</sup> January, 29 students from Grade 5 to 11 accompanied by 2 teachers went for an outstation trip to Kerala. They started from Kochi where they were shown the working of the Chinese fishing nets. Some of the students even tried their hand at it. They

MBIS Annual Day was held on 19<sup>th</sup> February at Prabodhankar Thackeray Auditorium, Borivali. The Chief Guest for the function was the famous RJ from 93.5 Red FM, Dr Rishi Kapoor and the Guest of Honour was Shri Vinodkumarji Bajaj. All the students of MBIS were seen on stage performing on a general theme – 'Legends of Music'. Shiamak Datar Dance Academy, who conducts regular dance classes in the school, trained the students to perform on various musical legends from across the globe. These performances were inter-linked with a skit about a group of students, who have joined a music school, talking about their musical inspirations in life.

March was celebrated as the Humanities month. As a part of this on 3<sup>rd</sup> March, students of Grade 5 to 8 visited the Chhatrapati Shivaji Vastu Sangrahalay. Students of grades 6 to 8 exhibited various topics related to Humanities. On 13<sup>th</sup> March, students of grades 6 to 12 made a presentation on famous personalities. On 5<sup>th</sup> March, students of grade 9 visited Aaroy Milk Dairy. Here they had a firsthand experience about the organization process of a dairy industry, where processing and packaging of milk takes place.

As part of their Business Studies project, students of grade 9 conducted a primary market research by way of questionnaires about popular eatables at school. They then developed a

IN PURSUIT OF EXCELLENCE

Established in 1976

Dr. Sujata Karmarkar, Principal

After a short spell of holidays, January arrived with a chill in the air and warmth in our hearts. SYJC students were busy preparing for their preliminary exams which commenced on 8th January and continued up-to 12th January. After the hectic schedule of these examinations it was now time for the residential NSS camp. NSS camp was about Shramdaan and a learning process which enabled the students to persevere the motto of social service. They visited Kora Kerdra at Borivali. Here besides social service they had to undergo training regarding self discipline, self employment etc. Night time was spent at Bajaj Hall near our college campus. Our NSS in-charge teachers were Mr. Munaf Tamboli, Ms. Vaishali Belnekar and Mr. Nishit Dave along with some of the other teachers also.

On 22nd January the much awaited day of annual festivities was held at Prachodhankar

#### • 25th March, 2015 : A Talk by Prof Nora Ann Colton

As a part of the Global Quest initiative, DSIMS organised a talk on 25th March, 2015 focusing on the "Paradigm Shift in Middle Eastern Economies". Prof Nora Ann Colton, Deputy Vice Chancellor (Academic), University of East London delivered the session. Prof Nora discussed about the divergent economic scenario of different Middle Eastern economies. In her discourse she identified the basis of the growing discontent in this region. From an Economic angle she pointed out at the strong correlation

between resources & ensuing conflict. She highlighted that the Arab Spring resulted not because of religion or race but owing to improper allocation of scarce resources. In her address Dr Nora also discussed the Washington Consensus, highlighting the various problems of multilateral aid allocation through an exposition of real life cases of MENA nations. She opined targeting aid through building sound social infrastructures. She summarised her address by reflecting on effective governance, right education, social & financial inclusion which can be capable of channelizing resources toward productivity gains & the overall growth of these nations. ♦

# International Conference **On** Outsourcing Strategy - A New Paradigm

Outsourcing and off shoring are viable options for many organizations looking to grow their operations and networks, however, there are many aspects to consider in determining whether to take the advantage of outsourcing and safeguarding the company's interest. The main motive behind outsourcing is that it allows a company to invest more resources in core activities by outsourcing non-core activities to gain financial and strategic advantages. Keeping in view the significance of the subject an International Conference on the theme of 'Outsourcing Strategy - A New Paradigm' under the aegis of Remsons Centre for Management Research was organised by Durgadevi Saraf Institute of

Management Studies (DSIMS), Mumbai, on 14th March, 2015 at the Institute premises.

This conference was attended by academicians, professionals, research scholars and policy makers. The conference was convened by Prof. Dr. Sharad Kumar (Chief Convenor) and Associate Prof. Dr. Kiran Karande (Convenor).

The conference was inaugurated by Mr. Prashant Saran, Member, SEBI. He threw light on the importance of Integrated Reporting Tool which captures all the different kinds of capital which balance sheet can't capture, but those have obvious implications on society and the efficiency of corporates. These capitals viz. are provided by external bodies but accessed by the corporates for their strategic advantages.

The next Speaker was Mr. M.D. Agrawal, Senior Consultant, TCS, discussed about the 'Skill Roadmap for Emerging ITES Outsourcing Industry'. He has deliberated on the recent focus of Government of India on Skill Development to make the vision of 'Make in India' a reality.

Another key Speaker Mr. Raj Thaker, an IT Entrepreneur, deliberated on 'Outsourcing- Turning World into a Global village'. He had shared his long journey as an Entrepreneur and IT solution provider.

Total eight research papers were presented in the conference on the stated theme.

based on different functional areas of Management & Economics. Besides, two good papers were received which were accepted but the authors could not attend the conference. These papers have been selected to be published in the conference proceedings. Professor Ravindra Dey's article on "Comparing Line and Hi Manager's Perceptions of Human Resource Outsourcing" introduces the importance of outsourcing solutions that combines global sourcing and delivery capabilities to offer flexible and cost-efficient services.

The work by Mr. Kishore Maneekar "Outsourcing – Strategic Staffing In The IT Industry" is based on Strategic Staffing Mix (SSM) Modeling for IT industries to arrive at best possible hiring strategies ensuring lowering of risks, flexibility and scalability in the system.

In the article "Outsourcing – A Long Journey", the author Mr. Vijay Mirajkar has addressed the different models of outsourcing, the size of the service offshoring market and latest trends in this industry.

Mr. Ajay S. Agrawal and co author, Ms Charlotte in their article "A Study of Outsourcing Strategy in Financial Institutions" highlights how outsourcing has become a critical component of financial

institutions' management of their business operations and control of their costs.

Dr. Sharad Kumar in his research article "Opportunities & Issues in Outsourcing IT with special reference to Offshore Outsourcing" has made a comprehensive coverage of the issues and challenges of offshoring, which includes financial, strategic and organizational implications grounded on core competency theory.

Prof. Beera Prakash in her article "Coping Strategies of BPO Employees and Demographic Determinants" examines the process of transition in outsourcing, the associated coping strategies adopted by employees and how they are concomitant with different demographic variables.

Prof. Amal Roy in his article "Cold Chain Product Distribution & Reverse Logistics of Pharmaceutical Companies Operating in India" reviews regulatory requirement and best practices of Storage and Route to Market (RTM) Strategies of shared services in the context of a collaborative supply chain.

Prof. Sharad Kumar, Chief Convenor, presenting memento to Mr. M.D. Agrawal

In the article "Outsourcing In The Light Of Applied Welfare Economics" Dr. Sumana Chaudhuri has presented a conceptual framework to analyze the financial and economic benefits of outsourcing using a decision theoretic CBA approach.

The two Session Chairs- Prof Dr Rupayan Pal, Faculty IGIDR and Prof. K. Sunil Unni, International Consultant & Educator, had given their expert views & valuable comments to the authors. The rich & diverse research articles presented in this conference will definitely act as a beacon to steer the outsourcing decisions by the industry experts and will be referred by the researchers in future. ## EDU FACTS

67 million primary-school-age children are still denied the right to education.

Illiteracy is highest amongst females. In more than 20 developing countries, illiteracy rates amongst women exceed 70%.

Educated girls and women are less vulnerable to HIV infection, human trafficking and other forms of exploitation and more likely to marry later and have fewer children. An education can help decrease the spreading of infectious diseases.

Children born to educated mothers are less likely to be stunted or malnourished. In fact, each additional year of maternal education helps reduce the child mortality rate by 2%.

Being Creative

Life at RSIP has been very eventful the past few months. We began the year with a 'Family Day' outing on Friday, 9th January 2015, to the Aqsa Beach. Parents along with the babies participated in various fun games on the beach. Learning while playing, as is our motto, was being accomplished for the little ones. It was a day when the parents too, let their hair down and had a field day

In order to inculcate good sleeping habits, a 'Pajama Party' was organized for the children in school on Friday, 16th January 2015 when they came to school dressed in their pajamas. They also brought along their 'sleep friends',

pillows and tooth brushes. There were different activities planned out for them and they went through the rituals of bedtime in school with their teachers.

On Friday, 6th February 2015, the little ones were taken on a Field Trip to an aquarium since the topic of the month was sea animals. The babies enjoyed seeing the different fishes on display and also the bus ride to and fro.

The Creepy Crawlly Day was celebrated on Thursday 12th February 2015, when the children came dressed as their favourite crawlies. The creativity that emanated from the costumes was commendable.

Nowadays, it is not uncommon to find fussy eaters among children. In order to inculcate healthy eating habits in children, the parents need to be educated on the topic. Thus, on

Thursday, 26th February, we invited a dietician who came and conducted a talk on Eating Wisely. It was a session that mothers were eager to attend.

Hoodie Ho Day was a fun day for the children and it was celebrated on Friday 27th February 2015 when the babies donned their hoodies to school. While covering the topic on Animals, the children indulged in several interesting activities in school, which included 'making a nest', washing their pets and we also had a Vet visit the babies in school to speak to them about how pets are taken care of. A Field trip was organized for feeding pigeons. Not only that, the children had a chance to feed a bird in class too!

On Thursday, 5th March 2015, celebrations of Holi were thoroughly enjoyed by all the children as well as the staff- a wet and colourful event that brought a lot of cheer to the class.

The Class Photograph day was on Monday, 16th March 2015 when images of the children in their very first classroom were captured to be stored for memory for years on end! ♦

by Mime to Music on "Cruise catastrophe"  
and poem on "The night before Christmas."

Counselors observed students of Ramnivas  
Bajaj School and Kudilal Govindram Seksaria  
English School in the classroom setting and  
determined consistency of behaviour. They  
also noted down students experiencing  
specific difficulties. Individual counseling  
sessions were conducted for the students as  
required.

Mrs. Salma Prabhu had conducted a  
parenting session for the Parents of MBIS.  
The session focused on the Importance of  
Role Model, Value of pocket money and  
Building self esteem in children. The parents  
actively participated in the session and gave  
positive feedback for the session.

Various students who require guidance for  
subject choice and career options have been

Holi Celebrations at the Hostel

*Infuse your life with action. Don't wait for it to happen. Make it happen. Make your own future. Make your own hope. Make your own love. And whatever your beliefs honor your creator, not by passively waiting for grace to come down from upon high, but by doing what you can to make grace happen... yourself, right now, right down here on Earth.*

**Bradley Whitford**

The month of January had marked beginning of New Year which will be heading to mark another landmark in the glory of DSWH as the year will proceed ahead. As we all are well aware that hostel is a place which provides students who have come from various regions of country to accomplish their dreams by providing conducive ambience and arena. Our hostel has successfully completed three years and been maintaining homey environment for each of the student to reside.

We had begun with our new tenure from January to June '15. The students have been maintaining the decorum of our hostel by abiding with rules and regulations of our hostel.

Most of them had returned from their homes after welcoming the New Year with their families and enjoyed an elaborate vacation. Some of them were here only in order to meet with academically demands like classes etc.

Our hostel student Ms. Parvita Bajoria had delivered a speech on topic (Republic Day) on the occasion of 26th January Republic day celebration held at our campus. The speech delivery was so tremendous that it had made each and everyone present to ponder on the words and also earned appraisal from our hon'ble chief guest and President Sir.

At the end I would say that this month was a smooth and swift month as everything went on swiftly and I wish it continues and our hostel keep on adding more feathers of success.

In Draupadidevi Sanwormal women's Hostel each student is under the supervision and care of a Rector and hostel staff. Our hostel provides modern amenities including attractive A.C. & non A.C. rooms accommodating two, three students, superb bath and shower facilities, comfortable dining hall and quiet recreational area and complete security and comfortable living in metropolitan city like Mumbai.

The month of February had been a very smooth month throughout for Draupadidevi Sanwormal Women's Hostel. The students had been preparing for their respective university and competitive Exams.

Everything was in place and order. All the rules laid by the authorities were abided by the students which was helpful in maintaining the decorum.

At the end I would say February had passed on very nicely and swiftly. The students had gone to their hometowns for University exams. The first food committee meeting was held on 10.02.2015 attended by committee member and caterer. The students had put forward their views and caterer was agreed upon it.

The month of March had been a very smooth month as the festival of colours fell in this month everyone was engrossed in festive mood. There was lots of enthusiasm and happiness pouring out throughout the onset of month. The festival of colour was ideally celebrated by all the inmates of our hostel. Some students had gone home as the festival fell during an elongated weekend. Besides that all the students happily celebrated the festival in the hostel. The students had volunteered as well in listing down names of people who will

Our student Parvita Bajoria delivering a speech during the Republic Day celebration

be part of celebration. The reception area was also decorated by the students. The celebration had begun at 10 am and went on till 12:30 pm. At 12:45 the refreshments were served which duly created atmosphere and aura of homey environment which had once again proved that DSWH has always proved to create home away from home.

At the end all the students were highly contented by the celebration. After that everyone got engrossed in regular schedules. The students prepared for university examination and left for home. It was again a smooth and swift month. ♦

# Paradigm Shift in Middle Eastern Economies

A Talk by

## Prof Nora Ann Colton

Prof. Nora Ann Colton addressing the gathering at National Garodia Seminar Hall, DSIMS

As a part of the Global Quest initiative, Durgadevi Sarif Institute of Management Studies (DSIMS) had organized a talk on 25th March, 2015 focusing on the Paradigm Shift in Middle Eastern Economies. Prof Nora Ann Colton, Deputy Vice Chancellor (Academic), University of East London delivered the session. At the very beginning Prof Nora introduced her key note address on the divergent economic scenario of different

Middle Eastern economies, a geo-political area which is close to her heart. In her discourse she portrayed the Middle East and the socio-economic conditions there. She identified the basis of the growing discontent in this region. According to Professor Colton, conflict arises as a result of inappropriate allocation of finite resources, with the region experiencing skewed economic growth. She brought into

discussion the context of Arab Spring, which though started as a peaceful movement of socio-economic transformation, gradually cascaded to other geographies in the region, growing more violent as it gained critical mass of citizenry support.

Economist John Williamson advocated Washington Consensus, though tried to adapt these Middle Eastern economies to western growth models, eventually created a lot of uneven growth with wealth dividend allocated to a tiny group of influential people. In her address, Prof. Colton reiterated that development was focused on exporting oil, but did not necessarily create more jobs. Demographic dividend spells that 65% of the population in the region is youth, but the region has 38% of the people impoverished and about 40% people unemployed. There was no correlation between jobs and education in these Bottom Billion States where 73% of the region has experienced a civil war, 29% of the region has resource traps, 30% of the region is landlocked and 76% of the region suffers due to poor governance and policy paralysis.

Prof. Colton made the distinction between the fine dividing lines that separates greed with grievances. The regional conflicts have often spillover effects with rising poverty gap in the region, with the upper middle and upper crust nations like Qatar having a GDP per capita of \$29,803=00 and oil deficient nations like Yemen posting a meagre \$430=00 GDP per capita. The rising financial crunch prompted statesmen to increase the global aid programme. However, in this process what was overlooked that aid should be directed to sound institutions to facilitate development and economic growth, rather it resulted in just the opposite outcome. The Principal – Agent problem became more significant as more aid encourage more corruption as political elites continue not to feel accountable to their people, but to their donors exemplified by the case of Egypt, Syria and Jordan.

In conclusion, Prof. Colton expressed that oil revenues have been both a curse and blessing for this region. Although years of labor migration created employment opportunities for North Africans and other

Arab workers, they also led to structural changes in the economies. There were corruption and mismanagement of resources that prevailed. Oil and aid appear to substitute each other in the region in terms of the outcome in governance and transparency in the economies. Prof. Colton aptly remarked that conflict is not

about religion, ethnicity or race – It's about greed. She summarized her address by reflecting on effective governance, right education, social & financial inclusion which can be capable of channelizing resources toward productivity gains & the overall growth of these nations ♦

As promised, we intend to do quality work, especially after the promises made during our inauguration in January 2015, huge commitments were made which eventually resulted in lots of expectations, well, now is the time to begin delivering. We at GOLD have not only begin enrolling students from other colleges but have also initiated the process of upgrading the quality and quantity of our content offer by venturing into open ended

We will also ensure that information about other similar players and their initiatives are conveyed and the same will be used as tools to upgrade the look of our site.

Content Management has been our core area of concern, having promised quality, we strive hard to ensure that good quality levels are maintained. Infact, the best way to address this concern is by developing our own content. Well, this is what our content and digital team are currently working on. We wish to upload self designed content, ofcourse, the guidelines of the concerned University would be adhered to but tying ourselves within boundaries would not be the case anymore. We should, we can and we are

capable of achieving this feat, steps have already been initiated and a lot of video content is currently being recorded which shall shortly find its place on the Gold portal.

As committed, we have already began new student enrolment drives but these drives will not be imposed, we will ensure that quality content once viewed by the students induces them to become part of the Gold family. Thus ensuring a total commitment eventually leading to positive promotional talk by the enrolled students with the intent of conveying this message across others of various strata and enlightening them about Gold Academy. In the month of February 2016, we also conducted Gold Mania II which was a giant initiative of Gold Academy in association with Saraf College, Chetna College and CKT

## EDU FACTS

Just one out of nine children finishing school joins a college. India has one of the lowest higher education enrollment ratio of 11 per cent. In the US it is 83 per cent.

On an average most Indian universities revise their curricula only once in five to 10 years but even then they get defeated in both letter and spirit.

India spends only 3.3 percent of its GDP on education, compared to an average 5.8 percent in developed countries

Since 2001, the government's flagship elementary education program, the Sarva Shiksha Abhiyan, has helped to bring some 20 million children into school; most of them are first-generation learners.

**Memorable events in the institution:**

Whenever anyone asks me what were the best moments in my life...the answer always zeroes down to the same place...the best moments in my life were spent in my School. Normally kids hate school, but I just hated holidays...and could not wait to go back to school...Sarvodaya was like my first home...my teachers and my friends were my family!!!

I am so proud that I had such great teachers in my life who have always showed me the correct path. The Great Teachers in my life never told me about my weaknesses. They only showed me my strength and then I was able to realize my weaknesses by myself. My school and specially my teachers made me realize that I had talents like singing, debating and dancing. Motivation for these extra curricular activities helped me grow as a self-confident person. I will always be proud on being a part of Sarvodaya Family!

- **Course Completed:** TYB.com
- **Year of Passing:** March 2009
- **Designation:** CA
- **Organization:** KPMG Audit - M & E sector

**Memorable events in the institution:**

I was a memorable event in my life when I came to know that I have stood first in the college at HSC examination and later was equally happy when I topped at the TYB.com examination from our college. Apart from this, the things which I really appreciate of this college is that our professors are really approachable even after the lectures.

I would like to thank my professors for their expert advice and encouragement throughout my pursuing CA course. This course would have been impossible with their support which has given me continuous support and guidance in clearing all the levels of CA examination.

- **Course Completed:** MMS - Batch 2012-14
- **Year of Passing:** 2014
- **Organization & Designation:** HDFC BANK LTD, Assistant Manager, Wealth Management

**MEMORABLE EVENTS IN THE INSTITUTION:**

I got a great traineeship from DSIMS, the cutting edge MMS program which enhanced my presentation and communication skills. This B-School provides a mix of both Academic Theory and Practical Business Experience. DSIMS taught me to manage my studies and my extra-curricular activities. They actually take the proverb very seriously. All work and no play makes jack a dull boy and vice versa.

My days at DSIMS were memorable and exciting especially of the Finance Conference - FINANCIA '14. The event helped me to gain confidence in myself and emerge as person whom people can recognise even after the end of the Program. Many memories with DSIMS, apart from Financia '14 team, The Placement Committee, The Grievance Committee, Touge - Marketing Conclave and especially my friends in my batch as well my juniors who helped me gain the leadership skills which are a life time memories which I will never forget.

I gained a lot of experience through my traineeship programme and ended up with a great job at the end. Lastly very much obliged to the great support from the very supportive faculty, Staff and but obvious my Family and my Motivation without whom I would not have taken up MMS. I am happy to have chosen DSIMS as a stepping stone to my career.

# Selecting a Career, Selecting a Life

Salma Prabhu

Over the years I have had the opportunity to interact more and more with the parents and students and this has made my belief even stronger that a right career can be really the solution to all the situations in your life. In fact in some cases I have seen personal relationships also getting healed when both the individuals are in the right profession and they derive happiness from their work. Which in turn leads them to create happiness back in their relationships.

It is very essential to have the right career choice and parents play a very important role as today parents are more aware, more resourceful and more enthusiastic. They also have learnt the methods of influencing the mind of their children. They are the ones who need to also ensure that they are not making the following common mistakes.

## **Mistake No 1**

**To think that they know the best for their children.**

It is true that parents know their children better than anyone else. However I come across a lot of parents who refuse to really observe, listen or look into the strength and areas of concern, look into what would make their children happy, go beyond the confirmed norms and understand their children. Therefore it is not always true that you know the best.

Listen to your children, let them talk without having the fear of what my parents will think or without having the pre notion that my parents will not understand anyways.

Listen to your children and observe their likes and dislikes observe them and see and hear what excites them.

Keep your experiences and your knowledge

as a guiding tool and not as a deciding tool for them and take professional help to confirm your observations.

## **Mistake No 2**

**If my child takes Science after 10th he has more scope and more avenues opening for him/her.**

This is a mistake which not only parents make, but getting brainwashed from the parents and their peers even students make. They feel taking Science, means letting people know that I'm very brilliant. Taking Science means, I fall into the intellectual category. Let me clarify once again that I get a number of students every year coming for damage control as they have opted for Science and now are finding it extremely difficult and boring. Finding it difficult does not mean you are not intelligent, it means

you are not interested and therefore you find it boring and your grades drop.

Parents must respect if the child is showing inclination towards Commerce or Arts. Parents must guide and help them get into good colleges. Today the percentage required for opting the field of Arts in good colleges is 92%. Arts does not mean that you are not intelligent, it means you are fond of reading, writing and thinking creatively. Commerce means you are excited about managing and working with numbers.

Once again observe, look, accept and give confidence to your children. Money will come easily if your children are happy. Take professional help. Go for career counselling and confirm the interest pattern of your child. Even if the child scores 95 and is interested in Economics or Political Science, or Psychology or Languages, let them pursue a career in the same. They will shine and be the best here rather than become a mediocre engineer or a doctor.

### **Mistake No 3**

**Music, Dance and other careers which fall under Contemporary Arts can be hobbies and not be careers.**

Every year our country loses many individuals who would have got laurels to the country in sports, dance, arts, music, yoga, because their parents have not allowed them to pursue it seriously right from the time they went to grade X. They left what they were best at and what excited them and what they breathed for

appearing for IIT, and other careers. They settled for a managerial job rather than pursuing their passion. They kept their first love as hobbies and took up something that would give them an average bread and butter and average level of comfort.

Once again, listen to your children, watch them, observe what is their first love, what makes them move instantly, what would put a spring in their feet and let them explore those possibilities with pride, encourage them to take the best training in that field, encourage them to talk about the field to others as well.

Be sure that the selection is apt by taking the aptitude and interest test.

I have spoken about taking the test again and again because at ACE we have done 1, 50,000 profiles and have helped the families and students ensure that their lives are happy. They are happy even after 15 years and will remain so after 30 yrs. These individuals do not consider their work as a task, they enjoy every moment, they not just earn a living, they actually live a life, they not just feed their families, they also contribute to the society, they not just do a job, they make a difference. This is the kind of guidance ACE gives. Those students who take proper counseling for choosing their course of study, complete their studies successfully. When they are placed at work, these individuals do not consider their work as a task, they enjoy every moment, they not just earn a living, they actually live a life, they

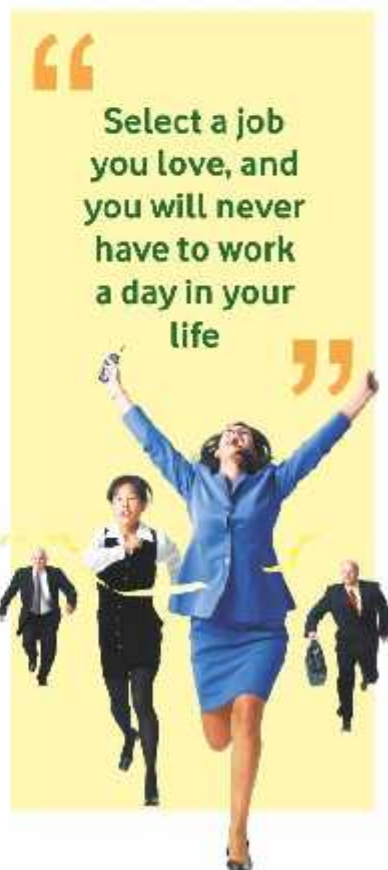

not just feed their families, they also contribute to the society, they not just do a job, they make a difference.

The process includes, 5 Psychometric tests, followed by an individual interaction with the counsellor and the family, followed by giving appropriate solutions if there is a gap between the goal and the abilities. These tests have a validity and reliability and has proper check points to ensure that the right career guidance is given. This process had created win-win for many. Let it also create the same for you. ♦

Rajasthani Sammelan has started RS CA Study Center. In the city like Mumbai there are space constraints in many houses and students often face inconvenience to study in a peaceful atmosphere. This study center proves to be a boon to many students, as they are able to study in a quiet environment. The study center remains open from morning till late evening for the benefit of students.

**Rajasthani Sammelan  
media research centre**  
MEDIA RESEARCH

Rajasthani Sammelan proposes to start Media Research Center in Deviprasad Goenka Management Institute of Media Studies to encourage research in Media Studies. Media is a powerful means of communication for the present generation. Media also includes entertainment industry. The Media Research Center will help further growth in the areas of Mass Communication, Direction, Cinematography, Acting, Editing, Dialogue writing and other areas of media and entertainment.

With the increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, Rajasthani Sammelan's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

This is a social outreach initiative to reach out to empower women in our society. Through this initiative of Rajasthani Sammelan Educational Trust, we will empower women through various programs aimed at improving their self esteem and importance. With this initiative we propose to take a step into the direction of bringing about a revolutionary shift in the mindsets of the people of our country.

Rajasthani Sammelan Educational Trust proposes to start a Community Radio Station which will have a reach of about 10 km radius around the RS Campus. The primary focus of RS Radio is to cover education. Besides, RS Radio will also cover socially relevant issues that pertain to health, community welfare, local governance and programs that empower women.

Rajasthani Sammelan Educational Trust proposes to start a Boy's hostel that will provide accommodation to students interested in pursuing higher education in the educational institutions of RSET or any other Institute. The hostel which will be situated in an exclusive building will have the most modern infrastructure and will include areas for recreation, dining, entertainment and laundry facility.

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

## Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthan Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthan Sammelan stand tall in stature and have helped it grow from time to time. I like you, there have been many others whose contribution to Rajasthan Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kuldipji Seksaria who donated the land on which the current structure of Rajasthan Sammelan stands. This contribution cannot be valued in terms of money and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Rula (Brijmohan Laxminarayan Rula Charity Trust) way back around the year 1953, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthan Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthan Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on [rs@rajasthanisammelan.org.in](mailto:rs@rajasthanisammelan.org.in).

### QUOTES

Let us not be satisfied with just giving money. Money is not enough, money can be got, but they need your hearts to love them. So, spread your love everywhere you go. - **Mother Teresa**

Over a three year period, I gave away half of what I had. To be honest, my hands shook as I signed it away. I knew I was taking myself out of the race to be the richest man in the world. - **Ted Turner**

I get angry when someone calls me only rich.. I am happy with my social personality and my generosity.  
- **Sakip Sabanci**

## What will you decide today

A small monetary contribution from your lifestyle  
can change someone's life for good.
