Ashok M. Saraf
President,
Rajasthani Sammelan Education Trust

Dear Reader,

Excellence is an unending process of constant improvement. We at Rajasthani Sammelan Education Trust have embarked on a continuous journey of achieving excellence in our educational endeavours. We have provided a variety of courses to students right from school education to post graduation in commerce, management and media studies. We have provided a state of art infrastructure as well as all possible technological support to our institutions to create an energizing and empowering environment to motivate all stakeholders engaged in teaching learning activities.

Past few months are dotted with many important activities in our educational campus. Annual Day of our Institutions were celebrated in Pravinchandra D. Shah Sports Academy ground in R.S. Campus. We invited important dignitaries as the Chief Guest and Guest of Honour. On this occasion, we had invited Hon'ble Smt. Vidya Thakur, Minister of State and Hon'ble Shri Subhash Desai, Industry Minister, who very kindly graced the occasion as Chief Guests. Other dignitaries invited as Chief Guest were Dr. Soma Ghosh, Dr. J.B. Agrawal, Shri Sharad Saraf, Shri Sunderchand Thakur, Shri Motilal Oswal, Shri Premraj Bafna and Dr. Manju Nichani. All of them were extremely impressed by our infrastructure as well as programmes presented by our students. All Donor family members also graced the Annual Day celebrations as the Guests of Honour.

During this time, institutions of our Trust have actively participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation on 14th February, 2016. The event was flagged off by Hon'ble Chief Minister of Maharashtra Shri Devendra Fadnis. To cheer up our students, myself as well as many other members of management were present and we also presented a cheque to the Hon'ble Chief Minister's Relief Fund.

It is a matter of great pride that Kudilal Govindram Seksaria English School was awarded with the 'Excellence Award' along with the top 20 State Board Schools in Maharashtra by Brainfeed Magazine at their 3rd National Conference at Delhi. Our Kudilal Govindram Seksaria Sarvodaya School has also received the Ideal School Award from Sanskruti Samvardhan Organization. Malnadevi Bajaj International School welcomed students and teachers from Germany who were part of Student Exchange Programme with Jamnabai Narsee School and visited MBIS for a day. The school also organized a grand Art Fest with a vibrant and colourful presentation of various art works based on eight different themes. Ramniwas Bajaj

English High School affiliated to ICSE Board also organized a Grand Science and Education Fair in collaboration with the Parent Teacher Association (PTA).

In the area of higher education Durgadevi Saraf Institute of Management Studies has been ranked among top 10 B-Schools in Mumbai as per The Times B-School Survey dated 29th February, 2016. The Institute is also ISO certified and has recently renewed its Annual ISO Certification by completing required formalities. DSIMS also organized an International Immersion by taking a group of students to Germany and Switzerland. Many prestigious seminars and conferences were also held in the Management Institute in the past few months. We have also formed an Advisory Board for RSET Higher Education consisting eminent academicians and corporates in the board to advice us in the area of higher education.

Our Deviprasad Goenka Management College of Media Studies hosted a dazzling three days Intercollegiate Media Fest - 'Mumbai Media Champs' that turned out to be an excellent branding tool for the college. During this time, at a glittering award ceremony, we also felicitated our proud recipients of IRB & BKT Scholarship award. It is a matter of great pride that our newly found Kunjibihari S. Goyal Online Academy (GOLD Academy) has made significant progress in the past few months. GOLD Academy has signed MOU with Institute for Distance and Open Learning (IDOL), Mumbai University to provide Online lectures to the students enrolled for B.Com course. At present, GOLD Academy has successfully enrolled almost 19,000 students and expects to enroll many more in the near future.

We have submitted our application for proposed Self-Financed University of RSET and are awaiting the permission from the Government of Maharashtra. During these months, many philanthropic donors came forward to strengthen us in our educational endeavour by giving us handsome donations. I extend my special thanks to them for their magnanimity and concern for education.

Our Pravinchandra D. Shah Sports Academy ground is regularly utilized by our in-house students and expert coaches are appointed to train them on various games and sports. We are continuously moving towards our mission of providing education to the modern generation to turn them as rich human resources for the country. We solicit co-operation and support of all Donors, Trustees, members of Managing Committee and well-wishers to join us and strengthen our hands to attain our objectives in our educational endeavours.

Shri Kailash Kejriwal
Hon. Secretary's Message,
Rajasthani Sammelan Education Trust

Dear Reader,

Education is the ability to meet life situations. With diligence combined with knowledge and intellect, students can achieve the best in life. Therefore, we at Rajasthani Sammelan Education Trust aim to deliver quality education to the students studying in all our institutions. We also provide facilities for all round development of the personality of students by giving them the opportunity to participate in extra-curricular activities so that they can emerge as confident, smart and intelligent individuals ready to be global leaders.

With best infrastructure, techno-savvy ambience, latest gadgets, ever increasing new job oriented courses, career counseling and highly enthused qualified teachers - we earnestly help our students in realizing their dreams and make them better human beings. Catering to more than 15000 students in our different institutions, our schools, colleges, management institute and media college are considered among the best and the most sought after institutions in the western suburbs of Mumbai.

Progress of educational institutions depend mainly on performance of the students in academics, sports and cultural activities along with high values and ethics. I am proud to say that students of all our institutions are faring excellently in every field. In our institutions of higher education, we have placement cells and every year our students are placed in many reputed companies.

It has been our endeavour not only to provide facilities to students studying in our institutions but also to students in general. With this aim, we started RS CA Study centre in our campus for the students pursuing the course of Chartered Accountancy. We also joined hands with the Institute of Chartered Accountants of India, Western Region to establish an Extension Counter of ICAI in RS CA Study centre for the benefit of the students enrolled with it for submission of various documents, obtaining study material and study in a peaceful atmosphere. RS CA Study centre and ICAI Extension Counter was inaugurated on 8th July, 2015 by CA Manoj Fadnis, President ICAI and in the presence of CA Sunil Patodia, Chairman, WIRC. It is indeed a matter of pride for us that at present 535 students are enrolled with the Study Centre which has reading room facility and is fully utilized by students pursuing CA course.

Online Education or e-Learning as it is popularly known today is a

boon to acquire knowledge. Many great universities and educational institutions are working together to give e-learning its due importance. We at Rajasthani Sammelan Education Trust have also embarked on Online Education under the name of Kunjibhai S. Goyal Online Academy (GOLD Academy). This has given us to extend our educational facilities beyond the boundaries of our campus. Recently, GOLD Academy has successfully signed a MOU with the Institute of Distance and Open Learning, University of Mumbai to provide Online Learning content to students pursuing B.Com through distance learning. At present, GOLD Academy has enrolled 19,000 students in its portal and we expect that in future there will be considerable increase in the further enrolment of the students.

In the past few months, we have taken further steps in our journey of educational endeavours. We have submitted our application of proposed Self-Financed University to the State Government. We have also formed an Advisory Board for RSET Higher Education consisting of eminent educationist and highly placed professionals from the corporate world.

Our Durgadevi Saraf Institute of Management Studies organized many seminars and conference. Special mention can be made of the International Research Conference under the aegis of Remsons Centre for Management Research which was graced by the presence of highly acclaimed academicians and institution builders. The students of DSIMS were taken to rural areas for a tour of Anand district (Gujarat) under Rural Immersion Project to under the rural economy. A group of students were also taken Germany and Switzerland under International Immersion Project.

Along with regular teaching learning, celebration of Annual Sports Day as well as Annual Day, institutions of our Trust have actively participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation on 14th February, 2016. The event was flagged off by Hon'ble Chief Minister of Maharashtra Shri Devendra Fadnis. On this occasion, a cheque was also presented to the Hon'ble Chief Minister's Relief Fund on behalf of our Trust.

It is our long and continuous journey to attain excellence in educational endeavours that starts from school education and covers post graduate, media as well as management studies. I appreciate the efforts of the Editorial team who have done an excellent job in compiling activities of all the institutions for the past three months in a systematic manner.

Dear Readers,

The RSET Institutions opened after a short break of Christmas vacations in January 2016. The months of January February and March for RSET and its Institutions were filled with hectic schedule of fun, frolic, sports and academics. It is a peculiar quarter where the schools and colleges have their Sports Day's, Annual Day's, and preparations for the final exams all in one go. Hence, students' hard work was clearly visible, their talent was nourished by the capable mentors (Academic Staff) and parents are satisfied with the performance of their wards. The Annual Day's Celebrations were a grand success (details can be read in respective Institutional Head's report). The success was primarily due to the zeal, enthusiasm and talent of the students and their staff and also due to the fact that these events were conducted centrally at one place on our own PDSA ground. It was the desire of our President Shri Ashok Ji Saraf that the Annual Days' of all the Institutions be held on PDSA ground. With the efforts of one and all as a T.E.A.M (Together-Every-One-Achieves-More) the directive of the President was successfully implemented. The variety of the entertainment and cultural shows put in by all Institutions for almost 11 days at a stretch from 18 January to 28 January 2016 were witnessed by a large number of parents who thoroughly enjoyed the evenings. The VIPs and VVIPs from all walks of life, like top Ministers from State Government of Maharashtra, Leaders from the Industries, eminent personalities from the Media, top professionals from the field of Medicine and renowned Academicians have graced these functions as the Chief Guests. All the RSET trustees had also witnessed these events. Any good academic institute will always look after its bright students by suitably rewarding them during an appropriate occasion. Hence in midst of conduct of the Annual days, the RSET has organized an event where BKT and IRFB sponsored scholarships were distributed to high achievers and talented students. The dignitaries from these two reputed firms were present along with our President, Secretary and other trustees for this prestigious function.

During the quarter, as planned earlier, we are able to convert all the policies and procedures of various activities like Admissions, IT, HR, Accounts, PDSA, RSCA Center, Hostel, House Keeping, Security, Purchase, Etc., in well defined Manuals. These Manuals will help all the concerned personnel to carry out their functions smoothly.

One of the major activities held on 14 January 2016 was the 'Grand North Mumbai Marathon' by an NGO called Yuva Bharat Foundation. RSET was an Event Partner and whole heartedly contributed to the

successful conduct of this event. The highlight of the event was that 15000 participants took part in this marathon. The RSET was actively involved and ensured that approximately 15000 certificates were distributed in our Campus to all the participants who finished the Marathon. Further all these participants were looked after by ensuring that they were provided with water and healthy cold drinks. Our Staff from RSET and volunteers from the DSIMS and DGMC have ensured that the entire activity was conducted with precision and without any untoward incident. This was possible due to the preplanning, rehearsals, regular briefings and having an eye for the details and well laid down written instructions to all the concerned. The Organizers of this event were supported by the student volunteers from the DSJC and Saraf College by forming a large human chain from the gate of RSET till the start point of Marathon. A considerable number of staff from various institutes and a large number of students of various age groups from MBIS, RBHS, KGSS and KGES took part in this Marathon as participants in different races ranging from 2 KMs to 10 KMs. Our students have also taken part in the event by performing the street play, display of band, Lezim dance and the display of placards at the prominent places on the route of the marathon races.

A very wide publicity was given to this event through the print and digital media. The event was covered by all the newspapers from different languages, was shown on few TV channels and also seen on face book, twitter and other social media. Big hoardings were displayed in and around Mumbai for this show.

On this occasion, our President Shri Ashok Saraf and our Secretary Shri Kailash Kejriwal have presented a cheque of Rs One Lakh to Honorable Chief Minister of Maharashtra Shri Devendra Fadnis, for Chief Minister's Relief Fund. The CM was the Chief Guest for this function and flagged off the Marathon Race from the Dias near the RSET Campus.

In our country, no season goes without celebrations of various festivals. We at RSET are no exceptions to this and hence the Republic Day, Makar Sankranti, Basant Panchami and Holi celebrations were held in various Institutions during this quarter with full pomp and show.

Thus the life at RSET for the staff and students justifies the famous quote

"Education is not preparation for life; education is life itself".

Editor,
Rajasthan Sammelan Education Trust

April is the busiest month for educational institutions. After the conduction of examinations it is now time to declare results and also start preparations for the next academic year. Students are also free to enjoy long awaited summer holidays. However, from this academic year, schools had to conduct an additional baseline examination twice in a year to check whether the concepts of students taught in the previous year are clear. The first baseline test was conducted in the month of September for students of second to eighth standard classes. The second test was conducted for first to eighth standard students in the month of April. Hence after their Annual examinations, students had to appear for baseline tests in Mathematics and first language. The idea to hold such competency tests in schools was conceived by Hon'ble Education Minister of State Shri Vinod Tawde and take steps to improve the standard of students through training and remedial programmes.

Close to the heels of baseline tests comes the question of reducing the weight of school bags. To match up with digital generation children, many schools are beginning to think out of the box beyond text books and black boards. In some schools, tablets will replace text books and the integrated curriculum will be pre-loaded on tablets. Some schools are trying to strike a balance between technology and traditional methods. They are using digital means like smart boards to teach school children. Whatever methods the school may choose we sincerely feel that the weight of the school bag must reduce as it leads to back pain, mental stress, headache and spinal pain of children which can lead to adverse effect on a child's growth.

There are many students who do not have the luxury of enjoying summer vacation in April and May. Students of Science stream who have appeared for HSC examination and are aspiring for admission in Engineering and Medical courses are busy preparing for their entrance examination for their respective professional courses. However, just a month before separate entrance test to be held for government and private medical colleges, the Supreme Court has revived the Common Entrance Exam - National Eligibility Entrance Test (NEET) leading to utter confusion. Stake holders from Medical Council of India (MCI) and the State Governments feel

that it will not be possible to hold the test this year and they will appeal for it if needed as students have already prepared on the basis of their board's syllabi.

It is the dream of every parent to make their son or daughter professionally qualified. However, sometimes students select a professional course due to family or peer pressure that he or she is unable to cope up later on. Parents often feel that if their son or daughter opts for science stream, people will feel that the child is very brilliant. But later they find science very difficult and boring. Hence before choosing science, arts or commerce and a professional course, students must obtain counseling services that also includes aptitude test. Fortunately at RS Education Campus, we have Ramdhar Maheshwari Career Counseling Centre which is providing counseling to students for choosing the proper stream of studies.

Coming to RS Education Campus, past three months had been full of exciting events. Dazzling celebrations of Annual Day by all institutions was followed by Mumbai Media Champs a grand Cultural Fest by Deviprasad Goenka Management College of Media Studies. Our students also participated in large number in Grand North Mumbai Marathon organized by Yuva Bharat Foundation. Our Pravinchandra D. Shah Sports Academy has put before the students a plethora of opportunities to get training in various sports by expert coaches appointed for the same.

On the academic side, Durgadevi Saraf Institute of Management Studies as well as Ghanshyamdas Saraf College organized national level seminars and conferences participated by eminent personalities. Students of Durgadevi Saraf Institute of Management Studies were taken for a tour to Germany and Switzerland as a part of their international curriculum. Many meritorious students of our institutions, were proud recipients of IRB and BKT Scholarships that were awarded to them at a glittering function.

We are sure that under the guidance of our visionary President and his team of Management members, our institutions will definitely grow further to greater heights.

Dear Reader,

In the past few months, many interesting events have taken place in the educational campus of Rajasthani Sammelan Education Trust. The month of January saw Annual Day celebrations of all institutions in Pravinchandra D. Shah Sports Academy ground. I am very happy to know that Durgadevi Saraf Institute of Management Studies has organized many seminars and conferences graced by eminent personalities. The institute also successfully conducted Rural Immersion in areas of Anand District of Gujarat & International Immersion to Germany and Switzerland along with the students.

It is heartening to note that Ghanshyamdas Saraf College organized UGC sponsored National Conference which was attended by many faculty members all over the country. Students of the college excelled in National Kung Fu Championship by bagging Gold, Silver and Bronze medals and also won the Best Fighter Title. The college has also started Rotaract Club to encourage students to participate in various social activities.

I am very happy to know that students of our schools and colleges actively participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation. The students were also encouraged by the presence of the President and the Management members at the Marathon. The President and the Secretary of the Trust also presented a cheque of Rs.1 Lac to the Hon'ble Chief Minister Shri Devendra Fadnavis for Chief Minister's Relief Fund. I take this opportunity to compliment the Management, the Principals, Staff and Students of all the institutions for their all round participation.

Dear Reader,

It gives me great pleasure to note that in the past few months all the institutions of Rajasthani Sammelan Education Trust have excellently combined academic activities with extra-curricular activities to make the lives of students interesting in the campus.

For the first time, all the institutions have successfully celebrated their Annual Day in Pravinchandra D. Shah Sports Academy ground of the campus with great fanfare. Students of Kudilal Govindram Seksaria Sarvodaya School and Kudilal Govindram Seksaria English School enthusiastically participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation which was flagged off by Hon'ble Chief Minister of Maharashtra Shri Devendraji Fadnavis.

Both KGSS and KGES also organized Annual Sports Meet with great zeal and enthusiasm. It is creditable that this year KGES took the lead role to organize Republic Day celebrations in R.S. Campus in which all the schools of the Trust participated.

It is a matter of great pride that KGES was awarded with the Excellence Award along with the Top 20 State Board Schools in Maharashtra by Brainfeed Magazine at their 3rd National Conference at Delhi in School Leadership held recently. KGSS also received the Ideal School Award from Sanskruti Samvardhan Organization.

I take this opportunity to congratulate everyone associated with Rajasthani Sammelan Education Trust for excellent progress and growth.

Dear Reader,

The educational campus of Rajasthani Sammelan Education Trust provides an environment conducive to teaching-learning, adequately supported by various facilities to all institutions. The academic year is coming to an end and I am pleased to know that Ramdhari Maheshwari Career Counseling Centre has conducted various counselling activities successfully. The school counsellors have worked with students to help them to manage stress and anxiety during Board and final term examinations and also build confidence in them.

I am happy to know that the Counseling Centre is carrying out career counselling assessment and guidance as well as treating learning difficulties of slow learners through remediation and play therapy. Coaching sessions for SAT, GRE and IELTS have also been conducted in the past few months. Many students registered for Study Abroad Counseling have received offer letters from their dream universities. Students of pre-primary and lower primary of drama and speech class showcased their learning capabilities through a fun filled performance of a drama which was appreciated by one & all.

I am indeed happy to learn that Ladhidevi Ramdhari Maheshwari Night College of Commerce has conducted an intercollegiate festival, celebrated its Annual Day with great pomp and show followed by celebration of Annual Sports Day. I am happy to know that institutions of our Trust have actively participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation. The President and the Secretary of the Trust also presented a cheque of Rs.1 Lac to the Hon'ble Chief Minister Shri Devendra Fadnis for Chief Minister's Relief Fund who was present on the occasion to flag off the Marathon.

I have great pleasure to note that Ramdhari Maheshwari Career Counseling Centre is carrying out various counselling activities in an efficient manner for the school children. Students who have registered for Study Abroad Counseling and Coaching are also being guided properly.

Ladhidevi Ramdhari Maheshwari Night College of Commerce has also conducted a two days intercollegiate festival followed by Annual Day and Annual Sports Day celebrations. Some of the students of the college were also awarded IRB and BKT Scholarships by the Trust. I convey my best wishes to one and all associated with Rajasthani Sammelan and compliment the Editorial team for bringing out this informative bulletin.

Dear Reader,

Education is a vital tool for the human resources development and empowerment of citizens of a country. Education plays a major role in imparting knowledge, values and developing skills in youth who are going to play major role in social economic and political life of our country. However due to financial constraints many students are unable to fulfill their dreams of pursuing education.

With the mission of providing freeship to such needy students desirous of pursuing education, our family has associated with Rajasthani Sammelan Education Trust by establishing Janakidevi Bilasrai Bubna Endowment Freeship Fund. I am sure that freeships provided to needy students of all the institutions of the Trust will definitely provide impetus to them to complete their education & become well qualified & opt for a career of their choice.

Rapid changes are taking place in education system today. Classroom teaching is duly supported by digital learning tools. To accelerate learning skills of the students, Rajasthani Sammelan Education Trust has taken a progressive step by providing state of the art, airconditioned Savitridevi Bilasrai Bubna Computer Lab to the students of Kudilal Govindram Seksaria Sarvodaya School & Omprakash Bilasrai Bubna Computer Centre to the students of Ramnivas Bajaj English High School. I am sure that this will give ample opportunity to the students of both the schools to learn & work on computers.

I wish a bright future to all the institutions of Rajasthani Sammelan.

**Kunjibihari S. Goyal
Online Academy**

Dear Reader,

This quarter of the academic year brings with it many noteworthy events taking place in Kunjibihari S. Goyal Online Academy (GOLD Academy). It is a matter of great pride that Gold Academy has signed MOU with the Institute of Distance and Open Learning (IDOL), University of Mumbai, to prepare learning content for the students of B.Com enrolled with IDOL. GOLD Academy will cover all the subjects of FY, SY and TYB.Com syllabus of Mumbai University. At present almost 19,000 students have been enrolled with GOLD Academy and another 6,000 will be enrolled soon.

I take this opportunity to congratulate Shri Ashok Saraf, President, Rajasthan Sammelan Education Trust and his team for their vision of reaching out to students beyond the boundaries of R.S. Campus and providing them Online lectures delivered by eminent academic experts. I also congratulate the team managing the learning content and uploading the final product online to be made available to the students.

It is a matter of great pleasure to know that the Trust has submitted proposal to the State Government for opening a Self-Financed University and is awaiting for the permission. In the past few months, many extra-curricular activities have been organized by all the institutions and some of the institutions have been awarded with Excellence Award by various organizations.

I compliment the President and his team for their tremendous success in the journey of educational endeavours.

Amratlal Premchand
Shah Library**

Dear Reader,

It is indeed a matter of great pleasure to learn that Pravinchandra D. Shah Sports Academy is regularly providing training to students in various games and sports. In the past few months, the ground had been occupied throughout the day by students of schools and colleges of the Trust for playing various games. All the institutions have been allotted slots for smooth conduction of their sports activities. In the evening, coaching is provided to students by expert coaches in skating, basket ball, cricket and football. Many reputed clubs and sports associations are also given opportunity to conduct their matches on the ground in the evening as well as on Saturdays and Sundays.

I am happy to know that this year Annual Day of all the institutions were celebrated in Pravinchandra D. Shah Sports Academy ground with great fanfare. The ground was decorated in such a way that it looked like an open air auditorium. Eminent personalities graced the Annual Day celebrations as the Chief Guests and Guests of Honour who were impressed by the infrastructure and also the programmes organized by respective institutions.

It is heartening to know that Amratlal Premchand Shah Library of Malnadevi Bajaj International School has been running successfully. The library has provided resource books for a novel project of 'Reading Suitcase activity' for the children of Early Years to develop reading habit of children and in which parents get an opportunity to spend some quality time with children while reading the story book at home and doing the follow up activity. I take this opportunity to wish further excellence to all the members of the Trust in their educational endeavours.

Dear Reader,

Scholarships provide academic growth of students and give them an opportunity and encouragement to work hard and realize their career aspirations on completion of studies in desired branches. It is to empower such brilliant and deserving students with education that our organization have been associated with Rajasthan Sammelan Education Trust through BKT Endowment Freeship Fund.

I am very happy to note that recently BKT Scholarship Award function was held on 25th January, 2016 at R.S. Campus. Shri Vipul Shah, Director and Company Secretary, BKT Industries Limited represented our organization at the scholarship award function as the Guest of Honour. Twenty Eight students were awarded BKT Scholarship this year from different institutions of Rajasthan Sammelan Education Trust. I take this opportunity to congratulate all the recipients of scholarship and wish them further excellence in their studies.

Rajasthan Sammelan Education Trust is continuously moving towards extending educational facilities to all sections of the society and also beyond the boundaries of its campus. Through the newly launched Kunjibihari S. Goyal Online Academy (GOLD Academy), the educational facilities are now enjoyed by large number of students who have registered themselves in its portal. The Trust is also in the process of establishing a Self-Financed University for which a project report has already been submitted to the State Government. I convey my best wishes to the President and to all associated with the Trust for further success and excellence in the field of education.

Dear Reader,

It is a great pleasure to note that Durgadevi Saraf Institute of Management Studies under the aegis of Remsons Centre for Management Research organized an International Research Conference on the theme 'Emerging Management Practices' on 6th February, 2016 in R.S. Campus. The Conference was graced with the presence of highly acclaimed academicians and institution builders. The conference was inaugurated by the Chief Guest Dr. G. Vishwanathan – Founder & Chancellor of VIT University, Vellore and Dr. N. Jayasankaran, Director General of the Bharathidasan Institute of Management - BIM, Trichy and the former Vice-Chancellor of Kanchi University, graced the occasion as Guest of Honour.

I am happy to know that Shri Ashok M. Saraf, President, RSET was also present and welcomed the gathering. The valedictory address was delivered by Prof. Y. K. Bhushan – Sr. Advisor, Campus Head of IBS Business School & Chancellor ICFAI University, Nagaland. The three best research papers were selected by the panel of judges and the researchers were given cash awards.

Under Remsons Centre of Management Research, some of the faculty members attended National and International conferences. Articles of some faculty members have been published in reputed journals. I take this opportunity to congratulate the Director, the Dean and the faculty members for their efforts in the area of Management Research.

I compliment the President and all Management members for their encouragement to the institutions of Rajasthani Sammelan Education Trust for their success and excellence.

of Management Studies

Dear Reader,

The academic year is coming to an end and I have immense pleasure to note that Shri Murlidhar Karwa Knowledge Resource Centre (KRC) is a user-focused, innovative, and excellence driven library. Its main aim is to contribute to the Institute's mission to achieve professionalism by supporting teaching, learning and research activities. The Knowledge Resource Centre presently has a collection of 6250 books and subscribes to around 44 journals in different disciplines of management subjects.

It is heartening to know that Shri Murlidhar Karwa Knowledge Resource Centre also subscribes to good number of databases. EBSCO and J-Gate databases cover more than 10,000 research papers and articles, while ACE Equity and ACE Mutual Fund databases provide company and industry information. The Knowledge Resource Centre has conducted training sessions on ACE Equity and ACE Mutual Fund for students of the Institute. Harvard Case studies provide the real life perspectives for decision making. These resources are very much helpful in giving information to the faculty members and students.

In the past few months, many noteworthy activities have taken place in R.S. Campus. All the institutions have successfully conducted many extra-curricular activities along with regular completion of teaching and conduction of examinations.

I compliment the President and his team for their constant support and encouragement to the institutions for their excellent growth and development. I wish a great future to all the institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

It gives me great pleasure to know that for the past few months Nathmal Garodia Seminar Hall in Durgadevi Saraf Institute of Management Studies has proved to be very useful for organizing guest lecture of eminent personalities from corporate sector. Lectures on Corporate Social Responsibility, Marketing Operations and HR, Financial Planning and Wealth Management, Brands & Beyond were held during these months. A lecture of Dr. Ambli Parameswaran, Advisor, FCB Ulka was also organized in the month of March under the initiative 'Meet the Celebrity'. I am sure that interaction with such eminent personalities of corporate world will surely be helpful to the Management students when they will start working in the corporate sector on completion of their studies.

I am happy to know that students of DSIMS were taken for a tour of rural areas of Anand District (Gujarat) under Rural Immersion Programme to understand about rural economy and industries in rural areas. The PGDM students of DSIMS were taken for International Immersion to Germany and Switzerland. Many faculty members attended International and National seminars and Conferences, presented papers and their papers have been published in reputed journals.

It is heartening to note that all the institutions of Rajasthani Sammelan Education Trust have actively organized many extra-curricular activities. Students have participated in many interschool / intercollegiate competitions and have bagged prizes. They have also participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation.

International School

Dear Reader,

Past few months were full of activities in R.S. Campus. All the Institutions celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground in a grand manner. Our Institutions of higher education organized many seminars and conferences that were graced by eminent academicians. Deviprasad Goenka Management College of Media Studies conducted a three days dazzling intercollegiate media fest – "Mumbai Media Champs" (MMC). The PGDM students of Durgadevi Saraf Institute of Management Studies went for International Immersion to Germany and Switzerland and also a rural immersion of a group of students in rural areas of Anand district (Gujarat). During this time, Mainadevi Bajaj International School celebrated an Art Fest with a vibrant and colourful presentation of various artworks based on novel themes.

It is heartening to know that Rashi Peripherals Play Area on the 7th floor of Mainadevi Bajaj International School continues to be of great utility to the students. The Early Years students use this Play Area for playing on the different play apparatus especially designed for their age. Marshall Art classes as well as Art of Living sessions, are also conducted in the Play Area along with physical education classes for Junior sections in Rashi Peripherals Play Area. A Sports Coaching Programme 'Enjoy a Ball' is conducted in the Play Area for children after the school.

I compliment the Management as well as all Heads of Institutions for organizing various innovative programmes. I also compliment the Editorial Team for bringing out the informative quarterly bulletin Abacus in an interesting manner.

Dear Reader,

Past few months witnessed many important activities in R.S. Campus. All the institutions have conducted many colourful cultural activities along with their regular completion of syllabus followed by the examination. All the institutions have celebrated their Annual Day at glittering functions in Pravinchandra D. Shah Sports Academy ground. I convey my compliments to the Heads of Institutions, Staff and students of all the institutions for the success, name and fame achieved.

I am pleased to note that Shri Beniprasad Luharuka Computer Lab in Durgadevi Institute of Management Studies is regularly utilized by the students of the institution between 8.00 a.m. to 9.00 p.m. every day. Due to the availability of high speed internet connectivity students can access information from across the world.

It is heartening to know that the computer laboratory is also utilized by other institutions. Students of Ghanshyamdas Saraf College availed the facility of Shri Beniprasad Luharuka Computer Lab for filling Online examination form. In the same way, HSC IT Online examination of Durgadevi Saraf Junior College was held in the month of February. Besides its use by institutions of RSET, APTECH and TCS Online examinations as well as MBA Online test by DTE were also conducted in the past few months.

I congratulate Shri Ashok M. Saraf, President, RSET, Trustees and Managing Committee members for their vision and hard work. I wish them further success in their mission of 'Education for All'.

Dear Reader,

Rajasthan Sammelan Education Trust is a unique seat of learning having educational facilities from Playgroup to Post Graduation in Commerce, Management Studies as well as Media Studies. The Trust has also provided a Women's Hostel in the campus for students coming from other cities to stay and pursue higher and professional education. Through this issue of Abacus, I convey my compliments to the Management for their vision and proper planning of providing so many educational opportunities to the students in the campus.

I have great pleasure to note that in the month of January all the institutions conducted Annual Day celebrations in Pravinchandra D. Shah Sports Academy ground of R.S. Campus in a grand manner. At the same time, many prestigious academic activities such as seminars and conferences were organized by institutions of higher education. The students of Durgadevi Saraf Institute of Management Studies were also taken for rural immersion (Anand in Gujarat) and an international immersion to Germany and Switzerland.

It is indeed gratifying to note that Deviprasad Goenka Management College of Media Studies organized a three day intercollegiate media fest - 'Mumbai Media Champs' which was graced by eminent media personalities and participated by many students of different colleges from all over Mumbai. It was a power packed extravaganza followed by a glittering award ceremony to felicitate students for excelling in film projects that were part of their academic curriculum. The infrastructure of the college is praiseworthy and is suitable for creative thinking as required for media students. I wish a bright future to all the institutions of Rajasthan Sammelan Education Trust.

Dear Reader,

RS CA Study Centre and ICAI Extension Counter was inaugurated in July, 2015 and within a few months this Centre has received great demand from the students pursuing Chartered Accountancy. The enrollment in RS CA Study Centre has increased to 575 students. The Study Centre is open from 8 a.m. to 9 p.m. for the benefit of the CA students so that they can devote time to study peacefully for longer hours. RS CA Study Centre & ICAI Extension Counter has proved to be a boon to the CA students as they need not travel to Western Regional Office and instead they can obtain study material and complete necessary formalities from this centre only.

In the past few months, all the institutions of Rajasthan Sammelan Education Trust have excelled in extra-curricular activities along with regular teaching and learning. I am happy to know that Kudilal Govindram Seksaria English School was awarded with the Excellence Award along with the Top 20 State Board Schools in Maharashtra by Brainfeed Magazine at their 3rd National Conference at Delhi on School Leadership held recently. Kudilal Govindram Seksaria Sarvodaya School also received the Ideal School Award from Sanskriti Samvardhan Organization.

Way back in 1959, my father late Shri Vishwanathji Podar started Sarvodaya Balika Vidyalaya School (now known as Kudilal Govindram Seksaria Sarvodaya School) with two students. Dear Reader,

Vijay Pal Singh Health Centre in the name of my respected father was inaugurated on 25th January, 2014 by my mother Smt. Vimlesh Kumari Singh. Ever since the Health Centre is running efficiently with a well equipped clinic with doctors and nurses for health check-up of students and provide them First Aid in emergency. Ayaksha, the agency working on behalf the Trust is giving full support to take care of the physical well being of the school children through regular health check-up. During Annual Sports Day celebrations, a nurse has been deputed at the venue to provide medical support as and when needed.

I am also pleased to know that during Annual Day celebrations by all the institutions of Rajasthan Sammelan Education Trust in the campus, the Health Centre was open from 7.00 a.m. to 9.00 p.m. In today's busy life schedule and especially in dual career families often parents fail to take care of routine health check up of their children. Therefore Vijay Pal Singh Health Centre has proved to be a boon for the school children of the Trust.

It is heartening to know that Rajasthan Sammelan Education Trust has started Kunjibihari S. Goyal Online Academy (GOLD Academy) which has signed MOU with Institute for Distance and Open Learning, University of Mumbai, to provide online lectures for B.Com syllabus. Recently, the GOLD Academy has enrolled 19,000 students to receive online education.

Dear Reader!

I am very happy to note that Ramnarayan Saraf Educational Outlet named after my father late Shri Ramnarayanji Saraf is providing all stationery items and text books to all the institutions and students within the campus of Rajasthani Sammelan Education Trust. With exams approaching, many students regularly visited the Educational Outlet not only for stationery items but also for xeroxing, scanning, printing required for preparing their projects. The Educational Outlet has also been helping the students by providing them xerox copy of notes of their required subjects.

My father late Shri Ramnarayanji Saraf worked very hard to provide best teaching learning facilities to all the institutions of Rajasthani Sammelan Education Trust. He was also instrumental in starting many new institutions under the aegis of Rajasthani Sammelan. Hence, our family feels extremely satisfied to see that the Trust is delivering education from pre-school to Post Graduation, Management as well as Media Studies to more than 15,000 students who come daily in R.S. Campus to receive education.

It is heartening to know that all the institutions of the Trust celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground in R.S. Campus. Down Memory Lane

Smt. Indira Panwar
reminisces her journey **at**

Kudlilal Govindram Seksaria
sarvodaya school
UNPURI, UNVINDY, UNTRAZI

Smt. Indira Panwar is the Vice-Principal of Kudlilal Govindram Seksaria Sarvodaya School who is working in the school for the past 33 years. A Post Graduate in English & B.Ed from M.D. University, Rohtak, Haryana, Smt. Indira Panwar joined the school as an English Teacher in June, 1983. She hails from a family of educationist, her father being an English teacher and she naturally inherited from her father a strong desire to work hard and excel as an English teacher. Since then, she never looked back and has been involved in teaching with full devotion along with administrative work as required for the post of Vice-Principal.

Initially, she was given lower classes to teach English but considering her abilities, she was allotted to teach higher classes by the then Head Mistress of the school Smt. Shakuntala Mehra. Sarvodaya Balika Vidyalaya (now KGSS) being a Hindi medium school, it was a challenge to teach English to the students but Smt. Indira Panwar was quick in realizing the challenge and taught the subject with devotion contributing to the better results in the coming years. She always took extra classes for students to teach English. The students responded well and excelled in the subject of English.

Along with teaching, Smt. Indira Panwar played an active role in day to day administration of the school that included preparation of yearly time-table, supervision of teachers' lessons, maintaining discipline in the school, handling day to day problems of students and parents, holding examinations regularly as per S.S.C. Board guidelines and many such duties assigned to her from time to time.

Smt. Indira Panwar was promoted to the post of Vice-Principal in 2011 and since then her administrative duties have also increased considerably which she is delivering with full dedication. She has always been helpful in guiding the teachers in preparing the students for sports activities and other cultural programmes as well as Annual Day celebration of the school. She has also been managing various interschool activities in which the students participate actively. One of the major activities managed and guided by her is the Science Exhibition of 'P' Ward which is organized by the Education Department every year and the students of the school are awarded prizes every year.

Having a pleasant personality, she is loved & respected by her colleagues & students. We acknowledge her contributions towards the development of the school and convey our best wishes for the years to come. ♦

SMT. INDIRA PANWAR
VICE-PRINCIPAL, KGSS

Presenting a floral bouquet to
Shri. Shrikantj Dalmia during the Annual Sports Meet 2015

Indira Panwar in a chat with Dr. Sunanda Kar, Editor, Abacus

• **When did you join Kudilal Govindram Seksaria Sarvodaya School and what were your experiences in earlier years?**

It is indeed my humble effort to narrate my journey as a Teacher first and followed by as Vice-Principal in Kudilal Govindram Seksaria Sarvodaya School. I was appointed as an English Teacher in the year 1983 when Smt. Shakuntala Mehra was the Headmistress of the school. She had a simple but impressive personality and had a sharp ability to recognize the talent of a teacher. Therefore within two years, I was given the duty of teaching higher classes. At that time our school functioned in the old building of Sarvodaya Balika Vidyalaya (now known as KGSS) having two floors.

Our school being a Hindi medium school, English has always been a tough subject for the students. More so, most of the students came from lower economic back ground. Therefore, extra coaching was always given to the students to improve their English and to motivate them to get good marks at the final board examination. The students of the school were extremely sincere in studies as well as in extra-curricular activities and the school became famous for its academic excellence as well as in extra-curricular activities. In those days, many families preferred sending their daughters in girls' school only. Moreover, students were taught to be proud of their Indian culture and tradition as well as national language, therefore the number of students was constantly increasing day by day.

The school celebrated its Silver Jubilee in the year 1985 at a grand function with His Excellency the Governor of Maharashtra Shri Kona Prabhakar Rao as the Chief Guest. The Management has always been alert in all these years to provide appropriate infrastructure and latest facilities for teaching learning activities to the students of the school.

• **In what way did you contribute to the growth, development and excellence of the school as well as the students?**

Generally, people tend to forget old days easily but I really cherish the pleasant memories of yesteryears till date. I was fortunate to work under eight Headmistresses in my educational journey as a teacher in the school. I had the pleasure of working under Smt. Shakuntala Mehra (1980-92), Smt. Pratibha Jesty (1992-93), Smt. Urvasi Rohatgi (1993-2000), Smt. Krishna Chawla (2000-2002), Smt. Usha Pandit (2002-2003), Smt. Shashi Prabha Shukla (2003-2007) and presently under Smt. Latha Venkat as Headmistress of

Secondary section.

All the Principals, always gave me good guidance and support to work for the well being of the students. However, Management always gave us strong support as and when we required. In my humble way, I contributed in the growth and development of the students by guiding and encouraging them to excel in studies by working hard and also participate in large numbers in Science exhibition as well as in other extra-curricular activities. Years after when we see our students as advocates, engineers, doctors, lecturers & in high political positions, I feel that our efforts to train them in the academic as well as in extra-curricular activities have yielded good results. It is indeed an immense pleasure for a teacher to see the student faring very well and I also experience the same feeling.

• **Tell us about the changes in attitude in your students noticed by you in recent years.**

Change is the law of nature and I find tremendous change in the attitude of our present students in recent years. They have become quite bold and have become technologically savvy. Most of the students are aware of the future career that they desire to pursue. The Management has provided us with a well equipped computer lab which is regularly used by our students. The fact that our students win large number of prizes in Science exhibition is a proof of their enhanced awareness. The students have also realized that they need to learn English properly so as to excel in their future career.

• **Tell us about the Golden Jubilee celebration of your school and your contribution towards the celebration.**

The school celebrated its Golden Jubilee on 9th and 10th January, 2009 at a grand function held in the educational campus of Rajasthani Sammelan. On 9th January, 2009 actors Shri Paresw Rawal and Mrs. Swaroop Sampat graced the occasion as the Chief Guest. A grand exhibition was organized by all the institutions which was inaugurated by Mrs. Swaroop Sampat. On 10th January, 2009 the famous actor Shri Amir Khan graced the occasion who freely interacted with the students and mesmerized the audience by his speech. The function was also graced by Smt. Pushpabai Seksaria and all the members of Seksaria family, main donors, trustees, managing committee members, dignitaries, staff and

With Education Inspector and Core Committee members of 'P' Ward Science Exhibition in 2011-12.

students.

During the celebration, our students had put up a grand Science exhibition for which myself as well as our team of teachers helped the students to prepare their projects. Our Principal Smt. Latha Venkat guided and encouraged us to present the projects in the best possible ways and explain the same to the dignitaries.

• **What are the facilities enjoyed by the students and staff in the new school building?**

In the year 2007, the management embarked on its plan of massive renovation and revamp of the school premises. They decided to demolish the old building and construct a grand state of art building with twelve floors. As the first step in this direction, a transit school was built on the existing playground having ground plus two floors. Though the transit school was later demolished, the management saw to it that it be constructed properly. The students were provided all the required amenities in the transit school.

During the construction of the new building, Shri Rajkumar Seksaria, Shri Nandkumar Seksaria, sons of the great philanthropist Late Shri Kudilalji Seksaria and grandsons of the great philanthropist late Shri Govindramji Seksaria, came forward with handsome donations for the new school building.

On 26th July, 2009 Sarvodaya Balika Vidyalaya was renamed as Kudilal Govindram Seksaria Sarvodaya School. The naming ceremony was performed by Smt. Pushpabai Seksaria, wife of Late Shri Kudilalji Seksaria. The new school building was completed in May, 2010 and on 14th June, 2010 the students of Kudilal Govindram Seksaria Sarvodaya School entered enthusiastically in the new building with the commencement of the new academic term. The students were enthralled on seeing the state of art new classrooms, new furniture, computer laboratory, science Laboratory and many such new equipments.

• **What is your message to the present generation of students?**

Over the years, the students have become smarter and bold. They participate in interschool competitions enthusiastically and also in large number. At the same time, they work very hard to excel in studies. Due to their hard work and devotion, our school received 100% result in SSC Board examination in the year 2014-15.

However, my message to the present generation of students is that they should not go astray by wasting their time in technological gadgets and get influenced by western culture. The Management has provided them so many facilities of nurturing their talents and they should fully avail of those facilities. They should inculcate the habit of reading especially English

newspapers and books that will improve their skill in English language. Besides, we have a playground in Pravinchandra D. Shah Sports Academy in which we have the facility of providing training in various sports activities. Students should participate in large number in sports as it is necessary for their physical well being.

I am a humble part of a large family of Kudilal Govindram Seksaria Sarvodaya School. It has been a pleasant journey of 33 years in this wonderful school in which I really enjoyed by interaction with my colleagues and the students. We were always supported by the Management and I take this opportunity to thank the Management and all my Principals for giving me all support in delivering my duties as a Teacher and presently as Vice-Principal.

MANAGEMENT RESEARCH

Prof. Y.K. Bhushan, chief guest in Valedictory session with the paper presenters

Durgadevi Saraf Institute of Management Studies (DSIMS) under the aegis of Remsons Centre for Management Research (sponsored by Remsons Group) organised Remsons International Research Conference on the theme 'Emerging Management Practices' on 6th February, 2016 at the RSET Campus. The international conference was graced with the presence of highly acclaimed academicians, researchers and institution builders.

Background

Today's world has created new environment and opportunities setting new expectations, competition and challenges. Organizations and markets are in transition towards digital, smart and network age. Emerging trends and practices have established higher standards creating new benchmarks. The organizations have to innovate and adopt new business management practices to survive and grow in the highly competitive and dynamic markets marked with uncertainties, risks and highly demanding customers.

Keeping in view the above background, the **Remsons International Research Conference** on "Emerging Management Practices" was organized to serve as an interactive forum to discuss contemporary issues and recent trends in management practices and research in the changing global scenario. It also aimed at to share new perspectives from concrete facts and strategies presented by the researches keeping in view the anticipated management future practices and business dynamics. The conference had an interdisciplinary perspective drawing from various management domains like Human Resource Management, Marketing, Finance, International Business, General Management, Information Technology and Operations Management to enable academicians, researchers and practicing managers to share their research findings, issues, concerns, doubts

and perspectives for the future vis-à-vis specific domains of knowledge and practice.

Prof. Y. K. Bhushan addressing the researchers

Flow of Events

The conference was inaugurated by chief guest, Dr. G Vishwanathan – Founder & Chancellor of VIT University, Vellore. Dr. Vishwanathan is a Law graduate and post graduate in Economics from Madras University and did his Advanced Management Program from Harvard University. Dr. Vishwanathan has been the Member of Parliament (Lok Sabha) from 1967-77 and was member of various parliamentary committees. He has visited entire globe for various academic, cultural and diplomatic missions. He is recognised as a distinguished institutional builder. Dr. GV's passion for societal development and compassion for the underprivileged have resulted in the introduction of several schemes for uplifting the women and unemployed youth in the region to help them become self-reliant. He offers scholarships to students from disadvantaged sections of the society to enable them to pursue higher studies. He has adopted several villages in an effort to improve the quality of lives of the rural people.

Dr. Vishwanathan emphasised the need for revamping of management education and provided the direction for the future of management education. He shared his experiences at Harvard business school. He mentioned the US Government role in universities is limited to recognize the accreditation agencies only. While in India, we have government controlling how universities should operate. He mentioned that wherever there is over-control, there is corruption. He also talked about the balance of teaching hours spent at the school or college for a student. He cited the extreme examples of North Korea and Finland. In North Korea, students used to spend more than 10 hours a day at the school and government had to say that classes beyond 10pm will not be allowed. Whereas in Finland, number of days and hours a day are both quite less, but good amount of homework is given to the students.

The Guest of honour, Dr. N. Jayasankaran is the Director General of the Bharathidasan Institute of Management - BIM, Trichy and the former Vice Chancellor of Kanchi University. Dr. Jayasankaran is a prominent Academician & a renowned Educationist and Researcher. He is also President Nominee for Pondicherry

STUDENTS & STAFF FROM RUDOLF-EBERLE-SKULE, GERMANY. VISIT MBIS

18 students and 4 teachers from Germany who are part of Student Exchange Program with Jamnabai Narsee School visited MBIS on Friday 12th February, 2016.

They were welcomed traditionally with 'Aarti' and flower garlands and were received by the Head of School and the Administrator along with the Primary years Coordinator.

The Head Boy Mr. Chaitya Tupali and Head Girl Ms. Harshika Gandhi along with the Head of School took the German faculty members around the school. They liked the layout of the school and had all praises for the school. They were keen to know the number of students and the way of functioning. They visited the Junior KG class while they were having a snack break. They were impressed by the way they were seated and having their snack.

The students from Germany enjoyed playing the keyboard in the music room and had some fun. The music teacher of MBIS also entertained them and played some songs for them. They also reciprocated by playing some songs for the teacher.

The students interacted with the caricature artist Mr Nitin Nigde who was conducting a workshop for the ongoing 'Art Fest' at MBIS. The students were happy to be part of the art festival and took active part in the same.

After the school tour they were served snacks. They enjoyed the Indian food especially the 'Aloo Paratha'.

IBDP students showed a PPT on Mumbai and enlightened them about the "City that never sleeps" including the

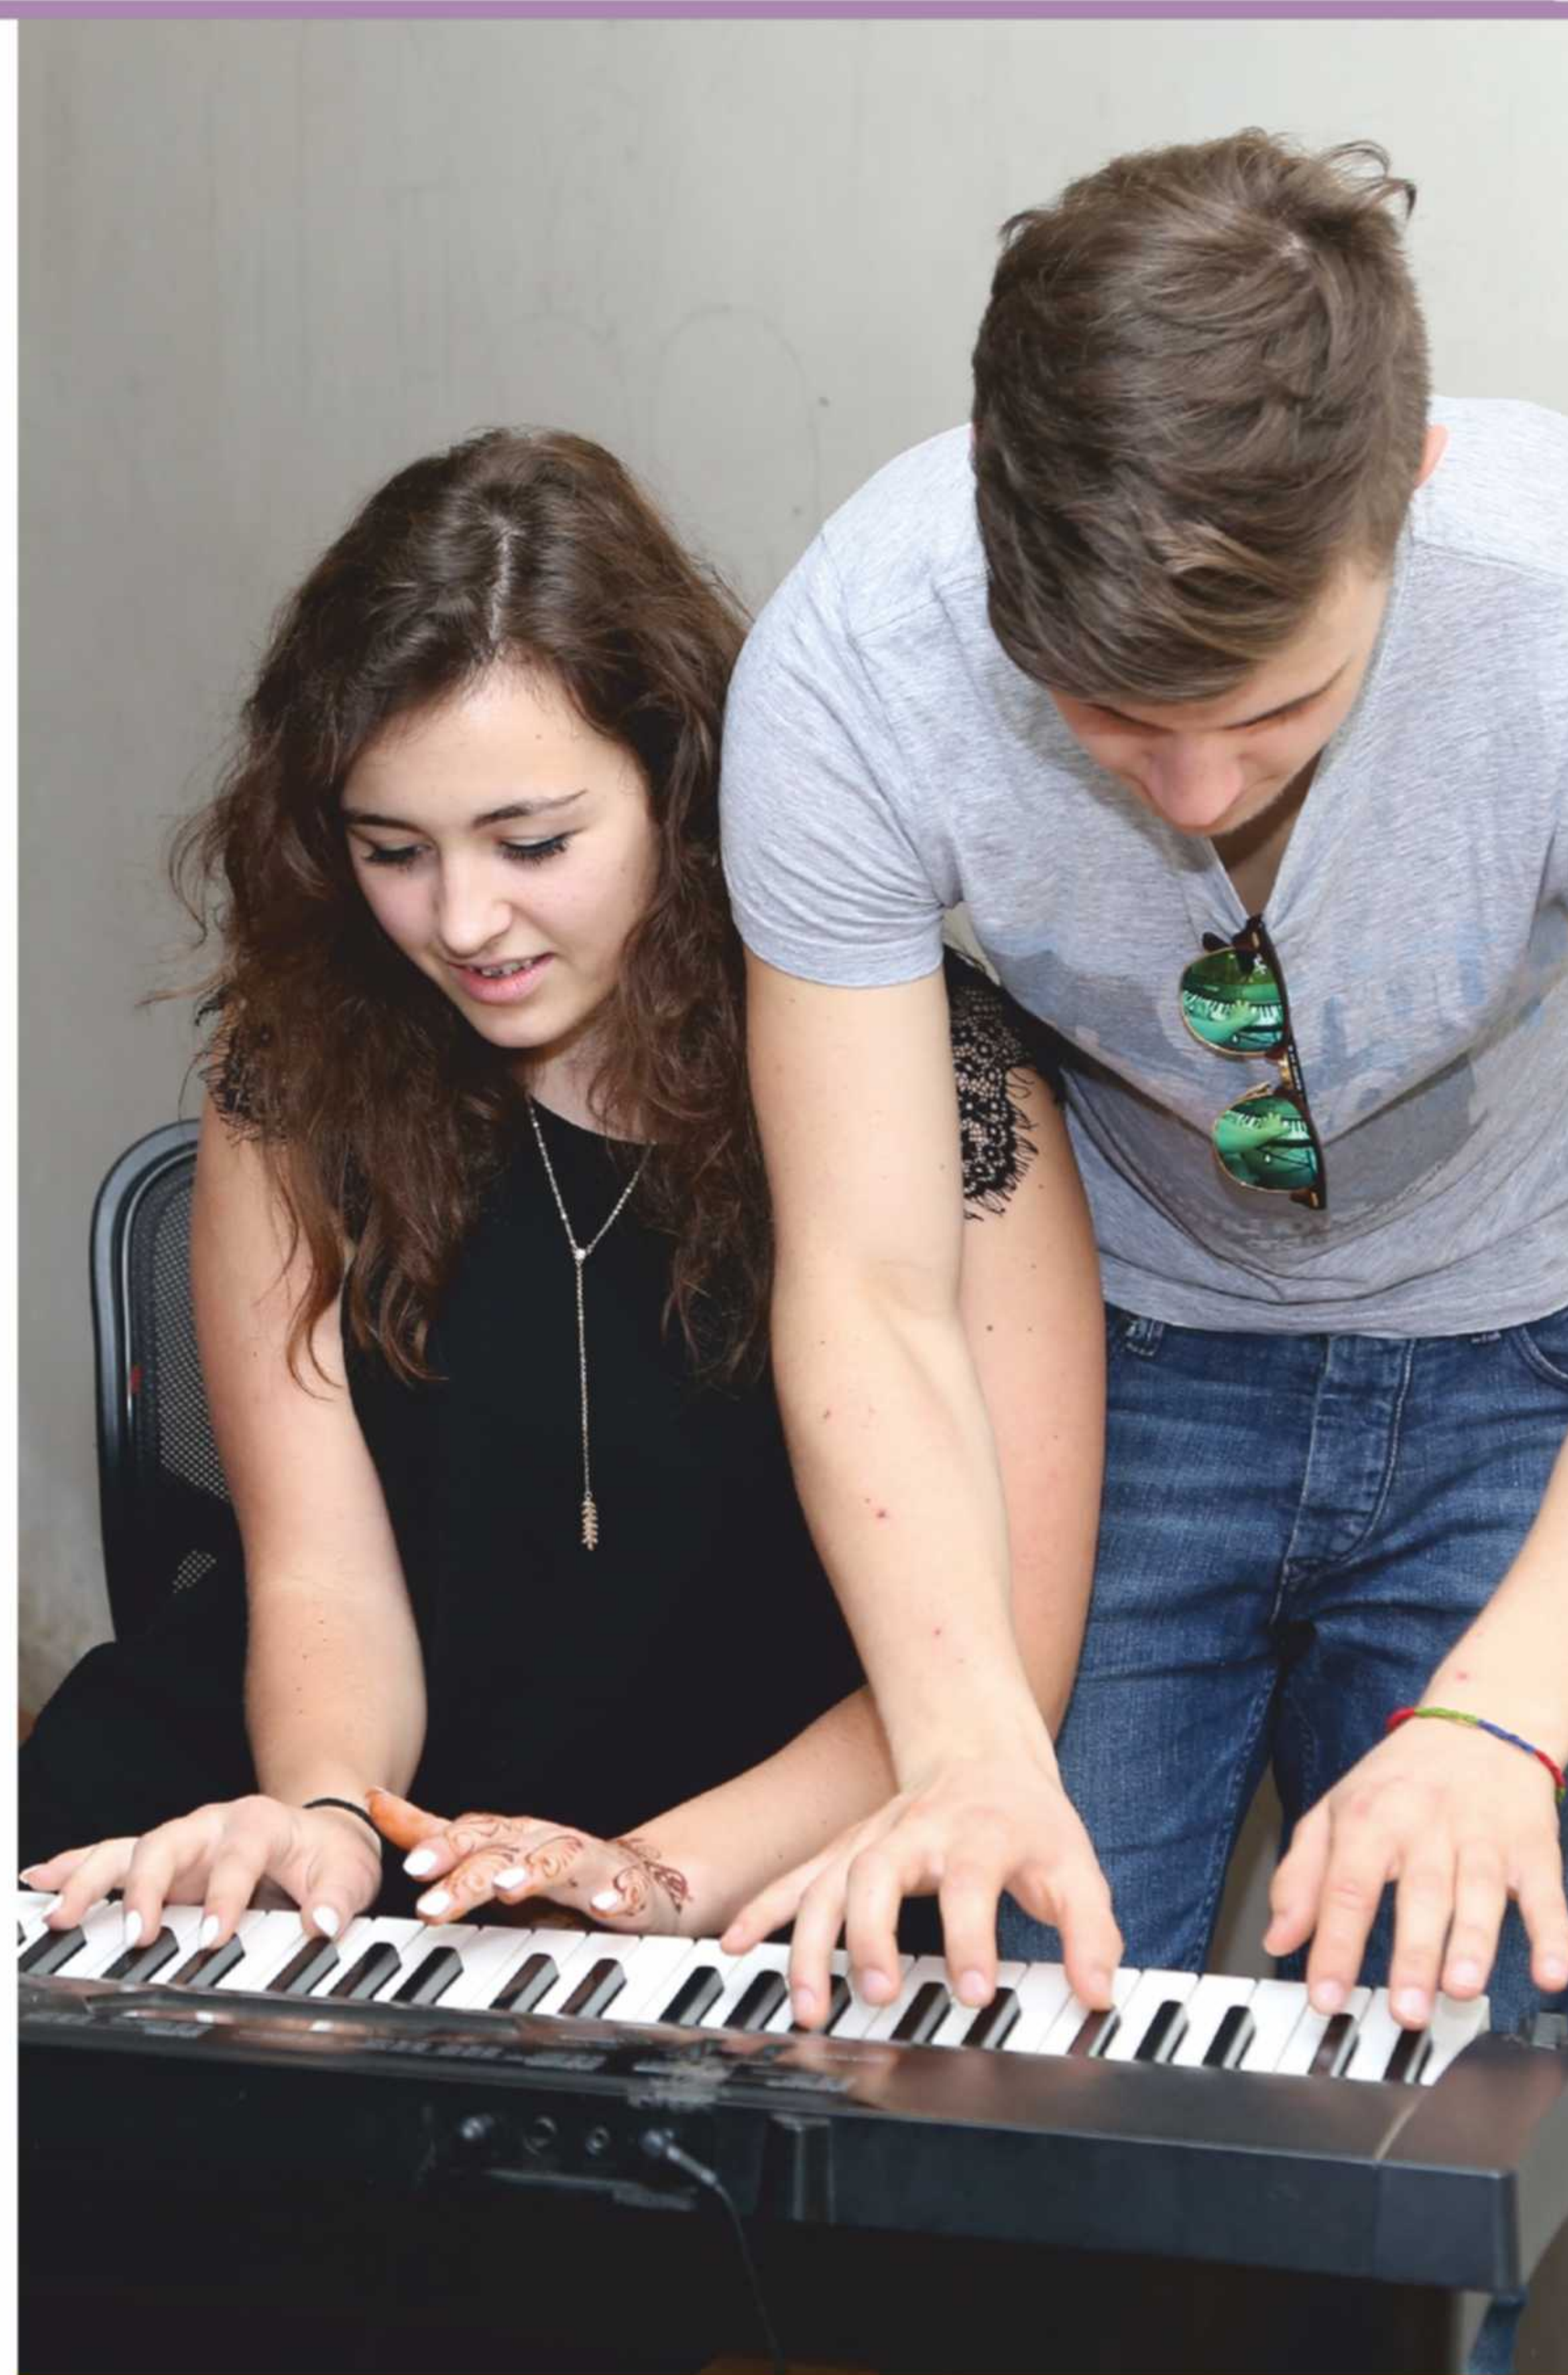

historical places, cuisines and to do list in Mumbai.

All the students and teachers took part in the "Art of Living" session during which they were asked to do simple yoga exercises. They had some idea about Yoga though they were practising it for the first time. After doing the exercises they felt very energetic. They had all praises for the Indian form of exercise to keep fit.

A friendly soccer match was organized on the PDSA ground. The students took an active part and thoroughly enjoyed the match. They were impressed by the wonderful sports facility. MBIS won the match.

A Warli Art session was organized with the Head Mistress of Kudilal Govindram Seksaria Sarvodaya School. The students of KGSS had displayed the art of warli in various objects like umbrella, bed spreads, table cloth etc. The students of KGSS demonstrated the art and made an art work with the students and teachers from Germany. The students of KGSS had made warli art work which was given as a token memento to the German students. They enjoyed the session and few of them were able to create beautiful art work.

Lunch with some Indian specialties along with pasta and pizza was served. They enjoyed the lunch and were eager to know more about Indian delicacies.

All the students and the teachers had a great time at MBIS and were all praises for the organization of the events and their smooth execution. ♦

On Tuesday, January 26, 2016, Republic Day Celebrations were held in the Campus where our students from Std. VI to IX were present along with all our Teachers. Ayesha Nakhwa of Sr. Kg. B spoke with confidence on the importance of the day and how it is celebrated.

Co curricular Activities

Best out of waste was the topic this month for the Young Explorers Club activities in the Pre Primary section. On the 27th and 28th of January, the teachers explained to the children the importance of Reduce, Reuse and Recycle, giving them examples at their level. They made various art and craft activities which the children found very enjoyable.

The Healthy Food Week was scheduled from Monday 11th January to Thursday 14th January. The children were explained the importance of healthy food and a balanced diet. The teachers prepared a schedule for their snack box which the children followed for the week. On the last day, the children went to Goregaon Sports Club and were taken around to see the various sports activities conducted there in order to keep fit and remain healthy. This day was celebrated as the Keep Fit day. Primary and Secondary students went for a Picnic to Kidzania. All the students, teachers and the support staff went together. It was a good fun filled learning experience.

Wednesday, February 10, 2016, the Secondary section had "Apni Mati Apna Desh" inter house competition. Each house had to present one region of India. Topaz house was the winner.

On Friday, February 26, 2016, the Primary section conducted Collage Making Competition and Secondary section conducted Memory Competition in Marathi. It was a fun filled exercise of assessing their ability to recall. The annual exhibition for the Pre-primary was held on Friday February 26, 2016 in school. The theme this year was Mumbai Meri Jaan. All aspects of Mumbai from the places of attraction, to the various modes of transport, to the places of worship, to the beaches and the locals and famous personalities of Mumbai, were showcased in various forms. Parents were very appreciative of the effort put in by the school and teachers and the school in turn was proud of the attempts the children had made.

Friday, March 11, 2016, Primary and Secondary had "Best out of Waste" competition. Many usable items were created by the students and put to use at home and in their class.

Sensitisation Activities

On Friday, January 29, 2016, Martyr's day celebration by Primary and Secondary students in Assembly made students realise that it

"Dabbawallas" at MUMBAI MERI JAAN

is possible to rise above one's self and be enthusiastic about a larger goal in life.

Abraham Lincoln's birth anniversary was celebrated in the long assembly of Primary and Secondary on Friday, February 12, 2016 and significance of Basant Pachami was also shared by the students.

Bird Feeding Day was held on Thursday, February 18, 2016

when the Pre-primary children were taken to feed birds the chick peas they had brought from home.

Mother Language Day was celebrated by Primary and Secondary on Monday, February 22, 2016. Significance of the day was communicated in the assembly. Many staff members also felt that it was an eye-opener. Everybody felt a new avenue for knowledge had opened for them.

On Friday, March 11, 2016 Women's Day celebration was done in the long assembly. Felicitation of Housekeeping and Support staff Didis made the event an emotional one. This day was celebrated with great zeal and enthusiasm by the students of the Primary section of R.B.H.S. The context was that women are a major part of society and play a great role in the economic, political, and social activities. To showcase and appreciate the overall contribution and achievements of women, the students of Std. V recited a poem 'Fearless women of Modern Era'. This was followed by a speech by a student of Std. IV on the significance of International Women's Day. It was further made more special by felicitating the female support staff with a token of appreciation which was given away by the male staff members of the School. A heart touching speech was given by our support staff who thanked the teachers and the Principal for their kind gesture.

This event left a great impact on the students making them understand the fact that women and men are equal beings, deserve the same respect and opportunities; also that they are equally responsible for building a better future. The purpose of celebrating International Woman's Day in our school was not just to observe the day but also to create awareness amongst the students and also with the target of reaching the parents and people in the community at large through the students. World Water Day was celebrated on Friday, March 18, 2016, by Primary and Secondary in their long assembly when the students were shown some videos on water conservation as well as a skit was put up by students depicting importance of water in life.

Curricular Activities

II Mid Term exams started from Thursday, January 07, 2016 to Tuesday, January 12, 2016. The Library Week was scheduled from Monday, February 8, 2016 to Friday, February 12, 2016 for the Pre-primary. During this week the children were made aware of different kinds of books, the importance of books and the upkeep of books. The week culminated with the Dress up Day for Nursery and a Story Telling Competition for Jr. and Sr. Kg. on February 12, 2016. The event was very successful since the children came in creative get ups and narrated stories confidently.

National Science Day was celebrated in assembly by the Primary and Secondary on Monday, February 29, 2016. The Science teachers showed the students a PPT on life of some scientists and

the hard work they did and the accidental nature of many discoveries.

Final Examinations were conducted for Std. IX from Saturday, March 12, 2016 till Saturday, March 26, 2016 so that the seriousness of being in class X could set in.

Inter School Events

Interschool Judo Camp was organised by Vissanji Academy on Sunday, January 31, 2016. Mst. Akshaj Pillay of Std. II B participated in the camp and won a gold medal.

On Wednesday, January 20, 2016, English Olympiad was held for Std. II to Std. VII. Mahi Lath and Akshay Zaveri of Std I, Deshna Mehta, Dhyaneshwar Pople and Reva Asawa of Std II each got a gift worth Rs. 1000/-, Zonal Gold medal and a merit Certificate. In every class there were students who won the School Gold, Silver and Bronze medals. GIVING WINGS TO YOUR DREAMS

Established in 2009

Ms. Shagufta Parkar, Head of School

MBIS' ranking 1st in Zone D and 7th in Mumbai according to the Times survey has set a high benchmark for us and we at MBIS are striving to live up to it.

The year 2016 began with a mix and match of academics, fun and frolic.

ANNUAL DAY

The most awaited event of the year Annual Day was celebrated on Thursday, 21st January 2016 at Pravinchandra D Shah Sports Academy (PDSA). The theme for this year's annual day was 'Incredible India'. The event was categorized into four parts – Martyrs and Legends of India, Festivals, Indian Cinema Legends and Religions of India. The vibrancy with which India's 'Unity in Diversity' was conceptualized through folk dances captivated the crowd. The chief guest on the occasion was Mr. Sharad Saraf. The other dignitaries present were: Mr Rajkamal Bajaj, Mr Ashok Saraf, Mr Kailash Kejriwal, Dr Sunanda Kar, Ms Archita Rajpuria, trustees and heads of Institutes of Rajasthan Sammelan. Head of School Ms Shagufta Parkar presented the annual report highlighting the achievements of the school and the students. Meritorious students in academics and extra-curricular activities were felicitated during the Award Function.

EUMIND

MBIS a member of EUMIND (Europe Meets India) Region 13. As a part of the EUMIND project, the students uploaded various articles based on their Primary Research on their group topics. They also participated in an interactive Video Conference with partner school Cambreur College (Netherlands). MBIS bagged two Certificates of Excellence for their first ever attempt at the EUMIND Regions 13 Project. The groups that were awarded these certificates are – Group Transport & Group Medical Facilities.

INGENEOUS QUIZ

In an effort to make learning fun and to instill the habit of research, MBIS has organised a Quiz in collaboration with Ingeneous Quiz.

Bharo Suraksha Ki Udaan, a kite flying event-
An eco-friendly way of celebrating Makar Sankranti

The representatives from the Ingeneous Quiz conducted an orientation with the students of grades 5 to 9 on Wednesday, 13th January 2016. The Quiz was conducted on Monday 18th January 2016.

Two students of Primary section, Shannen D'souza and Vidhi Dave from Grade-5 & two students from Secondary section, Aryan Vora and Shourya Rao from Grade 7 qualified & represented MBIS in the City Finals held on Tuesday 23rd February, 2016 at Somaiya School, Ghatkopar.

BHARO SURAKSHA KI UDAAN

MBIS organised a Kite flying event "Bharo Suraksha Ki Udaan" on Friday 15th January 2016 on the occasion of Makar Sankranti. The aim was to spread awareness towards safety of birds by promoting the use of glass free thread for kite flying while celebrating the festival. Students, parents, MBIS staff and Management very actively participated in this noble cause and the event turned out to be a huge success.

FINANCIAL LITERACY WORKSHOP

Students across grades 6 to 12 attended a Financial Literacy Workshop on Monday, 18th January 2016 in the Nathmal Garodia Hall. Mr Amandeep Chawla, representative of American Academy of Financial Management India presented a session on financial literacy for students from grade 7 to 12. Valuable insights into savings and spending were given during an interactive session with the students.

EDUCATIONAL EXCURSIONS

24 students from Grades 6-12 had an opportunity to visit the hill station Nainital & Jim Corbett National Park from 24th January 2016 to 28th January 2016. They participated in various adventurous activities and witnessed the variety of wild life, flora and fauna of the area.

IN PURSUIT OF EXCELLENCE

Established in 1975

Dr. Sujata Karmarkar, Principal

The month of January came as a fresh spell. The students were feeling rejuvenated and relaxed at the beginning of New Year. Teachers were earnestly completing their portions as prelims and II unit test were to commence from 4th January onwards up to 18th January. The scheduled exams comprised not only of theory but also practical exam of Science and IT.

The annual day was celebrated on 23rd January, 2016 in the college premises itself. Students enthusiastically were making preparations and practising their presentations. They put up a beautiful performance which consisted of Bengali, Sambhalpuri, Rajasthan, Lavni and Western dance. But equally good performance was put up by Voice of Saraf participants. The Chief Guest for this occasion was Shri Sunderchandji Thakur, resident editor of Navbharat Times.

The Education department had entrusted some colleges to do a survey of drop out students in their particular area from the age group of 6 to 14 years. Our student volunteers along with some

Mrs. Swapna Roy, Vice Principal

teachers successfully carried out this survey. NSS camp was organised from 25th to 31st January 2016. Students organised many activities comprising of social welfare. The focus was on cleanliness. Many recreational activities were also organised for nearby slum students.

After fun and frolic of January; the February month was more academically inclined. The month began with hectic pre preparation for the board exams. But before the written examinations, oral and practical HSC board examination commenced from 1st week of February for English, Hindi, Marathi, Physics, Chemistry, Biology, Maths, IT, Geography and EVS exams from 2nd February to 17th February. Our teachers were busy with Practical/Oral/ Projects.

HSC Board theory exams commenced from 18th February to 4th March. IT Online Exams were held on 23rd, 26th & 28th March 2016. Our college was the main center to conduct the H.S.C. Board Examination (Commerce) and was allotted 875 students. College successfully organized the board examinations for Commerce faculty and continued till 4th March. IT Online Exams were held till the end of March. 95% of our teachers were appointed as either examiners or moderators. The examination season continued up to April with theory and practical assessment.

Manoj Yadav of FYJC Science successfully participated and secured 3rd position in Project competition conducted on 15th February 2016 at Shree L.R. Tiwari College of Engineering Mira Road.

Our students and teachers actively participated in Grand North Mumbai Marathon organized by Yuva Bharat Foundation on 14th February 2016.

As soon as the HSC Board Examination was over we began our

FYJC Annual Exams. This season of examinations continued up to April. About 90% of our teachers were selected as HSC Board Examiners and 5% were Moderators. Along with the annual examinations, board answer papers were being assessed simultaneously.

PT Practical Exams for FYJC began from 10th March onwards. Thereafter re-examinations based on medical grounds were held from 26th March up to 2nd April. Science Practical Exams began from 21st March and continued up to 2nd April. Our teaching staffs were continuously busy this whole month with supervision and assessment.

Holi was celebrated on 23rd March by Junior college, a day prior to the festival. An eco-friendly Holi was observed by the Holi revellers. ♦

International Immersion - PGDM students visiting Mercedes Benz company in Germany

Deviprasad Goenka
management college of media studies
INDIA'S PREMIER MEDIA SCHOOL

Established in 2010

Dr. Mangesh Karandikar, Director

The January to March quarter was very vibrant and activity-filled for DGMC. Several events were organized in DGMC, and a host of celebrities and top media professionals visited the college. From our Annual Media Festival - Mumbai Media Champs, Vision Media Seminars, to Faculty Development Programs and Study Tours, faculty and students whole-heartedly participated in making DGMC a happening place.

Mumbai Media Champs (MMC)

Thirty five colleges from across the city visited DGMC campus to participate in the power-packed extravaganza. The dazzling three-day inter-collegiate media fest, "Mumbai Media Champs" or MMC, as it is more popularly known, turned out to be an excellent branding exercise for DGMC. Participants from more than 35 colleges across Mumbai converged on DGMC grounds to participate in 22 electrifying events related to fine arts, performing arts & media management.

Chief Guest Shri Bejoy Nambiar and Guest of Honour Shri Samir Soni declared MMC open amidst euphoric cheers on 25th January 2016.

In his inaugural address, Shri Bejoy Nambiar reminisced about participating in such fests during his college days while Shri Samir Soni too shared his eventful journey in the film and television industry.

DGMC launched its first students' initiative e-newsletter at the hands of the chief guest Bejoy Nambiar.

The first day had twelve thrill-filled events, which were judged by eminent media personalities like Shri Shanti Bhushan, Shri Bharat Ranga, Mr. George Sebastian and Ms. Runa Ashish among others. The second day saw another round of twelve exciting events with still more media personalities like Shri Faridoon Shahryar, Ms. Mansi Dhanak, Ms. Rekha Rao and Shri Rohit Sobti judging the competition.

Industrial Visit of BMM to a Studio

The highlight of Day 2 was the crowning of Navaldeep Singh from S. K. Somaiya College as "Mr. MMC" and Nidhi Kini from Lords' Universal College as "Miss MMC". These awards were the most coveted ones in MMC.

Day three i.e. 27th January 2016 saw the culmination of the fest with "Rock-A- Mania" and "War of DJs" unfolding to electrify the environment further and it successfully ended with a Pro Show with opening by DJ Asztrack followed by DJ Cyper followed by an elaborate Prize Distribution Ceremony.

A glittering awards ceremony was also organized to felicitate students of DGMC for excelling in film projects that were part of their academic curriculum.

Srimati Shivdevi Deviprasad Goenka Trust have donated various awards and these were given away on this occasion.

Also on this occasion, Shri Ashok M. Saraf, President RSET, delivered the welcome address and felicitated Dr. Manju Nichani, Principal K.C. College, Chief Guest for the evening, while Shri Vinod Dalmia, Member, Managing Committee welcomed and felicitated the Guest of Honour Mrs Nishita Goenka. A total of 25 categories were nominated for awards on this occasion.

More than 200 spirited volunteers from DGMC ardently worked round-the-clock under the guidance of Dr. N.M. Kondap (Director General, Rajasthan Sammelan Higher Education) and Dr. Mangesh Karandikar (Director, DGMC), with active support from Prof. Devendra Pandey (Head, Academics, DGMC) and other staff members to make the event an unforgettable experience.

Joji K. John and Akash Jaiswal, students of Master of Arts (Communication & Journalism) programme represented Deviprasad Goenka Management College of Media Studies (DGMCMS) at the 6th Indian Students Parliament, also referred as the "Bhartiya Chhatra Sansad" which was held from 27th January 2016 to 30th January 2016 at MAEER's MIT Campus, Kothrud, Pune.

The four days' interactive exercise was organized by MIT School of Government and it witnessed visits from a series of politicians and officials from the state and the central ministries, as well as many key personalities from the fields of Science, Arts, IT, Law and other sectors, all of whom took active participation in the seminar, sharing their views and motivational stories.

The Theme

The theme of the whole session was to inform and engage students about the necessity and urgency of youths' intervention in Indian politics. It solely aimed at getting the youth educated about their needs in a democratic system so as to ensure the necessary change and revolution that the political system needs to undergo.

The Speakers

Eminent personalities like Shri Raghunath Mashelkar, Shri

Shatrughan Sinha, Shri Venkaiah Naidu, Shri Chandrababu Naidu, Dr Kumar Vishwas, Shri Devendra Fadnavis, Baba Ramdev and many more distinguished public figures shared different aspects of the political system and showed their faith in the youth today to bring about a change in the political system. It was not just about the sharing of ideas but also to implement them practically.

Student Participants

The seminar was attended by nearly 10,000 students from across India. On this common platform they had the opportunity to socialize and raise their concerns over the issues in the country. Our students reported that the "Bhartiya Chhatra Sansad" was an exciting and valuable experience that helped to shape their attitude and sensitize their perception towards the country not just verbally but practically too. They have conveyed their thanks to the college management and their teachers for considering them for this opportunity and keeping faith in their young minds.

Faculty Development Programme

DGMCMS organised a Faculty Development Program on 16th January 2016. The program details were communicated to Faculties of various colleges across Mumbai.

The Program was started by welcoming the resource persons by Director Dr. Mangesh Karandikar. The Director General of DGMC Dr. Kondap addressed the gathering and stressed the need of the hour of that is qualifying NET/SET. He also spoke about the future needs of educators and global scenario. He welcomed participants on the occasion.

The program was organised in three sessions. The first session was on NET/SET guidance. The resource person were Mr. Jayakant Victor, Ms. Vritee Parikh and Sanjay Shinde. The focus was on first Paper of NET/SET Examination common for all streams. The resource persons informed the participants on paper pattern & how to reach to the score to crack the examination. She also guided on distribution of topics for the studies. She motivated the aspirants to remain committed.

The post lunch session was based on Assessment Methods, Dr. Geeta Shetty of St. Xavier's Institute of Education addressed the faculties on how to make assessment fair and all inclusive. She has informed about various criteria of assessment. She stressed on teaching by objectives and assessment according to objectives. She has introduced Rubrics, the method of assessment on the basis of Cognitive process.

The parameters she suggested were – Memory, Understanding and Application.

The third session was taken by the Director of DGMC Dr. Mangesh Karandikar. His address was on Research Formatting. He has introduced various simple techniques of Formatting and citation. He has introduced to participants to short cuts for citation that can save time and efforts of Researcher.

The program was effective as per the feedback given by the participants. 26 Faculty members of from different colleges and the faculties of DGMC participated and a certificate of participation was awarded to them.

Indie Talks

DGMC understands that the independent market is fast expanding and that apart from the mainstream industries, newer avenues are being created. Rapid digitalization is giving a voice to individual expressions.

To help its students know the process from ideation to fruition of

their ideas, DGMC has started a series named "Indie Talk", in which other entrepreneurs come and share their experiences with DGMC students.

In its inaugural session, Mr Rakesh Kumar, who is the head of digital marketing at Wishberry and an aspiring screenplay writer himself, shared the platform with our young and enthusiastic students.

This session helped doubly, as Mr Rakesh Kumar, being a creative person himself, could effectively comprehend the pulse of like-minded creative people around him and also since Wishberry itself is a platform that helps to bring creative ideas to life.

The other entrepreneur who shared the stage was Mr Anant Kavani, who is the founder of BananaBandy.com, an online market network for Indian creative professionals. The mission of BananaBandy.com is to organize and strengthen the Indian creative community, which is the second largest in the world.

Guest Lectures

DGMC organized a series of guest lectures for various batches to add more value to education.

Mr Mikkhail Vaswani -

Mr Vaswani shared with the students great tips on how professionals can conquer hurdles in the outside world. He highlighted that the first Impression is the last impression and advised being aware about one's surroundings. He encouraged students to keep pursuing their talent to stand out in a crowd.

He further added that knowing one's audiences and knowing what sells is crucial. As a man who has pursued his passion and followed his dreams to become a leading interviewer in the sports category, he is someone who we all can look up to for inspiration.

Mr. Dilip Jain -

Students gained much from one of the top RJ's in the country. Mr Dilip Jain revealed a great amount of knowledge about the Radio industry. From explaining the process of being a successful radio station, to job profiles, to apt song selections, he covered almost every topic. This session was highly appreciated since several among the audiences were radio enthusiasts.

Mr. Nikhil Balal -

Mr. Nikhil Balal was handed the reins of Thane Vaibhav from his father at a relatively young age. A brief journey through his life pre-Thane Vaibhav was quite a fun little segment. His experiences in NDTV were what moulded him into the professional he is today. He explained how Thane Vaibhav caters the largest district of the country. Competing with some of the biggest newspapers in the country on a relatively small budget and being a successful at that is something everyone can learn from Mr. Balal.

Mr. Sanjay Masand -

Mr Masand a professional with vast experience to his name addressed us. His lecture was quite different in relation to other guest lectures we normally have. He taught us the basics of marketing but in a quirky way. He felt every advertising professional should be absolutely clear with his marketing know how. A great orator gave us quite a great lecture.

Ms. Ishita Samaddar -

Ms Ishita Samaddar, Brand Director, Lowe Lintas, addressed PGDM students on "Advertising & Brand Management".

Dr. Sanjay Ranade -

Dr Sanjay Ranade, Associate Professor, Dept of Communication & Journalism, University of Mumbai, and Chairman, Ad-Hoc Board of Studies for MA (CJ) conducted a series of lectures for MA (CJ) students in March 2016 for the subject, "Introduction to Film Studies regarding Film Theory and World Cinema.

Volunteering for North Mumbai Marathon

More than 50 students from DGMC volunteered for the organization and arrangements of the North Mumbai Marathon conducted on 14th February 2016. They were chiefly involved in the distribution of the certificates of participation to the participants in the marathon. Around 15000 certificates of participation were distributed that day.

Vision Media

DGMC conducted four sessions of "Vision Media" seminar on 3th February, 10th February, 17th February and 19th March 2016 respectively.

These sessions are organized for the undergraduate students of various colleges to acquaint them with the DGMC programmes, infrastructure & staff.

141 students from seven colleges (Tolani, Dalmia, Siddharth, NKTT, Thakur, MMK & SNDT) participated in these sessions in February and March 2016.

Several students among them expressed their desire to pursue a PG programme from DGMC.

Students at the book exhibition at the campus

Book Exhibition Organized

A one day Book Exhibition was organized in DGMC on 28 February 2016. Five vendors participated in the exhibition and over 1500 books were displayed. All the DGMC faculties and more than 100 students visited the exhibition and more than 300 books were selected for approval.

Academic Demonstrations

DGMC library had arranged for demo lectures and free trials of the renowned online academic database portals, EBSCO and ProQuest. Mr. Pratik Patankar represented EBSCO and Mr. Sachin More represented ProQuest for the demos. After a careful deliberation, most faculties recommended EBSCO.

Well-Placed

Meanwhile, the corporate sector continued to show interest in our media students. On 13th February 2016, P3 Architecture conducted Campus Placement Interviews for TYBMM students. 20

Staff & Students at American Library

students appeared for the interviews and five students were selected for the final round for Sales jobs and four students were selected for the second round for Administrative jobs. The final rounds of the interviews would be conducted in March 2016.

On 17 February 2016, Times Institute, Borivali (W), an educational institution, conducted an Aptitude Test for TYBMM students. Students learnt about three crucial areas—

- (a) Regarding their Aptitude Score
- (b) How to Crack Interviews
- (c) How to Perform during Group Discussions

SYBMM students also visited EQ Solutions, Borivali (W) in February 2016 for interviews and two students were selected.

Three students from SYBMM and two students from FYBMM were selected as photographers for Internup, a placement consultancy.

Academic Presentations by DGMC Faculty

Prof Arati Kamath & Prof Kanchan Luthra presented papers at National Level Seminars organized in Ghanshyamdas Saraf College & Prahladrai Dalmia Lions College in February. Prof Amisha Dawda attended an International Case Study Conference on 5th February 2016 at Indian Education Society (IES) and presented a case on "Consumer Engagement: Case on Twitter".

Prof Amisha Dawda also attended the "International Research Conference" (IRC-2016) on 2nd & 3rd March 2016 organized by Jamnalal Bajaj Institute of Management Studies and presented a paper on "Need Skill Based App? Let Creative Crowdsourcing Do the R&D". This paper was also published in an international journal with an ISSN number.

Ms Geetanjali Wani, Librarian, DGMC had organised a demonstration of popular online databases, EBSCO and ProQuest for the DGMC faculty, and had also arranged for one week's trial of both packages.

Corporate / Industrial / Field Visits

Students of TYBMM (Advertising & Journalism), SYBMM & FYBMM attended "MOS Utility Private Limited", Orbit Industrial Estate, Mind Space, Malad (W), which is a technological set-up for production and post-production audio-visual content, on 4th February, 5th February & 8th February 2016 respectively.

They received a hands-on experience on the state-of-the-art production & post-production equipment used in audio-visual

content production.

They interacted with the artists and sound engineers there and tried to better understand the nuances of audio and visual dimensions of production.

Matrubhasha Diwas

The "International Mother Language Day" is observed each year on 21st February to promote awareness about linguistic and cultural diversity.

DGMC organized a competition to celebrate the "International Mother Language Day" on 21st February 2016 by inviting the students to compose a poem and to sing a song in their Mother Language. Students have enthusiastically submitted their entries and the results of the competition are awaited.

Study Tour to Hyderabad

48 students from BA & BMM along with three staff members—Prof Dinesh Khemani, Librarian Mrs Geetanjali Wani & Mrs Pranita Saitawadekar went on a study tour to Hyderabad and its world renowned Ramoji Film City and Salarjung Museum on a study tour from 9th February 2016 to 14th February 2016.

At Ramoji Film City, they were exposed to the basic aspects of film production—shooting with Chroma Screen, adding sound, and the juxtaposition of both, leading to the final film.

The group also visited "Sudha Car Museum", which is an astounding concept in art & creativity. It is the only handmade Wacky Car Museum in the world and has been conceived and created by Mr. K. Sudhakar, who is a Guinness World Record Holder for making the Largest Tricycle in the World.

This museum is themed on automobiles which are innovatively designed in a mind-boggling variety of shapes and sizes—like jewellery, cosmetics, bridal dresses, and even the red London buses.

ISO 9001:2015 Certification for DGMC: DGMC has started the process of acquiring ISO 9001:2015 certification. Dialogue is continued with various agencies facilitating the certification. ♦

Ms. Niti Goenka, Mentor

The month of January began with a Sing along session for parents, wherein teachers oriented the parents with the common rhymes and transition songs done in the class along with actions.

Kids had loads of fun at the **FAMILY DAY OUT** cum Beach Picnic to Aksa beach on 8th January 2016. We also had organized lots of games and races for parents and tiny tots together.

RSIP kids came all dressed in their night wear along with their pillows for a **Slumber Party** Fun on 14th January 2016.

We celebrated Republic day by making flags and kids came dresses up in tricolor clothes.

A renowned dietician conducted a workshop on 27th January 2016 for RSIP parents and topic was all about diet and nutrition for the toddlers.

Kids enjoying Fish Aquarium during their Field trip.

Flag making activity for Republic Day.

We had a Parent Teacher Meeting on 27th January 2016 for both the batches. Parents gave us a feedback about how overwhelmed they are with their child's progress at RSIP.

Our theme for the month of February was **All about Animals**. We explored creepy crawlers to sea creatures, to reptiles and Dinosaurs too.

Tiny tots at RSIP had loads of fun while they went for a field trip to Inorbit as they saw an aquarium with lots of colorful fishes in it.

Further to the theme, kids also dressed up creatively as their favorite creepy crawler at RSIP.

We celebrated love and friendship with lots of activities on Valentine's Day. Kids had dressed up in red color clothes and enjoyed playing with red color balloons.

The little angels were excited to see a **puppet show** of Little Red Riding Hood. Kids had worn a t-shirt with a hoodie to school.

The month of March was one of celebration as we geared up to celebrate **TEDD'S Birthday party** by cutting a cake with lots of balloons and hats and games to play.

There was a Class photograph day on Monday 21st March 2016 at RSIP and hence all the kids had worn their school t-shirts with a smile on their face.

There was an informative workshop conducted on Monday 21st March 2016 at RSIP by Ms. Sonika Furia who is an image consultant and an NLP practitioner for the young mothers and the topic of the workshop was self image and body language of mother and child.

We had a Splash Splash fun with water play as we celebrated Holi in the class on 23rd March 2016. ♦

STEERING TO SUCCESS

Established in 2011

Mrs. Dixha Nath, Director

"Happiness is last exam paper!"

The feeling has prevailed across all the students during the month of March. Students have burned midnight oil and toiled to give their best in the final examinations.

The last quarter of the academic year had students working hard for the board and final term examination. School counselors have been working with the students to help them manage stress and anxiety. Students were provided guidance to build confidence, social skills and self-appreciation. Students were also made aware about importance of studying.

Group sessions were conducted in KGES and RBHS. Students were made aware about bullying and its ill effects. They were also motivated to be responsible in general. Some students were

Pre- Primary students performing drama "The Giant Octopus"

provided classroom assistance. Students were also engaged in various skill building activities. Students facing specific difficulties were identified and individual sessions were conducted with MBIS, RBHS and KGES students.

Career Counseling assessment and guidance have been done for various students at the centre. IQ and WRAT assessment have helped parents to identify learning difficulties in their children. Remediation and play therapy has been conducted at the centre for slow learners. Parents have been informed about the progress in the students so far which have been well appreciated by the parents.

Students have registered for Study Abroad counseling and Coaching. University short listing, application processing, submission of documents have been done for the registered students. Coaching sessions for SAT, GRE and IELTS have been conducted. Many students have received offer letters from their dream Universities. Some of the offers received by our students are:

Ms. Shruti Archita	New York Law School
Ms. Aishwarya Chitnis	Central Michigan University, U-Idaho, Purdue University
Mr. Furkaan Sura	Thompson River University
Ms. Swardha Sahasrabudhe	Long Island University
Mr. Sharvin Shobhane	Rochester Institute of Technology
Mr. Parth Ajmera	Virginia Tech

Primary students performing drama "Circus Capers"

Students of drama and speech class had showcased their learning during the academic year in a fun filled performance on 19th March at Durgadevi Saraf Hall. Kids of pre-primary and lower primary each performed a drama "The Giant Octopus" and "Circus capers" respectively. They not only mesmerised the audience with their confident acts but also made their parents and teachers proud. Parents have appreciated the improvement seen in the kids in their communication, personality and social skills. ♦

HEAVENLY DOMICILE

Established in 2012

Ms. Bhawna Mishra, Rector

**Kind words are short and easy to speak,
But their Echoes are truly endless**
...Mother Teresa

The Month of January marked the beginning of New Year as well as new pathways towards glory. The Entire month had noticed joining of new students who had come to Mumbai to explore new vistas and secure an adventure which will last way long in their lives. The students who had gone home on New Year eve had returned with new positivity in their minds in order to look forward towards new heights they will achieve. All the chores were followed routinely.

Achievements of the students in our Hostel

Ms. Shreya Sharma had given speech on the occasion of 26th January. She had spoken about "Republic India" which was appreciated by the audience. Ms. Hanisha Kedia who is studying in Deviprasad Goenka Management college of Media studies had made us proud by winning accolades and awards from her college DGMC for:

- 1) Best student of the year in academic.
- 2) Best fiction film award for "Virtuoso" in Direction.

In this Month C.A. final result was declared in which many of our old students had cleared. One of them is Ms. Sneha Shobhasariya.

Ms. Sneha Shobha Sariya:

I have done my C.A. and now pursuing Cost Management Accountant and post qualification course in IFRS. I am residing in this hostel since February 2012. It was time when the hostel has opened and I always make it a point to suggest all others about this place who are aspiring to come to Mumbai mainly due to 3 factors:

- 1) **Security:** 24X7 security is a boon for us.
- 2) **Infrastructure:** It is the most important factor.
- 3) **Location:** The location is a cherry on the cake as we have accessibility to everything.

For Summarizing the entire Month had gone in full flow and everything was smooth and swift.

The Month of February was full of energy and enthusiasm as the students of our hostel participated in the Marathon. The North Zone Marathon was organized as an initiative for contribution in "Saving the lives of the peasants due to drought caused in Maharashtra". All of our students were highly excited for being a part of this cause which had surely inculcated a new vision towards glorifying the path for their hostel by actively participating in the Marathon. Not only just participants but we also had a league of other students who had Assembled in order to boost the energy of their fellow hostel mates. All the students have found this really commendable, had shared a great feeling by being a part of glory itself. All the students enjoyed and duly expressed their gratitude towards RS for providing them with this fabulous opportunity.

The month of March is an amalgam of joy, hard work and also happiness. All the students were busy in their respective University Exams. There was joy as well because of the festival of colours i.e. Holi was round the corner which had penetrated a new sense of excitement within all of us to look beyond the horizon with a new approach followed by positivity in each string we strike at.

Holi was celebrated in an elaborated manner is DSWH. The students were really excited about the celebrations as they are all away from home hence it's our prime effort to make them feel homely.

Simran Ajitsariya:

"It was very first experience of holi away from home and it was indeed a very fun one. For a second, I did not miss home because of the people around me. All the arrangement such as music, colors was done by us fabulously and the food, thandai provided to us was something different. All in all this holi in the hostel gave me many memories to cherish forever!!"

Rashi Gagrani:

"You know you are blessed to celebrate festivals when away from home. Holi celebrated in hostel added colours in our memories that we are building here in Mumbai. With the arrangements done like colours, music it was amazing. But the fresh served food along with thandai! added cherry on the top. We managed without water and had an eco-friendly holi. It was refreshing experience and of course, a much needed break! DSWH is genuinely making it easy for us to feel the experience of being at home despite being away from home."

Ananya Chatterjee:

"This was my first time that I celebrated Holi away from home. I am really grateful to DSWH for making all of us feel so homely and special on this auspicious day. It was definitely a memorable celebration and will always be cherished by me. Thank you DSWH for bringing us all together and making the celebration a grand and unforgettable one. The food and thandai was served."

The hostel was almost at its peak of occupancy once again in this tenure. The response being received from all corners is an overwhelming one. Everyone is very impressed by the equilibrium created between the amenities provided by us and discipline which hits a right way. We are receiving queries from students aspiring to join and even some are already studying at renowned colleges. At the end, I would like to say that once you put in your hard work it is only then that one can cherish the fruits of it. We had also conducted a survey which was completed successfully with 100%. The survey consisted of 10 questions related to our facilities like ambience, Wi-Fi, food, housekeeping, maintenance, medical facility, security, location and administration etc of the hostel as students were supposed to share their views, suggestions regarding hostel and its amenities. The feedback was positive as all students also appreciated the hostel. ♦

GOLD signs an MOU with IDOL (University of Mumbai)!!!

Yes. That's the highlight of the quarter. The quarter was busy in completing the learning content for even semesters, reviewing the content, consolidating the same and uploading the final product on our Learning Management System. This period also saw that many of us got busy in building a relationship with the University of Mumbai, particularly its division for Distance Education viz. IDOL (Institute for Distance and Open Learning). Dr. Mangesh Karandikar provided a lot of advice and support to all of us during this period. Considering the time remaining in the current academic year, GOLD made a proposal to IDOL, to allow a joint initiative to be conducted in the current (academic) year itself. This proposal was received favourably by the IDOL senior management (DIRECTOR). Interestingly, the Director IDOL visited the RS campus on her second day in office, after being newly appointed in her position. Dr. Ambuja Salgaonkar has been a constant motivator for all of us in GOLD.

During this quarter, the GOLD mobile app was launched and accordingly the existing students were informed. GOLD team also conducted a lot of trials for DSIMS students. Essentially the trials were conducted to test the feature of Student Assessment within the LMS portal. We faced challenges in terms of the internet bandwidth and other technical snags but ultimately we have successfully completed the trials and identified probable gaps.

After submitting a formal brief proposal of a joint initiative with University of Mumbai (IDOL), Dr. Ambuja provided a lot of suggestions and GOLD finally submitted a draft MOU which was submitted to the IDOL administrative department. This proposal involves creating and executing a preparatory course for B.Com students. The proposal was discussed in detail and then it was then forwarded to the legal cell of IDOL (University of Mumbai (UOM)). Although it has taken about a month to obtain legal approval from UOM as we document this note, GOLD has successfully signed the Memorandum of Understanding with University of Mumbai (IDOL).

Under this MOU, GOLD will prepare learning content, which will then be linked to the UOM website. The students will be able to make use of the learning content without having to pay any fees. Currently, B.Com students of IDOL are covered in this MOU. GOLD will entirely sponsor the cost of this project. We have engaged over a dozen academic experts and deployed another dozen resources to ready the learning portal, to package the content, to provide exclusive student support and so on. As we go to the press, we are extremely excited to announce that by now over 10,000 learning sessions have been conducted by over 1300 students. Till date, we have enrolled almost 19,000 students and another 6,000 would be enrolled soon. This student data has been provided by IDOL itself, with an understanding that GOLD will use it for sole purpose of promotion of IDOL studies. GOLD will cover 20 courses (subjects), 7 each in FY and TY BCom and 6 in SY BCom. For each subject (Course), GOLD will prepare learning material of about 4 clock hours. Considering the very short attention span of the students, each session (video lecture) will not exceed 20 minutes and will be typically of 10 to 15 minutes. GOLD has been sending mass SMSs and emails, to inform the students about this facility. GOLD has also called those students, who could not enter into its learning system and study. A dedicated senior executive has been appointed to receive, analyze and respond to each and every student query. Till date, we have responded over 300 student queries and this number will exceed 1,000 when the project is concluded.

The IDOL Learning system home page keeps providing continuous news, so that the student find it convenient to use the learning system. This IDOL MU BCom preparatory course provides assistance to the student to prepare and face the examination with better preparedness. The target set by GOLD is to help IDOL to improve the number of students appearing for exams, as well as improve the percentage of students, successfully clearing the exam. IDOL has identified MOOC (Massive Open Online Courses) as a standard learning platform and GOLD will help IDOL to meet its objective.

In the coming months, number of students enrolled with GOLD website, either directly or with IDOL, will cross 35,000. GOLD is also setting up a target of signing similar MOUs with other universities in the state of Maharashtra. This will enable GOLD to reach out to a really large number of students, who will benefit from the GOLD learning system. ♦

On the 6th day of March Durgadevi Saraf Institute of Management Studies [DSIMS], commenced its International Immersion with the students of First year PGDM to Germany and Switzerland. The immersion was scheduled for 7 days with its reroute to India on the 13th of March 2016. The ramble consisted of visits to the cities of Frankfurt, Munich, Heidelberg, Stuttgart, Neuschwanstein, Zurich, Engelberg, Luzern & Schaffhausen. With scholarly visits to the Frankfurt Stock Exchange, the Mercedes Benz Museum, the BMW Welt, ETH University & the Ayinger brewery; the gratifying visits were inclusive city tours, City Squares and the Penultimate visit to Mount Titlis.

The Voyage commenced early morning from Chatrapati Shivaji Terminal 2 with flights of Emirates and Oman Air successfully leaving a tick mark on the bucket list of many students as their 1st travel to an international destination along with the 1st ever experience of travelling by air. All the built up excitement and enthusiasm was unleashed upon reaching the connecting halt at the busiest airport in the world the Dubai International Airport with a shopping spree at the Duty Free Shop. And after a change of airplanes and 4hrs of journey the initial destination was reached; Frankfurt, the airport welcomed everyone with fresh breeze and windy atmosphere of 2° celsius with mild sunlight into the financial heart of Germany. The Coaches arranged took the lot to the place of halt the Leonardo Royal Hotel. After refreshing up everyone was taken to the city to have a view of the illuminated city square late in

the evening mesmerizing the hearts and filling the ears by the sounds of the local folk. The following morning began with a kings way of having Breakfast followed by a city tour with a guide who explained the evolution of Frankfurt over the years and about the Goethe architecture and how high rise buildings became a part of the city along with globalization. Being the financial Hub of Germany the 5th largest city in Germany was home to over 700,000 people from all across the world most of them Germans followed by Asians (Japanese). Thereafter was an exciting visit to the Frankfurt Stock Exchange the home of the DAX, the largest in Germany and the Third largest in Europe. the stock exchange holds back its history beginning in the 9th century AD and coming into the global recognition since the 16th century owned and operated by the Deutsche Börse and assisted by the Xetra Trading System it handles over 15% of the worlds trade. Post Lunch everyone headed for Heidelberg for a visit to the University and a tour of the city. Heidelberg was the city preferred by the Prince Electors of Germany and thus the city carries a vast variation in the architectural styles and a castle at the prime spot of the city damaged by war over the years. The city has the significance of a Bridge that depicted the utilization of tax money and also a monkey calling and reminding people of the toll that was to be paid to come into and leave the city. The trip was enhanced by the snowfall experienced by everyone and the smell & taste of hot coffee from the coffee shops lined up on the roads. The day came to an end at the gates of the university where knowledge about arts

After the morning breakfast the destination that followed was the city tour of Munich followed by the BMW welt the delivery area of the head office of BMW a place that showcased all the works and models of BMW, MINI, and Rolls Royce vehicles. With a guided tour that shows all cars and motorbikes of BMW and described the way these cars are made with the detailing and specifications that go with the designing of the cars. The experience to see touch and feel behind the wheels of these cars can be termed 'Astronomical'. The evening followed with a halt at the Allianz Arena the biggest football arena of Germany. Later the journey was routing towards Switzerland via Austria by road.

Arriving at Hotel IBIS in Zurich Switzerland to rest for the night the up-head morning was to the home of many Nobel laureates; the ETH university one of the highly ranking universities in the world for Science and Arts. The guided tour informed about the history and

ROTAIR TITLIS

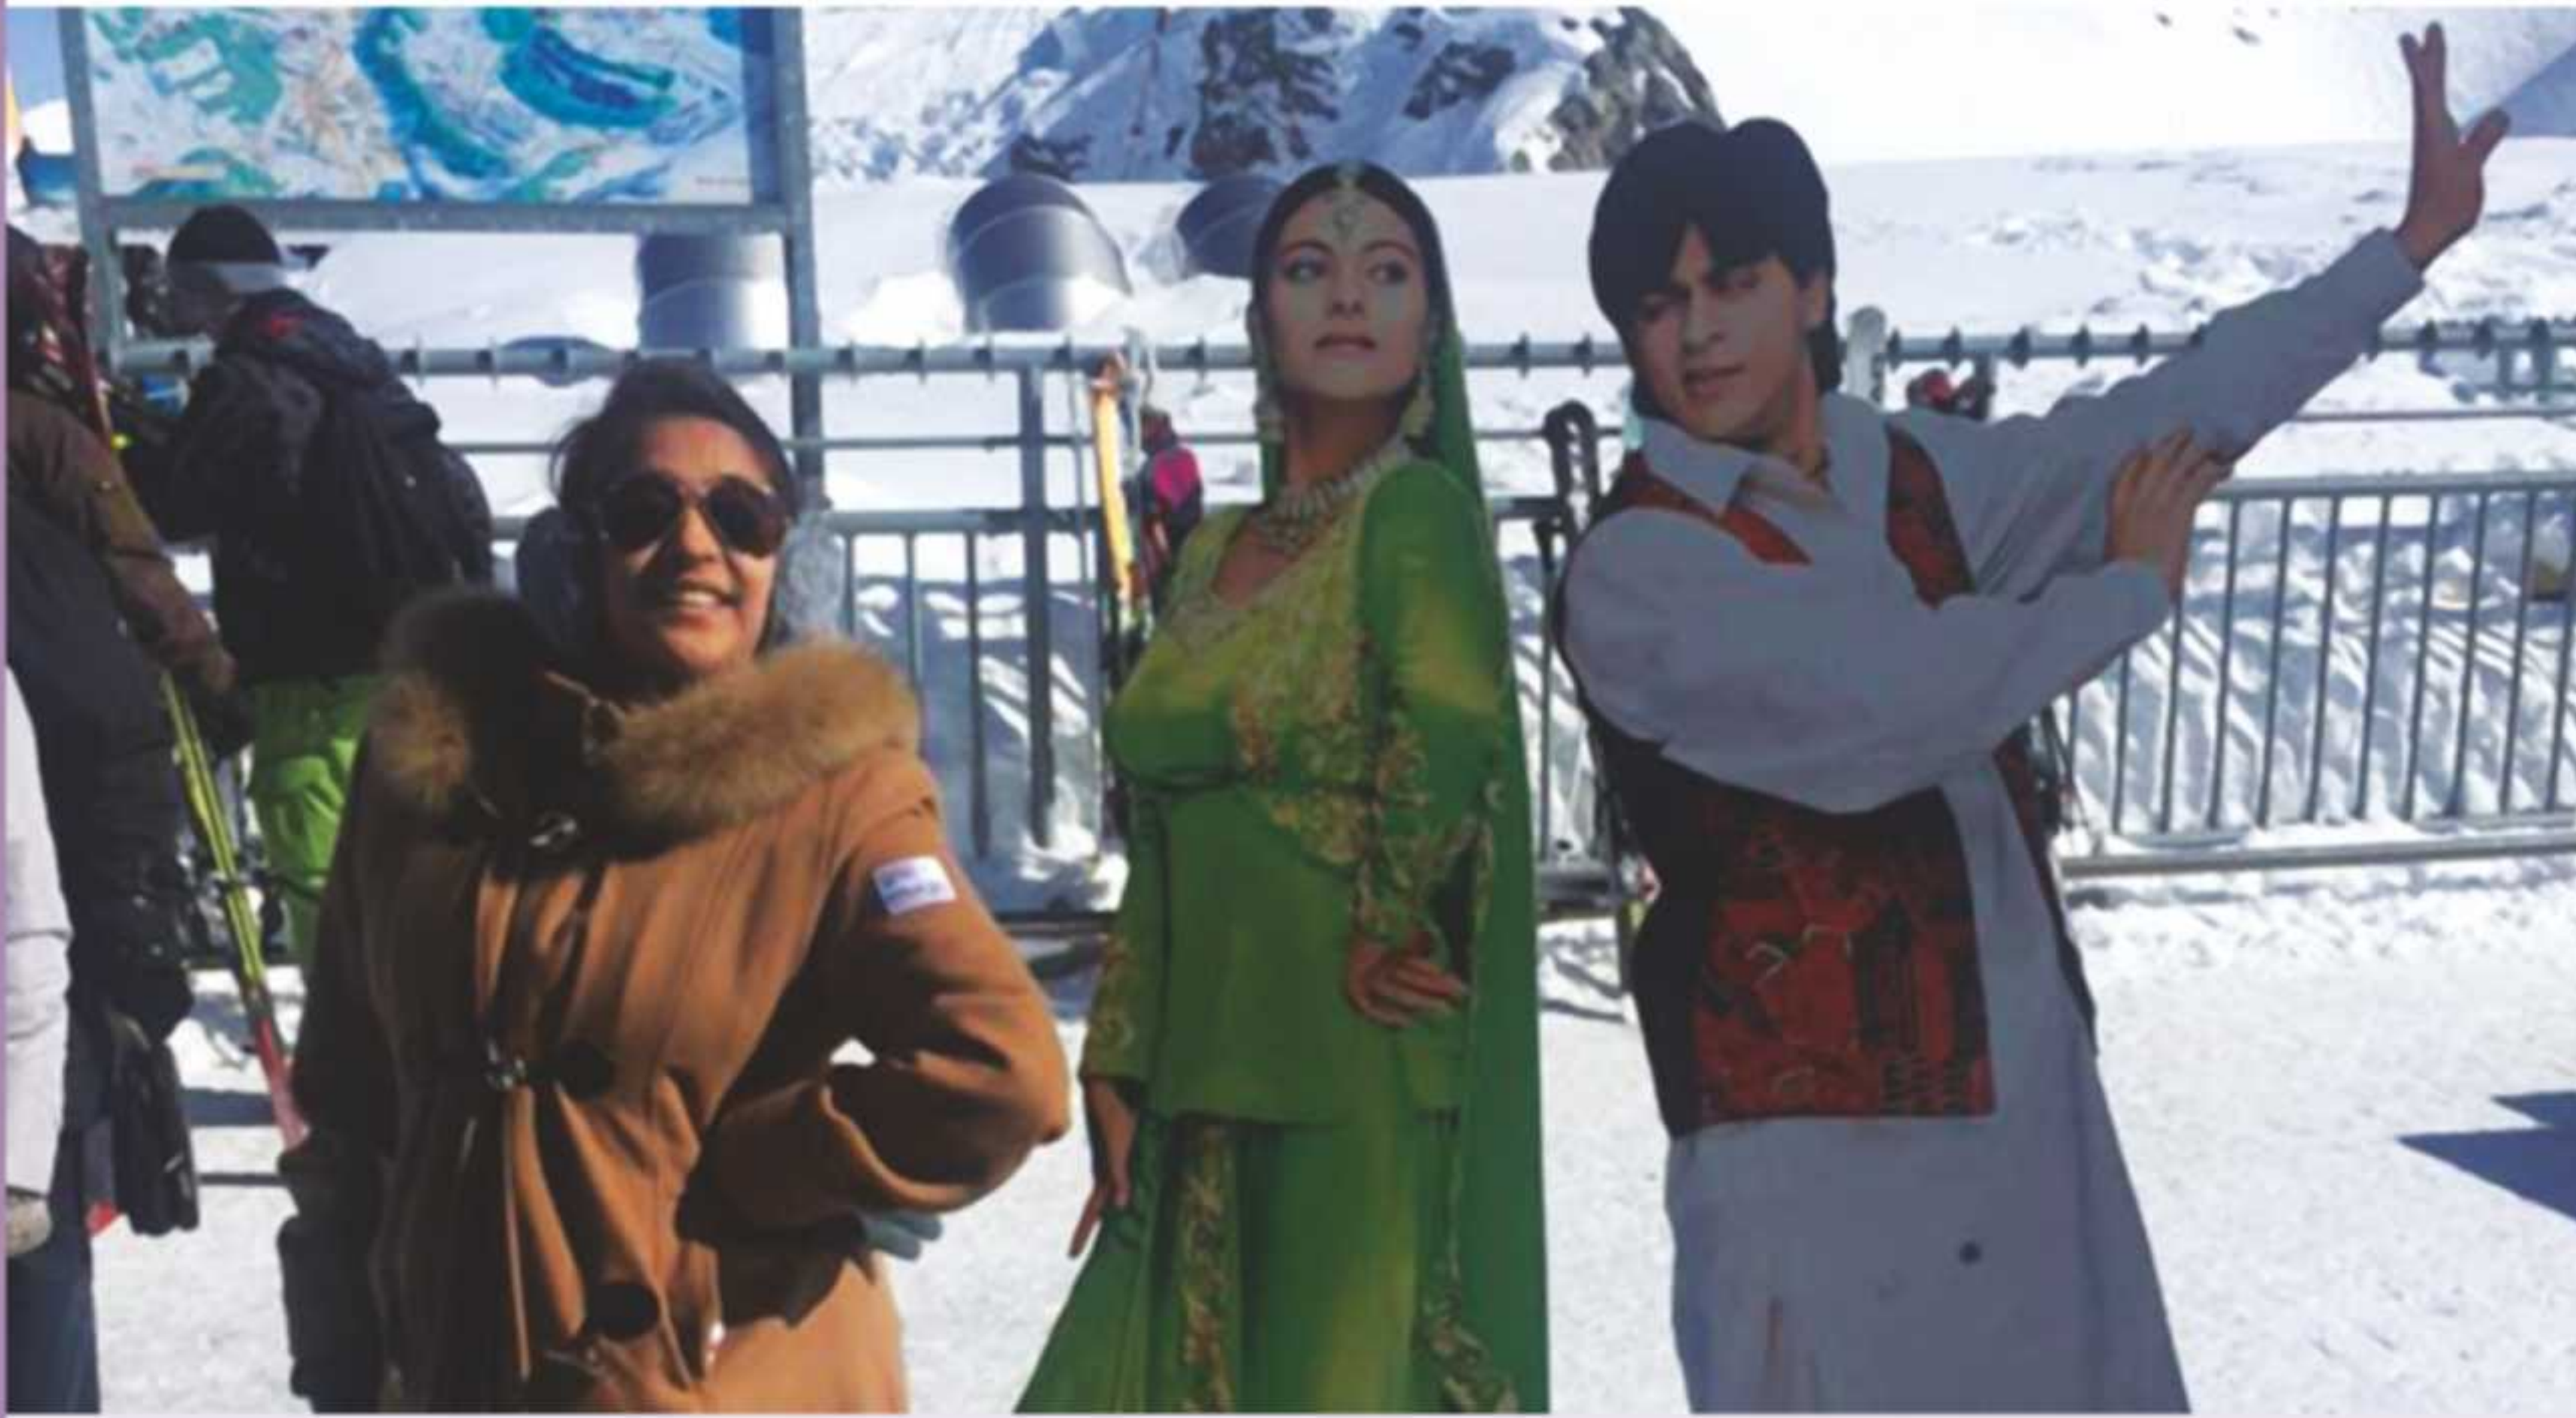

and sciences was delivered to its students.

The next morning the trip commenced to Stuttgart city. The city had evolved through a number of different cultures and there was also a time when the church served multiple religions in partitions. Shown through its Baroque architecture in the buildings and its churches. The city got this name after the galloping horses of the city during the Roman Empire. The city known for its automobile industry and the Mercedes Benz. The museum had showcased all of Mercedes and Daimler's creations from their very first car to the Mercedes SLG series. The museum had given the experience to check and feel through vehicles which otherwise would not have been possible under one roof. The evening was through the road trip to Munich which came to curtains as all took halt to have dinner at Munich and check into hotel Holiday Inn to rest for the night. The following day began with a journey to the Ayinger Brewery where everyone was shown the process of making beer from cultivating hops and barley to making of the malt and the fermentation by yeast, a process that takes over 7 weeks for achieving the taste of perfection. Followed by the mind indulging tasting of beers and the business knowhow of such family brewers. Post lunch the trip continued to the hilly regions of Neuschwanstein to engulf the serene scenic beauty of the snow capped hills and ranges of pine covered with laces of snow. The evening followed with a road trip back to the restaurant for dinner and rest for the upcoming day.

the reasons for the creation of the university and the achievements and the success stories of the university which are many to list down. What followed next was the extreme of all the visits, the adrenaline rush 10,000 feet high, the rush of swift wind and the thrill of -6° celsius temperatures; the scenes of and through the cable cars, the epic feeling of the ROTAIR, and the stunning emotions on the Ice Flyer. These were the highlights of mount Titlis where everyone had the best 3 hrs of snow ice and excitement with friendship and bonding which turned to memories etched into everyone's lives. The next morning was to the beautiful waterfalls of Rhine with a boat ride to the core of the waterfalls. What followed was a visit to the lions monument an epoch of a war depicted as the murder of a lion by a pig. A treason in the thoughts of the Swiss. The afternoon was the time of hassle and a battle with the running clock as all souvenirs and takeaways had to be bought and packed..

The evening everyone was with dimmer but sparkling eyes and with longing of home as we headed to Zurich Airport to take the flight back home. But with them came knowledge with them came learning and with them came memories etched into their hearts for years to come along with a promise to live life to the fullest to have such experiences again and to transform into a transformation not seen before so as to become global citizens and leave the mark into the canvas of the world. ♦

RBHS Grand Science & Education Fair

"Beyond
Expectations!"

"Wow! It is like
you all are pro
at doing such
an event."

These were the kind of remarks we received about everything that was part of the two days RBHS Grand Science and Education Fair we did on February 6th and 7th. The credit goes to TEAM PTA 2015-16 who took the lead and organized the fair by putting relentless efforts and hard work with the purpose of giving a common platform to each and every student, teacher and parent to showcase their hidden talents. It turned out to be a festival as the organizing team wanted it.

The science exhibition was inaugurated by the Chief Guest of the day Mr. Kailash Kejriwal the Hon. Secretary of the Rajasthani Sammelan at 10:00 am and it continued till 7 pm. The Fair was indeed a grand success with kudos to students, especially to 7-10 years old, who took turns, stood the whole day and explained their experiments in a detailed manner with limited time. Parents involved were full of energy and zest. Teachers, who were the directors, performed brilliantly. Some of the experiments were:

Salt & Pepper Separator, Make your own noise maker, Making a

strong bridge using paper, Principles of a volcano, Working model of lungs, Mind Illusion, Magical mirrors reflecting, infinite images, strong suspension bridge made out of paper and lemon battery were the highlights of the day.

More than 30 experiments were on display and the Chief Guest Mr. Kailash Kejriwal patiently stood and listened to the full explanation of all the students, answered the quizzical questions they asked after explaining and even wrote his comments in their feedback book. He was accompanied by Mr. Pankaj Kumar Kaundinya, the Guest of Honor, Mr. Banwarilal Jhunjhunwala, senior most trustee of Rajasthani Sammelan and Mr. Vinay Saraf, Trustee of the Board of RSET. Mr. Ashok Saraf the President of R.S.E.T also took time to come and see the entire fair inspite of his very tight schedule that day..

The work and achievements of eminent scientists of the world

were also displayed. It was truly a science fair by the students and for the students under the guidance of the school teachers and their parents. Some of the Scientists selected were Charles Robert Darwin, Srinivasa Ramanujan, Hans Christian Oersted, Galileo Galilei, James Watt, Albert Einstein, Avul Pakir Jainulabdeen Kalam, Archimedes, Thomas Alva Edison, Ernest Rutherford, C.V. Raman, Isaac Newton, and Michael Faraday. Students learnt about their inventions and discoveries.

Educational Fun Games were of great attraction for the children. Some of games played were:

7 UP, 7 DOWN (number games), Placing coins on pencil (balancing act), Matchstick equations (pure maths), Sentences with colours (Sharpness of mind)

All games were super hit. Students were overjoyed by winning and getting loads of gifts, viz bey blades, puzzles, skipping ropes, electronic tops, puppets, etc in return. It served the dual purpose of learning with fun.

Beside these there were more than 20 stalls which displayed information on various subjects such as Graphology, candle manufacturing, career counselling, photography etc. The stall named "Swachh Bharat" motivated the visitors to join the "Swachh Bharat Abhiyaan". Besides these stalls, Play zone, Photo booth, Tarot Card reader, Fusion foods and chocolates stalls were crowded with people. Magic shows at regular intervals was a delight for children and adults alike.

7th February 2016, was the day of various workshops for the children and talk shows for the parents. For Students of Std. V to IX there were workshops on 'Graphology' by Ms. Mansi Thakker, 'Image building' by Ms. Chetna Mehrotra, 'Anger management' by Ms. Sidra. For Std. I to IV: 'Kathak / Free Style' by Ms. Kruti Gandhi, 'My City' by Ms. Pooja Shah and 'Origami' by Mr. Pradeep Sakhle. For the Preprimary 'Creative learning' by Ms. Misthi Verma, 'Play zone' by Ms. Mahek Amlani and 'Yoga' were conducted leaving all students jubilant and happy. There

Guest of Honour Shri Pankaj Kaundinya, observing the experiments

were Talk shows on 'Spiritual Parenting' by Dr. Kanan Chikal and 'Brain Development' by Saniya Haryani, 'Image building' by Ms. Chetna Mehrotra. All these workshops and Talk shows provided a great learning experience with fun for the students and parents as all of them were based on activities.

All the members of the school parents, students, teaching staff, and non teaching staff were part of this two days Grand event. Nearly 300 students and as many parents of RBHS came on each day and another 100 students and teachers of KGSS also came to be a part of the event. Many people who came in the morning again came later in the evening bringing along their family, friends and relatives to enjoy the event. KUDOS to R.B.H.S. for putting up such an event!!!

The first thought of doing an event like this came from Mr. Kartik Shah, PTA Class Representative of Sr. Kg class during the early meetings of the PTA. He was supported by the Vice Chairperson of the PTA, Mr. Viral Vakharia, Class Representative of Class Vi and Mr.

Jaimin Trivedi, Class representative of Junior Kg and others consistently kept on building up the tempo and bringing greater clarity in every PTA meeting. The threesome often accompanied by some other CRs met the Principal to work out the finer details, send out invites, prepare the brochures, get sponsors, sort out ideas and detail out each minute of the two days. There were many limitations but nothing to stop them from going ahead and completing the whole thing. It gave deep satisfaction to all who were actively involved while doing things and having done it.

The event has set up expectations from the PTA to do it even bigger next year. Mr. Kailash Kejriwal, the Chief Guest of the Day has given his suggestions to the Parent members for the same. May it be an annual Learning Festival of RBHS! ♦

Annual Day
Celebrations

by Institutions of
Rajasthani Sammelan
Education Trust

Every year Annual Day is celebrated by the institutions of Rajasthani Sammelan Education Trust with great fanfare. Students await for this day to showcase their talents before the invited guests, management members, teachers and their friends. Students giving best performance in curricular and extra-curricular activities are recognized on this day by awarding shields, trophies and other prizes.

In this year, Annual Day celebrations of all the institutions were held in Pravinchandra D. Shah Sports Academy ground. A grand ambience was created to look the ground as an open air auditorium along with a spacious stage as well as suitable lighting arrangements.

Annual Days of institutions were celebrated from 18th January, 2016 to 24th January, 2016. Annual Day celebrations were followed by IRB & BKT Scholarship award function on 25th January. Deviprasad Goenka Management College of Media Studies also celebrated the Annual Fest of Mumbai Media Champs for three days between 25th to 27th January, 2016.

INSPIRE, INVENT, INITIATE

The 56th Annual Day of Kudilal Govindram Seksaria Sarvodaya School was held on Monday, 18th January, 2016 from 6.00 p.m. onwards. The Chief Guest Dr. Soma Ghosh (Renowned Classical Singer) Guest of Honor Shri. Pranav Makharia, President Shri. Ashok M. Saraf, Secretary Shri. Kailashji Kejriwal, Trustee Smt. Neera Saraf, Educational Director Dr. Sunanda Kar & others were received at the entrance by Principal Smt. Latha Venkat, Mrs. Ardi Rai (HIA Primary) Vice Principal Mrs. Indira Panwar & others.

Smt. Pushpabai Seksaria wife of late Shri Kudilalji Seksaria and the Main Donor of our school blessed all with her presence.

Welcome note was presented by Smt. Rekha Tiwari (Asst. Teacher Secondary Section). The other compeers for the day were Smt. Kanchan Chattree & Smt. Sapna Sharma.

The program began with a prayer dance to invoke the blessings of Lord Ganesha with the famous shloka 'VAKRATUNDA MAHAKAYA'. The energy & co-ordination of the students in the performance was mind blowing & set the tune for a wonderful beginning. To begin the evening the girls of Std IX rocked the stage with a 'GIDDHA' (Punjabi folk) performance with an energetic note.

Ms. Ankita Prajapati and Ms. Mansi Singh (Std VIII) won the hearts of the audience by rendering the famous song 'PINGA' from the film 'BAJIRAO MASTANI' with perfection.

The Maharashtra culture was well portrayed by the primary students with the 'JOGVA' dance. The formations and the actions of the students was well appreciated. 'Sayonara Sayonara' so saying the compeer Ms. Sapna Sharma welcomed students of Std VIII to perform a 'JAPANESE' dance. The colourful gowns and the beautiful fans left the audience spellbound.

Be it academics or sports our kids are at ease with both. A wonderful 'YOGA' performance to the sound of 'AASHAYEIN' saw the students portraying the various asana with great ease. Perfect balance and concentration was seen in every move. How can we forget our epics and their values. Students brought back to the audience the

Mrs. Pushpabai Seksaria being welcomed by Shri. Lalitji Saraf

Ten AVATARS OF LORD VISHNU In the dance ballet titled 'DASHAVTAR' very finely tuned to a famous Hindi song to captivate both the young and old audience.

The choir girls rocked the stage with the evergreen Hindi hits 'HASTA HUA NURANI CHEHRA' (film - Parasmari) and 'MANVA LAAGE' (film - Happy New Year), and left the audience mesmerised. This was followed by another hit song 'HAWA KE JHOKE' (film - Lootera) which was once again well appreciated.

The Prize distribution function began with a welcome address by Shri. Ashok M. Saraf, President, RSET, followed by the introduction and felicitation of the Chief Guest Dr. Soma Ghosh by Mrs. Nishi Mishra & Guest of Honor Shri. Pranav Makharia by Mrs. Indira Panwar.

The Principal Smt. Latha Venkat then read out the Annual Report for the year 2014-15. The claps continued endlessly when the principal announced the 100% SSC results for the first time in 53 years.

Then came the time to applaud the achievement of our students by distribution of Prizes to class toppers from Std I to IX, the SSC topper Ms. Sakshi Tripathi who scored 95 % and to students excelling in DEBATE, ELOCUTION and MUSIC.

Ms. Shreya Yadav of Std. X. was declared the Best Student for the year 2015-16 and was presented with a Trophy. She was also crowned as MS. SEKSARIA with a Sash. Mrs. Arti Rai (HM, Primary) presented the vote of thanks.

Having thoroughly enjoyed each and every performance Smt. Pushpabai Seksaria was kind enough to announce a cash award of Rs. 51000/- for the participants and the second half of the programme began with added enthusiasm.

Nothing can win the hearts of the audience than a famous number in their own language. The choir group did just that by singing 'SAAWAN LAGYON' and left the crowd tapping and clapping. In this world of technology nothing is left to its original - be it dance or music. And so our primary students grabbed the stage to perform a fusion dance of all Bollywood hits. Having won the appreciation of the audience for the Marwadi song, the girls once

again followed on to win the hearts of the audience by performing a 'RAJASTHANI' dance.

Runa Laila's 'DAMADAM MAST KALANDAR' was rendered by the choir group with full energy and vigor and enjoyed by one and all. For the first time the students presented their talent by performing the Bamboo dance with utmost perfection set to the famous song 'BICHUA' from the early 70's. A show must end with a 'BANG'. And so did our Annual day with a mind blowing performance of latest Bollywood hits by the girls of VIII and IX. The programme ended with the singing of the National Anthem by one & all present & declaration of a holiday the next day.

The stage programme started with a heartwarming speech by Shri. Ashok Saraf- President of Rajasthani Sammelan, appreciating the efforts of students, teachers and parents in helping build up this beautiful institution which churns out not only students but good citizens with moral values. Introduction of Hon'ble Chief Guest Smt. Vidya Thakur and Guest of Honor Smt. Nalini Seksaria was done by the Head Mistress Smt. Indrani Balan and Senior teacher- Ms. Sumana Mitra respectively. Both the Chief Guest & the Guest of Honour were felicitated by a bouquet and a Memento by President Shri Ashokji Saraf and Hon. Secretary Shri Kailashji Kejriwal.

A brief Annual Report was Presented by Principal - Smt. Mini Nayar highlighting the vision, mission of the school with an over view of the academic performance of the students at different levels, events and competitions conducted throughout the year. This was followed by felicitation of students and prize distribution was done by the dignitaries for their academic achievements in various subjects. The teaching and the non teaching staff who gave their valuable 20 years of service to the building of the institution were honoured by Shri. Ashokji Saraf and Shri. Kailashji Kejriwal. This was followed by a speech by the Hon'ble Chief Guest Smt. Vidya Thakur who praised the Management of Rajasthani Sammelan for their hard work in bringing this institution to a new level.

The programme continued with a foot tapping Goan Dance. Education is the movement from darkness to light and this was

Pre Primary students shaking a leg to welcome the guests

depicted by "Chanda pe dance" by Primary Section students stressing on the importance of education as everyone has a right to it.

The next performance depicted a valuable human emotion "compassion" which seems to be on a decline these days. The entertainment quotient was at its peak with L.E.D dance and a Spectacular display of modern technology.

The event Concluded with a vote of thanks and the National Anthem. It was indeed an evening which touched so many boundaries of tradition, social issues, entertainment and of course the hearts of everyone present there. ♦

Ramniwas Bajaj

UNLEASH YOUR POTENTIAL

The Annual Day Celebrations of Ramniwas Bajaj English High School for the academic year 2015-16 were held on Wednesday 20th January 2016. The venue this year was the Pravinchandra D. Shah Sports Ground in our own campus.

This was the very first time that we had organized the Annual Day Function on home turf. The ground was transformed into a veritable open air auditorium and that made it a thrilling experience for everyone; be it the participants or the parents or the staff. The ambience created was befitting for entertainment and the arrangements made were akin to professional performances.

The Chief Guest on the occasion was Dr. J. B. Agrawal, renowned laparoscopy surgeon. The Guest of Honour was Smt. Seema Bajaj, Trustee and Main Donor of Ramniwas Bajaj High School. President of Rajasthani Sammelan. Shri Ashok Saraf, presided over the function and among other dignitaries of the Trust present on the occasion were Shri. Kallash Kejriwal, Honorary Secretary of Rajasthani Sammelan, Dr. Sunanda Kar, Educational Director of Rajasthani Sammelan Educational Trust, Trustees & members of Managing Committee.

Cha - Cha - Cha by Standard IV

The Chief Guest, Dr. Agrawal, spoke eloquently to the parents touching upon his days as a student and many other pertinent issues. Shri. Ashok Saraf's address dealt with the ventures of Rajasthan Sammelan Educational Trust and the differentiators of Raminwas Bajaj High School in particular. Principal, Ms. Suchitra Pareekh, read out the Annual report giving an account of the activities of the school throughout the year. Following this, the annual prize distribution ceremony was held when meritorious students received prizes for their outstanding performances not only in academics but even in sports and other extracurricular activities.

The show was named 'The Hues of Life'. The theme basically revolved around the importance of the colours of the rainbow and how the absence of these colours in the world would affect life. Students were prepared to perform two dances for each colour of the rainbow; to depict different moods of the colour. Dances of the world, Mexican Dance, Japanese Dance, Egyptian Dance- to name a few, were showcased; around which a story was woven. All the colours of the rainbow formed a spectrum which emerged from white light and this was depicted in the grand finale spectacularly.

Since there was a hundred percent participation of the students of the school from Nursery to Std IX in this event, it was quite a feat to accomplish getting them all to rehearse during the regular academic session. However, with minimal practice the students put up a good show thanks to the efforts of the choreographer and teachers in charge.

It was indeed a sight to behold when the finale was staged with all the students on stage all together, in various colours, looking vibrant and beaming with exuberance. The enthusiastic parents thronged the area near the stage to cheer the performances of their children. The entire exercise of putting up the show was not only enjoyable but even satisfying for the students and they missed the rehearsals after the show was over!!!

**Mainadevi Bajaj
International School**
GIVING WINGS TO YOUR DREAMS

A colourful cultural programme and prize distribution ceremony marked the 6th Annual day celebrations of Mainadevi Bajaj International School on January 21st, 2016. The program commenced at 6.00 pm with the traditional lighting of the lamp by the esteemed dignitaries.

The Theme of this Annual Day was "Incredible India". The students across grades, through a colourful display of dance and drama paid their tribute to the martyrs of India. They also touched upon the aspect of Unity in Diversity in India, through a vibrant exhibit of the various religions of India and the festivals celebrated.

The programme was an amalgamation of various hues and the students spread the colours of unity in diversity. More than 200 students dressed in traditional Indian attire mesmerized the audience by performing to a variety of dances & drama under the 'Incredible India' theme. The programme started with the energetic performance in praise of Lord Ganesh which set the stage for the celebrations that followed.

The cherubic little Early Years students enchanted all present with their delicate moves to the melodious tunes of yester year to modern Bollywood songs, an inseparable part of India. The beautiful rendition of Dandiya in the traditional attire was spell binding and the synchronized dance movements to the foot tapping music of Bhangra enthralled the audience.

The Chief Guest on the occasion was Shri. Sharad Saraf, CMD, Technocraft Industries (India) Ltd. The other dignitaries present were: Guest of Honour Shri Rajkamal Bajaj, Shri Ashok Saraf, Shri Kailash Kejriwal, Dr Sunanda Kar, Ms Archita Rajpuria, trustees and heads of Institutes of Rajasthan Sammelan. The Chief Guest Shri.

Durga Puja performed by the Students of Grade 7

Sharad Saraf expressed happiness that the school was imparting quality education to students and encouraged the children to respect the rich legacy of Indian traditions. He inspired the students by sharing anecdotes of situations which gave him the courage to act fearlessly and called upon the students to be aware of their responsibilities as future citizens of India.

Head of School Ms Shagufta Parkar presented the annual report highlighting the achievements of the school and the students. Meritorious students in academics and extra-curricular activities were felicitated during the Formal Function. The prize distribution ceremony was unique. The Academic toppers were presented with trophies and certificates.

The toppers for each category were carefully selected on hard work, dedication and continuous contribution towards the school activities. The highlight of the evening was a Sufi dance performed by the 9th to 12th graders depicting the subtle influence of the Sufi's in India. The programme concluded with a curtain call on the famous song 'Sham Shandaar' where all the students came up along with the teachers, choreographers of the Shiamak Dance Academy and the Head of School to take the final bow.

The spectacular performances were remarkably appreciated by one and all. The reverberation of applause from the parents clearly sent the message across that it was indeed a wonderful evening, proving that apart from academics MBIS believes in imparting life skills to students.

The grand programme came to an end with the rendition of National Anthem. ♦

Learning BEGINS after an MBA

Dr. Ambi M.G. Parameswaran, Former CEO, FCB Ulka Advertising

Let me try and put down what I think would be six or seven key trends for the next 15 years in our career span.

The first trend is undoubtedly the increasing pace of change. The second challenge facing mid level managers will be the necessity to develop a global perspective. The third challenge is for managers to develop a global work culture and skill sets. The fourth challenge all of us will have to face will be the growing complexities of corporate world. The fifth challenge will be the changing Indian consumer. The sixth challenge is the war on talent.

So how can we prepare ourselves for the challenges of the future?

Let me try and draw an analogy by using a brand building model that I have presented in my book Building Brand Value. The book was released in end-2005, and it presents a rationale for a model that is needed for building brands, from bottom-up in a developing country like India. At the core of the model are elements of the marketing mix, but more importantly the model has five stages enunciated for building brand value. You are a brand and how can you build value by using the five stages of brand building pentagon. The five stages are Brand Appraisal, Brand Definition, Brand Articulation, Brand Measurement and Brand Expansion.

Start with Brand Appraisal. This stage is about evaluating if there is an opportunity to create a brand. Do people need a Rs. 1 lakh car? Do people need a more affordable shampoo? In your case what do you see yourself as? What role can you play going forward for your organisation?

The next step in Brand Definition. This step calls for marketing to define the brand – what is it about? What will be its positioning? It's

*I*t was Perelman who said "Learning is what most adults do for a living in the 21st century". And Bishop Greighton made this observation "The one real object of education is to have a man in the condition of continually asking questions". And I cannot agree more.

Does learning have to end with an MBA?

When I started my career in advertising over 30 years ago, my colleague and the legendary art director Arun Kale asked me this question "What do you fellows learn at IIMs? Why should you get paid so much?" I did not dare answer that question but bought him a copy of the book 'Practice of Management' by Peter Drucker – and told him this is all that we learnt at IIM. It shut him up for a long time and later he did tell me that now he knows there is something useful called an MBA!

So does continued learning a necessity after a glorious MBA? Why is learning and developing new and enhanced skills all the more important today?

Our parents possibly did not go through anything other than their formal education. Why is it therefore critical today to renew, refresh our knowledge base? And why is this going to become all the more important as we go along?

point of difference? In your case look at what can you add to the corporation? What are your unique skills? Mathematical? Behavioural? Technical? Financial? What is that one thing that you can do, that no one else in your company can do better?

The next step in Brand Articulation. Having decided what the brand will stand for, you will have to give it a name, an identity, a communication campaign. In your case, you know what you want to stand for, what you can do better than anyone else. How do you articulate this to your boss, your colleagues, your team? Will you offer to conduct training programmes? Will you articulate your skills a little more loudly?

The next, and vital step in Building Brand Value is Brand Measurement. Once you have created a new brand and launched it into the market, you need to set up measurement parameters to track its success or failure. These measurement metrics may be monthly, quarterly and annual. In the case of your career, you need to put in place measurement devices to tell you where you are succeeding and where you are falling short. The companies you work for may have performance appraisal systems – do not see them as just tools to get a good increment. They are a lot more than that. Understand the process and see how you can use the feedback to improve your performance. If you can get 360 degree feedback all the better. But make sure you get the feedback.

The fifth stage of Building Brand Value is Brand Expansion. Once the brand has been launched and has achieved a level of success, the quest is on to see what more can be done with the brand. New variants. New flavours. New sub brands. Or totally new categories to get into. Nirma went from washing powder to beauty soaps. Hero went from cycles to mopeds to mopikes. So in your case what can you become next? A lot of us have our own comfort zone. We like the same office, the same table and the same chair. Some things in life need to be stable but in the work environment you need to see what can you take on next as a challenge. A posting in a new area? A new additional responsibility? A new task to be done? Lookout to expand your horizons and that's the only way you can grow.

So the Brand Building Pentagon can also help you build a successful career.

And for some final tips to help you stay on course for a learning career.

Let me call this 7-7-7 rule.

Try and spend at least 7 days a year on training and learning. Enroll into useful programmes. Do not wait for your company to sponsor you. It is your career and your job and your life. Some companies have a training norm. And it takes effort to get people to enroll. You be the first. You may be aware that medical professionals in most parts of the world have to re-qualify every two years. And to take the test they have to show that in the 2 years they have accumulated 30 or so credits by attending programmes, in hospitals and outside. Accumulate your 30 credits every two years!

Now to the next tip. And let me tell you about an amusing exchange I read in Drayton Bird's book Common Sense Direct Marketing. Drayton Bird was interviewing a candidate for a job in his London DM agency. And this young man who claims to have five years experience, when asked what book on DM have you read said "I don't believe in book knowledge. I've learnt everything by observing". Drayton Bird in his book points out, will you consult a doctor if you hear this response from him. So the next little tip – read 7 business books a year. These need not necessarily be the latest best sellers. You could start with The Practice of Management by Drucker, or Scientific Advertising by Claude Hopkins or and this is my commercial message, books written by India authors on Indian brands.

The next 7 rule is about movies, books and music. I believe people in marketing, definitely have to have a wide enough 'taste spectrum'. You need to see 7 movies, hits, offbeat, Mexican, but see at least 7 different movies a year. Similarly read at least 7 different fiction books a year. And 7 different music albums a year. All these will help you take time to smell the flowers and in the process will give you a more global outlook.

A colleague of mine had this interesting observation to be good in your job it is at times useful to have 1 other passion. Not 2, not 3 but just 1. Like photography, or teaching or trekking or movies. Cultivate a passion other than work.

You need to have one person who can be your mentor. Figure out who it is and let him be as frank as he can. As Peter Drucker said, "The question is not, do you make mistakes. It is, do you learn from them".

Keep that in mind as you build your "learning career".

We are indeed living in exciting times. And those of you in your mid 30's and late 20's have a very exciting career ahead. You have made the right beginning, and as they say a task well begun is half well done.

The challenge facing you is to keep up the learning momentum because the reward is going to be rich.

As Dr. Mashelkar, Director CSIR, who I think is 70 years of age, observed "we are living in exciting times. It is great to be an Indian. Living in India."

Memorable Events in the Institution:

Since the first day we all had at least one common goal – develop our capabilities and to obtain MBA from one of the fastest growing business schools. I think that the most important learning during the two years spent at DSIMS is the importance of teamwork which helped us to develop tremendous patience, will-power, maturity and discipline.

I would like to thank all the professors for creating a platform for experiential learning and leaving some great ideas with us for the incubation process. This will go a long way in making the future better than the past. Interventions and Conclaves have given us an edge over other B-school graduates and enabled us to become social sensitive managers as required by industry.

DSIMS has made each one of us industry ready. Industry connect through various opportunities has helped us to understand the linkage between theory and practice. Institute also gave us ample opportunities to showcase our talent through cultural and sports events like Sabrang and Venus.

Memorable Events in the Institution:

The most memorable event in the institution was when I was elected as a Corporator from Ward 45 on a Congress ticket while studying in the college. When I filed my nomination, I was encouraged by my professors and friends immensely. Later on to complete my SYB.Com, I received support from Dr. Jayant Apte and Prof. G.L. Sonar. From the Management of Rajasthani Sammelan Education Trust, I received strong support from Shri Ashokji Saraf, Shri Vinayji Saraf and many others. I try in my humble ways to help the college in placement activities and computer training for needy students. I have great attachment for my college and will always try to help my college in every possible way. (Ms. Sneha Zagade is the youngest corporator. She is a very active Corporator in the ward and has organized Cleanliness Drive Programme, a Massive Cleanliness Drive and Free Medical Camp and many other activities).

Most memorable Event in the Institution :

My college nurtured me during the time when the human mind and heart tends to deviate from its goal. When my tender mind and heart was trying to cope up with the changes, my institution served as a beacon light transforming my mindset from an orthodox which feared change and challenge to a one ready for anything. After all these years, we think our success is because of our hard work but as a matter of fact it is due to our institution. Not even a high quality diamond becomes a jewellery until it meets a great craftsman and with my heart I thank my college for being that craftsman. I really cherish each and every moment spent by me in my college so it is.

My most memorable moment was the day when HSC results were declared. Not only myself but all the Professors & teachers, clerical, non-clerical staff, friends and each and every present there celebrated with me as if it was their success.

Dhurmal Bajaj Bhavan is a community hall which was constructed in the year 1975-76 with the handsome donations received from Shri Dhurmal Bajaj Charity Trust & other philanthropists of the community. It is situated on S.V. Road, on the opposite side of the Educational Complex of Rajasthan Sammelan. It has a spacious, air conditioned hall on the ground floor with a seating capacity of 350 persons. The building has two more halls on the first & second floors. There are air conditioned rooms adjacent to the hall on all the floors. Dhurmal Bajaj Bhavan caters to the needs of the community, as it is rented out to the people for marriage & other social & business purposes. Many cultural activities of the schools & colleges of the trust are also conducted in Dhurmal Bajaj Bhavan.

Established in 2001

Rajasthan Sammelan has set up Trivenidevi Deora Chikitsa Sahayta Kosh to provide medical help to needy people. It is managed by Trivenidevi Deora Chikitsa Sahayta Kosh Committee. The committee receives applications for medical help from needy people and on scrutiny of the applications, sanctions and disburses medical aid to the concerned persons who have applied for the same. Many people including the staff of all the institutions have availed of this facility from time to time.

Established in 2002

Durgadevi Saraf Hall is constructed in the educational complex of Rajasthan Sammelan & is an air conditioned, sound proof hall with state of the art facilities. It has a seating capacity of approximately 300 persons & is mainly used for organizing seminars, conferences & cultural activities of the educational institutions of the trust. Besides, it is sometimes also given to the members of the community for marriage & other social needs. The hall has all the facilities to cater to business meetings. It has 2 air conditioned rooms adjacent to the hall.

Established in 2010

To maintain universally accepted IT Standards in security, availability and data management, Rajasthan Sammelan has decided to have an IT Hub as proper data centre which is supported and managed 24 x 7. The IT Hub is constructed on the 10th floor of the new building, in a built-up area of 3800 sq.ft. It is fully air conditioned and is operational. The main aim of constructing the IT Hub is to make all course material available on line to our students, easy flow of interaction between student and teacher through electronic medium, to create alumni data and keep students attached to our organization life-long through web, to safe guard the campus using video vigilance and electronic access control, to control the entire admission process of all institutions centrally, to safe guard all available data and provide fast internet services within the campus.

Established in 2013

Rajasthan Sammelan has started a cafeteria in its premises to provide snacks of large varieties to students. The cafeteria is situated on the ground floor on the south side of Durgadevi Saraf Hall in a total built-up area of approximately 4500 sq.ft. It is used by staff and students of all institutions. Various food items of different price range are supplied by the cafeteria to the students & staff of all our institutions. The cafeteria supplies all kinds of snacks and beverages to the canteens of all the institutions of Rajasthan Sammelan.

Established in 2014

Rajasthan Sammelan has started an educational outlet in its campus by the name of Ramnarayan Saraf Educational Outlet. This educational outlet is dedicated to the memory of late Shri Ramnarayan Saraf. The educational outlet is constructed on the ground floor of the new building of Ramnivas Bajaj English High School on the rear side, in a built-up area of 5000 sq. ft., with an independent entrance. In this educational outlet, all stationery items, text books etc. are sold at a reasonable price so that students need not go out to purchase such items elsewhere. It also has xeroxing facility for staff and students.

Established in 2014

Rajasthan Sammelan has constructed Vijay Pal Singh Health Centre on the ground floor of the new building of Ramnivas Bajaj English High School and Devprasad Goenka Management Institute of Media Studies, in a built-up area of approximately 1200 sq. ft. The health centre is fully air-conditioned and has a well equipped clinic, managed by trained and experienced staff and qualified medical professional prepared to meet the emergencies. The health centre caters to the students of all institutions of Rajasthan Sammelan for health check-up. It will also conduct health and wellness educational seminars for staff, students and parents.

BKT
freeship endowment fund
FOSTERING KNOWLEDGE

Rajasthani Sammelan has started BKT Endowment Freeship Fund to provide freeship to those students who cannot afford education due to lack of funds. BKT Endowment Freeship Fund is going to provide opportunity to many deserving students to obtain suitable education and thereby make progress in their life by becoming properly qualified.

Remsons Group
management research centre
MANAGEMENT EXCELLENCE

Rajasthani Sammelan has started Remsons Group Management Research Centre (In memory of Radhadevi Hartalka) in Durgadevi Saraf Institute of Management Studies. Research is an important part of management education for its growth and development. Remsons Group Management Research Center has been playing an active role in the area of research in management studies. This has given an opportunity of interaction with scholars of reputed universities all over the globe. The Director as well as faculty members of DSIMS have been presenting research papers in many international and national seminars and workshops. We are sure that in future, many scholars will successfully complete Ph.D Programme from Durgadevi Saraf Institute of Management Studies.

IRB
scholarship endowment fund
ENCOURAGING EXCELLENCE

Rajasthani Sammelan has started IRB Scholarship Endowment Fund to provide scholarships to all meritorious students of all the institutions of Rajasthani Sammelan. This will give encouragement to many brilliant students to achieve further excellence in education. Meritorious students will be further motivated to work hard and give their best performance in the field of studies.

Janakidevi Bilasrai Bubna
endowment freeship fund
ENCOURAGING EXCELLENCE

Rajasthani Sammelan Education Trust has started Janakidevi Bilasrai Bubna Endowment Freeship Fund to give freeship to the needy and deserving students studying in various educational institutes of RSET. The Janakidevi Bilasrai Bubna Endowment Freeship Fund will provide the much needed financial support to such students who do not have the financial means to pursue their education.

Rajasthani Sammelan Educational Trust proposes to start a Boy's hostel that will provide accommodation to students interested in pursuing higher education in the educational institutions of RSET or any other institute. The hostel which will be situated in an exclusive building will have the most modern infrastructure and will include areas for recreation, dining, entertainment and laundry facility.

With the Increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, Rajasthani Sammelan's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the Industry-academia gap for employability.

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kirdilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

This is a social outreach initiative to reach out to empower women in our society. Through this initiative of Rajasthani Sammelan Educational Trust, we will empower women through various programs aimed at improving their self esteem and importance. With this initiative we propose to take a step into the direction of bringing about a revolutionary shift in the mindsets of the people of our country.

Rajasthani Sammelan Educational Trust proposes to start a Community Radio Station which will have a reach of about 10 km radius around the RS Campus. The primary focus of RS Radio is to cover education. Besides, RS Radio will also cover socially relevant issues that pertain to health, community welfare, local governance and programs that empower women.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institute have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilal Sekaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Rula (Brijmohan Laxminarayan Rula Charity Trust) way back around the year 1960, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on ra@rajasthani.org.in.

YOUNG EVOLVING MINDS

- ➡ Age appropriate experiential learning, which is truly International In its design and delivery.
- ➡ A happy, stimulating and secure environment helping children to enjoy the ideal start in life.

Our Programs:

PLAYGROUP:

The initial focus is to settle the child smoothly and handle the separation anxieties with care.
We introduce 37 themes in a year.
Our themes transit the child from their inner world to outer world.

PRE NURSERY:

The pre nursery programme initiates pre learning skills for language, numeracy and writing.
The transition at this level is from introduction to recognition in all aspects.
We instill enthusiasm for formal school through activities designed in the class.

Fun filled activities @ MBIP

- Role Play • Music • Dance • Drama • Sand & Water Play • Art & Craft • Field trips
- Animal Yoga & outdoor activities • Cooking experience • Sensory Motor activities
