PRESIDENT'S MESSAGE

Ashok M. Saraf

President,
Rajasthan Sammelan Education Trust

Dear Reader,

Education is a great leveler as it raises the socio-economic status of an individual. It helps a person to pursue desired branch of studies that will turn him / her into a competent individual capable to contribute significantly to the society and nation and also lead a good quality of life. Therefore, we at Rajasthan Sammelan Education Trust have embarked on the journey of providing education all the way from schools to colleges, management institute, media college to online education. Along with providing education, we have also provided state of the art infrastructure to all institutions and all technological support necessary for teaching- learning. Many dignitaries visiting our campus for the first time are pleasantly surprised by our infrastructure and facilities..

In the recent past many important activities took place in our RSET campus. Annual Day of our institutions were celebrated in Pravinchandra D. Shah Sports Academy ground in the month of January. We invited important dignitaries as the Chief Guest and Guest of Honour. On this occasion, we had invited Smt. Kartika Rane, noted cine actress, Dr. Raja B. Smarta, Managing Director, Interlink Marketing Consultancy Pvt. Ltd., Dr. Tushar Guha, eminent psychologist and educationist, Shri Nandkishore Kagliwal, Chairman, Nath Group, Shri Sanjay Behl, CEO, Raymonds Ltd., Shri Krishna Kumar Karwa, Managing Director, Emkay Global Financial Services Ltd., Dr. Indu Shahani, Dean, ISME, Dr. Swaroop Sampat, renowned cine actress & social worker and Shri Ramprakash B. Bubna, Chairman & Managing Director, Sharda Cropchem Ltd. All the dignitaries were extremely overwhelmed by the programmes presented by our students. All Donor family members also graced the Annual Day celebrations as the Guests of Honour.

During this time, we also organized scholarship award function in which meritorious and deserving students were awarded IRB, BKT and JBB scholarships at a glittering function with great fanfare on 21st January, 2017. The highlight of the function was a grand performance of 'Blue Fire' band group consisting of celebrity drummer, Shri Sanjay Maroo, renowned electric violinists Shri Harikumar Sivan and their team. Our institutions also jointly celebrated Republic Day on 26th January, 2017 in PDSA ground with Shri Suresh Pansari as the Chief Guest who hoisted the National Flag.

It is a matter of pride that three of our schools namely Kudilal Govindram Seksaria Sarvodaya School, Kudilal Govindram Seksaria English School and Mainadevi Bajaj International School have received Brainfeed School Excellence Award that was awarded by Brainfeed Magazine. Our institutions of higher education also excelled in the academics. Durgadevi Saraf Institute of Management Studies ranked 8th among the Best B- Schools in Mumbai in the Times B-School Survey. Durgadevi Saraf Institute of Management Studies ranked 91st in India amongst top 100 B-Schools as per Times B-School Survey 2017. DSIMS has also signed a MOU with Ottawa University, Kansas, U.S.A. for academic collaboration.

Ghanshyamdas Saraf College received permission to be a research centre for Ph.D in Commerce and Economics. Some of our faculty members have also successfully completed their Ph.D and have also

presented research papers at prestigious seminars and conferences. Dr. Jayant Apte, Vice-Principal of the college has been promoted to the post of Professor in Accountancy Department of the college.

In the past few months, many prestigious seminars and conferences were also held in Durgadevi Saraf Institute of Management Studies, Devprasad Goenka Management College of Media Studies and Ghanshyamdas Saraf College. Special mention can be made of 4th Remsons International Research Conference at DSIMS with Shri Krishna Kejriwal, Managing Director, Remsons Industries Ltd., as the Chief Guest and Cine Voyage, the intercollegiate film festival of DGMC with exciting competitions and events and an interactive session with the noted actor/writer and poet Shri Piyush Mishra.

Our Pravinchandra D. Shah Sports Academy ground is regularly utilized by our in-house students and expert coaches are appointed to train them on various games and sports. Many of our students from Ghanshyamdas Saraf College as well as Kudilal Govindram Seksaria English School have received Gold, Silver and Bronze medals at District, State and National level sports competitions and have made us proud by their achievements.

It is a matter of great pleasure that with handsome donations received from our Donor Shri Ramprakash B. Bubna, our Trust has taken steps to start a Boys' Hostel near RSET Campus. The building for the Hostel has been identified and has been named as Jankidevi Bilasrai Bubna Boys' Hostel.

We are also in the process of establishing an autonomous Self-Financed University of RSET. We are continuously moving towards our mission of providing education to the modern generation to turn them as rich human resources for the country. We believe 'The best is yet to come' (William Shakespeare). We solicit co-operation and support of all Donors, Trustees, members of Managing Committee and well wishers to join us and strengthen our hands to attain our objectives in our educational endeavours.

HON. SECRETARY'S MESSAGE

Shri Kailash Kejriwal

Hon. Secretary,
Rajasthan Sammelan Education Trust

Dear Reader,

The academic year has come to an end. All the institutions have completed their examinations, and are in the process of preparing for the next academic year as soon as board or university results are declared. We have received various circulars and instructions from respective boards, university and other regulatory bodies for the changes to be implemented from the next academic year. Apart from change in the duration and number of periods per week, the SSC State Board has also changed syllabus of Standards 7th and 9th from the next academic year. The major change is removal of 'General Maths' and keeping only one mathematics subject for all, which consists of Algebra and Geometry.

As per a recent circular received by Junior Colleges affiliated to Maharashtra State Board, students seeking to change colleges in Class XII will have to fill an online application form and mention their preferred colleges by giving valid reasons. From this year, Mumbai University has also started onscreen evaluation of examination papers for the first half of the year 2017, a system that was started in 2013 for the engineering examination. Regulatory bodies for higher education such as UGC and AICTE are also in the process of making major changes in their policies by granting best institutions (based on NAAC/NIR rating) more freedom to frame curriculum, conduct of exams etc.

This year, our institutions have made us proud by receiving many awards and accolades for educational excellence as well as for extra-curricular activities and sports. Durgadevi Saraf Institute of Management Studies has been ranked 8th among the Best B-Schools in Mumbai in the Times B-School Survey and also ranked 91st in India amongst top 100 B-Schools as per Times B-School Survey 2017. Mainadevi Bajaj International School has been ranked 1st in Zone D and 6th in Mumbai amongst schools with international curriculum as per Times School Survey. Three of our schools namely Kudlal Govindram Seksaria Sarvodaya School, Kudlal Govindram Seksaria English School and Mainadevi Bajaj International School have received Brainfeed School Excellence Award that was awarded by Brainfeed Magazine.

In the area of Sports, students of Ghanshyamdas Saraf College received Gold and Bronze medal at National level competition in Kick-Boxing and Gold medal at State level Kabaddi tournament. Durgadevi Saraf Junior College equally won accolades in sports activities. The Girls Kabaddi team is continuously winner at State level for the past six years, while the Kho-kho team of boys secured 3rd place in Mumbai district. The children of Kudlal Govindram Seksaria English School showed their talents in sports by winning Gold and Bronze medals at State level Thai Boxing competition.

It is said that teaching and research are two complimentary activities. Ghanshyamdas Saraf College has recently received permission from University of Mumbai as Research Centre to enroll students for Ph.D in commerce and economics. DSIMS has recently organized Fourth Remsons International Research Conference 2017 which was graced by Shri Krishna Kejriwal, Managing Director, Remsons Industries Ltd., as the Chief Guest who also delivered his insightful keynote speech on the occasion.

Hon. secretary's message

RS CA Study Centre and ICAI Extension Counter is running successfully in the educational campus of RSET. At present, approximately 350 students are enjoying the benefit of the Study Centre which is kept open from 8 a.m. to 9 p.m. for the convenience of the students. All the students enrolled with the Study Centre are geared up for their CA exams which begins on 3rd May, 2017.

In the past few months, Kunjibihari S. Goyal Online Academy has launched new version of Goyal Academy's Mobile App. Students of Ghanshyamdas Saraf College and Ladhidevi Ramdhar Maheshwari Night College of Commerce have been given user id, password and availability of learning content on GOLD Portal. GOLD Academy has also tied-up with IDOL (Institute of Distance and Open Learning), University of Mumbai to provide content for undergraduate commerce stream.

In the month of January, all our institutions enthusiastically celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground, wherein the ground was turned into an open air auditorium and all the institutions vied with each other to present dazzling shows which impressed the Chief Guests, Guests of Honour and other dignitaries.

It is our long and continuous journey to attain excellence in educational endeavours and also to provide best facilities to the student community to pursue their desired stream of education. We are in the process of starting a Boys' Hostel near our RSET Campus from the next academic year. We sincerely thank Shri Ramprakash B. Bubna and his family for their gracious donations for this project. This initiative would be another milestone for RSET and a step further towards various facilities extended for the students.

We solicit co-operation and support from all our Trustees, members and well wishers to be part of our educational movement.

CEO'S MESSAGE

Captain (IN) Anant Yadnik (Retd)
CEO,
Rajasthani Sammelan Education Trust

Dear Reader,

What is success in two words??? A beautiful answer—Success is nothing but "Understanding and Inspiration". We at RSET as a TEAM have both the aforesaid ingredients to make RSET as one of the most successful brand.

The quarter commencing with January has distinct feature. It's the beginning of the Calendar Year and closing of the Financial Year. In between these two dates are loaded a lot's and lots of activities which are difficult to be penned down but looking dispassionately it was very clear that this was one of the most successful quarter in the recent past for RSET and its Institutions.

At RSET, all the institutions, its staff and students were rejuvenated after a spell of short year end vacation. They pulled up their all might and strength towards the rigorous and spirited preparation for the Annual Days and quickly transformed themselves yet again to ensure that students then got busy in serious preparations for their final exams of the year 2017.

Thus, in a second year in succession, we at RSET have celebrated our Annual Days of various schools and colleges on our own PDCA ground from 17th January 2017 to 26th January 2017. All the minor lessons learnt from the past year, were utilized to ensure the flawless conduct of all the programs of 2017. As usual we had eminent and versatile personalities from various fields like academicians, business, corporates, media and educationist who have blessed us by their presence as Chief Guests for our Annual Day functions. I am sure that they in turn carried out the everlasting impression of the standard and quality of the stage performances of in-house talents of our students. It would not be an overstatement that in few years from now we may witness many of our students making their name and fame at National and International arena and making us feel proud that they are our ex-students.

The brand RSET is slowly and steadily getting its foot hold on international scene with tie-ups, immersions and collaborations. To substantiate this, one such memorable thing that happened recently is at DSIMS. DSIMS, an emerging Management Institute of huge potential and the Ottawa University at Kansas (USA) with a proud 150 years of heritage signed a MOU on a student exchange programme where both the institutions and its students will get immensely benefitted because of the wide exposure in learning at international level.

We, at RSET, always cherish the National interest with full devotion and dedication. Hence, the Republic Day Celebrations on 26th January, unfurling of the 'Tiranga' followed by spirited programme from the students of various schools (KGSS/KGES/RBHS and MBIS) was a tribute to our National Hero's and inspiration to our students to do their best for our country. It's a matter of routine practice that we follow every year, that each school takes up the responsibility in rotation to organize and conduct the entire event of RD celebrations. This year it was the turn of MBIS (Our International school) which left no stone unturned and lapped up the opportunity to put up a spectacular event which was appreciated by one and all.

The importance of training can't be undermined and thus the Management at RSET is constantly looking forward at the first opportunity to ensure that the necessary training is given to its employees. On 27th February, a training on "Disaster Management" was conducted to the key staff of all the schools and colleges by an expert from the outside agency from morning 8 AM till 4 PM in three different slots of 2 hrs each. The presentation, narration of day to day live examples, few case studies and finally Question Answers sessions made the training very interesting and effective too. The highlight of the training was that a large number of staff (both male and female) have been given a hands on training to physically handle the real fire extinguishers to fight a real fire. The next step in this direction is that we will be conducting a Mock Evacuation Drill for all the 15000 students and 750 employees at the earliest based on the training received by this staff.

The support services play a key role for the smooth and effective running of the organization towards achieving its vision and mission. Our new service agency viz; OCS has settled down and ensuring the satisfactory service to all the institutions. The ticketing systems introduced to all the service agency is taking care of all the complaints raised and resolving the issues as per priority accorded to each case.

Overall, this quarter ended up with a plethora of academic achievements, great show in sports accomplishments, increasing the brand value of RSET manifold with various tie-ups and collaborations and last but not the least, the team here is putting its best to ensure that the flag of RSET is flying high with pride and glory and proving to the management that nothing succeeds like success.

Jai Hind.

Message from Director of Schools

Nitin Padte

Director of Schools
Rajasthan Sammelan Education Trust

A Grade 7 student in one of my schools is caught copying formulas during a chemistry examination. She has written them on the inside part of a sleeve. She is a very hard working student who is among the top five performers in the class. The student is unhappy that she was copying, she is even more distraught that she is caught and the parents, who I met after the incident, are aghast and are wondering who and what to blame for this. What kind of pressures work on the minds of children who are forced to compromise their integrity?

As we head out towards the end of yet another academic year, it is important to take a close look at the examinations' mania that grips all educational institutions at this time of the year, making them lose all sense of balance as they coach their students to get the highest marks and highest ranks, sacrificing other goals of education which may include learning and becoming a wholesome and caring human being. In this "good results at any cost" headlong dive, teachers and heads of schools are held answerable, in some of the top schools, for even a decimal drop in the school's performance and a blind eye is turned to any kind of malpractice that may be used to produce good results. Jobs and increments in some school depend upon the result produced.

The end result of this is often a tense and unhealthy work atmosphere in schools, parents who are on the edge with anxiety at the time of exams and results and most importantly, very little useful learning. In an experiment conducted two years ago, a couple of dozen toppers from a state board - all of whom had scored over 90 per cent marks - were requested to appear for the same exam six months later and it was not surprising that none of them could score more than 60 per cent marks since their education was focused on getting good marks and not on learning.

Some schools begin preparing for their 10th standard examination in the vacation of 8th standard and they are proud to say that all their 10th standard portion has been completed in 9th standard itself. If that was the intent of the wise men who head the different boards would they not have recommended accordingly? And what about the negative impact of such cramming on the tender minds of the 13 and 14 year old students who are put under unsustainable pressure?

Examinations, and other forms of assessment, are important as they inform students, parents, teachers and managements about the progress of learning and how teaching and learning practices can be improved on the basis of the information gleaned from

assessments. However when examinations and the results they produce become an end in themselves, education comes to a halt. In advanced countries such as Finland, which is at the centre for experimentation in liberal education, there are no state examinations till students appear for a pre-university matriculation exam. These systems clearly recognise the purpose and nature of assessments and that these should be used only to support learning and are not an end in themselves.

In schools of the Rajasthan Sammelan Education Trust we are clearly cognizant of this dilemma and try to ensure that we strike a healthy balance between academics, examinations and co-curricular activities to bring about the holistic development of the child. Throughout the year there is emphasis on the physical, intellectual and emotional development of our students through a variety of initiatives. While we appreciate and celebrate the academic performances of our children we also hail their overall development as global learners.

The true purpose of education is to make minds, not careers.

Last month International Women's Day was celebrated all over the globe on 8th March. However, this has been a special year for women in Indian Judiciary. For the first time in India's history, four High Courts have women Chief Justices at the moment namely Justice Indira Banerjee at Madras High Court, Justice Manjula Chellur at Bombay High Court, Justice Goria Rohini at Delhi High Court and Justice Nishita Nimal Mhatre as the acting Chief Justice of Calcutta High Court. Also, first time in the history of Kerala, the State High Court has four female Judges. This is indeed a remarkable achievement in our country as the doors of Indian Judiciary is particularly not too open to women as India is yet to have a female Chief Justice of Supreme Court, the highest position of Judiciary.

Past few months witnessed many important changes in school as well as in higher education system. Board examinations for Class X are set to become compulsory for all CBSE students from the year 2018 as is the practice in the state boards. As of now, in all the affiliated schools with CBSE board, its optional for students to choose either the board examination or a school based examination.

At Mumbai University, decision was taken for Onscreen Evaluation of answer books of all examinations conducted for the first half of the year 2017. For this, teachers have been given suitable training at different centers to prepare them with the technical know-how. Onscreen assessment was first introduced in the December examination of Engineering in the year 2013. With initial hurdles now the system is working smoothly for onscreen assessment in Engineering. We hope that the system will work efficiently for all the university examinations.

National Assessment and Accreditation Council (NAAC), the autonomous body established by UGC to evaluate quality of institutions of higher education is also in the process of major changes in their assessment procedure. This time there will be a new format and the Internal Quality Assurance Cell will be responsible for collecting data for the Self Study Report. Most of the information will be sought online and the peer team review which used to take two to three days will be cut short. Henceforth, the process will be ICT (Information and Communication Technology) enabled.

Preceding months have been very strenuous for the students who had appeared for the twelfth standard examinations in the science stream. While their counterparts in Commerce and Arts streams enjoyed their vacation after finishing their board examination, the Science students aspiring for admission to medical, engineering and allied branches worked hard to appear for NEET, CET, JEE Main /Advanced and many such entrance tests. Recently, the Supreme Court has lifted the age limit of 25 years to appear for NEET examination for Medical Entrance which has been welcomed by many seniors pursuing other professions who have now taken up the challenge to appear for NEET exam for admissions to MBBS and BDS.

Coming to RSET Campus, past three months had been full of exciting events. Dazzling celebrations of Annual Day by all institutions were held at Pravinchandra D. Shah Sports Academy ground from 17th January to 26th January, 2017. We invited many important dignitaries as the Chief Guests while members of Donor families very kindly graced the occasion as the Guests of Honour.

Our Deviprasad Goenka Management College of Media Studies hosted a dazzling two days intercollegiate Media Fest - 'Mumbai Media Champs' that turned out to be an excellent branding tool for the college. During this time, at a glittering award ceremony, we also felicitated our proud recipients of IRB, BKT and JBB Scholarships. The highlight of the evening was the electrifying performance of 'Blue Fire' band group consisting of Shri Sanjay Maroo, Shri Harikumar Silvan and their team that captivated the audience.

Academically our institutions have made us proud by their achievements. Durgadevi Saraf Institute of Management Studies has signed an agreement with Ottawa University, Kansas, U.S.A for academic collaboration. Ghanshyamdas Saraf College has been recognized as Research Centre to enroll research scholars in Commerce and Economics. In the area of sports, our students have made us proud by winning many prestigious awards at District, State and National level competitions.

We at Rajasthan Sammelan Education Trust are involved in a continuous process of welcoming the changes that are taking place in the education system of our country. In our RSET campus, education is fun, teachers are friendly and at the same time they maintain discipline with the learners. We give enough opportunity to students to enjoy by participating in extra-curricular activities as well as take part in sports for their physical well-being. It is a long and continuous journey of our Management to attain excellence in their educational endeavours.

Dear Reader,

Through this issue of Abacus, I convey my hearty felicitations to the President and his team, Trustees, members of Managing Committee of Rajasthani Sammelan Education Trust, Principals, staff and students of all the institutions for the excellent progress and development done in this academic year.

I am very happy to know that Durgadevi Saraf Institute of Management Studies has signed a MOU with Ottawa University at Kansas, U.S.A. for academic collaboration which will definitely broaden the perspectives of the students by interacting with international faculty as well as students. DSIMS has also successfully organized seminars and conferences especially Remsons International Research Conference in which many research papers were presented by eminent academicians. The students of the Institute organized a 'Cricket for Social Responsibility' wherein a cricket tournament was played for raising funds for the Mid-Day Meal arranged by a NGO.

It is indeed heartening to note about the academic achievements of the faculty of Ghanshyamdas Saraf College. Dr. Jayant Apte has been recognized as a Professor in the Accountancy Department, Librarian Dr. Neha Joshi and Dr. Anju Bohra, faculty, were awarded Ph.D degree and Mrs. Rupa Shah received Best Research Paper Award. Durgadevi Saraf Junior College has successfully conducted HSC Board examination and faculty from the college Dr. Nishit Dave was also awarded Ph.D degree. All the institutions successfully celebrated Annual Day in a grand manner at P.D. Shah Sports Academy ground.

I convey my whole hearted compliments to all those associated with Rajasthani Sammelan Education Trust.

Dear Reader,

The academic year is coming to an end and I have immense pleasure to note about the excellent activities of all the institutions of Rajasthani Sammelan Education Trust in the past few months.

It is a matter of pride that three of our schools namely Kudilal Govindram Seksaria Sarvodaya School, Kudilal Govindram Seksaria English School and Mainadevi Bajaj International School are proud recipients of Brainfeed School Excellence Award that was awarded by Brainfeed Magazine. Students of Kudilal Govindram Seksaria English School participated in International English Olympiad and our students bagged 4 Gold, 1 Silver and 1 Bronze medals. Students of KGES have also bagged 4 Gold, 5 Silver and 3 Bronze medals at the International Maths Olympiad. Students of KGES have also excelled in Sports by winning Gold and Bronze medals at State and National level competitions in Thai Boxing. I convey my hearty congratulations to all the proud winners for their noteworthy achievements in different competitions. It is gratifying to know that all the institutions celebrated Annual Day in a grand manner at Pravinchandra D. Shah Sports Academy ground in the month of January wherein the students show cased their talents through excellent cultural items. During this time, students of all the institutions were also awarded Scholarships and Freeships at a grand award function which was highlighted by the performance of Blue Fire Band Group lead by Eminent Drummer Shri Sanjay Maroo and his group. All the institutions jointly celebrated Republic Day in RSET Campus with patriotic fervour combined with interesting cultural programmes.

I also take this opportunity to congratulate Prin. Dr. Latha Venkat of KGSS for receiving her Doctorate degree from International Open University affiliated to UNESCO. I wish a bright future to all the institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

At the outset, I wish all the students passing out from various institutions a very bright future!

Education forms the backbone of a nation for its progress. Rajasthani Sammelan Education Trust has rightly chosen education as its contribution in the nation building process.

It is heartening to note that all the institutions have excellently combined academic and extra-curricular activities for all round development of the students. It is a matter of pride that Kudilal Govindram Seksaria Sarvodaya School and Kudilal Govindram Seksaria English School both are proud recipients of the Brainfeed School Excellence Award which is awarded for academics and all round development.

Further Kudilal Govindram Seksaria English School has successfully completed Internal and External Audit for ISO 9008 certification process. The students of Kudilal Govindram Seksaria English School need to be complemented for bagging gold, silver and bronze medals at the English & Maths Olympiad and also at State and National level competitions in Thai Boxing.

My heartiest Congratulations to Dr. Latha Venkat, Principal of Kudilal Govindram Seksaria Sarvodaya School for having received her Doctorate from the International Open University affiliated to UNESCO.

Rajasthani Sammelan Education Trust is continuously evolving by taking up new endeavours, the latest being a Boys' Hostel to provide accommodation facility to students coming from other parts of the country to pursue higher education. I am sure we shall see many more projects taking shape in the future.

My compliments to President Shri Ashok M. Saraf and his team as well as all associated with Rajasthani Sammelan Education Trust for the splendid work being done by them.

Dear Reader,

It is my great pleasure to note that Rajasthani Sammelan Education Trust is progressing and expanding in the area of educational endeavours. I am happy to know that recently the Trust has taken steps to start a Boys' Hostel near its educational campus in Malad (West), that will provide a home away from home to many boys coming to Mumbai to pursue higher and professional education.

Our family is proud to be associated with the trust for

Dear Reader,

In the past few months, many interesting activities were held in the campus of Rajasthani Sammelan Education Trust. All the institutions have celebrated their Annual Days at glittering functions in Pravinchandra D. Shah Sports Academy ground and also Republic Day with a patriotic zeal. I convey my compliments to the Heads of Institutions, Staff and students of all the institutions for the success, name and fame achieved. It is a matter of great pride for us that DSIMS has signed a MOU with Ottawa University, Kansas, U.S.A. for academic collaboration. Our Trust is also going to start soon a Boys' Hostel near RSET Campus.

It is heartening to know that the first batch of students of Ramniwas Bajaj English High School has appeared for Standard X for ICSE Board examinations. I take this opportunity to wish them all success at the examinations. The students of the school participated in Science and Mathematics Olympiad and bagged many gold, silver and bronze medals. My hearty felicitations to all the students who have been awarded prizes at various interschool competitions.

I am happy to know that Mainadevi Bajaj International School organized many interesting activities for the students such as Inter house Hindi & English Skit Competition, Peer Interactive Session, Art Fest and celebrated French Day by display of famous monuments from Paris, French Food Market and with students dancing on the beats of French song.

Mainadevi Bajaj International Playschool also organized many fun-filled activities for parents and toddlers as a part of their physical development.

I convey my compliments to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader,

I am extremely happy to know about the development and growth of all institutions managed by Rajasthani Sammelan Education Trust in the past few months. All the institutions have conducted interesting and noteworthy academic and cultural activities. The institutions of higher education have conducted prestigious seminars and conferences and the faculty have presented papers for the same.

It is gratifying to note that recently Jankidevi Bilasrai Bubna Freeship Award function was held on 21st January, 2017 at Pravinchandra D. Shah Sports Academy ground of RSET Campus. Shri Sanjay Behl, CEO Raymonds Ltd., graced the occasion as the Chief Guest. Smt. Sharda R. Bubna, Director of Sharda Cropchem Limited, represented our organization at the Freeship Award function as Guest of Honour. Students of all the institutions of the Trust were awarded Jankidevi Bilasrai Bubna Freeship on this day.

On this occasion celebrity Band Group of Shri Sanjay Maroo and Shri Harikumar Sivan 'Blue Fire' gave an electrifying performance to cheer up the awardees and the guests.

Our family has recently further associated with RSET to start a Boys' Hostel under the aegis of RSET. The building for the Hostel has been identified and the Hostel has been named as Jankidevi Bilasrai Bubna Boys' Hostel.

I take this opportunity to compliment the Management for providing complete education to the students and also supporting needy students through freeships and scholarships to complete their education.

Dear Reader

It is a matter of great pleasure to note that Rajasthani Sammelan Education Trust is progressing ahead with many new educational projects. The Trust is in the process of establishing a Self-financed University. A Boys' Hostel will also be started from the next academic year near the campus that will provide residential facility to male students coming from other cities to pursue higher and professional education in Mumbai.

I am happy to note about the activities of Deviprasad Goenka Management College of Media Studies in the past few months. The college successfully organized 'Mumbai Media Champs', a two days intercollegiate 'Media Fest' in which 551 participants from more than 48 colleges across Mumbai and other cities competed in 21 fascinating events. On the second day, the Media Fest was combined with prize distribution ceremony. Many trophies, shields and medals were awarded to the winners by the Chief Guest Dr. Swaroop Sampat, eminent TV & Film Actress and Smt. Shashi Goenka, the Guest of Honour.

The college also organized an Industrial Visit to Rajasthan for the students of BA, Film and Television course, many talks by eminent media personalities and Cine Voyage 2017, the intercollegiate film festival with exciting competitions and events and an interactive session with the noted actor/writer and poet Shri Piyush Mishra.

It is a matter of great pride that recently Durgadevi Saraf Institute of Management Studies has signed a MOU with Ottawa University, Kansas, U.S.A. for academic collaboration. Many faculty members of the institutions of RSET have been awarded Ph.D and have presented papers at prestigious conferences and seminars.

I convey my whole hearted compliments to one and all in RSET.

Dear Reader,

I have great pleasure to know that Draupadidevi Sanwaram Women's Hostel is running smoothly and successfully in the educational campus of Rajasthani Sammelan Education Trust. The Management has provided all possible facilities to the students and they are fully satisfied by the amenities provided to them. I am pleased to know that all the students staying in the hostel are following the rules and regulations laid down by the Management to maintain discipline. I am happy to note that the Hostel is full to its capacity of 135 beds.

It is interesting to know that many students staying in the Hostel have successfully completed Chartered Accountancy (CA) as well as the course of Company Secretary (CS). The students staying in the Hostel have actively participated in Republic Day celebrations organized by the institutions of Rajasthani Sammelan Education Trust by presenting patriotic song and energetic dance performance.

It is a matter of great pride that in the past few months all the institutions have conducted interesting activities and have celebrated Annual Day of their respective institutions at Pravinchandra D. Shah Sports Academy ground with much fanfare. Many renowned scholars from reputed universities have visited RSET Campus and have interacted with the Management, Principals, Staff and Students. Many faculty members have completed Ph.D, published research papers in reputed national and international journals and have also attended workshops and seminars. Durgadevi Saraf Institute of Management Studies has signed a MOU with Ottawa University, Kansas, U.S.A. The Management is also starting a Boys' Hostel near the educational campus at Malad West.

Dear Reader,

Every student faces the question of what next after class 10th and 12th. Firstly, to decide a stream and then to decide the graduation course. It is at this point that career counselling proves helpful to students through scientifically developed aptitude and personality tests that helps the counsellor to give the best suited career advice to the students.

I am pleased to know that in the past few months many students have been visiting Ramdhari Maheshwari Career Counseling Centre to understand their aptitude, interest and personality traits to identify the best career suited for them. Specialized career assessment offered at RMCC has assisted students to choose subjects and streams after their class 10th and 12th respectively. RMCC has offered students of Durgadevi Saraf Junior College specialized programmes to sharpen their communication skills and spoken English through workshop organized by the Centre. RMCC has also guided properly students registered for Overseas Education.

I am indeed happy to know that Ladhidevi Ramdhari Night College of Commerce has successfully conducted intercollegiate fest 'Panikh' in which 35 colleges and 537 students participated. The Annual Day of the college was also celebrated with great fervour followed by Annual Sports Meet with great energy and enthusiasm.

It is a matter of great pride that Durgadevi Saraf Institute of Management Studies has signed MOU with Ottawa University, Kansas, U.S.A. for academic collaboration. Dear Reader!

It is said that a healthy nation is also a wealthy nation. For proper growth and development of youth, it is necessary to focus on their participation in sports. Therefore, it is indeed gratifying to note that the team of Pravinchandra D. Shah Sports Academy is constantly working together to contribute in the planning and development of various facilities for sports such as inviting internationally famed coaches for workshops, guiding students in practice sessions, developing fitness, team spirit, game strategy, to increase speed, agility and explore hidden talents of students in various sports.

I am happy to note that PDSA team has prepared a time-table for all the schools and colleges for practice sessions at the sports ground from 6.00 a.m. to 5.30 p.m. It is interesting to note that students of Durgadevi Saraf Institute of Management Studies had organized 'Cricket for Social Responsibility' wherein a cricket match was played by the students for raising funds for the Mid-day meal arranged by an NGO. Mainadevi Bajaj International School also organized Inter-house Box Cricket, Football and Basket Ball tournaments between January to March, 2017 at PDSA ground.

It is heartening to know that Amratlal Premchand Shah Library of Mainadevi Bajaj International School is fully supporting all the students by promoting reading habits in school children. Recently as a part of monthly reading programme, students of Sr.KG to Grade V were involved as reading buddies to motivate students a habit for reading books.

Study Centre

Dear Reader!

In metropolitan cities like Mumbai, many students face difficulty to study in their own homes due to space problems. RS CA Study Centre and ICAI Extension Counter in Rajasthani Sammelan Education Trust is one stop solution for the students facing this problem.

I have great pleasure to note RS CA Study Centre and ICAI Extension Counter is running smoothly ever since it was inaugurated in July, 2015. The Study Centre is open from 8 a.m. to 9 p.m. for the convenience of the students so that they can study in a peaceful environment. With the CA and IPCC exams approaching and to be held in the month of May, in the past few months, there has been a great demand from the students for the Study Centre. Since morning, there has been a beeline of students in front of the Study Centre to get in and obtain a seat so that they can peacefully concentrate on their studies for longer hours.

The Study Centre has indeed benefitted the students staying in western suburbs as they can obtain CA Study material from this extension counter and need not travel to the Western Region Office. The staff appointed by ICAI Regional Office provide all required information to the students enrolled with the Study Centre. At present 300 students are registered with the Study Centre.

The Trust is in a continuous journey of educational endeavors from Pre-School to Post-Graduation, Management and Media Studies and very soon a Boys' Hostel will be started near RSET campus from the next academic year. Dear Reader,

Life is very challenging for today's youth. They have to face competition at every stage of their studies. For that they have to work very hard continuously to have a successful career on completion of their studies. However, this will be possible only if they are healthy and physically strong.

Generally parents take their children to the physicians only when they are ill but if there is timely check up done by some experts then the diseases can be controlled at an early stage and proper guidance can be given for the healthy growth of the child. Vijay Pal Singh Health Centre is working with this objective of regular health check-up of students and inform the parents accordingly. Recently Ayaksha, the Agency entrusted to run the Health Centre has conducted health check-up with the help of panel of doctors for school children from Pre-Primary to Secondary sections of all schools. The Health Centre has also provided full support of giving first aid during sports events organized in Pravinchandra D. Shah Sports Academy ground. During field trips of schools, the nurse from the Health Centre accompanied the students.

It is a matter of great pleasure that all the institutions have conducted many noteworthy extra-curricular activities along with routine teaching-learning followed by holding examinations. Many students of the colleges & schools have excelled in sports activities by bagging prizes at state and national level competitions. All the institutions have celebrated Annual Day with great fanfare in PDSA ground.

Agarwal (Nevatia) Seminar Hall
at DSIMS

Dear Reader!

Seminars and Conferences are part of higher and professional education. Seminars provide an opportunity to the students to explore topics in depth by discussion and share ideas that are presented by experts. Seminars and Conferences are also important for teachers as they learn about new ideas and approaches to make themselves more effective and efficient in teaching and in knowledge enhancement. I am pleased to know that in the past few months, Durgadevi Saraf Institute of Management Studies has organized many seminars and conferences and has also completed ISO Re-certification Audit.

I have great pleasure to know that Smt. Smita Mahavir Agarwal (Nevatia) Seminar Hall at Durgadevi Saraf Institute of Management Studies has been regularly used for holding lectures as well as seminars and conferences. The technological support of a computer and a LED Projector give full support for presentations during the lectures in this Seminar Hall. It has also been used for holding important Management meetings. In the past few months, the Seminar Hall has also been used for placement activity for Management students.

It is interesting to note that all the institutions of Rajasthani Sammelan Education Trust celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground in a grand manner. During this time, a scholarship award function was also held in the Sports Academy ground wherein a mesmerising musical evening was organised to cheer up the students of all the institutions receiving the award.

The Trust is also starting a Boys' Hostel from the next academic year for which I compliment the President Shri Ashok M. Saraf and his team. I also compliment the Editorial Board for providing all important information through Abacus in a systematic and attractive manner.

Suwadevi Doongermal Patodia Laboratory
at MBIS

Dear Reader!

Science is different from any other subject. Effective teaching and learning of science involves a perpetual state of show and tell. Good schools combine classroom teaching with laboratory experiments to ensure that their students grasp each and every concept thoroughly. Science lab equipments allow students to interact directly with data gathered. They get a first-hand learning experience by performing various experiments on their own. I am pleased to associate myself with Rajasthani Sammelan Education Trust in their educational endeavours by naming the Chemistry Laboratory of Mainadevi Bajaj International School as Suwadevi Doongermal Patodia Laboratory.

It is heartening to note that the Management has provided latest equipments in the Chemistry Laboratory of the school along with all required chemicals to perform necessary experiments. There is an adjacent preparation room for mixing of chemicals as required by the students while conducting their experiments. The Lab Assistant keeps the chemicals and apparatus ready for the students while the teacher also guides the students to perform experiments. It is a matter of great pride that Rajasthani Sammelan Education Trust is successfully marching ahead with its new educational projects. At the same time, the Management has provided various facilities to the students to facilitate teaching learning in all the institutions of the RSET Campus. The RSCA Study Centre and ICAI Extension Counter is also running successfully. The Trust is in the process of starting an autonomous Self-Financed University. The Management is also starting a Boys' Hostel from the next academic year.

I congratulate Shri Ashok M. Saraf, President, Shri Kailash Kejriwal, Secretary, RSET and their team for their hard work and vision in the area of education endeavors.

Rajasthani Sammelan
Education Trust

Dear Reader!

It is said that progress and development of our nation in every field will be swifter if we progress in education. Rajasthani Sammelan Education Trust has very aptly taken a lead role to provide opportunity of different systems of education to student community through various institutions run by the Trust. It is noteworthy that the Trust is catering to provide education through its institutions to many students who are economically weak and are paying very nominal fees for receiving education. However, the Management has not compromised in providing state of the art facilities to such institutions as well as students.

Our company also considers its responsibility to work and contribute towards social cause. The CSR vision of our company is 'Promotion of Education, Health and Rural Development'. In order to achieve our CSR vision of Promotion of Education and in alignment with our CSR Policy, we have associated ourselves with Rajasthani Sammelan Education Trust for providing hostel accommodation in Draupadidevi Sanwaram Women's Hostel and also in its various educational endeavours. It is interesting to note that in the past few months all the institutions have conducted many activities in the months of January to March. All the institutions celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground in a grand manner. Many institutions of higher education have conducted international and state level conferences and seminars. Many of the faculty members have presented research papers at seminars and conferences and have been awarded Ph.D. The Trust is also in the process of starting an autonomous Self-Financed University and is starting a Boys' Hostel from the next academic year.

I compliment the President Shri Ashok M. Saraf and his team for the noteworthy educational endeavours that includes providing education from Play Group to Post-Graduation, Management, Media Studies and Online Academy. I wish excellent growth and development to all the institutions.

Every year all the institutions of **Rajasthan Sammelan Education Trust** celebrate Annual Day with great enthusiasm. This is the day when the students get an opportunity to present their talents before the fellow students, staff, management & guests. Along with dazzling cultural function, the achievers in academics, sports and cultural activities are also felicitated by the institution during Annual Day celebrations.

Every year students eagerly look forward for the annual day celebrations of their respective institutions. Few months before preparations start that include finalization of the budget, deciding the cultural programme, inviting the Chief Guest and many other important activities associated with the Annual Day.

As in the previous year, this year too, Annual Day celebrations of all the institutions were held in

Pravinchandra D. Shah Sports Academy ground. A grand ambience was created to look the ground as an open air auditorium along with a spacious stage as well as suitable lighting arrangements.

This year, Annual Days of institutions were celebrated from 17th January, 2017 to 26th January, 2017. During this time, a grand Scholarship Award Function was also held on 21st January, 2017 in which students of all institutions were awarded IRB, BKT and JBB Scholarships and Freeships. The highlight of the Award Function was the electrifying performance of Shri Sanjay Maroo and his Band Group that all the more cheered the awardees of Scholarship and Freeship. Deviprasad Goenka Management College of Media Studies also celebrated the Annual Fest of Mumbai Media Champs for two days on 24th and 25th January, 2017 and combined their Annual Day with the Fest on the second day.

The 57th Annual Day Celebrations of Kudilal Govindram Seksaria Sarvodaya School started on a musical note with the choir group presenting solo performance on recent and old bollywood hits to entertain the audience before the beginning of the main show.

Among other dignitaries present were President of RSET, Mr. Ashokji Saraf, Secretary of RSET, Mr. Kallashji Kejriwal, Director of School, Mr. Nitin Padte, the Managing Trustees, the Principals and Heads of various schools, members of the PTA, parents and students.

The function commenced with a welcome song by our tiny tots. The tiny tots rejuvenated everyone with their energizing dance performances. Every class gave their performances with grace and got a big round of applause. The zealous students of Pre-Primary presented Cindrella, Alice in Wonderland, Mickey Mouse Club, Toy Story, Mermaid, Snow White and Seven Dwarfs and Jungle Book. They transported the audience to the land of fantasy. The performance on Snow White and the Seven Dwarfs stole the show. The vibrancy with which the stories were conceptualized through props and dances captivated the crowd. RBHS' budding talented student, Janavi Devrukhkar performed Kathak dance portraying Lord Krishna in Vrindavan as gap fillers.

The Formal function commenced in a grand manner after the

their talents and potentials to not only carve a niche for themselves or bring laurels to school but also aim to bring glory to their state as well as their nation. The Chief Guest also addressed the audience. He praised the performance of our school. He stated that he was very happy to note that RBHS motivates its students by felicitating them with prizes as this serves as an impetus to their performance, consistently. This was followed by the Prize Distribution Ceremony, where the Hon'ble Chief Guest gave away prizes to the academically meritorious pupils of the school. All-rounder and the winning athlete team and house team were given cups and shields. The award for the Best House of the Year was bagged by Ruby House. The award for the Best Student of the Year was bagged by Ms. Dhruvi Seksaria of Grade X. Ms. Divit Agarwal received the Best Athlete Boy award and Ms. Prabhjyot Thukral received the Best Athlete Girl Award.

'A Tribute to RBHS', a poem recited by the talented students of Grade X was enticing. The words pierced deep into the heart of the audience. The evening was made more colourful with cultural performances after the formal function. Every class gave their performance with grace and got a big round of applause. An array of scintillating dance performances, viz., Hawaiian dance, Sufi dance, Aloha dance, Salsa dance, Mexican dance, Tribal dance, Egyptian dance, Arabian dance, Brazilian dance, Chinese dance, Baisakhi, Onam, Ganapati and Namaste India dance by Primary and secondary students recharged everyone. These performances mesmerized everyone and made the audience feel as if they were on a world tour. The Western Dance was performed by all the

**Mainadevi Bajaj
International school**
GIVING WINGS TO YOUR DREAMS

Mainadevi Bajaj International School celebrated its 7th Annual Day programme on the PDSA ground on Friday, 20th January 2017. The theme of the programme was "Sole to Soul". The Chief Guest for the day was Shri Nandkishor Kagiwal- Chariman; Nath Group and Shri Shivam Rajkamal Bajaj graced the occasion as the Guest of Honour.

Children across grades put up a wonderful show which left the parents awestruck. The programme included variations like dances, skits, monologues and fashion show. Each emotion that a soul undergoes through its life; be it love, hatred, sadness or jealousy, was exquisitely projected by the students.

Early Years students shared the emotions of happiness, joy and fun through a hilarious musical drama "Toffee with Kiran". The drama featured the famous cartoon characters; Motu and Patlu along with Kiran Sher. Wherein the tiny tots enacted the interview, delivering some humorous dialogues which left the audience mesmerised.

Tiny tots made the audience tap their feet on the tune of Matargasthi; tai tai phiss, Ek chatur naar, Chh chh chhakey, Thande thande pani se and Hum kale hai toh kya hua.

The greatest emotion love was presented in the form of a poem recited by the students of grade 1. They recited a poem depicting a mother's love that was well appreciated by the parents.

The attribute of courage was very beautifully depicted through a walk of fame by students, who dressed up as the famous

personalities; like Shivaji, Neeraj Bhanot, Bhagat Singh, Kuljeet Singh Chandpuri etc who displayed courage through their deeds.

The power of fear was brilliantly portrayed through a form of dramatic entertainment, by different speakers where the following 5 fears were personified: darkness, change, loneliness, rejection and failure to meet expectations. The skit came to an end with the angel walking around the fears, motivating the audience to walk through fear's doorway to overcome fear and have a chance to step into one's greatest potential.

The emotion of Faith was depicted through a skit. In which little girl had faith in her prayers that she offered. This act was beautifully performed by Grade 4 students.

Everybody feels anger at different times, to varying degrees. It's simply part of the human experience. Feelings of anger can arise in many different contexts. Experiencing unjust treatment; hearing a criticism; or simply not getting what you want is but a few of the potential triggers. This emotion was depicted impressively. A student of grade 8 Priyanka delivered a monologue, expressing the anger of a character dejected from her family.

Our tendency to avoid sadness is almost instinctive. We tend to

pass on the message that sadness is bad and should be avoided. Often sadness is mistakenly confused with depression however sadness is also a strength.

The Grade 12 students portrayed their emotion of sadness as strength through a play. The girl gets the news of losing her mother just before her performance, yet she gives her best on stage, the performance moisten the eyes of the audience. The contemporary dance moves and the violin tunes enhanced the act. A wonderful and much appreciated act performed by Grade 12 students: Muskan Goel, Harsh Kedia, Malvika Mittal and Toyshree Mudaliar. The emotion was further portrayed wonderfully by Grade 3 children through the dance Raajhan Dhooan and Someone like you. Celebration was portrayed through a fashion show based on the theme of wedding.

During the formal function, trophies for Academic and Co-curricular excellence were awarded to students. The awards were given out to students who made us proud by achieving great results in the Checkpoint Grade 5 and Grade 8, IGCSE and IBDP examinations. Trophies were also given out to students who displayed all-round excellence. A trophy to appreciate contribution to society was awarded. The school also awarded the best reader trophy to encourage the voracious readers.

Durgadevi Saraf Junior College managed by Rajasthani Sammelan Education Trust celebrated its 42nd Annual Day on 22nd January, 2017 in the P.D. Shah Sports Academy situated in RSET Campus. The students put up a grand show of dance and music depicting the colourful variations of our cultural heritage.

We started the programme by invoking the blessings of Lord Krishna. Krishna, the Incarnation of Vishnu in his message through Geeta showed the path of salvation. From spirituality, we moved to our cultural entertainment with colourful and impressive Rajasthani dance. Our students depicted a small glimpse of the vast civilization of Rajasthan through this dance. Which encompasses dances like Ghumar, Katputli dance etc. Ghumar is a traditional dance, with men and women through their hand gestures and moving in circles. While Kathputli is a puppetary dance based on folk tales.

The main event of our cultural programme was the "Voice of Saraf", singing competition where students rendered melodious hindi songs along with the orchestra. The winners were Sumer Pandit, Santoshi Choudhari, Jeetu Bohra and Arbaz Ansari.

The Chief Guest on this occasion was the Managing Director of Emkay Global Finances Services Ltd. Shri. Krishna Kumarji Karwa and Guest of Honour was Smt. Neera Saraf. The RSET President, Shri. Ashok Saraf welcomed the guests and apprised them of the achievements and future plans. The Chief Guest, appreciated the

efforts of RSET management and praised them for their endeavours. He congratulated all the participants, thanked RSET for grooming the young minds, who will be the bright future of our country. He also advised the students to lead a planned focused life. He concluded his speech with the advice, 'Live for today but plan for tomorrow.'

The highlights of the formal function were the prize distribution; meritorious students were awarded Trophies/Shields by the Chief Guest. The "Voice of Saraf Trophy" was bagged by Sumer Pandit. The "Best student of the year" was awarded to Riya Yadav. Also the prizes for curricular and co-curricular activities were given to the deserving students.

There came a proud moment for our teachers. The RSET President, Shri Ashokji Saraf felicitated our teachers Mr. Manohar Pachlod for completing 25 years and Dr. Manju pandey on retiring, after completing 32 years. The RSET Secretary, Shri. Kailashji Kejriwal felicitated Mr. Nishit Dave on obtaining PhD degree.

The Vice Principal, Smt. Swapna Roy presented the annual report highlighting the achievements of previous academic year. Our next presentation was from our home state "Maharashtra". The dance depicts the legend of Shiva who defeated the demons with his valour and strength. Our students performed very enthusiastically, as this dance form was vigorous and energetic.

Two classical forms, Bharatnatyam and Kathak, creating a scintillating fusion, were our next presentation. This fusion had given a new twist to the entire presentation with elaborate use of spin, momentum and gesture. Next presentation was a folk dance from Tamilnadu, "Karagattam". With the colourful costumes and resonant songs the performers danced invoking God for the blessings. In this dance God Ganesha is worshipped for his enormous stature and large ears, which all personify prosperity and knowledge. The last performance by the students was free style western dance, based on bollywood songs. It ultimately developed into a very gripping dance which held the viewers attention and thrilled them.

Dr Indu Shahani, in her address, stressed on the need to be curious, to keep searching for answers. She also highlighted on the need for good communication skills and collaboration. One should be a good team player and all projects should be done in collaboration. She also mentioned that we all should develop a feeling of Compassion for the less privileged. We have to build up our skills and become job creators rather than become job seekers. She also mentioned that the world is moving fast and we have to keep pace with it and also develop the four C's i.e Curiosity, Communication Skills, Collaboration and Compassion. The Formal Function ended with a Vote of Thanks proposed by the Vice Principal Dr Jayant Apte.

The second half of the Annual Programme began with a Raas Garba. It is a dance form from Gujarat. In Garba there is clapping of hands, while Raas is performed with the help of Dandiya sticks. It was a merger of the old and new dance forms. All the dances performed on the Annual Day i.e Dhangari dance, Kathak meets Contemporary and Raas Garba were choreographed by Ashlesha Velhal. The finale of the programme were three high energy - Western Dances which were performed by three groups - Blacklisted Crew, KC Group and Canteen Devils. All of them were peppy feet tapping dances, a fire work of rapid moving steps, scintillating, rocking performance, breath taking and mind boggling. The Annual Day function ended with the playing of National Anthem.

Creating memories @ MBIP on the Annual Day One of the most anxiously awaited occasions at MBIP is its Annual Day. The preparations for the annual day had begun much ahead of the day itself. We had our annual day on 1st April 2017 at Durgadevi Saraf Hall. Parents, grandparents, along with all the other family members were invited for the Annual Day.

We started the event with a welcome speech, wherein we were delighted to welcome our academic head Mrs. Urvi Pal, DoS Mr. Nitin Padte and our admin head Mrs. Khyati Shah. We also welcomed the audience of our beloved grandparents, mom, dad, and family members of the tiny tots at MBIP.

We started the programme with a mesmerizing presentation called 'JOURNEY 2016-2017'. We, at MBIP, believe how the path to a

smart kid isn't about rote learning but instead it is about finding ways to help kids fall in love with learning hence we showcased it through a brief presentation of activities done creatively in the class throughout the year. We could see a sea of faces in the audience of proud parents, friends and family members as they were overwhelmed with joy looking at the journey of their kids at MBIP.

After the presentation we started the much awaited performances by the kids. Parents were excited when they saw the youngest group of kids from the playgroup perform on a medley of rhymes. Parents also cheered the kids by singing along at the time of the performance. We had the Daffodils and Lilies batch kids performing on various songs i.e. Lakdi ki kathi, the very famous Hokey Pokey song and on the song 'Better when I am dancing'. We also had a performance by kids on the very famous Zumba fitness along with a display of various animal poses learnt during the year. Last but not the least we had all the shining stars on stage as they gathered to sing their favourite "I LOVE YOU" finale song.

We also had a graduation ceremony at the end of all the performances. Kids from all the batches were called on the stage and were awarded with a graduation hat along with handmade trophies.

It was quite a memorable and precious moment in the lives of our tiny tots. In the end we reached out to parents for their feedback

and we could see parents with tears of happiness after seeing their kids on stage. A thank you note along with snacks was provided to all as we came to the end of the Annual day at MBIP.

Shri Madhusudan Ramdhar Maheshwari

Excerpts of interview of

Shri Madhusudan R. Maheshwari

• **What motivated you to start your philanthropic journey? And who guided you in this direction?**

My forefathers were involved in welfare activities for betterment of society back in our village. My immediate elders in the family were actively involved in such activities as providing clean drinking water to the villagers of our native village in Rajasthan and also to provide basic education at village level. Hence, I was inspired and guided by the elders of our family.

• **Your philanthropic work has mostly been in the area of education. How did this come into being?**

I sincerely believe that Saraswati (ie. Education) is with you forever. Laxmi (Money) comes goes and comes. Education is the basis for integrated progress in the society. A society which lacks education is unable to bring all round progress of mankind. Therefore, myself and my family directed our philanthropic activities in the area of education. Simultaneously, we have also worked in other areas such as health care (Tandulwadi Day Care Centre in adivasi village of Safala near Palghar, Maharashtra, Physiotherapy centre, financial support for treatment of needy, community welfare such as drinking water fountains, maintaining childrens' park and reading library etc. For all round progress of students we organize sports tournaments of schools in our home village of Islampur, District.Jhunjhunu.

• **What are your thoughts on the current state of education in our country. Do you think that there are any reforms required in the education sector? Tell us something about the one change you would like to bring in the education sector.**

With IIT and IIM all over the country we have made a lot of progress

but still lot remains to be done at grass root level specially at village level. One basic approach which we need to change is this examination centered education. While getting proper means of livelihood is important, education should make us good citizens. From livelihood point of view, education should be for skill development not just getting degrees and certificates.

• **Is there an advice you would like to give to new philanthropists?**

My advice to new philanthropists is that 'Just dont give charity, give time also. Get involved to see that your contribution is properly utilized. Understand where there is a genuine need. Channelize your resources towards the same.'

• **What are your long term philanthropic plans? How do you decide to focus on certain thing and say no to other things?**

We have to carefully select proper area of philanthropy. For example there are many NGOs but we have to select the one which is doing genuine work for the society. In my view, if anyone needs financial help for medical treatment I can give financial help directly to the Hospital for the treatment of that person. This has been the practice of our family since a long time. The main areas of philanthropy of my family are health care, education and sports. Now a days, Government has also given lot of opportunities to the business houses to donate through CSR activities.

• **Could you say a few words about the metamorphosis of RSET?**

If we draw the numbers from zero to ten then let us start from zero ie. When Sarvodaya Balika Vidyalaya (now known as Kudilal

Shri Madhusudan Maheshwari

Govindram Seksaria Sarvodaya School was started with two girls and later progressed upto Standard X. In the years to come Durgadevi Saraf Junior College followed by Ghanshyamdas Saraf College were started by Rajasthan Sammelan Education Trust. In the coming years, the leadership went into the hands of the new generation. Under the able leadership of the President, Shri Ashok M. Saraf and his team, there has been a massive change in the infrastructure along with starting new institutions such as Kudilal Govindram Seksaria English School, Kirandevi Saraf Institute of Complete Learning, Durgadevi Saraf Institute of Management Studies, Ramniwas Bajaj English High School, Mainadevi Bajaj International School, Mainadevi Bajaj International Playschool, Deviprasad Goenka Management College of Media Studies, Ramdhar Maheshwari Career Counseling Centre, Draupadidevi Sanwamal Women's Hostel, The Management has also started Ladhidevi Ramdhar Night College of Commerce that offers opportunity to study to working boys and girls also. To nurture talents of students in sports, Pravinchandra D. Shah Sports Academy has also been started by the Management. It is indeed a metamorphosis of RSET that at present approx. 15,000 students are studying in different institutions. Very soon the Trust is also going to start a Boys' Hostel in the vicinity of RSET Campus. The credit goes to the vision and hard work of the new team of our Trust. The Trust is also in the process of starting an autonomous Self-Financed University.

• It is said that Philanthropy benefits the Philanthropists. A small act of giving can change the life of the giver. How has Philanthropy changed you as a person?

It is true that Philanthropy benefits the Philanthropists. When we see that in a village adopted by us, the villagers are getting drinking water and children are receiving education to become self-sufficient later in life, there is a peculiar satisfaction that fills the heart. Philanthropy has made me more humane, compassionate towards mankind and especially inspired me to help for the cause of education, health and other related activities. In RSET, we have been associated for Ramdhar Maheshwari Career Counseling Centre which is providing proper guidance to students for choice of proper streams and career. Ladhidevi Ramdhar Maheshwari Night College of Commerce is providing under graduate education to students who cannot attend day college. Youth of our country whether they stay in villages or in towns need to be educated, receive basic medical facilities and have to be nurtured for developing talents in sports. It is my dream to turn youth as many as possible as rich human resources to play active role in the development of our country.

Republic Day i.e. 26th January is a special day for India, celebrated annually as a National Festival all over India to commemorate and honour the day when the Constitution of India came into force in the year 1950 as the governing document of India. Every year, institutions of Rajasthan Sammelan Education Trust celebrate this day with patriotic fervour and gaiety combined with cultural programmes based on patriotism.

This year, Maindadevi Bajaj International School enthusiastically took the lead to host the Republic Day Celebration of the institutions of RSET. The celebration was held at Pravinchandra D. Shah Sports Academy ground which was compeered by Ms Poorti Rele the Early Years Coordinator of MBIS.

The programme started with the arrival of the Chief Guest Shri Suresh Pansari, Trustee, RSET, Shri Ashok M. Saraf, President, RSET, Shri Kailash Kejriwal, Secretary, RSET, other Trustees and members of Management who were welcomed by the school band of KGES. They were escorted by the students at PDSA Ground. This was followed by unfurling of the National Flag by the Chief Guest and simultaneously singing of National Anthem by the students.

Before the cultural programme, Chief Guest Shri Suresh Pansari was felicitated by the president by a flower bouquet. The cultural programme presented by the students of institutions epitomized the nationalistic zeal depicted through speech, poetry, songs and dances. The tiny tots from the Early Years section of MBIS presented a musical programme depicting the cultural diversity of our country. The students of KGSS enhanced the nationalistic mood with a vibrant 'Vande Mataram' by the choir group. Students of KGES performed a tribute to the defence forces of India. This was followed by a dance performance by the students of RBHS which spread a sense of partisanship towards our prodigies. The dance 'Namaste India' was presented by the students of Grade I A showcasing the culture of different states and families.

personalities of India. The cultural dance took the audience on an enthralling trip through Indian history. It was a colourful array of dance and music. The show put up

by the children was spectacular. Ms. Nidhi Agrawal of MBIS recited a poem in the glory of the nation. The choir group of MBIS sang a song in praise

of our country.

Ms Saikshi Pandey, of KGSS reignited the spirit of liberty through her dazzling speech. The last cultural item in this celebration was a pulsating dance performance by the students of Draupadi Devi Sanwamal Women's Hostel.

The Chief Guest of the day Shri Suresh Pansari enlightened the gathering with his words of encouragement and wisdom. The programme ended with a vote of thanks proposed by Ms. Harjeet Kaur, Principal, Ramnivas Bajaj English High School.

CINEVOYAGE 2017

Bachelor of Arts in Film, TV & New Media Production (BA FTNMP) is a relatively new course introduced by the University of Mumbai in the year 2014. DGMC is one of the first institutes to conduct this course.

To bring together students of different colleges who have opted for this course, to form a community of cinema lovers under one roof and foster a healthy culture of exchanging thoughts and ideas, the students of BA FTNMP organized a film festival titled CINEVOYAGE on 4th March, 2017.

The enthusiastic students formed teams handling various departments like PR, Sponsors/Marketing, Events, Creatives, Logistics, Jury and Hospitality under the guidance of Professor. Dinesh Khemani, Dean and Director. The festival consisted of a series of exciting competitions and events, followed by an interactive session with noted actor, writer and poet, Mr. Piyush Mishra.

The event started with the inauguration by lighting of the lamp followed by a welcome address given by the Dean, Dr. Mangesh Karandikar and ribbon cutting at the hands of the Director, Dr. Kumardatt Ganjre declaring the festival open. The following competitions were conducted:

1) What's your Story - A Short film Event –Students had to submit a short film for this event. The entries received in this event were judged by Mr. Deep Pal and Mr. Supavitra Babul.

2) World's Diary - This event tested the participants on their skills in making documentaries. The entries received in this event were judged Prof. Dinesh Khemani.

3) Can you Sell this - Ad film Event- It is more difficult to tell a story in 30 seconds than in 30 minutes. The entries received in this ad film making event were judged by Mr. Virem Bhavsar.

4) Illustrate-Poster Design Event - This was a poster designing event where students were given a bunch of 10 Hollywood and Bollywood film names. The participants had to design a minimalistic poster on any one of the films. The event was judged by Mr. Parth Bhatt.

5) Spin a Yarn - Storytelling Event - As the name suggests, participants were required to weave a story starting from a 'lead-in' line and incorporate themes of projected images. This was to be done turn-by-turn wherein each member of the team would continue to narrate from the point where the other member left it. The event was judged by Mr.

Mayuresh Belsare.

6) Showreel - Editing Event - The participants had to choose images from various films and juxtapose it with soundtrack from other films and weave a narrative out of it. The idea was to expose them to the way professionals in the industry create a short video profiling their own work. The event was judged by Prof. Partha Samanta.

The overall participation for the festival reached an encouraging figure of 50 from colleges like KC, Thakur, and KES Shroff.

An Interactive Session with Mr. Piyush Mishra

"Every chapter from my life is in front of you, thanks to media, and absolutely nothing is hidden", said Piyush Mishra, poet, lyricist, writer and actor to begin a highly engrossing, interactive session with students. What followed was a free-wheeling chat with the Saraf hall packed with students held in rapturous attention by the maverick's words of wisdom. He advised them all to live in the moment and never regret later. The event concluded with a recitation of his poetry and rendition of some of his popular songs, followed by a thunderous applause from all the present. The winners of all the events were felicitated by DGMC with KES College bagging 'The Best College' trophy.

GIVING WINGS TO YOUR DREAMS

Established in 2009

Dr. Sachin Sachdeva, Principal

The new year marked a new beginning with overwhelming news - MBIS successfully completed its First 5 Years IB Review, meeting all the IBDP requirements effectively - a new birth!

At the outset, the Solar system parade on Solar System Day was followed by a Kite Flying Event: Bharo Suraksha ki Udaan on Makar Sankranti. We participated in Malad Masti on 8th January 2017 and 15th January 2017, students displayed a variety of skills through Lezim, Yoga and Kid Fit. Our young tattoo artists were appreciated by one and all during the event.

Annual Day forms an integral part of all school activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements, making their parents proud. MBIS celebrated its 7th

Annual Day programme on the PDSA ground on Friday, 20th January 2017. The theme was "Sole to Soul". The Chief Guest for the evening was Shri Nandkishor Kagliwal - Chairman: Nath Group and Shri Shivam Rajkumar Bajaj graced the occasion as the Guest of Honour.

January is also a month when the IBDP students work very hard on the Internal Assessments of all their subjects under teacher's guidance. MBIS also had an Extended Essay Orientation for Grade 11 students. From our next academic year, IBDP students will have an option to choose French B SL under group 2. IBDP students organized the Annual Youth Conference (AYC), it was a first ever yet successful attempt similar to MUN.

The IBDP Teachers attended the SAIBSA DP Job Alike session held at Podar International School, Santacruz on Saturday, 4th February 2017. SAIBSA is the acronym for the South Asia International Baccalaureate Schools Association. This year the principal of MBIS, Dr Sachin Sachdeva facilitated the Economics group.

Picnic is the most awaited occasion by all students. It plays an integral role in developing their personality traits. At MBIS, On 10th February, 2017 the students from Nursery to Grade 2 went to KidZania, the city with a rich learning environment where kids foster their creativity, decision-making skills, problem solving and social values. Students from Grades 3 to 12 went to Essel World. They returned rich - mentally and socially!

Sr. KG students Enhancement

On 14th February 2017, CAS students along with the Sr. KG students enhanced the CAS components by conducting the safety awareness drive across the school. To reinforce the information, Mr Sankar Jadhav, the Officer In-charge for the traffic division - Malad (West) was invited as a guest speaker.

Grand Art Festival

Our school Art Festival took off to a colourful start on Saturday, 18th February 2017 at 9:30 am. Mrs. Agarwal, the Vice President of the PTA inaugurated the event and formally commenced the proceedings.

The theme for early years was "Fairy Land". Our tiny tots were involved in different craft activities wherein they created magical wands, crowns, fairies and castles. The champions of the Primary section created different activities on Super heroes and Barbie culture, Urban art, Cubism, Australian art and 3-D projects. The

creative champs of the Secondary section created different activities on 'landscape of the mind' and 'growing up with super heroes'. Along with the above activities, the school band performed and the children danced on the themes. Art Fest aimed to develop the hidden talents in our students and also establish healthy linkages with our local cultural surroundings.

Special Assembly International Mother Language Day

MBIS celebrated International Mother Language Day. IMLD is a worldwide annual observance held on 21st February to promote awareness of linguistic, cultural diversity and multilingualism. Students performed dance, songs, skits and prayers on Marathi, Tamil, Hindi, Punjabi, Gujarati, Sindhi and Marwari. This concept was enthusiastically depicted by all the students.

Every year, we shall aim to promote awareness of the mother tongue and share some language related experiences.

Examinations

The objective of an examination is to test the student's knowledge or proficiency in a particular subject or skill. It is a means, to test how much knowledge and skill he/she has attained, or learnt in school, and whether the child can apply what he/she has learnt outside of school. Students of grade 10 appeared for the CIE-IGCSE March 2017 examinations between Monday, 20th February 2017 and Friday, 10th March 2017.

Mock examinations were conducted in March 2017 for students of grades 5, 8 and IBDP. The Final exams for all our students will be conducted in April 2017.

Skit Competitions

A skit is a short, dramatic performance with a message. It is both a visual and sound experience where we can see the reaction of the audience immediately. It is alive and ephemeral. To bring out the acting talent and flair of the students, MBIS organized 2 Inter-House Skit competitions.

The Hindi Skit Competition was held on Friday, 3rd March 2017 and students across Grades 1 to 12 eagerly participated in it. The objective behind this was to promote creativity and to give them an opportunity to improve speech, expression and pronunciation. It gave students a boost to understand the communication skills on a wider note and learn more about Time Management skills.

A fortnight later, the Inter House English Skit Competition was held. The students acted naturally, meticulously and perfectly. It was a visual bliss to watch the students perform on the stage confidently with appropriate props. The collaborative efforts and hard work of the teachers and students was evident as the students performed convincingly.

Bienvenue à Paris 2016-17

We celebrated French Day in school on 14th March 2017. The theme of the day was "Bienvenue à Paris" which means welcome to Paris. We had a display of famous monuments from Paris - Eiffel Tower, Arc de Triomphe, Moulin Rouge, Louvre Museum, Opera theatre and the Love Lock bridge. Students wrote their names on the paper locks and stuck them on the Love Lock bridge. We had students singing and dancing to the beats of a famous French song "Champs-Élysées". We also had "Marchés des enfants rouges" which was a French food market where students showcased French food whilst the rest of the school had an opportunity to taste a variety of French delicacies.

Student council elections for the academic year 2017-18

The Student Council for the Academic Year 2017-18 was elected for the posts of Head Boy, Head Girl, Sports Captain Boy, Sports Captain Girl, CAS Coordinator, CAS Creativity, CAS Action, CAS

Service, Prefects & Assistant Prefects. The Head Boy & Head Girl for the Secondary section are – Devansh Markan & Nidhi Agarwal respectively. The Head Boy & Head Girl for the Primary section are – Maurya Patel & Prisha Goenka respectively.

Culmination & Inquiry Fair

The month of March was one of activities galore - culminations and Inquiry fairs.

An old adage states: **"Tell me and I forget,
show me and I remember,
Involve me and I understand."**

MBIS students participated in their Unit Culmination from 29th March, 2017 to 31st March, 2017 where they displayed their learning in AOI with Trans-disciplinary subjects. In the first week of March 2017, Nursery celebrated their 2nd Inquiry Fair on "Animal Kingdom."

At Jr.KG, students learnt about "Seasons and their reasons" in their area of inquiry. The information about food, fruits, clothing & the climatic changes was shared with the students. They summarized the learning by presenting a song which beautifully described the

seasons and their reasons. Students confidently delivered the dialogues and sung few songs in English as well as regional languages which left the parents mesmerized.

Sr. KG students confidently presented the information they learnt during their area of inquiry – "Celebrations" – all about national and international festivals. The inquiry fair culminated in the form of a Carnival, with fun-filled activities and a food festival. It included a festival parade, dance, organized games, national and international songs and many creative activities.

April & May 2017 are months that are earmarked as Term 2 examination time.

MBIS students are moulded by our teachers in such a way that they walk into their tests and examinations stress-free and confident. All the Best to all our students!

Diversity creates beauty and immense strength.

Conducting diverse courses under one roof remains the strength of KSIL.

Classes for the second term of Tilak Maharashtra Vidyapeeth BCA and BBA courses started this month. The Convocation ceremony for Third year students was conducted at Tilak Maharashtra University Campus on 21st January.

Our Partner Institution - International College of Financial Planning conducted classes for the students of the Certified Financial

Planner (CFP) program. Counseling and admissions for MBA and CFP courses were conducted during this period. Seminars have also been conducted in different colleges in this phase.

Helen O'Grady International, our partner institute held a workshop on "Music and Movement" on 7th January for the trainees. A Field trip was organized at "Muktangan" and Daharu on 9th and 10th January. A Puppet show was conducted on 14th January.

Tilak Maharashtra Vidyapeeth BCA and BBA December 2016 Examination results have been declared in the month of February. Semesterwise lectures were conducted for BCA and BBA courses.

The trainees of Helen O'Grady International, performed the play "Beauty and the beast" for the children of the different schools in the campus like KGES, RBHS and MBIS. The dramatization helped to enhance the trainees' creative skills, confidence and communication skills. It was a commendable display of talent by the trainees and the act was well appreciated by the students and the staff.

Final Examination and Viva was conducted for the 11th batch on 27th February.

Helen O'Grady International scheduled Graduation day for the 11th batch on 18th March 2017 at the Kirandevi Saraf Learning Centre. Counseling and admissions for the new batch also continued during this period.

DGMC hosted a free workshop with Mr. Binod Pradhan, award winning veteran cinematographer and the technical team from Arri Alexa on 11th February 2017. The first session was conducted by the ALEXA team. Starting off with a presentation on ARRI ALEXA CAMERA (the classic model), they went on to explain the working of the camera, technical details of the body of the camera, and other aspects like ISO, external light, and the different lenses of the camera. The second session was conducted by Mr. Binod Pradhan himself, who explained how the industry works citing several incidences that he faced during his long career.

Off The Record

The students of PGDM of DGMC organized a talk show titled 'OFF THE RECORD' in RSET's Durgadevi Saraf Hall on 11th February 2017. The panel was graced by a host of eminent media personalities - Charudutt Acharya, Film Maker and Writer, Mr. Sanjay Gadhvi, the creative force behind the 'Dhoom' franchise, Dhruv Sehgal, writer, director and actor of popular web series like 'Little Things', Beena Gera, writer of hit TV shows such as Oh Maria & Kabhi Sautan Kabhi Saheli, Devika Chaudhari, Vice President - Programming, Sony Pictures Networks India Pvt. Ltd., and Rohini Vakil, a very famous lawyer in the Entertainment & Media Industry.

The panel discussion had lively debates and candid confessions, giving immense knowledge to students about the way the industry functions

Filmmaking Students' Industrial Visit to Rajasthan

The students of the BA film and television course opted to explore the picturesque and mystic locations of Rajasthan from 14th to 19th February 2017 as a part of their studies in film locales. As a part of their curricula, the students accompanied by their faculty Prof. Dinesh Khemani, Prof. Mayuresh Belsare and Prof. Amisha Dawda, recently experienced from a filmmaker's point of view the process of reconnaissance and learnt how mis-en-scene techniques were applied for filming some memorable films such as Tere Naam, Hum Saath Saath Hain, Zubeida et al.

An Evening of Nostalgia - A Farewell to our TY Students

In an emotionally surcharged atmosphere inside the Saraf Hall, the students, staff and management of the College bid adieu to the final year students of TYBA FTNMP and TYBMM-2017 batch, at a grand farewell function, on 27th February 2017. The Director General, Dr. N. M. Kondap, Director, Dr. Kumardatta Ganjre and The Dean Academics, Dr. Mangesh Karandikar, graced the occasion. The event started with a formal introduction of all the dignitaries and a welcome speech for the Third year students. This was followed by an energetic dance performance by the juniors. The third year students enthusiastically participated for the title of Mr. And Miss DGMC. The Winners for the event were Ms. Riddhi Timbadia from TYBMM (Adv.) being crowned as Miss DGMC and Mr. Jaspreet Rekhraj from TYBMM (Adv.) being crowned as Mr. DGMC. This was followed by a few fun games and confessions by the seniors students. Three cakes were cut by the CR's of all the three sections- TYBA, TYBMM (Journalism) and TYBMM (Advertising).

The hall was thumping with energy during the DJ. The eyes of the students were filled with tears of nostalgia when a video was played, depicting the undying bond of true friendship. The students then clicked pictures together and left with memories to cherish for a lifetime.

CINEVOYAGE 2017

Cine Voyage 2017, the inter-collegiate film festival organized by and for the students pursuing Bachelor of Arts in Film, Television and New Media Production was conducted on Saturday, 4th March. The purpose of the festival was to bring together students of different colleges who have opted for this course, to form a community of cinema lovers under one roof and foster a healthy culture of exchanging thoughts and ideas. The festival was split in two categories: A series of exciting competitions and events, & an Interactive Session with the noted actor, writer and poet, Mr. Piyush Mishra. The event started with the inauguration by lighting of the lamp followed by a welcome address given by the Dean, Dr. Mangesh Karandikar and ribbon cutting at the hands of the Director, Dr. Kumardatta Ganjre declaring the festival open.

1) **What's your Story -Short film Event-** This was a short film event was judged by Mr. Deep Pal and Mr. Supavitra Babul.

2) **World's Diary-** This was a documentary film event and was judged Prof. Dinesh Khemani.

The panelist indulged in the discussion during OFF THE RECORD event

3) **Can you Sell this- Ad film Event-** This was an ad film event was judged by Mr. Viram Bhavsar.

4) **Illustrate- Poster Design Event-** This was a poster designing event where students were given a bunch of 10 Hollywood and Bollywood film names. The participants had to design a minimalistic poster on any one of the films. The event was judged by Mr. Parth Bhatt.

5) **Spin a Yarn- Storytelling Event 4-** As the name suggests, participants were required to weave a story starting from a 'lead-in' line and incorporate themes of projected images. This was to be done turn-by-turn wherein each member of the team would continue to narrate from the point where the other member left it. The event was judged by Mr. Mayuresh Belsare.

6) **Showreel - Editing Event-** The participants had to choose images from various films and juxtapose it with soundtrack from other films and weave a narrative out of it. The idea was to expose them to the way professionals in the industry create a short video profiling their own work. The event was judged by Prof. Partha Samanta.

The overall participation for the festival reached an encouraging figure of 50 from colleges like KC, Thakur, and KES Shroff.

An Interactive Session with Mr. Piyush Mishra

"Every chapter from my life is in front of you, thanks to media, and absolutely nothing is hidden", said Piyush Mishra, poet, lyricist, writer and actor to begin a highly engrossing, interactive session with students. What followed was a free-wheeling chat with the Saraf hall packed with students held in rapturous attention by the maverick's words of wisdom. He advised them all to live in the moment and never regret later. The event concluded with a recitation of his poetry and rendition of some of his popular songs, followed by a thunderous applause from all the present. The winners of all the events were felicitated by DGMC with KES College bagging 'The Best College' trophy.

In DGMC, we have an academic environment which leads to the holistic development of every student. We have a very vibrant and a happy campus full of events and activities. We encourage students to take active participation in curricular and extracurricular activities. The annual day (MMC) is the formal function, where we appreciate their efforts and participation in the activities throughout the year.

As always, MBIP has been abuzz with activity..

At the onset of this quarter, we were learning all about sea creatures. We organized a Beach party on 13th January 2017, for the tiny tots along with their parents. Kids had a blast at the beach, as we had organized fun races, treasure hunt and many more fun activities for parents and toddlers as a part of their physical development.

We had a Community Helpers week from 16th January 2017 to 20th January 2017. We had called all the resource people i.e. Doctor, Postman, Policeman and a Barber in the class and kids had one to one interaction with them. Our little angels also dressed up as their favourite Community Helper on 20th January 2017.

MBIP was full of giggles and wiggles, popcorn and cake on 27th January 2017, as we had organized a Slumber Party for the tiny tots. Kids had dressed up in their night wear and learnt all about the healthy habits to follow before going to bed.

The month ended on a Parent teacher Meet. The milestones achieved by our Playgroup and Pre Nursery kids were discussed

Visit to Fairyland

with the parents on 30th January 2017.

Our theme for the month of February was All about Five senses and Creepy Crawlers on the Planet. We had organized a magical Fairyland event for toddlers on 4th February 2017. Kids had an awesome experience wherein they explored the world of Elves and Fairies along with various activities i.e. we had a moon walker, a magic show, music and movement, ball pool time.

Play dough fun

On 14th February 2017, Valentine's Day, we celebrated by dressing up in red coloured dresses and having a red colour balloon play in class. As Pre Nursery kids and playgroup were learning all about our senses, we had a sensory play station for kids where in various touch and feel corners were set for the tiny tots in Exploration time on 8th February 2017.

We had organized a fun filled field trip for the toddlers to Inorbit Mall. The kids had fun looking at the various colourful fishes in the fish aquarium on 16th February 2017.

The theme for the month was creepy crawlers. Hence the kids had dressed up as their favourite Creepy crawler on 21st February 2017.

Our kids at MBIP enjoyed the puppet show time of the famous story, Little Red Riding Hood and also dressed up in Hooded hoods on 23rd February 2017. We had various themes in the month of March. We introduced teamwork, how to take care of our environment, we had a Teddy birthday party celebration, we learnt the importance of health eating and table manners too.

We saved water as we celebrated Holi at MBIP on Friday 10th March 2017. The little angels were excited to play Holi with flowers and paper. All the kids had come well groomed and dressed for the class photograph day on 14th March 2017.

Tiny tots at MBIP had loads of fun while we celebrated Teddy birthday party on 17th March 2017. We had loads of fun cutting the cake in class and enjoying snacks at the party too. Kids also dressed up in party wear for the party at MBIP.

We had organized a Healthy week wherein mothers had sent a variety of healthy snacks in the munch box of playgroup and pre nursery kids.

Kids were also taken on a nature trail to the school ground for physical development and to see natural things around us on 30th March 2017.

STEERING TO SUCCESS

Established in 2011

Mrs. Dibha Nath, Director

Success is not final, failure is not fatal: It is the courage to continue that counts."

- Winston Churchill

The last quarter of the Academic year is full of jitters and anxiety for students especially for the ones who are on key milestone of their education. The board examinations entail lot of fear, stress and hopes for the students. However few understand that although it is important to give their best in the examination it is not the end of the road.

Many students have been visiting RMCC to understand their aptitude, interest and personality traits to identify the best career suited for them. Specialised career assessment offered at RMCC assist students to choose subjects and streams in their X and XII grades respectively. The assessment assists graduates to identify their specialised streams and working professionals with their relevant job profiles. Individualised guidance post the assessment help students to map their career and work with their emotional challenges. Students have found these sessions very helpful and were more confident to pursue their careers.

RMCC offered students of DSJC specialised programs to sharpen their communication skills and spoken English. Many students attended the workshop to improve upon their spoken English skills and to be able to communicate effectively.

University short listing, application processing, submission of documents have been done for the registered students. Coaching sessions for SAT, GRE and IELTS have been conducted. Students who have taken coaching scored well in their respective examination.

Younger students who are slow learners have been assisted by our counselors to build upon their skill sets through counseling and remedial sessions. At RMCC standardised learning difficulty assessments are being conducted to identify students with learning difficulty. Remedial education sessions were conducted with many students. Counselor conducted parent meetings, in these meetings, parents were informed about progress of their children and they were also provided guidelines to modify child's behaviour. Counselling was done in the centre for the students of remedial education.

As per world statistics on an average at least ten percent students in a class have some form of learning difficulty. It is important that the teacher's are educated and aware of the possible challenges that their students with learning difficulty are facing. To equip teachers with the required information RMCC had conducted teacher's orientation workshop on Importance of Child Care-Early intervention. The workshop explained the various signs and symptoms of the slow learners and the challenges faced by the students. It also gave guidelines to identify students with academic, behavioural and emotional concerns. Teachers were informed about various classroom strategies to handle the students effectively.

Helen O' Grady International students gave a mesmerising performance on 25th March 2017 showcasing their skills and learning in the last Academic year. Parents appreciated about the performance and acknowledged the improvement in the communication and confidence of their children.

RMCC wishes all the students the very best for their results in the next quarter and urge them to remember that "Excellence is the gradual result of always striving to do better."

January 2017

The New Year was celebrated by hostel students with the note of "Good bye-2016-Hello 2017".

Achievement of the Students:

It was a successful month for DSWH as the results of C.A examinations were announced and we are proud that one of our student Ms. R. Shanghupriya cleared the C.A. final exam. And many of them cleared their IPCC. Ms. Bhooma Bohra, Ms. Astha Pareikh, Ms. Garima Jhanwar, Ms. Shubhika Perwal, Ms. Nidhi Rajawat and Ms. Jaishree Singhvi cleared their IPCC successfully.

The C.S. results were also very promising. Ms. Charmi Sampat cleared her C.S. final exam and Ms. Aayushi Pitti, Ms. Shreya Munda (scored 18th rank in All India) and Ms. Shubhi Maheshwari cleared C.S. Foundation. Each of these students have worked very hard. We are glad that our hostel has been an integral part of their success and the students have done us proud.

Many new admissions took place during this period and the students who have renewed their stay gave us a good feedback. The valuable feedback of our students help us improvise to ensure that the students have a fulfilling stay while they are pursuing their education.

Republic Day Celebrations:

The Republic day celebrations were held in the RSET Campus and

Ms. Alankrita Malvi, Ms. Bhavya Meratwal, Ms. Bhoomi Shah and Ms. Medha Lahiri singing a song at the Republic Day Celebrations

some of our students gave a musical performance.

The song "Lucka chuppi" was sung by Ms. Alankrita Malvi, Ms. Bhavya Meratwal, Ms. Bhoomi Shah and Ms. Medha Lahiri. An Energetic Dance performance was presented on the song "Choudhary" by Ms. Radhika Gaeikwad, Ms. Soumya Lakhotia, Ms. Bhoomi Shah, Ms. Alankrita Malvi, Ms. Vallary Perihar, Ms. Aayushi Laddha and Ms. Sneha Inani.

February 2017:

February was a quick paced month. The students were engrossed in pursuing their respective Courses. The new students who joined us in January were well settled by this month. Students who came from different parts of the country adapted well to the city life and seamlessly integrated themselves with the Hostel culture. Some of the students also went to their hometowns for their University exams.

March 2017

The Month of March passed swiftly with festive season round the corner.

Holi Celebration:

The festival of colors was very enthusiastically celebrated by the students of DSWH. All the students took the opportunity to participate in the Festival of Colours. There was small celebration by the students who applied colors to each other and enjoyed whole heartedly.

Hostel Committee Meeting was held on 25th March 2017 to take a review of the Hostel functioning.

The students were busy with their respective examination and schedules. The hostel was fully occupied and the spirit of camaraderie prevailed during the entire period.

DSiMS's

Sabrang

Colors of youth

feature

Sabrang is the annual Intra-College cultural festival of Durgadevi Saraf Institute of Management Studies (DSiMS) that took place on 27th January, 2017. Organized for the Students, by the Students, under the Cultural wing YUWA (Youth United With Ambition) the cultural event is a day awaited by both, the students and faculty of DSiMS.

YUWA has been organizing the cultural fest since its inception and is celebrated across the college with great pomp and zest by the students and teachers alike. The event gives students a recess from the academia and is a chance for them to bring their hidden talent on to the table. It's the perfect opportunity for the students to keep honing their creative side along with academic excellence. Sabrang gives a platform to the students to showcase their individual abilities and team spirit. It is the day when students shed all their inhibitions and apprehensions and join together to celebrate the spirit of unionism at DSiMS.

This year Sabrang became more special, since the students spent plenty of time immersed in the Annual Conclaves, but didn't let loose and spent several man hours working towards their cultural festival, since this was the perfect time to let

their hair down and enjoy the Sabrang festivities.

Our esteemed sponsors for this year's edition were Goldmedal Switches & Systems (Title Sponsor), a number of Supporting Sponsors, Jazbaa (Youth Community Partner), Maxxtech (Technology Partner), TallGrass Café (Restaurant Partner), Body Canvas (Tattoo Partner), McDonalds (Fast Food Partner), eSandesh (SMS Partner) & Hunger Burst (Food Partner)

The fervor of Sabrang is not just limited to DSiMS, but has become viral and hit the support of various celebrities such as Aamir Ali Malik (Lead role on Sab TV show, FIR), Rohan Shah (Actor), Vedaant Sawaant (Lead actor in 'Sya K Ram'), and Paras Arora (Marathi film actor), who were excited to come on board and support the festival. With an innovative twist and a plethora of exciting games, Sabrang is the perfect platform for students to display their talent. With the addition of one minute games, the crowd were constantly engaged with the activities Sabrang had to offer.

The day Kick started with the lighting of the auspicious lamp and our Director Dr C Babu declaring the Event open. The first event for the day was Treasure Hunt. This year Treasure Hunt saw participation from 12 teams, including one consisting of

Faculty members and Staff. Students then went on to show their muscle power in the Tug of War, that saw an all-girls team giving the other teams a tough fight. The Hog-o-thon was the next Event that followed, where students competed to eat as much food as they could in the stipulated time. Amidst all of the events, students and faculty enjoyed the exciting One Minute Games in which they rushed to build the tallest pyramid using cups and balloons, or scurried to knock as many cups, and also shot as many ping pong balls into the cups as they could in 60 seconds. They made the most of other sensational games that ran on the side, namely Twister, the Dizzy Penalty Challenge, and Dab Game. What followed next, was a unanimous crowd pleaser. Students took the stage and captivated, surprised and left the audience in admiration during the Talent Hunt. The crowd as well as the judges were left impressed by the caliber that the singers had, the grace and grit that the dancers brought forth, and the accuracy of the mimicry. Fresh bars were dropped on stage by our student rappers, that was refreshing and new to the stage, and it left everyone awestruck. What made the event all the more special and memorable, when some of the faculty members too took the stage and relived their college days by singing for an excited and engaged audience. The Fashion Show

was the grand finale for the day. A number of teams chose their own themes and displayed their inner fashionista on the runway. Teams selected interesting and innovative themes like Traditional Indian, Motor-cycle theme, Bollywood meets Hollywood. It was the team with the motor-cycle theme that took the trophy. As every year this year too many of our alumni also participated in Sabrang by reliving their old days of college and getting nostalgic. They graced the stage by walking down the ramp with the Faculty members. It was a sight to watch and a nostalgic moment too for our alumnus.

The curtains formally came down on this annual cultural festival of zest and splendor with the distribution of prizes and certificates to the winners. Once all the formal festivities were concluded, it was truly the time all the students were waiting for, the DJ Night to shake a leg, dance and enjoy themselves.

Year after year, Sabrang has lived up to its tagline "Colors of Youth", and this year was no different. It is an event awaited year after year by every student of DSIMS.

Panel in action

Keynote Speech by Dr Sen

Felicitating Dr Atindra Sen, IAS by Dr. N. M. Kondap

D SIMS Economics Club, Arthashastra and Finance Club of DSIMS (FinDS) jointly organised Post Budget Session on 11 February, 2017. The discussion of this session was themed around The Mathematics of Union Budget. Invoking Goddess Saraswati's blessing, the event started with warm felicitation to our guests speakers. The Keynote Speaker of the session was Dr. Atindra Sen. An IAS of 1978 Batch (MP Cadre), Dr Sen is MA and Ph.D from Boston University, Fellow in the Special Program on Urban and Regional Studies in the Massachusetts Institute of Technology, Director General at Bombay Chamber of Commerce and Industries, Advisor Corporate Affairs, Shapoorji Pallonji Group and Senior Advisor India for Transnational Strategy Group, Washington, DC. The keynote speech of Dr Sen, was mainly focused on the dynamics of macro fundamentals and the chain of causation behind the movement of the critical economic variables.

There was an interactive Panel Discussion. Along with Dr Sen, the eminent Panellists were Ms Shweta Agrawal, CFO Paragon Partners; Mr Umesh Kolapkar, Chartered Accountant (CA) & Independent Consultant and Mr Indraneel Sengupta, Global Business Strategist. The eminent panellists discussed the implications of several issues of the Wish list of Union Budget 2017. The Panel Discussion was moderated by Dr Sumana

Chaudhuri, Assistant Professor, DSIMS. The whole discussion centred on the triangular theme: The Mathematics of Union Budget; its Arithmetic, its Geometry and its Algebra. The first round of discussion tried to deliberate upon the numbers of Union Budget and whether the sum is really a part of the whole. They debated on whether it is right to stick at Fiscal Deficit target of 3% at the time when the economy needs a nudge to continue. With the effect of Demonetisation and upcoming Goods & Services Tax (GST), the Panel also discussed about the ambitious revenue projections. Next, the discussion turned towards Geometry of Union budget 2017. The panel tried to explore the ways to fine tune the different uneven edges of Indian economy and to give it a better shape to compete in the tumultuous world market. The thrust of the budget is to strengthen the bottom of the pyramid, focusing on the poor and underprivileged, farmers, the rural population, and the youth. In this connection Ms Shweta Agarwal enlightened the house about the proposed Start Up Incentivisation in terms of Tax Holidays, carry forward of losses etc. With respect to Ease of Doing Business in India, she also discussed about liberalising the Foreign Direct Investment Policy, abolishment of Foreign Investment Promotion Board (FIPB), creating favourable eco system for Venture Capitalists (VCs), Private Equity Firms (PEs) and angel investors so that there could be smooth fund flow for start ups and small businesses. The geometry also talked about the NPA laden bad banks, financial

inclusion and digitised business model. In the third vertex of the discussion, the Algebra, the panel tried to equate both the sides of our inequation; which is budgetary resource allocation vis-a-vis effective implementation. Dr Atindra Sen opined that nationwide Structural Reform and strengthening Institutional Capabilities at many levels of the system, bottom to top, could bring equality in both the sides of this algebraic equation. He shared his professional experiences and explained the complex macro structure in a very lucid way with lot of anecdotes and examples.

Following the Panel Discussion there was a Question & Answer session. The students took a lot of interest in this session by placing intriguing & thought provoking questions to the panellists. To sensitise and motivate the students, the best three questions were awarded by the Guest speakers.

Listening to the expert opinion of erudite panellists on the different facets of Budget 2017 was an enriching learning experience for DSIMS students. The Panel with a galactic combination of business and government, extraordinary statesmen and captains of the Indian industries whose expertise on the Union Budget and its implications on the stakeholders of our country chartered the event of our Post Budget Economic Analysis to greater heights.

"Some memories are unforgettable, remaining ever vivid and heart-warming!"

The last two years has made more history that one can scribble on mountains and still look for more space. Looking back, it just seems like yesterday that everything had unleashed in an ocean of mild waves. But it is the one wave that stands out above the rest, the one reaching the heights of the sky, this one memory that has stolen a place in my heart. The first call to take the stage a trust so delightfully shared. This was when I was called to deliver a vote of thanks to Dr. Frank Trockl, a delegate from USA, visiting our institution for the first time to share his views on the needs and views followed in the States. I'll always remember confidence shown to me by the faculties when I was asked to present the vote of thanks. It was here and now that has given a boost to take up every opportunity given to me in the coming days with pride, appreciation & conviction.

Memorable Events in the Institution:

There have been a lot of memories to savour at DSIMS in the last two years. A lot of things learnt, strong bonds with friends and not to forget moments to cherish with faculty members too.

However, the most memorable event at DSIMS for me was, when I was one of the anchors at Financia – 2016. To begin with, it was a long time wish, to host a conclave / function, which came true that day.

I was a bit reluctant initially, but I was able to challenge myself and deliver successfully in front of the DSIMS audience, eventually, and that has been my best moment so far.

Another fond memory I would carry from this Institute would be of the international immersion (to Germany & Switzerland) we went in our first year. The time spent there with my classmates would always be remembered.

RSET STAFF ACHIEVEMENTS

Dr. Neha Joshi, Librarian, Ghanshyamdas Saraf College successfully completed her Ph.D in Library and Information Science from Savitribai Phule Pune University in September, 2016. The subject of her thesis was "Use of Social Medias as an Information Seeking Tools by the Faculty of Management Institutions Affiliated to University of Mumbai".

The study is an analysis of faculty and librarians working in

interpersonal relations. He has also presented many papers at National and International Conferences which were published as the proceedings of the Conferences and is also a Ph.D guide of Commerce and Management of Shri Jagdishprasad Jhabarmal Tibrewala University.

Dr. Nishit Dave was felicitated by the Management of Rajasthan Sammelan Education Trust on the occasion of Annual Day celebration of the college for obtaining Ph.D. We wish him further success and academic growth.

Dr. Latha Venkateshwaran Principal, Kudilal Govindram Seksaria Sarvodaya School successfully completed her Ph.D in Education from the Zoroastrian College affiliated to UNESCO in February 2017.

The subject of her thesis was "A study on Challenges faced by Government Aided schools in imparting quality education and solutions for the same".

Dr. Latha Venkateshwaran is also a committee member of the OFP (Open Forum for Principals) Mumbai which is registered by the Government of Maharashtra.

Dr. Latha Venkateshwaran
Principal, KGSS

She is a Trustee of the Indian Development Foundation an NGO working for the cause of Humanitarian Services.

Her thesis throws light on the problems faced by aided schools & will be helpful for schools in implementing the solutions suggested in her thesis to resolve the same.

Dr. Latha Venkateshwaran also holds a Masters Degree in History, Political Science & Education from Mumbai University & an M. Phil in History.

Dr Sumana Chaudhuri, Assistant Professor, DSIMS, has successfully completed her Fellow (Doctoral) Programme in 2014 in the area of Applied Welfare Economics from National Institute of Industrial Engineering (NITIE), Mumbai. Her area of specialization is in the field of Applied Welfare Economics and Infrastructure Economics.

The title of her thesis is: **"Evaluation of PPP Airport Infrastructure Projects: A Cost Benefit Analysis"**. This is uncharted territory for India and for airport PPP projects.

Dr. Sumana Chaudhuri
Assistant Professor, DSIMS

Dr Chaudhuri received a sponsored research grant from Airports Economic Regulatory Authority of India. She is also the recipient of the Best Paper Award in the International Conference on Infrastructure Finance held at IIT Kharagpur in 2010.

Dr Chaudhuri is also the Website Chair Professor, the Editor of the Remsons International Conference Proceedings and DSIMS Newsletter EDGE. She is the Chief Mentor of Global Quest, an International Relations initiative to foster global academic linkages with DSIMS.

Dr. Nehal Joshipura has more than a decade long experience in industry and academia. Having received MBA in Finance from Bhavnagar University and being topper in MCA from Gujarat University (Rollwala), she has earned PhD on "Exploring Risk Anomaly in Indian Stock Market: the Test of Market Efficiency" during last academic year. Her research word for PhD is in the area of factor investing and market efficiency in stock market. She used the data of all past and present constituents of Nifty 200 and Nifty 500 since inception of the indices and did extensive back-testing and conducted robustness tests. Her findings suggest long term equity returns support the low risk anomaly contrary to the established

Education beyond cliché

Building strong characters

Ms. Ekta Sinha (Asst. Professor, Ghanshyamdas Saraf College, University of Mumbai)

When in school, I had a story in my Hindi textbook, *EIDGAAH* by Munshi Premchand. The subject was never so favourite but by the time we completed the story Munshi Premchand was the best story teller and Hamid was the strongest character etched in my mind. I was in tears when hamid decided to buy tongs for his Dadi (grandma) Amlina, overcoming all the greed for delicious sweets and beautiful toys, so that his grandma's fingers remain safe forever while making chapatees for him.

Hamid's determination, will power, contentment and ability to think beyond the cliché were some of the qualities of his character that left me spell bound and hard hit.

How many times do we do such acts even when we have nothing to sacrifice? How many times do we think for others given we already have done enough for ourselves? How many times do we empathise with others rather than just sympathising? How many times do we get involved in discussion rather than initiating a debate? How many times we try to improve ourselves rather than judging others? How many times do we respect and nurture our relationships unconditionally?

So many questions... So many unanswered questions... So many questions to be pondered over!!

Having raised these questions, I not at all intend to say that we humans, have lost our virtues and are incapable of building strong characters, but I just want to point out that somewhere we are losing the essence of being humane. Rising crime and violence, all over the world is so alarming. Young people and children are used for such audacious and blatant show. Is this the world we want to leave behind for our children??? One of the main reasons which a recent study shows about many of the couples don't want to have children is, because they fear that in such chaos they will not be able to protect their children. We are losing the essence of having strong characters for right purposes. 'Right' here can be very subjective but I always maintain that anything which is not intended to deliberately hurt someone is right.

Character is the solid foundation on which a person's entire life is based. History has time and again, thrown the statistics at us. Character, we know it when we see it. Maybe more importantly, we know it when it is missing. Character is the magic ingredient that sets you apart from the rest. Our character will determine our success and each of us has the ability and the potential to develop and strengthen our character. My elders, teachers, many known and many unknown people have taught me that strong character is a potpourri of many qualities like honesty, integrity, dependability, diligence, loyalty, compassion, sincerity, attentiveness, determination, confidence, resilience etc. All these traits and many more sum up one's character.

And then slowly I realized that character might mean a lot of qualities, the fact is that all the qualities are kind of interrelated. For example, if you are honest automatically you are more dependable, more responsible, and more steadfast. When our overall character improves, it translates into success in all spheres of our lives. There are numerous examples, Whether it was Thomas Edison whose inventions changed the world, or it was Abraham Lincoln who was president of the United States, or Gandhi the lone crusader of nonviolence, or Mother Theresa who chose to do social work or Dr. Abdul Kalam who glorified his life with simplicity and dedication, they all had one thing in common - they were all people of strong character with right purposes and clear vision.

Being an academician I always have believed that imparting knowledge is the noblest work one can ever do. But then I also see myself as part of the rat race where cliché is the system, where only scores are important and your package decides your success. I don't intend to diminish the importance of above stated criteria but very assertively I say that these achievements without a strong character is like, a body without soul. Even the greatest epic of all times, Ramayana shows, how Ravan - bearer of all Vedas and knowledge had to lose everything because he lacked strong character.

But, the most important question is who is responsible for building a strong character?

Well, it's certainly can't be done through one month crash course. Nor it's the onus of educational institutions only. It has to be a collective effort by parents and teachers both. The efforts should not wait for the child to attain a certain age. If today's child can learn to operate a smart phone as soon as he/she's born, human virtues should also come to him/her seamlessly. The more early we start the more strong foundation we can make. We must provide our child with the environment of love and nurture them with values.

Today's education system has its own advantages of being technologically sound and breaking geographical barriers but it also puts children in the ordeal of never ending competition. And sadly, this claims many lives every second, in one or the other part of the world. We must teach our children to accept failures and learn from them. We must teach them to do what they love doing. We must teach them to respect theirs and others' feelings. We must teach them to express. We must teach them to respect everyone's existence and above all we must teach them to celebrate and love life.

This definitely isn't an easy task. It will take time but we must not settle for anything less. It's never too late. Never too late to dream and achieve them. I am still learning and trying my best to pass it on to my students and child, because it's never too late to be humane & happy!!!

EMPOWERING KNOWLEDGE

Rajasthan Sammelan Education Trust has started Jankidevi Bilasrai Bubna Endowment Freeship Fund to give freeship to the needy and deserving students studying in various educational institutes of RSET. The Jankidevi Bilasrai Bubna Endowment Freeship Fund will provide the much needed financial support to such students who do not have the financial means to pursue their education.

Rajasthan Sammelan Educational Trust proposes to start a Boy's hostel that will provide accommodation to students interested in pursuing higher education in the educational institutions of RSET or any other institute. The hostel which will be situated in an exclusive building will have the most modern infrastructure and will include areas for recreation, dining, entertainment and laundry facility.

With the increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, Rajasthan Sammelan's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthan Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudial Govindram Seksaria School, Rajasthan Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefited immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Rula (Brijmohan Laxminarayan Rula Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on ns@rajasthani.org.in.

Five Indians in Forbes Asia's 2016 Heroes of Philanthropy list

Vineet & Anupama Nayar
Founders of the Sampark Foundation

Adar Poonawalla
CEO of Serum Institute of India

Amit Chandra
CEO of Bain India

Archana Chandra
CEO of Jai Vakeel Foundation

Five Indians have made it to Forbes Asia's annual 'Heroes of Philanthropy' list for 2016.

The Indians in the list, which included 40 philanthropists from 13 countries in the Asia Pacific, include Vineet and Anupama Nayar, founders of the Sampark Foundation in India; Adar Poonawalla, CEO of Serum Institute of India and Pune-based billionaire Cyrus Poonawalla's son; Bain India CEO Amit Chandra and his wife Archana Chandra, CEO of Jai Vakeel Foundation.

"The list not only features philanthropists who have made the news with their donations in the past year, but also recognises people who have compiled a long record of supporting worthy causes," a Forbes Asia statement said. "Honourees include a mix of billionaires, businesspeople and captains of industries who are also making a mark with their generosity."

Vineet, 54, and Anupama, 49, were chosen because of their work at the Sampark Foundation, which has an outlay of \$100 million (around Rs 675 crore), entirely funded by the Nayers and represents more than half of their wealth. The former chief of HCL Technologies and his wife have been instrumental in providing kits with child-friendly teaching aids to 50,000 government schools and three million students across Uttarakhand and Chhattisgarh.

Adar Poonawalla, CEO of Serum Institute of India, pledged \$15 million (around Rs 100 crore) last year to clean up Pune city—where the Poonawalla family resides—with a fleet of 50 garbage trucks and a crew of 70 people.

Chandra and his wife give 75 percent of their earnings each year to causes ranging from education to healthcare. Amit was one of the founding donors to Ashoka University and has funded an upcoming children's hospital in Mumbai that will be the country's largest.
