PRESIDENT'S MESSAGE

Dear Reader,

Rajasthan Sammelan Education Trust has entered into its 70th year of establishment and today more than 16,000 students are regularly coming to our campus to study in the schools, colleges and management institute. Many students, who have passed out from our portal are now well settled in jobs, self-employed and leading successful lives; thereby confirming our belief in the value of quality education! It also indicates that our students have used all the facilities provided to them to their optimum advantage. This is the age of globalization and students must understand that they have to excel at all levels to survive in today's competitive world.

From the side of Management, we consider it as our duty to nurture our students as sensitive people with strong values who will use their individual achievements to strengthen the fabric of the community, the nation and the planet. Each institution at RSET Campus is equipped with the best infrastructure, well stocked libraries, internet facility, state of the art computer laboratories, world class auditoriums and also a comfortable & secure women's hostel.

We have recently equipped Deviprasad Goenka Management College of Media Studies with Mahabirprasad Poddar iMac Lab & Mahabirprasad Colour Grading Lab. Students use iMac lab for their learning, training with latest software and practical projects. Faculties use this technical facility to enhance their skill sets and training for the students. Similarly, Colour Grading Lab is in high demand these days. Visuals are required to be of the best quality as media is now converging from Cinema to mobiles and web series. The naming ceremony of both the Labs was performed by Shri Jatin Pandit, versatile music director & composer on 22nd March, 2018. Our latest project - Jankidevi Bilasrai Bubna Boys' Hostel is nearing completion and we hope to start the hostel very soon.

To give exposure to students with global environment of teaching-learning & industry, some of our institutions have tied themselves with many foreign universities. Durgadevi Saraf Institute of Management Studies has joined hands with University of East London, ESSCA Management School, Northumbria University, Oxademy Graduate School, Ottawa University, Frankfurt School of Finance and Management, as a part of their International initiative. These collaborations have enabled students of DSIMS and faculty to visit different institutions of international repute. Fourteen students of DSIMS are currently studying at Ottawa University under one-month student exchange programme.

International Immersion Programme is an integral part of our PGDM programme of DSIMS as well as DGMC. Under this initiative, 19 students of DSIMS were sent to Ottawa University, Kansas, USA last year and Fourteen students of DSIMS are currently studying at Ottawa University under one-month student exchange

Ashok M. Saraf, President, RSET

programme. FYPGDM students of DGMC visited Dubai under international immersion which enlightened them with global exposure and a chance to understand the international market with relation to media.

Placements are an integral part of the institutions of higher education and I am happy to state that approximately 250 companies have accepted to consider students of DSIMS to recruit for their organizations. Students of Ghanshyamdas Saraf College were also offered job opportunity by various companies such as Biotrains, My Insurance Club, ICICI Prudential Life Insurance and P3 Architectural Solutions. All institutions of higher education are working closely with business leaders to establish Industry Institute Partnership. Some of the institutions under RSET have received awards and accolades for their all round excellence. DSIMS has been ranked 7th Best B-School in Mumbai and 52nd in India as per Times B-School Survey 2018 which is another feather in our cap. DGMC also received 5th Top Emerging B-Schools as per Times B-School Survey 2018.

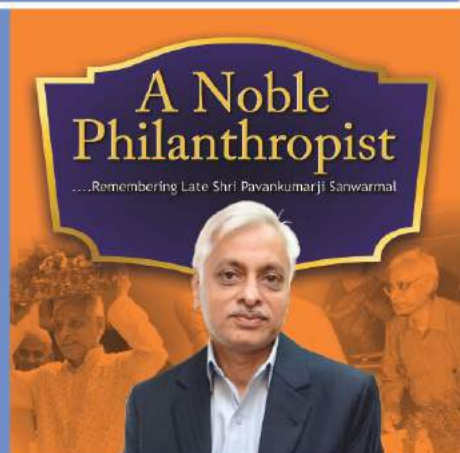

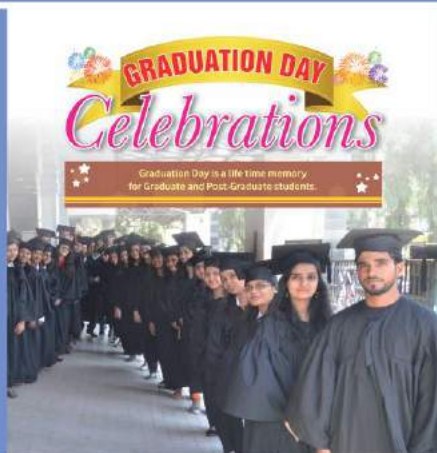

Sports is an integral part of life and involves overall development of a student. Keeping this in mind, we are providing coaching in basketball, football and table tennis to our school children and also practice sessions to college students at Pravinchandra D. Shah Sports Academy ground. Expert coaches have been appointed for the coaching of the above mentioned games. Free football assessment for the students of all institutions of RSET has recently been carried out by an international coach. PDSA also organized a six day tournament for basketball, football and table tennis for different age groups.

We are continuously moving towards our mission of providing education to the modern generation to turn them as rich human resources for the country. We solicit co-operation and support of all Donors, Trustees, members of Managing Committee and well wishers to join us and strengthen our hands to attain our objectives in our educational endeavours.

HON. SECRETARY'S MESSAGE

Dear Reader,

It is a matter of great pleasure for me to state that Rajasthan Sammelan Education Trust is following the ideals of integrated learning in all the institutions by giving opportunities to students to develop their personality through different co-curricular and extra-curricular activities along with regular teaching - learning. An important component of attaining academic excellence by an institution is having well qualified faculty who teach with skill and passion. In this matter, we have always taken care to appoint well qualified staff dedicated towards their duties for nurturing talents of their students in proper direction.

India is one of the few countries in the world that is blessed with rich cultural heritage. At RSET, we believe in imparting quality education based on ethics so that the students will find their education rewarding and rich that would raise India's stature to the top economies in the world.

Past few months have been full of activities in our campus. All institutions celebrated Annual Day in a grand manner. All the schools jointly celebrated Republic Day with Shri Neel Sujan, Donor, RSET, as the Chief Guest who hoisted the National Flag. This was followed by cultural items presented by students on patriotic theme. Students of Mainadevi Bajaj International School enthusiastically participated in International Child Art Competitions and six students emerged as winners who received gifts, medals and certificates. Ghanshyamdas Saraf College and Durgadevi Saraf Junior College jointly organized intercollegiate cultural fest 'Mauj' for two days in which 2500 students from around 70 colleges across Mumbai participated in 42 different events.

Along with various cultural and literary activities, students of our institutions have also participated in many outreach programmes. Ramniwas Bajaj English High School conducted a fun fair 'Project Aashayein' - A Ray of Hope, an endeavour of IDF (Indian Development Foundation) which is dedicated to reach out to the under privileged children and facilitate them with books and stationery for their education.

The NSS unit of Durgadevi Saraf Junior College organized a five days camp at Naigaon. NSS volunteers performed many activities like cleaning the area around the residential camp, tree plantation, street play, an interactive session with local school children etc. They also conducted Poster making activity on the topic of 'Save Earth'. A survey was conducted by the NSS volunteers on the topic "Impact of Social Media on Youth". NSS volunteers of Ghanshyamdas Saraf College and Ladhidevi Ramdhar Maheshwari Night College of Commerce organized many projects of social service that included street plays on

Kailash Kejriwal, Hon. Secretary, RSET

social themes, preparing paper bags and distributing to shopkeepers, poster making competition on road safety, disaster management workshop etc. Volunteers of Department of Life Long Learning and Extension Unit (DLLE) of Ghanshyamdas Saraf College worked with special children of Punarvas School, Goregaon and celebrated Valentine Day with them.

Kunjbihari S. Goyal Online Academy (GOLD Academy) is marching forward with new initiatives and new value added courses with persistent increase in student base since its inception in 2015. Presently GOLD Academy has 45828 students enrolled with its portal. In the recent months, institutions of higher education invited many renowned academicians to interact with the students. They also worked closely with business leader. DSIMS invited more than eighty senior professionals from different industries to address the students under the initiative of Industry -Institute Partnership Cell. The institute also joined hands with many foreign universities. Many of our faculties presented research papers in national & international conferences. Both DSIMS & DGMC received Certificate of Approval for Transition of ISO 9001:2008 to 9001:2015.

Sports activities in our campus have received a great momentum through Pravinchandra D. Shah Sports Academy. Regular training is provided to students by expert coaches appointed by the Trust. PDSA had also organized a six days basket ball, football & table tennis tournament in the month of March.

With best infrastructure , techno-savvy ambience, ever increasing job-oriented courses, career counseling, state of the art sports facilities & highly enthused teachers- we earnestly endeavour to help our students in realizing their dreams. We solicit support & co-operation from our Trustees, well wishers & members in our educational journey.

CEO'S MESSAGE

Captain (IN) Anant Yadnik (Retd.), CEO, RSET

Motivation gets you going, but discipline keeps you growing
- John C Maxwell

Dear Reader,

The past three months of January, February and March 2018 were busy with large number of scholastic and non-scholastic activities. As usual it was a successful quarter for us. This year was the third successive year where we had Annual Days of all the institutions at our own PDSA (sports ground). We at RSET have celebrated the Republic Day with all the schools participating with excellent show on stage at PDSA with content full of patriotic feelings. The understanding that success of the students in their X and XII board examinations would shape their bright career the mentors (teachers) have given them an intense coaching to prepare them well for the forthcoming examinations. The RMCC, our Counseling Centre has taken the responsibility to give a scientific advice to these students on stress management to cope up during exams. Further they have given the career counseling and guidance as a motivating factor to do well in their exams.

With so many institutes under its aegis there would obviously be large number of noteworthy activities that are taking place at RSET. Just to mention few of them would indicate their worthiness. We had regular Rural and International Immersions where our students were exposed. At Rural immersions they understood the social responsibility and at International Immersion one would get to know the best of the activities taking place in the world and also a chance to be one of them in future. Our graduation ceremonies, conclaves, faculty development programs, NSS camps, seminars, exhibitions, visit of famous international speakers at our campus, gives opportunity to students from time to time for interaction with personalities of National and International fame, an active participation of our students in all the environmental activities and many more such activities have taken place during this quarter.

Our sports ground has become a buzzing place where the students are getting coached extensively by the select coaches of very high caliber. Few international coaches too have given lessons to our students in various disciplines of the outdoor sports. The success is already showing with our students doing exceedingly well at National and international levels. The brand RSET is growing at fast pace with so many wonderful happenings. This is for the first time we have to add a separate page for our high achievers because of the large number of students who have brought laurels to institutions of RSET. The

institutes per se have done so well that their reputation is growing day by day. One such development is that our Management College DSIMS has been ranked the 7th best B-School in Mumbai. This is a great news which forecasts the future glory of the Institute and a great attraction for all the students to seek admission in such a prestigious institute. At RSET we have recently added the state of art infrastructure facilities at DGMCC, viz., I Mac Lab and the Colour Grading Lab for greater learning opportunities for the students. Our state of art Boys Hostel with a capacity of 150 students is almost ready and will be commissioned very soon. I am sure that new occupants will be very lucky as they will enjoy their stay and enjoy brand new facilities being offered to them at an affordable rates. We are proud to state that we have not forgotten our ex-students. Two of our major institutes have recently conducted the Alumni Meet where the ex-students fondly remembered nostalgic moments at their Alma Mater. It was a very joyous experience for all as we are very happy to note that the majority of them are doing very well in their life and they themselves have expressed that this was due to the grooming at RSET during their student days.

All our support services are facilitating the smooth running of all the Institutions of RSET. One new positive step recently noticed is that House Keeping and BMS agencies are sending weekly reports of all the activities carried out by them in form of the pictures and videos. These activities help the management to see from the distance what exactly is happening in the nook and corner of the campus. Further it's a testimony of the quality of work being carried out. All the Housekeepers are logging to ensure that the entire campus is kept neat and tidy. BMS is ensuring that all the AMCs like ACs, Transformers, lifts, Pest Control, Fire Fighting equipment, Periodical Maintenance and many more small routine maintenance activities like repairs of pumps and motors, attending all the tickets related with plumbing, electrical and carpentry are carried out timely. Weekly meetings with Security and BMS help us to resolve all the pending issues and nothing is left unattended. Off late the security has also undertaken the job of the water management of the entire RSET Campus and are able to perform it satisfactorily.

Discipline of the students and staff is of paramount importance for development of the image of any Institution. At RSET concerted efforts are being put to ensure that all the activities that are taking place in the campus are being monitored through CCTV. Any deviations from the laid down code of conduct, rules and regulations as and when reported, prompt actions are being taken as per the case specific issues to ensure that such happenings are not repeated again. Despite all these planning, coordinating and controlling there are few challenges which arise from time to time and the extra attention is required to be given to such problems to get it resolved.

At RSET, we are regularly conducting the mock fire drills. One such mock fire drill was carried out in the last quarter. This quarter we have carried out a big exercise of the Mock Fire Drill in which all the schools, both the PG Institutes and some other institutions took part and we were able to evacuate about 4000 persons (students and staff) in about 4 minutes. A detailed report of the entire exercise has been made and added in this magazine as an article for the information of all the readers. Our new caterers 'Shree Chakra Caterers' whom we have appointed few months back have settled down and giving a satisfactory service. They have made an elaborate menu and opened a counter of fresh juices for the students and staff at an affordable rate.

In the end I just want to conclude by saying that our President Shri Ashok Ji Saraf always quotes that "The best is yet to come". How true is this sentence and I am very hopeful that the best will come very soon.

MESSAGE FROM DIRECTOR OF SCHOOLS

The 'Best School' debate

At a recent interview with a conglomerate which runs many schools across the country I was asked to enumerate steps I would take to move a school towards becoming the 'best school'. This got me thinking about how one characterizes schools. The criteria on which the media lists schools as being 'best schools' in a city, country or particular region vary from the school's infrastructure, the number of students it has enrolled, the results it has produced, the courses it offers, the co-curricular activities that are encouraged and the champions it has produced.

When considering a school or any other educational institution what is it that we look for that makes the institution good or worth sending our children to? That depends on the perspective of each of the stakeholders. In a school community the stakeholders are the parents, students, teachers, administrators, board members, the government and the surrounding community.

If we consider the main stakeholders, for the parent a good school is one which is affordable in terms of tuition fee and other expenses, does not require long travel, has manageable working hours, has a good infrastructure, a teaching faculty that is adequately qualified and responsive to their and their child's needs, is affiliated to a board of their choice, offers a range of co-curricular activities, produces good results in board examinations and has free and open channels of communication.

What counts for a student is a creative and engaging way of learning, teachers who respond to her individual needs, a forum where he is heard, a manageable work load, well understood processes of assessment, a good feedback system which enables her to become an effective learner, a good mix of curricular and co-curricular activities, a warm and friendly place that addresses his intellectual and emotional needs and above all a place that they feel like going to each morning when they wake up.

For a teacher a good school is a place where she feels cared for and recognized, where she is supported in her decision making by the heads of section and the principal, where the systems of increments and promotions are clearly stated, understood and applied uniformly, where she is given professional training and can see her growth path clearly.

For administrators and the Board what matters is that the vision and mission of the institution be implemented, that a school be self-sustaining in terms of numbers and income, that the school is conscious of the image of the management that is projected in the wider community and that the school makes its name as one that offers a good educational experience.

Nitin Padte, Director of Schools, RSET

Given these myriad of perspectives, it becomes evident that maximizing the number of students attending a school and a sustainable income can never make a school a 'best' one for a parent and similarly merely delivering a good curriculum will not make a school 'best' for the board which is seeking much more.

Considering this conundrum even a debate, let alone a goal, on making a school into a best school is an exercise in futility. This however does not mean that a school should not have holistic approach to education and set any targets. What each school should engage in is defining what good looks like in every area of its operation be it the child, the curriculum, the leadership, the infrastructure or the partnerships it develops with the communities around it.

The leadership of Rajasthan Sammelan Education Trust and the principals of its schools are aware of the need to introspectively look at all the processes within our institutes and are continuously engaged in improving educational practices keeping in mind the goal of creating sensitive and caring learners who will make a difference in the world.

Our country is shining on the globe for the excellent performance of the athletes of our country at the Common Wealth Games held on the Gold Coast, Queensland, Australia between 4th & 15th April, 2018. In the Common Wealth Games, Australia tops the medal rank with 80 Gold. Second England with 45 Gold while India ranked third with 26 Gold medals. Besides Gold medals, Indian athletes also won 20 Silver medals & 20 Bronze medals at the Common Wealth Games. We sincerely hope that one day our country will also top the medal rank at the CWG by winning highest number of Gold medals.

Coming to the academics and in the area of higher education, Hon'ble Ch. Vidyasagar Rao, Governor of Maharashtra & Chancellor of Universities in the State, appointed Dr. Suhas R. Pednekar, Professor of Chemistry & Principal of Ramnarain Ruia Autonomous College as the New Vice Chancellor of the University of Mumbai. The appointment has been welcomed by many as streamlining the examination & evaluation system & declaration of results on time is the first thing in Dr. Pednekar's Agenda of reforms in Mumbai University.

Mumbai being the hub of media industry, we cannot overlook the sad and sudden untimely demise of the versatile actor Sridevi in February this year. Her sizzling dance 'Kate nahin kat te.....' in the film Mr. India of eighties & recent films 'English Vinglish' & 'Mom' will always be remembered by her fans.

At RSET campus, our schools, colleges and management institute have been buzzing with many academic & extra-curricular & sports activities. All the institutions celebrated Annual Day in a grand manner at Pravinchandra D. Shah Sports Academy ground which was converted to an open air auditorium. A LED backdrop was provided this year during Annual Day celebrations that helped to create a better impact to the performances presented by the participants of all the institutions.

Pravinchandra D. Shah Sports Academy organized a 6 day tournament for Basketball, Football and Table Tennis for various age group of school children from 19th March, 2018 to 24th March, 2018. PDSA had also conducted a free football assessment for the students of all the institutes under RSET at PDSA Ground by an international coach which was based on skills and fitness of the students.

Kudilal Govindram Seksaria Sarvodaya School celebrated International Women's Day in a grand and unique way by felicitating women from 20 different professions for their contribution to the society. All the schools celebrated Republic Day jointly in RSET campus with Shri Neel Sujan, Donor, RSET, as the Chief Guest who hoisted the National Flag in the presence of Management members, staff and students. This was followed by cultural items with patriotic fervour.

Ghanshyamdas Saraf College, Ladhdevi Ramdhar Maheshwari Night College of Commerce and Deviprasad Goenka Management College of Media Studies jointly celebrated Graduation Day on 24th March, 2018 in which Degrees were awarded Graduates and Post Graduates of academic year 2016-17. The function was graced by Dr. S.T. Gadade, Dean, Faculty of Commerce, University of Mumbai and Principal C.K. Thakur College, New Panvel as the Chief Guest.

Durgadevi Saraf Institute of Management Studies as well as Deviprasad Goenka Management College of Media Studies received certificates of approval from LRQA for ISO 2001:2015. A significant highlight of DSIMS was achieving 7th Rank amongst private B-Schools in Mumbai as per Times B-School Survey. Ms. Manali Bhandari, NCC Cadet of Ghanshyamdas Saraf College represented 8th Maharashtra Girls' Battalion in the Annual Republic Day parade held on 26th January, 2018 at Rajpath, New Delhi.

Since all school and college exams are over, it is now time for students to enjoy summer vacation. However, many students who appeared for HSC in science stream, are busy preparing for entrance examination for their respective professional courses. Sometimes students select a professional course due to family or peer pressure that he or she is unable to cope up later. Hence before choosing science, arts, commerce and a professional course, students must obtain counseling services that also includes aptitude test. Fortunately at RSET Campus, we have Ramdhar Maheshwari Career Counseling Centre which is providing counseling to students for choosing the proper stream of studies.

We are sure that under the guidance of our visionary President and his team of Management members, our institutions will definitely grow further to greater heights. Hence, we conclude with a line of British poet Robert Browning's poem 'The best is yet to be'.

Dear Reader,

In the past few months, many interesting events have taken place in the educational campus of Rajasthani Sammelan Education Trust. The month of January saw Annual Day celebrations of all institutions in Pravinchandra D. Shah Sports Academy ground. I am very happy to know that Durgadevi Saraf Institute of Management Studies has organized many prestigious seminars and conferences graced by eminent personalities of national & international repute. DSIMS has also received Certificate of Approval for Transition of ISO 9001:2008 to 9001:2015.

It is heartening to note that Ghanshyamdas Saraf College organized many activities under Career Guidance & Placement Cell. The NSS, NCC & DLLE units of the college conducted many social service projects. It is a matter of great pride that one of the NCC cadet Ms. Manali Bhandari was selected to represent 8th Maharashtra Girls Battalion in the annual Republic Day Parade held on 26th January 2018 at Rajpath, New Delhi. Miss Sayali Jadhav, a student of GSCC received Gold Medal in the Asian Kabaddi Championship at international level while Miss Pratiksha Mandavkar won silver medal in Maharashtra State Kabaddi Championship.

It is a matter of great pleasure that two students of Durgadevi Saraf Junior College-Tejaswini Gilbale and Komal Yadav (SYJC) represented Maharashtra Kabaddi Team at National level matches held at New Delhi in January. NSS Unit of the college, organised at camp at Naigaon for 5 days in which social service activities were taken up for the benefit of the locals. The college also successfully conducted HSC Board Examination. Lectures on 'Financial Planning & Medianomics' were held at Kirandevi Saraf Institute of Complete Learning.

I take this opportunity to compliment the Management, the Principals, Staff and Students of all the institutions for their all round progress.

Dear Reader,

It is my great pleasure to know about the excellent progress of all the institutions of Rajasthani Sammelan Education Trust. In the past few months, all the institutions have celebrated Annual Day in a grand manner. Many dignitaries graced the Annual Day celebrations as the Chief Guest. At the same time, the institutions also completed their academic syllabus, have successfully conducted Board/University examinations in their respective institutions.

I am pleased to note that Kudilal Govindram Seksaria Sarvodaya School hosted a workshop for Principals on 'Effective Parenting' by Dr. Tushar Guha, a well known Psychologist and Educationist. The Net Ball team of the school participated in Interschool Net Ball Tournament and bagged the 1st position. International Women's Day was celebrated in school in a grand and unique way by felicitating women from 20 different professions for their contribution to the society. The Principal was felicitated by Rotary Club of Mumbai Peninsula for her contribution towards education with a trophy and certificate.

It is heartening to know that students of Kudilal Govindram Seksaria English School made us proud by securing gold medal at 7th National Kung-fu Championship held at Andheri Sports Complex, best player trophy and best emerging player trophy of LEAD Academy at Basket Ball Tournaments held at Chaturbhuj Narsee School. KGSS and KGES celebrated Republic Day along with other schools in RSET Campus in a grand manner. It is interesting to know that during this time institutions of higher education organized Conclaves, Seminars and Workshops graced by many scholars and corporates.

I congratulate and compliment the Management, Principals, Staff and Students for overall growth and progress of all the institutions of Rajasthani Sammelan Education Trust. I also wish a great success to all.

Dear Reader,

Rajasthani Sammelan Education Trust has specially created a record of distinguished services in the field of education by establishing many institutions in which more than 16,000 students are receiving education from Pre-School to Post Graduation, Management and Media Studies.

I am pleased to know that Mainadevi Bajaj International Playschool is running successfully and has organized interesting activities for the toddlers such as beach picnic cum Family Day Out, Jungle Safari Day, Cake Party, fun-filled field trip, Valentine Day & many other activities for the toddlers to enjoy as well as learn through play-way method. MBIP also conducted a workshop on Multiple Intelligences by the Coordinator, Anita Gambhir at Nathmal Garodia hall of DSIMS to facilitate parents for a better parenting of the toddlers. It is a matter of great pride that students of Ramniwas Bajaj English High School and Mainadevi Bajaj International School participated in various International Olympiads and bagged gold, silver and bronze medals. Ms Nupoor Agarwal of MBIS received an award from MISA (Members of International Schools Association) for being the topper in IGCSE examination. With RBHS taking the lead role, all the schools of Rajasthani Sammelan Education Trust successfully celebrated Republic day in the campus on 26th January, 2018 in a grand manner.

It is heartening to note that in the past few months many foreign academicians from reputed universities visited RSET campus. Academicians from London School of Communication visited the campus with the intention of collaboration with Deviprasad Goenka Management College of Media Studies. Durgadevi Saraf Institute of Management Studies organized 5th Remsons International Research Conference in which Prof. Hugh Munro from Lazaridis School of Business & Economics, Canada, delivered the keynote address. I wish excellent growth and development of all the institutions in future.

Dear Reader,

It is heartening to note that second Jankidevi Bilasrai Bubna Freeship Award function was held on 28th January at Pravinchandra D. Shah Sports Academy ground of RSET Campus. Shri Jairaj Thacker, Eminent Businessman & Managing Trustee, Narsee Monjee Education Trust graced the occasion as the Chief Guest. Smt. Sharda R. Bubna, Director of Sharda Cropchem Limited, represented our organization at the Freeship Award function as Guest of Honour. Students of all the institutions of Rajasthani Sammelan Education Trust were awarded Jankidevi Bilasrai Bubna Freeship on this day. On that day, a scintillating musical performance was given by Ms Meghna Mishra, the Filmfare award winner singer of 'Secret Superstar' fame & her group that mesmerized the audience.

I am happy to know that the renovation work of a Jankidevi Bilasrai Bubna Boys' Hostel building is in progress. The renovation has been complete from first to seventh floor. I am sure that the hostel will really be a home away from home for the male students coming from other cities to Mumbai to realize their dream for higher & professional studies.

It is a matter of great pride that Durgadevi Saraf Institute of Management Studies successfully conducted 5th Remsons International Research Conference on 24th March, 2018 in which keynote address was delivered by Prof. Hugh Munro from Lazaridis School of Business and Economics, Canada. A grand Graduation Day ceremony was also organized by Ghanshyamdas Saraf College, Ladhidevi Ramdhar Maheshwari Night College of Commerce and Deviprasad Goenka Management College of Media Studies in RSET Campus. Many students of the institutions of RSET have excelled in sports at District, State, National and International level games.

I convey my best wishes to all the institutions for their further progress and development.

of Media Studies

Dear Reader!

It gives me great pleasure to note about the various interesting activities organized by Deviprasad Goenka Management College of Media Studies in the past few months. The college received ISO 9001: 2015 certification in the month of January. Representatives from London College of Communication, U.K., visited DGMC in February with the purpose of interacting with staff, faculty and students for Faculty Exchange Programmes, Cultural Immersion, Tours, Students' Summer Programme, Online and Blended Learning and a new High End Executive Education Programme wherein certificate will be awarded by London College of Communication. I am very happy to know that the students of second year PGDM and MA programmes visited Murbad Taluka as a part of their Rural Immersion Programme where in the students received a chance to apply their classroom learning to a real time environment. As a part of their International Immersion Programme, students of First Year PGDM visited Dubai to get a chance to understand the international market with relation to media. Shri Ashutosh Jare student of SYBA at DGMC won first prize for his short film 'NAZAR' in the Maharashtra Times Carnival 'Short Main Dum Hai'. He also received the Best Director Award. It was a great pleasure and pride for DGMC to hold Graduation Day ceremony along with Ghanshyamdas Saraf College and Ladhidevi Ramdhar Maheshwari Night College of Commerce on 24th March, 2018. A new feather of achievement was added in the spectacular learning infrastructure of DGMC on 22nd March, 2018 when the high-tech Mahabirprasad Poddar iMac Lab and Mahabirprasad Poddar Colour Grading Lab were inaugurated by the Chief Guest Shri Jatin Pandit.

All other institutions have also conducted many interesting activities. I compliment the Management for giving best infrastructure as well as best technological support to all institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

For more than 69 years, Rajasthani Sammelan Education Trust has a legacy of success stories of dedication, vision and hard work for empowerment of young generation with education. I take this opportunity to congratulate the President and his team of Office bearers, Trustees and Managing Committee members for providing various types of educational facilities in the educational campus of the Trust. The Trust has also provided various facilities in the campus to facilitate highly qualitative teaching learning, excellent infrastructure, hi-tech computer labs, other technical aids, iMac Computer lab & Colour Grading Lab for Media College, counseling centre, health centre, educational outlet etc. that speak volumes about educational excellence provided by RSET for all the institutions. The Trust is also in the process of starting a boys' hostel very soon.

It is heartening to note that Draupadidevi Sanwarmal Women's Hostel is running successfully in RSET Campus for the past six years. The Management has provided full 24 x 7 security for the hostel students by appointing a registered security agency. Other facilities such as free wi-fi, laundry, complimentary breakfast, spacious recreational area with LED TV, in-house gym facilities are also continued as before along with good food to the hostel inmates. There is also a 'food committee' of students for quality check and menu preparation. The students are following all the rules and regulations laid down by the Management to maintain discipline. It is a pleasure to know that the hostel students have actively participated in Republic Day celebrations in RSET Campus by presenting cultural item revolving around patriotic theme. They also celebrated festival of Holi with great enthusiasm.

I convey my best wishes to one and all in RSET for their further progress and developments in the educational endeavours of the Trust.

Dear Reader,

A country always needs skilled professionals in every field. With the objective of guiding the students properly to choose a branch of study that is in tune with their skills and their expectations, Ramdhari Maheshwari Career Counseling Centre is continuously supporting the students with best guidance and assistance. I am very happy to know that RMCC conducted a workshop on Stress Management for the students of Durgadevi Saraf Junior College to help them cope with academic pressure and other stress faced by them in daily life. Career Assessment was also conducted for students of Grade X of Kudilal Govindram Seksaria English School followed by a counselling session in which students were informed about the suitable stream for them based on their aptitude, interest and personality.

It is heartening to know that Ladhidevi Ramdhari Maheshwari Night College of Commerce successfully celebrated intercollegiate festival 'Pankh' - A Desire to Fly, with 13 different events in the categories of sports, performing arts, fine arts and literary events. The college also organized Graduation Day ceremony for the first batch of TYB.Com students jointly with Ghanshyamdas Saraf College and Deviprasad Goenka Management College of Media Studies. In this function, degree certificates were distributed ceremoniously to the toppers at the hands of Principal Dr. S.T. Gadade, Chief Guest.

It is a matter of great pride that many renowned academicians of foreign universities visited RSET Campus in the past few months from London, Singapore and Canada. Institutions of Higher Education conducted prestigious seminars and conferences graced by eminent academicians and from corporate sector. Many students from schools to institutes of higher education made us proud by bagging awards at District, State, National and International level sports activities.

Dear Reader,

Now a days, students are under a lot of pressure - to perform academically, to be popular, to ultimately make a good life. The one thread that touches upon all these is the choice of one's career. It is a decision that is often taken under parental or societal duress. However, one must seek proper career counseling and guidance to make the right decision. I am pleased to note that Ramdhari Maheshwari Career Counseling Centre is regularly conducting successfully Career Assessment Test for students. At the same time, the Counseling Centre is providing guidance to students interested in overseas education. Other activities include workshops on communication skills, public speaking, leadership skills, personal counseling sessions for stress and anxiety management and time management which is greatly beneficial to students. I am very happy to know that Ladhidevi Ramdhari Maheshwari Night College of Commerce is running successfully and has organized various social service projects under NSS and DLLE units. The college also successfully celebrated the Annual Day on 26th January, 2018 in PDSA ground which was graced by Shri Aslam Shaikh as the Chief Guest and Smt. Nikita Lakhota as the Guest of Honour. LRMC also celebrated Graduation Day ceremony along with Ghanshyamdas Saraf College and Deviprasad Goenka Management College of Media Studies. Dear Reader,

Scholarships provide academic growth of students and give them an opportunity and encouragement to work hard and realize their career aspirations on completion of studies in desired branches. It is to empower such brilliant and deserving students with education that our organization has been associated with Rajasthani Sammelan Education Trust through BKT Endowment Freeship Fund.

Our ties with the Trust have become stronger after the naming ceremony of Mahabirprasad Poddar iMac Lab & Mahabirprasad Poddar Colour Grading Lab at Deviprasad Goenka Management College of Media Studies on 22nd March, 2018. Both the labs are named after my respected father late Shri Mahabirprasadji Poddar. The naming ceremony was performed by Shri Jatin Pandit, the versatile music Composer and Director. Shri Vipul Shah, Director and Company Secretary, BKT Industries Limited represented our organization

I am very happy to note that BKT Scholarship Award function was held on 28th January, 2018 at RSET Campus. Shri Madhusudan Bajaj President (Commercial) in Balkrishna Industries Ltd., represented our organization at the scholarship award function as the Guest of Honour. Students from all institutions of Rajasthani Sammelan Education Trust were awarded BKT Scholarship and Freeship this year. I take this opportunity to congratulate all the recipients of scholarship and wish them further excellence in their studies. The function became all the more glamorous with the grand musical programme of Filmfare Award Winner singer Ms Meghna Mishra & her group.

It is heartening to note that Rajasthani Sammelan Education Trust is very soon going to start a Boys' Hostel that will benefit many male students coming from other cities. I convey my best wishes to the President and to all associated with the Trust for further success and excellence in the field of education.

Dear Reader!

It is very interesting to know that in the past few months, students of the institutions of Rajasthani Sammelan Education Trust have brought laurels to their institutions in sports activities. Right from little children from schools to students of colleges - all have made their institutions proud by sports awards received at District, State, National and International levels. I am pleased to learn that Pravinchandra D. Shah Sports Academy organized a six day tournament for basketball, football and table tennis for the age group of U-9, 11, 13, 14 and 16 in the month of March for all the school children of RSET. I am sure that this tournament must have developed harmony and healthy environment among all the schools. Besides, it has also provided a platform to students to showcase their talents and strengthen the spirit of sportsmanship. It is heartening to know that PDSA has conducted a free football assessment for the students of all institutions of RSET in the category of U-10 to U-16 based on their skills and fitness. The assessment was carried out by an international coach accompanied by MQ Head Coaches and Co-ordinators. It is a matter of immense pleasure that Amratlal Premchand Shah Library of Mainadevi Bajaj International School has become the hub of all school activities. The library has books, reference resources, charts, e-resources, database etc. In addition, students have access to newspapers, periodicals and the internet. It is gratifying to know that the Trust is very soon going to start a Boys' Hostel near its campus which will be very useful for male students coming from other cities to pursue higher studies in Mumbai.

Dear Reader,

It is a matter of great pleasure that Remsons Centre for Management Research is focusing on developing contemporary and usable research in various areas of Management. Durgadevi Saraf Institute of Management Studies encourages its faculty and students for undertaking practical research to address issues faced by corporates and industry through Remsons Centre for Management Research. During the quarter, the Research Centre conducted many noteworthy activities. DSIMS organized its 5th International Conference under the aegis of Remsons Centre for Management Research on 24th March 2018 with the theme: 'Sustainability, Growth and Corporate Governance-Way Ahead'. It was indeed a great privilege for me to inaugurate the conference. Shri Ashok Saraf, Chairman DSIMS presided over the inaugural session. However, the highlight of the conference was the Key Note Address delivered by Prof. Hugh Munro, Professor of Marketing and International Business Wilfred Laurier University, Canada.

I am very happy to note that DSIMS has brought out the first issue of research journal "The Management Quest" which has been approved by the Registrar of Newspapers. The Institute has also released "Compilation of case studies", written by in-house faculty and "Best Summer Project" reports, the best 15 SIP projects of the students, at the time of International Conference. DSIMS is in the process of setting up a Case Study Centre under Remsons Centre for Management Research to create a depository of case studies. Research papers and Case Study of many in-house faculties have been published in International Journals. Under the aegis of Remsons Centre for Management Research, DSIMS conducted a Poster making competition for Kudital Govindram Seksaria Sarvodaya School in which 550 students participated and the winners were awarded prizes at the conference.

Vijay Pal Singh
Health Centre

Dear Readers,

In today's busy life schedule and especially in dual career families, often parents fail to take care of routine health check-up of their children. Therefore, Rajasthani Sammelan Education Trust has taken a very wise decision by starting Vijay Pal Singh Health Centre named after my father Late Shri Vijay Palji Singh. I am pleased to know that this health centre is being run efficiently with a well equipped clinic with doctors and nurses for health check-up of students. Ayaksha, the agency running the health centre is conducting regular health check-up of school children & also providing First Aid to students as & when needed. I am pleased to note that recently, under the leadership of Capt. Anant Yadnik, CEO, RSET, a Mock Fire Safety Evacuation Drill was conducted successfully on 27th February, 2018 in RSET campus. He was assisted by Shri Rakesh Rawal of M/s. Ayaksha Health Services, managing Vijaypal Singh Health Centre for this event.

It is interesting to note that all the institutions have excellently combined academic activities with extra-curricular activities to make the lives of students interesting in the campus. All the institutions have successfully celebrated Annual Day with great enthusiasm & grandeur in RSET campus in the month of January. The Trust has been taking special care to develop talents of students in sports through Pravinchandra D. Shah Sports Academy. Expert coaches have been appointed by the Sports Academy to train the students in various games. A six day tournament for Basketball, Football and Table Tennis was held in a befitting manner at PDSA for the age group of U-9, 11, 13, 14 & 16 from 19th March 2018 to 24th March 2018.

With exams approaching, many students regularly visited the Educational Outlet not only for stationery items but also for xeroxing, scanning and printing required for preparing their projects. The Educational Outlet has also been helping the students by providing them xerox copy of notes of their required subjects. To streamline all purchases from the educational outlet, a new in-house portal has been recently started to generate purchase orders by the institutions. The rate of all items have been finalized by the purchase department of RSET that automatically appear at the time of selecting the items. My father late Shri Ramnarayan Saraf worked very hard to provide best teaching learning facilities to all the institutions of Rajasthani Sammelan Education Trust. He was also instrumental in starting many new institutions under the aegis of Rajasthani Sammelan Education Trust. Hence, our family feels extremely satisfied to see that the Trust is delivering education from pre-school to Post Graduation, Management as well as Media Studies to more than 16,000 students who come daily in RSET Campus to receive education. It is heartening to know that all the institutions of the Trust celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground in RSET campus. Many colleges and institutions organized international and national level conferences. Some of our Faculty members and Principals also obtained Ph.D. Many of our students made us proud by bagging prizes in prestigious games and tournaments at international, national, state and district level competitions.

I convey my compliments to Shri Ashok M. Saraf, his team & everyone associated with Rajasthani Sammelan Education Trust.

Dear Reader,

Education is changing rapidly and keeping pace with the evolving technology of the day are teaching practices. Video-conferencing is the latest technology used in education and has made its way into the classroom. It has turned the classroom geographically limitless. Students can now interact with researchers, teachers and other students from any part of the world at the click of a button.

I am pleased to note that the students of Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School and Kunjibihari Goyal Online Academy have been regularly utilizing video-conferencing facilities in Devendra Lath Communication Centre. Many a times, Management members are also conducting meetings from their office or other places with staff by the use of vide-conferencing which is available in this Communication Centre.

It is interesting to know Deviprasad Goenka Management College of Media Studies has been provided with high-tech Mahabirprasad Poddar iMac Lab and Mahabirprasad Poddar Colour Grading Lab. Both the labs were inaugurated by famous music Composer and Director Shri Jatin Pandit on 22nd March, 2018. Many prestigious event, seminars and conferences were organized by institutions of higher education. Durgadevi Saraf Institute of Management Studies organized its 5th International Conference under the aegis of Remsons Centre for Management Research on 24th March 2018. The Key Note Address was delivered by Prof. Hugh Munro, Professor of Marketing and International Business Wilfred Laurier University, Canada.

I offer my special compliments to the President, Trustees and Management members for their efforts in the area of educational endeavours. All the institutions have organized many extra curricular programmes in RSET Campus. I take this opportunity to extend my compliments to the Editorial team for bringing out this informative bulletin regularly.

Dear Reader,

I am pleased to note that Suwadevi Doongermal Patodia Laboratory at MBIS is well equipped with all the essential apparatus and chemicals required for complete learning as per international standards. This Chemistry lab follows all the standard safety precautions like safety shower, fire alarms and extinguishers fume cupboard, first aid kit, safety goggles, lab coats, gloves, etc. The students are thoroughly monitored and guided by the teachers and the lab assistant while they perform various experiments. It is a matter of great pleasure that the Naming Ceremony of Suwadevi Doongermal Patodia Lab was performed on 22nd March, 2018 by our senior family member Shri Pawan Patodia in the presence of my other family members and amongst the dignitaries Shri Ashok M. Saraf, President, RSET, Trustees, Members of Managing Committee and Staff of Mainadevi Bajaj International School and Rajasthani Sammelan Education Trust. It is a matter of great pride that Rajasthani Sammelan Education Trust is successfully marching ahead with its new projects. The Trust is in the process of starting Jankidevi Bilasrai Bubna Boys' Hostel very soon near the educational campus of RSET. The Trust has given strong technological support to all institutions. Recently, Deviprasad Goenka Management College of Media Studies has been equipped with high-tech Mahabirprasad Poddar iMac lab and Mahabirprasad Poddar Colour Grading Lab. I am pleased to know that the Trust has created many endowment funds for scholarships and freeships to brilliant and deserving students of all institutions. A grand Scholarship Award Ceremony was also held in the month of January.

I take this opportunity to offer my compliments to the President Shri Ashok M. Saraf and his team for providing full support to all institutions to excel in academics as well as in extra-curricular activities. I wish a bright future to all the institutions of RSET.

Education Trust

Dear Reader!

Rajasthani Sammelan Education Trust has successfully completed 69 glorious years spreading the light of knowledge and information in all directions. The Management is in a continuous journey of educational endeavours by providing proper education to the young population of our nation right from pre-school to post graduation in commerce, management & media studies. At the same time, they have provided state of art infrastructure along with high-tech technological support to all institutions in the best possible ways. The Trust has also created many Endowment Funds to provide scholarships & freeships for bright as well as needy students studying in all the institutions run by the Trust. A Boys' Hostel near RSET campus will also be going to start very soon that will be a great help to many male students coming from other cities to pursue higher & professional education in Mumbai. In the past few months, many institutions organized important events. Ghanshyamdas Saraf College, Deviprasad Goenka Management College of Media Studies and Ladhidevi Ramdhar Maheshwari Night College of Commerce jointly organized Graduation Ceremony in a grand manner. Durgadevi Saraf Institute of Management Studies conducted 5th Remsons International Research Conference in which Prof. Hugh Munro from Lazaridis School of Business & Economics, Canada, delivered keynote address. Republic Day was celebrated by all the schools of RSET on 26th January, 2018 in the campus. All the institutions successfully celebrated Annual Day in Pravinchandra D. Shah Sports Academy ground.

I take this opportunity to offer my compliments to the President Shri Ashok M. Saraf and his team for providing full support to all institutions to excel in academics as well as in extra-curricular activities. I wish a bright future to all the institutions of RSET.

Dear Reader,

It is a matter of great pleasure to know that in the past few months, all the institutions of Rajasthani Sammelan Education Trust were busy in organizing many co-curricular and extra-curricular activities. They have also conducted respective board as well as university examinations successfully. The Annual Day of the institutions were celebrated in Pravinchandra D. Shah Sports Academy ground successfully which were graced by many eminent dignitaries including hon'ble state ministers, academicians and businessman as Chief Guests and Guests of Honour. It is interesting to know that Pravinchandra D. Shah Sports Academy in RSET Campus has become very popular and is providing training to students on various sports by experienced coaches. Students of schools as well as colleges have excelled in District, State, National & International level Games & Sports. I have great pleasure to know that Smt. Smita Mahavir Agarwal (Nevatia) Seminar Hall at Durgadevi Saraf Institute of Management Studies has been regularly used for holding lectures as well as prestigious seminars and conferences in the past few months. The technological support of a computer and a LED Projector give full support for presentations during the lectures in this Seminar Hall. It has also been used for holding important Management meetings, CET Seminar, Placement activities & many academic programmes. It is interesting to know that Durgadevi Saraf Institute of Management Studies organized an International Conference under the aegis of Remsons Centre for Management Research in the month of March.

I congratulate the President and his team for the strong support given to all institutions and wish them further success.

A Noble Philanthropist

....Remembering Late Shri Pavankumarji Sanwarmal

ABOUT LATE SHRI PAVANKUMARJI SANWARMAL

Perhaps those whom God loves more, He calls them to His kingdom earlier. Same is true with Late Shri Pavankumarji Sanwarmal, a soft spoken gentleman, a noble soul and a great philanthropist whose untimely demise on 26th October, 2017, left us all shocked and shattered. But, unfortunately we do not have any power against God's will. Apart from being an astute business man, he has left behind a legacy of great philanthropy, a desire to help the less privileged and donate for the cause of education. He has indeed lived a rich and fulfilling life that has given so much to others.

Shri Pavankumarji Sanwarmal had given a handsome donation for starting Draupadidevi Sanwarmal Women's Hostel to Rajasthan Sammelan Education Trust in RSET campus in Malad West which was inaugurated on 7th January, 2012 by His Excellency Shri K. Sankaranarayanan, Governor of Maharashtra & Goa.

Through this issue of Abacus, we present a brief glimpses of his life, philanthropy and acknowledge his kind contribution for the cause of women's empowerment that has helped many girl students coming from other cities to realize their dreams of completing professional education by staying in the secured environment of Draupadidevi Sanwarmal Women's Hostel.

Late Shri Pavankumar was the son of Late Dr. Sanwarmal Sedmal, a widely admired personality in the field of agriculture, business, social services and also in the field of health & education. The Title "Krishipandit" was awarded to Dr. Sanwarmal Sedmal by The Government of India for the highest production of wheat per acre in the year 1975.

Late Shri Pavankumar was born on 16th April, 1960 in Mumbai. He had his formal education in the Greater city of Mumbai. He was a science graduate from Mumbai University and was well versed with English, Gujarati, Marathi & Hindi languages.

After the sad demise of his father in the year 1998, he took over the control and management of his father's business empire and all other activities, which was started by Dr. Sanwarmal Sedmal in the year 1952 from scratch, for which, he was well groomed by his father.

He did extremely well in controlling, managing, expanding and looking after the business enterprises and all other social & educational activities started by Krishipandit Dr. Sanwarmal Sedmal. As the business environment is dynamic, he could foresee the same well in advance and accordingly upgraded his organization to compete with the challenges in future. Under his leadership "Droupadee Saanwaria Group", which is engaged in the fields manufacturing, agriculture, investments,

information technology etc. grew multifold and has become a well-diversified group covering different avenues.

In the field of flexible packaging, "Multifilms Plastics Pvt. Ltd" is a widely recognized company. The company deals in plastic packaging and printing and is now planning to expand into agricultural films. The company has undergone multiple expansions to become a leading company in its domain under the leadership of Late Pavankumarji Sanwarmal.

The Agricultural Activities of the Group is being carried out through Rajegaon Farms, situated in Pune District of

go global and started a business internationally from the year 2000. In the year 2004 he established a company in Sharjah, U.A.E., for manufacturing pre-fabricated cabins & steel fabrications. The company was a pioneer in this sector and paved the way for fabrications in the country.

In addition to all above, Late Shri. Pavankumarji had taken a sacred vow to follow the path led by his father towards the social service of the mankind. He was the Chairperson of the DS Manav Vikas Foundation and Draupadi Saanwaria Foundation Public Charitable Trusts, well known for their work in the field of education and health services.

Krishipandit Late Shri Sanwarmal and Late Shri Pavankumar explaining to the (former) Prime Minister Hon'ble Late Shri Morarji Desai about his achievements in wheat production and seedless lemon

Maharashtra. The farm is well known and is a landmark in agricultural activities. This farm has been awarded 3 Gold Medals and 5 Silver Medals for highest production of Sugarcane during a span of 25 years. In the year 1975, Krishipandit Dr. Sanwarmalji had produced highest yield of wheat per acre on this farm itself. This farm is also producing seedless lemons; a rare species being produced in the country.

The group maintains two companies where public is substantially interested and are engaged in investment activities. These companies have percentage holdings in the parent companies of well known industrial houses & also have substantial interest in real estate across India. Late Shri Pavankumarji had also expanded his horizon to

Apart from providing medical, educational and financial help to the weaker section of the Society, the trusts controlled and managed by Late Pavankumarji are engaged in Research in the stream of alternative methods in medical science i.e. Ayurveda, Naturopathy, Homoeopathy and other methods of medical importance. The trusts are working on innovative uses of medicinal plants by treating the patients through fresh leaves, roots, branches, flowers and other parts of the plant but ask the patients to use them according to the basic Ayurvedic concept of Panchvidh Kashaya-Kalpna i.e. consuming in form of fresh swars, kwath, himfant and churna. Most of the patients treated are suffering from various chronic diseases like Osteo-Arthritis,

Shri Pavankumar Sanwormal and his family along with Shri K. Sankaranarayanan, former Governor of Maharashtra at the inauguration of Draupadidevi Sanwormal Women's Hostel.

Rheumatic Arthritis, Paralysis, Acid Peptic-disease, Resistant Skin-disorders like Psoriasis, Leucoderma, Eczema, Asthma and Allergic conditions and they get better results from this treatment. The trust is associated with a doctor (M.D. in Ayurveda) for examination and treatment of the patients with fresh herbal plants.

A book entitled "125 Medicinal Plants Grown At Rajegaon Farm" has also been published by these trusts. The book contains the medicinal importance of these 125 species of rare medicinal plants and is appreciated by renowned personalities in medicinal field.

Under the leadership of Late Pavankumarji., an anti-diabetic powder "Bhadraprash" is prepared and is regularly distributed to the diabetic patients by these trusts free of cost since last 15 years. Recently the trust has appointed a doctor (B.A.M.S.) at their office in Pune, who examines and guides on every Thursday regarding diet, exercise etc. to the diabetic patients along with distributing "Bhadraprash".

Apart from Maharashtra, he also fulfilled his obligations towards his native place, Rajasthan. The trusts owned & managed by Late Pavankumarji are also carrying their educational activities in Rajasthan. These trusts are solicited with "Janardhanrai Nagar Rajasthan Vidyapith", a deemed university at Udaipur, Rajasthan. At Ajmer, Draupadidevi Sanwormal Girls High School and Girls Junior College are well known and are a part of Late Pavankumarji's educational activities. He renovated a building of Mahajan Panchayat at Mandawa (his native place), which is now used for Social and Religious Activities.

He is one of the Donor Trustees of Rajasthani Sammelan Education Trust who gave a handsome donation to start "Draupadidevi Sanwormal Womens Hostel" for female students

(A Home Away From Home) in the memory of Late Pavankumarji's mother.

While performing his duties towards business and social activities, he always gave the same importance to religious activities. He is associated with many religious organizations as well. He would periodically organize Shrimadh Bhagwat Saptaah and is one of the few people to organize Ashtottar Sahastra (1008) Shrimadh Bhagwat Saptaah Gyan-yagya, in his individual capacity at Mumbai.

By nature, he was a very simple and polite personality. He would always give credit of his success to his parents and to Almighty God first and then to his family followed by entire staff of his organization, friends and well-wishers. Late Shri Pavankumarji had taken on his shoulder, most willingly the responsibility to continue all these activities for the best of the mankind. We at Rajasthani Sammelan Education Trust are genuinely indebted to Late Shri Pavankumarji Sanwormal for his noble act of generosity which has helped to realize many woman students their dream of professional and higher education in the peaceful and safe atmosphere of Draupadidevi Sanwormal Women's Hostel.

INDEED BLESSED ARE THOSE HANDS THAT HELP OTHERS!

GRADUATION DAY *Celebrations*

Graduation Day is a life time memory for Graduate and Post-Graduate students. Every year, students look forward to this day and are excited to receive the degree wearing the Convocation gown and cap that makes them feel special. Since the year 2015, as per directives of Mumbai University, all affiliated colleges of Mumbai University are holding Graduation Day ceremony for Graduate and Post-Graduate students in their respective institutions.

This year, the Annual Graduation Day ceremony to award degrees to the Graduate and Post-Graduate students of Academic Year 2016-17 was truly a momentous occasion on an unprecedented scale for Ghanshyamdas Saraf College of Arts & Commerce, Ladhidevi Ramdhar Maheshwari Night College of Commerce & Deviprasad Goenka Management College of Media Studies.

Shri Ashok M Saraf handing over the degree certificate to Ms. Pooja Shah of GSCC

The Graduation Day ceremony was held on Saturday, 24th March, 2017 from 11 a.m. onwards. The venue was Durgadevi Saraf Hall in RSET Campus.

The Chief Guest for the Graduation Day was Dr. S. T. Gadade, Dean, Faculty of Commerce, University of Mumbai & Principal of C. K. Thakur College, New Panvel. The Graduation Day ceremony was presided over by Shri Ashok M. Saraf, President Rajasthani Sammelan Education Trust. Also in attendance were the Hon'ble Dignitaries of RSET- Shri Kailash Kejriwal, Trustee & Hon. Secretary- RSET, Shri Kailash Parasrampur, Trustee (RSET) & Hon. Secretary – Governing Council, (GSCC); Shri Madhusudan Maheshwari, Trustee - RSET and Main Donor – LRMC, Dr. N.M. Kondap, Director General – DGMC & DSIMS, Prof. Bhavana Vaidya, In-Charge Principal - Ghanshyamdas Saraf College; Dr. Rambhau Badode, Principal, LRMC, Dr. Kumardatt Ganjre, Principal – DGMC, Dr. Jayant Apte, Vice-Principal - GSCC, Dr. Lipi Mukherjee, Vice-Principal, Self-Finance Department GSCC, Dr. Ashwat Desai, In-charge of Students' Council, GSCC, Prof. Gopal Sonar & Prof. Gurunathan Pillai, In-charge of Examination committee, GSCC other dignitaries, entire teaching fraternity of three colleges & senior officers of RSET.

Just before the beginning of the formal function, the Chief Guest Dr. S.T. Gadade was welcomed at Devendra Lath Communication Centre and was introduced to Management members of RSET. The Graduation Day began with a majestic and grand academic procession from the entrance of DSIMS till the Durgadevi Saraf Hall. The academic procession was led by Dr. Rambhau Badode Principal, LRMC. Other dignitaries in the procession included Shri Madhusudan Maheshwari, Shri Kailash Kejriwal, Shri Kailash Parasrampur, Prof Bhavana Vaidya, Dr. Jayant Apte, Dr. Lipi Mukherjee, Prof Sonar Gopal, Prof Gurunath Pillai, Dr. Ashwat Desai Dr. Kumardatt Ganjre & the graduating students of three colleges. Once the dignitaries & the audience settled down, the programme started with the invocation song sung by a student along with the lighting of the auspicious lamp by the dignitaries & the University song being played in the background. Shri Ashok M. Saraf, President-Rajasthani Sammelan Education Trust then declared the 'Graduation Day ceremony open' on a request made by the In-charge Principal, Prof. Bhavana Vaidya of GSCC.

The formal function began with the Presidential address by Shri Ashok M. Saraf. In his welcome speech, the President focused on

the objectives of good education and contribution of students in nation building. He promised that Rajasthani Sammelan Education Trust will always be at the service of the society and youth through educational initiatives.

This was followed with the Introduction of the Chief Guest by Vice-Principal Dr. Jayant Apte (GSCC) & Presentation of bouquet & memento to the esteemed Chief Guest Dr. S.T. Gadade by the President of RSET.

The Annual Academic college report was read by the Principals - Prof. Bhavana Vaidya, Dr. Rambhau Badode & Dr. Kumardatt Ganjre. They touched upon the academic achievements of Ghanshyamdas Saraf College of Arts & Commerce, Ladhidevi Ramdhar Maheshwari Night College of Commerce & Deviprasad Goenka Management College of Media Studies respectively for the academic year 2016-17. Reading of Academic Report was followed by the presentation of Degree certificates to the students by the Hon'ble Chief Guest Dr. S. T. Gadade. The students, all smartly dressed in Graduation capes & caps accepted their degrees with pride in their hearts and a smile on their lips. It was indeed a very proud moment for one & all present.

The academic year 2016-17 of Ghanshyamdas Saraf College, Ladhidevi Ramdhar Maheshwari Night College & Deviprasad Goenka Management College of Media Studies witnessed the graduation of large number of Graduates and Post Graduates, which was indeed a prestigious moment.

An exemplary speech was given by Dr. S. T. Gadade which was an inspiration for all the graduates & post-graduates. Through his speech, Dr. S. T. Gadade encouraged and wished the students to reach higher goals. He focused on the importance of youth power and young minds, he advised students to be honest, be innovative and contribute substantially for the betterment of the society. He further spoke about the 3Ds necessary to achieve success in life : Determination, Dedication and Discipline. The speech was truly motivational for the students and enlightened the young minds. The Graduation Day was indeed a great moment for the students of all the three institutions and especially for the students of Ladhidevi Ramdhar Maheshwari Night College of Commerce and Deviprasad Goenka Management College of Media Studies as their

first batch graduated from the respective colleges – B.Com from LRMC & B.A.-FTNMP from DGMC.

The excitement among the graduating students was tremendous. The hall was bustling with high voltage energy and emotions when meritorious students of GSCC, LRMC and DGMC were felicitated.

The Graduation day ended with the In charge of Examinations for B.Com section, Prof. Gopal Sonar (GSCC) proposing the vote of thanks. Shri Ashok M. Saraf then declared the 'closure of the Graduation Day' ceremony. Upon formal declaration of closure of the ceremony, the National Anthem was sung followed by the retreat of the academic procession. Principal Dr. Rambhau Badode led the dignitaries off the dais and again led the procession from Durgadevi Saraf Hall to DSIMS Ground Floor.

The ceremony was very ably compered by Dr. Shripad Joshi & Prof. Ameya Tanawade (GSCC). The Graduation ceremony was a huge success owing to the whole hearted contributions from the Management, Principals, Vice-Principal, Students' Council and Examination Committee heads and members, Teaching & Non-Teaching faculty and student volunteers who competently and in close coordination organized the grand event.

After the Ceremony, the fresh graduates flooded out of the

auditorium, eager to share the joy with their class friends, Teaching & Non-teaching staff. They were too happy to experience the moment of wearing the Graduation Gown and Cap and were seen happily taking photographs with their friends and faculties. In the company of their friends, their conversation revolved around reminiscing of shared memories, the exchange of details as well as promises to meet up, and to stay connected.

For the rest of the students of DGMC, a special Ceremony was organized on the same day in Madhoprasad Saraf Seminar Hall of the college. RSET Director General, Dr. N M Kondap addressed the graduating student group. He offered them an open invitation to visit DGMC as alumni, to come and share their latest and updated learned industry knowledge with the junior students. Also he encouraged the passing out students to give valuable inputs to upgrade the curriculum if required. Students of BA-FTNMP & BMM were invited to take their Graduation Degree Certificates.

Chief Guest Dr. S T Gadade and Dr. N M Kondap, DG RSET handing over the degree certificate to Ms. Hanisha Kedia of DGMC

The Graduation ceremony was a huge success owing to the whole hearted contributions from the Management, Principals, Vice-Principals, Students' Council and Examination Committee heads and members, Teaching & Non-Teaching faculty and student volunteers of all the three colleges who competently and in close co-ordination organized the grand event.

At around 8 pm, the event invocation took place. Alumni team members and hosts for the event, Yawar and Nikita, took stage and spoke of the fun and memories associated with the time spent at the institute by the alumni and why alumni play a pivotal role in the growth of any institute. This was followed by a brief address by Dr. Babu where he thanked the present alumni for being able to make it to the event. He also

invited the alumni to get actively associated with the growth of the institute by participating in certain institution-building activities such as mentoring, taking group discussions and personal interviews during admissions process, taking domain mock interviews, being part of the Board of Studies meetings and CDC meetings, helping in curriculum development, participating in faculty development programs and management development programs, and last but not the least – help the institute with better placements.

After this, the hosts filled in the alumni with

Rendezvous

the latest developments and achievements at DSIMS, their alma-mater. They spoke of various awards won by the current batch, curriculum enhancements, new social initiatives, launching of LiM / MiM / SEP programs, Bloomberg lab and much more. Alumni were also brought to speed with the placement opportunities and internship opportunities which were made available this year.

This was followed by a small video collage prepared by the team which showcased various memories captured through

pictures and videos – both formal and informal of the pass-out students. This certainly made some alumni emotionally well up.

Later alumni were asked to share their journey so far in the corporate world and how they transitioned from being potential talent at DSIMS to seasoned professionals in their own right. Many top-guns shared their journey so far and gave pearls of wisdom for the current batch – their mantra to succeed in the difficult times to come.

AXIS

ASSOCIATION OF EX INTELLECTUALS OF SARVODAYA

Alumni Meet

Mrs Geeta Pant ex supervisor of the school expressing her gratitude to the Alumni

The first Alumni Meet of Kudilal Govindram Seksaria Sarvodaya School was held on Saturday 7th April in the Durgadevi Saraf Hall of the RSET Campus from 2pm to 5pm.

The excitement and enthusiasm of the ex students to return to their alma mater was clearly seen an hour before the event began as students rushed in to meet their old friends and teachers. The students were welcomed by the teachers of KGSS some of them who themselves were students of the school.

The Association has been named 'AXIS' meaning Association of Ex Intellectuals of Sarvodaya.

The Banner was made aptly depicting the growth of Sarvodaya with the old school building with students atop in the old maroon uniform on the left, the name AXIS and the logos of professions to which the Alumni belonged in the centre and the picture of the new school building with children atop in the new

school uniform on the right hand side. Nearly 260 Alumni attended the event along with 15 Ex Teachers and 4 Ex Principals – Mrs. Urvashi Rohtgi, Mrs. Krishna Chawla, Mrs. Usha Pandit & Mrs. Shashi Shukla.

The Program began with the school prayer of the 80's followed by a few dance numbers and then sharing of unforgettable school day memories.

The Alumni showed their gratitude to the teachers by presenting them a beautiful Mug with the logo of the old school batch as a take away memory. The evening was witness to smiles, tears & emotions all piled up for the last 50 years to be vent out. The Alumni irrespective of their age took to the dance floor and danced their hearts out to the latest Bolly wood numbers. The evening came to a close with the Principal Dr. Latha Venkat thanking one and all for the success of the event and promising to hold the event annually.

NAMING OF FACILITIES AT RSET

**MAHABIRPRASAD PODDAR I-MAC LAB,
MAHABIRPRASAD PODDAR COLOR
GRADING LAB (DGMC) &
SUWADEVI DOONGERMAL
PATODIA LAB (MBIS)**

A new feather of achievement was added in the spectacular learning infrastructure of Deviprasad Goenka Management College of Media Studies on 22nd March, 2018. The naming ceremony of Mahabirprasad Poddar iMac lab and Mahabirprasad Poddar Colour Grading Lab of the College was performed by the Chief Guest, Shri Jatin Pandit. Shri Jatin Pandit is a versatile & well-known music director/composer in the Hindi Film Industry. Jatin, of Jatin-Lalit duo, has composed music for more than 120 films for the past 20 years including all time hits like Dilwale Dulhaniya Le Jaayenge, Jo Jeeta Wohi Sikandar, Kuch Kuch Hota Hai, Kabhi Khushi Kabhi Gham, Fanaa and many more. He has won several national/international awards for his film scores and has been honored for his lifetime work at various places around the world. He has a strong foundation in classical singing from his father and Guru Pandit Pratap Narayan. He is also one of the mentors of the reality TV show Voice of India, SA RE GA MA, Suron Ka Eklavya to name a few. He has identified, groomed and guided several singers who have the potential and talent to make a mark for them in the Hindi music industry.

On the same day, naming ceremony of Suwadevi Doongermal Patodia Lab was performed by Shri Pawan Patodia from the family of CA Sunil Patodia who is a Donor of RSET. CA Sunil Patodia and his family members were also given a warm welcome by Shri Ashok M. Saraf as well as Trustees, Members of Managing Committee and Staff of Mainadevi Bajaj International School and RSET.

On his arrival, Shri Jatin Pandit along with his wife Smt. Kainaz Pandit and son Shri Rahul Pandit were welcomed by Shri Ashok M. Saraf, President, RSET along with eminent senior management members of Rajasthani Sammelan Education Trust, Dr. Nandkishore Kondap, Director General, DGMC, Dr. Kumardatt Ganjre, Director, DGMC and other staff members. Shri Pandit was accompanied to the seventh floor studio where the college team showcased a short corporate film on the activities and achievements of DGMC as well as of RSET.

With the advent of new technology, communication too has witnessed radical change. We have moved to mobile platforms and media is converging with a great pace. The younger generation has adapted itself to the rapidly changing, evolving world of media and effortlessly adopted the dynamic media technologies. RSET is committed to the professional growth and skill development of its students. DGMC has an extraordinary media learning infrastructure. Ultra modern Colour grading Lab and Apple iMac Lab are the results of this progressive thinking and pro active planning for the future. Now, students will have this excellent facility to use and equip themselves with new technology.

Mahabirprasad Poddar Colour Grading Lab on the sixth floor of DGMC & the naming ceremony was performed by the Chief Guest Shri Jatin Pandit followed by the naming ceremony of another facility iMac lab amidst a big round of applause. After the naming ceremony of both the labs at DGMC, CA Sunil Patodia and his family members were escorted to Mainadevi Bajaj International School for the naming ceremony of Suwadevi Doongermal Patodia Lab.

I hear, I forget;
I see, I remember;
I do, I understand.

The above adage holds true even today, especially in the field of science. At MBIS, we believe that laboratory teaching and experiments that are conducted help & encourage deep understanding in children as they are able to retain the knowledge for longer duration when they see the experiments being performed and get hands on experience as well. It allows students to explore chemical concepts, view changes in matter, and acquire scientific skills in an atmosphere similar to a professional scientific environment.

The naming ceremony of Chemistry laboratory of MBIS as "Suwadevi Doongermal Patodia Laboratory" was performed by Shri Pawan Patodia in the presence of CA Sunil Patodia, his family members, Shri Ashok Saraf, other invited guests, Principal and staff of MBIS. The chemistry laboratory is an integral part of the high school chemistry experience. The knowledge that students attain in classrooms would be ineffectual unless they actually observe the process and understand the relationship between action and reaction.

The naming ceremony was another way of reiterating an important message that MBIS

follows: "Give our students holistic experience of Education so that they become an aware, analytical & astute community of the world". The naming ceremony at MBIS was followed by the formal function.

At Durgadevi Saraf Hall, guests were greeted by the introductory note of Prof. Aarti Kamath, the compeer, who introduced RSET to eminent dignitaries. This was followed by the welcome address of Director General, Dr. N M Kondap, who focused on the need of adapting new technology in the field of education. He emphasized on the convergence of media and the emerging trends in media education globally.

President, RSET, Shri Ashok M. Saraf, addressed the gathering and in his speech. He advised the students of Media College to use these new facilities and new technology to maximize the learning outcome. He focused on the need of changes in the delivery methods of media education. The President, in his speech also focused on the objectives of good education and contribution of students in nation building. He promised that Rajasthan Sammelan Education Trust will always be at the service of the society and youth through educational initiatives.

Guest of Honour on the occasion was CA Sunil Patodia. He was welcomed by Shri Kailash Kejriwal. Another eminent dignitary Shri Vipul Shah representing Shri Arvind Poddar of BKT, the Donor of Mahabirprasad Poddar iMac lab and Mahabirprasad Poddar Colour Grading Lab was also welcomed and introduced to the audience.

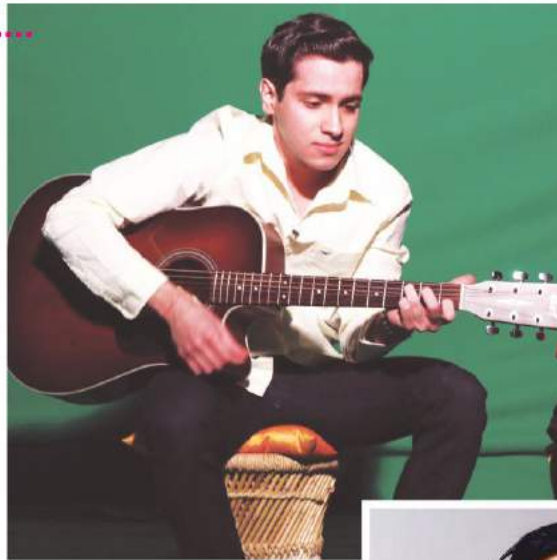

The Chief Guest Shri Jatin Pandit was welcomed by the RSET, President, Shri Ashok M. Saraf. He was of the opinion that with the evolving media technologies, delivery of education is changing in developed nations. India needs to fill this technological gap between academics and industry practices. He praised Management of Rajasthan Sammelan

Education Trust for this new and unique initiative. Few lines of a mesmerizing and melodious song was also sung by Shri Jatin Pandit and his son Rahul at the request of the audience that kept everyone spellbound. This was followed by the vote of thanks which was delivered by Dr. Kumardatt Ganjre, Director, DGMC. He thanked everybody present and have worked effortlessly to make this inauguration & naming ceremony a grand success. The programme was followed by a sumptuous dinner.

EDUCATION EMPOWERS

feature

College Fests are the most happening events in the city and Mauj, jointly organised by Ghanshyamdas Saraf College of Arts and Commerce and Durgadevi Saraf Junior College is no exception.

Mauj - Fiesta of Joy, a fest which symbolises feelings of happiness, a glimpse of creativity, a sense of determination, a rainbow of colourful events, new friends, new realisations, new lessons and new beginnings and finally sense of achievement and taste of success.

An event like Mauj cannot happen overnight. It required meticulous planning and strong sense of determination both from the students and staff members.

Mauj Committee could not function without the guidance of I/C Principal Prof Bhavana Vaidya, Vice Principal Dr. Jayant Apte, Vice Principal Junior College – Prof Swapna Roy, Chief Coordinator Self Finance Department – Dr. Lipi Mukherjee who provided valuable inputs from time to time and helped in taking Mauj to a different height this year.

Convener of Mauj Dr. Shripad Joshi along with his team members Dr. Shagun Shrivastava, Prof. Alok Hardikar, Prof. Mamta Chhajjar, Prof. Mayur Shah, Prof. Angira Narvekar, Prof. Mmahek Chhabria, Prof. Avanti Sathe, Prof. Ragini Pandey, Prof. Simmi Chaurasiya, Prof. Deepika Udyawar, Prof. Menka Shah, Prof. Manali Bendkhale, Prof.

Vineeta Rajapurkar, Dr. Nishit Dave, Prof. Snehalata Bonde, Prof. Ashwini Vatavkar and Prof. Preeti Gala left no stone unturned in carefully planning and executing Mauj.

Support and Cooperation from office bearers of RSET as well as members of teaching and non teaching staff was also a big factor for success of Mauj.

It's not only the staff members who worked for Mauj, rather a team of 200 students was also selected from more than 500 interviewed students to organize this fest. Team of students was divided into 10 departments – Creatives, Registration, Administration, Security, Public Relations, Sports, Technicals, Anchoring, Escorting and Hospitality. These 10 departments were led by head of department - Sneha Vekariya & Hiteshi Mundra (Creatives); Ruma Chatterjee, Jyoti Thanvi, Mitesh Jaiswal and Shakshi Pandey (Administration); Dimple Das and Devyani Bhati (Registration); Rutansh Bhandari, Parth Nirmal, Talib Rizvi and Parabjyot Kaur Virdhi (Public Relations); Neha Mewada and Barkha Bajoria (Hospitality); Vikas Pandey, Shivam Kejriwal, Srushti Patel and Hiral Zanzmera (Security); Saurabh Solanki and Pratik Singh (Sports); Salman Shaikh and Richa Bora (Anchoring); Yash Furia and Parichay Sharma (Technicals); Mayank Jain, and Sneha Udani (Escorting).

All departments worked in co-ordination with overall Heads of Mauj – Mr. Dhaval Patel (TY B.Com), Ms. Megha Khetan (TY BMS), Mr. Aayush Shah (TY BCAF) and were also supported by Akash Sahewal and Khushboo Kalal (Cultural Secretary - Degree College), Kiran

Team Mauj 2017-18

Gami and Shruti Dashpute (Assistant Cultural Secretary - Degree College), Raj Bela and Siddhi Kabra (Cultural Secretary - Junior College), Krisha Chheda, Nitin Joshi, Neha Thakur and Khushi Verma (Contingent Leader - Junior College).

Mauj 2017-18 was based on the theme – "Our True Heroes" through which we endeavored to recognize the contributions of those noble souls who have stayed away from the limelight and contributed towards the well being of society.

On February 6, 2018 - 26 events named Quilling, Best out of Waste, Mehendi, Rangoli, Last Page Artist, Calligraphy, 8 Ball Pool, Mini Militia, Beg & Borrow, Human Size Snakes & Ladder, Hindi Debate, Story Telling, Film Review, Mime, Mono Acting, Shoot the fest, Spot Photography, War of CLs, Solo Singing, Lip Sync, Fashion Show, Street Play, Chess, Badminton, Tug of War and Box Cricket were conducted.

On February 7, 2018 - 14 events named Face Painting, Tile Painting, Make over, Nail Art, Treasure Hunt, Human Size Ludo, PPT Presentation, Standup comedy, Cooking, Shoot the fest, Solo Dance, Group Dance, Street Dance, Carrom and Rink Football were organised. Two events – Musical.ly and Logo Designing were online events.

Fashion Show Team putting the stage on Fire with their strong message during Fashion Show event of Mauj

Eminent personalities from different fields were invited to judge these events like Mr. Shrirang Bhawe and Ms. Sanchari Bose (renowned singers), Dr. Aditi Gala and Ms. Charmie Dalal (notable classical dance artists), Ms. Meena Mishra and Sh. Anand Prakash Singh (award winning writers), Mr. Alphons Shetty (contestant Dance India Dance) to name a few.

Like every other year, the fest received an overwhelming response and received more than 2500 footfalls from around 70 colleges across Mumbai in 42 different events.

This year's Mauj saw many firsts as we introduced around 20 new events viz Best out of Waste, Rangoli, Last Page Artist, Spot Photography, Shoot the Fest, Beg and Borrow, 8 Ball Pool, Mini Militia, Stand Up Comedy, Human Size Snakes And Ladder, Human Size Ludo, Story Telling, Film Review, War Of CL's, Lip Sync, Badminton, Make Over, Treasure Hunt and PPT Presentation.

To add to this we also managed to associate with Thirteen Sponsors namely: Zoot, Metro Couponz, The Tuck Box, Chandu Art Tattoo, Guitar Studio, Barcode, Neelam e Punjab, The Knotty Threads, Extrim Fitness Studio, Frapp, The White House, YGP Music and Hind Foundation – Our Tshirt Sponsor..

This year Mauj also received participation from another State – Karnataka for the most glamorous event – Fashion Show wherein students from Vidya Ashram College, Mysore walked the ramp.

All good things come to an end, Mauj 2017-18 came to an end with declaration of Prizes for various events. Shri Banwarilalji Jhunjhunwala- Trustee and Treasurer, RSET graced the Prize Distribution Ceremony as Chief Guest and motivated the students with his kind words.

Overall Trophy and Best Contingent Leader of Mauj 2017-18 was bagged by Prahladrai Dalmia Lions College of Commerce and Economics. Smt. Pannabai D. Dhanuka rotating shield for Mehendi was bagged by Dr. Vyas Junior College and Shri Manoharlal Podar rotating shield for Hindi Debate was bagged by KES Shroff Junior College.

Mauj 2017-18 was a great success due to the hard work and untiring efforts by students as well as members of teaching and non teaching staff.

REPUBLIC DAY CELEBRATIONS

2018

24
गणतन्त्र

feature

26th of January is a gala day for every Indian. On 26th January 1950, the Constitution of India came into force and our country, India became the Republic. We celebrate this day as a festival every year. This year too it was celebrated with great pomp and show in the RSET campus.

ONE NATION, ONE VISION, ONE IDENTITY-Keeping in mind the vision of Mahatma Gandhi, the Republic Day was celebrated at the PDSA ground jointly by all the schools of Rajasthani Sammelan Education Trust. Ramniwas Bajaj English High School hosted the entire programme.

All the students assembled on the school ground at 8:30 am. The dignitaries of the event were welcomed and escorted by the KGES school band with great enthusiasm and elan. The scouts and guides accompanied the welcoming group.

The Chief Guest for the occasion was Shri Neel Sujan, Donor, Rajasthani Sammelan Education Trust. By profession, he is an industrialist and is the Managing Director of Sujan Group. Shri Neel Sujan has shown great interest in the educational endeavours of Rajasthani Sammelan Education Trust and his presence was indeed an honour for all of us.

The celebrations of the day commenced with the flag hoisting at 9:00 am by the Chief Guest Shri Neel Sujan in the presence of our esteemed President, Shri Ashok M. Saraf, Trustees, Members of Managing Committee, Staff and Students. As the flag was unfurled, the students of KGSS sang a patriotic song (Jhanda Ooncha Rahe Hamara) which resonated the patriotic fervour amongst all present.

The entire gathering then seated themselves to watch the cultural performances of the day. The august gathering was welcomed by Smt. Mini Nayar, Principal of Kudilal Govindram Seksaria English School. The Principal of Ramniwas Bajaj English High School, Ms. Padmaja Kutty introduced the Chief Guest. This was followed by the felicitation of the Chief Guest by the President, Shri Ashok M. Saraf.

The cultural performances displayed by the schools of RSET included patriotic songs, dances, poems and skits emphasizing the sanctity of the day. The first performance was a dance by students of MBIS which was a medley Vande Mataram & Yeh Jo Desh Hai Mera. The crowd was jubilant over the performance. A dramatic presentation by the students of Draupadidevi Sanwermal Women's Hostel took the crowd by storm since it

not only emphasized on women empowerment but generated a lot of positive vibrations for patriotism towards our country.

Nothing is more powerful than the power of words. The next performance was a fiery speech in Hindi by a Grade 3 student Ms. Rincy Pal of KGSS. Rincy delivered the speech with great enthusiasm and elation which left an everlasting impact on the audience. This was followed by a dance performance of KGES students which evoked the patriotic spirit in the audience. A patriotic song by the students of KGSS left everyone with emotions of nationalism. The students of the host school, RBHS performed on a medley of songs to depict the patriotic spirit of Mumbaikars. This received a great applause from one and all present.

All students were appreciated by the elated audience for their performances. The Headmistress of RBHS, Ms. Urvi Pal rendered the vote of thanks. The entire campus came alive with the spirit of patriotism, zest and elation at the grand celebrations on the Republic Day.

STUDIES: WHY, HOW, WHAT AND WHEN?

Mr. Robin Banerjee,
Managing Director, Caprihans India Ltd.

When I was a child, I used to think that studies were a gross encroachment on my play time. While I did not detest going to school, but that was not for studies – it was for my friends, games we shall play and the fun times we would have; the price of course for the good times was, attending school-classes.

Why study?

The question that pre-occupied my mind during my young age – why study? Many readers of this article may have gone through this conundrum, and some may silently be going through the dilemma – does education help? Why study and waste money, time and energy?

Parents would always goad us to study. Some would push us to learn hard and fast, and many would only accept outstanding outcome in examinations. I believe that the pressure on the kids commence from the innate desire of the parents to make their children do better than perhaps what they themselves could attain. The pressure of performing well in exams forced me to sacrifice quality play-time. And many amongst you would have faced and perhaps is facing, similar challenge. Is this childhood? A million dollar question indeed!

There is no denial that education is the stepping stone of human

progress. It encompasses acquisition of knowledge, skills, values, beliefs and habits. But, if it can be attained while enjoying the student-hood the process would make the outcome better. It is beneficial to give up the rat-race to stand first in the class. Avoid mugging up your study material; try to fathom the concepts elucidated in the text books; ponder over what the study materials say and not just memorize the contents by heart. Aspire to succeed by understanding and imbibing the theories and models ascribed in the text books. Help others in your quest for knowledge. Assist your friend who could be deficient in his/ her abilities. If you practice these, you will find – learning is great fun.

What is important for all us – parents and students, we need to become after all a better citizen, a good human being, and a person who contributes positively to the wellbeing of others. Just imagine, if the world would have been full of such sage-like humans, would it not be a better place to live?

To make education fun and enjoyable, it is the responsibility of all of us – the educators, the teachers and the parents. Awareness of mixing learning with pleasure will entail many of the efforts give positive results.

How to study?

Given the socio-economic background of our country and the system of education we follow, I would like to provide some ideas to the students for enhancing their study impact.

First and foremost, what you study, try to understand the concept behind it. If you are learning trigonometry, try to understand where and how the theories can be used. When studying calculus, try to form mathematical models to arrive at optimal solution in physics, engineering, economics, statistics, and medicine. While learning accountancy, assimilate the concept of return-on-investment and how it is the king of all financial ratios to judge the performance of any business venture.

When you go for your job interviews in the future, the interviewer would usually give you real-life examples and you will need to provide a solution by using the concepts you know. This would impress the interviewer the most - and not letting them know the mugged contents of some paragraphs from your study material.

Next, rehearse and review what you study. Practice makes your learning complete and your skills ample. The theoretical concepts you have studied, the mathematical equations you have been taught, and the questions which you have been provided answers with, need to be reread, rewritten and revised. More you will practice, your understanding will keep improving and your expertise sharpened.

Communication is one of the fulcrums of success. You can let others know of you and what your views are, only through communiqué—oral and written. There is no substitute for superior ability to seamlessly connect. Most of us are good thinkers and have fair understanding. But knowledge is not the end. You need to let others know of your ideas, concepts, visions and elucidations. When you meet someone, apart from the first impression obtained through looks and demeanor, the only other way to judge and assess is after hearing the person you met. A great way you can enhance your communication skills is through teaching - teach in a school or college; fumble and falter; and slowly but surely you will gain in confidence to communicate. Believe me, it works like magic!

This is the age of selling and marketing. Hence, presentation skill is another area where you will need to focus upon – keep it simple, crisp and focussed.

What to study?

Loads of new educational outfits are mushrooming across the country, fancy advertisements announcing their offerings, the abundance of career-related programs and the stressed-out

students with hopes of securing a high-paying corporate job - are all adding confusion than providing clarity.

While in school, little did we have the possibility of choosing what we would like to learn. But as times went by and as one progressed to higher standards, mental confusion manifested itself— what should one study? I remember when I was in standard nine; I had to choose between science, arts or commerce. I chose the latter one, and fortunately never regretted. But all of us are not always so lucky. Many a times, we study what our parents want to. My advice to one and all – learn what you like. A child could be a very good painter – study arts; or a talented singer – teach her better ways to

sing. But basic education yet should be imparted even if painting, singing, music or sports are being taught with more focus. A child shines where her talent lies; she learns the best what she enjoys the most.

Sometimes a student could be talented with the ability to pick up many a topic. My sane advice at this stage, study what is the flavor of the season. Many sharp youngsters over the last several years have studied computers and information-technology; and see the outcome. Hordes of them are abroad and many prospering in the dream destinations like USA, Canada, Europe and Australia. Currently, India is going through a transition, 'Industry 4.0' (the fourth industrial revolution) is in the making. This trend is getting lot of focus from the government and the industries. Learning on trends in automation, big-data analysis, cyber-crime prevention, the Internet of things, cloud computing and cognitive computing, will do a world of good. Artificial intelligence and robotics are the future.

In addition, with the growth in per capita income, the need for servicing good health and longer life-span will enhance. Hence demand for doctors, nurses, bio-technologists, nutritionists, fitness-trainers, beauticians will increase manifold.

New modes of financial skills including superior management information system, funding specialists, and customer relationship management (CRM) through smart-phones, are just a few other trends which are catching the attention of many businesses.

Social media and digital advertising are changing the way communications are taking place between the customers and the product or service providers. The focus on audience-based advertising is allowing brands to be more effective in reaching

target audiences with significantly less wastage. Innovative tricks in the new-age advertising are to be learnt - another potential area for the future.

In short, liberal art courses is losing ground to business management and several technology related programs.

When to study?

Anytime, is study-time. When I was young, I was told that early mornings are best for studies. And I hated this advice. Being a habitual late riser, for me later it got into the day, better my ability to focus, and improved. There is nothing like the quite night-hours for concentration. And to top it all, I loved an afternoon nap to recharge the brain-batteries.

There is no doubt that hard work and sincerity is the key. Study as long as you can – no hard and fast rule. Some can learn in a few hours, what others would take the whole day. So be it. The bottom line is: study as long as it is required. Complete the whole study material and the full syllabus. Do not leave out portions, hoping that questions shall not to be asked from your non-prepared portions.

In essence, whether its dusk or dawn, evening or morning, late night or early mornings, you can study whenever you feel like. As long as you can concentrate, every hour is study time.

Studies are cool-stuff

It brings me back to the original stuff – why, how and what to study? If studies could be given dollops of fun, then why not pursue it? Enjoy the process of learning – positive results are bound to follow sooner than later. Study whenever and whatever you like. Attain expertise in the subjects and areas you love. Parents and teachers need to extend their helping hands to attain the dreams of the young and the fledgling.

Think. Are there any downsides of being trained, well-read and enlightened? Debate as much as you will, but the answer would only provide upsides. If you are knowledgeable and learned, don't you think that your ability to conduct your affairs, be it business, politics, social welfare or otherwise, be better? Your capability to get a perspective of what is happening around would expand. You would be endowed with skills to demarcate the good from the bad, to select the right from the wrong, and distinguish the black-and-white from the shades of gray. It is a win-win for you, us and the world.

So, study and learn as much as you can. Do not ever give up - education builds intelligence and character. Education is not readiness for life; it is life itself.

NEW YEAR GIVES US THE CHANCE TO LIVE BETTER AND ACHIEVE MORE GOALS

The students of RBHS rang in the New Year in school on 2 January 2018 with a vision to explore success in all their endeavours.

One of the most anxiously awaited event was the Annual day, the preparations for which had begun way ahead in December itself. The school saw 100% participation of students for its Annual Concert represented by a dance drama with the theme 'Tech Talk'. The preparation for the Concert along with the prize distribution ceremony was worth a watch. The Chief Guest for the Annual Day was Ms. Vidushi Daga a businesswoman, Entrepreneur and the founder of Clone Futura Education who is actively involved in various philanthropic activities in the fields of education, technology development and human resources. One saw the hard work, the students had put in during the rehearsals, reaching its culmination on that day. Through 'Tech Talk', the students conveyed the message that virtual relations cannot substitute online relations.

Winners of the Global Hands On Minds On Competition

Insect-o- Mania

This was also an Annual Day marked with a difference since for the first time in the history of RBHS the Formal Prize Distribution Ceremony was anchored by students.

CUDDLE UP TO SOME FUN

A Slumber party was organized in school on 5th January 2018 for the babies of the Pre Primary section. The children came to school in the evening in their night wear with their soft toys. A range of activities from games to a session in Zumba to bedtime stories and playgym among other activities were organized. The children enjoyed a light dinner and then napped under the stars listening to lulling music. It was a thoroughly enjoying experience for all the children as well as the teachers.

A MILEWIDE, AN INCH DEEP

The Second Preliminary Examination for Grade 10 was scheduled from 8 January to 20 January 2018. This was followed by rigorous study practices, tips and methods to prepare for the ICSE Examinations scheduled in February.

The Farewell Party for Grade 10 students was organized on 31 January 2018. Grade 9 students were the hosts. They not only staged a skit but danced and sang lively songs, making the evening a memorable one for their seniors. The Grade 10 students gave emotional and motivational speeches which were really overwhelming.

The Final exam for Grade 9 was held from 3 February to 17 February 2018.

BEYOND SCHOOL

23 January 2018: The Cyber Olympiad Examination was conducted.

Misha Saraf, Grade 3 and Chaitanya Vaishampayan, Grade 6 have been selected for National Level Geography Olympiad examination to be conducted in April.

31 January 2018: The Inter school competition - Global Hands On Minds On was conducted by STEM [Science, Technology, Education, Mathematics] wherein the students of Grades 5-8 had to make an Aero model and a Derby Car. The competition was conducted at YMCA ground, Andheri. The School bagged the third prize for the Aero model.

The students attempted the 2nd level Olympiad exam for English, Mathematics, and Science on 11 February 2018.

Students also participated and emerged winners at the Schools

At the STEM Global Hands On Minds On Competition

India Art and Essay Competition securing Gold, Silver and Bronze medals.

ONE NATION, ONE VISION, ONE IDENTITY

Keeping in mind the vision of Mahatma Gandhi, the Republic Day was celebrated at the PDSA ground on 26th January 2018. RBHS was the host school. The Chief Guest for the Day, Mr. Neil Sujan was felicitated. This was followed by a cultural programme comprising various dances, speech and songs by children of the four schools of RSET as well as students of the Girls' Hostel.

NURTURE A LOVE FOR READING

The Pre Primary babies enjoyed the 'Library Week' scheduled from 5th February to 9th February. They visited the library and enjoyed the reading sessions conducted in the library.

SOME WISH FOR IT, WE WORK FOR IT

The Under 10 boys team participated in the MSSA football match scheduled on 5th February 2018 at Charni Road and won the first round.

A total of 20 students from Grades 6, 7 and 8 participated in the Jr. NBA Interschool Basketball competition held on 7 February 2018 for the Under-12 boys and girls as well as Under-14 boys at the Shishuvan school ground, Matunga. The team of Under 12 girls reached the quarter final.

The Interschool football competition for the Under 14 boys was organized by the Goenka Sports Academy at CP Goenka

Runner Up Trophy at Goenka Sports Academy Football Competition

International School on 14th February 2018.

RBHS bagged the Runner Up Trophy. Devendra Prajapati of Grade 8 was awarded the best striker of the tournament.

MAKING A CHOICE

Keeping in mind the learning requirements of students, the ICSE board has suggested a choice of various important subjects for Grade 9. These subjects are categorized into three main groups. Students have to make a choice of subjects in Group 2 and Group 3 at the Grade 9 level. The process begins in the second term of Grade 8 where the subject selection circular along with the details are sent out to parents.

To help in the process of making a judicious choice, an orientation was conducted for parents and students of Grade 8 on 17th February 2018. The Principal, Ms Padmaja Kutty along with the team of secondary teachers conducted the orientation; giving a detailed insight of the syllabi and implementation of various subjects offered at the school. The orientation saw a good attendance of parents and was much appreciated.

THE ESSENCE OF TEACHING IS TO MAKE LEARNING CONTAGIOUS, TO HAVE ONE IDEA SPARK ANOTHER.

The teachers of the Primary section attended training workshops conducted by teachers of various schools who were trained by the Council. The workshops were attended by the RBHS Primary team as follows:

17 February 2018: Mathematics at Hiranandani International School, Powai

21 February 2018: Mathematics and English at Smt. Sulochanadevi Singhania School, Thane

24 February 2018: English at Lilavati Podar School, Santacruz
Teachers exchanged notes among themselves so as to empower each other with the specifications and details of the training sessions attended.

A workshop on 'Occupational Therapy' was organized by RMCC for

FUN CARNIVAL

Nothing beats a good fun day. With a goal to provide an exciting event for students and parents alike, a fun fair was planned on 24th February 2018 at the PDSA ground in school for all the sections: Pre Primary, Primary and Secondary.

The fun fair was a student driven event hosted by the PTA. Students of Grades 5-9 acted as volunteers and executives for successful implementation of the fun-filled event.

The planning and execution of this event provided our students a platform to unleash their potential of communicating, conceptualizing, inquiring, problem solving and reasoning.

Most of the events at RBHS are conducted keeping in mind a social cause. This time the fun fair supported 'Project Aashayein – A Ray of Hope', an endeavour of IDF which is dedicated to reach out to the underprivileged kids and facilitate them with books and stationery for their education.

ENCOURAGING SKILL BASED LEARNING

The Pre-Primary children had a busy day at 'Insect-O-Mania' as they befriended the creepy crawlies in a fun, vibrant and stimulating environment. An exhibition of insects was displayed for the parents of the Pre Primary section on 9th March. The children enjoyed theme games based on insects; displayed replicas of insects and

shared information with the parents when they came visiting. The life cycles of the various insects were also depicted very creatively. All in all, it was a fun learning experience for the little ones. A quiz to assess the knowledge on computer skills was conducted on 9th March 2018 for the Primary and the Secondary sections.

An Inter House Advertising competition was conducted for the secondary section on 17th March 2018. A tie was witnessed for the first position which was bagged by Ruby and Emerald. Sapphire secured the second position and Topaz stood third in the Competition.

MARKING THE SUCCESS OF A FRUITFUL JOURNEY 2017-18

The final meeting of the PTA was conducted on 17 March, 2018 wherein the PTA members expressed gratitude over the fruitful and positive changes observed in the academic year 2017-18. The school also thanked the PTA members for their support and cooperation through the year.

GIVING WINGS TO YOUR DREAMS

Established in 2009

Dr. Sachin Sachdeva, Principal

MBIS is always agog with fruitful activity. The first three months of 2018 have been the harbinger of a variety of events and activities coupled with a renewed learning fervour. With the Annual Day and Art and Music festivals behind us, we have enlisted ourselves to assessments with the same zeal and enthusiasm that they demand. Some students are in the midst of writing Mock exams while others are preparing for Term 2 exams. It is not surprising to see students engaged in animated discussions with their peers and teachers to arrive at unique understanding of their curriculum and derive more insights from various subject areas. Learning is a lifetime activity and our students understand the value of opportunities provided to them to excel themselves. It is heart warming to see these students arriving at unique perspectives.

Cambridge International IGCSE Examinations March 2018 Series:

MBIS successfully conducted yet another Cambridge International IGCSE Examinations March 2018 series. 15 students of Grade 10 appeared for the examination which was conducted between Monday, 19th February 2018 and Friday, 9th March 2018 in the Cafeteria on the 8th Floor.

The classrooms are engaging and challenging as students apply Bloom's taxonomy to acquire knowledge and understanding, synthesise and apply it to obtain wholesome understanding of the subjects. However, we also believe in the old adage 'All work and no play makes Jack a dull boy' and so we want our students to engage in outdoor activities, stretch their bodies through yoga and watch interesting performances (One at Prithvi Theatre) to balance learning with larger aims of education.

Inter-House Box Cricket Tournament: A memorable event took place in our school at PDSA ground on 5th March and 6th March, 2018. Our School conducted Inter-House Box-Cricket Tournament for both the groups Primary (grade 1 to 5) and Secondary (grade 6 to 11). We witnessed good sportsmanship by all the players which

was the best part of the competition.

These events are important as they give opportunities to students to showcase their talent and cheer others for the extraordinary way they fulfil their lives. Some of what they experience outside class rooms is intrinsically linked to their learning within a classroom and hence consciously or unconsciously we find our students imbibing those skills and talents.

International Olympiads 2017:

It is rightly said, "Education is smart enough to change the human mind positively!", so do the students of MBIS ever willing to enhance their knowledge, accepts challenges whether academics or on other front. Student of grade 6 Vansh Agrawal achieved class rank 1 in Silver Zone Foundation: International Reasoning and Aptitude Olympiad 2017. Student of grade 3 Anushri Paunipagar achieved class rank 1 and gold medal in Silver Zone Foundation: International Social Studies Olympiad 2017.

SZF: ITHO:

One of the aim of any examination or assessment is to provide a unique competitive platform through and identify the young geniuses and create a talent pool for the future. Students of MBIS from grade 1 Pulkit Naik and from grade 3 Anushri Paunipagar are winners of SZF: ITHO. Class 3: Anushri Paunipagar : Class Rank 1 & Gold medal Class 1: Pulkit Naik : Class Rank 1

Visit to Monetary Museum:

MBIS lays emphasis on imparting practical knowledge and thus organises a visit to monetary museum. Thus the students of grade 9 and grade 11 were given the privilege to visit monetary museum organised by Ghanshyamdas Saraf College of Arts and Commerce, Self-Finance Department, on 12th March 2018. This visit was primarily an educational visit but the real time dynamics that students got to learn was something which enriched their knowledge even beyond textbooks or curriculum. The visit started with the students being taken to the monetary museum, wherein they were shown compilation of the origin of currency and evolution of money. The students participated in the games on monetary transactions. The visit also resulted in a direct interaction of the students with the organisers who contributed to the monetary system arrangements to a great extent. The visit indirectly catered to IB learner profile where in students had enriched themselves by being communicative, thinker, knowledgeable, open-mindedness.

Inquiry Fair (Nursery):

Inquiry plays the important role in learning of children's curiosity, imagination and their urge to interact and inquire. What characterises inquiry in education is that children are taking an active part in developing their understanding and learning strategies by pursuing questions or addressing problems that engage their attention and thinking. Through Inquiry Fair students get an opportunity to showcase their understanding and communication skills and their ability to learn both independently and collaboratively.

Students of Nursery were learning about Animals in their third Inquiry "Animal Kingdom" and they proudly presented themselves in front of parents saying dialogues, playing interactive games, singing rhymes and dancing in front of proud parents!!! It was truly a splendid experience for little learners as well as their proud parents!!!

IBDP Mock Examinations 1 and 2:

The students of Grade 12 appeared for their First Mock

Examinations which commenced on Wednesday, 20th February 2018 upto Friday, 9th March 2018. 15 students took the exams. A PTM for the same was conducted on Wednesday, 15th March 2018. The Second Mock Examinations commenced on Tuesday, 27th March 2018.

PTM (Grades Nursery to 9 and Grade 11):

A PTM across Nursery to Grade 9 and 11 was conducted on Saturday, 10th March 2018. Parents and teachers availed of the opportunity of meeting and discussing the progress of students.

French Day:

We at MBIS celebrated French Day on 20th March 2018. Dressed in Blue, White & Red, students had a fun learning experience on this day. Students enjoyed watching the French play and musical performance of a French Song in the theatre room created by students. Various French game stalls were set up by the students. Students created a French quiz room where everyone had fun participating in the French quiz and enriching their knowledge. In each class we had put up a French word wall, students updated the word wall with challenging vocabulary words. This activity enhanced and enriched their vocabulary. Students relished the French cuisine at the food stalls set up by their friends. A French Photo booth was set up where students got their pictures clicked with different props and a beautiful backdrop of French flag and Eiffel Tower. It was a day well spent and an eventful day for both Teachers and students.

Inquiry Fair (Jr Kg):

As Jr.KG students were learning about "Seasons" in their area of inquiry. Students had learnt about the significance of all the seasons experienced in India as well as around the world. The information about food, fruits, clothing & the climatic changes was shared with the students. They summarized their learning by presenting a short skit. Students confidently delivered their dialogues and sang few songs and rhymes in English as well as regional languages which had left the parents mesmerized. Towards the end of the 2nd inquiry fair, Parents were glued to the chair enjoying the performances for their ward.

Visit to Prithvi Theatre:

It was a wonderful experience for the students of MBIS to watch a play in Hindi at the famous Prithvi Theatre. The play organised by Ank theatre group showcased scintillating performances from the world of performing arts and captivated the students with witty and humorous dialogues, interesting plot line and theatrical ambience. It was a treat to watch the play as it unravelled fine nuances of Hindi language and body language. Students appreciated school's efforts to provide them this unique experience.

Music Fest:

Music fest is an event oriented to enhance live performances of singing and instrument playing. It is to develop the confidence and art of coordination synchronized with the choir.

On Saturday, 24th March 2018, MBIS hosted its second Music Fest entitled "Trebleution" in the Cafeteria, 8th floor.

French Day

The Music Fest saw students perform on various songs from Bollywood which were adapted from either English songs or from folk songs. The students dressed in colourful attires which lifted the spirit of the show. The students also performed instrumental keyboard based on Indian Classical Ragas.

Guest Lectures:

Today, the best teaching – learning approach, embraces the ideas of interdisciplinary thinking and performance: And what better way to model this than to have guests from other disciplines teaching content from their perspective. Guest speakers are an important part of the educational experience of students. They expose students to real-world experiences from the position of someone who has been there. On the other hand, students get a glimpse into the vast knowledge of the speaker, which they can't get anywhere else.

It takes both prior planning and organized follow-up, but is well worth the effort. Research indicates that it helps students build important connections between what they are learning and the real world.

We are thankful to Ms. Antara Chaturvedi, mother of Ishani Chaturvedi for sharing her knowledge about Emperor Akbar with the students of Grade 6.

Mr Dhaval Dave, father of Vidhi Dave apprised the students of Grade 7 with information on 'South America'.

As the summer season progresses, we will celebrate more endeavours, more learning and more achievements of our students. They will soar in the MBIS skies with aplomb and we will give wings to their dreams.

EVENTS AT DSIMS

Opseccion' 2018

The 7th edition of the annual Operations and Supply Chain Management Conclave was successfully conducted on Friday 23rd February 2018.

This year again, the theme of the Conclave was challenging and future-oriented: BLOCKCHAIN TECHNOLOGY APPLIED TO THE GLOBAL SUPPLY CHAIN INDUSTRY

The Keynote Speaker was Mr. Satyakam Chakravarty, formerly with E&Y and now a Blockchain Technology consultant from Delhi. The other two Distinguished Speakers were Dr Ashok Nag, ex-RBI and Mr Ankur Rath, a leading supply chain professional with Reliance Petrochemicals.

The Conclave was preceded by QuizOps – a competition in which teams from leading city institutions participated. Another innovation introduced this year were two Ideation Labs that our students enthusiastically participated in, with the objective of identifying the greatest challenges facing the supply chain industry, that could be addressed using Block Chain Technology. These students formed a students' panel which interacted with the panel of professionals during the Panel Discussion.

The event was well attended by students, Industry professionals and Faculty.

Financia 2018

The annual finance conclave FINANCIA'18 embarking on the theme "FinTech: Emerging Trends" was held on 24th February, 2018. Every year the student club of Finance at DSIMS takes up a theme of topical interest in the domain of finance and conducts student events as well as a conclave on the theme under the leadership of a finance faculty as a convener, this year Dr. Nehal Joshipura and the finance faculty team.

The 7th edition of Financia this year witnessed an amazing set of Industry Experts. The conclave began with the welcome speech by Dr. Sarita Vichore, HoD Finance Dept and Dr. Nehal Joshipura along with the finance department at DSIMS. Dr Sarita introduced the audience to the finance club FinDs and the activities of the department. Dr. Nehal demystified the theme Fin Tech

highlighting about the prospects and challenges for new FinTech organisations in various sub-domains of financial services taking a new shape. She cited the World Economic Forum's reports on the upcoming trends in the industry as the industry is embracing the technology. Mr. Satyen Jadega- Associate Director, IBM Financial Services. Mr. Satyen Jadeja spoke about changing modes of delivering financial services. Mr. Rajesh Lahori- Head Cash Management Product, RBL Bank spoke about the whole banking sector and the way things have changed now. He spoke about how technology was resisted earlier by a lot of bank employees and now it's actually aiding the whole banking industry. Mr. Manoj Varma,

Head Product Management, Lyra India spoke in detail about the new developments in the domain of payments in India and abroad. Mr. Gajendra Kothari, MD & CEO, Etica Wealth Management spoke about the latest trends in wealth management industry in US and India. He spoke about how robo-advisors for wealth management are reshaping the industry and how it will help in bringing security accuracy and safety. Mr. Vaibhav Shah, Sr. Vice President - ORO Wealth spoke more on the general aspects of personal finance and how his company is now adopting various technologies to outstand in the competition.

Financia'18 also had some amazing inter-collegiate competitions such as "Mock Stock". Mock Stock is a simulated trading experience in which participants are put through thrilling real time competition to show abilities to beat others. good participation from b-school students from various parts of the country.

The events were planned not only with the agenda of fun and frolic, but with the primary motive being learning. Financia'18 also had daily online daily quiz to generate an interest about the theme and the conclave, which again had very enthusiast participation. Financia'18 also had a creatives team who displayed their creativity in the form of hand creatives portraying "Evolution of Money" and the concept of "Smart City."

HR-O-SCOPE 2018

HR-O-SCOPE, the flagship conclave of Human Resources Department of DSIMS was held on 24th February, 2018. This significant event witnessed the presence of highly privileged corporate leaders. The keynote speech was delivered by Mr. Rohit Wahi- Chief Executive Office & Country Head of FirstRand Bank Limited, India; followed by speeches from Mr. Srinivas Chidumalla-

IT-Lead- South Asia with Syngenta; Ms. Rukmini Iyer- founder of Exult-a proprietary consulting firm and Director on the Board of Quantei South Asia Pvt. Ltd.; Dr. Pramod Solanki-owner of consulting firm called Performance Enablers.

The one-day event started with edifying speeches and panel discussion by the esteemed speakers and panelists. The theme for HR Conclave was "Leadership in the era of uncertainty".

The students, faculty and the invitees gained industry insights about various industries from the dignitaries present and about the need for effective leadership in the era of uncertainty in VUCA world. Some of the key takeaway from the session were, how to lead during the time of crisis, how to motivate oneself and aspire others to solve complex business issues, how to strategically do succession planning, how to use ground intelligence to survive in the times of urgency, how to use resources strategically, develop a better understanding of internal and external customers and meet their demands etc.

As a precursor to HR-O-Scope 2018, DSIMS also organised a number of competitive events namely Assessment Centre and Pict-O-Quiz. These events witnessed participation of students from different B-Schools and colleges.

Through the corporate event "Emerging Leaders" HR-O-Scope 2018 has created industry-academia partnership by capturing the Leadership lessons of well-accomplished corporate leaders which resulted into the very first edition of DSIMS HR Magazine, Leadership Edge.

The event was supported by sponsors, with E-Gen (Ashish Creations) being the event sponsor for the conclave. The rest of the sponsors were, Headsnmds, P.N Classes, HDFC Bank, Dessert Lounge, Airavat, Belgian Waffle, Golds Gym, Hashtag99, The Tuckbox, Newsaurchai, (social media partner) Hunger burst and NEI Times (print media partner).

The event came to a conclusion with declaration of the prize winners for all the pre-conclave events that we had conducted.

Touge 2018

Touge - sixth edition of the Marketing Conclave held on Sunday 25th February, 2018 at Durgadevi Saraf Hall, R.S. Campus.

Senior level executives from the industry participated as speakers

to discuss the theme of the conclave "When the going gets tough, the tough get going...Is the rule book of marketing being rewritten"? The keywords around which the theme revolves are leadership, constantly changing business environment, synergy, collaborations, innovation, culture, customer engagement & all this from the point of view of how successful companies stay relevant by re-inventing themselves, thus outperforming competition & earning superior profits, with the emphasis on marketing playing a strategic role.

Various inter-collegiate events held on the second half of the day.

SABRANG, the annual cultural festival of Durgadevi Saraf Institute of Management Studies (DSIMS) was held 1st February 2018, in the premises of the RSET Campus. It is an earmark event organized by the Cultural Committee of DSIMS - YUWA.

The 2018 edition of Sabrang, presented by Water Financial Solutions, based its theme on the elements and nuances of the City of Dreams—Aamchi Mumbai.

YUWA conducted many pre-event activities to spawn excitement, that included launching the event and theme by way of a flash mob, sharing celebrity bytes, enshrouding the building with their creativity and conducting workshops. They also performed a skit as a tribute to Republic Day.

Versus '18 held from 10th February to 13th February 2018.

Versus is the annual sports event of DSIMS, which was spread over 4 days, i.e., 10th February, 2018 to 13th February, 2018. Before Versus, the team had organised an auction in the similar format as IPL auctions. These auctions were for the inauguration matches that included Faculties, Non-teaching staff, Alumni, Senior and Junior batch students.

The Major sports organised over a spread of these 4 days by Versus this year included:

- Box Cricket/ Table Tennis/ PS4/ Badminton /Chess / Carrom /

- Football

This year the Sports Authority of India, Kandivali east was booked for Open Cricket and Athletics.

International Exposure/ Learning Experience to our PGDM Students

• Durgadevi Saraf Institute of Management Studies (DSIMS) undertakes several initiatives for the international academic exposure of PGDM students in the form of student exchange program with the reputed international universities in US and UK for which Memorandum of understandings have been signed with some of the universities. Under this initiative, we had sent our 19 students to Ottawa University, Kansas, USA last year and 14 students are visiting this year to undergo two courses there. It helps the students to get the international learning experience and developing global mind set to understand critical business issues in an international arena.

• In this pursuit, we also invite few distinguished international academicians and professionals from time to time to interact with the PGDM students to share their rich knowledge and experience.

Sabrang Team 2018

In this sequel, DSIMS has first time invited an acclaimed international Professor Dr. Hugh Munro, Professor of Marketing & International Business and former MBA Director at the Lazaridis School of Business & Economics at Wilfrid Laurier University, Canada to teach an entire course on "Corporate Strategy" to the first year PGDM Students for two weeks effective from 18th March to 29th March, 2018.

• Dr. Hugh emphasized the role strategy in an organization's success story by touching upon the business models and disruptive business environment. As part of their assignments the students applied and evaluated the concept like Porter's Five Forces, Porter's Generic Strategies, Corporate Strategy, International Strategy, Mergers & Acquisitions in understanding why they succeeded or failed at executing their strategy.

• The major highlight of the course was the use of infographic made by students on various organizations ranging from Amazon, Flipkart to HUL and ITC assessing them on clear description of their strategy, effectiveness of its current strategy, environment analysis, future strategy and its implication for the organization. It has given a practical perspective of application of various strategies suited to different situations/ organisations.

• Prof. Ravi Banerjee and Prof. Anthony Colaco from DSIMS worked closely with Dr. Hugh by helping him in successful delivery and evaluation of the course. The students were very happy to get such a great exposure with international perspective and expressed their gratitude by thanking Dr. Hugh and requesting him to return for another course.

YOUNG EVOLVING MINDS

Established in 2014

"Play is the only way the **highest intelligence** of humankind can **unfold.**"

-Joseph Chilton Pearce

The Playschool was abuzz with activity in the last trimester.

A Beach picnic cum Family Day Out for toddlers was organized on 12th January, 2018. The kids had a blast at the beach, as we had organized fun races, treasure hunt and many more fun activities for parents and toddlers as a part of their physical development. Jungle Safari Day was celebrated on 16th January, 2018. We had various exploration counters, sand play, puppet show, live music for sing along with kids and finally we ended the theme with a dress up day on 19th January in their favourite animal costume.

Ted, the sleep friend of our tiny angels, celebrated his birthday party with lots of fun and frolic @ MBIP on 23rd January, 2018. Kids enjoyed cake cutting along with party games as a part of the birthday celebration. We also learnt about good manners at a birthday party.

MBIP was full of giggles and wiggles, popcorn and cake on 31st January, 2018, as we had organized a Slumber Party for the tiny

Children enjoying at the beach picnic

tots. The little ones had dressed up in their night wear and learnt all about the healthy habits to follow before going to bed.

Our theme for the month of February was all about the five senses and Creepy Crawlers on the Planet. We had a sensory play station for kids wherein various touch and feel corners were set for the tiny tots' exploration time on 8th February 2018. As the kids had learnt all about creepy crawlers; they had dressed up as their favourite Creepy crawler on 12th February 2018.

We celebrated Valentine's Day at MBIP on 14th February, 2018 by dressing up in red coloured dress and having a red colour balloon play in class. We had organized a fun filled field trip for the toddlers to a Garden. Kids had fun by not only riding on all the slides but also looking at the various plants and trees around. Our honey bunches at MBIP saw a puppet show of the famous story, Little Red Riding Hood and had also dressed up as Howdy hoods on 2nd March, 2018.

The month of March was to learn about the importance of Team work, Fitness and fun and also how to take care of the environment. The activities included were quite interesting, as kids sowed the seeds and watered the plants in order to understand the importance of growing more trees. Kids enjoyed a lot of group art activities with paint and brushes to create an art work with team effort. Our tiniest tots learnt about the importance of healthy eating by following a planned healthy munch box week.

A workshop on Multiple Intelligences was conducted by the Coordinator, Anita Gambhir at Nathmal Garodia hall on 16th March, 2018 to facilitate parents for a better parenting of the toddlers.

Ramdhar Maheshwari
career counseling centre
STEERING TO SUCCESS

Established in 2011

Mrs. Dixha Nath, Director

"There are no secrets to success. It is the result of preparation, hard work learning from failure." ~ General Colin Powell.

The quarter was a testing period for parents and students literally. It was a test of students learnings in the academic year and for parents to provide support and assist their children to sail through the examination stress and anxiety.

RMCC conducted a workshop on Stress Management, on 13th January, 2018, for the students of DSJC to help them cope with academic pressure and other stressors faced by them in daily life.

Career Assessment was conducted for 85 students of grade X of KGES on 12th and 13th of January in the DSIMS Computer Lab. Following the conduction of the assessment reports were generated. On 15th January the process of report explanation to every student individually along with their parents, was initiated. The counseling session informed students about the most suitable stream choices for them based on their aptitude, interest and personality.

Many more students and working professionals have enrolled for Career Guidance program at the centre in the quarter to make their right career decisions or to find solutions to deal with their career.

Students participating in an activity during Leadership Workshop

KGES students giving an online Career assessment test

As a part of Career Development Program workshop on Communication Skills and Public Speaking were held for the first year students of B.com and Self-finance.

In communication Skills Workshop Verbal, Vocal and Non-verbal aspects of communication were covered. Post this an entire module was conducted on Listening skills, which entails almost fifty per cent of effective communication. Some other topics like Passive, Aggressive and Assertive communication were also covered.

In the Public Speaking workshop the topics covered were Body language, Voice modulation, and Preparation skills. Voice modulation was extensively discussed, in which how to vary ones' pitch, volume, frequency etc. were elaborated upon and practised. A video was shown to demonstrate the same. The second half focused on important things to remember while public speaking, like how to prepare; being clear, vocal, organised and maintaining eye contact etc. Role plays were conducted with the students to practically apply their learning.

As a part of CDP program Peer Pressure and Leadership skills workshops were conducted on 20th and 22nd of February. The objective of the first workshop was to provide the students with social skills to effectively deal with Peer Pressure. It takes courage to grow up and become who you really are!! Hence, the objective of the workshop was to help them gain insight into how the influence of their peers has an impact on their life.

The second workshop as designed to orient the students to Leadership styles and to develop the various skills required to be an effective leader. The workshop was heavily based on experiential learning and interactions. For the practice of the various leadership skills, the students were presented with a scenario and they were required to tackle it using the various skills. It was a very healthy interaction that also gave the students a perspective on the various challenges that leaders have to face.

Counseling and coaching for education abroad is being offered to the students at the centre. Sessions for IELTS/SAT and GMAT are being conducted at the centre.

Personal counseling sessions at RMCC are helping students to overcome their inhibitions and emotional challenges and to focus on a successful career and life.

Draupadidevi Sanwormal
women's hostel
HEAVENLY DOMICILE

Established in 2012

Ms. Bhawna Mishra, Rector

January 2018 marked the beginning of New Year which was set to unfold new activities and events in the coming months. At Draupadidevi Sanwormal Women's Hostel, we provide a conducive ambience to students who come from various regions of country to accomplish their dreams. Our hostel has successfully completed six years and maintains homely environment for every student.

We began our new tenure from January to June 2018. The students have been maintaining the decorum of our hostel and abiding with rules and regulations. Most of them had returned from their homes after ushering the New Year with their families and enjoying an elaborate vacation. Some of them were here only to meet with the academic demands like completion of the curriculum, etc. This month, we had six new students join our hostel. These students had come to Mumbai to explore new vistas which would go a long way in their careers.

The new caterer (Shree Chakra Gourmet Services) had been appointed to manage the catering services at RSET campus from December '17. The cuisine served by our new catering partner has been up to the mark and provides same taste palate as we get at our homes. We have also constituted a food committee that consists of 8 students who are taking keen interest in the work assigned to them and they are also in-charge for suggesting the Menu for the hostel.

Republic Day Celebrations:

Like every year, Republic day celebrations were held at RSET Campus and our students gave a dramatic presentation of "Jana Gana Mana". The opening speech was given by Ms. Shreya Sharma and an Energetic dance performance was presented on the song "Lado" by Ms. Shubha Jain, Ms. Kruti Lunawat, Ms. Dhawani Pandya, Ms. Happy Vacchani, Ms. Tanvi Panchal and Ms. Aradhna Masih. The National Anthem "Jana Gana Mana" was sung by Ms. Kanika Parmeshwar, Ms. Anshika Pandey with a lot of patriotic fervour.

The performances of students were lauded by the Audience.

DSWH students performing at the Republic Day celebrations

February:

This was a swift month with everything following the order. The students were engrossed in pursuing their respective academic courses and preparing themselves for their respective university and competitive exams. The students who had joined us in January had settled well by now. They adapted to life of our city which offers lots of opportunities to every migrant who comes to the city. The reviews received from the students were heart -warming and a testimony to the unstoppable hard work put in by one and all in enabling our Institute reach new peaks.

March:

By March 2018 we had a full occupancy at the hostel. We had to take extra admissions for short terms to accommodate students coming from various prestigious colleges for their academic pursuits.

Holi Celebration:

At DSWH, we stand committed to provide our students with an environment which indeed is "home away from home" by celebrating various festivals and events. The auspicious festival of colour i.e. Holi was celebrated by our students. The celebration was followed by brunch and all students were very delighted to participate in the festivities. It was a nostalgic moment for those students who have stayed in hostel throughout the completion of their course. These memories would last with them forever.

Some of the students have also shared their experiences on their time spent at DSWH and their participation at various festivals.

1) Ms. Bhavya Sharma:

"My three years in hostel have been really memorable years, I made some good friends and had really good mentor like the Rector who played very crucial role by sometimes being strict with the hostel rules while at other times being understanding and supportive. The celebration of Holi festival in the hostel made us feel at Home."

2) Harsha Baheti, Bhooma Bohra and Mansi Kabra shared their common experiences:

"We played Holi with gulal and kept it eco-friendly had a lot of fun and danced to the beats of Music till we exhausted ourselves. The celebration was followed by a sumptuous meal in the afternoon. We really enjoyed ourselves and felt like being with our own family back home"

FITNESS REGIME

Established in 2015

Mr. Dharamraj Yadav, Sports Incharge

Sports is an integral part of life and involves an overall development of a person. It not only helps to maintain physical ability and skills but also improves the memory power and concentration level.

Keeping this in mind a 6 day tournament for Basketball, Football and Table Tennis was held in a befitting manner at PDSA for the age group of U/9/11/13/14/16 from 19th March 2018 to 24th March 2018. This tournament was organised not only to develop harmony and healthy environment among the schools under RSET, but also provided a platform for students to showcase their tactics, to work as a team and strengthen sportsmanship.

The student showed their excellent skills and laudable performances. Taking this in to consideration many athletes were scouted and promoted to higher age category so that they can pursue sports and channelize their energy by providing them a right platform.

Free Sports Assessment by International Coach PDSA had conducted a free football assessment for the students of all the institutes under RSET at PDSA Ground. In the category of under 10 to under 16.

This assessment was carried out by an international coach accompanied by MQ Head Coaches and coordinators which was based on skills and fitness of the students.

It was a proud Moment for RSET as all the students performed extremely well and were granted scholarship (ranging between 20000 to 40000). This was once in a life time opportunity for all the students.

Mock Fire Safety Evacuation Drill at RSET

In educational institutes, it is always necessary to hold Mock Fire Safety Evacuation Drills at proper intervals so that students and employees are prepared for such untoward incidents. After each drill, the Heads of Institutions and other employees can evaluate the effectiveness of the drill, identify the strengths and weaknesses of the plan and work to improve it for future drills.

Rajasthani Sammelan Education Trust has always been alert towards safety of the students studying in the institutions of RSET campus. Earlier also, Mock Fire Safety Evacuation Drills were conducted for the institutions. Recently, under the leadership of Capt. Anant Yadnik, CEO, RSET, a Mock Fire Safety Evacuation Drill was conducted on Tuesday 27th February, 2018. He was assisted by Shri Rakesh Rawal of M/s. Ayaksha Health Services, managing Vijaypal Singh Health Centre for this event. Preparations for the drill started a fortnight before and it was decided that the Mock Fire Evacuation Drill will be held on 27th February, 2018 in two shifts (10 am and 2 pm respectively).

At the outset, letters were sent to Sr. Inspector, Malad Police Station and Fire Department at Borivali intimating them about the Mock Fire Drill.

Following institutions of RSET took part in the Drill.

The final meeting with all concerned Heads of Institutions and Officers was held on 23rd February, 2018 in which Shri Rakesh Rawal gave a power point presentation regarding the conduction of the drill followed by other matters explained by the CEO to all HOIs present at the meeting. All questions and queries were answered by the CEO.

Following time table was brought to the notice of HOIs and was mailed subsequently.

External and Internal observers were nominated. These people were given the written formats to be filled like the time of the call given, person giving the call, the time of the arrival of first and last student at the assembly point, the head count of the students, time of the first and last student left the assembly area, average time taken to assemble in the earmarked area. In each institution, the floor in-charges were nominated on each floor to ensure that the evacuation of that floor takes place nicely after the assembly, the students were told the importance of the event.

Before the evacuation, all the lifts were brought down and the staff and students were told that they will use the staircases only during the evacuation. On 27th February, 2018, the activity was conducted

with clockwork precision twice as per the scheduled time. All the staff and students were evacuated from their classes to the assembly point in an average time of 4 minutes.

In all approximately 4000 to 4500 persons including staff and students had taken part in this event.

A team of RSET led by CEO Captain Anant Yadnik and assisted by Mr. Nikkhil, Mr. Deepak, Mr. Arvind and Mr. Dharmraj ensured that this entire activity was conducted smoothly and flawlessly. The Megaphones required for the conduct of this activity were purchased well in time and were effectively and efficiently used. Capt. Anant Yadnik is in the process of going through the feedback & the shortcomings, if any, will be resolved. It will be ensured that the future drills will be conducted better than the earlier one.

Name: Ms. Kamini Maurya

Name of the institute: Kudilal Govindram Seksaria Sarvodaya School (SBV)

Course completed: S.S.C.; **Year of passing:** 2008; **Qualifications:** MBA (HR) and M.Com.

Designation: Assistant Manager (HR) in Core Integra Consultancy Services Pvt. Ltd.

Most memorable event in the institute: I feel blessed to say that I have studied from one of the best schools of Mumbai. A great leader & author Gordon B. Hinckley has stated that "You must have a solid foundation if you are going to have a strong superstructure". I can very well relate this line to my career as my strong foundation is built by SBV. Getting awards/ rewards for the first position in class at the time of Independence Day in front of all students continuously for three years is the most memorable event in the school. Teachers have always appreciated and awarded for my efforts and hard work. Their appreciations have encouraged me to excel in my studies and to get good position in my class.

I AM PROUD TO BE SBV (KGSS) ALUMNUS. I wish the school continued growth & success in the future.

Most memorable event in the institute:

Most memorable event in the institute: There are many memorable events in Ghanshyamdas Saraf College. One of the most important event was when I was encouraged to participate in an extempore debate competition and received the first prize. In this college, my teachers always encouraged me to participate in multiple co-curricular and extra-curricular activities which helped me in the development of my personality and confidence building. The most memorable incidence was when I received the Best Student Award in my last year of the college. I owe all my success to my teachers - my mentors who always guided me in my growth.

Name: Ms. Sonal Lohiya

Name of the Institute: DSIMS (Durgadevi Saraf Institute of Management Studies)

Course Completed: MMS

Year of Passing: 2016

Designation: Research Analyst

Organization: Integreon Managed Solutions Pvt. Ltd.

Most memorable event in the institute: One thing I would like to share before sharing the most memorable Event that I have learned from DSIMS and it is "Our thoughts affect our realities, and the ability to choose how you construct meaning from experience will determine the lenses from which you see the world and how you react in return."

I still remember that day, it was afternoon, I was working in office, got a call from College's Director; he asked me do you remember you were nominated for Outstanding Student in Mumbai by BMA? I replied- Yes. Then happiness showered on me when he told me Sonal you got selected and you have to come along with me and Director General to the Award Ceremony next day. I was speechless for a moment. It was the proudest moment to get felicitated along with Big Personalities and get award from your Gurus. This is what DSIMS is meant for- "We create Leaders". Thanking all for providing me such a platform.

Sabrang 2018

Durgadevi Saraf
institute of management studies
WE CREATE LEADERS

"All Work And No Play, Makes Jack A Dull Boy". Once a year, the students and faculty of Durgadevi Saraf institute Of Management Studies (DSIMS) forget about the toils of the academic rigmarole and come together to make merry and cheer on the talent that DSIMS has to offer. This is done so during DSIMS's most coveted annual cultural event—SABRANG.

Sabrang is the annual Intra-College cultural festival of DSIMS that is organized by the students, for the students, under the cultural wing YUWA (Youth United With Ambition). This year DSIMS witnessed the 6th edition of their cultural festival, SABRANG, presented by Water Financial Solutions, and was held on 1st February, 2018, in the RSET Campus. The new edition not only celebrated

talent but also amassed the pomp and zest that comes with the city we reside in, by basing this year's theme on the elements and nuances of the City of Dreams—Aamchi Mumbai.

Over the years, Sabrang has managed to bring forth new substance to distinguish itself from its preceding editions and this year was like no other. It kick started with an explosive launch of the theme. Members from the cultural wing – YUWA raised the curtains to the masses with an energy packed flash mob in the DSIMS lobby, where they enacted excerpts from the lives of the locals, danced like there was no tomorrow and breached an inquisitiveness among onlookers to the tunes of everyone's favourite Bollywood numbers. This set the ball rolling.

What followed were a plethora of such pre-event activities

that attracted the attention of students and faculty alike, and spawned excitement. The fervour of Sabrang was not just limited to DSIMS, but had become viral and hit the support of various celebrities through bloopers and celebrity bytes with familiar faces like Longinus Fernandes, Swara Bhaskar and Ujjwal Chopra, in support of SABRANG. They were shared across all social media platforms and were made the talk of the town. Sonoma Chakraborty, renowned super model spearheaded a workshop for the students where she spoke about the perks and perils of the fashion industry and gave us all a little insight into the life of a critically acclaimed model. The creative team toiled day after day to enshroud the DSIMS building with the most creative and flattering installations, charts and craft work.

However, amidst the hustle bustle and hectic schedules, YUWA also paid tribute to the nation on Republic Day, a day where we celebrate and proudly shoulder India's cultural expanses, by means of a skit that concluded with an emotional rendering of the National Anthem in sign language.

Weeks up until D-day also saw students registering themselves for various events and running about helter-skelter to make it for trials. These activities set the tone for a different and special SABRANG. The build up across 3

months set very high expectations for the big day, which did not fail to impress either.

The big day finally hit town and students swarmed the premises to participate. This year Sabrang was divided into two segments – One Minute Games that were held during the first half of the day in Saraf Hall, and Stage Events that were conducted in the second half of the day at the RSET turf, along with Tug of War.

The day kick started with the lighting of the auspicious lamp and our Director Dr C Babu and Director General Dr. N.M.Kondap declaring the Event open.

The first event for the day was Treasure Hunt, that this year saw participation from innumerable teams. The campus was abuzz with clue hunters and obstacle races.

The Hog-o-thon was the event that followed, where students competed to eat as much food as they could in the stipulated time. Whacky combinations and unexpected time frames didn't stop the foodies from digging in and having a good time.

Amidst all of the events, students and faculty enjoyed the exciting One Minute Games in which they rushed to build the tallest pyramid using cups and balloons, or scurried to knock as many cups, and also shot as many ping pong

Group dance by MMS students

Theme Based Fashion Show By PGDM Students

balls into the cups as they could in 60 seconds. They made the most of other sensational games that ran on the side, namely Twister, the Lemon and Spoon race, and Dab Game.

Events transitioned to the turf with the Tug of War, a student favourite that saw hefty participation, including a Girls-only team. This event was a true test of their strength, co-ordination and determination.

What followed next, was a unanimous crowd pleaser. Students took the stage and captivated, surprised and left the audience in admiration during the Talent Hunt. The crowd as well as the judges were left impressed by the pipes that the singers had, the grace and grit that the dancers brought forth, and the accuracy of the mimicry. Language had no bar, genre had no bar and fun had absolutely no limitations. Fresh bars were dropped on stage by our student rappers, that was refreshing and new to the stage, and it left everyone awestruck. What made the event all the more special and memorable was when some of the faculty members too took the stage and relived their college days by singing for an excited and engaged audience.

The Fashion Show was the grand finale for the day. A number of teams took to the ramp and displayed their

best strut. Teams selected interesting themes that were inspired by various attributes of Mumbai such as the Dabbawalas, Bollywood and a socially sensitive enactment of the 26/11 Terror attacks, that took the trophy. The alumni too came and graced the event and relived their years at Sabrang 2018. Once all the formal festivities were concluded, it was truly the time all the students were waiting for, the DJ Night. All the students and some faculty members scurried down to the Saraf Hall where arrangements were made by Team YUWA for all the students to shake a leg, dance and enjoy themselves.

The event was a grand success but would not have been realized if not for its sponsors. Our esteemed sponsors for this year's edition were Water Financial Solutions (Title Sponsor), and a number of Supporting Sponsors, FSK Salon (Salon Partner), Maxxtech (Technology Partner), The Waffle Cafe (Food Partner), Eriss Edutainment (Merchandise Partner) and India@543 (Media Partner).

Additionally, the success of the event is owed to the participants, the management at DSIMS and RSET, the support of the faculty and administrative department and the blood and sweat of team YUWA under the guidance and leadership of faculty in-charge Dr. Shailja Badra. Sabrang lives up to its tagline 'colors of youth' where it brings out the child-like frolic in everybody. It has set a new benchmark this year, and everyone is eagerly awaiting next year's edition.

Dhurmal Bajaj Bhavan is a community hall which was constructed in the year 1975-76 with the handsome donations received from Shri Dhurmal Bajaj Charity Trust & other philanthropists of the community. It is situated on S.V. Road, on the opposite side of the Educational Complex of Rajasthani Sammelan. It has a spacious, air conditioned hall on the ground floor with a seating capacity of 350 persons. The building has two more halls on the first & second floors. There are air conditioned rooms adjacent to the hall on all the floors. Dhurmal Bajaj Bhavan caters to the needs of the community, as it is rented out to the people for marriage & other social & business purposes. Many cultural activities of the schools & colleges of the trust are also conducted in Dhurmal Bajaj Bhavan.

Established in 2001

Rajasthani Sammelan has set up Trivenidevi Deora Chikitsa Sahayata Kosh to provide medical help to needy people. It is managed by Trivenidevi Deora Chikitsa Sahayata Kosh Committee. The committee receives applications for medical help from needy people and on scrutiny of the applications, sanctions and disburses medical aid to the concerned persons who have applied for the same. Many people including the staff of all the institutions have availed of this facility from time to time.

Established in 2002

Durgadevi Saraf Hall is constructed in the educational complex of Rajasthani Sammelan & is an air conditioned, sound proof hall with state of the art facilities. It has a seating capacity of approximately 300 persons & is mainly used for organizing seminars, conferences & cultural activities of the educational institutions of the trust. Besides, it is sometimes also given to the members of the community for marriage & other social needs. The hall has all the facilities to cater to business meetings. It has 2 air conditioned rooms adjacent to the hall.

Established in 2010

To maintain universally accepted IT Standards in security, availability and data management, Rajasthani Sammelan has decided to have an IT Hub as proper data centre which is supported and managed 24 x 7. The IT Hub is constructed on the 10th floor of the new building, in a built-up area of 3800 sq. ft. It is fully air conditioned and is operational. The main aim of constructing the IT Hub is to make all course material available on line to our students, easy flow of interaction between student and teacher through electronic medium, to create alumni data and keep students attached to our organization life-long through web, to safe guard the campus using video vigilance and electronic access control, to control the entire admission process of all institutions centrally, to safe guard all available data and provide fast internet services within the campus.

Established in 2013

Rajasthani Sammelan has started a cafeteria in its premises to provide snacks of large varieties to students. The cafeteria is situated on the ground floor on the south side of Durgadevi Saraf Hall in a total built-up area of approximately 4500 sq. ft. It is used by staff and students of all institutions. Various food items of different price range are supplied by the cafeteria to the students & staff of all our institutions. The cafeteria supplies all kinds of snacks and beverages to the canteens of all the institutions of Rajasthani Sammelan.

Established in 2014

Rajasthani Sammelan has started an educational outlet in its campus by the name of Ramnarayan Saraf Educational Outlet. This educational outlet is dedicated to the memory of late Shri Ramnarayanji Saraf. The educational outlet is constructed on the ground floor of the new building of Ramniwas Bajaj English High School on the rear side, in a built-up area of 5000 sq. ft., with an independent entrance. In this educational outlet, all stationery items, text books etc. are sold at a reasonable price so that students need not go out to purchase such items elsewhere. It also has xeroxing facility for staff and students.

Established in 2014

Rajasthani Sammelan has constructed Vijay Pal Singh Health Centre on the ground floor of the new building of Ramniwas Bajaj English High School and Deviprasad Goenka Management Institute of Media Studies, in a built-up area of approximately 1200 sq. ft. The health centre is fully air-conditioned and has a well equipped clinic, managed by trained and experienced staff and qualified medical professional prepared to meet the emergencies. The health centre caters to the students of all institutions of Rajasthani Sammelan for health check-up. Rajasthan Sammelan Educational Trust proposes to start a Boy's hostel that will provide accommodation to students interested in pursuing higher education in the educational institutions of RSET or any other institute. The hostel which will be situated in an exclusive building will have the most modern infrastructure and will include areas for recreation, dining, entertainment and laundry facility.

With the increasing globalisation and the foray of multinationals, organisations are looking at globally savvy individuals. To meet the fast changing requirements of the corporate world, Rajasthan Sammelan's proposes to start a Finishing School that will impart training in soft skills, communications, personality development etc with a view to groom the students for challenges of internationally benchmarked corporate world.

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthan Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthan Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthan Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthan Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthan Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthan Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthan Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthan Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthan.org.in.
