President's Message

Dear Reader,

In the dynamic world that we live in, change is the law of nature. To avoid stagnancy of ideas and push the wheel of growth, it is important to consistently attempt to improve and evolve. Our government therefore took a leap towards a better future and introduced a New Education Policy to replace Old National Policy on Education (NPE 1986). The policy intends to broaden the choices available to students and incorporate more modern initiatives to ensure greater learning. Built on the foundational pillars of access, equity, quality affordability and accountability the new policy is aligned with the 2030 Agenda of United Nations for sustainable Development. The change aims to transform our country into a vibrant knowledge society and a global knowledge hub.

The COVID-19 Pandemic struck the world as an unforeseen shock. It has not only thrown education around the world out of gear but also led to the shutting of educational institutions including schools, colleges and universities. However, we took the challenge and continued all the activities through online platform that included admissions, teaching, examination and conduction of extra-curricular activities. This has been possible due to strong support given by IT Department of RSET.

Some of the students from under privileged background in schools did not have smart phones to attend online lectures. Our Donors - Shri Harish Shah and Smt. Bina Shah came forward to donate a handsome amount to purchase 250 tablets that were distributed to these students to continue with their online teaching-learning.

Consistent with our vision of empowering young generation with education, we at Rajasthan Sammelan Education Trust impart education to students of all institutions quality education in a conducive, enabling and safe environment backed by a state-of-art infrastructure. A wide variety of teaching practices are used to empower students with knowledge, skills and techniques, so that they achieve their full potential and become academically sound, professionally competent and socially relevant.

In what is being seen as a positive step towards the internationalization of education in line with NEP 2020, the University Grants Commission has given the approval for regulations that will now entitle Indian Higher Educational Institutions to offer joint, dual or twinning programmes in collaboration with foreign educational institutions. Indian universities can collaborate with their foreign counterparts soon to offer dual degrees and twinning programmes very soon. To maintain quality of higher education, these regulations will apply only to conventional degrees offered in physical mode. The tie-ups have been restricted among institutions of higher education that are in the top 1000 of Times Higher Education or QS World University Ranking. Indian institutions that have a minimum score of 3.01 on a 4 point scale of NAAC Grading or in the top 100 in the University category of National Institutional Ranking Framework (NIRF) are also eligible for the partnership.

In the past three months, along with teaching learning extra-curricular activities were also conducted by all our institutions through online platform. Ramdhar Maheshwari Career Counseling Centre conducted various webinars for the faculties to assist them to sail through the transition to normal. Side by side, RMCC also conducted webinars on career guidance for the in-house students as well as students of other schools and colleges.

To equip students proper knowledge to appear for professional and competitive examinations, Ghanshyamdas Saraf College has taken initiative to start Study Centre for Institute of Company Secretary of India,

Ashok M. Saraf, President, RSET

coaching for IIT / JEE, UPSC, Banking and Railway examinations by Phasor Academy. The college will also start very soon SAP Certified Courses in IT & Finance and Certified Financial Planning Course from Financial Planning Standards Board Limited.

During this period, Durgadevi Saraf Institute of Management Studies and Ghanshyamdas Saraf College hosted NAAC Peer Team and both the institutes have been accredited by NAAC. Ghanshyamdas Saraf College has been accredited for the third time by NAAC. Many faculty members of the institutions of higher education attended prestigious webinars and conferences and presented their research papers. Under Remsons Centre for Management Research, research papers of faculty members of DSIMS and DSGS were published in prestigious journals. Deviprasad Goenka Management College of Media Studies organized its International Conference REWA- Representation & Expression of Women in Art on 8th and 9th March, 2022 which was graced by Dr. Swaroop Sampat Rawal, the famous actress and educationist as the Chief Guest who also delivered the keynote address.

From the next academic year, Mainadevi Bajaj International School will be a full Cambridge School. IBDP of IB Board has been replaced by A levels of Cambridge. Fees have also been restructured to make it more competitive with similar schools. Schools of RSET have also made us proud by bagging many prizes. Mst. Shlok Rawtoo of KGES brought laurels with his commendable achievements with International English Olympiad. Many students of MBIS also bagged prizes in SOF General Knowledge and English Olympiads and have won gold medals.

We are confident that with the support received from Donors, well wishers, hard work of Managing Committee members, dedicated Principals and staff, the institutions run by RSET will achieve new landmarks in the field of education and will surely touch lives of students to create responsible citizens for the betterment of our country.

Hon. Secretary's Message

Dear Reader,

Institutions of Rajasthani Sammelan Education Trust are trend setters for young generation and they equip the students to design their career growth. Our various institutions offer a wide array of academic programmes and provide a better learning environment for students and faculty members. Focus is on all round development of students that include curricular, co-curricular and extra-curricular activities to mould the young minds and motivate them to be brightest and the best.

It gives me immense pleasure to share with all that we have grown tremendously over the past 73 years and now we have twelve educational institutions, an online academy, a counseling centre, a music academy and separate hostels for both boys' and girls' running under the aegis of Rajasthani Sammelan Education Trust.

With the arrival of the month of April, curtain falls on yet another eventful academic year at RSET campus. In spite of the lockdown of educational campuses due to COVID-19 Pandemic, all our institutions have once again succeeded in providing the students with a meticulously and carefully planned mix of academics and extra-curricular activities through online platform. Students of all our institutions have proved yet again that it's not just studies they excel in, but also in co-curricular and extra-curricular activity that the institute chose to organize.

As we look back, we find that past few months were dotted with many important as well as interesting events. As per the instructions of the State Government, HSC and SSC examinations of the State Board were held physically by observing norms of social distancing. However, Mumbai University's undergraduate and post graduate examinations are being held online as per the decision taken by the University. Students from colleges of professional courses affiliated to Mumbai University will appear for their examinations offline for the first time in the past two years.

Rajasthani Sammelan Education Trust is a Hindi Speaking Linguistic Minority Trust. Hence, we encourage the institutions to celebrate 'Hindi Diwas'. To commemorate the International Hindi Day, Kudilal Govindram Seksaria Sarvodaya School hosted an online Global Recitation Competition in which 21 students from 14 countries participated. NCC cadets of Ghanshyamdas Saraf College celebrated the World Hindi Day by writing articles, making banners and posters that were posted on social media platform by the cadets. Students of KGSS also celebrated National Science Day on the theme for this year 'Integrated approach in Science and Technology for a Sustainable Future'. Simple working models and practical experiments were displayed by students from Standards V to IX. The models depicting the function of Kidney, Lungs and Skin were prepared with great precision. Students also displayed projects on Water Cycle, Bio-Gas Plant, Wind Mill, Vacuum Cleaner, Rain Water Harvesting, etc.

Students of Kudilal Govindram Seksaria English School, Ramniwas Bajaj English High School and Mainadevi Bajaj International School also celebrated National Science Day by showcasing talents on their understanding of Science and Technology in day to day life. Students of MBIS had a display of their projects that depicted models based on the theme: 'World in 2050'. The display included Robots, Levitating Cars, Graphene masks, innovative infrastructure (Green Technology), Hydrogen fuel transportation, Space cleaner and exciting innovations done by the students themselves.

We have placement cells in our institutions of higher education and every year our students are placed in many reputed companies. I am pleased to state that the placement cell of Durgadevi Saraf Institute of Management Studies had contacted many reputed organizations in the academic year

Kailash Kejriwal, Hon. Secretary, RSET

2021-22 who evaluated our final year students of MMS and PGDM and some of them have been placed in their companies. Efforts are continuing to enable more placements. Similar efforts are also made by placement cell of other colleges of RSET. Training and Placement Cell of Deviprasad Goenka Management College of Media Studies is regularly training students as per industry expectations and thereby making them industry ready.

Durgadevi Saraf Management Institute of Media Studies and Ghanshyamdas Saraf College hosted Peer Team of National Assessment and Accreditation Council (NAAC) in February and March respectively and both the institutions have been accredited by NAAC.

International Women's Day is celebrated annually on 8th March to commemorate the cultural, political, and socioeconomic achievements of women. This year, International Women's Day was celebrated jointly by Durgadevi Saraf Institute of Management Studies & Durgadevi Saraf Global Business School. The theme for this year was "Break the Bias". Some heads of institutions and women staff of RSET were felicitated by DSIMS & DSGS. Women Development Cell of Deviprasad Goenka Management College of Media Studies, Women's Development Cell of University of Mumbai, and Maniben Nanavati Women's College jointly organized a two day International Conference on International Women's Day. The conference revolved around the concept of **REWA** – Representation and Expression of Women in Art via virtual platform. The aim of the conference was to acknowledge and honour a woman's substance and rightful position in popular forms of expression like literature, performing arts and cinema.

Today, we are imparting education to more than 16,000 students in educational institutions of Rajasthani Sammelan Education Trust. We are sure that the students cared and nurtured by all our institutions will definitely turn into rich human resources for our country as they become matured individuals.

CEO'S Message

Captain (IN) Anant Yadnik (Retd.), CEO, RSET

Dear Reader,

Our Schools and Colleges have reopened in the first week of January 2022 after the Christmas vacations for students and teachers. We welcome the New Year 2022 with a hope that, we will now be able to concentrate on the active offline teaching for all our students from KG to PG. We at RSET have fully dedicated teaching and non-teaching staff who are committed towards our mission of ensuring continuous enhanced learning for our stake holders i.e. our students. Hence all the academic activities like class room teaching, extra coaching to weak students, active interaction with students through various competitions, workshops, seminars, conclaves, internship programmes, etc. are planned and executed meticulously. With such rigorous grilling, we have time and again proved that these students do very well in their examinations and come out with excellent scores making both the teachers and parents proud that their wards are in safe hands.

The SSC Board exam for the academic year 2021-22 began offline in the month of March and was successfully conducted for large number of our students. During the month of March 2022 we have conducted offline HSC examination scheduled by Education Department for 2021-22 Batch Students. Our Durgadevi Saraf Junior College was selected as main centre for large number of students running in thousands. A lot of preparations have gone in smooth conduct of these examinations. Both the teaching and non-teaching staff have worked very hard and the other institutes have also helped the organisers by giving their space for the conduct of such large scale examinations. In addition to the academics our schools and colleges have conducted and organised various other co-curricular and extracurricular activities that shapes up the overall personality of our students.

Our students celebrated Road Safety Day, National Youth Day (the Birthday of Swami Vivekanand), and National Science Day, National Girl

Child Day, National Voter Day and many more such events. On these occasions various competitions were held and all the students participated with full enthusiasm.

The vaccination was started first time for the age groups 15 to 18 from and all our students in this age group were administered their first vaccine dose in the drive arranged at RSET in co-ordination with BMC and local area corporate. The drive was 100% successful with no hassles whatsoever.

The Governing Council Meetings and College Development Meetings are conducted regularly at RSET for its institutions. RSET Trustees and concerned Members of these forums attended the meetings. Discussion on various matters like budget, institutional activities, research work, admissions, new academic courses, placements, etc., took place in the Governing Council Meeting and matters like Institutional Development Plan, Alumni, Awards, Accreditation, IQAC and various other issues were discussed in the College Development Committee Meeting.

During this quarter, two separate NAAC Peer teams have visited our two institutes namely the DSIMS and GSSC. The visit was successfully conducted by the institute heads. Chairmen of both the NAAC Peer Teams appreciated the institutes for their various unique initiatives and also dedicated and disciplined staff. The members of the team expressed their happiness and satisfaction about the performance of the colleges. We are happy to announce that both the institutes were awarded with NAAC accreditation.

Our NCC students have actively participated in various events like observing World Hindi Day, National Human Trafficking Day, National Youth Day, Army Day, Donation Drive, Republic Day, and Firing Camp at Colaba. The students under the guidance of their teachers contributed whole heartedly by performing the assigned tasks on these occasions. We at RSET, celebrated the Republic Day hoisting of the National Flag by Chief Guest Shri. Madhusudan Maheshwari. The unfurling of the flag was done by the Chief Guest in presence of our respected President Shri Ashokji Saraf, Hon Secretary Shri Kailashji Kejriwal, along with Managing Committee members and Trustees. The RSET staff, Heads of Institutes along with teachers and non-teaching staff participated in full strength for the flag hoisting ceremony.

Sports being an integral part of any educational institution, we take pride in fully utilising our huge 24,000 sq. feet state of art Pravinchandra D. Shah Sports Academy for the sports facilities like Tennis, Basketball, Box Cricket, Football Volleyball etc. This is undoubtedly, the first of its kind in-house sports academy in any of the educational institutions in the north-western part of Mumbai suburbs which caters to the growing needs of the students for sporting facilities. Just to substantiate this point we have recently created another turf for students to play various games.

For any good educational institute the support system is key for its overall success. Thus at RSET this vital role is performed well by our support services viz; housekeeping, technical, IT and security agencies. Timely assistance to the teaching staff is provided by these agencies for the smooth conduct of all the teaching Learning process.

Dear Reader,

As the world was recovering from the second wave of COVID Pandemic, Russian attack on Ukraine and tales of Russian excesses resonated around the world. There was an outpouring of sympathy for the Ukrainian's who have held the Russian army at bay. Approximately 20,000 students and citizens of India were stranded in Ukraine. Most of them were brought back to India by the Government of India and efforts are on to evacuate remaining Indians stuck there. Since, the number of stranded persons was big, defence air-crafts were also used to bring them back to India. The Union Government has given the name 'Operation Ganga' to this operation. Ukraine's neighbouring countries – Romania, Poland, Hungary and Slovakia helped in the evacuation of Indian students who were mostly medical students. Future of these students is now uncertain. The medical students have filed a petition in the Supreme Court asking the Government to allow their transfer to Indian colleges.

The month of February brought more sadness to the Indian music industry with the death of the legends. We have lost 3 stars within a fortnight. The Queen of Melody, Lata Mangeshkar passed away on 6th February, 2022 and no mourning is enough to compensate the loss of the Indian music legend. While the music lovers were still coping with the loss, two other musical legends Geetashree Sandhya Mukherjee and the greatest composer of Bollywood Bappi Lahiri also passed away after 10 days. Coming to our personal loss, we lost CA Sunil Patodia, Former Chairman of Western India Regional Council of The Institute of Chartered Accountants of India and Donor of Rajasthan Sammelan Education Trust. He was also instrumental in the establishment of extension counter of WIRC in RSET campus. Through this issue, we convey our sincere condolences to his bereaved family. In academics, 10th and 12th Standard examinations of State, National and International Boards were held physically by observing the norms of social distancing. However this year too, Mumbai University's undergraduate and postgraduate examinations will be held online as declared by the University. In RSET campus, schools, colleges and management institutes successfully conducted many prestigious activities through online platform. Under the leadership of Smt. Mini Nayar, Principal of Kudilal Govindram Seksaria English School, institutions of RSET jointly celebrated Republic Day in the campus. Shri Madhusudan Maheshwari, Trustee, RSET, hoisted the National Flag in the presence of Shri Ashok M. Saraf, President, RSET, Office Bearers, Trustees, Managing Committee members, Staff and Students. Republic Day was also celebrated virtually by the institutions of RSET that included

Dr. Sunanda Kar, Editor

speeches, dance, patriotic songs and making tri-colour objects. It is indeed a matter of great pride for us that Durgadevi Saraf Institute of Management Studies has been ranked as 24th among Top B-Schools in India and 5th among Top Private B-Schools in Mumbai as per Times B-School Survey published on 24th February, 2022 in The Times of India.

During this time, Peer Team from National Assessment and Accreditation Council visited Durgadevi Saraf Institute of Management Studies and Ghanashyamdas Saraf College. Both the institutions have been accredited by NAAC. Under Remsons Centre for Management Research, faculty members of DSIMS and DSGS published research papers in reputed journals and participated in research conferences. DSIMS and DSGS, jointly conducted the Best Summer Internship Competition (SIP) in which 6 best SIP projects from both MMS and PGDM were selected through a blind peer review by the external reviewers. It is heartening to note that along with academics, Deviprasad Goenka Management College of Media Studies also organized many co-curricular activities such as International Conference: Alternative Narrative - Communicating through the power of visuals, International Conference: REWA - Representation and Expression of Women in Art, Guest Lectures and Workshops. Side by side many festivals were organized by the students under the guidance of the faculties such as Media I.C.E. Age and Cine Voyage. The Rotaract Club and NSS unit of the college successfully conducted many outreach programmes. The students of the college participated in youth festival organized by University of Mumbai and bagged many prizes.

Schools of RSET have also organized noteworthy events. Kudilal Govindram Seksaria Sarvodaya School hosted a Global Recitation Competition on 13th January, 2022 to commemorate International Hindi Day. 21 students from 14 countries participated in the competition. Mr. Rohit Kumar Happy, Editor, Bharat Darshan, New Zealand, was the Chief Guest on this occasion. Ramniwas Bajaj English High School hosted the Annual Interschool Fest 'Panache' in which 29 schools participated. The competitions were held online and the entire ceremony was streamed live on YouTube. It is a matter of great pride that as in previous years, this year too, Ramniwas Bajaj English High School bagged Certificate of Excellence in the project EUMIND 'Go-Green' with all the 5 groups vis-à-vis: Waste Management in School; Plastic Recycling; Saving Energy at School; My Green Meal & Saving Food, receiving this award 4th time in a row. All students and their mentors received fruition to the efforts that they enlisted in creating EUMIND activities. We at Rajasthan Sammelan Education Trust are involved in a continuous process of welcoming the changes that are taking place in the education system of our country. In RSET campus, education is fun, teachers are friendly and at the same time, they maintain discipline with the learners. It is a long and continuous journey of our Management to attain excellence in their educational endeavours.

Dear Reader,

It gives me great pleasure to note that in the past few months all the institutions of Rajasthani Sammelan Education Trust have excellently combined academic activities with extra-curricular activities to make the lives of students interesting in the campus.

Ghanshyamdas Saraf college of Arts and Commerce played host to the NAAC Peer Team on 29th and 30th March, 2022. The Visit consisted of interactions with the Management, Principal, the IQAC of the College, teachers, students, alumni and the parents. NCC unit of the college celebrated World Hindi Day, National Youth Day, Army Day, Republic Day and many such events. Rotaract Club of the college organized many webinars on Crypto currency, Cyber Security, Body-Shaming, etc.

It is heartening to note that the Peer Team of National Assessment and Accreditation Council (NAAC) visited DSIMS on 23rd and 24th February, 2022 to assess the performance of the institution. The visit culminated with the accreditation of DSIMS by NAAC. This was followed by the Focus Audit of ISO 9001:2015 of DSIMS virtually on 21st March, 2022 by two auditors of Lloyd's Register Quality Assurance Ltd (LRQA). The audited report was shared by the auditors on 27th February, 2022 and the institution was audited.

I am happy to note that in the month of February, Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School jointly organized many flagship events. In all these events, eminent speakers from industry and academics shared their views with the faculty and students. It is praiseworthy that Akash Singh, a student of FYJC of Durgadevi Saraf Junior College, won the championship (gold medal) for Bombay Mayor's Cup kickboxing championship held on 19th & 20th March, 2022 at Andheri Sports complex organized with Mumbai kickboxing association.

I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader,

It is interesting to note that all the institutions of RSET have conducted many activities in the months of January to March. As per directives of education department, regular offline classes were started from 24th January, 2022 in the schools. This was followed by SSC practical examinations and theory papers of Board Examination. As in earlier years, this year too, Kudilal Govindram Seksaria English School was the main centre for Board Examinations.

I am pleased to note that under the leadership of Principal Mrs. Mini Nayar, Kudilal Govindram Seksaria English School took the lead to celebrate Republic Day in RSET Campus along with other schools. On this occasion, Shri Madhusudan Maheshwari, Trustee, RSET, hoisted the National Flag in the presence of Shri Ashok M. Saraf, President, Shri Kailash Kejriwal, Hon. Secretary, Shri Lalit Saraf, Jt. Secretary along with the Trustees, Managing Committee members, Heads of Institutions and staff. All the institutions organized online activities for the students of their respective institutions.

I am happy to note that on 25th February, students of Kudilal Govindram Seksaria Sarvodaya School hosted a Science Exhibition on the theme "Integrated approach in Science and Technology for a sustainable future". Simple working models and practical experiments were displayed by students from Standard V to IX. Students won the hearts of visitors with their excellent oration and confidence in presentation. It is a matter of great pride that Mst. Shlok Rawtoo of Grade V- A of Kudilal Govindram Seksaria English School has brought laurels with his commendable achievements in International English Olympiad. He also received 3rd place at zonal and international level and won gifts worth Rs.1000/- and a bronze medal.

I take this opportunity to convey my best wishes to all the Institutions of RSET for their further progress and development.

Dear Reader,

I am pleased to note that the new year of 2022 ushered in with many success stories in RSET campus. Academics being the core focus, all institutions continued with teaching-learning activities followed by examinations.

Our family is proud to be associated with the Trust for

- Dhurma Bajaj Bhavan named after my late grandfather
- Ramniwas Bajaj English High School named after my late father
- Mainadevi Bajaj International School named after my mother
- Mainadevi Bajaj International Playschool named after my mother

The month of January was full of festivities and I am happy to note that in Mainadevi Bajaj International School, students of early years celebrated Makar Sankranti festival on Thursday, 13th January '22 by making beautiful kites for the occasion and the teachers showed them a video on the importance of the festival. MBIS also conducted many workshops and activities that included Virtual Art Activity, Language Fest, Stem Workshop, Science Fest and also arranged a virtual tour to Dr. Bhaui Daji Lad Museum for the students of grade 6 to 12 to cherish and appreciate the history, culture and contemporary art of India.

The 73rd Republic Day was celebrated on 26th January where in Shri Madhusudan Maheshwari, Trustee, RSET hoisted the National flag in RSET campus in the presence of Management members, teachers and non-teaching staff. Many colourful events were organized by schools and colleges virtually to celebrate Republic Day along with their students.

It is a matter of great pride that for the fourth time in a row, five group of students in Ramniwas Bajaj English High School bagged 'Certificate of Excellence' in the project 'Go Green' of EUMIND (Europe meets India) by collaborating through video-conferencing with Dalton de Leeuwrik School of Netherland.

I convey my best wishes to all the institutions for further progress and to attain excellence.

Dear Reader,

The new year of 2022 started with online classes followed by complete offline teaching in all educational institutions as per government directives. It is my pleasure to note that Mainadevi Bajaj International Playschool started with physical school from the month of February 2022. As the name of the Play School suggests, MBIP believes in global learning. Hence the tiny tots were introduced to the topic of 'All around the world' on 21st March, 2022. The children learnt about various countries along with the currency, flag and monuments of the famous countries in the month of March 2022.

It is a matter of great pride to note that Grade 10 students of RBHS nailed the Semester 1 examination with flying colours which was declared by the CISCE Council on 7th February, 2022. 42 out of 45 students secured distinction, 3 students secured between 70% & 74 % while 40% students secured 90% and above. I wish the students a grand success at the final examination. Five group of students of RBHS also bagged 'Certificate of Excellence' in their EUMIND Project which they completed by collaborating with Dalton de Leeuwrik school, Netherland.

It is heartening to note that in Mainadevi Bajaj International School, Hazel D Cruz of Grade 2 has brought laurels to the school by securing 1st position in SOF General Knowledge and English Olympiads. Devashri Gunaseelan of Grade 5 has made the school proud by securing 8th International Rank in SOF English Olympiad. She also secured 1st school rank in SOF Science Olympiad, and has won Gold Medal of Excellence. Yatharth Gandhi of Grade 6 has secured 1st school rank in International Olympiad of Science and has won Special Achievement Certificate and Gold Medal of Excellence. I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Dear Reader,

It is a matter of great satisfaction to note that every year Rajasthani Sammelan Education Trust awards freeship to needy and meritorious students of all institutions through Jankidevi Bilasrai Bubna Endowment Freeship Fund. This helps them to continue education in their respective institutions.

Jankidevi Bilasrai Bubna Boys' Hostel is occupied by Indian as well as foreign students. However due lockdown of educational campuses caused by COVID -19 Pandemic many of students left for their home town and attended online classes from their residence. I am happy to note that all the staff deputed on duty at the boys' hostel are always alert to provide comfort and safety to the inmates. In-house caterer of RSET is providing them hygienic brunch and dinner from time to time. Now that offline classes have started in all educational institutions, students are returning back in the hostel. At present, Jankidevi Bilasrai Bubna Boys' Hostel is occupied by 94 students. Out of these, 9 students are foreigners.

I am very happy to note that on the occasion of Holi, the foreign students of the hostel along with other international students were invited by Shri Bhagat Singh Koshyari, Hon'ble Governor of Maharashtra, at Raj Bhavan, Mumbai on Saturday 19th March, 2022. The visit of the international students was organised by Shri Bhushan Thakare, International Secretary, Mumbai Chapter of the World Organisation of Students & Youth.

It is a matter of great pride that for the fourth time, five group of students of Ramniwas Bajaj English High School participated in the EUMIND (Europe Meets India) project "Go Green" and have received certificate of excellence.

I compliment the Management for giving the best infrastructure as well as best technological support to all institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

I am pleased to note that in the past three months, all the institutions of Rajasthani Sammelan Education Trust gradually changed their teaching from online classes to offline classes followed by examinations. Institutions of higher education conducted many e-conferences, webinars and workshops in which reputed academicians and corporates shared their opinion with faculty members and students. Durgadevi Saraf Institute of Management Studies and Ghanshyamdas Saraf College hosted NAAC Team in the month of March 2022 & both the institutes have been accredited by National Accreditation and Assessment Council with B+ Grade. Schools of RSET have also organized many grand and unique events. To commemorate International Hindi Diwas, Kudilal Govindram Seksaria Sarvodaya School hosted a Global Recitation competition on 13th January, 2022 in which 21 students from 14 countries participating in the competition. It is a matter of great pride that for the fourth time in a row, five group of students in Ramniwas Bajaj English High School bagged 'Certificate of Excellence' in the project 'Go Green' of EUMIND (Europe meets India) by collaborating through video-conferencing with Dalton de Leeuwrik School of Netherland.

It is indeed a matter of great satisfaction that many meritorious & needy students who were awarded Jankidevi Bilasrai Bubna freeship are successfully pursuing education in their respective institutions of RSET. Jankidevi Bilasrai Bubna Boys' Hostel is now having 94 students and more students are expected to join the hostel shortly. The Management has provided all possible facilities for comfortable stay of the hostel students. It is heartening to note that Omprakash Bubna Gymnasium is being constructed on the 8th floor of JBBH so that students will be able to work out as per their convenience and maintain their fitness.

I compliment Shri Ashok M. Saraf and his team for their vision and hard work in the educational endeavours of Rajasthani Sammelan Education Trust.

of Media Studies

Dear Reader,

I am pleased to note that Deviprasad Goenka Management College of Media Studies successfully conducted first semester examination of first year under graduate students as well as first and third semester students of post graduate classes and Viva Voce of post graduate students through online mode in the month of January. The Attendance Committee held a meeting with parents of defaulter students to counsel them about the importance of maintaining proper attendance score as per the directives of the University of Mumbai.

It is indeed heartening to note that faculty members at DGMC are continuously giving training to students through Training & Placement Cell (TAP) as per industry expectations. On 12th March, 2022 DGMC conducted Degree Distribution Ceremony for the successful students of post graduate and under graduate courses. It is heartening to note that along with academics, DGMC also organized many co-curricular activities such as International Conference: Alternative Narrative - Communicating through the power of visuals, International Conference: REWA - Representation and Expression of Women in Art, Guest Lectures and Workshops. Side by side many festivals were organized by the students under the guidance of the faculties such as Media I.C.E. Age and Cine Voyage. The Rotaract Club and NSS unit of the college successfully conducted many outreach programmes. The students of the college participated in youth festival organized by University of Mumbai and bagged many prizes.

The Student Council organized a special 73rd Republic Day celebrations online. Keeping to the theme students started the event with a "Speech with a Message". The event concluded with announcing the winners of the digital poster making competition on the theme 'Democracy is in your hand – You Vote'.

I convey my best wishes to all the institutions for their further progress to attain excellence.

Sanwamal
Women's Hostel

Dear Reader,

I am very happy to note that Draupadidevi Sanwamal Women's Hostel has completed ten successful years of its existence and has created for itself a niche amongst the women's hostels in western suburbs of Mumbai due to the state of art infrastructure and home like facilities provided to the students who come from other cities and countries to stay here and pursue their dream of professional as well as higher education. At present we have total number of 101 Indian as well as foreign students from different countries.

The Renewal process for stay in the hostel from January, 2022 to June 2022 started from the month of December 2021 and was completed in the month of January 2022. As the offline teaching has been started by the educational institutions from January 2022, more students are joining the hostel. All the new as well as old students are happy and content with the facilities provided to them. It is very encouraging for the staff managing the hostel that all the students residing in the hostel and their parents have given positive feed- back on their stay in the hostel. I am pleased to note that the hostel is regularly sanitized and the house-keeping staff keep the hostel neat and clean. Pest control of the hostel is also carried out every week.

I am happy to note that the Management is regularly taking care for maintaining the infrastructure of the Hostel by carrying out painting and repairing as needed. There is a Food Committee of the hostel inmates and the members of the committee prepare the menu for breakfast and dinner & hand over the same to the in-house caterer.

I congratulate everyone connected with RSET for all the accomplishments in the past few months.

Nalini Shah Music Academy

Dear Reader,

Sidney Sheldon perfectly describes: "Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life." I am pleased to note that Amratlal Premchand Shah Library of Mainadevi Bajaj International School is a rich collection of sources of information and similar resources that are made accessible to the student community for reference or borrowing. Library's collection comprises 11500 items which includes books, periodicals, maps, flashcards, multimedia resources (CD's and DVD's) and posters. The month of March was dedicated to the famous children's author Theodor Seuss Geisel or Dr. Seuss. There was an exhibition devoted to the author and some of his famous works were displayed for children to read. Students of MBIS have a dedicated library period per week.

It is heartening to note that The students of Nalini Shah Music Academy have successfully completed "SANGEET PRARAMBHIK Part-1, Part-3" and First Year Junior Diploma examination organized by Bharatiya Sangeet Vidya Vihar (BSVV), Kolkata. Students of NSMA have also appeared for "SANGEET PRAVESHKA" examination conducted by the Music Academy. The successful students were awarded certificates at a function held on 29th January at Nathmal Garodia Hall.

It is heartening to note that Pravinchandra D. Shah Sports Academy has restarted sports activities with full enthusiasm. Students are given slots to play various games by observing the norms of social distancing. The Sports Incharge of PDSA has also taught yoga to students of Primary and Secondary sections of the schools. The time table giving playing slot to each institute of RSET for the academic year 2022-23 has also been prepared and shared with all heads of institutions. I convey my best wishes to all the institutions of RSET for their further progress and development.

Dear Reader,

I am pleased to note that the New Year of 2022 brought normalcy across educational institutions with more and more students and faculties coming back to campus. Ramdhari Maheshwari Career Counseling Centre conducted various webinars for the faculties to assist them to sail through the transition to normal. A webinar on 'Observing and Understanding Behaviour' was conducted for the Secondary teachers of Kudilal Govindram Seksaria English School on 13th January. A similar webinar was also conducted for the faculties of Ghanshyamdas Saraf College on 15th January, 2022.

RMCC also organized 'Building a professional profile session' for students of Self-Financed department of Ghanshyamdas Saraf College on 4th and 5th March, 2022. On account of International Women's Day, RMCC organized a webinar on "Treasure Myself". The webinar focused on understanding how women can take care of themselves and strengthen their emotional health. It is heartening to note that Ladhidevi Ramdhari Maheshwari Night College of Commerce successfully conducted post graduate and under graduate examinations in the months of January and March 2022. Along with academics, extra-curricular activities were also properly planned by the college.

On 12th January, 2022 the NSS Unit of the college celebrated National Youth Day on account of Swami Vivekananda's Birth Anniversary on Google Meet. The volunteers of NSS Unit participated in various competitions organized by the NSS Unit of Lala Lajpatrai College of Commerce and Economics, Mumbai, in collaboration with NSS Cell, University of Mumbai and Mumbai Sarvodaya Mandal on 8th February, 2022 and bagged prizes. Many faculty members presented research papers at national and international conferences. Career Guidance Cell organized an Online mega interactive webinar via Zoom on "Company Secretary as a Career" by ICSI Bhayander Chapter for TYB.Com students.

Dear Reader,

I am extremely happy to know about the development and growth of all institutions managed by Rajasthan Sammelan Education Trust in the past few months. It is gratifying to learn that all the schools of RSET have enthusiastically celebrated Republic Day in RSET Campus followed by online activities by individual institutions for their own students. It is a matter of great pride that Durgadevi Saraf Institute of Management Studies ranked 24th among Top private B- Schools in India and 5th among Top private B-Schools in Mumbai as per Times B-School Survey published on 24th February in Times of India. Durgadevi Saraf Institute of Management Studies and Ghanshyamdas Saraf College hosted Peer Team from National Assessment and Accreditation Council (NAAC) and both the institutions have been accredited by NAAC.

I have great pleasure to note that Pravinchandra D. Shah Sports Academy has undergone full revamp. The old turf has been removed and a new turf has been laid out. A new play area has also been developed for the students to play. Mahavirprasad Poddar iMac Computer Lab & Mahavirprasad Poddar Colour Grading Lab at Deviprasad Goenka Management College of Media Studies are regularly used by the students to work on media related projects.

Today, life is full of challenges for a student due to intense competition for admission in professional courses and later to obtain a suitable placement. Therefore, students have to work hard in order to excel in studies. To encourage such meritorious students who are unable to pay fees for their studies, our organization has become associated with Rajasthan Sammelan Education Trust by awarding freeship and scholarship every year through BKT Endowment Freeship Fund for students of all the institutions of RSET.

I convey my best wishes to the President and his team for further success in their educational endeavours.

Dear Reader,

It is heartening to note that in the past three months, GOLD Team has been constantly involved in software development and updating activities. Subjective & MCQ type online tests were conducted for Mid-term internal exams on Gold Academy's Learning Management System (LMS) for RSET Institutes. GOLD Team also created customized tests modules as per the requirement of institutions. Results were also processed as per the standard template. Faculties were given training on how to check subjective answer papers, give marks & submit online.

I am happy to note that GOLD Academy has also been repository of online lectures handed over to its team by the institutions of RSET. All the recorded videos were given unique naming code and the quality of checking of the videos were done before uploading the lectures on GOLD Academy's e-learning portal. Side by side many promotional activities were continued by GOLD Academy during this period that included editing, checking and uploading relevant content on face-book and You Tube with description. Regular SMS and e-mails were sent to registered students for new updates. Promotional SMS & E-mails were sent to new students regarding subscription process for B.Com Online Courses. Students were given support through Phone and e-mail during the online exams. Other promotional activities included Faculty training & support provided for monitoring students log activities during online MCQ's & Subjective type exams and sending welcome messages to new students.

It is heartening to note that institutes of higher education successfully carried out many guest lectures by senior professionals and academicians in the past three months. During this period, meetings of Governing Council & College Development Council were also held successfully. They also held series of intercollegiate events. Some faculty members attended prestigious webinars and presented their research papers in such webinars.

I wish a great success to all the institutions of Rajasthani Sammelan Education Trust.

The Study Centre is open from 8 a.m. to 10 p.m. for the convenience of the students so that they can study in a peaceful environment. The Study Centre has indeed benefitted the students staying in western suburbs as they can obtain CA Study material from this extension counter and need not travel to the Western Region Office. The staff appointed by ICAI Regional Office provide all required information to the students enrolled with the Study Centre. At present 80 students have taken admission in the study centre.

I am very happy to note that to commemorate International Hindi Diwas, Kudilal Govindram Seksaria Sarvodaya School hosted a Global Recitation competition on 13th January, 2022. 21 students from 14 countries had participated in this competition. Students of Kudilal Govindram Seksaria Sarvodaya School also, hosted a Science Exhibition on the theme "Integrated approach in Science and Technology for a sustainable future". Students won the hearts of visitors with their excellent oration and confidence in presentation.

It is a matter of great pride that Mst. Dear Reader,

Greetings and Best wishes for Financial year 2022-23.

I am pleased to note that offline classes in the educational institutions started from the month of January. Accordingly, library classes were regularly held in Trivenidevi Manmal Thard Library of Ramniwas Bajaj English High School. The students were also engaged in interactive discussions with the Librarian after reading or hearing the stories. Descriptions of characters of their favorite stories enhanced the entire learning process.

The Library has also properly classified and catalogued all library resources consisting of books, magazines, atlases, charts, models, periodicals and newspapers as needed by students and teachers. Trivenidevi Manmal Thard Library also has its OPAC (KOHA based) collections which include all databases like different Open Access Books, Open Access Journals, different type of digital library collection like National Digital Library, Rare Book Room and so on. The Library also has collections from other languages like Hindi and Marathi. Magazines like Tinkle, India Today, Robin Age and Champak make students versatile readers.

It is heartening to note that the staff room and class rooms of Manmal Thard Education Wing on the first floor of Ghanshyamdas Saraf College are used throughout the day – right from 7.00 a.m. to 8.30 p.m. Lectures of Ghanshyamdas Saraf College are held in these classrooms from morning 7.00 a.m. to afternoon, while Durgadevi Saraf Junior College uses the classrooms thereafter upto 8.30 p.m. Other activities are also conducted in these classrooms like various competitions organized by National Service Scheme (NSS) unit, Department of Lifelong Learning and Extension (DLLE) and Cultural Association. These class rooms are also used for various Guest lectures, seminars and examinations.

Dear Reader,

It is a matter of great pleasure that with the concept of 'Back to Normal' Durgadevi Saraf Institute of Management Studies has opened its arms to welcome the students to attend the offline lectures. Shri Murlidhar Karwa Knowledge Resource Centre too is filled with students. Footfalls at the KRC are increasing day by day like Pre-Covid times.

I am happy to note that KRC has subscribed to many e-resources. E-Journals (1,100) and E-Books (10,000) are accessible through EBSCO database and financial data from ACE KP database. Shri Murlidhar Karwa Knowledge Resource Centre has arranged hands on training sessions to students to get practical knowledge for effective usage of the databases. To curb the problem of plagiarism, KRC has subscribed to the Anti-Plagiarism Software 'Check for Plag' (CFP) and conducted a training session to all the faculty members for how to use the s/w and minimise the plagiarised content for student's project reports and their own research articles. KRC has also successfully faced ISO Focus Audit (LRQA) online and NAAC peer team audit offline.

It is heartening to note that the Librarian Ms. Sunita Pujar's research paper titled "Open access and transformative agreements: A Study" is published at Scopus listed open access journal 'Annals of Library and Information Science'. Vol. 69, Issue no. 1 March 2022. I extend my compliments to her for the same. To keep updated about the professional developments, the Librarian also attended an online national e-conference on Academic Libraries in COVID-19 Pandemic, conducted by 'Laxmibai Sitaram Halbe college of Arts, Commerce and Science, Dodamarg', Dist. Dear Reader,

I am pleased to know that Smt. Prabhadevi Banwarilal Saraf Library at DGMC is continuously busy to organize different activities to attract the users. Marathi Bhasha Din was organised by the Library Committee on 28th February, 2022. Library Staff and students took to reading few lines penned down by their favourite Marathi authors and poets. A writing board was also placed at the lobby for all to write a few lines in Marathi. On the occasion of Holi, the Library Committee organized a virtual Holi Quiz Competition for all its students and Staff. The winners of the competition received e-certificates.

It is heartening to note that the collection of knowledge resources at Smt. Prabhadevi Banwarilal Saraf Library are continuously growing with each passing year. At present, the Library has 3334 books, 15 research journals, 10 magazines, 07 newspapers, 134 audio-visual and 06 e-books plus faculty collection and approximately 100 free e-books saved to drive. Vinati Organics Chemistry Lab at Ramniwas Bajaj English High School has proved to be extremely useful for the students as it allows them to explore chemical concepts, view changes in matter and acquire scientific skills in an atmosphere similar to a professional scientific environment. The Lab is well equipped with all the apparatus and chemicals required as per the rules of ICSE Board.

It is a matter of great pride that for the fourth time in a row, five group of students in Ramniwas Bajaj English High School bagged 'Certificate of Excellence' in the project 'Go Green' of EUMIND (Europe meets India) by collaborating through video-conferencing with Dalton de Leeuwrik School of Netherland.

Dear Reader,

This issue of Abacus represents the continuous efforts of the Management members in providing best educational opportunities to all the students studying in the institutions of Rajasthani Sammelan Education Trust. I am pleased to know that with the support of the IT Department of RSET, all the institutions have been able to perform academic as well as extra-curricular activities efficiently in the First Semester of the academic year 2021- 2022 through online platform. From January 2022, as per directive of the State Education Department and University of Mumbai all the educational institutions started offline classes. IGCSE (International Board), SSC and HSC (State Board) examinations were held smoothly by respective institutions. Kunjbihari S. Goyal Online Academy (GOLD Academy) has also played a major role in the conduction of online examinations. for institutes of RSET

It is heartening to know that Rashi Peripherals Play Area on the 7th floor of Mainadevi Bajaj International School continues to be of great utility to the students. In normal times, it continues to be the center of sports and co-curricular activities of the school. Since the area is well-endowed with playing equipments for the younger students and basketball rings for the older children, it is used all students. The Play Area is used for many sports activities for the primary students and also for some cultural activities such as Holi, Janmashtami etc. Almost all Physical Education classes of the Primary and Pre-Primary students are conducted in the Play Area. It is used for the practice of Yoga and training for Martial Arts.

It is a matter of great pride that for the fourth consecutive year, five group of students of Ramniwas Bajaj English High School participated in the EUMIND (Europe Meets India) project "Go Green" and received certificate of excellence.

It is heartening to note that inspite of continuous lockdown of educational institutions, all the institutions continued their academic as well as extra-curricular activities through online platform.

I am happy to note that schools of RSET have also organized many grand and unique events. To commemorate International Hindi Diwas, Kudilal Govindram Seksaria Sarvodaya School hosted a Global Recitation competition on 13th January, 2022 in which 21 students from 14 countries participated in the competition. On 25th February, 2022 students of Kudilal Govindram Seksaria Sarvodaya School hosted a Science Exhibition on the theme "Integrated approach in Science and Technology for a sustainable future". Simple working models and practical experiments were displayed by students from Standard V to IX. It is a matter of great pride that for the fourth time in a row, five group of students in Ramnivas Bajaj English High School bagged 'Certificate of Excellence' in the project 'Go Green' of EUMIND (Europe meets India) by collaborating through video-conferencing with Dalton de Leeuwrik School of Netherland.

Every year, Rajasthani Sammelan Education Trust is awarding IRB Merit Scholarship to meritorious students of all institutions run & managed by the Trust. Merit based scholarships go to students who stand out with strong academics. We have been associated with Rajasthani Sammelan Education Trust with the aim of providing scholarship to the brilliant students of all institutions through IRB Endowment Scholarship Fund so that such students work hard and perform better in academics. We are happy to know that many meritorious students have been awarded IRB scholarships every year.

I compliment the Management, Heads of Institutions, Staff and Students for a bright future ahead.

Madhoprasad Saraf Seminar Hall
at DGMC

Dear Reader,

It is indeed a matter of great pleasure for me to note that Madhoprasad Saraf Seminar Hall is well utilized with activities relating to Media. Due to lockdown of educational campuses, all events were conducted virtually for the past two years. However now that offline classes have started from January 2022, activities in Madhoprasad Saraf Seminar Hall at Deviprasad Goenka Management College of Media Studies have started on a full swing.

I am pleased to note that DGMC conducted the Degree Distribution Ceremony for students of Bachelor of Mass Media (BMM), Bachelor of Arts in Film, TV & New Media Production (BAFTNMP), Master of Arts in Communication & Journalism (MACJ) and Master of Arts in Film, TV & New Media Production (MAFTNMP) of the batch of 2020-21 on Saturday, 12th March, 2020 from 9:30 am onwards in Madhoprasad Saraf Seminar Hall, RSET Campus. Students were present for the momentous occasion to receive their degrees. Dr. Amee Vora, Principal, DGMC, & other senior faculty members handed over the degrees to the students. Dr. Amee Vora encouraged the passing out batch to stay in touch as alumni, and to come back and contribute to the strengthening of their Alma Mater. It is heartening to note that DGMC conducted two days international conference titled Alternative Narrative: Communicating through the Power of Visuals on the Zoom platform. DGMC also organized jointly with Women's Development Cell of University of Mumbai and Maniben Nanavati Women's College a two days International Conference on International Women's Day. The international conference revolved around the concept of REWA – Representation and Expression of Women in Art via virtual platform.

I take this opportunity to compliment all institutions for organizing excellent academic and extra-curricular activities in the past three months. My best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Growel Science Lab
At KGSS

Dear Reader

It is a matter of great pleasure to note that Growel Science Laboratory at Kudilal Govindram Seksaria Sarvodaya School has proved to be extremely useful for the students as it allows them to explore scientific concepts and acquire scientific skills in an atmosphere similar to a professional scientific environment. The lab is located on the sixth floor of KGSS.

I am happy to note that on 25th February, students of Kudilal Govindram Seksaria Sarvodaya School hosted a Science Exhibition on the theme "Integrated approach in Science and Technology for a sustainable future". Simple working models and practical experiments were displayed by students from Standard V to IX. The models depicting the function of the Kidney, Lungs and Skin were prepared with great precision and the functions of each were very well explained by the students to the visitors. Students also displayed a project on Water Cycle, Bio Gas Plant, Wind Mill, Vacuum Cleaner, Kaleidoscope, Rain Water Harvesting, Solar Panel, Air Pressure, Water Bulb, States of Matter, Medicinal Herbs and many more. The students won the hearts of visitors with their excellent oration and confidence in presentation. Students were happy to get a platform to showcase their talent, creativity and understanding of scientific concepts.

As per norms of the State Board, Science Practical Examinations were held for SSC students in March. This was followed by offline SSC Board Examinations in the school. Kudilal Govindram Seksaria English School was the main centre for conducting the Board Examination. Kudilal Govindram Seksaria Sarvodaya School celebrated International Hindi Diwas by hosting a Global Recitation competition on 13th January, 2022. Twenty-one students from 14 countries participated in this competition.

I convey my special compliments to the President of RSET and his team for further success in their mission of educational endeavours.

Rajasthani Sammelan
Education Trust

Dear Reader,

It is indeed a matter of immense pride and satisfaction that Rajasthani Sammelan Education Trust steadfastly continues in its endeavour of attaining excellence in all spheres of education encompassing school education, postgraduate as well as management studies.

It is gratifying to note that the institutes of higher education under Rajasthani Sammelan Education Trust have successfully conducted webinars, guest lectures and workshops in which eminent academicians as well as significant stake holders from the corporate sector were invited online to interact with the students and faculty. Durgadevi Saraf Institute of Management Studies has been ranked 24th among the Top Private B-Schools in India and the 5th among the Top Private B Schools in Mumbai as per Time's B-School Survey published on 24th February 2022 in the Times of India. It is heartening to note that Ghanshyamdas Saraf College has taken new initiatives to start Study Centre for the Institute of Company Secretary of India, to start coaching for IIT/ JEE, UPSC, Banking & Railway Examinations, for SAP certified courses in IT and Finance as well as Certified Financial Planning course from Financial Planning Standards Board Ltd.

Ghanshyamdas Saraf College and Durgadevi Saraf Institute of Management Studies have successfully hosted NAAC (National Assessment and Accreditation Council) Teams in the month of March and have been accredited by NAAC with B and B+ grades respectively. Deviprasad Goenka Management College of Media Studies has organized jointly with Women's Development Cell of University of Mumbai and Maniben Nanavati Women's College a two-day International Conference on International Women's Day REWA – Representation and Expression of Women in Art via virtual platform.

I am sure that all the institutions of Rajasthani Sammelan Education Trust would mature and evolve as outstanding centres of academic excellence and I wish them well.

Rajasthani Sammelan
Education Trust

Dear Reader,

Education is a powerful agent of change and the key to transform the destiny of a nation. Rajasthani Sammelan Education Trust has therefore very wisely taken the noble mission to ensure a continuous and smooth journey in its educational endeavours. The President and the team of Managing Committee members and Board of Trustees aim to serve the community by providing best educational facilities through the schools, colleges and professional institutes run by the Trust.

I am pleased to note that "The Best Summer Internship Program Competition, 2022", an intra-collegiate SIP competition was conducted By Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School via virtual mode on Zoom platform with overall 100 number of audiences. Top 6 best summer internship projects from both MMS and PGDM were selected through a vigilant screening process by internal faculty members. It is heartening to note that Durgadevi Saraf Institute of Management Studies has been ranked 24th among the Top Private B-Schools in India and 5th among the Top Private B Schools in Mumbai as per Times B-School Survey published on 24th February, 2022 in the Times of India. Durgadevi Saraf Institute of Management Studies and Ghanshyamdas Saraf College hosted NAAC (National Assessment & Accreditation Council) Team and have been accredited by NAAC.

I am pleased to note that students of NCC unit, NSS unit and Rotaract Club of the colleges carried out many outreach programmes. On 19th March, 2022 on the occasion of Holi, the Rotaract Club members of Deviprasad Goenka Management College of Media Studies visited Shri Nityanand Ashram in Masacha Pada, Kashi Gaon to celebrate holi with the homeless Sr. Citizens and distributed fruit to them.

I convey my best wishes to one and all associated with Rajasthani Sammelan Education Trust.

Suwadevi Doongermal
Patodia Lab
at MBIS

Dear Reader,

It gives me immense pleasure to note that Suwadevi Doongermal Patodia Chemistry Laboratory of Mainadevi Bajaj International School is regularly providing a platform to students of the school to nurture the budding scientist within them. The Lab is provided with the state-of-the-art devices like - Electronic weighing machine, Bunsen burners, beakers and flasks, concealed gas line and the safety devices such as fire-fighting equipment, first-aid kit etc. The acids and other reactive chemicals are stored in separate locked cupboards as a further precautionary measure.

The students are provided with separate workstations with individual burners and plug points. The apparatus includes the common place strikers, mortar and pestle, clay triangles, watch glasses, filter funnels and a variety of stoppers. It is not only used by the Secondary students but the budding scientists from the Primary Section also make regular visits to the Lab to become familiar with experimentation. The students are duly supported during practicals by the Lab Assistant who keeps the lab ready well in advance with the required equipments and chemicals.

It is heartening to note that Mainadevi Bajaj International School has replaced IBDP with A Level of Cambridge and MBIS is now a full Cambridge School. Fees have also been restructured to make it more competitive with similar schools. I am happy to note that in the month of February, Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School jointly organized many flagship events. In all these events, eminent speakers from industry and academics shared their views with the faculty and students. National Science Day was celebrated by students of Standards VI to IX of Kudilal Govindram Seksaria Sarvodaya School by hosting a mini Science Exhibition.

I convey my compliments to one and all associated with Rajasthan Sammelan Education Trust.

Vijay Pal Singh
Health Centre

Dear Reader,

Life is very challenging for today's children. They have to face competition at every stage of their studies. For that they have to work very hard continuously to have a successful career on completion of their studies. At the same time, they have to participate in extra-curricular activities so that they develop a good personality. However, this will be possible only if they are healthy and physically strong.

Generally, parents take their children to the physicians only when they are ill but if there is timely check up done by some experts then the diseases can be controlled at an early stage and proper guidance can be given for the healthy growth of the child. Vijay Pal Singh Health Centre is working with this objective of regular health check-up of students and inform the parents accordingly. Ayaksha, the Agency entrusted to run the Vijay Pal Singh Health Centre conducts health check-up with the help of panel of doctors for school children from Pre-Primary to Secondary sections of all schools. The Health Centre also provides full support of giving first aid during sports events organized in Pravinchandra D. Shah Sports Academy ground. During field trips of schools, the nurse from the Health Centre accompanies the students.

It is a matter of great pleasure that all the institutions have conducted many noteworthy extra-curricular activities along with routine teaching-learning followed by holding examinations. Many students of the colleges & schools have excelled in sports activities by bagging prizes at state and national level competitions. Institutions of higher education have organized many prestigious webinars and conferences.

I take this opportunity to congratulate the President Shri Ashok M. Saraf and his team for all the success. I also compliment the editorial board for providing all important information through Abacus in a systematic way.

Ramnarayan
Saraf Educational
Outlet

Dear Reader,

I am very happy to note that Ramnarayan Saraf Educational Outlet named after my father late Shri Ramnarayanji Saraf is providing all stationery items and text books to all the institutions and students within the campus of Rajasthan Sammelan Education Trust. In normal times, during examinations approaching, many students regularly visit the Educational Outlet not only for stationery items but also for xeroxing, scanning and printing required for preparing their projects. To streamline all purchases from the educational outlet, there is an in-house portal to generate purchase orders by the institutions. The rate of all items have been finalized by the purchase department of RSET that automatically appear at the time of selecting the items.

My father late Shri Ramnarayanji Saraf always worked very hard to provide best teaching learning facilities to all the institutions of Rajasthan Sammelan Education Trust. Hence, our family feels extremely satisfied to see that the Trust is delivering education from pre-school to Post Graduation, Management as well as Media Studies to more than 16,000 students who come daily in RSET Campus to receive education. For the past two years, a new music academy has also been started in the campus.

It is heartening to know that Republic Day was celebrated on 26th January by our schools in RSET campus and Shri Madhusudanji Maheshwari, Trustee, RSET hoisted the national flag on this occasion. Deviprasad Goenka Management College of Media Studies celebrated Annual Day on 1st April, 2022 in Durgadevi Saraf Hall. Shri Ninad Karpe, former Managing Director / CEO graced the occasion as the Chief Guest. Many of our students made us proud by bagging prizes in prestigious games and tournaments.

I convey my compliments to Shri Ashok M. Saraf, his team & everyone associated with Rajasthan Sammelan Education Trust.

Dear Reader,

In the present times, students are expected to be multifaceted to increase the prospects of success and growth in life. It is heartening to note that the President and his team of Managing Committee members of Rajasthani Sammelan Education Trust strive hard to strike a balance between academics and co-curricular activities to bring out the best in the students.

It is indeed a matter of great pleasure that schools as well as institutions of higher education have conducted examinations efficiently through online platform. From January onwards, students who were eligible to attend lectures started coming physically in the campus. Vaccination camps were also held by schools for their students in co-ordination with the local Municipal Corporator for the safety of the students. School children participated in many International Olympiad Examinations. Mst. Shlok Rawtoo of Grade V from Kudilal Govindram Seksaria English School brought laurels with his commendable achievements in International English Olympiad. Students of Mainadevi Bajaj International School also performed excellently in International General Knowledge and English Olympiad and won gold medal.

It is praise worthy that the Placement Cells of all the institutions of higher education are training students to make them industry ready and are also approaching corporate houses for recruitment of their students. The colleges and management institutions have organized many prestigious online conferences and webinars. Deviprasad Goenka Management College of Media Studies has organized two International Conferences through Zoom Platform that have received overwhelming response from the participants. International Hindi Diwas was celebrated by some of the institutions by organizing essay, debate and poem recitation competitions. at DSIMS

Dear Reader,

Seminars and Conferences are part of higher and professional education. Seminars provide an opportunity to the students to explore topics in depth by discussion and share ideas that are presented by experts. Seminars and Conferences are also important for teachers as they learn about new ideas and approaches to make themselves more effective and efficient in teaching and in knowledge enhancement. I am pleased to know that in the past few months, Durgadevi Saraf Institute of Management Studies has organized many seminars and conferences and has also completed ISO Re-certification Audit. A Peer Team from National Assessment and Accreditation Council (NAAC) also visited DSIMS in the month of February and the institute has been accredited by NAAC.

I have great pleasure to know that Smt. Smita Mahavir Agrawal (Nevatia) Seminar Hall at Durgadevi Saraf Institute of Management Studies has been regularly used for holding lectures as well as seminars and conferences. The technological support of a computer and a LED Projector give full support for presentations during the lectures in this Seminar Hall. It has also been used for holding important Management meetings. It is heartening to note that in the past few months, Durgadevi Saraf Institute of Management Studies and Durgadevi Saraf Global Business School jointly organized many prestigious webinars, conclaves & guest lectures. Dr. Sarika Jain was invited for the evaluation of the paper presentation as a Research Panelist conducted by K J Somaia on 29 January 2022.

All the schools under RSET have also conducted interesting activities. Kudilal Govindram Seksaria School was the main centre of SSC examination which was successfully conducted. Durgadevi Saraf Junior College was also centre for HSC examinations and the same was conducted smoothly.

held an International Conference

REWA Representation and Expression of Women in Art

on the 8th & 9th March 2022

Rolled out on **International Women's Day**, our **International Conference REWA - Representation and Expression of Women in Art** was a deliberative colloquium that took a contemplative dive into specific areas of arts, apprising the presence of both national and international women. Spread across two days i.e. 8th and 9th March, 2022, REWA was jointly organised by the **Women Development Cell of the University of Mumbai, Maniben Nanavati Women's College and Deviprasad Goenka Management College of Media Studies**. Hosting the conference on virtual mode gave us an edge in extending a sense of shared celebration.

The conference commenced with the inaugural ceremony brilliantly anchored by the Principal of Deviprasad Goenka Management College of Media Studies, Dr. Ameet Vora. The conference was given a befitting start by Dr. Vora with an enthralling Sanskrit shloka. She raised a question to ponder over – the question of equal space and opportunity for self-actualization for women as opposed to men.

Following this, Dr. Urvashi Pandya, the Chairperson of Women Development Cell of the University of Mumbai drew the attention of the audience to the multifaceted roles and responsibilities of women towards family and society and urged women to support fellow women. The views presented by the chief patron Hon'ble Pro Vice Chancellor Prof. R.D. Kulkarni and patrons - Shri. Ashokji Saraf sir, Smt. Himadri Nanavati and Dr. Yogini Sheth emphasized upon the fact that women should be celebrated every day and they also urged that women should raise their voice if need be against exploitation both at work places and in the domestic front.

The Chief Guest of the international conference, Smt. Dhiruben Patel, the illustrious author who is greatly respected and loved, seemed to be the perfect example of the celebration of womanhood. The "never give up" approach in life is what will take women far in life, she believes and lives by.

Following this, **Dr. Swaroop Sampat Rawal**, the keynote speaker of the conference, took the center stage and gave a clarion call to raise awakening questions as this is the need of the hour. This highlights of the keynote speech were:

1. Art allows us to change the status quo of the society.
2. What men did was art and what women did was craft.
3. Women in poetry is not a luxury but a necessity.
4. Was the bias of representation always like this in India given the fact that we find instances where the female reproductive power was celebrated, the ancient painting depicting the pregnant body of a woman being the perfect example?
5. Look at an artist as an artist and not as a man or a woman
6. In art education there is intention and participatory engagement of art.
7. And lastly, we need to look again at the representation of women, in India. Is it really ours or did we adapt from the west?

Following this, the vote of thanks proposed by **Dr. Rajashree Trivedi**, Principal, **Maniben Nanavati Women's College** provided a perfect conclusion to the inaugural ceremony by bringing to life, the theme of the conference correlating REWA the river to REWA the woman or life itself.

The first panel on Music kickstarted with **Dr. Dhanashree Pandit Rai, Dr. Chetana Pathak**

and Pandita Anuradha Pal as panelists and **Ms. Nandini Trivedi** as the moderator. Through this panel, it came to be known that nothing can be created or destroyed because everything is energy. Going by this, music is energy too. Further, the fact that when you enter the male dominated industry, your entry and performance by itself is a breakthrough given the challenges you face in terms of acceptance and approval, was reiterated. This panel brought on record interesting facts related to Thumbri and Vilambit.

The second panel on Theatre had **Ms. Padmavati Rao, Ms. Lubna Salim, Ms. Deepa Gahlot, Mr. Pushkar Shrotri** as the panelists and **Mr. Janak Toprani** as the Moderator. This insightful panel walked the audience through how creativity and freedom of expression is limited in theatre, especially Hindi theatre. It also informed the audience how theatre and Agriculture brings to light the cohesiveness of the five elements of nature. The panel emphasized upon the necessity for young students to be made theatre literate so that they can learn and enjoy theatre.

The first day of REWA concluded with a panel on Dance with **Kalashree. Lata Surendran, Guru. Jhelum Paranjape, Ms. Ja'don Christian aka "Enerjaee" and Dr. Subhalakshmi Rajrajeshwari Kumar** as panel members and **Dr. Jayashree Rajagopalan** moderating the panel. All the panelists in this panel presented demonstrative videos which were a true treat to the eyes. The learnings from this exquisite panel discussion included the exposition of the truth that Dance is a journey Inside Out and a visual prayer, that Streetvum i.e. the feminine was always pervasively present – the prefix sri was used to eulogize women for centuries, that expression of dance by using the face - an example being Bharatnatyam or the use of body as in the case of bone breaking, that Art is one of the upacharas to the Lord among 16 upacharas, that experimentations have highlighted the use of dance in taking up of social issues to emancipate mankind and that sexual connotations and constructs in the not-so-often discussed area of erotica and passion expressed through dance were also broadly covered.

The second day of REWA began with great enthusiasm and excitement. Day two of the conference began with the panel on Literature

where **Dr. Shailendra Sharma** delivered the Keynote address. The keynote speech delivered an analytical approach to representation of women in Hindi literature from the yester years to the current day. Later, Dr. Shailendra Sharma moderated the panel in which elaborate discussions on literature in India in the context of female representation and expression both by women and non-women writers. **Dr. Suryabala, Dr. Madhuri Chheda, Dr. Pinakini Pandya and Dr. Shyamal M Garud** contributed as panel members in this discussion.

Dr. Gillian Dooley from Australia explained how her interpretation of Jane Austen translated into musical compositions enjoyed world-wide. This was then followed by a panel on Films moderated by **Ms. Anu Singh Choudhary with Ms. Renuka Shahane, Ms. Monisha Advani and Ms. Vibha Singh** as panelists. Answers to crucial questions connecting society, the artists and the art form were discussed. A few questions that were addressed by the panel were:

1. We see that sexually suggestive and violent content ends up reaching the hands of children with or without the knowledge of parents. Does this lead to denigration of women in the eyes of children resulting in distorted understanding of the body of women?
2. Media ownership is bent towards oligopolistic way of life and this in a way impedes the true portrayal of society in its actual diverse form. I think even with women representation on screen this is true...How do we solve this?
3. Today what we are seeing in terms of relationship portrayal is that exception is becoming the norm and norm is becoming the exception...Is it happening in terms of women representation in films as well?
4. Under the guise of "cool", at times what we see is a celebration of vices that end up putting socially disadvantaged gender groups such as women in a further vulnerable position. Can it be resolved?
5. Is the acceptance level for women filmmakers the same as men filmmakers on the sets?

Mr. Soumya Joshi, shared his journey as a writer for the national award winning Gujarati film Hellaro. Mr. Joshi's talk provided an immersive narration with film clippings on how the women's right to dance was in fact something that was fought for and won.

The two days of the international conference REWA felt as enriching as perennial river Reva - the river Narmada, as per the audience. The flow of one session to another over the two days was no less than turning one more glorious page from the grand epic that stands tall and towering in celebrating womanhood.

Late CA Sunilji Patodia

We pay our tribute to CA Sunilji Patodia, Donor of Suwadevi Doongermal Patodia Chemistry Lab of Mainadevi Bajaj International School of Rajasthani Sammelan Education Trust, who left for heavenly abode on Friday 18th February, 2022.

Armed with a Chartered Accountant (CA) degree, he founded S.K. Patodia & Associates, a full sized accountancy firm in 1992 which has now 15 branches across India. He was the Chairman of Western India Regional Council of Institute of Chartered Accountant of India (WIRC) during the financial year 2015-16.

In the year 2015, CA Sunilji Patodia was instrumental in the establishment of ICAI Extension Counter in Vishwanath Podar Study Centre in RSET campus. He was an ardent social worker and a philanthropist who donated a handsome amount to our Trust for the cause of education. His death is surely a big loss for the society and his family members.

Rajasthani Sammelan Education Trust deeply mourns the loss of CA Sunilji Patodia and pray to Almighty God to give heavenly peace to his departed soul and courage to all his family members to bear this irrecoverable loss.

Celebrates ★★★★★ *Republic Day*

73 years ago, on 26th January, 1950, India defined itself as a free sovereign, republic, egalitarian, secular and democratic country. The Constitution of India came into effect from this day. On the occasion of the 73rd celebration of Republic Day, we gratefully recall the sacrifices of millions of freedom fighters and unsung martyrs of an earlier generation who suffered and laboured so

that we are free and sovereign today. For this, we remember Gandhiji's leadership with reverence and gratitude. We are grateful to the founding fathers who formulated and drafted an exemplary constitution of India that has steered our country towards progress and development.

Shri Arun Saboo, Shri Girdharilal Dalmia, Shri Lalit Saraf, Shri Vinod Dalmia, Shri Kailash Kejriwal, Shri Madhusudan Maheshwari, Shri Ashok M. Saraf, Shri Kailash Parasrampur, Shri Samir Choksi and Shri Rajaram Chandgothia.

To pay homage to our nation, institutions of Rajasthani Sammelan Education Trust jointly celebrated Republic day with great patriotism. The day was celebrated with utmost serenity & commitment.

This year, **Kudilal Govindram Seksaria English School** had the pride to host the

Patriotic song was performed by the Primary Section students

Republic Day celebrations. Mrs Mini Nayar, the Principal of the school welcomed the dignitaries to the ceremony. The unfurling of the flag was done at 9 a.m. in RSET campus by Trustee – Shri Madhusudan Maheshwari in the presence of Shri Ashok M. Saraf, President, Shri Kailash Kejriwal, Hon. Secretary, Shri Lalit Saraf, Jt. Secretary along with the Trustees and Managing Committee Members, Heads of Institutions, Teaching and Non-Teaching staff. Teachers of KGES sang the National Anthem followed by the Flag song. The ceremony ended with all the teachers singing the song..... Mera mulk mera desh, mera ye watan, Shanti ka unnati ka, pyaar ka chaman.....

Republic Day was also celebrated virtually for students by institutions of RSET. For students of KGES, many virtual activities were conducted on 25th January. The teachers appraised the students briefly about the making of Indian Constitution and its unique features. Various tricolour activities such as flag making, wall hangings, badges pinwheels, flower making were conducted during the online session.

Other activities included the following:

New Era-New Journey

With bigger dreams and greater aspirations, the year 2022 ushered in like a new book, with many more success stories to be rewritten in the new year. Academics being the core focus, the formative and summative assessments for Grades 1 to 9 were successfully conducted. The school conducted the 4th Annual PTA meet & CSSC meetings in the school premises. The meeting was a success and led to a mutually acceptable outcome. The fourth PTM was held through an Online interface. In the last week of January, our school reopened offline where students of all sections attended school physically with the RTPCR test report. It was truly heartwarming to see all students, as small as three year olds, attending school offline, maintaining social distancing, wearing masks, regularly sanitizing their tiny hands and adapting mandatory norms for hygiene and safety. The hybrid model of learning continued in this phase.

Finally, on 4 March 2022, the hybrid mode of learning concluded and the academic implementation was completely offline from 7 March onwards. The new academic session for Grades 9-10 commenced on 14 March 2022. As per the new norms of Offline mode of learning, masks, temperature checks, physical distancing and other hygiene standards are strictly being observed and maintained by the Team RBHS without any compromise.

Capping it with Culmination

With an exciting and eventful academic year, it is only befitting that the students of Grades 1 to 7 internalise their entire year's learning outcomes through experiential learning. The

Culminating Activity guided by the 4 C's: Communication, Creativity, Critical Thinking, Collaboration was conducted across Grades 1 to 7 in the 4th week of March 2022. Grade 6 based their activities on the theme: 'Where there is a woman, there is magic.' and Grade 7 based it on the theme: 'Three Generation - The Trio'. The themes and activities were aligned with the UN SD Goal #4- Quality Education & SD Goal #5 Gender Equality, with a specific agenda to promote Women Empowerment.

Similarly for Grades 1 and 2, the theme was 'Rekindle the kindness in Mankind' & 'Time is Precious' that were aligned with the UN-SDG #15- Life on Land & UN-SDG#13 Climate Action respectively. Grades 3, 4 & 5 aligned their Culminating Activity with the UN-SDG12 - Responsible Consumption-Production and Affordable & Clean Energy They followed the themes as given below:

Grade 3- Theme: Save Today & Survive Tomorrow / Grade 4- Theme: Everything is possible when one is responsible / Grade 5- Theme: Do right- Save Light.

Webinars and Workshops

In learning one teaches, and in teaching one learns. John Kennedy had rightly said that the success of any school can be measured by the contribution the alumni make to our national life. A Webinar on Engaging School Alumni was organised by 'Vaave'. The CEO of Vaave Mr. Paresh Masade interacted and shared his guidance on how to actively engage the alumni of an institution. This Webinar was attended by the Principal and 3 teachers of Grade 10.

The RBHS Librarian attended the workshop for Librarians- 'Choosing Books for Early Readers' and 'Young Adult Books Libraries Need Today'. The resource persons were Ms Peggy Sood and Ms Abha Adams who shared their productive outlook.

Our Principal, Dr. Padmaja S Kutty attended the Virtual ASISC Conference held in Udaipur. The topic of discussion was Hybrid mode of Learning –Education Reimagined. The Council time was enlightening with important

information shared by the ICSE Council members.

Eventful Start- Unleashing Potentials

Setting the pace for yet another eventful year, Junior Artist Day was celebrated in the very first week of reopening. Our Pre-Primary students were engaged in a variety of creative activities like drawing, colouring, painting, paper tearing, paper twisting etc displaying their creative bent. For the Pre-Primary, this month was an opportunity to get introduced to the festival Makar-Sankranti also known by many other names across the country. Students were introduced to the significance of this festival through stories & creative kite making activities. Ensuring that all our pupils give equal importance to physical fitness, a Virtual Sports Meet – was organized in the Pre Primary grades. The event flagged off with a March past, followed by Surya Namaskar, few drills, creative games involving physical and brain gym activities. The Little Bookworm's Week wherein a week full of activities was planned for students. They visited the library, brought their favourite story books and made wonderful bookmarks. Also in the Story telling Event students dressed up as their favourite story characters and narrated short stories.

Pal Vashi - Best out of Waste Competition Grade 1

Aligning with the UN SDG 11- – Sustainable Cities and Communities through their waste pro activity, a Best out of waste competition, based on the theme – Build Beauty was conducted in the Primary and the Secondary grades. This activity was also assessed as a part of the SUPW creative work which encouraged to smartly re-use valuable resources in daily life. The students of Grades 1 to 7 celebrated

National Science Day Celebration Grade 7

Culminating Activity - Three Generations Grade 7

National Science Day. The students showcase their talent on their understanding of science and technology in their day to day life. The activity was collaborated with the UN SDG 4 Quality Education. Various topics related to science were allotted to the students. They shared their thoughts and ideas through presentations, demonstration, acting skills and exciting experiments.

Culminating Activity - Three Generations Grade 7

Virtual field trip

Grades 6 and 7 had their Annual Field Trip which was conducted online as an integral part of their experiential learning. Students virtually visited Mindspace Garden, Malad and learnt about the Green Kingdom - flowers and the fauna around them thereby promoting environmental consciousness in them. This activity was interlinked with a variety of Hobby Clubs that the students of grade 6 & 7 are a part of such as:

- Cultural Club: Importance of Peepal Tree; Medicinal uses of a variety of plants, Leaf imprints
- Literary club- Poetic inspiration derived by many famous poets from Nature; report writing about the visit,
- Nature club: Seasonal changes preceded and succeeded by change in plants; Importance of mangroves
- Mathematics Club: calculation of area-circumference of the garden, symmetry in nature etc.

Rewarding 73rd Republic Day

It was the vision of our Principal to conduct the 73rd Republic Day Celebration in an exclusive yet symbolic manner. True patriotism is Service

to Mankind was the theme that was celebrated. Hard times don't create heroes. It is during the hard times when the 'hero' within us is revealed. Personifying this, some real life heroes in our society who have thrived hard and positively impacted the life of many were invited as Guest Speakers for classes across 1 to 10. The platform was a great opportunity for the entire audience to reaffirm that each individual with his/her sheer efforts and determination can create a better world for others which is yet another form of service to the nation - in other words : to be true patriots through service to mankind. The real heroes who shaped our society & community and shared their view-stories were as follows:

Grade	Guest Speaker
1	Ms. Sapna Choubey, Social Ambassador IDF
2	Mr. Shashank Shetty, Social Ambassador, IDF
3	Sr. Catherine, Social Worker, Director, Social Welfare, Mahim

Expedition Eumind and Eumind junior

As part of the EUMIND programme, a second video conference moderated by our beloved Principal was held with our partner school Berlage Lyceum, Netherlands, giving the Eumind student members a platform to share their experiences about their EUMIND journey. This year ,RBHS embarked on yet another journey- the EUMIND Junior with the determination of passing on the benefits of this wonderful program to our Primary and Middle

School students. Our Principal conducted a video conference with the teacher coordinators of RBHS and Dalton de Leeuwrik school, Netherland to induct both of them and provide clarity on the flow of the project. Dr Padmaja edited the project guidelines and structured it so as to implement it seamlessly across the two countries.

Hard work makes the dreams come true

Team RBHS geared up for the most awaited Annual School Fest- Panache. In this context, a contingent leader's meet was conducted by the RBHS teachers with a total of 70 teacher attendees across 29 schools. The meet was organised to brief and induct the participant schools about the registration process and a general overview about the host of events being conducted as a part of the fest. 5 February 2022 was marked as an important day, as Panache -the first Interschool event was hosted by RBHS that garnered an overwhelming response from 29 schools. 360 participants including students and teachers witnessed the event.

The Opening ceremony was held at Durgadevi Saraf Hall. The Chief Guest of the ceremony was Ma'am Neera Saraf, Guests of Honour were Ma'am Archita Rajpuria and Ma'am Nishita Goenka. The presence of Principals of MBIS, KGES and KGSS graced the event. The competitions were held online with talented participants. The entire ceremony was streamed live on YouTube. The competitions were designed for grades 1 to 10 & from various fields with tagline as follows:

- Art: World in your palette

Excellence @ Eumind

It has been raining awards at RBHS in our pursuits of EUMIND activities. This year too we bagged Certificate of Excellence in the project EUMIND Go-Green with all the 5 groups vis-a-vis: Waste Management in School; Plastic Recycling; Saving Energy at School; My Green Meal & Save Food receiving this award fourth time in a row. All students & their mentors received fruition to the efforts that they enlisted in creating EUMIND activities.

One More feather of feat in the cap

The Principal of RBHS, Dr. Padmaja S Kutty was

felicitated at the All India Teachers' Award ceremony organised by the Rotary Club, North Island Mumbai at the Rotary Centre, Juhu Tara Road. A few teachers too participated in the event who witnessed an Education Conclave stating the significance of STEAM [E depicts Entrepreneurship].

Health and wellness

It is rightly said that precaution is better than cure. With reference to the government guidelines a Vaccination drive was organised for students of Grade 9 in coordination with BMC officials. Many students grabbed the helping hand and got themselves vaccinated.

Finding a thing worth working hard for makes us happy and when we are happy we really work hard for it!!

The value of education is not the learning of many facts but the training of the mind to think.

Academics

Academics is the core focus of our school. All the possible efforts are taken to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution. The academic year 2021-2022 commenced with the exclusive online classes initially and later, a hybrid model of online as well as face to face classes were introduced from the month of December, 2021. Detailed SOP on COVID safety protocols in sync with the guidelines issued by the authority were followed during the hybrid schooling. As per the recent government directives MBIS will begin complete offline and full time schooling for students from 7 March, 2022 onwards.

FESTIVITIES

Makar Sankranti

The students of early years celebrated Makar Sankranti festival on Thursday, 13th January '22, wherein they made beautiful kites for the occasion and the teachers showed them a video on the importance of the festival.

Basant Panchami

On the eve of Basant Panchami the students of Grade 8 presented their views to understand the importance of the celebration of this auspicious festival during Hindi Class.

Valentine's Day

Valentine's Day, a day to celebrate love, gratitude, admiration and friendship. The students of MBIS was shown a video explaining the reason behind the celebration of this day. They were also taught the importance of love, care and admiration in daily lives. Learners made Valentine's Day cards to show love and gratitude towards their parents, grandparents and siblings.

Republic day

Just like every year, Republic Day was celebrated with great enthusiasm in

the Pre-Primary and the Primary section at MBIS. Though the celebration was virtual, the spirit of independent and individual India was very much present as teachers spoke to the students about the reasons for celebration. Republic day festivities paint the nation into the tricolour of nationalism, harmony and prosperity. The students enjoyed doing tricolour activities and made tricolour sandwiches and tri colour fruit salad. On this occasion, the students of the secondary section organized a virtual cultural event. The highlights of this event were; speech, poem, classical dance, and patriotic songs. The program ended with a motivational speech by the School Principal.

Holi

Holi is one of the most exciting of all festivals, especially for children, because it is very colorful! The students of Early years had fun with colours and celebrated Holi with peers and teachers in school.

WORKSHOPS AND ACTIVITIES

Virtual Art Activity

A Virtual Art activity was held for Grades 1 to 5 from 17th to 21st Jan 2022. Grade 1 did an activity with plush wires, Grade 2 made beautiful turtles underwater scene with the coconut shells, groundnut shells & pista shells

Art Fest

etc.(best out of waste activity), Grade 3 created beautiful quilling flower vase, Grade 4 made the wall hangings with waste materials and Grade 5 made the totem poles of native Americans. These fun filled activities witnessed an enthusiastic participation by the students.

Amar Chitra Katha- Story Telling Session

Storytelling provides children with a window to new worlds. It gives them the opportunity to learn new ideas and information. On Friday, 7th January 2022, Nursery to grade 2 students attended a virtual storytelling workshop conducted by Poonam Dasilva from Amar Chitra Katha. Students enjoyed the story on "The Secret of the Donut tree", followed by a bookmark making activity.

Language Fest

Kids live in a beautiful world of imagination. Their imagination comes alive with the stories they listen to and read. Early years students had their language Fest on Friday, 28th January 2022. They narrated beautiful moral stories with the help of different props and conveyed the moral values.

STEAM Workshop

"Sound is the vocabulary of nature and how it works is the design of nature". Keeping this in mind, we at Mainadevi Bajaj International School arranged a workshop for students in collaboration with STEAM Academy and Museum on Wheels. It was an enriching & an insightful session as the Science Educator Abhishek Arekar enlightened the students with the concept of how sound helped ancestors survive, ears collect sound waves and brain decodes it. Children enjoyed and had a fulfilling experience.

Meet the Author

On the occasion of the MBIS Lit fest, the famous author and nature-lover, Katie Bagli was invited to interact with the students of grades 6-9 virtually. She spoke at length about her book -"Ishaan's Treasure" which is an interesting compilation of Marine life and Coastal Biodiversity along the sea coasts of Mumbai.

The book describes the journey of a young boy named Ishaan who became a marine enthusiast. The Beautiful illustration of Marine life and some lesser-known species in the book changes our perception towards conservation and the need to protect coastal Biodiversity and Mangrove forest habitat. The students really enjoyed the talk!

On Monday, 14th February 22, the students of Grades 3 to 5 had a marvellous time interacting with renowned author and writer Deepak Dalal. The students were really impressed with the information about birds and the beautiful pictures

that were shown from the 'Feather Tale Series'. The interaction resulted in the students being inspired not only to read more books, write more creative stories but also imbibe the value that birds should never be caged and that their freedom to fly must never be curtailed. All in all a very interesting and fruitful hour spent together.

World Read Aloud Day

World Read Aloud Day makes us feel excited and inspired to celebrate reading aloud. In the Primary section at MBIS students Celebrated World Read Aloud Day by grabbing their favourite story book and reading out loud. Each student chose an excerpt to read to the class. We could not but agree with Mason Cooley especially during this pandemic, who said "Reading gives us someplace to go when we have to stay where we are."

Language Day

We took a break from our regular routine on 18th February'22 to celebrate Language Day in the Primary section at MBIS. The students of Grades 1 and 2 really enjoyed watching 'The Cat in the Hat' and the contagious laughter of students from Grades 3 to 5 as they watched 'Dr. Dolittle' was a treat to our ears. Interesting and thought provoking games that were played by the teachers created an interest in students to learn better vocabulary which was the cherry on the cake. Though the hybrid celebration was a challenge, yet we accomplished what we set out to celebrate.

Marathi Language Day

Every year February 27 is observed as Marathi Language Day in Maharashtra and Goa. The day is observed on the birthday of eminent Marathi Poet Vishnu Vaman Shirwadkar (also known as Kusumagraj). At MBIS the students from Grades 1 to 5 celebrated 'Marathi Bhasha Diwas' on Friday 25th Feb 2022 programme with great zeal and enthusiasm. The programme started with a Prayer followed by a speech on the importance of Marathi language. The Marathi teacher discussed the literary work of Shri. Shirwadkar. Continuing with the celebration the students of Grades 1 and 2 sang Balgeet while the students of Grades 3 to 5 solved Marathi puzzles and had a debate to mark the occasion.

STREAM Activity

Stream Fest

Music and Movement

In a rapid world that is ever dynamic, education is no exception. New ways of learning are continually being evolved as education expands beyond the normal classroom setting. On 19th February MBIS Primary and Pre-primary teachers had conducted STREAM activities for students from Nursery to Grade 5 that encompassed science, technology, reading, engineering, art, and math, where students developed new skills, such as creative and critical thinking. Science activities like lava lamp, walking water, magic with balloon, salty circuit, lift the bridge and fun with dry ice, and Engineering activities like homemade catapult, jet cart, paddle boat, building playdough structures and robotic hand offered the students a chance to learn valuable skills and techniques. The library offered a fun and relaxed atmosphere, where students enjoyed the puppet show 'Little Red Riding Hood' and also engaged themselves in reading. The pista shells, ear bud painting and Origami Paper weaving in Art, Music and dance movement were thoroughly enjoyed by all; the small and the big ones alike, wherein the students were able to experience art, creativity and music in new ways. As Albert Einstein said "Play is the highest form of research"... STREAM activities at MBIS just helped the students to do so.

World Read Aloud Day

"World Read Aloud Day" is celebrated on 2nd February, 2022 to promote literacy to the world at large. It is a mission for "strengthening kids and communities through the power of stories." According to research, reading aloud has many benefits for you and your family. People find an emotional escape in stories, especially when they are read aloud. Children who spend time reading aloud are more likely to understand different people and cultures, have empathy, and deepen their imagination skills. MBIS celebrated "World Read Aloud Day", by reading picture books in the class and discussing the story with their classmates.

"Plastic: Boon or Curse"

The students of Grade 9 conducted Research

and presented their views on Plastic Pollution and its harmful effects. They proposed measures to protect the environment from plastic destruction, by presenting a few solutions to recycle plastic and become more eco-friendly. This activity was conducted on 2nd February, 2022 during the hybrid classes with an aim to inculcate the essence of research and presentation skills amongst the students. The main purpose was to push students to explore their creative thinking to produce effective solutions and develop a sense of responsibility towards society.

French Activity

The French students explored the theme "How to remain Fit" where they discussed fitness techniques that promote a healthy lifestyle. To put into action, outdoor activity was conducted, where the students indulged in healthy eating, accompanied by physical activities as well. It concluded with the teacher reinforcing to the learners to make conscious decisions to remain fit, eat healthy food, and indulge in physical activities on regular basis, because "La santé, c'est la richesse."

Science Fest

"The only way to discover the limits of the possible is to go beyond them in the impossible" - Arthur C. Clarke

The students had a display of their projects that depicted models based on the theme: "World in 2050". The display included Robots, Levitating Cars, Graphene masks, innovative infrastructure (Green Technology), Hydrogen fuel transportation, Space cleaner and exciting innovations done by the students themselves. The Science fest was concluded with Nukkad Naatak by Grade 9 & 11, announcement of the winners of various model & DIY categories. The Fest ended with the show Aabra ka Dabra - which motivated students to have a scientific approach and overcome superstitions of any sort.

Music Activity

The students of MBIS composed songs in

Science Exhibition

various languages along with a melodious tune to perform the same. The tune was an adaptation of an already existing song to which the students had to fit their own lyrics and compose an artistic harmony.

Workshop- Wonderful Shapes in Nature

As rightly said by Maggie Macnab, "In geometry, as in nature, the circle is the archetypal shape of wholeness and inclusion." An interactive online Zoom session curated by Dr. A P Jayaraman, founder of the STREAM Academy and delivered by Abhishek Arekar (MSc. Biotechnologist) and Kashish Agrawal (Mechanical engineer) on the topic "Wonderful shapes in nature" enlightened the students with the concept of how Fibonacci sequence in Mathematics and structures in Biology infused to explain the beauty of shapes in nature. It was indeed an insightful session.

Earth Hour celebration

Every year earth hour is observed on 26th March to support conservation of energy and to raise awareness about climate change. Students of grade 6 to 9 supported this cause through art and craft. They showcased their artistic talents by creating an installation of earth to represent this theme using different shaped cutouts. They also wrote slogans related to 'save earth', 'climate change' and 'conservation' on these cut outs.

MasterClass- Financial Literacy

On Thursday, 24th February 2022, MBIS invited noted banker - Tejali Mhatre to deliver a talk on Financial Literacy.

Ms. Mhatre's talk was very captivating and touched upon several areas within Financial Literacy - budgeting and importance of savings, different types of accounts (with advantages of each), financial markets, concept of credit score and how to maintain a good score etc. Each of these areas were explained using

relevant examples that helped students in effectively understanding the same.

Seminar- Understanding Vaccines

As rightly said by Dr. Tedros Ghebreyesus, "Vaccines are one of our most important tools for preventing outbreaks and keeping the world safe." An online Zoom session curated by Dr. A P Jayaraman, founder of the STREAM Academy on the topic "Understanding Vaccines" enlightened the students with the concept of how vaccinations work with the body's immune system.

FESTS

Lit Fest

MBIS hosted a Lit Fest for students from Grades 6-12. Students exhibited their prowess through various events that formed a part of an inter-house competition. Each event was a means to depict the diversity of art and literary forms that the participants resonated with the most. Some students put up Puppetry shows adapted from their favourite novels, while some others used Slam Poetry to showcase their poetic candour. The classic Story writing showcased the creativity of the participants who used prompts provided to bring characters to life. Through the medium of Drama, few other students celebrated the aspect of languages being a driving force within literature. Lastly, Open Mic revealed the hidden talent preserved at MBIS. The event culminated into a perfect blend of art, music, drama and talent to encourage students and provide a much-needed impetus.

STREAM Fest

"The value of an idea lies in the use of it."

- Thomas Edison

STREAM Fest facilitated an array of ideas by the students of MBIS. There were a multitude of activities lined up for the students to explore Quiz, D.I.Y Activities, Art, Math, Music and Dance. There was also a display of the Models with the theme "World in 2050" made by students for the Science Fest. The innovative activities kept the students engaged throughout, with fun and frolic along with a learning experience on different aspects of science, technology, robotics, engineering, art, mathematics, music and movement.

Teacher Enrichment Program

A very engrossing Teacher Enrichment Program on 'Gamification of teaching and learning' was conducted by Farzana Dohadwalla on Monday, 24th Jan'22. The workshop focused on how a gamified teaching learning environment is important in a class. Various links and games were shared that will help the teachers to make their classes interesting and will also help the students to be more attentive during the classes.

On Friday 11th February 22, the TEP programme included 'Using drama in teaching

and learning.' It has been found that using drama in teaching and learning makes a lesson more active, engaging, interesting and more meaningful for students which enhances critical and creative thinking skills, helping students to create and formulate ideas and opinions of their own. Drama helps concentration as children are encouraged to listen to others' thoughts and ideas and to take turns.

In conclusion teachers analysed how drama can be used as a teaching strategy thus adopting the whole brain approach as a foundation of all future developments of multi-intelligence teaching approaches.

Virtual Tour- Bhau Daji Lad Museum

"Your branches can only reach high if your roots go deep"

A virtual guided tour to Dr. Bhau Daji Lad Museum was organized for the students of grades 6 to 12, to cherish and appreciate the history, culture, and contemporary art of India.

Through the exhibitions put together by the Museum, the learners explored how people dressed in the past, the history and role of Mumbai in the international cotton trade, and rare cloth samples that were sent to England from India in the 19th century! Besides this, trade & cultural exchange, artifacts, clay models, dioramas, embellished tools, and fascinating statues were also displayed on a virtual platform. The session was facilitated by Ms. Anita Yewale, docent at Dr. Bhau Daji Lad Museum. It was indeed a very informative and riveting session followed by student polls and discussions.

The primary adventurers of MBIS were taken on a virtual tour on 11th Feb'22. The students were fascinated to see different places that can be explored by them.

Parenting Webinar- How to make your child Future Ready

At MBIS we think there are certain skills that are timeless, that we can help students develop which will serve them no matter what the future will look like. We think these skills can help students become "future ready." One of the main skills that we develop is 'Learning to learn' where we give students as much control of their learning as we can, be it through 'Student Led Learning' or the 'Student Led Conferences' that we have. Helping students to become adept at learning new tools, and giving students opportunities and situations where communication skills, problem solving skills, critical thinking skills, and creative skills are some of the other skills that are developed. Encouraging every student to find their own way and with curricula that emphasize experiential learning, collaboration, and a focus on the learner's own interests, needs, and motivation – is the need of the hour. We as Educators have a daunting task. It's our job to help students prepare for a workforce that we

can't describe. To enlighten us on this on 5th February 22, Farzana Dohadwala conducted a parenting workshop on "How to make your child Future Ready."

Savitribai Phule Jayanti was celebrated on 3rd January 2022 by the NSS unit of Durgadevi Saraf Junior College. This day is also known as "Stree Mukti Divas" because the very foundation of Women's Education was laid down by Mahatma Jyotiba by educating his wife Savitribai Phule. They Both worked for emancipation of women from tyranny and social injustice. Volunteer Speakers through their speeches praised this iconic lady and also informed about her contribution to the Indian Society. The chief speaker for the programme was Mrs. Amita Kamble ma'am who spoke about Savitribai Phule and her contribution. The programme enlightened the volunteers of our Heroes and inspired them to do something valuable for our society.

The NSS unit of Durgadevi Saraf Junior College, Malad West celebrated "National Girl Child Day" as a part of Azadi ka Amrit Mahotsav on 24th January, 2022. Twenty-one girls and twenty-three boys i.e., total 44 volunteers attended the activity Online as well as Offline. The volunteers presented poems, songs and delivered speeches which highlighted the importance of the day. They brilliantly elaborated a discrimination that prevails in the society even today, how girl child is suppressed and their plight for individuality. The volunteers meticulously presented the theme Girl Child Day through Poster Making. They displayed indifference experienced by girls and also projected their Valour from Victim to Victorious. A One Act play appealed to give up all clumsy thoughts and to accept the girl child as a Pride. Before the end of the programme, result of Poster Making Competition was announced. Tabbasum Shaikh of XII and Ruchita Sharma received 1st and 2nd Consolation Prize respectively. Vijay Yadav of XI stood 3rd, Vipul Saparia Stood 2nd, while Simran Shaikh of std.

XII received 1st prize.

National Youth Day is celebrated every year on January 12th to mark the birth anniversary of Swami Vivekananda, one of India's greatest spiritual and social leaders. He saw hope for the future in every child and believed that with "muscles of iron" and "nerves of steel" they could bring about social change. Swami himself personified the eternal energy of the youth and a restless quest for truth. Also, Rajmata Jijabai, who is known for her bravery and the agility with which she raised Chhatrapati Shivaji Maharaj, was born on January 12, 1598, and this is the reason that Rajmata Jijabai Jayanti is celebrated on this day every year. Rajmata Jijabai played a key role in the upbringing of Shivaji Maharaj. Hence on Wednesday, 12th January, 2022, National Youth Day and Rajmata Jijabai Jayanti were celebrated by the NSS unit of our Junior College.

Ms. Kinjal Shah and Ms. Sangeeta Tayde were invited as guest speakers who motivated students by their speech. Among the NSS volunteers, Bashir Patel, Vinayak Dhamankar, Manasi Bane gave speech. The program was attended through Google Meet by all NSS volunteers. Martyr's Day (the death anniversary of Mahatma Gandhi) was observed on Monday, 31st January, 2022, by the NSS unit of our college. Two minutes silence was observed in commemoration of the martyrs. Speeches were delivered to pay homage to the Martyrs of Indian Independence Movement and to provide valuable insights about the inspirational contribution of Gandhiji in this movement. Students acquainted the audience about the role of Gandhian philosophy and its relevance in the present world through their speeches.

Financia 2022 – 5th February

The annual flag-ship event of the finance club FinDs, Financia was held online on 5th Feb 2022 by the members of the club FinDs of DSIMS & DSGS. Eminent speakers from outstanding industry background were invited to discuss and enlighten the students about the financial markets and share their experiences. The theme for this year was 'Financial Market in Post Covid Times'. The finance students of DSIMS-DSGS hosted and participated in the conclave wholeheartedly.

The event began by Dr. Nehal Joshipura's inaugural speech. She deliberated about how Covid-19 affected the markets globally. She further proposed the theory of overreaction by mentioning how the markets had fallen by 20%-30% globally, but had bounced back within six months. She concluded with a note on behavioral finance. Inaugural speech was followed by the addresses of Director - DSIMS, Dr. C. Babu and Dr. Sarita Vichore, the director - DSGS.

The first speaker for the event was Dr. Paritosh Basu. He is a full-time senior professor at NMIMS, and has done his PhD from Calcutta university. During his tenure at industry, he has worked as Group Controller Essar, CFO RCOM. He deciphered the mega-trends in a post-Covid world and opened up perspectives on leveraging digital technology for business and leadership. He insisted that students take digital global transformation most earnestly.

The second speaker, Devesh Kumar is the Vice Chairman - Research and Capital Market at InCred Capital. He gave a lucid explanation of how technology is adapting to the requirement of the times and how Covid has helped us adapt to technology. He concluded by saying how Covid won't seem like a disrupter in the future, but a tool to make us and the markets transform.

The third speaker, Rohit Agrawal, is the head of Public Sector and Government Undertakings at RBL Bank Ltd. He gave practical insights into how industry and various sectors are coping with the challenges of the pandemic and elaborated on the steps taken by people to cope with the new normal. He spoke about how badly the people in the informal sector were affected, and also how the small businesses suffered.

The fourth speaker, Mayur Joshi, is the head of Product & Initiatives at Yes Securities Ltd. He gave insights into the nature of functioning of markets over decades and explained how the paradigm has shifted over a period of time, leading us to where we are today. He emphasized how tectonic shifts were led by fintech. Moreover, how these were fueled by the work from home culture, and the cheap and accessible internet available today.

The fifth speaker for the event was Mr. Kuldeep Sikarwar. He is the Principal Partner of Private Wealth Management at Edelweiss Broking Limited. He spoke about how our working ecosystem has changed and adapted to a post-Covid world and gave pointers on how to generate efficiencies.

The event was concluded by a vote of thanks from Professor Apurva Mehta.

• Financia 2022 – 5th February

The annual flag-ship event of the finance club FinDs, Financia was held online on 5th Feb 2022 by the members of the club FinDs of DSIMS & DSGS. Eminent speakers from outstanding industry background were invited to discuss and enlighten the students about the financial markets and share their experiences. The theme for this year was 'Financial Market in Post Covid Times'. The finance students of DSIMS-DSGS hosted and participated in the conclave wholeheartedly.

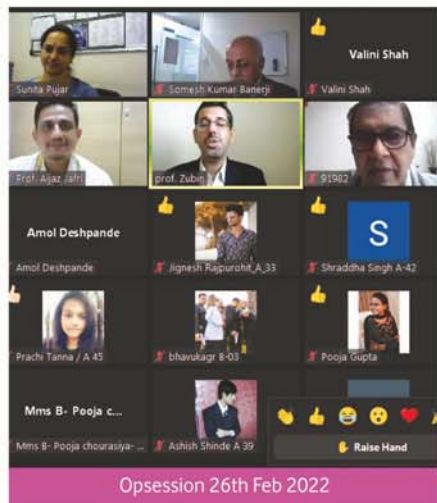

The event began by Dr. Nehal Joshipura's inaugural speech. She deliberated about how Covid-19 affected the markets globally. She further proposed the theory of overreaction by mentioning how the markets had fallen by 20%-30% globally, but had bounced back within six months. She concluded with a note on behavioral finance. Inaugural speech was followed by the addresses of Director - DSIMS, Dr. C. Babu and Dr. Sarita Vichore, the director - DSGS.

The first speaker for the event was Dr. Paritosh Basu. He is a full-time senior professor at NMIMS, and has done his PhD from Calcutta university. During his tenure at industry, he has worked as Group Controller Essar, CFO RCOM. He deciphered the mega-trends in a post-Covid world and opened up perspectives on leveraging digital technology for business and leadership. He insisted that students take digital global transformation most earnestly.

The second speaker, Devesh Kumar is the Vice Chairman - Research and Capital Market at InCred Capital. He gave a lucid explanation of how technology is adapting to the requirement of the times and how Covid has helped us adapt to technology. He concluded by saying how Covid won't seem like a disrupter in the future, but a tool to make us and the markets transform.

The third speaker, Rohit Agrawal, is the head of Public Sector and Government Undertakings at RBL Bank Ltd. He gave practical insights into how industry and various sectors are coping with the challenges of the pandemic and elaborated on the steps taken by people to cope with the new normal. He spoke about how badly the people in the informal sector were

affected, and also how the small businesses suffered.

The fourth speaker, Mayur Joshi, is the head of Product & Initiatives at Yes Securities Ltd. He gave insights into the nature of functioning of markets over decades and explained how the paradigm has shifted over a period of time, leading us to where we are today. He emphasized how tectonic shifts were led by fintech. Moreover, how these were fueled by the work from home culture, and the cheap and accessible internet available today.

The fifth speaker for the event was Mr. Kuldeep Sikarwar. He is the Principal Partner of Private Wealth Management at Edelweiss Broking Limited. He spoke about how our working ecosystem has changed and adapted to a post-Covid world and gave pointers on how to generate efficiencies. The event was concluded by a vote of thanks from Professor Apurva Mehta.

3. Attendance Committee's Parents Teachers Meeting

The second half of the Academic Year 2021-2022 commenced for all the undergraduate courses from 3rd January, 2022. As per the notification received from the University of Mumbai, arrangements have been undertaken by Deviprasad Goenka Management College for Media Studies for students who were eligible to attend lectures by coming physically to the campus from 15th November, 2021. Thus, a blended Teaching Learning platform was available since the said date so that access to education for students is made available in an inclusive manner.

As per O.6086 of University of Mumbai a learner has to record an overall average attendance of at least 75% and at least an average attendance of 50% in each subject to be eligible to appear in the Semester End Examinations.

The first attendance defaulters' notice for students of Semester IV and VI was put up for circulation on 4th January, 2022. The second attendance defaulters' notice for students of Semester IV and VI was circulated on 1st February, 2022. Semester-II commenced on

3rd January, 2022 and as per the attendance policy of the Attendance Committee, the first notice for attendance defaulters among students of FYBAMMC and FYBAFTNMP was put up for circulation on 4th January, 2022 and the second notice was put up on 1st February, 2022.

A Parents Teachers Meeting was held for students of semesters II, IV and VI. In this meeting, the parents and the defaulted students were counselled about the importance of maintaining their attendance scores in accordance with the mandate of the University of Mumbai prescribed under Ordinance 6086. They were advised about the academic consequences resulting from any failure in maintaining their respective attendance scores.

4. Training & Placement Cell

TAP for FY - BAMMC/BAFTNMP and Part 1 - MAFTNMP/MACJ started on 27th of Jan 2022, 80 students were registered wherein 11 were successfully placed. The Training and Placement Cell's (TAP) initiative has been conceived keeping in mind the need to train students as per industry expectations. This initiative has been taken in view of the fact that students need to be trained in a particular manner to make them industry ready. At the same time, a proper amount of internal rigorous drill needs to be maintained to ensure that the training process is not taken lightly. Hence TAP materialised in its current format.

TAP will see students across all batches get trained by internal and external faculty members. At the first year level, students will be trained in the 'Basic Course'; Second year - Intermediate Course and Third Year - Advanced Course. Each level will deal with different topics which are offered to students in the form of hands-on training. At the end of each level, the student is evaluated and only the ones who successfully pass are allowed to move to the next level. At the end of first year, the selected students are exposed to live projects; at the end of the second year, the selected students are exposed to internships and then at the end of the third year, the selected students are given placement opportunities.

The **Films panel** comprised of well-known names from cinema – Ms. Renuka Shahane, Ms. Monisha Advani, Ms. Vibha Singh and Ms. Anu Singh Choudhary as the moderator. The conference ended with a special discussion with Mr. Soumya Joshi, writer of the National Award winning Gujarati film Hellaro.

The conference received an over-whelming response from the participants. The mark of the event's success was the stories of women representations; be it through interesting characters depicted through dance or enthralling musical performances, be it through discussion of modern point-of-views

regarding women or through cinematic and literary characterisation of women. The event indeed flowed freely like the waters of river Narmada, taking along, engulfing and drenching the audience of Rewa in the joys of feminine expression.

Guest Lectures & Workshops

1. Writing Workshop conducted by Mr. Vinod Ranganath

As an important component of the Final Project in Semester VI, a writing workshop for the students of TYBAFTNMP was organised from 10th to 14th of January, 2022. The workshop was conducted by Mr Vinod Ranganathan. He is a renowned name in the big-league of story-screenplay writers. He wrote India's first daily soap, "Swabhimaan", which launched the careers of actors like Rohit Roy, Ashutosh Rana, Manoj Bajpayee, Achint Kaur and Harsh Chaya.

The workshop conducted by Mr. Vinod Ranganathan, was quite an eye opener for the students. It showed them the basics of storytelling and how important it is. Open discussions with the students, broadened student's understanding about writing stories, provoking their thoughts, and growing more curious as to how they can explore each element, to enhance their story telling skills. The students were taught the difference between writing for film and writing for television/web series.

I am back to normal and
enjoying life again
- Duane Dowling

The beginning of the year brought more normalcy across Institutes with more and more students and faculties coming back to campus. Students found it challenging to adjust back in the classroom settings post a gap of more than a year due to pandemic. It was an equally challenging experience for the faculties.

RMCC conducted various webinars for the faculties to assist them to sail through the transition to normal. **A webinar on Observing and Understanding Behaviour** was conducted for the Secondary teachers of KGES on 13th January. The teachers of the secondary section were encouraged to share different challenges they face with the students. Different academic and behavioural concerns were discussed and the importance of early intervention was briefed. Self-care strategies to take care of their mental health were also discussed with the teachers. A similar webinar was conducted for the faculties of GSCC on the 15th of January.

A career guidance workshop was conducted with Sanskar Classes on 6th February, 2022 (Sunday) for parents and students who are currently studying in the 9th and 10th grade. The career guidance session focused on helping students and parents understand the importance of career guidance and counseling and understand the process of career guidance for their growth. The session focused on helping the students and parents break the myths around career counseling and learn about how career counselors and counseling can support their growth. The career counseling process at RMCC was discussed extensively with the participants and all their doubts were cleared. RMCC continued the career webinar series by conducting a **webinar on Liberal Arts** on 12th February, 2022. This webinar focused on assisting students understand about the various details the students need to know to pursue a career in the field of Liberal arts. The session started with an

understanding of liberal arts, what are the subjects, courses and eligibility criteria for admission to bachelors' programs. Top colleges and entrance exam details were given to the students and the entrance exam criterias were also briefly discussed. The counselor also gave them inputs on the academic syllabus and practical experience they can obtain during the course of their education to build up on their profile. Core personality traits and the various skills required by a future aspirant of the course were discussed to help students become more aware. The future career paths and postgraduate degrees were also discussed.

A career guidance workshop was conducted with Savitridevi Hariram Agarwal International School on 18th February, 2022 (Friday) for parents and students who are currently studying in the 8th grade. The objective of the session was to help the students understand the importance of career assessments and guidance in making the right subject choices. The session was conducted online and had over 40 participants. The career guidance session focused on helping students choose the right subjects and explain how RMCC can support them in this decision. The students were then given the space to ask any questions that they may have about the career counseling process/ about various careers. Career assessment and individualised counseling were conducted for the students. RMCC conducted a **Reading and Spelling Camp** for school students on 25th and 26th February, 2022. The test was conducted over the span of two days to evaluate the students reading and spelling age based on the standardized Psychometric Assessment. Students from different schools attended the camp and had their evaluations done by the counselors and special educators in the organization. Students were evaluated individually on their reading and spelling skill sets. The counselors and special educators made additional observations during the sessions. An individual session was conducted with the parent/s to understand the academic difficulties faced by the child. The reports were then explained in detail to the parent/s and they were given recommendations based on the age gaps identified. The parents thanked the RMCC team

for this initiative and provided positive feedback for the same. **Building a professional profile session** for students from GSCC- Self finance Students was conducted on 4th and 5th March, 2022. The session focussed on discussing the importance of Profile building and what does it inculcates. The students were informed about the different ways in which they can build and develop their profile for a promising job opportunity. On account of International Women's Day which is celebrated on 8th of March RMCC organized a **webinar on "Treasuring Myself"**. The webinar focused on understanding how women can take care of themselves and strengthen their emotional health. The session began with highlighting the multiple roles played by women and failing to take care of them. The facilitator discussed different challenges faced by women and how they as women fail their individuality. Strategies like what mindfulness is and why practicing it would be helpful was discussed. Journaling as one of the self-care tool was discussed in detail.

A seminar on **'Developing Organizational Skills'** was conducted by the RMCC Team for parents of children with Learning Difficulties and attention disorders on 5th March, Saturday, 2022. The seminar focused on helping the parents understand the importance of organizational skills and the blocks that children face in developing these skills. Activities were held where the parents were divided into groups and they had to brainstorm how to organize a party and their backpack. The parents enjoyed the activities of putting their heads together for planning and organizing. Through the activities the parents were brought to realize how strategies like checklists, micro-planning or breaking into small steps were essential to develop organizational skills in their children. The importance of maintaining consistency and giving reinforcements for the same was also emphasized. The parents found the seminar helpful in making their children organized and self-independent in their lives. RMCC has been conducting **Career assessments and counseling** for students of Grade 8 and above and assist them with subject/stream selection. Working professionals have reached out to RMCC for guidance and evaluation for better career prospects.

Personal counseling sessions have been conducted for individuals to assist them in managing their stress/anxiety and enhance their Emotional Quotient. Parent and child counseling sessions have helped families to better their relationship. Students with Academic challenges have been provided with remedial solutions and have shown great progress in bridging their academic gaps. RMCC has been touching lives of various individuals by assisting them to ACE their Academic, Career and Emotional well being.

DSWH has always stood by its objective of providing the inmates with homely environment with exquisite amenities to add on to the comfort. The hostel is equipped with separate laundry room with machines installed and area for drying within. Other amenities comprise of gym equipment, refrigerators and water coolers on each floor. We have a recreational area for the students to spend their time and reading corner with access to newspapers and latest reading material.

We have been serving our inmates with healthy and hygienic meals i.e. breakfast and dinner. There are 2 inductions and microwave oven for cooking and heating of food. All the areas are under WIFI zone to assist the students in their academics. There are 2 lifts and dedicated emergency exit area. Students and staffs are trained by mock drills.

We also have a healthcare center in the campus itself. We have been abiding by all the guidelines issued by the authorities for care of the students during the pandemic. Weekly pest control and sanitizing process is conducted in the hostel

premises. We have the best agencies of HK, security and a team for maintenance available for the hostel

Maintenance:

We had carried out different tasks involving the maintenance team in the hostel.

Month of February

Students were involved in their respective schedules of academics. The admission process was on and many new students had joined us as offline classes started in the educational institutions.

Offline Classes/Internships

Different educational institutions were transitioning back to the offline mode of conducting classes and examinations. Other organizations were going back to offline mode of internship programs.

Admissions:

Admissions from college students and summer internship students for both short term and long term were being received. We were working constantly on filling the seats in the hostel.

Month of March

All our students were busy with their respective schedules. The students were engrossed in preparation for the final examinations. The work was carried out as usual and normal and new students had begun to settle down in the

hostel. We were receiving admissions from the different corners of the country.

Month of April

The feedback received from the students and parents residing in the hostel were positive and extremely encouraging for all of us. The students were comfortable in the hostel and were making the most out of their stay by excelling academically.

The Rector had been looking after the different aspects closely by collecting the feedback from students and streamlining the other factors accordingly. Regular feedback and task list was shared with all the third party aid by the rector. The rector was involved in helping the new students to settle down and get accustomed to their routines by counseling them on various occasions.

Mr. Dharmraj Yadav,
Sports Incharge

Pravinchandra D. Shah Sports Academy is a state-of-the-art facility, built on an approximate area of 24,000 sq.ft. with the most modern infrastructure. The academy offers sports facilities like Tennis, Basketball, Box Cricket, Football Volleyball etc. and the turfs, imported from New Zealand, are made to international standards. This is perhaps, the first of its kind in-house sports academy in any of the educational institutions in the north-western part of Mumbai suburbs which caters to the

growing needs of the students for sporting facilities. Recently another turf has been created for students to play various games. It is heartening to note that Pravinchandra D. Shah Sports Academy has restarted sports activities with full enthusiasm. Students are given slots to play various games by observing the norms of social distancing. Shri Dharmaraj Yadav, Sports Incharge of PDSA has also taught yoga to students of Primary and Secondary sections. Yoga is indeed a life path to dig deep

into the "intelligence" of a person's body. In every asana we seek some degree of "no effort within effort." This is achieved with the right alignment by allowing the body to increasingly support itself in its skeletal structure rather than just muscle effort, and also through the type of somatic memory that is acquired through repeat. The time table giving playing slot to each institute of RSET for the academic year 2022-23 has also been prepared by the Sports In-charge. It is praiseworthy that Akash Singh, a student of FYJC of Durgadevi Saraf Junior College, participated & won the championship (gold medal) for Bombay Mayor's Cup kickboxing championship held on 19th & 20th March 2022 at Andheri Sports complex organized with Mumbai kickboxing association.

A WISE HIVE

“
There is nothing
impossible to they
who will try.

- Alexander the Great

Jankidevi Bilasrai Bubna Boys' Hostel was started in the year 2018 and ever since it is running successfully. The hostel is occupied by both Indian and foreign students. Foreign students are from Bangladesh, Afghanistan, Egypt, Madagascar, Tunisia, Tanzania, Ghana, Sudan, Fiji, Mauritius, Sri Lanka and Malawi. Most of the foreign students are studying in the institutions of higher education of RSET. Due to lockdown caused by COVID-19 Pandemic, the foreign students had to stay in the hostel & the Management provided all facilities to make them feel safe and secure in the hostel. At present, the hostel has 84 students out of which there are 09 foreign students. Since offline teaching has begun from the month of January, admissions are in progress.

On the occasion of Holi, the foreign students of the hostel along with other international students were invited by the Shri Bhagat Singh Koshyari, Hon'ble Governor of Maharashtra, at Raj Bhavan, Mumbai on Saturday 19th March, 2022. The Governor applied colour to the students and treated them with the Maharashtrian special dish of Puran Poli. The

visit of the international students was organised by the Mumbai Chapter of the World Organisation of Students & Youth. International Secretary of the Organisation Shri Bhushan Thakare and Regional Director of Indian Council of Cultural Relations Ms. Renu Prithiani were also present.

Jankidevi Bilasrai Bubna Boys' Hostel can accommodate 152 students. The Hostel has seven floors with all state of art facilities such as a canteen, air-conditioned study area on all the floors, lounge and TV room, games room etc. All the rooms are air-conditioned. For the safety and security of the students staying in the hostel, suitable fire detection and fire - fighting system have been provided in the building. CCTVs are also installed for 24 x 7 security. There is Wi-Fi access to the entire building. To keep the hostel clean, the house-keeping staff appointed by the Management, clean all the areas at frequent intervals. Adequate Hostel staff have been appointed for maintaining proper administration of the Hostel. Students staying in the hostel have also been provided laundry as well as gym facility. A new

gymnasium is being constructed with more facilities and the work is under progress.

The inmates of the Hostel are also given facility of half yearly health check-up by Ayaksha, the agency running Vijay Pal Singh Health Centre of the Trust. The Hostel inmates have also been given a slot in the morning (twice a week) to use Pravinchandra D. Shah Sports Academy ground for playing various games. The inmates of the Hostel are provided with hygienic breakfast as well as dinner supplied by the in-house caterer of RSET.

Jankidevi Bilasrai Bubna Boys' Hostel has indeed proved to be a great boon to the male students coming from other cities as well as countries to complete their higher and professional education.

MUSICAL HARMONY

Mr. Pintu Mukherjee,
Head of Academy

Nalini Shah Music Academy (NSMA) is an educational institution specialized in the study, training and research of music. NSMA was established in the year 2020 with the objective of promoting music and identifying talents of students and training them Hindustani and Western Music. NSMA provides holistic learning of Music to educate our students and make them technically and professionally stronger and more proficient in the field of Music. NSMA is a Hindusthani classical and semi classical vocal and Indian and western Instrumental Music training Institute. We seek to train the learners based in Mumbai basic and technical knowledge of Music which will help in creating brighter, cultural and art sensitive talents in society. NSMA offers varied music courses for Children, Youth and even Adults. Our education of Music will be mostly practical and it will have a scientific methodical basis. We have well trained committed and motivated faculties under the guidance of RSET NSMA with well structured, scientific and progressive curriculums. We are affiliated to Bharatiya Sangeet Vidya Vihar (BSVV), Kolkata and Pracheen Kala Kendra (PKK), Chandigarh for Hindustani Classical vocal and instrumental music like Tabla, Pakhwaj, Dholak, Khol Sitar and Flute. We have also applied to Prayag Sangeet Samity (PSS), Allahabad for affiliation. We follow the syllabus of Trinity College of London (Music) for western Instruments like,

Guitar, Keyboard, Drum, Congo, Thumba and Octopod. Realizing the demand of students, we have added two new instrumental courses FLUTE and SITAR. NSMA also carries out research in Hindustani Music in order to restore some of undocumented works by the maestros.

Our Activities

In person Keyboard learning session at NSMA

As we know the covid-19 second wave was becoming very dangerous. We were handling this extreme situation for some time. Since its outbreak two years ago, COVID-19 pandemic has disrupted education system globally, affecting most vulnerable learners the hardest. It has increased inequalities and exacerbated a pre-existing education crisis. We have all been plagued by a miserable epidemic in the last one year. As a result of this extreme situation, everything has turned upside down. Today school and colleges are open supported by health and safety protocol. Government prohibitions and regulations have been relaxed but are still in force. We need little more patience to finally overcome this situation.

On Campus offline Classes Resumes in NSMA

As expected today we have successfully completed the online music education system. After the successful completion of this session we have started another session from the month of January 2022. The on campus music sessions of NSMA resumes as per the standard operating procedure (SOP) of Maharashtra Govt. We have 26 students registered for in

person learning from the campus. The admission process is still going on. We are expecting more enrollments. We have created three separate syllabus named Basic, Advanced and Sr. Advanced courses. This syllabus is a total 24 lectures in three months. Also we have a well-structured syllabus for the examination. We have the out station online students from Himachal Pradesh, Kolkata and abroad. The musical work of NSMA is regularly active on its Facebook and instagram pages. At present we

have a lot of followers. We have recently completed successfully the Fifth online and in person session. Students will be awarded completion certificates. We also give testimonials the new teachers. We have also conducted free online class of Vocal, Flute Guitar and Keyboard. We have uploaded Vocal, Flute, Tabla and Sitar's small Classical pieces of Paltas on our facebook and instagram pages according to viewers' demand. There are also some of students in Tabla and vocal category are coming regularly to the campus for the music educations.

Certificate Distribution Ceremony

The students of NSMA have successfully completed "SANGEET PRARAMBHIK Part-1, Part-3" and First Year Junior Diploma examination organized by Bharatiya Sangeet Vidya Vihar (BSVV), Kolkata, and The examination was held according to their syllabus on 25th and 26th October. There were 12 students passed the examination in Classical Vocal, Sugam Sangeet Vocal, Classical Instrumental, Sugam Sangeet Instrumental, Indian Rhythm Tabla/Pakhwaj category both written and Theory. Our NSMA has also a structured syllabus. Students of our academy have also completed the assessment of "SANGEET PRAVESHKA" examination conducted by NSMA. The successful students were awarded certificates on 29th January at Nathmal Garodia Hall. Mr. Ashok M Saraf, President, RSET witnessed the ceremony on Zoom Platform. In his speech, congratulated and encouraged all the successful students and teachers. He also gave thanks to the donor of NSMA Mr. Harish Shah and Bina Shah for the initiative. Zee Sa Re Ga Ma Pa Finalist 2007 Miss Sarrika Singh visited NSMA campus two times. Miss Sarrika Singh is a playback singer of Bollywood and most popular in India. She was happy with the music curriculum and training of NSMA. She has expressed her views and happiness in a video message. Ms. Sumeetra Roy Karmakar a notable Playback singer of Kolkata Film Industry and Bollywood is a regular student of NSMA. She has joined with us for the improvement of her recording standard, voice quality and classical music education.

Voice Modulation and Karaoke Singing Training programme

We give voice modulation training to our students. We teach how to sing in the recording studio. We teach the exercise of how to maintain throat. We also have the best technical facilities for Karaoke training. We train our students in Karaoke accompanying with voice and instrument.

We have purchased more musical instruments. At the moment we have a large number of sophisticated musical instruments, like Guitars, Keyboards, Taanpura, Scale Changer Harmonium, Tabla sets and sound karaoke systems. We have the best equipped recording studio for the professional voice training of the students. Despite all the obstacles and hardships of this epidemic some of the students are coming to the campus for the professional music training. We have all the facilities to fully introduce physical classes in the coming days.

Diploma in Music Production

Music Production courses are very popular in today's modern music world. A music professional needs to be proficient in music as well as music Production. Music producers play an important role in the Musical Entertainment Industry. Today's producers are handling the roles of five different people, from writing songs to music programming, music arranging, making music track, recording, mixing and mastering. Realizing the demand, we have started one year Diploma in Music Production Course. We have the best and renowned

Bollywood faculties for this course.

Sujay Kar receives completion certificate of voice training and modulation from Dr. Sunanda Kar, Educational Director, RSET

In the meantime, NSMA's smoothness running, perfection, has fascinated everyone. The professionalism of NSMA is triumphant today. The academy is gradually moving forward. I take this opportunity to thank each and every one who have given us support to grow. Support of whole RSET team, including students, parents, teachers and employees of Mainadevi Bajaj International School is also appreciable.

A Study on commuters' satisfaction and service quality with reference to **Mumbai Metro Rail** in Post Lockdown Period.

Dr. Shripad Joshi
Principal (LRMC)

Abstract

Public transport is a backbone of transport system in Mumbai because many people are dependent on it. Since COVID19 pandemic started, public transport in Mumbai region has suffered a lot because passengers with limited capacity is allowed to travel from public transport and Mumbai metro rail is also not an exception to that. Continuous lockdown has affected metro rail service to a great extent. Mumbai is one of the highly populated city in the world. Rising commuters' movements in and out of Mumbai region has increased demand for transportation. As existing public transport system is overburdened, travelling has become bid on life for travelers. To improve transport services in Mumbai region, Master plan of 2004 described 146.50 km network of metro rail service in Mumbai region. Metro rail service is different from normal Indian rail service due to nature, quality and delivery of service. The study has been conducted to understand the perception of commuters towards certain services of metro rail in post lockdown period and also to understand which parameters influence metro rail over other

modes of transport.

Keywords:-commuters' perception, metro rail, master plan, service quality.

Introduction

Novel Corona virus 19 has impacted the life of every person and business on the earth. All sectors have been affected including transportation. During lockdown metro service was halted for almost 6 months in Mumbai. Even today all passengers are not allowed to travel due to safety measures being adopted by Metro rail authorities. Since 2014, Mumbai metro line 1 has been in service as public transport. It's on board and platform services are unique in nature and trying to cater the expectations of commuters. Traffic congestion, road accidents, pollution are common transport issues being faced by commuters in Mumbai. National Urban Transport policy, 2014 of government of India has described that transportation should be convenient, accessible, eco-friendly and affordable. Service being intangible it should be developed with due conscience and need base of customers.

Satisfaction is the end result of consumption of service. It is nothing but emotions experienced before and after using the goods and services. Satisfaction of commuters may change according to cost, time, quality, etc. of service. This paper will be focusing on the satisfaction of commuters with respect to certain services of Mumbai metro line 1.

Objectives

1. To understand the commuters satisfaction towards metro services.
2. To know the preference of transport service used by the commuters.

Research Methodology

The research paper is based on primary as well as secondary data. Primary data has been collected from different commuters like businessman, professional, servicemen etc. through structured questionnaire method. The sample size for the study is 51 respondents. Secondary data has been collected through books, journals, government publications, reports of research agencies, newspapers, websites etc. The research is mainly descriptive

in nature and analysis is done based on percentage method and observation.

Hypothesis

- H0= Commuters are not satisfied with metro rail services.
H1= Commuters are satisfied with metro services.
H0= Metro is not better transport than other modes of public transport.
H1= Metro is better transport than other modes of public transport.

Literature Review

Parsuraman et.al, (1985),

Service quality is difficult to evaluate because services are intangible. Service quality can be judged by comparison between consumer expectation and actual performance of service.

Vilakazi, a et al (2014),

Stated that, customer satisfaction is essential for customer retention and also to attract new customers. They have identified multiple factors affecting customers' satisfaction. Therefore, government authorities, transport planners and service providers must take cognizance of this.

Budiono, O. A. (2009),

Pointed that, once metro service starts, commuters' expectations change and demand more options and services which make the service provider responsible to provide reliable and consistent service.

Sanjay Singh (2005),

Mentioned that cars or private vehicles cannot be just future of Indian cities, there should be proper planning to boost public transport.

Mubbsher Khan and MarimaFasih (2014),

Service quality is a weapon which can differentiate the organization from its competitors and also to delight the customers. This improves customer satisfaction and loyalty towards the organization.

Limitation of research

The study has considered the commuters perception of Mumbai metro line 1 only because rest of the metro railway projects are undergoing or yet to start.

SOP for Commutes protection:-

1. Trains and platform areas disinfection will be done at night and every trip by Accelerated Hydrogen Peroxide.
2. High contact areas like lift, ticket windows, entry and exit gates will be cleaned after every 3 hours.
3. All commuters to have ArogyaSetu App, Wearing of mask is compulsory
4. All commuters' body temperature will be checked and cleaning hands with sanitizer is compulsory.
5. Alternate seating in metro trains,

announcements will be done for physical distancing

6. Reporting any untoward incidents to customer care center.
7. Public education and awareness campaign.
8. Metro rail staff have been made mandatory to follow COVID appropriate behavior.

Data analysis

For the purpose of the research, responses have been obtained from 51 commuters having different occupations, education, age and income by using random sampling. Responses were based on service quality of metro rail and comparison between metro rail and other modes of transport. These responses have been collected by using Likerts five scaling points. The analysis of the responses has been done by using percentage method.

Hypothesis testing

Hypothesis 1:- Responses of the commuters indicate satisfaction level is more than 75% in all services taken under study like display of information, ticketing service, staff behavior, assurance of no accidents and security checking.

Thus, null hypothesis is rejected and alternative hypothesis is accepted i.e. Commuters are satisfied with metro services.

Hypothesis 2:- Comparison between Metro rail and other modes of transports like Auto rickshaw, Taxi, Bus and Local train on certain parameter indicate that more than 75% commuters are satisfied with Metro rail service except cost as it saves time, safe journey and comfortable journey.

Thus, null hypothesis is rejected and alternative hypothesis is accepted i.e. metro rail is a better mode of transport.

Findings

1. Number of male and female commuters are almost equal in number. Commuters working in service are 69% followed by unemployed 16%, businessman 10% and self employed 6%.
2. In case of commuters' education, 57% travelers are found having post graduate qualification followed by graduate and professional qualification.
3. Commuters having income more than 60,000 rupees constitute 72%. Whereas, income with less than Rs.30000 are only 16%. This seems that higher income people may only be able to afford cost of metro rail service.
4. Around 92% passengers are satisfied with display of information like indicator information, signage, announcement etc. This makes commuters movement easy on

the platform as well as boarding and alighting from train.

5. 76% passengers are satisfied with ticketing service. Whereas, 78% passengers are satisfied with staff behavior towards passengers, means staff seems to be taking care of passengers at different stages of travelling.
6. Metro rail has no accident policy, this seem that 80 % passengers have agreed that they have not incurred in accident or theft.
7. 83% commuters have expressed that security system of metro railway is satisfactory than other modes of transports.
8. 47% commuters say that metro rail is saving cost whereas 35% passengers feel that Local train service is saving cost.

Recommendations

1. Ticketing price of metro rail should be affordable to passengers, so as to attract those commuters who are not travelling from metro rail.
2. A separate research needs to be undertaken to identify why self- employed commuters are less in numbers compared to other commuters.
3. Metro rail routes should be connected with each other for better movements in Mumbai region.
4. Local train service and metro rail service, if coordinated well, more people will get attracted.
5. There should be common ticket for local and metro train so people can save time and energy.
6. Happy hours can be declared on a certain day or time to attract the commuters and enjoy some incentives for travelling through metro.

Conclusion

Metro rail being a Mass Rapid Transport System is very useful mode of transport in a city like

Mumbai where lakhs of commuters are travelling every day to different part of Mumbai for different reasons. Existing public transport is proving inefficient due to rising transport demand. Metro rail being environment friendly, reliable and much comfortable transport will get huge success in near future. So far it seems that cost of ticketing is expensive than other mode of transport. Thus more attention needs to be given for fare ticketing charges then only it would be accepted as public transport in true sense.

Memorable Events/ Journey in the Institution:

If someone asks me the question "How college life has helped to lay the foundation for what you are doing currently?" I would have plenty of experiences to narrate. I still remember the annual day of 2019 in which I participated in almost all the dance formats. I even won the prize in Relay Race of Annual Sports Day of 2019. Those were the days of participation, enjoyment and victories. That part of life will always stay with me. I still feel the euphoria as I write this experience. My sincere thanks not only to my teachers but also to the management members for providing such a fantastic infrastructure in the form of P.D. Shah Sports Academy which has proven to be the most suitable platform for fitness enthusiasts like me and also for those who want to make a career out of it. The college cafeteria is also another happening place. Those three years were really memorable.

Memorable Events/ Journey in the Institution:

I cherish the three years of my college life, those were the best years! As I write this feedback I remember the moment when I was awarded "Talent of the Year (Female)" Award in Annual Day. I also got the opportunity to display my talent in the domain of Fine Arts, as I not only participated in the various inter-collegiate events and won the prizes in the fine arts events, but was also the head of the Art and Creativity department of our Inter-collegiate festival "PANKH – A Desire to fly". All thanks to my respected teachers as they bestowed trust upon me and found me worthy to lead a team, as leading a team requires certain level of human skills. My sincere gratitude. All in all LRMC is the best phase in my life.

Year of Passing: 2020

Designation: Tax Consultant 1

Organisation: Deloitte Tax

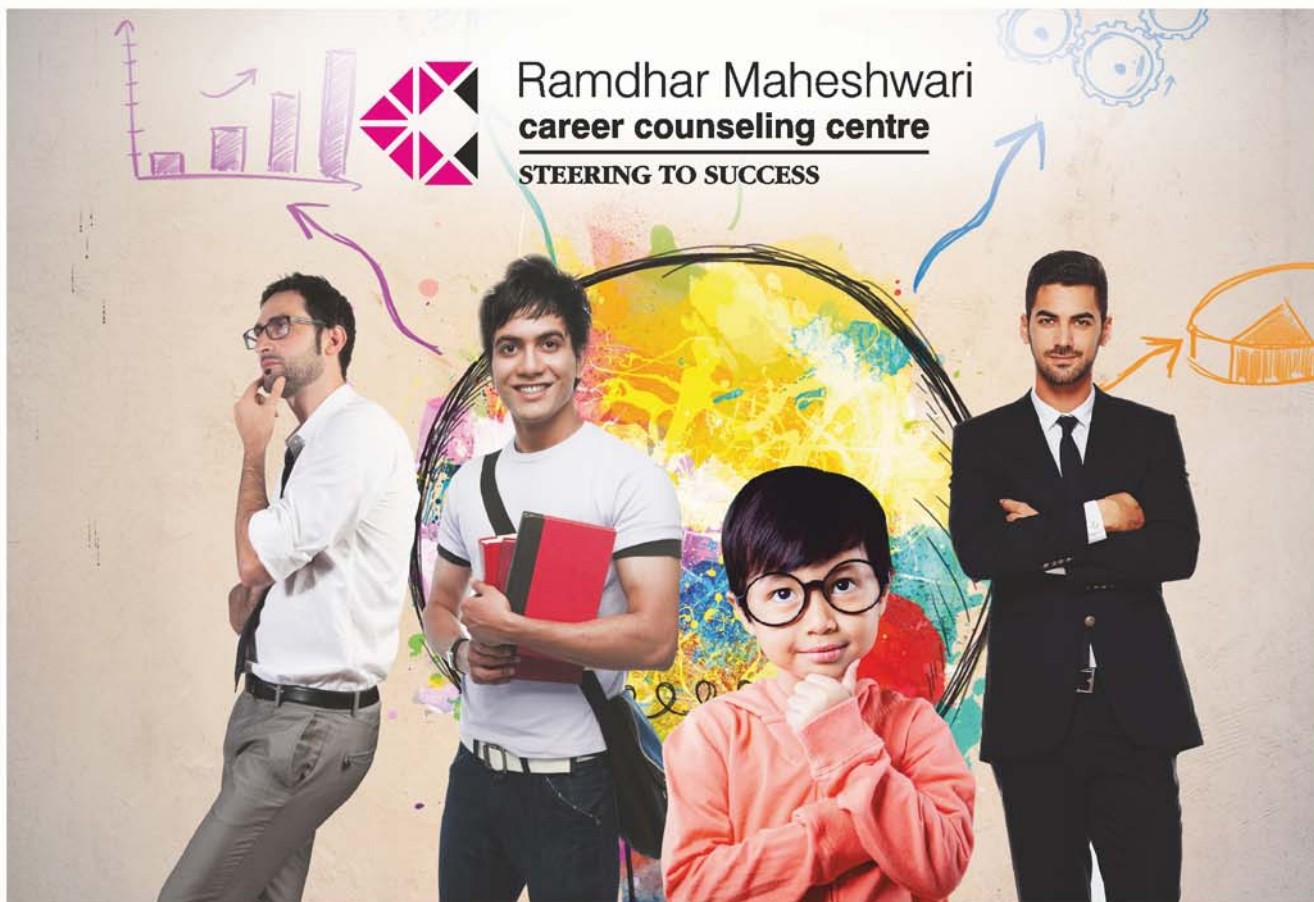

Memorable Events/ Journey in the Institution:

The unique curriculum offered by DSIMS in PGDM not only helped me to increase my knowledge but also helped me to refine my soft skills which plays an important role in your personal as well as corporate life. DSIMS also gave me a chance to learn BLOOMBERG, which is an analytical tool and its knowledge is also appreciated in corporate world. We were also blessed to attend some guest lecture by different "CORPORATE GURUS". Which helped me to understand corporate life in a much better way.

DSIMS gave me the understanding of global business environment with the help of international immersion at Germany & Switzerland and also a better understanding of work culture of rural India with the help of rural immersion. Best time of my life at DSIMS was when all the students used to come together to arrange an event may it be CSR, VERSUS, FINANCIA, OPERATIONS or HR-O-SCOPE, our specialization never stopped us from coming together and make every event a best one.

My experience during my summer internship also helped a lot to be corporate ready. We were fortunate to have a wonderful placement cell consisting of faculties and students working hard and making sure that all the students get placed in a nice company. Looking forward to continue my association with DSIMS forever.

Pravinchandra D. Shah
sports academy
FITNESS REGIME

Established in 2015

Pravinchandra D. Shah Sports Academy is a state-of-the-art facility, built on an approximate area of 24,000 sq.ft. with the most modern infrastructure. The Academy offers sports facilities like Tennis, Basketball, Box Cricket, Football Volleyball etc. and the turfs, imported from New Zealand, are made to international standards. This is perhaps, the first of its kind in-house sports academy in any of the educational institutions in the north-western part of Mumbai suburbs which caters to the growing needs of the students for sporting facilities. Recently another turf has been created for students to play various games.

Remsons Group
management research centre
MANAGEMENT RESEARCH

Rajasthani Sammelan Education Trust has started Remsons Group Management Research Centre (in memory of Radhadevi Haralka) in Durgadevi Saraf Institute of Management Studies. Research is an important part of management education for its growth and development. Remsons Group Management Research Centre has been playing an active role in the area of research in management studies. This has given an opportunity of interaction with scholars of reputed universities all over the globe. The Director as well as faculty members of DSIMS have been presenting research papers in many international and national seminars and workshops. We are sure that in future, many scholars will successfully complete Ph. D Programme from Durgadevi Saraf Institute of Management Studies.

IRB
scholarship endowment fund
HONOURING EXCELLENCE

Rajasthani Sammelan Education Trust has started IRB Scholarship Endowment Fund to provide scholarships to all meritorious students of all the institutions of Rajasthani Sammelan Education Trust. This will give encouragement to many brilliant students to achieve further excellence in education. Meritorious students will be further motivated to work hard and give their best performance in the field of studies.

BKT
endowment freeship fund
FOSTERING KNOWLEDGE

Rajasthani Sammelan Education Trust has started BKT Endowment Freeship Fund to provide freeship to those students who cannot afford education due to lack of funds. BKT Endowment Freeship Fund is going to provide opportunity to many deserving students to obtain suitable education and thereby make progress in their life by becoming properly qualified.

EMBOLDENING STRENGTHS

Rajasthani Sammelan Education Trust has started Jankidevi Bilasrai Bubna Endowment Freeship Fund to give freeship to the needy and deserving students studying in various educational institutes of RSET. The Jankidevi Bilasrai Bubna Endowment Freeship Fund will provide the much needed financial support to such students who do not have the financial means to pursue their education.

Rajasthani Sammelan
skill development centre
SCULPTING SKILLS

The proposed Skill development centre aims to advance the skill sets of the students to compete in a global environment. The objective is to provide necessary information and training to develop the skills sets of the students and make them industry ready. The Skill Development Centre will help bridge the industry-academia gap for employability.

PROPOSED

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthani Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthani Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthani Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthani Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthani Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthani Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthani.org.in

To educate a man in mind and not in morals
is to educate a menace to society.
