PRESIDENT'S MESSAGE

Ashok M. Saraf

President,
Rajasthan Sammelan Education Trust

It is a great honour and privilege to be the President of Rajasthan Sammelan Education Trust for the third term. I express my gratitude to all Trustees and members of Managing Committee for having faith on me by electing me as President of Rajasthan Sammelan Education Trust for the third time for a period of five years (2017-2022).

During my first term as President, (2007-2012) our team embarked on a mega expansion and modernization project of revamp and renovation of the educational campus of Rajasthan Sammelan Education Trust. A state-of-art modern twelve storied building was constructed to house Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School, Kudilal Govindram Seksaria Sarvodaya School, Kudilal Govindram Seksaria English School, Draupadidevi Sanwaram Women's Hostel and Ramdhar Maheshwari Career Counseling Centre. Many main donors and donors came forward and helped us by giving handsome donations to realize our dream of transforming the educational campus and starting new institutes. During our second term (2012-2017), with a generous donation of the Main Donors Shri Balkrishna R. Lakhotia and Shri Madhusudan R. Maheshwari, we started Ladhidevi Ramdhar Maheshwari Night College of Commerce affiliated to University of Mumbai. We also entered into a new venture by starting Mainadevi Bajaj International Playschool, the first IPC (International Pre-school Curriculum, U.S.A.) accredited Playschool in Mumbai. We received donation from Shri Vinodkumar R. Bajaj and Shri Rajkamal R. Bajaj in this educational endeavour of starting International Playschool.

In the area of infrastructural development, we constructed a state of art building having seven floors to house Ramniwas Bajaj English High School and Deviprasad Goenka Management College of Media Studies. The Media College was inaugurated with great fanfare by Dr. Subhash Chandra, Zee Essel Group Chairman on 29th August, 2014. The event was graced by Shri Sajjan D. Goenka, Main Donor, his family members and other dignitaries. We also received affiliation from University of Mumbai and permission from the State Government to start the courses of Mumbai University in our Media College. Meanwhile, process of affiliation of Ramniwas Bajaj English High School with ICSE Board went hand in hand & the same was received in the year 2015. Eminent Industrialist and Philanthropist Shri Mahavirprasadji Saraf gave us a handsome donation for starting Kirandevi Saraf Library and Reading Room which was inaugurated on 29th August, 2014 by Shri Jairaj C. Thacker, Chairman, Jamnabai Narsee School and President of Dr. Balabhai Nanavati Hospital. We also provided facility of an educational outlet & a health centre in the campus that were named as Ramnarayan Saraf Educational Outlet & Vijaypal Singh Health Centre respectively with the donations received from Shri Vinay Saraf, Smt Sushma Jhunjhunwala & family (for educational outlet) & Shri Ram Manohar Singh (for health centre).

Meanwhile, we felt a strong desire to extend our educational facilities beyond the boundaries of our campus by starting Online education so that we can reach to the remotest villages in Maharashtra and other places in India. Shri Badrinarain K. Goyal and Shri Ravi B. Goyal came forward to realize our dream of starting an Online Academy

(GOLD Academy) by giving handsome donation. Thus, we established Kunjibihari S. Goyal Online Academy which was inaugurated on 16th January, 2015 at a glittering function by Shri Vinod Tawde, Hon'ble Minister of Education, Maharashtra, in the presence of the Donor family and other dignitaries. At present, GOLD Academy has more than 45,000 students enrolled with its portal. Soon, we started the construction work of Pravinchandra D. Shah Sports Academy, covering an area of 29,000 sq. ft. which was inaugurated on 18th April, 2015 at a glittering function by Shri Sujay Jairaj, Trustee, Jamnabai Narsee School at Rajasthan Sammelan Education Campus. PDSA offers sports facilities like Tennis, Basketball, Box Cricket, Football, Volleyball etc. The turfs imported from New Zealand, are made to international standards. We also started RS CA Study Centre and ICAI Extension Counter for the benefit of CA students. We not only extended educational facilities to the students but also created various endowment funds with strong support received from Shri Virendra Mhaikar (IRB Scholarship Endowment Fund), Shri Arvind Poddar (BKT Endowment Freeship Fund) and Shri Ramprakash Bubna (Jankidevi Bilasrai Bubna Endowment Freeship Fund) that helped many meritorious and needy students to pursue education from school to college and up to professional level.

As we Office Bearers of RSET take charge for the third term, we re-dedicate ourselves to the cause of education. We have many projects that are lined ahead to be completed in the near future. With kind co-operation of Shri Ramprakash B. Bubna, we are in the process of starting Jankidevi Bilasrai Bubna Boys' Hostel. We have received permission from the State Government to start an autonomous Self-Financed University. We therefore request our Donors and well wishers to come forward and render their generous support to be a part of our educational endeavours that aims to offer best education to our children and make them true world citizens.

HON. SECRETARY'S MESSAGE

Shri Kailash Kejriwal
Hon. Secretary,
Rajasthan Sammelan Education Trust

Dear Reader,

Rajasthan Sammelan Education Trust has witnessed unprecedented growth and expansion in terms of infrastructure, new educational institutions, strength of students as well as staff over the past ten years. Therefore, after being elected by the Managing Committee as the Secretary for the third term (2017 - 2022), I feel greater responsibility on my part to serve RSET with full dedication for the next five years. I express my deep gratitude towards my colleagues in the Managing Committee for the co-operation and support rendered to me in the previous two terms and hope that I will receive their strong support in the coming years too.

At present, RSET is running eleven educational institutions that have more than 15,000 students, an Online Academy, a women's hostel and a career counseling centre along with many other facilities provided to staff and students to facilitate teaching learning in the educational campus. We aim at spreading education in all its branches and make it accessible to all sections of society. We encourage our institutions to publish magazines containing contributions from students, encourage faculty to attend seminars, workshops, contribute papers and also encourage them to obtain Ph.D in their respective branches. In our first term as Office Bearers of RSET (2007-2012), we all worked zealously with a unified spirit of dedication to complete successfully a building with twelve floors in the campus and to start Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School, Draupadidevi Sanwalmal Women's Hostel, Ramdhar Maheshwari Career Counseling Centre and also to house Kudilal Govindram Seksaria Sarvodaya School and Kudilal Govindram Seksaria English School in new building. In our second term, construction of the building of Ramniwas Bajaj English High School and Deviprasad Goenka Management College of Media Studies was completed at a fast speed. The affiliation of Ramniwas Bajaj English High School from ICSE Board and Deviprasad Goenka Management College of Media Studies from University of Mumbai and permission from State Government was also received. DGMSC was inaugurated on 29th August, 2014 by Dr. Subhash Chandra, Zee Essel Group Chairman, at a glittering function on the auspicious Ganesh Chaturthi Day. The event was also graced by Shri Sajjan Goenka, Main Donor, along with family members, other dignitaries, members of Management, Staff and Students. We felt the need of proper sports facilities for healthy physical growth of our students. Therefore, with the donations received from Shri Harish P. Shah and Smt. Bina H. Shah, Trustees of Signet Foundation, we started the construction of our Sports Academy which was named as Pravinchandra D. Shah Sports Academy in the name of his father.

The Sports Academy was inaugurated on 18th April, 2015 at a grand function by Shri Sujay Jairaj, Trustee, Jamnabai Narsee School at RSET Campus. On the same day, naming ceremony of the library of Mainadevi Bajaj International School as Amratil Premchand Shah Library was performed by Smt. Ramaben A. Shah in the presence of the Donors of the library Shri Pravinchandra D. Shah, Shri Harish Shah, Smt. Bina Shah and other Dignitaries.

During this term, we also decided to work on launching an Online Academy with the aim of providing free or affordable education to all students in urban and rural areas. With the kind donation received

from Shri Badrinarain Goyal and Shri Ravi Goyal, we were successful in establishing Kunjibihari S. Goyal Online Academy (GOLD Academy) which was inaugurated on 16th January, 2015 by Shri Vinod Tawde, Hon'ble Minister of Education, Maharashtra, in the presence of other dignitaries. At present, GOLD Academy has more than 45,000 students enrolled with its portal to take benefit of online lectures for B.Com syllabus of Mumbai University. RSET has always given due emphasis to extra-curricular activities along with academics. All the institutions have been celebrating together Republic Day and Independence Day in RSET Campus every year with great enthusiasm. We have appointed well qualified teachers in all the institutions and have provided latest technology support, library books, journals, newspapers as well as e-books and journals. It is a matter of great pleasure that results of all our institutions have been excellent especially of Kudilal Govindram Seksaria English School which has given 100% result at SSC Board examination for twelve successive years.

In all these years, many scholars and academicians of international repute visited our educational campus. Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies signed a MOU with the prestigious University of East London. DSIMS also recently signed a MOU with Ottawa University, Kansas, USA for academic collaboration followed by visit of PGDM students in Ottawa University for eight weeks, where they completed two certificate courses. Mainadevi Bajaj International School also conducted Student Exchange Programme with Scheffel Gymnasium School, Germany and is planning a Student Exchange Programme with Walburg College Zwijndrecht, Netherlands in the near future. In the present term, we have many challenges ahead. With substantial donation received from Shri Ramprakash B. Bubna, we are starting a Boys' Hostel very soon near our campus. We have also received permission from the State Government to start an autonomous Self-Financed University which will be another milestone for RSET and a step further towards attaining our objective of 'Education for All'.

We solicit co-operation and support from all our Donors, Trustees, Members and well wishers to be part of our educational endeavour.

CEO'S MESSAGE

Captain (IN) Anant Yadnik (Retd)
CEO,
Rajasthani Sammelan Education Trust

etc was completed before the reopening of the schools.

For administrative activities this period was very crucial for getting the AMCs and repairs done up wherever it was required. Thus we have thoroughly gone in to this exercise and renewed the various AMCS like the AC maintenance, Transformer AMC, major repairs of PDSA toilets, Load testing of 600 KV DG, Terraces Cleaning, Aqua Guard Machines, maintenance of Coolers, Entrance Glass Doors, Nullah cleaning and the Drainage cleaning, Chair repairs, Planning and implementing the Gates opening/closing timings, Adhering to all the Pre monsoon BMC Notices and getting all the work as per the Govt. rules and regulations, Erecting the Monsoon shed so as to protect the staff and students during monsoon, Elevator Maintenance, procurement of Fire Extinguishers and so many other routine civil works periodicals and maintenance was undertaken. To get all these work done, regular coordination meetings were required and glad to share that the staff at RSET offered full cooperation and the outcome of all the meetings was very successful and it became easy to implement the agenda of all the meetings held.

A major achievement at the RSET was that we have recently bought a seven storied building which will be converted in to a state of art Boys' Hostel very soon. Here, the inmates will be provided with all the kinds of facilities like the meals, AC Rooms, laundry, a specially designed study area and the entertainment area separately, 24 x 7 security and the entire area under CCTV coverage (already done). Needless to say that the aesthetics and interiors will be designed and implemented by the top architect(s).

Recently, we have hired a large number of sports coaches for the games of Football, Basket Ball, Lawn Tennis, Cricket and many other games, so that our students get professionally trained in these games and hope they represent our schools and college at National level and bring laurels to them and the Institutions to which they belong. This initiative will also ensure greater utilization of our state of art world class turf at PDSA. The other activities like placement, corporate interactions with galaxy of industry stalwarts and professionals, workshops/seminars/events like the International Yoga Day on 21st June 2017, Tree Plantation, SarvaShikshaAbhiyan, Alumni meet, Outreach Programs, NSS, NCC, Faculty Development Programmes were conducted successfully to justify the quote that "Exams and grades are temporary but the education is permanent".

At RSET we take the pride in stating that we have a state-of-the-art Women's Hostel which is always in demand from the Girls from all over India and few students from foreign countries too would like to stay here in Mumbai for their studies. Hence charting out the comprehensive Hostel Policy becomes that much important. This activity was undertaken during this period under review and the same has been shared with all the concerned for its effective and smooth implementation.

"IT DOES NOT TAKE MUCH STRENGTH TO DO THINGS, BUT IT
REQUIRES A GREAT DEAL OF STRENGTH TO DECIDE WHAT TO DO"
.....ELBERT HUBBARD

Dear Reader,

Every quarter at RSET is filled with unique activities. The quarter April, May and June 2017 was special one where one single activity that happens in almost all the academic institutions and is eagerly awaited by one and all is the "result" of the students. The staff and students toiled very hard in the previous quarter, so, RSET is no exception and we are very happy to share with all our well-wishers and the readers of "ABACUS" that most of the schools have come up with flying colours with 100 % result and more importantly with lots and lots of students getting distinction and first class. To cite an example, our first batch of 10th Standard students of RBHS (ICSE Board) passed out with outstanding results and all 05 students passed out with distinction. The first and second toppers scored 95.8% and 95.20 % respectively. With the new Principal joining RBHS School, we are rest assured that the future of all the Board bound students is in safe hands to ensure this kind of success in future too. All the other Schools have done equally good well in this Key Result Area (KRA). To sum up with aquote "Centuries ago, battles were fought with swords and shields. Today, battles are fought with knowledge and degrees". Congratulations to all hard working teachers and students for empowering yourself.

During the month of May, many institutions had summer break for the teaching faculty. However, the platter was full for the Principals and their non-teaching staff as this was the crucial time for getting all the repair and maintenance schedules completed so that they are ready for the new session in June for the smooth conduct of academic activities. Thus the Principals and the concerned non-teaching staff with the help of service agencies like Project Team, BMS and Housekeeping have ensured that all the planned vacation work was completed in time. Construction of the seventh floor of DGMC was taken up and is in full swing which is likely to be completed very soon. Painting of the entire RBHS (the school building is shining and looking very bright), repairs of benches, making a revised property inventories, removing of the scrap items, repairs of non-working fans, necessary plumbing work, getting the area inside and outside the buildings neat and clean,

Message from Director of Schools

Nitin Padte

Director of Schools
Rajasthan Sammelan Education Trust

April, May and June, the months of anxiety for schools, parents and students have come and gone and we are already in the midst of a new academic year. Students from all our schools appeared for their board examinations in March, April and May and the results have been declared.

All the schools have produced results on expected lines but the cherry on the cake has been the performance of our first batch of ICSE students of Ramniwas Bajaj High School. Leading up to the examination a concerted effort was put in by the teachers and the students. They were called for many extra sessions, subject-wise individual strengths and weaknesses were identified and appropriate support was given. The results surpassed all our expectations. Not only did the school secure a 100 per cent result, all the students scored over 75 per cent marks. Two of our toppers scored 95 per cent marks and there was an atmosphere of jubilation among staff, students and parents. It was also a moment for sober thinking since the first batch had set a benchmark which others would have to emulate in the years to come.

While the two schools affiliated to the state board – KGES and KGSS – and MBIS, our international school, also produced good results we have decided not to sit back on our laurels and have taken many steps to support students in improving their achievements. Recognising that good results are an outcome of good learning experiences throughout a student's stay with a school, all the four schools have undertaken an exercise to identify the strengths and weaknesses of its students across all classes and begin the process of additional support. Many schools tend to pay additional attention to the slow learner but we have begun a process of devising teaching techniques and approaches to learning that will challenge the advanced learners appropriately.

The principals of our schools have clearly demonstrated during meetings that they are not satisfied with producing a 100 per cent result but will aspire to produce students who will stand out as toppers in their respective boards. With this in mind they have drawn up merit lists of students in the higher classes and within these they are in the process of identifying students who could be given extra support to achieve highest merit.

Institutions of RSET have always been focused on giving their students a holistic educational experience. This means that while academics plays an important role in the lives of our students, it is

also important to participate in and excel in co-curricular areas. Keeping this in mind we have taken steps to make fuller use of our infrastructure that supports the sporting activities in our schools.

PDSA, the large sporting complex that is the pride of RSET, will not only be fully utilized by the institutes but will also host many inter-school tournaments. The year has already begun with the hosting of a basketball tournament in which nine schools, including three of RSET, participated. We will also be the proud hosts of state level interschool tournaments from this year onwards. This will ensure a high caliber of exposure to our students who, it is hoped, will improve the level of their performance.

With hope and anticipation we have begun the new academic year and look forward to making great strides.

The true purpose of education is to make minds, not careers.

This issue brings with it many noteworthy events taking place in our country and city as well as in RSET Campus. On Tuesday 25th July, 2017 Shri Ram Nath Kovind was sworn in as India's 14th President in an impressive ceremony in Parliament's Central Hall, New Delhi, marking a change in guard. The swearing in was followed by Hon'ble President's address to the gathering in which he stressed on - Diversity as the Key to India's success. He further expressed his pride in the cultural heritage and spirituality of our country and emphasized that 'India of the 21st century must combine tradition and technology'. The month of July also saw women in blue, our own women's cricket team giving a tough time to that of England's team. Although Indian team was defeated by England's team by a low margin of nine runs in ICC Women's World Cup 2017 final at Lord's Cricket ground in London, we are happy that women's cricket team is finally making the headlines. Coming to the academic scenario, past three months of April, May and June witnessed fast changes in the academic climate of our campus. April was the busiest month for all educational institutions. After the conclusion of examinations followed by declaration of results, students and faculty members enjoyed summer vacation in the month of May. However, students of science stream who appeared for HSC examination and have been aspiring for Engineering and Medical courses were busy preparing for their entrance examinations for admission in their respective professional courses.

This year Mumbai University had taken decision for onscreen evaluation of answer books of all examinations conducted for the first half of the year 2017. Therefore many faculty members remained busy evaluating answer books of final year examinations throughout the vacation. After the declaration of SSC and HSC results admission process started in Junior and Degree colleges as well as in professional institutes. As per the recent trends, Self Financed job oriented undergraduate courses are in great demand from the students inspite of the higher fee structure for these courses. With the beginning of new academic year, we are receiving many circulars from school education department. Under the provisions of RTE Act 2009, students are promoted automatically to higher classes till class VIII. The Union Cabinet has recently scrapped off the no detention policy. Now the schools will be able to detain students in Std V and Std VIII if they fail in the year end examination. However students will have to be given a second chance to improve by appearing for an additional examination before they are detained. Starting from this academic year class IX students will not have internal examinations for languages and social sciences. Similarly class XI students will have a new paper pattern for chemistry, biology and mathematics. The patterns has been changed so that students from State Board junior colleges can fare better in entrance exams like NEET & JEE.

Back to our campus, students of Kudilal Govindram Seksaria English School and Ramniwas Bajaj English High School made us proud by 100% result at SSC and ICSE Board examinations respectively. Students of Kudilal Govindram Seksaria Sarvodaya School presented a demonstration in Netball at Mumbai University grounds in the presence of Australian Prime Minister Mr. Malcolm Turnbull, Hon'ble Sports Minister of State Shri Vijay Goel, Cricketer Shri Sachin Tendulkar and other dignitaries. All the institutions celebrated International Yoga Day by organizing yoga workshops and techniques of meditation. In the institution of higher education, many important events took place. Ghanashyamas Saraf College received permission from University of Mumbai to enroll students for Ph.D in Commerce and Economics. Durgadevi Saraf Institute of Management Studies successfully held the Fifth Annual Convocation Ceremony on May 6, 2017 to present Diplomas to PGDM students and Degrees conferred by the University of Mumbai to the MMS students and Part Time Masters batch. Deviprasad Goenka Management College of Media Studies also arranged their Convocation Ceremony for PGDM students on May 13, 2017 at a glittering function. PGDM students of Durgadevi Saraf Institute of Management Studies visited Ottawa University, Kansas, USA for 8 weeks and completed two short term certificate courses during that period. Three of the PGDM students also received an opportunity to pursue Summer Internship Programme at Ottawa University.

In the month of June, election of the Managing Committee of Rajasthani Sammelan Education Trust was held. All the previous elected Trustees and members of Managing Committee were elected unopposed for further five years term of 2017-2022. This was followed by the election of Office Bearers. Shri Ashok M. Saraf as the President and Shri Kailash Kejriwal as the Secretary of the Trust were elected unanimously for the third time. In the same way, other Office Bearers namely Shri Vinod Kumar Bajaj as Vice-President, Shri Banwarilal Jhunjhunwala as Treasurer, Shri Jagdish Prasad Khemka as Jt. Treasurer, Shri Sunil S. Kabra and Shri Lalit S. Saraf as Jt. Secretaries continued for another five years term.

We are sure that under the guidance of our visionary President and his team of Office Bearers, Trustees and Managing Committee members, our institutions will definitely grow further to greater heights.

Dear Reader,

I extend my warmest greetings to our students and staff at the RSET campus for the new academic year!

It is heartening to observe that all our institutions obtained excellent results at the Board / University examinations. While the students of KGES have got 100% results at the SSC examinations held in February–March, 2017, the results of other institutions are above 95% which is encouraging. My congratulations to the Management, Principals, Staff & Students for contributing to the academic success of our institutions and increasing the standard of education of all our institutions.

It's pleasing to note that Durgadevi Saraf Institute of Management Studies successfully held the Fifth Annual Convocation Ceremony on May 6, 2017 to present Diplomas to PGDM students and Degrees conferred by the University of Mumbai to the MMS students and Part Time Masters batch. The Convocation ceremony was graced by Dr. Anil Sahasrabudhe, Chairman AICTE. Deviprasad Goenka Management College of Media Studies also arranged their Convocation Ceremony for PGDM students on May 13, with the renowned Ad-Man Shri Prahlad Kakkar gracing the occasion as the Chief Guest.

All the educational institutions at RSET campus participated in the International Yoga Day by performing yogic exercises, meditation, organized lectures of renowned yoga teachers. It is a matter of great pride that one of our student of KGSS, Ms. Sakshi Pradhan was selected to represent the Mumbai Team as Vice Captain in the One Nation Netball Cup Tournament held at Delhi in the month of May.

I compliment the editorial team for bringing out the excellent informative quarterly bulletin in an artistic manner. My best wishes to a great future ahead to all the institutions.

Dear Reader,

At the outset, I wish all the students a fruitful academic year!

As we begin this academic year, we find that the past few months have been filled with many note worthy activities, achievements and accolades for all institutions of Rajasthani Sammelan Education Trust.

I am pleased to note that students of Kudilal Govindram Seksaria English School have made us proud by giving 100% result at the S.S.C. Board examination held in February / March for twelve consecutive years. The first batch of Ramniwas Bajaj English High School students have given 100% results at the ICSE Board Examination with all students scoring distinction marks. Hearty Congratulations to all the successful students of KGES and RBHS for their excellent academic achievement.

I am very happy to know that eight students of KGSS trained in Net Ball by NAZ Foundation presented a demonstration of the game at the Mumbai University grounds in the presence of Australian Prime Minister Mr. Malcolm Turnbull and Sports Minister of State Shri Vijay Goel, cricketer Sachin Tendulkar and other dignitaries. Ms. Sakshi Pradhan was also selected to represent the Mumbai Team as Vice Captain in the One Nation Netball Cup held at Delhi from 2nd to 6th May 2017. All the institutions in RSET Campus celebrated International Yoga Day on 21st June, 2017 in a grand manner. KGES hosted Honours Day celebration of P/S Ward in which the school was awarded second prize as the 'Best School' in P/S Ward.

I am pleased to know that many faculty members of the institutions of higher education attended national and international seminars, presented research papers and have completed Ph.D.

I wish a bright future to all the institutions of Rajasthani Sammelan Education Trust.

Dear Reader,

Warm Greetings and my best wishes to all the students in the campus for the new academic year!

Our family is proud to be associated with the trust for

- i) Dharmal Bajaj Bhavan named after my late grandfather.
- ii) Ramniwas Bajaj English High School named after my late father.
- iii) Mainadevi Bajaj International School named after my mother.
- iv) Mainadevi Bajaj International Playschool named after my mother.

I am pleased to know that the result of the first batch of ICSE students who appeared for the Board examinations have been 100% with all the students getting distinction marks in aggregate. I take this opportunity to congratulate the Principal, Staff and Students for such brilliant results. Also, hearty felicitations to the Principal, Staff and Students of Kudilal Govindram Seksaria English School at SSC Board examination for consecutive seven years. It is heartening to note that all the institutions of RSET have celebrated International Yoga Day on 21st June, 2017 by organizing yogic exercises, meditation and lectures on relaxation techniques by inviting experts in this field. I am very happy to know that students of Durgadevi Saraf Institute of Management Studies had gone to Ottawa University, Kansas, U.S.A. for two months Study Abroad Programme. Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies also successfully held their Convocation ceremony on 6th and 13th May respectively.

The Management is also taking care of the physical well being of the students by organizing summer camps at Pravinchandra D. Shah Sports Academy during the summer vacation. I compliment the President and his team for their vision and hard work in their mission of educational endeavours.

Dear Reader,

Warm Greetings at the beginning of the academic year!

It is indeed a great pleasure for me and my family to extend our greetings to everyone associated with Rajasthan Sammelan Education Trust. At the outset, I convey my hearty felicitations to the students of first batch of ICSE Board examinations who made us proud by giving 100% results with distinction. I am sure that this has been possible due to the meticulous planning and hard work of students in collaboration with their teachers. Congratulations are due to the efforts taken by the Principal, Staff and Students of Kudilal Govindram Seksaria English School for their 100% SSC results. Other institutions have also given excellent results for which I convey my hearty felicitations to all.

It is interesting to note that Mainadevi Bajaj International Playschool successfully organized summer camp filled with fun and frolic for vocabulary building and general knowledge through stories, videos, puppets along with art and craft. A special session on Counseling for parents was also held at the end of the camp. Mainadevi Bajaj International School also organized many interesting activities. The teachers of Early and Primary Years underwent professional development workshop to improve teaching and learning practices. It is interesting to know that MBIS is planning a Student Exchange Programme with Walburg College Zwijndrecht, Netherlands in the near future.

It is indeed heartening to know that in the past few months many faculty members from Durgadevi Saraf Institute of Management Studies and Ghanshyamdas Saraf College have successfully presented research papers at reputed National and International Conferences.

I congratulate all those who have jointly contributed in the achievement of respective institutions of Rajasthan Sammelan Education Trust.

Dear Reader,

Rajasthan Sammelan Education Trust has provided various educational facilities to student community. At the same time, the Management has taken care to provide financial help to deserving students in the form of scholarships and freeships so that they can pursue studies in their desired branch of studies. In recent years, teaching methods have undergone radical changes. Classroom lectures are supplemented by presentations by LCD projectors, usage of internet, video conferencing, air-conditioned computer labs and so many teaching aids. Due to this, education is becoming costlier day by day. Sometimes it becomes difficult for middle class families to bear expenditure of education of their children.

In view of this situation, I am happy that RSET is providing freeship to the students of all institutions of RSET through Jankidevi Bilasrai Bubna Endowment Freeship Fund. I am sure that many brilliant students will be benefitted by this Freeship Fund. RSET is also in the process of setting up a boys hostel by name Jankidevi Bilasrai Bubna Boys' Hostel. The building is already purchased, acquired and the process to modify the infrastructure as per requirement of a hostel is in progress.

I am happy to know that a Computer Lab of KGSS and a Computer Centre of RBHS are regularly used by the students of the institutions and have proved to be beneficial for filling online forms for getting admission in Junior College.

It is a great pleasure to know that PGDM students of Durgadevi Saraf Institute of Management Studies recently visited Ottawa University, Kansas, USA for eight weeks & completed two short term courses of the University. Also three students received an opportunity to pursue summer internship programme at Ottawa university. Good luck & best wishes to all.

of Media Studies

Dear Reader!

At the outset, I convey my warm greetings to everyone at the beginning of this academic year!

I am pleased to know that Deviprasad Goenka Management College of Media Studies has organized various curricular as well as co-curricular activities in the recent past. Keeping in mind the requirement of the faculty, a Faculty Career Advancement Workshop was organized in the month of May which received a very positive response and was attended by many faculty members from different colleges. To inform students about new careers in media industry such as Online Reputation Management, Mobile Marketing and Content Syndication two 'Vision Media Seminars' were organized where experts from the field interacted with students and gave them insight into careers in 'Media and Communication Sector'. Some of the faculty members have also completed their research and have been awarded Ph.D degree.

I am happy to know that the Trust is going to start very soon a Boys' Hostel that will provide residential facility to male students coming from other cities in Mumbai for higher and professional studies. It is interesting to know that Kunjibihari S. Goyal Online Academy has started new initiatives to tie-up with many universities and colleges in Maharashtra and at present more than 45,000 students are enrolled with this Online Academy. The Trust has also given equal importance to sports and during summer holidays sports camps were organized by Pravinchandra D. Shah Sports Academy.

It is a matter of great pride that one of the student of Kudilal Govindram Seksaria Sarvodaya School represented the Mumbai team as Vice-Captain in the One Nation Netball Cup held at Delhi in the month of May.

I look forward to a very bright year ahead for all the institutions of Rajasthan Sammelan Education Trust.

Dear Reader,

This issue of Abacus represents continuous efforts of the Management in providing best educational opportunities to all the students in the institutions of Rajasthani Sammelan Education Trust and also beyond the boundaries of RSET Campus. It is a matter of great pride that the Management has taken a new initiative to start a Boys' Hostel and is also in the process of starting an autonomous Self-Financed University.

It is gratifying to note that Draupadidevi Sanwmal Women's Hostel is running successfully and is full to its capacity of 135 beds with air-conditioned and non-air conditioned rooms. The Management has provided full 24 x 7 security to the inmates of the Hostel by appointing a registered security agency. Other facilities provided to the inmates include free services like wifi, laundry, complimentary breakfast, spacious recreational area with LED TV and also in-house gym facilities for physical fitness of the students staying in the Hostel.

I am very happy to know about about 100% results of Kudilal Govindram Seksaria English School at SSC Board examination, Ramniwas Bajaj English High School at ICSE Board examination and excellent results of all other institutions. It is also interesting to know that all the institutions have given equal importance to academics as well as sports. The Rotaract Club of Ghanashyamdas Saraf College received the 'Best Chartered Club Award' for the year 2016-17 at the Annual Rotaract Award Ceremony held in the month of July.

My whole hearted compliments to the whole team of Rajasthani Sammelan Education Trust, whose hard work has made all these achievements possible.

Dear Reader,

New academic year has started and the campus of Rajasthani Sammelan Education Trust is full of life with the presence of students of all age groups - from schools to colleges. I convey my best wishes to all the students for a successful and fruitful academic year!

It is interesting to note that the team of Ramdhar Maheshwari Career Counseling Centre has been actively reaching out to students and parents to guide and counsel for the way forward. Specialized and age appropriate psychometric tests have been administered at the centre to gauge the interest, aptitude and personality of the students which has been found helpful to the students to work upon their inhibitions, strengthen their skills and choose their proper branch of study. RMCC has also participated in education fair organized by Career Vision in association with Maharashtra Times.

I am happy to know that the NSS Unit of Ladhidevi Ramdhar Maheshwari Night College of Commerce and also other institutions have celebrated 3rd International Yoga Day on 21st June, 2017 by organizing yoga workshops and lectures on meditation, significance of yoga and its impact on health. All the faculty members of LRMC attended a training session for online paper assessment conducted by the University of Mumbai at Atharva College, Malad West. Many faculty members presented research papers at reputed national and international conferences. Some of the faculty members have also completed their Ph.D. All the institutions have conducted extra-curricular activities and have been nurturing the talents of students in sports. Summer camps were arranged at Pravinchandra D. Shah Sports Academy in Basket Ball, Foot Ball, Skating, Cricket and various other games.

Dear Reader,

The first term of the new academic year has started and I have great pleasure to note that in the past few months all the institutions have conducted many interesting academic as well as extra-curricular activities. It is heartening to know that professional consultancy given at Ramdhar Maheshwari Career Counseling Centre has been extremely helpful to the students to choose the branch of studies and to pursue desired career in future. RMCC has also conducted personalized skilled building sessions to assist students with goal settings, time management, stress and anxiety management & acquire effective study skills. RMCC also conducted an orientation of students and parents of SYJC of Durgadevi Saraf Junior College on importance of different learning styles. At the same time, psychometric evaluations of students for career choice and remedial sessions for some students were continued by experienced and trained counselors & remedial educators. It is gratifying to note that Ladhidevi Ramdhar Maheshwari Night College of Commerce is marching ahead successfully and the first batch of TYB.Com students have appeared for the university examinations this year. The college has started the new academic year with great fervour by starting regular lectures and many extra-curricular activities. It is also a matter of great pride that the students of Kudilal Govindram Seksaria Sarvodaya School as well as Ramniwas Bajaj English High School have given 100% result at the SSC and ICSE Board examinations respectively.

The Management is also developing talents of students in sports through Pravinchandra D. Shah Sports Academy. Many interesting summer camps of games and sports were organized by the Sports Academy. It is a great pleasure for me and my family to extend our greetings to everyone associated with Rajasthan Sammelan Education Trust at the beginning of this academic year!

Kunjibihari S. Goyal Online Academy (GOLD Academy) is marching ahead to provide best e-learning platform with latest technology and easy to access 24 x 7 to all in the student community. In the past few months, GOLD team has taken many new initiatives to tie-up with different universities and colleges in Maharashtra. They have approached Yashwantrao Chavan Maharashtra Open University (YCMOU) and have received a very positive response from the Regional Director, Mumbai Region of YCMOU. It is heartening to note that GOLD team has directly approached many colleges affiliated to Mumbai University to reach more students. At present, they have approached more than 10 colleges in Mumbai and all the colleges have welcomed this initiative. The GOLD team has recently collected 360 students data for the enrolment on www.goldlearning.com for online learning. Side by side, pending content preparation for Mumbai University's, B.Com syllabus is also in process. At present, total enrolled students with the Online portal of Goyal Academy is 43,843.

In the past few months, notable events have taken place in the campus of RSET. Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies celebrated Annual Convocation in a grand manner. Dear Reader!

Greetings at the beginning of the new academic year!

It gives me great pleasure to note that Pravinchandra D. Shah Sports Academy is progressing excellently by nurturing talents of young generation in various sports. The Sports Academy ground is well utilized by students of all institutions of Rajasthan Sammelan Education Trust throughout the day. Experienced and well trained coaches have been appointed to provide suitable training to the students in various sports activities.

It is interesting to note that in the past few months, summer camps were organized from 15th April to 15th June, 2017 to give opportunity to the children to learn and explore their interest in games like basketball, football, skating and cricket. It also helped to instill the spirit of sportsmanship and team work in them. The summer camp was extremely successful and had an overwhelming response from the parents. Due to this, chess, mini tennis, dance, enjoy ball etc. were further added in the summer camp. I am also pleased to know that Amratlal Premchand Shah Library of Mainadevi Bajaj International School is utilized fully by the students of the school. It is a matter of great pride that all the institutions have given excellent results in the Board as well as University examinations. Dear Reader!

It is heartening to know that Durgadevi Saraf Institute of Management Studies is successfully promoting research work in the field of management studies under Remsons Centre for Management Research. In the past few months many faculty members presented research papers at various seminars across the country. Many seminars and workshops have also been organized by the institute to encourage research activities. Dr. Sharad Kumar, Dean, Academics & Remsons Chair Professor for Management Research of DSIMS is playing a lead role by holding review meetings and discussing with colleagues future plans of the Research Centre. He also presented a paper on 'Demonetisation of High denomination Currency - A critical Review' which has also been published in Abacus, January issue.

It is very interesting to note that 18 students of PGDM had gone to Ottawa University, Kansas, U.S.A. for eight weeks and have successfully completed two short terms courses. DSIMS has also signed MOU with Ottawa University for Faculty Exchange Study Abroad Programme and also visit of student of Ottawa University in DSIMS. The Fifth Annual Convocation Ceremony of the institute for the award of diplomas to PGDM class of 2015-17 was also successfully held on 6th May, 2017. The ceremony also included handing over degrees conferred by University of Mumbai to the students of MMS and part time Masters Programme.

It is a great pleasure to note that all the institutions have given excellent results at the Board as well as University examinations. Many institutions have received prestigious awards for their academic as well as extra-curricular excellence. I am sure that students cared and nurtured by all the institutions of Rajasthani Sammelan Education Trust will turn into rich human resources for our country as they become matured individuals.

Dear Reader,

Warm Greetings at the beginning of the new academic year!

It is heartening to note about the progress of all institutions of Rajasthani Sammelan Education Trust in academics as well as in extra-curricular activities and sports. It is said that the Library is the heart of any institute. Shri Murlidhar Karwa Knowledge Resource Centre is playing major role in enhancing students' development. I feel very happy to note about the progress of the Knowledge Resource Centre over the years. As a regular print collection of KRC, it has around 7,000 books, 30 research journals, 25 business magazines for current affairs and has 12 newspapers. It's collection for audio-visuals is also growing day by day. Shri Murlidhar Karwa Knowledge Resource Centre has played a major role in the preparation of 'Summer Internship Projects' (SIPs) as the students have fully utilized the e-resources subscribed by KRC. It is great pleasure to know that in this academic year Shri Murlidhar Karwa Knowledge Resource Centre has subscribed 'Business E-Books' database which has 14,532 e-books in it. Along with that KRC has registered for the membership of National Digital Library (NDL), an initiative of Ministry of Human Resource Development (MHRD) for all the faculty, staff and students from which they can access many e-books, journal articles and research papers.

I am happy to know that, this year Ms. Sunita Pujar, Librarian of the institute has received the award for 'Best Faculty of the year 2016-17' for her proactive services for the users and involvement in the other institutional activities.

I compliment the President and his team for the efforts taken by them in their educational endeavours.

Through this issue of Abacus, I convey my deep appreciation to all Office bearers, Trustees, members of Managing Committee, Principals, Staff and Students for their continuous dedication for the growth and development of all institutions and organizations under Rajasthani Sammelan Education Trust.

I am pleased to note that Durgadevi Saraf Institute of Management Studies has been fully utilizing Nathmal Garodia Seminar Hall by regularly organizing seminars and workshops. The institute is also providing a helping hand to other institutions by making Nathmal Garodia Seminar Hall available for important seminars and workshops. It is heartening to note that DSIMS has been ranked 8th among top B-Schools in Mumbai as per Times B-School Survey. The institute is regularly inviting delegates from foreign universities to visit the campus & also interact with faculty members & students. In the past few months 18 PGDM students visited Ottawa University, Kansas, USA, for eight weeks & completed two short term courses. The Director as well as senior faculty members also visited Ottawa University during that period and also attended the final certificate award ceremony. All the faculty members had interesting interaction with the officials of the University. Recently, delegates from Rutgers Business School, USA, also visited the campus to discuss about Global Outreach Programme for DSIMS students.

The Trust is also starting a Boys' Hostel near its campus which will give an opportunity to male students from other cities to stay and complete desired branch of studies. RSET has given equal importance to sports by training the students in various sports activities at Prainchandra D. Shah Sports Academy. With the training given by expert coaches, the students from colleges and schools had bagged many prizes at the district, state and national level competitions.

Dear Reader,

It is interesting to know that in the past few months, Rajasthan Sammelan Education Trust has taken noteworthy initiative to provide many facilities to the students studying in the institutions run by the Trust. The Management has recently taken steps to start a Boys' Hostel in the vicinity of the campus which will provide an opportunity to the students coming from other cities to stay and study in a peaceful environment. The Trust is also in the process of starting an autonomous Self-Financed University.

Today, life is full of challenges for a student due to intense competition for admission in reputed schools, colleges and professional institutes and later to obtain a suitable placement. Therefore, students have to work hard in order to excel in studies. To encourage such meritorious students, our organization has become associated with Rajasthan Sammelan by awarding scholarship through IRB Endowment Scholarship Fund for meritorious students of all the institutions.

It is our pleasure to know that in the previous academic year all such meritorious students were identified by respective institutions for awarding IRB Merit Scholarship. We hope that our endeavour will encourage academically talented students to work harder and give excellent results.

It is heartening to know that all the institutions of Rajasthan Sammelan Education Trust are marching ahead towards further excellence. Durgadevi Saraf Institute of Management Studies has been ranked among top 100 B-School in India as per Times B-School Survey 2017. Madhoprasad Saraf Seminar Hall at Deviprasad Goenka Management College of Media Studies is a well equipped Seminar Hall and is aesthetically designed. I am pleased to note that all important workshops and seminars of DGMC are held in this seminar Hall. Since Madhoprasad Saraf Seminar Hall is facilitated with latest technology and is having well equipped multimedia projector and audio-video amenities, it has become extremely useful to give presentations. I am pleased to know that in the recent past a faculty career advancement workshop was held in the Seminar Hall in which many faculty members of other colleges participated. Important Board meetings of the college such as meetings of Governing Board and College Development Committee were also held recently in this seminar hall. I am very happy to note that the first Convocation Ceremony for PGDM students of DGMC was organized on 13th May, 2017 in a grand manner at Durgadevi Saraf Hall in RSET Campus. Renowned Ad-Man Shri Prahlad Kakkar, graced the occasion as the Chief Guest while Shri Narendra Goenka was the Guest of Honour on that day. It is heartening to note that faculty members of all institutions of higher education are engaged in research work, have been attending national and international seminars and conferences and have also received Ph.D Degree on completion of their thesis.

It is a matter of great pride that all the institutions have maintained high academic standards which is evident from the results of the Board / University examinations. Through this issue of Abacus, I convey my warm greetings to everyone at the beginning of the new academic year!

The professional course of Chartered Accountancy needs hard work and often students start preparing for the course and appear for the examination along with their graduation. Hence, they need to concentrate in their studies and study in a peaceful atmosphere. It is indeed a matter of great happiness that Rajasthani Sammelan Education Trust has started RS CA Study Centre and ICAI Extension Counter from July, 2015 and has received overwhelming demands from the students pursuing the professional course of Chartered Accountancy. The Study Centre is kept open from 8 a.m. to 9 p.m. for the CA students so that they can study peacefully in the centre. RS CA Study Centre and ICAI Extension Counter has been extremely beneficial for the students staying in western suburbs as they are provided with study material from this centre only. The ICAI Western Regional Centre has deputed their staff to provide all required information to the students and complete necessary formalities. I am pleased to note that the enrollment of students to be the member of the Study Centre has started in the month of July and I am sure it will definitely exceed the number of students enrolled in the previous year.

It is heartening to know about the progress of all the institutions of RSET. The results of Kudilal Govindram Seksaria English School (SSC Board) and Ramniwas Bajaj English High School (ICSE Board) have been 100% while other institutions have also given excellent results. Dear Reader,

At the outset, I convey my heartfelt greetings to one and all at the beginning of the academic year!

It is said that sound health creates capacity in a student. A healthy student has greater ability and readiness to learn and engage fully in all educational as well as extra-curricular activities. It is with the aim of taking care of health of students that we have associated ourselves with Rajasthani Sammelan Education Trust through Vijay Pal Singh Health Centre that was started in the year 2014 in the name of my father late Shri Vijay Pal Singh. I am happy to know that the Health Centre is running successfully and is able to address the health issues of school children that often go unnoticed due to the busy schedule of parents. Once health problems are identified, parents are also able to take proper action in time. I am happy to know that renowned doctors are visiting the health centre regularly and are advising the students on health related problems. In the past few months, Vijay Pal Singh Health Centre has successfully treated first aid cases in the clinic. Regular medical check-up of the school children in the areas of ENT, Skin care, general check-up, Eye and Dental check-up have been conducted successfully.

It is heartening to know that the Trust has expanded its educational endeavours beyond its physical boundary through Kunjibihari S. Goyal Online Academy (GOLD Academy) that has also tied-up with Mumbai University to provide contents for B.Com syllabus through its Department of Distance Learning (IDOL). GOLD Academy is also in the process of tie-up with Yashwantrao Chavan Maharashtra Open University (YCMOU).

Dear Reader,

Warm Greetings at the beginning of the new academic year!

It is a matter of great pleasure to note that Devendra Lath Communication Centre is regularly used by the students as well as staff for various academic and administrative purposes. Kunjibihari S. Goyal Online Academy (GOLD Academy) is recording online lectures delivered by expert faculties in DLCC. Students of many institutions have also been using video-conferencing facilities provided in DLCC.

In the past few months, many dignitaries visiting the campus of Rajasthan Sammelan Education Trust were welcomed at Devendra Lath Communication Centre. The dignitaries were shown a short film on RSET and all the institutions run by the Trust. I am happy to know that recently, delegates from Rutgers Business School, USA, visiting the campus to discuss about Global Outreach Programme for DSIMS students were also welcomed at DLCC. It is a matter of great pride that students of Kudilal Govindram Seksaria English School (SSC Board) & Ramniwas Bajaj English High School (ICSE Board) have given 100% result at their respective board examinations. I take this opportunity to congratulate the Principals, Staff & Students of both the schools. It is interesting to note that eighteen students of PGDM of Durgadevi Saraf Institute of Management Studies had gone to Ottawa University, Kansas, USA for eight weeks & completed two certificate courses during that period. DSIMS also organized an Alumni Meet which was attended by a large number of alumni of previous six batches.

In the past few months, many institutions have received awards & accolades for excellence in academics. Ghanshyamas Saraf College received permission to be a Ph.D. Centre for Commerce & Economics. I also compliment the Editorial Board for providing all important information through Abacus in a systematic way.

Agarwal (Nevatia) Seminar Hall
at DSIMS

Dear Reader,

I am very happy to know that Smt. Smita Mahavir Agarwal (Nevatia) Seminar Hall at Durgadevi Saraf Institute of Management Studies has been frequently used for holding lectures, seminars, meetings and conferences in the past few months. The Seminar Hall is air-conditioned and has technical support of a computer and LED projector for presentations. It is also used for Board meetings of the Management, other institutions and for various training programmes. In the recent past the seminar hall has been used for placement activity, interview of staff & other important workshops. It is heartening to note about various interesting activities conducted by all the institutions in the previous months. The Board results were declared in the month of June. Kudilal Govindram Seksaria English School and Ramniwas Bajaj English High School received 100% result at the SSC and ICSE Board examinations respectively. Many faculty members attended prestigious seminars and conferences & presented research papers at the such conferences. PGDM students of Durgadevi Saraf Institute of Management Studies visited Ottawa University, Kansas, USA for 8 weeks and completed two short term certificate courses during that period. The Directors as well as the faculty members also visited Ottawa University at that time and interacted with various senior functionaries of the University. Also, three of the PGDM students received an opportunity to pursue Summer Internship Programme at Ottawa University.

Rajasthan Sammelan Education Trust has given equal importance to sports and physical activity of the students. Accordingly, summer camps were organized by Pravinchandra D. Shah Sports Academy for Basketball, Football, Skating and Cricket. Due to overwhelming positive response to the summer camp, PDSA further introduced some more activities that included Chess, Mini tennis, Dance, Kit-Fit and Enjoy Ball.

I wish a great future to all the institutions of Rajasthan Sammelan Education Trust.

Suwadevi Doongermal Patodia Laboratory
at MBIS

Dear Reader!

At the outset, warm greetings to one and all at the beginning of the new academic year!

I am pleased to know that Suwadevi Doongermal Patodia Laboratory at Mainadevi Bajaj International School is regularly used for conducting Chemistry practicals by the students of the school. Even the students of junior classes are taken in the laboratory to get exposure regarding the conduction of practical. There is a well trained Lab Assistant who keeps the chemicals in properly labeled containers and regularly checks the equipments before the students start the experiments. Every year, latest instruments, specimens, charts, etc. are purchased as per the requirement. The teacher educates students about the safety rules to be observed in a chemistry laboratory. The lab is also used for theory classes so that the students can easily understand the topic on which they have conducted the experiment. The house-keeping staff keep the lab neat and clean before and after the experiments are conducted.

It is interesting to note about various activities conducted by MBIS in the past few months. The school is also planning for a Student Exchange Programme with Walburg College Zwijndrecht, Netherlands in the month of October. The Management is providing various facilities to students in the campus and is in the process of starting a Boys' Hostel near the campus. In the past few months, Durgadevi Saraf Institute of Management Studies and Deviprasad Goenka Management College of Media Studies successfully celebrated Convocation for the graduating students. The RS CA Study Centre and ICAI Extension Counter is running successfully and admissions have also started for the students pursuing Chartered Accountancy course.

I congratulate Shri Ashok M. Saraf, President, Shri Kailash Kejriwal, Secretary, RSET and their team in their educational endeavours.

Rajasthan Sammelan
Education Trust

Dear Reader,

Warm Greetings for the new academic year!

There is a well known saying in Sanskrit 'Vidya Dhanam Sarva Dhan Pradhanam' i.e. Education is the most important wealth amongst all. Therefore, the Management members of Rajasthan Sammelan Education Trust have considered it as their social responsibility to provide all possible educational opportunities to students so that they can in future efficiently use their abilities to engage themselves in gainful employment. At present, the Trust is running 12 educational institutions along with an Online Academy, a Women's Hostel, a CA Study Centre and many other facilities to support teaching learning of the students.

I am happy to know that the new academic year began with a great moment of pride with 100% result of Kudilal Govindram Seksaria English School at the SSC Board examination for twelve consecutive years. The students of the first batch of ICSE Board examination of Ramniwas Bajaj English High School also made everyone proud by 100% result. All colleges and institutes are busy with admissions. The campus is buzzing with new students desirous of seeking admission in schools, undergraduate and post graduate classes.

In the past few months, some of the institutions of the Trust received many awards, accolades and rankings. Durgadevi Saraf Institute of Management Studies has been ranked among Top 100 B-School in India and as the 8th Best B-School in Mumbai as per Times B-school Survey 2017. All the institutions celebrated International Yoga Day on 21st June, 2017 by conducting Yoga workshops and lectures on importance of Yoga and Meditation.

I wish excellent growth and development to all the institutions of Rajasthan Sammelan Education Trust.

Shri Ashok Mody and his **Architectural** with **Endeavours** Rajasthani Sammelan Education Trust

Standing tall facing Swami Vivekanand Road in Malad (West) - a Western Suburb in Mumbai, the educational campus of Rajasthani Sammelan Education Trust cannot escape the eyes of any passerby due to the grandeur of its infrastructure. Dignitaries and academicians visiting the campus are greatly impressed by the outstanding infrastructure and facilities provided within the campus to the students and staff alike. The campus houses 11 educational institutes, a women's hostel, a career counseling centre along with many other facilities.

The credit goes to the vision of the Management who embarked on a massive revamp of the campus and expansion of educational facilities from the year 2007. However, we cannot overlook the untiring efforts of our architect Shri Ashok Mody who envisioned the entire project and helped to translate it into reality by proper planning of the infrastructure. Through this issue of Abacus, we acquaint our readers to Shri Ashok Mody, the architect behind the planning of this infrastructure of Rajasthani Sammelan Education Trust.

About Shri Ashok Mody

Shri Ashok Mody is a senior architect, practicing since the last 50 years. He has been a vital voice in growth of our city, especially in the real estate sector. After graduating from Sir J.J. College of Architecture in 1971, he joined Karani and Sanghoi, Architects as a Senior Architect. Karani and Sanghoi were very well reputed architects with a string of successful residential projects in South Mumbai.

In the year 1975, when Karani and Sanghoi decided to open an office in U.A.E., Shri Ashok moved to Sharjah and started Architectural Consultancy with local partner Abdul Rehman Bukhatir. Over the 5 years that he was based in U.A.E., the firm designed many prestigious projects for the Ruler of Sharjah which included Township development of Dibba, 1000 Villas at Sharjah, Holiday Inn Hotel at Khor Fakkan, etc. Owing to his success and recognition in the fast developing Middle East, Shri Ashok Mody was selected and appeared in Biographical Record "WHO'S WHO IN THE WORLD" Fourth Edition, 1978.

Upon returning to India in 1980, Shri Ashok Mody rejoined Karani and Sanghoi Associates as a partner and then later formed Architectural Consultants with his cousin, Mr. Jagdish Shah. Shri Ashok Mody and his partners were

instrumental in changing the face of suburban development in Mumbai through several well-designed townships like Gokuldham and Yashodham at Goregaon, Anand Nagar at Dahisar, Srishti at Mira Road etc. Besides Township projects, their portfolio included many residential, commercial and educational buildings in Mumbai and beyond. In 2011, taking heed to the changing face of design practice, Shri Ashok Mody started ConnectfourDesign Studio LLP with Rujuta Mody and Manoj Patel. This firm offers total design solutions, from Project Strategy, Architecture, Interior Design and Branding. The firm has many projects ongoing currently in Mumbai, Bhayander, Nagpur, Bangalore etc.

Besides Architecture, Shri Ashok Mody has developed a keen interest in art and has had several exhibitions in the past few years. His style is colourful, abstract and graphic. His work revolves around themes like Mahatma Gandhi and his principles of non violence, people of India, architectural wonders etc.

Over the years, he has been recognized and has won the following awards.

- 1999**.....JIA Award – Industrial Category for Dynamix Dairy at Baramati
- 1999**.....J.K Award – Commendation for Group Housing for Shrishti at Mira Road
- 2000**.....JIA Commendation – Residential Category for House at Panchgani.

He has participated in the following Solo Exhibitions as a Painter.

- 2007**....."Gandhiji My First Inspiration" at Ronak Art Gallery, Juhu, Mumbai
- 2009**....."Gandhiji's India: A Myriad Montage" at Jehangir Art Gallery, Mumbai
- 2009**....."Satbhavana" at Bhavan's Cultural Centre, SPJIMR, Mumbai
- 2012**....."Indian Consulate Dubai" as a part of Gandhi Jayanti Celebrations.
- 2012**....."Remembering Gandhiji" at India Club, Dubai.
- 2013**....."Graphic Expressions" at Jehangir Art Gallery Mumbai.
- 2016**....."Indian Icons" at Design Festa Gallery, Tokyo, Japan.

Shri Ashok Mody became associated with RSET way back in the early eighties when the Management of the Trust planned to construct a separate building for Ghanshyamdas Saraf College. Under his able planning, the building was constructed and was inaugurated in the year 1997 by Dr.P.C.Alexander, the then Governor of Maharashtra.

In the year 2007, the Management under the leadership of Shri Ashok M. Saraf, President, RSET, planned to revamp the campus and also extend educational facilities by starting a Management Institute, an International School, an English Medium School, a Media College and many other facilities. The Management once again contacted Shri Ashok Mody who planned a structure of twelve floors to house most of these new institutions.

His work initially started by planning construction of a transit school in the sports ground of the campus to shift the schools housed in the old school buildings. At the same time the planning and the construction of new building commenced. This building with twelve floors presently houses Durgadevi Saraf Institute of Management Studies, Mainadevi Bajaj International School, Mainadevi Bajaj International Playschool, Kudilal Govindram Seksaria Sarvodaya School, Kudilal Govindram Seksaria English School and Draupadidevi Sanwalmal Women's Hostel. Along with him, his daughter Ms. Rujuta Mody became equally involved in the projects of RSET.

Shri Ashok Mody is not only associated with our Trust as the Architect but he is also a true well wisher of the Trust. At the time of starting new institutions, many inspection teams visited our campus and Shri Ashok Mody spared his valuable time to be with us to answer the queries of those teams in terms of infrastructure. His office staff have also been equally supportive and polite and have been helping us whenever we require help regarding infrastructural queries.

Through this issue of Abacus we acknowledge the contributions of Shri Ashok Mody for proper planning of the campus and also helping in the construction of the buildings in the campus and thereby realizing the vision of the Management.

Excerpts of interview of Shri Ashok Mody

1. How did you get associated with Rajasthani Sammelan Education Trust?

I got associated with Rajasthani Sammelan Education Trust due to my professional relationship with Shri Ramnarayan Saraf. He introduced me to his brother, Shri Mahavirprasad Saraf, when the Trust wanted to construct Ghanshyamdas Saraf College in 1980s. We worked together with these two gentlemen for this good cause and donated our services as Architects free of cost.

2. During your association with RSET you had the opportunity to work with various Office bearers and Managing Committee members like Shri Vishwanathji Podar, Shri Ramnarayanji Saraf, Shri Ashokji Saraf. Could you briefly share with us your experience in working with these different visionaries?

The Office bearers and Managing Committee members of RSET have all been dynamic men, passionate about the Trust and working selflessly towards its betterment. I have had very good personal rapport with all the members of the Managing Committee. Ours has been a relationship full of mutual trust and respect.

3. How would you compare the architectural façade that typical educational institutes had in early 50's with the modern structures that are being built today. What do you think has necessitated this change?

In earlier times, institutions were looked upon quite differently from today. There was a certain hierarchy within the workings of institutions that necessitated their designs to be designed as imposing structures, where a student felt in awe or humbled while entering and when inside. Traditional forms of architecture, like capitals, grand porches and domes were used to create such imposing built forms. Institutions today are more democratic in their approach, and hence the building design is reflective of this. Modernism in architecture was basically a democratic movement, and it has inspired change in many traditional

typologies – educational institutes are also responding to this change.

4. The concept of multiple institutions with its own separate identities being housed in a common structure must have posed an architectural challenge for you. How did you manage to bring in a common identity for RSET yet maintain the individual identities of the institutions?

Early in the design process for the project, we were given two key requirements by Shri Ashok Saraf. Firstly, each of the many institutions had to have its separate entry directly off the main S.V. Road, and secondly, each institute had to have some frontage on the main façade. We devised a system of staircases and elevators that would feed all the various institutes from the ground floor to the hostel floor- while maintaining a unique entry at the ground level for each institute. The entire building was based upon a grid derived from the size of one classroom. As per requirements of each institute, this grid was modified on various floors. A similar grid system was designed for the main street facing elevation. Then within this grid, we played with the materials to highlight different institutes. Thus we created diversity in the design.

5. How has this project been unique and different from the other architectural projects that you have worked on?

The complexity of the programme for this building, with the various institutes, coupled with a tight site, made this a very challenging project. We were involved in all aspects of this project, right from Architectural and Interior Design to the vision and branding. We designed the Logo too.

6. You were also mandated to design the logo of RSET and the logos of various institutions of the umbrella brand. Could you give us some insights about the evolution of the logo?

Connect Four is a firm that believes in total design solutions. We offer Branding and Strategy along with Architecture and Interior Design. After long discussions with various stakeholders, we came up with the concept of a constellation. RSET was the Sun that energized the

system and around which the various other institutes orbited. Graphically, we chose the ancient Indian depiction of the Mandala to represent this. The main logo is thus a modernized Mandala, and the various institutes are fragments of the same, designed cleverly to represent the first letter of each Institute.

7. You have worked on a wide spectrum of projects ranging from educational institutions to commercial and residential projects. Which did you find the most interesting to work on?

Connect Four has a wide ranging practice. We enjoy the challenge that each type of project brings to the table, whatever the typology. Educational institutes hold a pride of place in our portfolio as we believe very strongly in the need for an interesting and responsive environment for the complete development of a student.

8. According to you which is the best architecturally designed educational campus in Mumbai? And why?

I would have to say that the original design of Jamnabai Narsee School, Juhu was very innovative and modern in its outlook.

9. With Mumbai going vertical as a consequence of very small land parcels available, what architectural challenges do you foresee in designing educational institutions?

There is a huge challenge for educational institutes in a city like Mumbai. On the one hand, the state grants extra area to institutes (FSI of upto 4.0). But the height that any educational institute can now go up to is 30 m, or 7 floors. Thus it becomes challenging to build up the entire area within the tight site. Also when an educational institute is taller than 4 floors, vertical circulation becomes a major factor in the design, as does fire safety.

CONVOCATION 2017

Like a Diamond, an MBA is Forever

Ms. Ritu receiving the diploma from Dr. Anil Sahasrabudhe

Durgadevi Saraf Institute of Management Studies (DSIMS) held its Fifth Annual Convocation ceremony for the award of diplomas to PGDM class of 2015-17 on 6 May, 2017. The ceremony also included handing over of Degrees conferred by University of Mumbai to the MMS batch of 2014-16 and Part Time Masters (MMM,MFM,MHRDM) batch of 2013-16 as well the diplomas to the students of Family Business Management(FMB).

Dr Anil Sahasrabudhe, Chairman All India Council for Technical Education (AICTE), was the Chief Guest of the occasion. Director General RSET (Rajasthan Sammelan Education Trust) Dr N M Kondap delivered the Welcome Address. He said that this convocation will be laid down as a landmark because of the presence of the illuminated dignitary, AICTE Chairman Dr Anil Sahasrabudhe. He also said that Convocation is an opportunity to come together, to resolve to move forward and to celebrate and honor achievement of students, faculties and staff members. He congratulated the graduating students and wished them an eventful and memorable journey ahead. The glittering convocation ceremony included academicians and distinguished dignitaries like IITBombay Professor Dr. Deepak Pathak, trustees of RSET and others. Speaking on the occasion, President RSET and Chairman DSIMS Mr Ashok Saraf applauded the students and bestowed them with his strong message of Time Management, Dedication, hard work; which put together will lead India to a much greater height, he said.

Dr C Babu presented the Director's Report covering significant activities and achievements of DSIMS during Academic Year 2016-17. He informed the august gathering that under the banner of Study Abroad program, DSIMS has send --PGDM students to Ottawa University, Kansas, USA to pursue two courses there. Director's Report also intimated the audience about International Collaboration, International Immersion, Good Placement and recognitions of our students' achievement by the organizations of International repute.

He announced that DSIMS ranked 8th Best B School in Mumbai and 91st best Management Institute across India, according to the Ranking of Times B School Survey March 2017. Dr Sahasrabudhe in his speech applauded the strong passion and true commitment of DSIMS for its remarkable achievement within a short span of seven years. He said that

the proud ranking is a "great accolade for a 7 year old institution" and he congratulated DSIMS family for doing this "...fantastic job, which normally take 15-20 years of labor pain to establish an institute from inception". Following Taittiriya Upanishad of 6th Century BC, he clarified the significance of Convocation as Dikshant Samaroh where the pupil after completing their learning are permitted to pursue their profession with keeping in mind some dictates which they need to follow throughout their life. They need to be truthful, honest, ethical and have to follow Dharma; "where Dharma is Professionalism, not religion....". He opined that Management plays a significant role in turning challenges into opportunities; with a phenomenal 7.5% GDP growth rate amidst a worldwide slowdown, India is a land of opportunity which has to be grabbed by the graduating students and with full passion and commitment they need to contribute towards the betterment of their career, alma mater and society. He emphasized the importance of Entrepreneurism and reiterated the strength of Indian Education system by citing the names of global leaders of Indian origin like- Sunder Pichai, Satya Nadella, Nitin Nohria and many others. In response to the Industry's comment on the poor employability of the technical graduates, he gave a nice analogy of biological principle. He reflected a few initiatives taken by AICTE, like- Hackathon and Internshala to improve the quality of Technical Education and to make the graduating students job ready. In the Hackathon project 10,000 talented undergraduate engineering students had been selected and sent them to 26 different places to solve 598 problem statements of 29 different government departments within only 36 hours. This answered the Industry's skepticism about the employability aspect of students, he said. He advised Institutes to have more Corporate engagement in curriculum to give industry exposure to the students. With respect to the challenge of organizing Internship for more than 2.8 million students per year, he intimated that apart from collaborating with CII, NASSCOM and FICCI and Ministry of MSME, AICTE signed MOU with the biggest platform for providing Internship in the world- The Internshala, an innovative webportal comprising of 40,000 small and medium companies, annually providing Internships to 4 lakh students with a monthly stipend ranging from INR 5,000-

INR25,000. He concluded his speech by saying that there are opportunities galore nationally and Internationally for Management students, only they need to have initiative, innovation, passion and commitment. The stellar highlight of the entire event was the Award Ceremony. The 211 graduating students were awarded with their respective degree and diploma certificates by Honourable AICTE Chairman, Dr Sahasrabudhe, President RSET Mr Ashok Saraf, Secretary RSET Mr Kailash Kejriwal, DG Dr Kondap, Director Dr Babu and Dean Dr Sharad Kumar. The toppers of each program across each domain has received Academic Excellence Award. Ms Akansha Gaggar of PGDM(2015-17) and Ms Sonal Lohiya of MMS(2014-16) received Academic Excellence Award for scoring highest CGPA. Mr Arbez Karbhari of PGDM and Ms Nikita Jhunjhunwala of MMS bagged the Student of the Year Award in appreciation of their academic excellence, sports and Institution building activities. Best faculty and staff were also awarded for their outstanding contribution towards the functioning of the Institute. Mr Sanjay Gupta was awarded the best employee of the year 2016-17, Mr Pradip was awarded the best supporting staff and the best faculty award was conferred to Dr Sarika Jain and Ms Sunita Pujar. Mr Arbez Karbhari of PGDM (2015-17) delivered the valedictorian speech. He expressed the gratitude of the graduating batch. He thanked the institute and its members for providing affable platforms and constant support at every moment of this two year long journey.

Dean Dr Kumar anchored the students to take the MBA oath and ensured to honor the sanctity of the same. He also delivered the vote of thanks to honor the sanctity of the same. He also delivered the vote of thanks expressing gratitude to all those present in the ceremony and to all those who made this convocation a grand success.

With President RSET, Mr. Ashok Saraf declaring the convocation closed, the scintillating ceremony ended with a happy note along with the convocation retreat, networking and the sights of hats flying in the shining night sky.

Mr. Shridhar, Registrar, DGMC leading the Convocation Ceremony procession

Deviprasad Goenka

Management College of Media Studies (DGMCMS), a state-of-the-art media college in the heart of Mumbai, held its Second Annual Convocation ceremony for the award of diplomas to PGDM class of 2015-17 on its campus in the 300-seater Smt. Durgadevi Saraf Auditorium on Saturday, 13th May 2017. During the convocation the degrees conferred by University of Mumbai were also handed over to the students of Master of Arts (Communication & Journalism) and Master of Arts (Film, TV & New Media Production) batches of 2014-16.

A smart procession of students led by Dr Apama Khare, Prof Partha Samanta & Prof Trupti Mistry, programme mentors of PGDM, Master of Arts (Film, TV & New Media Production) and Master of Arts (Communication & Journalism), solemnly entered the auditorium at 5:30 PM to the sound of convocation instrumental music and was given a resounding applause by the proud parents, guardians and well-wishers who had assembled there to witness the joyful moment. This was followed by the academic procession led by Shri V. Sridhar, Registrar, DGMC, and comprising of Shri Prahlad Kakar, Chief Guest, Shri Narendra Goenka,

Guest of Honour, Shri Ashok M. Saraf, Chancellor & President of RSET, Shri Kailas Kejriwal, Hon. Secretary, RSET, Dr Nandkishore Kondap, Director General, RSET Higher Education, Dr Kumardatt Ganjre, Director, DGMC, Dr Mangesh Karandikar, Dean, DGMC, and all the faculty members of DGMC.

Renowned Ad Guru Shri Prahlad Kakar, who is popular in the advertising world, and who has helped create memorable campaigns for big brands like Pepsi "Yehi Heh Right Choice Baby! Aha", Gold Spot "The Zing Thing", Maggi "2 Minutes", Britannia "Ting Ting Ti Ting", Linca "Zor Ka Jhatka Dheere Se Lage" and Maggi Sauce "It's Different" was the Chief Guest for the ceremony.

The glittering ceremony also included several senior trustees of RSET, and academicians from different colleges who were invited to be a part of the audience and bless the graduating students. The ceremony commenced with the lighting of the lamp by the dignitaries and recitation of the Saraswati Vandana by Mr Ankit Jain, followed by the DGMC Anthem. Dr Aparna Khare, who was the Master of Ceremony, welcomed the dignitaries and the guests. Dr. N. M. Kondap Director General RSET during his address underlined that the Convocation reflects a proud moment for the graduating students and their parents and touched upon the achievements of DGMC in a span of three eventful years.

Shri Ashok M. Saraf, President, RSET and a man forever committed to the benefit of the students studying under its aegis, in his address pointed out that the graduating media students are the future citizens & that the whole world is looking up to them to propel India into the future. He encouraged the students to have a burning desire in them and to set high goals, and then to work hard to achieve them. He also remarked that one requires managing time effectively to achieve this. Dr. Kumardatt Ganjre, Director, presented the Director's Report of DGMC and reviewed the events & activities that were conducted at DGMC in Academic Year 2016-17. He reiterated the commitment of DGMC towards its students' growth and spoke of a lifelong relationship with its students who pass out. Shri Narendra Goenka, RSET Trustee and Main Donor, Deviprasad Goenka Management College of Media Studies and a businessman underlined the importance of fearlessness & impartiality of journalism in the foundation of our prospering society. He remarked that the profession of media was very inspirational & motivational for the upliftment of society. He also highlighted the dire need of upholding the values of media for society.

The Chief Guest, in his address, delighted the audience with quips & anecdotes in his insightful speech encouraging the students to dream high & think alternatively. He mesmerized the audience during his address as he recollected his own journey of being an adman. He specified the importance of traveling and stressed upon getting to understand people from different cultures. Further, through an anecdote, he emphasized upon the students to follow whatever they wanted to do in life and spoke of thinking from a perspective that may be different from what others think. He ended his thought-provoking speech by reciting a poem themed on high ambition & the courage to fly. Shri Prahlad Kakar is also the founder of ReefWatch, an NGO which is involved in research, education and outreach activities which include coral reef monitoring in the Lakshadweep and Andaman & Nicobar Islands, making of documentary films, beach clean ups in Mumbai, SCUBA training for scientists and education programs in schools

across the country. Its efforts are targeted towards protecting and nurturing the diversity of life in India's coastal and marine environments.

As a contribution to this noble cause, Shri Ashok M. Saraf, President, RSET, handed over a cheque to Shri Prahlad Kakar to a round of applause. The much-awaited segment of the convocation – the conferring of the diplomas to students of PGDM and handing over of the degrees to students of MACJ & MAFTNMP then began with great excitement. As the names of all the students were called out sequentially, they lined up to collect their much-deserved documents from the august hands of the Chief Guest, President RSET, Hon. Secretary RSET, Director General, and the Director.

It was a memorable moment to witness, as the students stepped up on the stage to rounds of applause by the audience. Shri Prahlad Kakar, while presenting their diplomas, very thoughtfully interacted with each and every student, a gesture that was very much appreciated by all present.

All education institutes are strengthened by the contributions of its students and staff members. Such contributions by outstanding students, support staff, employees and the faculty of DGMC were acknowledged during the evening and awards were presented to them. Miss Anjali Kamat from PGDM was presented with the "Best Student Award", while Miss Karishma Jayakar from PGDM was presented with the award of "Best All-Rounder". Mr Yogesh Pawar was presented with the "Best Support Staff" award, while Ms Pranita Saitawadekar received the award for the "Best Employee". The "Best Faculty" award was given to Mr Saurabh Deshpande.

The ceremony ended with a vote of thanks by the Master of Ceremony Dr Aparna Khare, which was followed by the playing of the National Anthem. The formal ceremony being over, it was time for a sumptuous dinner well laid out in the dining area. Guests and invitees were seen helping themselves to the mouth-watering savouries & delicacies served to them by the helpful catering staff.

In another area, where a "Selfie Corner" was created, students were seen happily clicking away their photographs with their friends, classmates, teachers, parents and well-wishers, to be part of their memories of the evening.

Graduation is an exciting time. It's both an ending and beginning"

The Graduation Day was celebrated with gusto and gaiety by KGES Pre-Primary section on 6th April 2016-17 at Durgadevi Saraf Hall.

KGES gives all possible efforts to nurture a child from bud to a flower during the process of three years and Graduation Day is the testimony of commitments and efforts both by the students & teachers. The extravaganza of dances & dazzling performances mesmerized the audience.

The Guests for the event were The Donor Trustee, Mrs. Neera Saraf, Mrs. Shashi Goenka, Mrs. Lata Banka, Mrs. Nilofar Shaikh, Prof. Rambhau Bhadode & HOD's of RSET. The programme began with the welcome song of our Sr.Kg students "New Day Begins". The dynamic students with their enthusiastic energy filled the atmosphere with joy which was a perfect start.

Soon after the welcome song, the 'cool & funky' boys from Sr.Kg rocked the stage with their hip-hop dance. Mast. Hitharth Desai & Mast. Kush Sheth were welcomed with a thunderous applause when they took over the stage to anchor the show. The glamorous girls from Sr.Kg presented a graceful dance on "Frozen" song. Our little angels from Pre-nursery, the tiniest tots of pre-primary section performed on the song "Boom Boom". The parents cheered up with great happiness. It was Magical!

Our little Graduates in their black robes & caps walked proudly to receive their Graduation Medals & Certificates. It was a remarkable moment for the Parents & the Teachers too.

Ms. Pallavi Shedge, teacher of Pre-primary took the audience through the Glimpses of activities, progress and laurels achieved by the pre-primary

sections through her Annual Report with a Power Point Presentation. The charming girls from Jr.Kg danced with the music "Shake it up" and made the audience captive with their elegant moves.

'Home away from home.' Who else can explain this turning point better than a parent? The three years experience in KGES where the child feels as comfortable as she/he does in their own home. Mr. Ajit Rawtoo, Father of Mst. Shlok Rawtoo expressed his experiences and appreciated the staff and non-teaching staff for their efforts in making the kids confident and ready enough to face challenges ahead. The cutest genie all the way from Arab had come along with his friends to entertain their seniors and the spectators. It was a soothing dance by Nursery kids. Mast. Shlok Rawtoo from Sr.Kg expressed his emotions through his 'Thank You' speech.

The Best Student Award from all the tree sections were felicitated on this most awaited programme. Ms. Parri Chheda of Pre-Nursery, Ms. Devena Sharma of Nursery, Ms. Ishita Boritkar of Jr.Kg and Mast. Harshvardhan Thorat of Sr.Kg.

A teacher shapes up students personality and ensures to boost up their confidence level to lead a successful and bright future. Keeping this in mind, the teacher who has done the outstanding work both in teaching, moulding and becoming a role model to the students, was none other than Ms. Pallavi Shedge the Best Teacher of 2016-17. Our graduates completed their programme by singing a song 'Bright future ahead' followed by the grand finale dance 'All together'.

The smile and joy on their faces was enough proof how happy and confident they were. There is no real ending, its just the place we stop and something new is about to begin. The event was concluded with 'Vote of Thanks' by our Pre Primary Co-ordinator Ms. Rakhee Pandya followed by National Anthem.

A look at the creative display with Ms. Shobha Wadiyar - Inspector Primary Schools

A vibrant cultural programme and prize distribution marked the Honor's Day celebration of P/S Ward Primary Section by the Education Department. It was hosted by K.G.E.S. at Durgadevi Saraf Hall on 22nd April 2017. The occasion was graced by Mr. Raju Tavdi (Dy. Eo), Mrs. Shobha Wadiyar Inspector of primary School, Mrs. Seema Shaikh Convenor, Shri Kailashji Kejriwal Honor secretary, of Rajasthani Sammelan and HM of all schools.

The programme started with the lighting of the lamp by the illustrious dignitaries. Our Principal Mrs. Mini Nayar addressed the gathering and welcomed all the guests and dignitaries. She acknowledged the teachers for enriching the lives of young people. Inspector of primary school Mrs. Shobha Wadiyar Congratulated the achievers and emphasized on the all round development of the students and also appreciated the efforts of the management body, Principal, HM, teaching and Non teaching Staff worked for the success of the event. Mrs. Seema Shaikh, the Convenor of P/S ward from Pradnya Bodhini school highlighted the achievements of the various Inter - schools events in her Annual Report.

The Cultural event began by invoking God's blessing through a devotional song dance worshipping Lord Ganesha performed by students of Bangur Vidya Bhavan.

An Act by students of Infant Jesus stole the show. It Conveyed an important message which is one of the major social concerns of our nation. The energetic dance by students of Vivek Vidyalaya depicted 'Dash Avatar' of Lord Vishnu who incarnated on earth to eradicate evil forces. Clad in dazzling costumes students of K.G.E.S. looked enthralling and attractive during their dance performance on Barbic Song.

Students, Teachers and Non teaching Staff of all schools under P/S ward were acknowledged during the Felicitation Ceremony for their accomplishment in various Interscholar Competitions such as article making, Teaching aids, File making competition, One Act play and Prayer dance by trophies and certificate at this event.

Along with the Co-curricular achievements teachers. were given an opportunity to display their creative side. Various teaching aids of every subject were displayed during the event.

It was a proud moment. For K.G.E.S. as HM Mrs. Indrani Balan received trophy and a certificate for bagging the second best school amongst the schools of P/S ward level.

The anchors of the show Mrs. Renuka Sethi Asst. teacher of K.G.E.S. and Mrs. Rajni Grover HM of M.T.S. Khalsa enlightened the audience by giving brief details about each event before the start of the show.

The teachers of K.G.E.S. were proud to be associated with this institution who believed in over all progress of the students.

It was indeed a joyous moment for the guests, students and teachers to be a part of this gala day.

ALL'S WELL THAT ENDS WELL

The period before the summer vacation is a time of increased educational and extracurricular action as we round up the academic year with the final exams and the culminating activities.

On 5 April, 2017, the Pre Primary teachers put up a Puppet show for the little ones in the classrooms. The final Report Day for the Pre Primary children was on Friday, 7 April 2017. The Sr. Kg. children had a graduation ceremony on the same day. The proud parents hugged the young graduates with elation. In the Primary and Secondary sections, the final exams were conducted from 1 April 2017. Level 1 Certificates and Medals of the Olympiad English Exam were distributed on 17 April 2017. The tally was as follows: Gold-7; Silver-6; Bronze-6.

From 17 -27 April 2017, the teachers organised a Summer Camp

for the students in school. A variety of activities were conducted which included yoga, dance, art and craft, cooking without fire, forgotten games and sports. The interested students participated enthusiastically. On Friday, 21 April, the students enjoyed a Planetarium Show in school. A Portable Planetarium was set up in school and the children enjoyed a show right here in school!

On Friday, 28 April, the students received their final reports. This was the culmination of the academic year 2016-17.

IMAGINE, BELIEVE, ACHIEVE

It was a moment of exhilaration and satisfaction when the Grade 10 results were announced. All our 5 students who appeared for the ICSE Examinations secured distinction, with two students, Tabassum Shaikh and Dhruvi Seksaria securing 95.80% and 95.20% respectively.

This success is an outcome of the meticulous planning and hard work of students in collaboration with their teachers. A lamp doesn't speak; it simply introduces itself through its light. Achievers never expose themselves, but their achievements speak for them.

THE SECRET OF GETTING AHEAD IS GETTING STARTED

The academic year 2017-18 started with teachers joining school on Thursday, 1 June 2017. All the teachers were congratulated on the success of the ICSE results. An activity based orientation was conducted for teachers in which they had to reflect on and present the role of emotions in shaping students as individuals. The teachers enjoyed the activity and came up with creative ideas during their role plays. They were also apprised of the benefits of using technology. It was a good induction programme encouraging teachers to reflect as learners.

To herald the beginning of the new academic session, a series of Parent Orientations were held for different sections: the Secondary section on 2 June 2017, the Primary on 3 June 2017 and the Pre Primary on 9 June 2017. The parents were introduced to the new Principal, Ms Padmaja Kutty, by the Director of Schools, Mr Nitin Padte.

The Principal informed the parents that this school year will be a year of setting attainable goals, working harder and of course, working smarter. We will be dedicated to a student centred programme that promotes academic excellence and makes the most of the available facilities of technology so as to create a dynamic learning and teaching environment.

Leaders in the making-Investiture Ceremony

The parents were also informed that this year the school will be introducing new initiatives like Yoga, Music and Martial Arts which will not only help students manage their anxieties but also help develop physical, mental and emotional disciplines for a peaceful body and mind.

BEGINNING OF THE SCHOOL YEAR

School reopened for the Primary and Secondary on Monday, 5 June 2017 and for the Pre Primary on Wednesday, 14 June 2017. A welcome assembly was conducted for the students and the significance of the World Environment Day [5 June] was also discussed. The students were also introduced to the theme of World Environment Day 2017 'Connecting People to Nature', which implores us to get outdoors and into nature, to appreciate its beauty and its importance, and to take forward the call to protect the Earth that we share.

YOUR VOTE YOUR VOICE

Voting matters both to the health of the system and to the people who participate in it. For the first time at RBHS, the voting system was introduced to elect the Student Council members [Grades 7-10] as well as the Junior Student Council members [Grade 5]. The elections for the Student Council were held on Monday, 12 June and for the Junior Student Council on Thursday, 15 June 2017. Students of Grades 5-10 participated enthusiastically and voted for the school leaders.

ALONE WE CAN DO SO LITTLE, TOGETHER WE CAN DO SO MUCH

The huge parent volunteers' support to the school community forms the basis of the PTA Elections which were conducted on Saturday, 17 June 2017 to elect the Executive Committee 2017-18. Parent representatives across Nursery to Grade 10 were elected. Teacher representatives were also elected from Grades 1-10. This was followed by the first PTA Executive Committee meeting in which it was discussed that the PTA is a liaison body which will work together to set goals and work cooperatively to achieve them.

WALK YOUR TALK

The Felicitation of Grade 10 students and the Investiture Ceremony were scheduled on Friday, 23 June 2017. The Grade 10 students and parents expressed their gratitude for the support and cooperation received from the school to help them carve a niche of their own. The students were given a token of appreciation by the school for their success. Leadership is never about positions and titles. It is about one life influencing another. The call of the bugle marked the beginning of the Investiture Ceremony. The Council members were invested with their sashes and badges. The Chief Guest for the ceremony, Dr Iyer, CEO, IDF [Indian Development Foundation] inspired the students with his words of wisdom. The Principal, Ms Padmaja Kutty, stated that leadership is about a life

that leads by example. By walking your talk, you become a person who others want to follow.

WE REPEAT WHAT WE DON'T REPAIR

Mental health is not a destination, but a process. It is about how you drive, and not where you are going. Guidance and counselling is a very important programme in our school, which will help students deal with emotional conflicts and personal problems not only in school but will advise them on how to incorporate the same in their daily lives.

To create an awareness and help the parents gain clarity and insight into the areas of concern, a series of Counselling sessions were organised for the Primary and the Secondary sections in the third week of June. Grade wise Orientations were also held where the teachers channelized the discussion to the different aspects of learning of that particular grade.

The Principal mentioned that the school and parents are partners in the process of creating a great community of learners. Education thus, is a shared commitment between dedicated teachers and enthusiastic parents which will help create motivated students ready to unleash their potential.

YOGA IS THE JOURNEY OF THE SELF, THROUGH THE SELF, TO THE SELF

International Day of Yoga was celebrated in school on Wednesday, 21 June 2017, with great fervour and zest. The students were taken through a presentation which depicted the History of Yoga, how the International Day came into force and that India as a country has been practicing Yoga for the past 5000 years. The objective of the celebration of the International Day of Yoga was 'to strengthen the global coordination among people through Yoga' so as to enhance growth, development and peace all over the world, was also brought out very well. A few students demonstrated various asanas; some of which were emulated by the audience. Yoga stretches the body and supports circulation which helps us get rid of toxins. The students were informed that meditation is our connect to the Universe where 'INHALE' reminds you to allow the positive emotions to be there in your body and 'EXHALE' reminds you to leave the emotions that are harmful. When we connect our breath with movement and focus on positive thoughts we are effectively rewiring the brain. Thus proactive worry is replaced with loving kindness. It was a truly transformative, fun and uplifting experience for the students. The Principal asserted in her rousing speech by citing examples that the practice of Yoga should be a sustainable feature in one's life and so students should perform deep breathing exercises and Vajrasana everyday. 'Be the energy that you want to attract' was the message for the day.

It has been a challenging but an exciting and enthusiastic start to the academic year 2017-18. 'Difficult roads lead to beautiful destinations'. With the support of our purposeful parents and an extremely top class work culture, we promise to give our students the best educational experiences in the coming year.

If everyone is moving forward together, then success takes care of itself.

GIVING WINGS TO YOUR DREAMS

Established in 2009

Dr. Sachin Sachdeva, Principal

As spring starts to surface and trees begin to bloom, we at MBIS welcome the season with fun, frolic and celebrations.

Following are the highlights of the months gone by:

The Specialist classes like Helen O' Grady International and Shaimak Davar Education had their culmination activity on Saturday, 1st April 2017. Students across Jr Kg to Grade 8, through their performances, displayed their learning.

The 3rd Dip-in-IBDP program commenced from 3rd April, 2017 (Monday) and continued until 21st April, 2017 (Friday), to expose MBIS students to the world of IB at least 3-4 months before the

students from rest of the world get such an opportunity. The programme covered each aspect of IBDP including curriculum, assessments, ToK, CAS, Extended Essay and other salient features like IB learner profile, international mindedness and University Counselling etc.

The students of MBIS played a Friendly Inter-school Football Match with E-Techno Narayana School on the occasion of International Day of Sports for Development and Peace. While MBIS boys U/12 won the match by 1-0, MBIS Girls U/12 lost the match.

On Monday 10th April, 2017 Jr. KG children enjoyed indoor water play during Splash Day as a part of their Inquiry "Water".

The CIE Secondary 1 Checkpoint Examinations for English, Mathematics and Science commenced on Wednesday, 12th April 2017 interspersed with the School based Term 2 Examinations. The CIE Primary Checkpoint Examinations were conducted between 26th April, 2017 and 28th April, 2017.

"Bee in my Bonnet" a culmination of the "Show and Tell" activity was conducted in Nathmal Garodia Hall on 21st April, 2017 by Early Years.

IBDP requires the explicit teaching and learning of specific conventions accepted in a community of learners for being transparent about the use of ideas and work of others—note making, in-text citation and the preparation of a bibliography. Therefore a session on academic honesty was conducted by Ms Pinki Panchal and Mr Vinay Pal.

The MBIS learners of Nursery visited Goregaon Bus Depot on 13th April 2017 as a part of learning session on their Inquiry "On The Move!". The trip enhanced their knowledge about public transport.

The students of grades 5,6,7,9 and 11 had a wonderful opportunity to witness the musical performance of Shakespeare's Tempest on Wednesday 19th April 2017. 64 students and 10 teachers attended the show at the St Andrew's Auditorium, produced by Helen O' Grady International.

Sang a motivational song 'Yeh Zameen Meri Mera Asmaan'

Sang a Bengali Song 'Ekla Cholo Re'

Saturday April 22nd is celebrated as 'International Mother Earth Day'. Students of IBDP -1 of MBIS celebrated this day by conducting their 'Group 4 project' at Sanjay Gandhi National Park, Borivali accompanied by Ms. Jovella Dias and Ms. Neha Trivedi. Group 4 project takes place at the end of Grade 11 as part of outdoor retreat.

MBIS celebrated Music Fest on Saturday 29th April, 2017 where students from Nursery to Grade 4 performed songs on various themes with lots of enthusiasm and excitement. Sr.KG students sang a Prayer song 'Bind Us Together' and Jr.KG students welcomed everyone by saying a hello in different languages like English, French, Spanish, German etc. The 3 years oldies from Nursery sang their love for chocolates in Marathi 'Asava Sunder Chocatecha Bungla'. Grade 1 students sang a motivational song 'Ye Zameen Meri Mera Asmaan' which is a lovely song penned down by Gulzar saab on Honourable Dr. APJ Abdul Kalam. Grade 2 students sang a Bengali song 'Ekla Cholo Re' written by Rabindranath Tagore. Grade 3 students gave a complete Goa carnival feeling by singing 'Yaya Mayaya'. Lastly, Grade 4 students sang a medley, a mashup of two songs 'Ashayein and Tu hai aasman me'. Parents and students had a wonderful time together to know how music can connect to us. Music is an expression where words fail and Music speaks.

Inquiry Fair of Nursery & Jr.KG

Nursery & Jr.KG had their last Inquiry Fair on Thursday 11th May, 2017. Students enthusiastically presented themselves in front of parents, thus developing their confidence, memorization skills, self-expressions and physical awareness. The students were well prepared and showed confidence throughout the show. Each child performed with zeal and enthusiasm. This activity helped students to overcome their stage fear and acted as an important and effective mode of learning.

IBDP Final Examination - The students of Grade 12 appeared for their final IBDP exam from 1st May, 2017 to 19th May, 2017.

Graduation Ceremony

Sr.KG and Grade 5 students graduated on May 12, 2017 and the Grades 10 and 12 students were graduated on Friday, 19th May 2017.

21 students of Sr. kg and 16 students of Grade 5 received a certificate of completion of their Early Year & CPP courses respectively. 15 students of grade 10 and 12 students of grade 12 received a Certificate of completion of their IGCSE and IBDP courses respectively. The formal function was conducted in the Nathmal Garodia Hall and was attended by the parents of the Graduating students. The formal function was followed by snacks for the parents and students and a Prom night organised by the Grade 11 students.

Professional Development

The teachers of Early Years & Primary Years underwent a 12 hours professional development workshop to improve teaching and learning practices at MBIS. Workshop was spread over 3 days that is April 29, May 3 and May 10.

The students of Grade 10 received their IGCSE result on Thursday 18th May, 2017. We congratulate and wish luck all the students on their achievements. Heartiest Congratulations to Nupoor Agarwal for being the IGCSE topper!

The students of Grades 9, 10 and 12 attended extra classes from 15th May, 2017 to 26th May, 2017.

The Term 2 result has been declared on Thursday 25th May, 2017.

After three successful Student Exchange Programmes, we are proud to announce the 4th Student Exchange Programme this time with Walburg College Zwijndrecht, Netherlands. A group of MBIS students will visit Netherland for a period of 8 days (inclusive of travelling date) and live with host families. The students from Netherlands will be tentatively visiting India from 18th to 25th February, 2018 and the students of MBIS will be visiting Netherland from 22nd to 29th October, 2017 which is a part of the Diwali vacation (16th to 29th October, 2017).

Staff Academic Programme

Ms. Preetha Kiran Anchan, graced the first Staff Academy programme on 20th June 2017 for the faculty members of Ghanshyamdas Saraf College of Arts & Commerce in Learning Centre.

She is a well known nutritionist & Operations Manager as well as an entrepreneur based in Dubai at present. With 19 plus years of experience in planning, directing and co-ordinating the operations, she has proven her expertise time and again in institutions like VLCC, Marico Industries etc and at present she is the proprietor of Wellness Clinic at Dubai.

Her detailed explanation on how different food products affect our body was highly appreciated by the faculty members. She not only threw light on certain myths related to food that we consume but also discussed ways to lead a healthy life style.

Ms. Anchan insisted on the proverb 'Have your breakfast like a king, lunch like a prince and dinner like a beggar'. She also attended to individual queries of the faculty members related to their health and lifestyle.

Talk on Entrepreneurship for SYBMS students

Ms. Preetha Kiran Anchan, also addressed SYBMS students of Self Finance Department of Ghanshyamdas Saraf College, on 20th June 2017.

She shared her journey of how she sacrificed a lucrative job to become an entrepreneur in order to follow her dreams and passion.

Senior Citizen Day by DLLE

Ms. Anchan oriented students towards the benefits of becoming an entrepreneur. She discussed the Do's and the Don'ts of becoming an entrepreneur with the audience in a very enticing manner. She discussed her personal experiences in terms of the various obstacles faced and the precision with which she reached her breakeven.

She insisted that perseverance, innovation and relationship building is the essence of any entrepreneurial venture besides a solid business plan.

Ms. Anchan also invited questions from the students and answered all the questions very patiently.

Students were highly delighted with the talk.

INDIA'S PREMIER MEDIA SCHOOL

Established in 2010

Dr. Kumardatt Ganjre, Director

March to May are generally vacation months, but that does not prevent our students and faculty from organizing events that strive to bring out the best from our students. March saw to major events in DGMC, one with a famous cine celebrity and another with a galaxy of industry stalwarts and professionals. Since we do not have academic sessions in May, we organized a Faculty Career Advancement Workshop.

Faculty Career Advancement Workshop

DGMC keeps in mind the requirements of the faculty. Addressing the concern of several academicians, a Faculty Career Advancement Workshop was organized by Ms Amisha Dawda & Mr Saurabh Deshpande on 3rd May 2017. The Resource Person was Dr Mona Bhatia, Vice Principal, Self Finance Section, Nagindas Khandwala College. She highlighted the importance and the process of NET / SET Examinations.

Dr. Mangesh Karandikar, Dean

Faculty career advancement workshop 3rd May 2017

55 participants from different colleges participated in this activity. The participants responded that they received valuable information about these two crucial examinations in their career.

Vision Media Seminars

The media and communication industry, boosted by technology is growing at an unprecedented rate. Digital media is growing at a rate of 30% p.a. throwing up newer careers that were unheard of a few years ago. For example, Online Reputation Management, Mobile Marketing and Content Syndication are some of the careers that have come up in the last five years. To inform students about these new careers, DGMC organized two 'Vision Media Seminars' where experts from the field interacted with students and gave them insights into careers in the media and communication sector.

Dr. Aparna Khare awarded with PhD

Dr. Aparna Khare, Chairperson of PGDM course of Deviprasad Goenka Management College of Media Studies completed her PhD from Devi Ahilya Vishva Vidyalaya (D.A.V.V) Indore M.P. The topic of the research was "A Comparative Study of Rural and Urban Customers Towards FMCG Advertisements".

Additional Division of BA Films, Television and New Media Production.

After successfully conducting the BA FTNMP course our first batch of students are about to graduate. DGMC has now been allotted another division of the BA FTNMP programme by the University of Mumbai.

Academic Sessions Started

The academic sessions for 2nd and 3rd year BA FTNMP and BMM programs started in the month of June. DGMC has formed various committees to ensure overall development of the students, with education, practical training in all aspects of media production, and organizing various events. The carefully prepared Academic Calendar will ensure that the college remains vibrant throughout the year.

To mark the end of the academic session, we had our Report card sharing day on Friday 7th April 2017. The parents were happy with their overall experience at the Playschool.

After the little ones' session was over at the playschool, it was time for the summer camp for the toddlers. MBIP conducted a summer camp, filled with fun and frolic for vocabulary building and general knowledge. We had three themes for three weeks i.e. from 12th April 2017 to 28th April 2017. Themes were as follows: Circus Mania, Ocean World and Summer Splash. All the themes were done through role play, stories, videos, puppets along with art and craft. We had planned games to build the gross motor skills. A special session on Counseling for parents was held at the end of the camp. The month of May was the summer break time at MBIP.

Seamless settling in at MBIP

We were glad to reopen our new batch for 2017-2018 with a bang. A brief orientation session was organized for all the parents on 13th June 2017. We handed over the kit to the parents with a promise to work hand in hand for the holistic development of each child at MBIP. School reopened from 14th June 2017.

The Settling period was handled very smoothly along with the parents. Kids at MBIP settled in a week's time. We had our first special day i.e. Show and tell day wherein each child had brought a labeled toy from home and was made to feel special with the same on 28th June 2017. Monsoons have arrived and hence a Monsoon bash was organized with the kids at MBIP on Friday 30th June 2017. A whole lot of fun activities related to the rains along with a film and puppet show filled the day with excitement.

Thus, the academic year has kick started...

STEERING TO SUCCESS

Established in 2011

Mrs. Dixha Nath, Director

I failed in some subjects in exams but my friend passed in all. Now he is an engineer in Microsoft and I am the owner of Microsoft." – Bill Gates.

This quarter was marked with results for students across all grades. For students appearing for their boards and competitive examination results were of great importance as it formed the stepping stone for their future career choice. Some of the students cleared their examinations with flying colours while for some it was not the best of their performance.

The team at RMCC has been actively reaching out to students and parents to guide and counsel for the way forward. Career assessment test has been conducted for more than hundred students at the centre to assist students in subject choice, stream selection and career choice. Specialised and age appropriate psychometric test have been administered at the centre which gauges the interest, aptitude and personality of the students. Based on the evaluation of the assessment and individualised counseling session students and parents have been successfully able to close on the academic decisions.

Professional consultancy services offered at the centre have been

Students interacting at RMCC stall in Career Fair

found extremely helpful to the students to narrow down on their career choices. Further these sessions have been found helpful by the students to work upon their inhibitions and strengthen their skills. Numerous students have been taking these services at the centre.

Group counseling sessions have been conducted for students of SBVMS Samaj. Career counseling seminar has been conducted in coaching classes in Kandivali.

Ramdhar Maheshwari Career Counseling Centre (RMCC) has participated in education fair organized by Career Vision in association with Maharashtra Times at MKVV International School - Borivali (W) Mumbai on 28th & 29th May 2017. Education Fair was a professional event dedicated to the business of education, training and lifelong learning.

Personalised skill building sessions have been conducted to assist students with Goal setting, Time management, Stress and anxiety management and effective study skills. RMCC conducted an orientation for students and parents of SY DSJC on importance of different learning styles. Identification of learning and academic challenges benefits the student to overcome the learning difficulty and enhance the required skill. RMCC has been conducting teacher's workshop in RSET schools to build awareness about the Importance of Early Child Intervention & Sign & Symptoms for slow learners. Informal screening of the students has been conducted followed with required intervention.

At RMCC psychometric evaluations are being administered and remedial sessions are conducted by experienced and trained counselors and remedial educators. Various personal counseling sessions have been conducted for students to overcome their challenges. Satisfied parents and students is the best appreciation and motivation for the Team RMCC and we are pleased to have many of them this quarter.

What our Parents and Students speak:-

The counselor was really friendly; her inputs were helpful not only in my career development but also in personal development.

The test conducted perfectly match with our child's personality, thinking and etc. Overall it was perfectly matching. The guidance given afterwards will help my child to grow for a better future. Thank you very much RMCC.

I loved coming at RMCC, also my counselor has satisfied me with all my never ending questions.

"Happiness is not something readymade, It comes from your actions".

April:

The month of April was a pleasant month with everything being in order and place. There were lots of admissions and demand from students enquiring for hostel accommodation. Undoubtedly DSWH has carved a niche for itself among aspiring students desirous of hostel accommodation in Mumbai.

Everything was in its place and went on swiftly in the hostel with utmost perfection. All the students were busy in their respective courses. Some of the students who were pursuing graduation completed three years of their course and were relaxed post their University examinations. While some were yet to appear and were busy with their hectic schedules. Many students have also joined us for their summer Internship. The students came from highly prestigious Institutions.

May:

The month of May was a smooth month where everything was in perfect place and order. Some of our students had completed their three years of graduation. They had stayed here for 3 years and completed their three years of graduation & respective courses and appeared for University examinations. The others who had joined us for the new term had given their exams and left for their vacation. All of them were extremely happy and cheerful about the aspect of going home.

Everything went on very swiftly throughout the month. They had

all abided with rules and regulations which had gone to contribute in maintaining the decorum of the hostel. The feedback received from parents as well as students is testimony to the growing popularity of DSWH being the most preferred residential facility for girl students in Mumbai.

June:

The Month of June arrived with its share. We commenced with our renewal process from 1st of June onwards till 15th June. After this our new admission began and we received overwhelming response from across the country. The aspirants showed keen interest in seeking admission and gave very positive feedback on our amenities etc. In June most of our students were away for vacation. We received 70% renewal from our students.

There were also students who completed their studies and were returning to their respective hometowns. They had left on optimistic note also shared their experience on how they were able to imbibe more and more positivity, hard work, discipline followed by values which will always remain with them.

The fee structure was also revised and we introduced the option of 12 months fee payment for the convenience of our students as well as their parents.

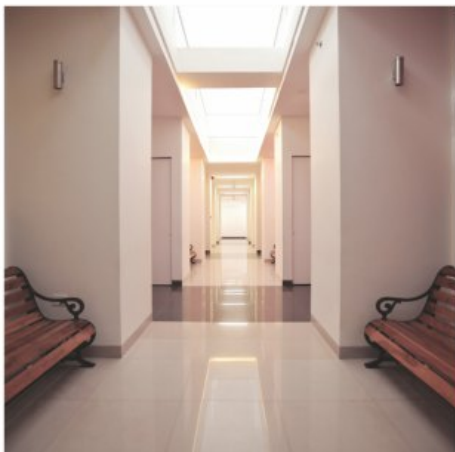

The admission procedure was also on and we received a good response of new admissions and had a waitlist of students wanting to seek admissions.

To sum it, it has been a very gratifying experience for the students and DSWH has emerged as a leading girls' hostel with state-of-the-art facilities in the heart of Mumbai city.

LEARNING BEYOND BOUNDARIES

Established in 2014

**"Online learning
is not the next
big thing, it is
the now big thing."**
- Donna J. Abernathy

Online learning neither has physical boundary nor specific time table for learning. No limits for number of students learning at a particular duration of time. It is a 24x7 virtual classroom.

University Tie-ups

To share the benefits of online education to the maximum no. of student community and to increase the E-learning student base, Kunjibihari S. Goyal online Academy (GOLD Team) has started new initiatives of going in to tie-ups with different Universities and colleges in Maharashtra.

Our first approach was YASHWANTRAO CHAVAN MAHARASHTRA OPEN UNIVERSITY (YCMOU) and we received a very positive response from Regional Director, Mumbai Region of YCMOU.

YCMOU is ranked among one of the Top 5 Open and Distance Learning Universities in India. YCMOU has Total Students Strength (in All Streams) = 7+ Lakhs.

Out of that B.Com Students Strength is around 3.5 Lakhs.

GOLD Academy has submitted the initial proposal and it has been welcomed. Further discussions are on for official MoU.

Tie-ups with Mumbai University Colleges

On the other side, GOLD Team has started approaching Mumbai University's colleges directly to promote www.goldlearning.com and to increase the students base.

We have already approached more than 10 colleges in Mumbai and all the colleges have welcomed this initiative.

Principal of Nirmala College, Malad (East), Dr. Rajalakshmy Nandagopal has welcomed and appreciated our efforts. She allowed us to directly interact with teachers and students to promote GOLD E-Learning. We have collected approximately 360 students data for the enrolment on www.goldlearning.com for

online learning. Both students and teachers showed interest towards the online learning initiative by GOLD Academy. Our plan is to approach most of the colleges in and around Mumbai to promote Gold E-Learning contents in this academic year and to enroll maximum students to our Learning Management System.

Content Preparation

Detail plan for the Mumbai University's B.Com pending content preparation have been submitted to the management for current academic year 2017-18.

Faculties are identified for B.Com content preparation.

Identification of difference between changed syllabus and present recorded syllabus content of SY B.Com is in progress.

GAP Analysis of difference in B.Com FY, SY, TY Syllabus of Mumbai & YCMOU Universities have been done.

Activities

- Promotional/ awareness activities for Online Learning initiative taken in RSET Campus area through Banners, Posters, Flyers and Standees.
- Campaign through SMS and facebook started for GOLD Academy's E-Learning.
- Database up gradation done on Microsoft Azure Server
- Regular LMS maintenance and resolutions of technical issues are done by in-house team.
- Online Demo/Induction sessions conducted in different colleges for students and faculties.
- Goyal Academy's Mobile App demo provided to the colleges.
- Students Support provided through e-mail and phone calls

Student Enrolment

- Overall Enrolled Students in Goyal Academy till 30th June 2017 is 43843.
- Students Enrolled till 30th June 2017 on:
- IDOL LMS = 33465
- GOLD LMS = 10378

GOLD Academy is committed to provide best E-learning platform with latest technology and easy to access 24 X 7 to all. GOLD team is working to achieve this goal sincerely and progressively.

Degree Courses in Commerce see a **rising demand** at **Ghanshyamdas Saraf College of Arts & Commerce**

The demand for admissions to a good commerce college continued this year too with a record number of students opting for commerce courses at Ghanshyamdas Saraf College of Arts & Commerce for admissions to the academic year 2017-18. Ghanshyamdas Saraf College, popularly known as Saraf College in the students' fraternity, continued to see a surge in the number of applications for its commerce courses this year too. From a total of 8,000 applications that the college received in 2014 on the Mumbai University online application portal, the figure today has reached close to 13,500 which is almost a 70% increase in the number of applications in just 3 years. This has been possible only due to the unstinted efforts of the faculty and staff who have been continuously building on the pedagogy and co-curricular activities making Saraf college one of the popular colleges in the city. Ghanshyamdas Saraf College has a ISO 9001:2008 certification and has been reaccredited by NAAC twice over with a CGPA of 3.23.

ALUMNITE 2017

Durgadevi Saraf
institute of management studies
WE CREATE LEADERS

To take a walk down the memory lane, DSIMS organized its maiden Alumni Meet on 24 June, 2017. Almost 225 graduated students from six preceding batches of DSIMS gathered to relive old memories. The faculty and staff members were also present in that meet. At first the alumni registered themselves and informed the Institute the possible kind of association they intend to be with their Alma Mater. The event was inaugurated by our current batch of students, followed by a welcome note from Director DSIMS, Dr C Babu. Students performed several small skits and dance drama regarding different events of DSIMS, right from prestigious annual Conclaves to cultural fest Sabrang. In this very process the students tried to show the kind of mentoring they receive from DSIMS towards their journey to become future leader of Indian businesses. The evening was a platform of exchanging sweet old memories. The first batch of DSIMS 2010-12 as well as some other batches shared different

memoirs from their collection. Many of them gave engaging and witty speech about their life at DSIMS. Professors also took active part in it by recollecting those days of tutoring young minds, enhancing their potential and shaping their careers towards their area of interest. Great bonhomie was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. After the formal event the alumni enjoyed the DJ dance and reunion dinner. In all, the ambience was electric with people seen chatting and dancing in groups. It was truly a good chance for old friends to meet up and reminisce in an informal setting. DSIMS alumni showed their enthusiasm towards brand building of their Alma Mater. The Meet ended with promise to meet again and everyone bid emotional farewell to each other and their beloved DSIMS.

I spent 1/4 of my life in MBIS needless to say it is an essential part of the ambience I grew up in. The small, close-knit community created a strong bonding amongst everyone, peers as well as teachers. The teachers were true critics, guiding me towards a better path at every step, creating an atmosphere that supported me to discover my strengths and weaknesses and motivating me to be the best version of myself. The most memorable moments for me were the TOK discussions, where we discussed a broad range of topics that concern humanity across ages and borders. It helped me formulate a world view, stimulated my curiosity on many abstract topics, enhanced my ability to critically assess things happening around me. MBIS also gave me the opportunity to engage in an exchange program with a school in Germany helping me understand a very different culture than the one I grew up in, leading me to accept and appreciate diversity. It also gave me a very good friend in a different part of the world who I can still communicate with and get a unique perspective from. Overall, MBIS created an ambience which held out all realizable openings to me designed under the backdrop of hope and betterment, a world in which I was given every possible opportunity to grow as a human being, preparing me to step out of this protected environment, meet life intelligently, and without fear.

It is indeed difficult to summarize 11 years of my school experience in few words, but given the task all I can say is that I am a proud dentist in the society today because I have a platform called "SARVODAYA BALIKA VIDYALAYA" now known as Kudilal Govindram Seksaria Sarvodaya School.

There is no moment in life when I have not missed my school & my teachers. It was the never ending guidance, support & encouragement along with moral values inculcated by my teachers that has helped me sail through various phases of life & to fulfill my dream of becoming a DOCTOR and extending my services to the society.

I sincerely thank one and all who have contributed to enable me to become what I am today. I would surely like to contribute my bit in the school activities whenever called for.

KGS Sarvodaya school is one of the best Hindi Medium schools in the city of Mumbai and I am proud to belong to this institution. The academic experience the school provides the best of infrastructure, faculty and scope for extracurricular activities to students throughout their school life. I just cannot forget the Annual days, the Hindi Divas and the inter school competitions where I participated and made my school proud.

I take this opportunity to congratulate the staff, Principal and students of the school for securing 100% results in the SSC exams since the past two years and am sure this tradition will be followed in future too. The school has provided me a platform to realize my potential & to make the best use of it. My Principal and Teachers were outstanding & gave me the best guidance possible. I am indebted to my school for whatever I have achieved in life today. I would surely like to re connect with the school in its future years and help in whatever way I can.

NEW PATHWAYS FOR HIGHER EDUCATION

MEDICAL MANAGEMENT

Dr. R. B. Smarta
Managing Director
Interlink Marketing Consultancy

Being in teaching and consulting since last 30 odd years in Management institutes and in Intellectual Thought Forum for Medical Education, my orientation is not from academics alone but I look at the students who would pass out and make their careers.

As the times are changing fast and employability is being an issue, as an outsider, I have stated my perspective in this article.

Do we prepare our students for future with old methods, values, decisions, or do we orient them for living in future?

What values do we wish to imbibe and if so are we ready or are we going to stick to our old paradigm?

This is a major question which can be deliberated before we start looking at education. Are we providing enough knowledge and skills for students for the future?

Education is all a matter of building bridges. The nation's progress lies in providing the highly developed skills and knowledge to the youth. India has one of the largest higher education systems in the world like policy making, Regulation and Accreditation. However, there is still a lot of potential for further development in the education system. The Indian education system recognizes the role of education in instilling the values of secularism, constitutional and respect for democratic traditions and civil liberties and pursuit for justice. We need to put these basics in our syllabus.

This article is focusing on New Pathways in Higher Education - Management and Medical In India. Educational progress is fundamental - but building a skilled workforce for nation and improving their live hoods is the critical task as a country grows. However, the quality of education - basically the Indian education system - is a long faced issue in India as our system is one-dimensional and lays emphasis only on scoring marks, rote learning and on memorizing the facts rather than thoroughly understanding the concepts. The absence of learning and low quality of teaching has its impact on the students. Dropouts are even higher among our most vulnerable communities - schedule castes and tribes and minorities higher than the national average and that could become stumbling blocks in our developing country. Questions on whether the children are really learning -

still go unanswered.

MANAGEMENT EDUCATION OVERVIEW

Changing business landscape has resulted in major shift from manufacturing to service economy in India. Many believe that India should now by pass manufacturing and focus on service and knowledge economy alone. Knowledge would include science, bioscience and also environmental and agricultural science.

Some business schools are also undermining, manufacturing and operations curriculum. It's a grave mistake, as that would still become executional focus for bigger educational thought process. Efficiency, productivity in all aspects of business and economy along with management will always remain critical for growth of national economy.

In a rapidly globalizing economy, the demands on the skills of Indian managers are changing. Concurrently, there is a mushrooming of B-schools in the country leading to issues of quality.

Technology would add speed, accuracy in operational and thinking capabilities, and provide excellent facilitation to all operations as well as data mining.

While management education has made a rapid growth because of private initiatives in India, government has reserved its role, as

regulators in terms of norms, standards, approving launch of new schools, colleges, accreditation and other physical aspects of any management Institute. Recent attempt on the part of government to control fees structure may cut both ways, as the cost is escalating and economic standards are increasing.

As a result of continuous criticism of the strategy and unplanned growth of management education in the country, where our focus were on demand and supply management of education.

It has established standards for regulating business schools but its implementation is still in question. Faculty with Ph.D. qualification required by AICTE as well as required infrastructure and other physical aspects are still inadequate, when it comes to implementation.

Ranking of business schools has created awareness amongst potential participants to differentiate between schools of various qualities and shades.

Dr. Dharni Sinha says that it's amazing to notice that, hardly 15 schools management graduates who could be accepted worldwide and only 50 schools out of 900 have 25 or more members of faculty and rest of them are struggling to be in good schools.

The cost of courses has increased— even in the lowest-quality schools—while the salary graduates can expect to earn is falling. "There a lot of people graduating from business schools that don't get jobs in metro cities or big corporations," says Dr. Rajan Saxena, the vice chancellor of the Narsee Monjee Institute of Management Studies, a private university in Mumbai, and chairman of the board of studies at AIMA.

Such problems have the potential to hold back a country that will need ever-more good-quality managers. So as 2015 turned into 2016, AIMA published a strategy paper, seven months in the making, from a committee tasked with finding a way to improve management education in the country. The goal is bold: "By 2025 [the] Indian management education system should clearly emerge as the second best in the world, second only to that of [the] USA."

Dr. Ranjan Saxena, says, there is a vast gap between India's best business schools (Ahmedabad's Indian Institute of Management (IIM-A) tops The Economist's global ranking of business schools' when it comes to opening new career opportunities) and its more mundane colleges. Yet they both teach the same theory and techniques. That is wrong-headed. An MBA graduating from a business school in Kapurthala (population: 99,000) is much less likely to reach the board of a multinational firm than one coming out of a management institute in Mumbai (population: 12m). The skills needed to handle a smaller company—in Indian heavy industry, for example—are different to global corporations.

EIGHT CHALLENGES:

There are eight challenges in the system

1. Physical aspects: The main focus is on the infrastructure and the amenities offered by colleges and the physical facilities, equipment, support services and attraction of campus. Since students do not receive only education service, but also a large

component of support service, they undoubtedly depend on other cues in the absence of physical aspects evidence by which to assess service quality.

2. Reliability: Initiative by the college to perform the services to students they have promised to deliver accurately and dependably.

3. Competence: Faculties play the very important role, they are the intrinsic characters which are formed by the accumulation in long teaching history and learning and construct from working base of a good teacher.

4. Industry Institute Interaction: Building up the bridge between student's expectation and getting outcome from colleges, there should be collaboration & interaction between the level of student and institute with the industry through industrial visits, interaction with industry experts, executive interaction and industrial exposure etc.

5. Course structure: planning and execution of agenda i.e. what will be taught to the students and the detailed requirements of it as the industry demand, report making of summary.

6. Internship output: Involving students in an internship program, and their interaction with the working group. It also concerns to the expertise gained and possibility of getting employed in the organization of internship.

7. Incubation of Entrepreneurial Spirit: Helping the students to encourage for starting/ establishing business venture among management graduates. Innovation and risk taking ability and converting risk into profit.

8. Employability: Developing High skills, knowledge, competence etc. that is required to be employed in an organization of repute.

In order to address these challenges we need to go beyond Brick & Mortar model and ensure that education becomes a game changer as well as life changer for students. Besides, what we impart should be reliable and should be done by competent teachers who have perspectives.

Good interaction with industry and also keeping ongoing projects with industry would enormously benefit students to check reality which they will face tomorrow.

the lead. The results clearly questions about the lot of resentment amongst the medical community regarding the current education system that needs stringent changes.

It has made a point for policy makers to restructure and to review the education system, to fill the gap between the students' demand and supply of the employable graduates. Since the time students start preparing for PMT till they become a specialist or a super specialist they are in a blind rat race. And it doesn't matter who the winner or loser is because everyone ends up being a rat. The whole system is exam oriented, either at the exit or at the entry. Where is the joy of studying medicine in that? Moreover this does not prepare the students to face the real world. The whole system is flawed from the beginning and needs to be changed. We have adopted mediocrity, and it will destroy us as well as the Indian Education System.

4 CHALLENGES:

1. Defective Selection of Doctors-To-Be

India is one of the countries where there is high demand for medical seats. More than six lakh students write the pre-medical entrance tests every year. Only about 45000 turn out to be fortunate enough to secure a seat. Aspirants are screened on the basis of the answers they give to multiple choice questions. These tests often turn out to be mere tests of memory. True knowledge is seldom assessed through these MCQs. The medical education system in India presently focusing on rote learning pattern and it allows anyone who can memorize and store a large amount of information to be a doctor rather than creating socially committed compassionate healers.

2. Flawed Assessment System:

While most foreign countries use OSCEs (objective structured clinical exams) to test the competency of medical students, the examination system in India gives more importance to theoretical knowledge whereas, clinical skills are often overlooked. The change that is needed is more clinical experience.

3. Outdated Syllabus:

Another serious handicap of the Indian medical education system lies within the syllabus. A young student who steps into a medical college after completing school education encounters a huge and growing body of knowledge. The present syllabus doesn't distinguish between the less important and more important facts. Moreover, students are seldom provided opportunities to explore

4. Employability Centers

In the current education system, the entire focus is knowledge based rather than practical based. The student's skills have to be developed in a way so that they get simultaneously trained to meet the industry needs once they graduate, short term courses can be designed.

World is changing dynamically in the internet era, but not our medical schools, I think they are still in the old books and are not profiting by the recent trends. Promoting acquisitiveness and research is another area where the medical educators should take

new and exciting domains in medical science. There is no integration of sciences as the subjects are taught isolated from one another. Most of the students attain inadequate clinical exposure. While foreign countries have made use of cutting edge technology to impart knowledge to their students, Indian class rooms are still teacher-centered and encourage passive learning of facts.

4. Price of privatization:

Though privatization has broadened the scope of health care, it has resulted in the commercialization of education. India is the only country which authorizes the sale of medical seats. Many colleges take illegal capitation fees which ranges anywhere between twenty five lakhs to one crore.

While addressing these 4 challenges it's really a difficult task to move towards affordability of medical education and also for those who deserve and select right profession, as skills and attitudes of would be doctors need to be oriented towards making them better healthcare providers, they need to undergo a very different regimen right from syllabus to service orientation.

Considering this I have the following seven new pathways for medical education

NEW PATHWAYS:

The 7 New pathways to build a complete New Medical Education system are as follows:

1. Primary Healthcare Providers- Primary issue:

Low Doctor- Patient ratio, Effectiveness of PHCs. Steps for primary healthcare providers-As there are already established PHC centers all over India, proper inventory management of medicines, follow-up and administration of these PHC centers for its effective use needs to be regularized. Special education program for PHC providers can be designed for their growth and higher responsibilities in healthcare hierarchy on the basis of contribution, growth of PHC centers.

2. Primary Healthcare Centers- Ayurvedic Doctors-

Primary issue: Low Doctor- Patient ratio Steps for Ayurvedic doctors-As there are already practicing Ayurvedic doctors in rural areas, a special education program can be designed for those chosen by selection amongst Ayurvedic practitioners and the number of PHC providers can be improved substantially. There is a conflict between modern medicine system and Ayurvedic medicine system, resolution can be solved for benefit of Indian patients and the course can be decided. Appropriate syllabus, evaluation mechanism, practical training can be developed to deliver excellent PHC.

3. Secondary Healthcare: Steps

Patient and Doctor Community education- Awareness and patient education along with awareness of doctor community is essential to make distinction between PHC & SHC as it should not be only urban rural divide. There should be accessibility & competency of providers along with medical infrastructure inclusive of diagnostics.

4. Tertiary Healthcare

Develop Syllabus-Structure of the syllabus should encompass different knowledge and skills areas from different disciplines such

as biology, psychology, sociology, nutrition and traditional medicines along with other related disciplines.

5. **Harvard Medical Pathway - A role model:** The New Pathway curriculum integrates the biological, social, behavioral, and clinical sciences over a four-year period.

Conclusion

Although, I have no expertise and cannot claim as guide but, contributing to syllabus-making to Mumbai University, paper setting, evaluator position in Mumbai University, taking up special courses for management, pharmacy, healthcare and hospital sector. From my perspective I have focused this article on reforms in the current education system.

Established in 1975

Dhurmal Bajaj Bhavan is a community hall which was constructed in the year 1975-76 with the handsome donations received from Shri Dhurmal Bajaj Charity Trust & other philanthropists of the community. It is situated on S.V. Road, on the opposite side of the Educational Complex of Rajasthani Sammelan. It has a spacious, air conditioned hall on the ground floor with a seating capacity of 350 persons. The building has two more halls on the first & second floors. There are air conditioned rooms adjacent to the hall on all the floors. Dhurmal Bajaj Bhavan caters to the needs of the community, as it is rented out to the people for marriage & other social & business purposes. Many cultural activities of the schools & colleges of the trust are also conducted in Dhurmal Bajaj Bhavan.

Established in 2001

Rajasthani Sammelan has set up Trivenidevi Deora Chikitsa Sahayta Kosh to provide medical help to needy people. It is managed by Trivenidevi Deora Chikitsa Sahayta Kosh Committee. The committee receives applications for medical help from needy people and on scrutiny of the applications, sanctions and disburses medical aid to the concerned persons who have applied for the same. Many people including the staff of all the institutions have availed of this facility from time to time.

Established in 2002

Durgadevi Saraf Hall is constructed in the educational complex of Rajasthani Sammelan & is an air conditioned, sound proof hall with state of the art facilities. It has a seating capacity of approximately 300 persons & is mainly used for organizing seminars, conferences & cultural activities of the educational institutions of the trust. Besides, it is sometimes also given to the members of the community for marriage & other social needs. The hall has all the facilities to cater to business meetings. It has 2 air conditioned rooms adjacent to the hall.

Established in 2010

To maintain universally accepted IT Standards in security, availability and data management, Rajasthani Sammelan has decided to have an IT Hub as proper data centre which is supported and managed 24 x 7. The IT Hub is constructed on the 10th floor of the new building, in a built-up area of 3800 sq.ft. It is fully air conditioned and is operational. The main aim of constructing the IT Hub is to make all course material available on line to our students, easy flow of interaction between student and teacher through electronic medium, to create alumni data and keep students attached to our organization life-long through web, to safe guard the campus using video vigilance and electronic access control, to control the entire admission process of all institutions centrally, to safe guard all available data and provide fast internet services within the campus.

Established in 2013

Rajasthani Sammelan has started a cafeteria in its premises to provide snacks of large varieties to students. The cafeteria is situated on the ground floor on the south side of Durgadevi Saraf Hall in a total built-up area of approximately 4500 sq.ft. It is used by staff and students of all institutions. Various food items of different price range are supplied by the cafeteria to the students & staff of all our institutions. The cafeteria supplies all kinds of snacks and beverages to the canteens of all the institutions of Rajasthani Sammelan.

Established in 2014

Rajasthani Sammelan has started an educational outlet in its campus by the name of Ramnarayan Saraf Educational Outlet. This educational outlet is dedicated to the memory of late Shri Ramnarayanji Saraf. The educational outlet is constructed on the ground floor of the new building of Ramniwas Bajaj English High School on the rear side, in a built-up area of 5000 sq. ft., with an independent entrance. In this educational outlet, all stationery items, text books etc. are sold at a reasonable price so that students need not go out to purchase such items elsewhere. It also has xeroxing facility for staff and students.

Established in 2014

Rajasthani Sammelan has constructed Vijay Pal Singh Health Centre on the ground floor of the new building of Ramniwas Bajaj English High School and Deviprasad Goenka Management Institute of Media Studies, in a built-up area of approximately 1200 sq. ft. The health centre is fully air-conditioned and has a well equipped clinic, managed by trained and experienced staff and qualified medical professional prepared to meet the emergencies. The health centre caters to the students of all institutions of Rajasthani Sammelan for health check-up. It will also conduct health and wellness educational seminars for staff, students and parents.

Rajasthani Sammelan
teachers' training institute
BUILDING FOUNDATIONS

The Teacher's training institute aims to be a prominent name in the field of providing teacher's training courses. The Institute will aim to provide high quality training programs to aspiring teachers who want to get into the teaching profession as well as to those who are in the teaching profession to transform them into experts and prepare them for the rapidly changing dynamics of the global teaching methodologies and new approaches of teaching.

The Pledge One program provides an opportunity to pledge undertaking education for the under privileged strata of the society studying in the aided section of the educational institutions of Rajasthani Sammelan. The donations received under the Pledge One program is utilised in an equitable manner to ensure that these students receive Quality Education in an environment that nurtures growth.

To encourage bright students studying in the Kudilal Govindram Seksaria School, Rajasthani Sammelan Educational Trust has come up with an endowment fund titled "Bright Sparks Endowment Fund". This fund has been conceived to provide educational enrichment to talented and deserving students studying in Grade 5 and above.

Thank you Donors

Our family of donors include illustrious business families, individuals, corporate partners, foundations and all those people who are committed to our philosophy of providing "Quality Education for All" and have been coming forward with their contribution from time to time to create an institution of educational excellence.

Through these columns, we thank and acknowledge the support of our donors for their generous contribution over the years. Your support and contribution plays an important role in helping Rajasthan Sammelan to achieve its mission of developing a community dedicated to achieving national and international levels of excellence in various fields of education.

Your generosity has significantly contributed and helped the students in various areas. Every donation that you make impacts the life of our students in some way or the other. Your contribution has helped us build various institutes of excellence with the best infrastructure that include state of the art computer labs, knowledge resource centre, communication centre, health centre, educational outlet, sports facilities and scholarships instituted for meritorious students. All our institutes have benefitted immensely from your support.

Undoubtedly, you as our esteemed donors have made Rajasthan Sammelan stand tall in stature and have helped it grow from time to time. Like you, there have been many others whose contribution to Rajasthan Sammelan way back in the early 1950s has been significant and notable. And we gratefully acknowledge their noteworthy contribution in setting up the edifice of this great institution.

We gratefully acknowledge the contribution made by Late Shri Kudilalji Seksaria who donated the land on which the current structure of Rajasthan Sammelan stands. This contribution cannot be valued in terms of money, and it would only undermine his contribution if we were to measure this in monetary terms.

At the same time, had it not been for the significant contribution of Rs. 50,000/- by Shri Brijmohan Ruia (Brijmohan Laxminarayan Ruia Charity Trust) way back around the year 1950, the landmark Sarvodaya Balika Vidyalaya would not have come up. A small dream way back in early 1950s has today paved the way for a number of institutions under the banner of Rajasthan Sammelan. As they say, "It all begins with a Dream".

We are proud to have you all as an integral part of the positive impact and an enduring legacy that we are creating at Rajasthan Sammelan. May your benevolence continue to bring about the change we wish to see in our educational system. We stand committed to spread our wings and fly higher. In this journey of growth, we seek your continued support.

We constantly endeavour to maintain accuracy in the list of donors and we thank you for the feedback in case of any discrepancy that has been noted. Should there be any errors or omissions in this list, we urge you to contact our Donations Officer on rs@rajasthanisammelan.org.in.
