Volume 9, Number 7, October 2019

- **7th Remsons International Research Conference - 14th March 2020**

- The 7th Remsons International Research Conference which was scheduled on 14th March 2020 on the theme “**Management in Twenty20s -Opportunities & Challenges**” was deferred in view of the *UGC direction dated 5th March 2020 advising that the large gathering at the campus should be avoided due to Novel Coronavirus Covid -19.*

The focus of the conference was to address the issues requiring deep understanding of the challenges anticipated to be faced by the business and suggesting solutions for handling those challenges and creating new opportunities in a competitive and uncertain business environment during the decade Twenty20s which has just commenced. This conference is organised annually under the aegis of Remsons Centre for Management Research at DSIMS.

We have already received a total of 18 papers for the conference which also included papers from DSIMS faculty and students. The papers were sent for the blind reviews to the eminent academicians for evaluation which accounts for 50% of the score and the rest 50% is based on the presentation.

The new dates will be decided after the situation becomes normal and the papers received and the evaluation already done will be considered.

- **Research Paper**

Prof. Anthony Colaco presented a paper titled “Organizational Ambidexterity in Start-ups - Balancing Exploration and Exploitation” along with his guide Dr. Veena Vohra, from NMIMS, at a conference held by EuroMed Research Business Institute in association with K J Somaiya Institute of Management and Research on the theme "Business Theories And Practices Around The World, February 5th to 7th, 2020.

INTERNATIONAL IMMERSION

International Immersion to Germany, Switzerland & France from 14th to 21st September, 2019 - 1st Group & 28th September to 6th October, 2019 - II Group

For the year 2019, 118 students along with five faculty members visited Germany, Switzerland and France in two groups. Durgadevi Saraf Institute of Management Studies concluded its 8th flagship International Immersion. The trip was special and unique in more ways than one. This endeavor was a unique experience since apart from offering students a deeper insight of the countries, it also helped them grasp the essential management and development lessons of these cities.

DSIMS Students Study Abroad Program at University of Finance and Administration, Prague

For the year 2019 (October) eleven students from DSIMS visited University of Finance and Administration (VSFS), Prague, Czech Republic under Student Study Abroad Program. DSIMS offered special scholarships to these students since they were selected on the basis of their academic excellence. University of Finance and Administration-VSFS offered one week Study Abroad Program between 4th and 10th October, 2019. During this period, students learnt Geo-Politics with special emphasis on International Business. They were offered seminars on Czech Republic Culture, City Tour and Industry Visit. Students were further presented with certificates after their successful completion of the course.

DSIMS - RURAL IMMERSION 2018

Rural Immersion 2020 - 23rd to 26th February

Every year, students of Durgadevi Saraf Institute of Management Studies (DSIMS) undergo Rural Immersion. The Rural Immersion involves a visit to rural areas for experiential learning about life and economic activities of the rural people in these areas. Through these immersions, DSIMS students get an opportunity to learn about

entrepreneurship, self-employment, micro-finance, functioning of supply chains and environmental sustainability practiced in villages and challenges faced by them.

In February 2020, DSIMS students visited rural areas of Anand district of Gujarat. During the immersion some of the places visited by the students were, AMUL Factory, hand weaving and packaging of spices at SEWA (a self-help group), a tobacco co-operative operating successfully since six decades, organic farming of bananas and potatoes. They also learnt about activities of National Dairy Development Board (which has been pivotal in development of co-operatives in various states). Prof. Anthony Colaco and Prof. Maneesh Gupta coordinated the visit.

OTHER POINTS
