Title of the Practice

Fostering Community Outreach

Objectives of the Practice

- To promote civic, social and environmental engagement
- To stimulate self-reliance and self-development in local communities
- Sensitize students to the community's needs such that they become willing partners in rendering selfless service to the nation/state, especially in challenging times.

The Context

The youth, constituting a significant percentage of the entire population, are the backbone of our society. They are the future of communities and the country at large. With a mission to empower students as responsive citizens, Ghanshyamdas Saraf college of Arts and commerce has initiated programmes to instil in students the need to get involved in community concerns, develop compassion for others, and render selfless service to those in need. This encourages the student community to move beyond their comfort zone and become productive members of society. The student volunteers of Rotract, WDC, NSS and NCC cadets of the college have been actively involved in creating awareness about issues related to the youth in the community like human trafficking awareness day, donation drive, vaccination drive, Hunger saviour project, women health and hygiene etc.

The Practice

The of the College focuses on developing an educative community of responsive citizens, empowered with skills that promote the advancement of the nation as a whole and this serves as a perpetual guiding direction for activities on the campus.

Community outreach measures like

- The Students regularly visit homes for the aged, orphanages, and homes for the needy in order to sensitize them to the problems and concerns of the underprivilege
- The NSS College students have distributed books, stationery, shoes, spoons, soap, plates, and identity cards to the children of the Orphanages
- Sudarshan Kriya Program conducted online to create awareness on yoga and meditation
- Food Donation drive on occasion of chatrapati shivaji Jayanti
- Rotract organized blood donation drive
- Rotract organized Hunger saviour program and donated 110 food packets

- Rotract organized health check up program and many people benefitted out of it.
- Plogging- picking up trash from beaches and promoting a litter-free surrounding.
- Literary association like Gujrati and Marathi conduct quiz and essay writing competition to enhance student writing and reading skills.

Pollution and environment protection:

- Cleanliness/plastic collection drives are regularly organized in the vicinity and nearby beaches.
- Green Initiative Committee conducted the E waste drive. More the 10 students initiated by discarding the waste, non-repairable electronic items in E box. Even the Professors of the college disposed many non-repairable electronic gadgets in E waste**.**
- Rotract beach cleaning drive to make beaches trash free.

Evidence of Success

- 17 bottles of blood which were collected during the blood donation camps helped replenish the available blood in the government blood banks through rotract.
- Rotract distributed 110 packages of food to the needy people under Hunger saviour
- 184 students attended webinar organized by SORT club in association with Art of Living on awareness program on drug abuse and taken pledge of not to indulge in any substance abuse
- 139 student attended webinar organized on “Sexual Harassment at workplace: Cases and Provisions” organized by WDC.
- 119 students attended online International yoga day organized by SORT Club in association with Art of Living to highlight importance of yoga among student and faculties.
- 325 Students of the college registered for covid vaccination drive.

Problems Encountered and Resources Required

- Undertaking large-scale programs is not feasible due to lecture schedules, continuous academic activities, and financial constraints.
- Acquiring permission from police, RTO, and government offices is challenging.
- Due to the strong influence of the virtual world, technology, and social media, students are not always receptive to social causes, making it challenging to foster a public spirit

VIJAY DIWAS

VIJAY DIWAS

Vijay Diwas is commemorated every 16th December in Bangladesh and India to observe India and Bangladesh's victory over Pakistan in War of 1971 for the liberation of Bangladesh from Pakistan. The end of the war also resulted in the unilateral and unconstitutional surrender of the Pakistan Army and subsequent secession of East Pakistan into Bangladesh. On this day in 1971, the chief of teh Pakistani forces, General Amir Abdullah Khan Niazi, along with 93,000 troops, surrendered to the allied forces consists of Mukti Bahini and Indian Army, led by General Jagjit Singh Aurora, of India in the Ramna Race Course, now Suhrawardy Udyan, in Dhaka after their defeat in the war. The then Prime Minister of India, Indira Gandhi, extended her full support to the liberation struggle of (East Pakistan) Bangladesh that helped it to become a free nation.

While it was a big day for Bangladesh, as it meant the secession of East Pakistan into the country, this win was also a proud moment for the Indian Army. After a 14 day war, Pakistani troops in East Pakistan under Lt. Gen AAK Niyazi, Cdr Pakistan Army Eastern Command Surrendered to the Indian Army. A new nation was born and India's commitment to Bangladesh was fulfilled.

On 16th December every year , Citizens, Senior official Students and war veterans lay wreaths and remember the sacrifice of the soldiers. In Bangladesh, this day is observed on 16th December. Every year on this day people of Bangladesh shower's their respect to freedom fighters, Martyrs and Birangonas.

THANK YOU, JAI HIND.

राष्ट्रीय युवा दिवस

12 जनवरी को राष्ट्रीय युवा दिवस है। राष्ट्रीय युवा दिवस भारत के उन युवाओं व नौजवानों को समर्पित एक खास दिन है, जो देश के भविष्य को बेहतर और भव्यरूप बनाने का सामर्थ रखते हैं। भारतीय युवा दिवस को 12 जनवरी को मनाने की एक खास वजह है। इस दिन स्वामी विवेकानंद का जन्म हुआ था।

इसे मनाने का मुख्य लक्ष्य भारत के युवाओं के बीच स्वामी विवेकानंद के आदर्शों और विचारों के महत्व को पेश्नाना है। भारत को विकसित देश बनाने के लिये उनके बड़े सपनों के साथ ही युवाओं के अनन्त ऊर्जा को आमृत करने के लिये यह बहुत अच्छा तरीका है।

भारत की युवा शक्ति "आँखों में देखने के सपने, मन में तूफानों सी गति हो " ऐसे ही हृदय में उठते हुए ज्वार, परिवर्तन की लालसा, अदम्य साहस, दृढ़ संकल्प लेने की चाहत का नाम है युवावस्था. दुनिया का कोई भी आन्दोलन, दुनिया की कोई भी विचारधारा युवाशक्ति के बिना शायद नहीं बन सकते. वास्तव में यह युवा शक्ति ही है जिसके दम पर किसी निर्माण या विध्वंस की नींव रखी जाती है. विश्व में भारत सबसे ज्यादा युवा आबादी वाला देश है. सन २०२० तक भारत की औसत आयु २५ वर्ष होगी. जबकि चीन की ३८, अमरीका की ४५ और यूरोप और जापान की औसत आयु ४८ वर्ष होगी. जनसंख्या के आंकड़ों के अनुसार भारत में ६० करोड़ १३ से ३५ वर्ष की आयु के युवा हैं. इन आंकड़ों से स्पष्ट है कि भारत में मानवशक्ति व्यक्तियों कि संख्या सबसे अधिक है. विकास भारत के आगरा अमावेशी विकास के लिए मानवशक्ति व्यक्तियों की विकास जनसंख्या की आवश्यकता होगी. अतः भारत को एक युवा राष्ट्र कहा जा सकता है।

इसका यह है कि कोई राष्ट्र अपनी युवा पूँजी का निवेश कैसे करता है, क्या वह विकास युवा जनसंख्या को राष्ट्र पर बोझ समझता उसे राष्ट्र कि मजबूती के रूप में निर्मित करता है अपना समझता, समृद्धत, शक्तिशाली और आत्मनिर्भर भारत के निर्माण में इसका समुचित उपयोग करने के आपस उपलब्ध करता है.

"उठो, जागो और तब तक मत रुको जब तक लक्ष्य की प्राप्ति न हो जाए "- स्वामी विवेकानंद

Annual Report 2021-2022

Rotaract Club of Ghanshyamdas Saraf college has kept the theme of RI year 21-22, A new benchmark. We have set few trust areas to focus throughout the year to conduct projects majorly on community welfare. Projects on Swachh Bharat involved cleaning of beaches at two places - Vasai and Malad. Blood donation camps at Malad and Bhayandar, free full body health check up, Hunger Savior Project in collaboration with few international clubs, in this project, we fed poor people on World food day. Wide range of career opportunities given exclusively for the students of our college through our Recruitment Drive. We have opened two podcast streams on various platforms like Spotify and Google Podcast, focusing on Global Current Affairs, Poetry & Storytelling. Following all Covid protocols, conducted an outdoor camp trip to Karjat and witnessed Ganpati Gadad waterfalls after hiking located at Murbad District in Maharashtra & hiking as well enjoyed and cherished by everyone. Rotaractors took part in the Inter Club Youth Exchange conducted at Chennai. E- sports competition as well as on ground cricket, badminton tournaments were held.

We conducted all the projects in the best of our ability, but the BEST PROJECTS conducted by us were -

1. Jeevandan –

Members of Rotaract Club of Ghanshyamdas Saraf College conducted a blood donation drive in association with Rotaract District 3141. The project was done in collaboration with Rotaract Club of Bombay Film City, Rotaract Club of Bombay Northwest-Malad, Rotaract Club of Bombay Kandivali and Rotaract Club of Dahisar Coast. In the project 17 bottles of blood was collected which was given to a blood bank. The project was conducted to help

RAJASTHAN SANMELAN EDUCATION TRUST
GHANSHYAMDAS SARAF COLLEGE OF ARTS & COMMERCE

blood banks, which are in dire need for different components of bloods like plasma, WBCs, etc. but due to shortage of blood can't help the people in need.

2. Water Fall Hike –

During the Covid-19 pandemic, many of the students were bored in their homes and were not able to experience what it is like to be in nature. This project was conducted for members of the club so they could get out of the rut that the pandemic had created and explore nature and waterfall of Ganpati Gadad, Murbad District. The event started at 5 AM in the morning. The excited members hiked the hills and enjoyed the nature and explore the waterfalls after reaching the destination. They experienced for first time in 2 years of the pandemic what is it like to be in nature. The project was conducted jointly with Rotaract Club of Mumbai Sky City and in collaboration with Rotaract Club of Maharshi Dayanand College.

3. Book: A Precious Gift –

Even though education is the birth-right of every child, there are very few who get the gift of education. To facilitate education and help to give precious gift of education to few children, 9 members of the club conducted a book donation drive for the underprivileged children of Ankur Children's Home (Bhayandar), Rajendra Honeycomb Trust (Bhayandar), Daya Vihar Ashram (Malad). Notebooks and pens were donated to children of these institutions, to facilitate their education and help the children in any way members could. Members also played games with the children of the institutions and also conducted various fun activities with them.

4. Muskurayega India –

During the year 2021, it was difficult to celebrate Independence Day with the members of the club. So the Digital Communications team came up with a unique way to celebrate it with our members. It was decided that everyone would make a video of them lip-syncing to the song "muskurayega India". So the lyrics were divided among the directors and members and the videos were collected from everyone participating and was edited together and posted on social media accounts of the club.

5. Mera Bharat –

Like every year, we conducted our flagship project Mera Bharat, where we celebrate Independence Day with underprivileged children, who are not able to celebrate festivals by

themselves. Even though there was a pandemic going on, 4 members from the club went to Desire Society, an orphanage in Malad West to celebrate Independence Day with the children. The event was carried out by following proper covid guidelines in a socially distant manner, and everyone including the children were masked at all times. Title of the Best Practice: -Student Diversity

- ## The Context

  GSCC follows a policy wherein, a mixed crowd of students coexist within the college campus and learn from each other. The institution has a diverse crowd consisting of quick learners/ academically challenging students from different linguistic, social and cultural backgrounds.
  Learners are assessed on the basis of their class interaction and academic performance. Class teachers accordingly counsel the students. Due to the ongoing pandemic situation, all the activities of AY 2021- 2022 were conducted online by using virtual platforms like Zoom, Google Meet, etc. Various issues related to the syllabus and participation in extra- curricular activities were communicated and resolved through Whatsapp Class groups, Zoom meets and Google meets

- ## Objectives of the Practice

  - To help in developing the community by providing equal opportunity to all the
    students by providing financial assistance.
  - To enhance confidence among the students related to academic activities.
  - To improve learning ability and develop the inter- personal skills of the slow learners and advanced learners.
  - To encourage the students for participation in extra- curricular activities and self-growth.

- ## The Practice

  The institution follows a system of admission without any bias. Students from a diverse crowd including non-traditional learners, first generation students, quick learners, academically challenged students and students from minority backgrounds are admitted into the college. These students are also provided with necessary financial and nonfinancial support and advancement opportunities.
  Activities for Slow Learner:-For improving academic performance students are provided with practice question sets. For group presentations, groups comprise of advanced and slow learners wherein the slow learners get a chance to learn from the advanced learners.
  Activities for Advanced Learners:-Advanced learners are given the leadership roles in Group Presentations, Departmental Activities and College Committee's.

- **Advantages**
  - A diverse college experience encourages students to think of their careers based on a global perspective.
  - Diversity contributes to expanding the knowledge base and promotes creative
    thinking
  - Engaging with other students whose opinions, customs and personal lifestyles differ
    sharply from one's own increases one's self-insight.
  - Advance courses and no cost courses with placement offers provide better exposure to the students

- **Challenging issues**

  ● Creating an atmosphere in which everyone coexists comfortably despite their social and cultural backgrounds. Adjusting the lectures for add on courses is quite challenging

- **Evidence of Success**

  ● The sheer number of students from diverse sections of society who apply to study in
  the college
  ● The number of students who come from diverse backgrounds and complete their
  degree and secure placements.1087 students enrolled into courses on Swayam platform. Also due to efforts of Placement Cell, 559 students enrolled for various add on courses and 30 students were selected for campus internships.and 39 through Intershala.
  Got financial assistance from many scholarship schemes like
    - Government of India post matric scholarship, National Scholarship
    - Institutional scholarship-IRB Scholarship endowment fund, BKT Endowment free-ship fund, Jankidevi Bilasrai Bubna Endowment Free-ship fund and other trust funds.

- **Resources Required**
  - A solid system of support to ensure that students are adjusting well to the new atmosphere
  - A solid support system from teachers and managem
