

## About IQAC:

Ghanshyamdas Saraf College of Arts & Commerce established its Internal Quality Assurance Cell (IQAC) on 16<sup>th</sup> December 2004. The establishment of IQAC is a major step taken by our college in pushing long term quality standards. The IQAC being an integral part of the college, works towards realizing the goals of quality enhancement by developing a system for conscious, consistent and catalytic improvement in different aspects of functioning of the college.

Our IQAC strives to maintain and enhance quality standards in teaching, learning and evaluation. It also serves as an effective and efficient internal coordinating and monitoring mechanism. We also strive to include a culture of research among the staff and students. In sync with the mission of the institution- **“Empowerment through value based education”**, our IQAC has been diligently involved in helping the administration and other committees by offering valuable suggestions and measures in order to have consistency in maintaining the quality of education.

Internal Quality Assurance Cell is a step towards excellence. The IQAC of our College organises various programmes for faculty, administrative staff and students. It conducts open forum to provide interface between students and officials of the college. It conducts staff assessment to provide valuable feedback for quality sustenance and improvement in teaching, learning and research experiences in the college.

### **Some of the Best Practices promoted by IQAC of our college include the following:**

- ✚ Community development programs
- ✚ Promotion of sports thereby encouraging students to participate at national & international level
- ✚ Government Certified Skill development programs thereby making students job ready
- ✚ Initiation of E-Learning Academy
- ✚ Establishment of the Research Cell
- ✚ Establishment of the Bloomberg Lab
- ✚ Introduction of the Rotaract club
- ✚ Establishment of the E-Cell
- ✚ Collaborations with institutions of National & international repute (FPA & ACCA)
- ✚ Enrolment of NRI and Foreign Students in different Undergraduate and Postgraduate Programme.

One of our objectives has been always to promote and encourage research culture among our faculty and to provide opportunities to our faculty members in this direction. For this we, over a period of years have been organising various Workshops, Seminars and Conferences on quality related themes.

We are successfully fulfilling our institution's vision statement which reads **“To ensure consistent human enrichment and development by setting higher and newer goals in pursuit of excellence.”**
