Subject: Internship Opportunity With I-PAC

To: gsgc@rajasthan.org.in <gsgc@rajasthan.org.in>

Dear Ma'am,

Following the conversation you had with my colleagues, I write you this e-mail about the internship positions available with Indian Political Action Committee, Mumbai. It provides a great opportunity for individuals to closely observe, participate and learn about electioneering and political campaigning in India, and therefore, I would highly appreciate if you could circulate the news among your students.

Indian Political Action Committee (I-PAC) is the platform of choice for students and young professionals to participate in and make meaningful contribution to political affairs and governance of the country, without necessarily being part of a political party. We work with visionary leaders with a proven track record. In the process, we help them set a citizen-centric agenda and partner with them to conceptualize & implement the most effective methods of taking it to the public and gathering mass support.

This particular month-long paid-internship is with regards to the Maharashtra State Assembly Elections, and the position is based in Mumbai City/Suburban. Given the fast-approaching elections, **the deadline for application is the 25th of September, 2019.** The internship would entail field-work, campaign execution and managerial duties, thus, providing an enriching experience to the participants.

Therefore, I would sincerely appreciate having students from your renowned establishment work with us. I look forward to hearing back from you, and do not hesitate to contact me for any further details.

Sincerely,

Revati Gokhale

Thank you ma'am for the huge response.
We would be hiring all the students as field volunteers. There wouldn't be any exhaustive interview procedure as such. The volunteers will be getting certificate at the end of the work period.

Warm regards,

Dear Mamta,

Greetings from Mswipe !!!

As discussed sharing the JD & brief details of the company.

Mswipe is India's leading independent POS merchant acquirer. We help merchants grow their business by enabling cashless transactions through our devices. Mswipe devices are user-friendly and work on Bluetooth, GPRS & Wi-Fi. Mswipe's POS device and QR can accept all type of cards and UPI payments i.e. Debit card, Amex, Mastercard, Google pay, PhonePe and NFC (Near Field Communication) payments.

Please find attached the Job Descriptions for the position available with us.

We are also offering 8-10 weeks Internship Program in Financial Technology -Internship to your students in partnership with VISA® (Largest Payment Network in the World) and National Payment Corporation of India (Umbrella Organization for all Retails payments in India).

During the internship Program, students will get an opportunity to experience the Digital Payments Space and the flow of business by actively being a part of Business Development and Market Research. The intern will be involved in creating awareness about digital payment solutions and also stand to earn incentives, bonus and win prizes through business development and market research activities.

We request you to circulate the Internship Information on your website, student portal, notice board, internal communication channel and confirm us the following details:

1. Students interested to be a part of this Internship Program
2. Dates and duration of the Summer Internship in your Institute

For any queries please feel free to reply
