Covid-19 has brought a paradigm change in the working style of the educators making it shift from classroom teaching to online teaching. From times immemorial, educators are required to develop teaching content, monitor the progress of the students, generate various reports for different purposes on a continuous basis. The only difference is now all these responsibilities of educators need to be performed with the aid of technology. Considering all this, the webinar theme was perfectly a step to address the need of the faculty members to be well versed with advanced functions of MS Excel which could be applied in their everyday work life to make work done in simpler, faster and effective manner.

The IQAC along with the BCAF Dept. realised this growing need and organised two days National Webinar on Advanced Excel in association with SDVTII on May 20 and 21, 2020 from 3 p.m. to 5 p.m.

We were fortunate to have good resource person like Ms. Ratna Vora who has to her credit more than 12 years of experience and is currently working as Centre Manager and Career Advisor at Raj Computers Academy, Kandivali.

Dr. CA Rajesh Chheda, Chief Mentor, SDVTII also graced the Webinar with his presence on both the days.

She said that ICC is suppose to be a neutral body, constituted for the addressal of complaints and also it assists the victims in writing complaints, ensures safety of complainants and prevents victimisation.

She said that higher educational institutions shall conduct such programmes frequently and should also conduct workshop for all the students on SH.

Institutes shall focus on creating a campus which is free from discrimination, harassment, retaliation and sexual assaults at all levels.

Institutes shall treat SH as misconduct and initiate action against the perpetrator.

Her guidance on SH helped students understand it better and also helped them recognise the proper channel in order to report any such misconduct on the campus.
