Organizes a Webinar on

# 'GENDER EQUITY AND COVID 19'

Date : May 15, 2020 | Time: 10 a.m. to 12 noon

Venue: Zoom Platform

### Preamble:

Gender Equity is the process of allocating resources, programs, and decision making fairly to all genders without any discrimination on the basis of gender and addressing any imbalances in the benefits available to people of different genders. In order to have gender equity, we need to change the narrative and shift the focus from fixing women to fixing the system. A system that has suppressed economic opportunity at all levels - individual, family, professions, corporates, and country. In the midst of this global pandemic threat that is sweeping across the humanity beyond oceans and borders, there lies a huge opportunity for deliberation, learning and transformation in the period of lockdown. This webinar is one such opportunity that aims at a holistic understanding of Gender Equity.

### About the College:

Ghanshyamdas Saraf College of Arts & Commerce (GSCC) came into existence in 1983, under the umbrella of the Rajasthani Sammelan Education Trust. It has been accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' grade and a CGPA of 3.23. Its six-story building provides a comfortable environment for students. Its reputation as one of the top commerce colleges in Mumbai attracts a huge number of students each year.

### About College Women Development Cell:
