1. STATEMENT OF PURPOSE

The employability of India's university graduates continues to remain weak even while there is an acute shortage of skilled manpower in an increasing number of high demand sectors. The youth are thus disillusioned about job opportunities post their studies. Though they have educational degrees, they lack the skills and the experience to get employed.

Skilling the youth to enhance their employability and enabling them to be effective contributors to the nation's growth and development assumes paramount importance in the current context.

The Tata Institute of Social Sciences has been working to reach the youth through an innovative programme called 'National University Students' Skill Development (NUSSD)' for the same purpose. The aim is to enable the youth enrolled in the various degree programs in Colleges and Universities in India to acquire skills that would give them a Certificate/Diploma in a specific high demand domain area in addition to their degree. Students will be introduced to holistic education which encompasses components of employment oriented training, exposure to community services, life skills training and civic education to fulfill the changing requirement of

higher education and thereby bringing about vocationalisation of higher education. Eventually, this programme is poised to cover all the youth in the university system wanting to enhance their employment potential by gaining skills along with a graduate degree in their chosen discipline

FULL Your Destiny

Dear Students,

With the world changing at a the rapid pace and jobs being redefined across industries, it is imperative that our students are no longer restricted to text books & normal learning methodology, but are able to develop competitive & relevant skillsets as required by today's fast changing economic scenario.

Our College Ghanshyamdas Saraf College of Arts & Commerce strives to be at the forefront of such change and is known as a change leader. Our recent MOU with CASI Global ensure every student has access to world class certifications designed by IIT/IIM/Senior Management Professionals.

These certification programs are of 6 months duration, completely online & very relevant to industry practices. Students enrolling for these certifications will be awarded joint certificates by Ghanshyamdas Saraf College of Arts & Commerce & CASI Global.

While enrolment for these certifications is optional, we are of the opinion that students should take advantage of these dual certifications and enroll for one program per semester.

Please find further details on www.rset.edu.in/gsccl and www.casi-india.com/saraf-college
