Hi Team,

Thanks for meeting us. It was an absolute pleasure!

I would personally like to thank the faculty and students for sharing their insights and interests in our Internship program

We are glad to receive the humongous participation and positive response from the students.

We are targeting 30 students to be on the drive with us.

Attached herewith is the list of students who would be given initial priority to work with us, however anyone out of the list if interested are also welcome.

Re-sending you the Internship proposal also.

Kindly go through it and let us know the count of students interested with a tentative date so we can go live at the earliest.

It would be our pleasure to have Saraf College on board with us and we are keen to establish a long term association here.

Shall look forward for your revert.

Have a nice day!

Subject: Internship Opportunity With I-PAC

To: gsgc@rajasthan.org.in <gsgc@rajasthan.org.in>

Dear Ma'am,

Following the conversation you had with my colleagues, I write you this e-mail about the internship positions available with Indian Political Action Committee, Mumbai. It provides a great opportunity for individuals to closely observe, participate and learn about electioneering and political campaigning in India, and therefore, I would highly appreciate if you could circulate the news among your students.

Indian Political Action Committee (I-PAC) is the platform of choice for students and young professionals to participate in and make meaningful contribution to political affairs and governance of the country, without necessarily being part of a political party. We work with visionary leaders with a proven track record. In the process, we help them set a citizen-centric agenda and partner with them to conceptualize & implement the most effective methods of taking it to the public and gathering mass support.

This particular month-long paid-internship is with regards to the Maharashtra State Assembly Elections, and the position is based in Mumbai City/Suburban. Given the fast-approaching elections, the deadline for application is the 25th of September, 2019. The internship would entail field-work, campaign execution and managerial duties, thus, providing an enriching experience to the participants.

Therefore, I would sincerely appreciate having students from your renowned establishment work with us. I look forward to hearing back from you, and do not hesitate to contact me for any further details.

Sincerely,

Revati Gokhale
Sr. Executive.

Thank you ma'am for the huge response,
We would be hiring all the students as field volunteers. There wouldn't be any exhaustive interview procedure as such. The volunteers will be getting certificate at the end of the work period.
