Dear Ma'am,

Following the conversation you had with my colleagues, I write you this e-mail about the internship positions available with Indian Political Action Committee, Mumbai. It provides a great opportunity for individuals to closely observe, participate and learn about electioneering and political campaigning in India, and therefore, I would highly appreciate if you could circulate the news among your students.

Indian Political Action Committee (I-PAC) is the platform of choice for students and young professionals to participate in and make meaningful contribution to political affairs and governance of the country, without necessarily being part of a political party. We work with visionary leaders with a proven track record. In the process, we help them set a citizen-centric agenda and partner with them to conceptualize & implement the most effective methods of taking it to the public and gathering mass support.

This particular month-long paid-internship is with regards to the Maharashtra State Assembly Elections, and the position is based in Mumbai City/Suburban. Given the fast-approaching elections, **the deadline for application is the 25th of September, 2019.** The internship would entail field-work, campaign execution and managerial duties, thus, providing an enriching experience to the participants.

Therefore, I would sincerely appreciate having students from your renowned establishment work with us. I look forward to hearing back from you, and do not hesitate to contact me for any further details.

Sincerely,

Revati Gokhale  
Sr. Executive.

Thank you ma'am for the huge response.  
We would be hiring all the students as field volunteers. There wouldn't be any exhaustive interview procedure as such. The volunteers will be getting certificate at the end of the work period.

Warm regards,

Dear Mamta,

Greetings from Mswipe !!!

As discussed sharing the JD & brief details of the company.

Mswipe is India's leading independent POS merchant acquirer. We help merchants grow their business by enabling cashless transactions through our devices. Mswipe devices are user-friendly and work on Bluetooth, GPRS & Wi-Fi. Mswipe's POS device and QR can accept all type of cards and UPI payments i.e. Debit card, Amex, Mastercard, Google pay, PhonePe and NFC (Near Field Communication) payments.

Please find attached the Job Descriptions for the position available with us.

We are also offering 8-10 weeks Internship Program in Financial Technology -Internship to your students in partnership with VISA® (Largest Payment Network in the World) and National Payment Corporation of India (Umbrella Organization for all Retails payments in India).

During the internship Program, students will get an opportunity to experience the Digital Payments Space and the flow of business by actively being a part of Business Development and Market Research. The intern will be involved in creating awareness about digital payment solutions and also stand to earn incentives, bonus and win prizes through business development and market research activities.

We request you to circulate the internship Information on your website, student portal, notice board, internal communication channel and confirm us the following details:

1. Students interested to be a part of this Internship Program
2. Dates and duration of the Summer Internship in your Institute

For any queries please feel free to reply

## Industrial Visit Report 2019-20

One day industrial visit is organized by college at **Go Cheese (Manchar Pune)** on **19<sup>th</sup> October 2019**. 39 Students from all courses of Self Finance lead by Prof Alok Hardikar, Prof Mayur Rambiya and Prof Ashwati Nair embarked on a learning adventure to Go Cheese Factory which is situated in Manchar, Pune. The motive of this trip was to learn process and functions of Go cheese production.

The factory visit helped us to learn the major impact of technology in the production sector, also how important delegation of management is in major corporate sectors.

At the end of the trip we all enjoyed the pizza made by them using go cheese products and clicked some precious moments which made this trip memorable

The Industrial Visit Committee organized Industrial visit to Kerala from the **24<sup>th</sup> December to 31<sup>st</sup> December, 2019**.

89 Students with 7 Professors and 3 People from the Travel Agency went on this glorious journey. Throughout the Journey the Students witnessed Picturesque scenes and Good South Indian Food. The Students also got a learning experience when they visited **Ripple Tea Factory** which is located in **Munnar, Kerala** where they learned process of making different tea from tealeaf.

## REPORT ON INDUSTRIAL VISIT TO INDIAN SCHOOL OF MANAGEMENT AND ENTREPRENEURSHIP

Ghanshyamdas Saraf College organised a one-day Industrial Visit to the Indian School of Management & Entrepreneurship, Lower Parel, Mumbai for the Third Year students of BMS/B.Com (Accounting & Finance)/B.Com (Banking & Insurance)/B.Com (Financial Markets) and B.Sc - IT on the 11<sup>th</sup> of February, 2017.

The students along with Faculty members started off from the College premises at 8.30 am after a quick breakfast provided by the College. On reaching the venue, all were warmly greeted by the Marketing Manager of ISME Mr. Vishal Sama, Who then proceeded to guide the Faculty & Students of Saraf College to their Management School premise on the 7<sup>th</sup> Floor which houses the accelerator section. The infrastructure and design of the Management School was astounding and created a lasting impact on all.

The Founder of ISME, Dr. Indu Shahani welcomed the gathering with her words of wisdom followed by some sessions arranged by their efficient team.

The session was divided into five parts:

- Management Games
- Seminar
- Group Discussion
- Master Class Lecture
- Sample Entrance Test Paper

The Faculty of ISME created a fun-filled environment by engaging the students with Management games on Innovation, Leadership, Communication, Team work, Design Skill, Motivation, etc wherein they involved the students and got them to realise that everyone has some hidden creative potential which one needs to realise and this would in turn go a long way in finding an entrepreneur in every person.

A seminar was conducted where they briefed the students about the courses that their School offered.

A group Discussion was also held by Ms. Bulbul of ISME which was highly interactive and informative and the bright students of Saraf College actively participated in the same.

A Master class lecture taken by Mr. Omkar, co-founder of the venture Desi Hangover who took a session on the topic "Start-up v/s Danda". He enlightened the students with a key funda to attract investors with a start-up idea and that was "To present an idea to the investor in not more than seven words", which should be catchy, concise and arouse the curiosity of the investor. The rest should be explained only when questions start pouring in from the investors' end.

The students were finally given a sample question paper to crack which would help them clear the mandatory entrance test in case the students are interested to enrol in their Entrepreneurship course in the near future.

The Industrial Visit concluded with the students being awarded Participation certificates and being served with snacks.

To sum up, the Industrial Visit to ISME was a huge success. In all a total of 115 students visited ISME. The faculties accompanying the students were Prof. Gurunathan, Prof. Prasanna Choudhari, Prof. Prajna Shetty and Prof. Sneha Khajane.
