We have putted all our efforts and hardwork for 30 to 35days and turned it into a great success.

Street Play was based on topic of Women's Participation in Sports. It also covered how women struggle in sports field and what problems they face. We also showed the solution very effectively, which created a good & positive impact in the audience.

We also bagged 1st Prize in Poster- Making Competition. The theme of the competition was Women Empowerment. The Judges appreciated the participants for the content & perfection which they brought up in the poster. The poster was perfectly illustrating how the society serves women as Goddess- Devi in temple and how they neglect and harass women in the society.

At the end it was a great and Emotional quotient experience and students of DLLE learned a lot from the festival. It is a great way to brought up the social issues in front of the Students i.e. the youth of India.
