UDAAN- THE FLIGHT OF EXTENSION

Udaan the word motivational itself, means to take a flight for dreams, flight to reach goals & flight for inner development.

Udaan- The Flight of Extension is the festival of the Department of Lifelong Learning & Extension (DLLE), University of Mumbai. 16 DLLE students of our college participated in the Street Play & Poster Making Competition. The event was held in KES Shroff College of Arts & Commerce, Kandivali(West) on 24th January, 2017. We won 2nd Prize in Street Play Competition. We finally achieved our goals. We have putted all our efforts and hardwork for 30 to 35days and turned it into a great success.

Street Play was based on topic of Women's Participation in Sports. It also covered how women struggle in sports field and what problems they face. We also showed the solution very effectively, which created a good & positive impact in the audience.

We also bagged 1st Prize in Poster- Making Competition. The theme of the competition was Women Empowerment. The Judges appreciated the participants for the content & perfection which they brought up in the poster. The poster was perfectly illustrating how the society serves women as Goddess- Devi in temple and how they neglect and harass women in the society.

At the end it was a great and Emotional quotient experience and students of DLLE learned a lot from the festival. It is a great way to brought up the social issues in front of the Students i.e. the youth of India.

Plastic fished out from Powai Lake

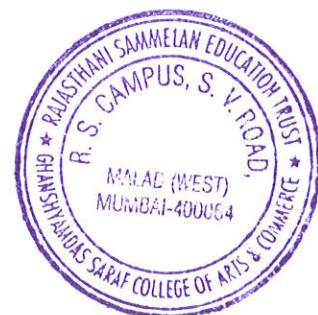

In a clean up drive organised by Maharashtra State Angling Association (MSAA) and students from a Rotaract Club of Ghanshyamdas Saraf college, plastic and thermocol choking Powai Lake was removed. Powai lake is located in the middle of the urban hustle and bustle, and the contamination of the lake affects several species of fish as well as crocodiles.
