

BRIEF REPORT

Ghanshyamdas Saraf Alumni Association is an active body and has majorly contributed in number of areas, benefitting the Institution and the students in varied ways. **This association was developed with a view to have strong relation between alumni and current students, establish a link between the alumni, staff and students of the Institute and work for the development of the Institution and society at large.**

Annual Alumni Meetings bring a **rich interaction between old and younger generations**, which also upholds our cherished customs and traditions. It also deliberates upon the role of the Alumni in positive interaction with the Society through participation of young students under the guidance of senior teachers.

There is no registered Alumni Association during the accreditation period though there is an informal Alumni Association of the students in various academic and co-curricular activities. The process of registration of the formal association is in progress. The meeting of representatives of all informal groups was held and the formation was initiated. The Association meets periodically to discuss the ways and means to improve the academic environment of the College, as well as to exchange views on the employment opportunities and scope for higher education. Some of the Alumni are elected as public representatives; they help us whenever there are some local problems, they also participate in the governance of the college development committee through Their feed-back is valuable for the administration of the college.

OBJECTIVES:

- ❖ The Objective of the Alumni Association is to connect Alumni with each other through alumni network, have strong relation between alumni and current students, to assist current students in their career planning and placements, to be mentors for current students and give input for students.
- ❖ To provide a forum to establish a link between the alumni, staff and students of the College.
- ❖ To enable the alumni to participate in activities that would contribute to the general development of the college and the society.
- ❖ To try to find employment opportunities for students and fellow alumni .
- ❖ To support academic activities like conferences, workshops, technical symposiums

- ❖ To arrange seminars and debates for technical guidance for students for knowledge and career advancement.
- ❖ To do such other activities as are conducive or incidental to the attainment of the above objectives and/or beneficial to the interests of the college and its alumni.
- ❖ To help the college for effective liaison with the Industry.

Three of our teachers are the members of the Alumni Association who play a key role in binding this group for the development of the college and work for the overall development of students, so that alumni help our institution in terms of academic planning, internship and placements of students, career guidance and on-the-job guidance in their careers.
