Eklavvya
Knowldge Is Power. Test It

1.2 Candidate Features:

No.	Feature	Details
1	Objective Exams	✓ To receive exam notifications and schedules on SMS and E-mail ✓ Facility to scan and upload subjective answers / responses ✓ Appear for various and multiple exams as per their schedule and during the set duration ✓ Facility to use Hint to answer specific question(s) ✓ Get assessment results instantly and online ✓ Get Assessment results on SMS and on E-mails
2	Navigation of Question	✓ Facility to Jump on any Question
3	Shuffle Answer	✓ Facility to shuffle the Answer of Question
4	Resume the Exam	✓ Facility to continue the exam due to power or internet failure
5	Warning Alerts	✓ Facility to show warning alert notification on switching exam window

2 Subject Matter Expertise / Preparation of the Question Banks:

Preparing the question banks for each of those courses / subjects / topics is a sole responsibility of RA DAV. Splashgain will provide with the required template as well as training to build the question banks to the subject matter experts at RA DAV. The SMEs will build the question banks as per the formats required to import the question banks in Eklavvya assessment engine. If needed, Splashgain can provide with assistance to do the data entry of the questions in required formats, as per the commercial rates stated under the commercial Proposal.

3 Change Management:

Any requirement beyond the part of the technical proposals, including the feature customization by RA DAV will be treated as a change / deviation / additional requirement. Such changes will be studied for their impacts on the overall system. The cost and timeline budgets will be clearly updated to RA DAV. Based on the RA DAV approval ONLY such change requests will be incorporated.

4 Delivery Schedule:

Project Kick-off	TBD
Project Delivery (With Customization)	1-2 working weeks
Inspection & Acceptance	2 Days from the date of final delivery
Software Training	As per the mutually agreed dates post acceptance phase – but preferably should be within a week from the date of acceptance
Formal Project Closure	Within 1 Week from the date of training

Eklavvya
Knowledge is Power. Test It

Preparation of the question bank is the only variable that will have impact on the schedule & Splashgain should not be held responsible for any delays for delays, unless Splashgain itself is assigned the task of the data entry for the various question banks.
5 Licensing:

Splashgain will provide with RA DAV the product license for conducting online assessments for their students. The source code, trademarks, product material pertaining to Eklavvya engine is the sole Intellectual Property of Splashgain. In no tangible or intangible way Splashgain is transferring OR RA DAV will be able to claim for the said IP.

6 Roles & Responsibilities:

Sr.No.	Name Of The Entity	Role	Responsibilities
1	Splashgain	Development & Implementation	• System Deliverable • System Maintenance • System enhancements based on customer requirements • Updates and Training of the staff • To raise the invoice and collection • System Infrastructure such as Cloud, Payment Gateway, SMS gateway etc.
2	RA DAV	Facilitator	• Various data inputs to setup / configure the Examination engine • Providing with the question bank data for various streams & their respective subjects • Approvals of the patterns of examination / UI Design etc. • Arrange for the required infrastructure to conduct Online Exams • Communication concerned officials within the company • Inspection of the & certification to OEM to go live • Keep the data such as mobile numbers & e-mail address etc. of the concerned officials and candidates up to date. • Facilitate & attend training sessions conducted by Splashgain

➢ RA DAV ensures correctness of the candidates' data that is required to appear for the exam such as candidate's name, email ID, mobile no.
➢ Splashgain should not be hold responsible for any candidate failing to appear for the exam on account of the erroneous candidates' data provided by RA DAV.

7 Infrastructure Details: Provided by Splashgain

Data Centre Details:

- Microsoft Azure – Cloud Environment with Auto-scale facility

Hardware Details:

- Intel Core2, 6140 2.13 GHZ
- 12 GB RAM expandable up to 64 GB
- Load balancer cloud server addition compatibility

Software Details:

- **Operating System**: Windows Server 2016,
- **Database**: MS SQL Server 2017 / Azure SQL
- **Web Server**: IIS 10

8 Training & Support to the designated staff of the Institute:

It would be essential for RA DAV to make best use of Eklavvya Platform. While the system is getting ready to go live, we would like to conduct training of the stakeholders of the RA DAV's. Splashgain team would arrange training sessions for **1-2 working day**, over Internet / Web conference.

9. Terms and Conditions

- ➤ Splashgain will maintain full confidentiality and secrecy about the test banks, **RA DAV**'s clients using the Eklavvya/ test banks and will not divulge any details related to usage of **RA DAV** and its clients to any party without prior written authorization from **RA DAV** .

- ➤ All the test-banks, data, information, images, courseware shared/provided by **RA DAV** to Splashgain will remain full property of **RA DAV** and Splashgain does not have any rights whatsoever in respect of the same.

- ➤ The intellectual property rights of all tests, courseware and other material shared/provided by **RA DAV** to Splashgain will be solely with **RA DAV** and Splashgain does not have any rights whatsoever in respect of the same.
