WOMEN DEVELOPMENT CELL

REPORT ON VALENTINE'S DAY CELEBRATION

GSC Women Development Cell celebrated Valentine's Day on 13th February, 2019, Wednesday, with Desire Society, Goregoan (West) – an organisation caring for HIV / AIDS children. The organisation is functioning with an objective of overall care, development & well-being of children infected & affected with HIV/ AIDS in India. Their main concern was related to the health, nutrition & hygiene of these children.

The aim of this visit by WDC was to sensitise our children to this segment of our society who are deprived of love & affection from their families & relatives, as they live their life away from their home.

Our students learnt about day - to - day problems faced by HIV/ AIDS infected & affected children & were motivated to spend quality time with them, share love & affection & make them happy. We expressed our affection by carrying day – to – day useful articles & by playing games with them.

This was an awareness cum sensitisation programme organized by the committee to develop a “Service to Society” attitude in our students, and make a positive contribution to the society.

Our students learnt that they can too contribute by helping such children by any small gestures.

TEACHERS' DAY CELEBRATION HELD ON 17th SEPTEMBER, 2019

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."
-Albert Einstein

Teachers are some of the most special people in every student's lives. During the young impressionable years of a student, that one special teacher becomes a student's inspiration and role model. That unique and warm person became a parent outside of the home, a confidant, a friend, and a cheerleader. Thus, Teachers' Day is indeed an auspicious day which also marks the birth of the great teacher Dr. Sarvepalli Radhakrishnan.

The Teachers' Day celebration in Ghanshyamdas Saraf College was celebrated on 17th September, 2019, since 5th September was a declared holiday on account of Ganesh Chaturti. The day began with the Student-Teacher competition between 7.30am to 8.30am. Students went to class to deliver lectures on the ongoing semester subjects.
