The feedback form was circulated through whatsapp to the participants , below is the brief analysis of the same.

**RSET's**  
**Ghanshyamdas Saraf College of Arts and Commerce**  
**Intercollegiate Business Plan Competition**  
**Organized by E. Cell (Entrepreneurship Cell)**

**Date** – 8th September, 2023

**Time** – 09:30 am – 5:30 pm

**Venue**- Learning Centre, GSCC

**Total participants** – 33 students (20 Teams)

The Entrepreneurship cell of GSCC organized an **Intercollegiate Business Plan Competition** on 8<sup>th</sup> September, 2023 from 09:30 am to 5:30 pm in Learning Centre. The purpose of the event was to provide students a forum outside the classroom where they can develop skills in “pitching” their business ideas to the distinguished judges and receive constructive feedback- increasing the probability of the success of their venture and to encourage participants to develop innovative solutions to existing problems or address market gaps.

The competition was judged by **CA Parimal Seth**- Chartered Accountant and an Investment Banker, having 30 years of experience in Corporate Finance and Investment Banking and recipient of ‘The Most Talented Marketing Professional In Financial Service Sector’ award and **Dr Shivani Naik** - Assistant Professor at NMIMS, having 10 years of rich experience in the academic field and 4 years of corporate experience, author of 12 academic books and 20 International research papers. The program commenced with the Welcome address by Dr. Mmahek Chhabria followed by the felicitation of the Judges by The Vice Principal of Self Finance Department, Dr. Lipi Mukherjee with a floral bouquet. Judges were introduced by the student volunteers Valentina Nixon and Sneha Sharma. The competition was skilfully anchored by Aparna Singh and Mehul Katariya our student volunteers.

The competition attracted a diverse range of participants, including individuals, startups, and teams from various colleges. 20 Teams ( 33 students) participated in the competition. Participants were required to submit and pitch a detailed business plan outlining their business idea, target market, financial projections, and growth strategy. The judges evaluated each business plan on the basis of innovation, market potential, feasibility, financial viability and presentation, asked related questions and gave suggestions and feedback to the participants.

The winners of the Competition were as follows:

Prize	Name of the Participants	College Name	Business Idea
1 <sup>st</sup> Prize	Sejal Saroj	Balbharati College	'Hand painted and Customised Blazer'
2 <sup>nd</sup> Prize	Tanuja Solanki and Anju Sharma	Ghanshyamdas Saraf College	'Indrayan- An Ayurvedic Fruit to treat Diabetes'
3 <sup>rd</sup> Prize	Krish Sanghvi & Group	Nagindas Khandwala College	'Flex Fuel – generating Fuel from Waste'
1 <sup>st</sup> Consolation	Atharva Pathare & Group	Wellington College	'Home Click Solutions – Various Household Service provider under one roof'
2 <sup>nd</sup> Consolation	Unnati Ranka and Group	Prahladrai Dalmia College	'L&P Nifty Fifty – Game based on Stock Market'

The competition ended with the closing remarks from judges. The feedback provided by the judges helped participants refine their business plans and improve their overall entrepreneurial skills. The Business Plan Competition was a resounding success, achieving its objectives of fostering entrepreneurship, promoting innovation, and connecting entrepreneurs with mentors. It played a pivotal role in supporting startups and emerging businesses, ultimately contributing to economic growth and development.

On 10th February 2024, Career Guidance and Skill Academy with DLLE and IQAc organized a session on Career Opportunities in Forensic Accounting.

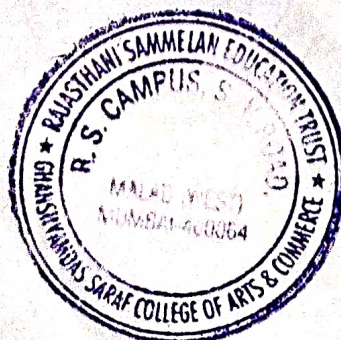

The aim of the session was to provide the participants with an understanding of forensic accounting and career opportunities in this field. The speaker of the session was CA Aditya Kapadia, Assistant Manager -Forensic Practise, Deloitte.

Mr. Kapadia provided insightful guidance and learning experience for all the students on the branch of accounting that deals with the detection and prevention of financial crimes. He also provided percipient knowledge on the areas of Forensic Accounting such as litigation support, investigation, and dispute resolution.

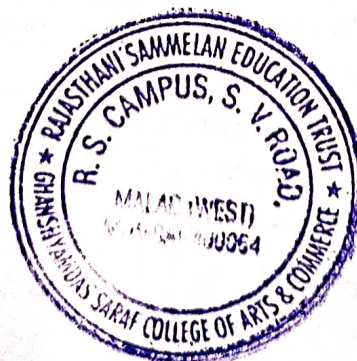

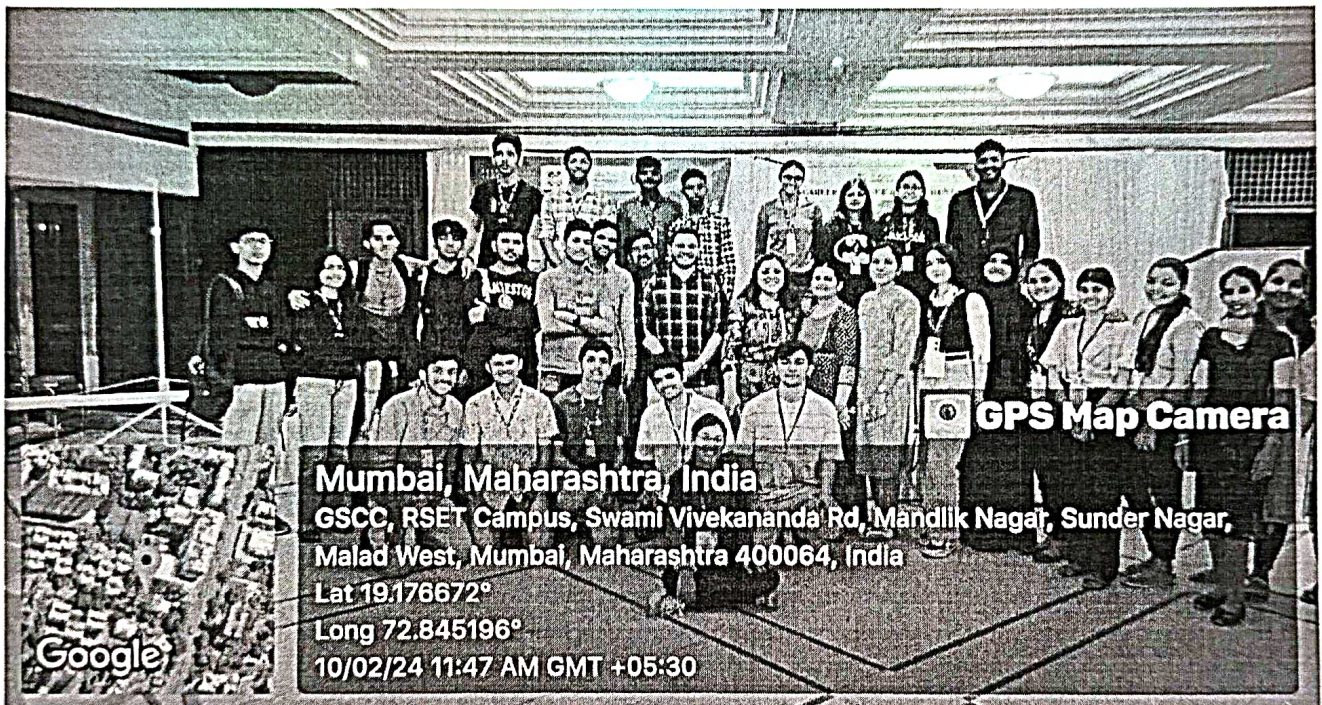

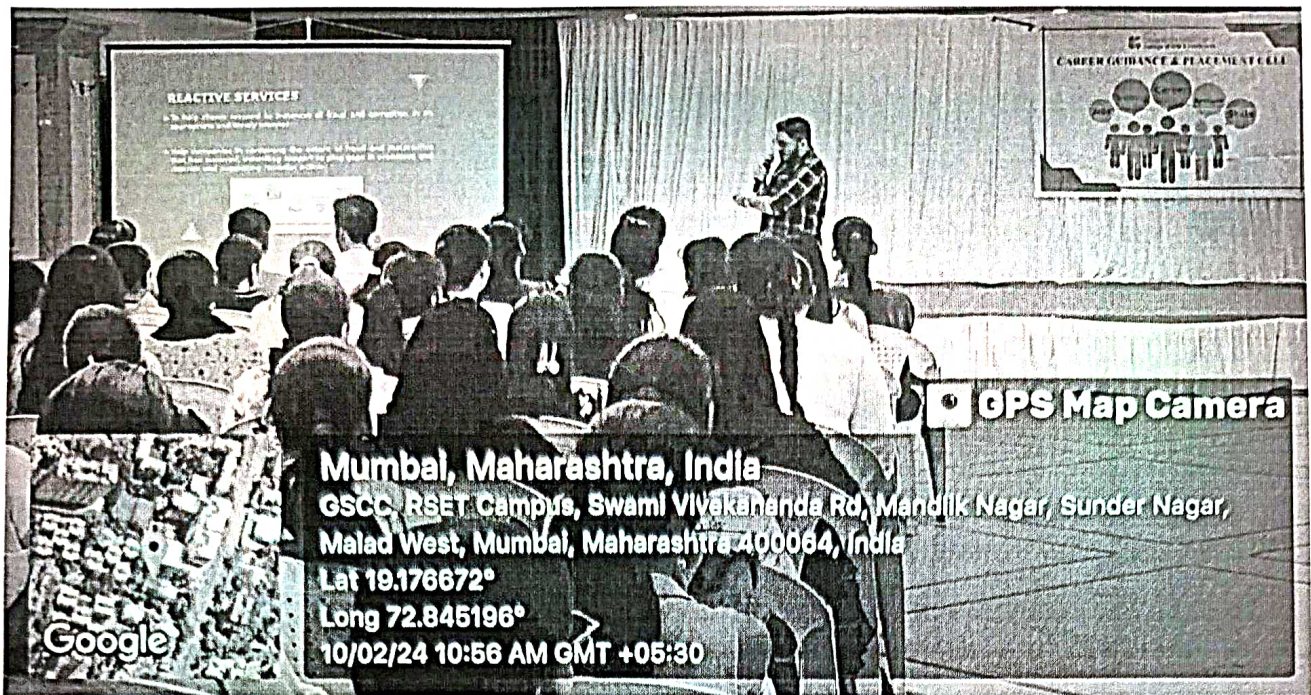

The complex topic was taken up by Mr. Aditya in a clear and engaging manner that made the session informative and enjoyable and equipped the students with valuable skills that they can apply in their professional lives in future.

## **Activity/ Event Long Report 2023-2024**

### **Green Initiative Committee**

#### **Details of the Event/Activity:**

A step towards better tomorrow - "Tree Plantation" Green Initiative committee organised Tree Plantation event on Saturday, 16<sup>th</sup> September, 2023 from 09:00am till 2:00pm at Charkop Sector 9, Kamdivali west. Hence, the event was out of campus.

The students realised the importance of having trees around and planting new trees as it will help in reducing the pollution too. The students were excited to plant the trees. In total we planted 20 trees of which 5 were Banyan tree, Peepal tree, Neem tree and Areca tree. All these plants were planted by students from various committees. Students played an active role in digging, planting and adding fertilizer to the plants to avoid insects.

Dr. Anil Dhimdhime was the teacher in charge for the event. Total 50 students participated in the event.

#### **Aim of the Event/Activity:**

To make them aware about the importance of green and clean environment. Trees absorb odors and other harmful gases like ammonia, nitrogen oxides, Sulphur dioxide, and ozone. They also filter out dust and particulates from the air by trapping them in the leaves and barks.

#### **Outcome of the Event/Activity:**

Students understood the importance of planting trees. The planting was done successfully under the supervision of teachers.

## Student Mentoring System

Each class is assigned dedicated class mentors who play a key role in addressing both the academic and personal needs of students. To better understand students' interests, hobbies, and activities. This helps assess the students' capabilities and learning preferences, providing valuable insight into their potential to engage with and succeed in the various courses offered by the program. Additionally, it allows mentors to guide students towards participating in extracurricular activities and associations that align with their interests.

The institution offers a range of associations and cells designed to cater to students' diverse interests. These associations are led by coordinators who mentor their members, providing further guidance in their respective pursuits. The Cultural Association, for example, nurtures students' talents in the arts, with several alumni achieving recognition in the entertainment industry as actors and choreographers after being mentored by the association.

The Sports Department is dedicated to developing students' athletic skills, offering them professional coaching and comprehensive mentoring. Workshops on extracurricular activities further support students' learning and development in their areas of interest. The college also provides specialized training and guidance through units like NCC, NSS, and the Department of Lifelong Learning, which foster overall student development. The NCC Unit, in particular, has played a significant role in shaping cadets.

Events aimed at developing managerial skills are regularly organized, and the Career Guidance and Placement Cell offers professional counselling and career advice through seminars and lectures. Furthermore, the Student Research Cell motivates and supports students in pursuing research, organizing conferences that focus on student-led academic activities. Faculty members play an integral role in guiding budding researchers, especially in research paper writing and methodologies.

In response to the challenges posed by the COVID-19 pandemic and the shift to online exams, the Examination Department conducted mock tests to help students overcome anxieties about the online examination system. Class mentors provided guidance on addressing potential technical issues and offered solutions to alleviate student stress. In cases where students faced connectivity or device problems, mentors advised them to take the exams on campus.

For project-based courses such as Foundation Course subject mentors offer guidance on project methodology, report formatting, and presentation preparation. Special guidance lectures are conducted in class, with mentors available for further assistance outside of class hours.

Parent-teacher meetings are also conducted by class mentors, enabling them to collaborate with parents in addressing any specific challenges or additional support needs of the student.

While the student body may be large, the institution remains committed to personalized mentoring, utilizing the strategies outlined above to ensure that no student is left behind. Our continuous goal is to reach out to every student in every possible way, fostering their academic and personal development.
