Subject: Renewal and cloud hosting of Koha Library Software along with mobile app interphase.

Sir,

Request your cost approval for Renewal and cloud hosting of Koha Library Software along with mobile app interphase. M/s OurLib have installed the current software in our campus and they have successfully supported the same in the past.

With the latest improvement the software now can be hosted on cloud and will also have a Mobile App for students. As per your instructions I have also attached a note on the same. Ms. Sunita Pujar has been kind in preparing the note.

Thank you,

Ranjit M Goraksha

Dear Madam,

N-List is an online Journal database, mandatory for colleges to subscribe. We have subscribed to it for many years and the renewal of the same is due. The invoice is attached herewith for your reference. It has been observed for the last many years that they don't give any kind of concession. Please do the needful so we can proceed further.

Thanks and Regards,
