Conclusion

The BMS Annual Departmental activity “**Innovision 2021**” with the theme “**Growing Economics and Sustainable Development**” helped to ‘Encourage, Light & Integrate’ the young minds to think like a contemporary entrepreneur in the context of today’s emerging and growing economics. **INNOVISION** inspires students to think out of the box and come up with unthinkable ideas which help to build, develop and sustain the environment by coming up with business plans which are sustainable, feasible and profitable. It drives them to think like budding future generation entrepreneurs. Thus, it serves as a great motivation in orienting the students to devise innovative, pioneering and sustainable business plans.

“**Innovision 2021**” was an enormous success owing to the remarkable layout of business plans. The herculean task of implementing the plans was successfully executed by the FYBMS students. The credit of the triumph also goes to the BMS Faculty- Course Coordinator Prof. Prajna Shetty, Activity in charges Prof. Aswathi Nair & Prof. Niyati Kalyanpur; BMS team members- Prof. Kinjal Sanghavi, Prof. Sangeeta Sahoo, Dr. Mmahck Chhabria, Dr. Meghaa Khedekar, Prof. Prasad Anareddy, Prof. Bhavisha Shah & Prof. Yogita Naik for planning & chalking out the activities meticulously and ably guiding the students.

They discussed great innovative ideas of business with sustainability. As per recommendation of Principal Dr. Jayant Apté, these ideas can be taken forward to the next level with seed funding with the help of our esteemed college. We look forward to contribute to the ecological business environment by organizing such interesting and career-oriented webinars, events and activities in the future as well.

Hi Mamta ma'am,

I hope this email finds you well!

I am Shreya Ravaria, Internship Manager at IIDE - Indian Institute of Digital Education.

I had previously reached out to you regarding our **1-month Online Internship in Digital Marketing** and for the same we had students coming from your college and excelling in the internship.

I just wanted to take a moment to **thank you for sending the opportunity** to your students. Your support gave students a wonderful opportunity to learn and grow, and I am glad to inform you that **Mariya Siddiqui, Karanpratap Maurya and Dhanashree Suryavanshi from your college** were among the **top interns** for their outstanding performance.

Moreover, Mariya has decided to upskill and has joined IIDE as a student.

We're always looking for ways to collaborate and support the next generation of digital marketers, and we hope to continue working with you and Ghanshyamdas Saraf College Of Arts & Commerce in the future.

Thanks again for providing this opportunity to your students! 😊

"Finansiera" stands as a beacon of innovation and creativity within the B. Com (Accounting & Finance) Department of Ghanshyamdas Saraf College. This event serves as a platform to impart practical insights into the realms of Accounting and Finance, while also cultivating teamwork, leadership qualities, and facilitating experiential learning. Over the past six years, Finansiera has consistently garnered acclaim and commendation, fostering a strong bond between faculty and students.

This departmental activity occurs biannually, featuring intercollegiate events in the odd semesters and intra-college events in the even semesters. Each edition of Finansiera revolves around unique themes, suggested collaboratively by the BCAF student body and faculty members.

For this year's Finansiera, the theme was conceptualized through collective brainstorming sessions involving both students and teachers. A dedicated team of students was formed to oversee the event's execution, with roles and responsibilities allocated across various departments including Public Relations, Social Media, Creatives, Skit, and Events etc..

Under the captivating theme of **"AI Wonderland,"** Finansiera 2023-2024 aimed to delve into the realm of artificial intelligence. As part of this theme, a hands-on workshop focusing on **"LinkedIn Profile Optimization and Ethical Usage of AI Tools"** was meticulously organized, offering participants practical insights into leveraging AI technology ethically for professional development.

The event commenced at 8:30 a.m. with a ceremonial ribbon-cutting ceremony led by **Principal Dr. Ashwat Desai**, Vice Principal
