TO WHOMSOEVER IT MAY CONCERN

It gives me great pleasure to recommend Mr. Swapnil Atkare for the Master's program at your esteemed university. I have known him since second year of Bachelor's of Commerce at this college. Having taught him Commerce in Sem I, II as well as in Sem V, VI. I had the opportunity to closely observe him academically & personally. I have found him to sedulous, ingenious and self-motivated.

Swapnil has always been an attentive student in class, and actively participated in classroom discussions. He had clarity of concepts and has consistently proved himself as an outstanding student with excellent grade. He has analytical abilities, and an acute sense of reasoning, hence can analyse enigmatic problems exceptionally well and good levels of self-confidence.

His deep understanding of the subject, as well as his quest for knowledge constantly impressed me. Since the beginning of our collaboration, I know his as an energetic and goal-oriented person. He grasps new concepts quickly, and accepts constructive criticism and instructions concerning his work. He has broad range of experience and skills. His enthusiasm and dedication for studies are at its peak. That's why I feel it's right decision for him to opt for higher studies in your university.

Considering his motivation, determination and intelligence, I strongly believe that he will scale the highest peaks in his field of interest. In view of all the above fats, I strongly recommend Mr. Swapnil Atkare without any hesitation for admission into Master's program.

I wish him all the best in his future endeavour.

TO WHOMSOEVER IT MAY CONCERN

I am pleased to recommend Ms. Rutu Patel who aspires to pursue her further studies from your University, mainly due to the merits she has demonstrated as a student of Bachelors of Accounting and Finance (BCAF) of this institution. I have taught her core management subjects and I am delighted by her perpetual quest of knowledge in the topic of study and in learning as a whole. She is a disciplined, sincere and hardworking student possessing a very high level of perseverance and potency.

In addition to academic excellence, Rutu has also shown a keen interest in extra-curricular activities wherein she was the Head of Fine Arts Department in our college annual fest 'Mauj 2019' and managed her responsibility very well.

I have observed that Rutu's courteous behaviour in the institution together with her unique versatility and leadership quality earned her a distinct reputation as a student with initiative and drive, among fellow students and the teaching staff. From the post-lecture interaction with the students, I have discovered that she is very keen in pursuing higher education.

Rutu possesses tremendous potential to excel in her career. I believe the aforementioned skills will surely help her perform well at your University. I thus strongly recommend her to your university for her further studies and wish her luck for all her future endeavours.

Please feel free to contact me for any further queries.

To Whom So Ever It May Concern

I highly recommend Suraj Shetty as a candidate for a post-graduate programme. I have worked with Suraj in my capacity as Course Coordinator of the Department of Bachelor of Mass Media at Ghanshyamdas Saraf College of Arts & Commerce.

While he was a student at the college, Suraj was a consistent student. Other instructors and professors in the same department also talk highly of him.

His caring nature and personality allowed him to work well with others in a team setting, as he always respects others' opinions even when they differ from his own. He does the tasks given to him with a positive attitude. He is able to establish camaraderie and wonderful rapport with people of all ages and has excellent written and verbal communication skills.

I am certain that Suraj is going to continue to do great and creative things in his future. Suraj consistently seeks out constructive feedback. He would be a valuable asset to your program and I highly recommend him. If you have further questions regarding his background or qualifications, please do not hesitate to contact me.

Sincerely,

Saurabh Deshpande BMM Programme Coordinator

Letter of Recommendation

To Whomsoever It May Concern

It gives me a great pleasure to write the letter of recommendation for Ms. Prachi Mehta, who is a student doing her BMM studies at Ghanshyamdas Saraf College affiliated to University of Mumbai and I have known her for 3 years in my capacity.

She is an intelligent, determined and attentive student of the class. She is very creative and always comes up with innovative ideas. Her penchant to seek knowledge even in areas outside the regular syllabus is quite adorable.

Prachi is a quick learner and always tries to reach new heights resultantly. She always seems to improve herself whenever she works within group. She constantly interacted with her colleagues and other students and the feedback that I had received from her classmates was very positive. Apart from being hard working and diligent she was very much focused and makes sure that the task assigned to her is completed on time. I have noticed that her jovial disposition always adds light to certain difficult and stressful situation at the college.

I highly recommend Prachi for graduate studies in Masters of Arts in Communication at your University because I sincerely believe that she will excel in the program if given the opportunity, as at this stage a Master's degree is very important for her career. She has proved to be asset at our Institution and I am quite confident that with her ability she will be the same at your University too. I am confident about her success at the Master's level and recommend her for admission to the Graduate program at your University.

I wish her all the success for her future endeavors.

Sincerely
