CRITERION NUMBER	5
KEY INDICATOR	Student Support 5.1.4 The institution adopts the following for redressal of student grievances including sexual harassment and ragging cases

2. Organisation wide awareness and undertakings on policies with zero tolerance

The college's **code of conduct** and **guidelines of regulatory bodies** are displayed on the college website, ensuring that it is easily accessible to all students, staff, and visitors. This serves as a clear and constant reminder of the institution's commitment to maintaining a safe, respectful, and inclusive environment. In addition to this, the **code of conduct** is also included annually in the **prospectus**, which is distributed to all students at the beginning of each academic year. This ensures that every student is aware of the rules and expectations set by the college from the moment they join.

To further reinforce these policies, the college organizes awareness sessions and webinars which provide valuable information and foster an open dialogue about the seriousness of these issues, ensuring that all students and staff are well-informed.

The college also engages students through **competitions** which encourage active participation and promote a deeper understanding of the zero-tolerance policies in place.

Finally, during the **mentoring sessions**, mentors play a key role in reinforcing these values. They are tasked with educating students about the code of conduct, familiarizing them with the college website and discussing the consequences of violations, and emphasizing the importance of maintaining a respectful environment.

Mentors also guide students through the relevant policies and encourage them to actively approach them or respective committee conveners in case of grievances.

Gender Equity is the process of allocating resources, programs, and decision making fairly to all genders without any discrimination on the basis of gender and addressing any imbalances in the benefits available to people of different genders. In order to have gender equity, we need to change the narrative and shift the focus from fixing women to fixing the system. In the midst of this global pandemic threat that is sweeping across the humanity beyond oceans and borders, there lies a huge opportunity for deliberation, learning and transformation in the period of lockdown. This webinar was one such opportunity which aimed at a holistic understanding of Gender Equity.

The webinar was organised in association with University Women Development Cell. We could register 300 plus participants. The attendees were from various parts of the country including Tamil Nadu, Karnataka, Uttar Pradesh, Chandigarh, West Bengal, Assam etc. including some German nationals as well. The session started with welcome speech by Principal Dr. Jayant Apte who shared information about college and his views about webinar. The introduction of the resource persons was done by Dr. Lipi Mukherjee convener, WDC.

The opening remarks were given by Dr. Gita Chadha Chairperson, UWDC which was followed bypresentation and talk on the sub theme Queer Perspectives by speaker Ms. Samira Nadkarni.

Ms. Samira Nadkarni is a queer Indian academic and freelance maritime

Ms.Nadkarni began the session with understanding the basics of queer theorythe difference between a person's sex and gender. She then moved to analyse
the gender roles imposed on people and the way society demands adherence to
the same. The speaker laid much emphasis on the need to understand the word
'queer' and to accept it in its entirety. The challenge then, Ms.Nadkarni said is
more about acknowledging the existence of different gender identities and
accepting them as a part of mainstream life and culture. This set the tone for the
webinar. In the next two sessions Ms.Nadkarni, along with Dr. Gita
Chadhafurthered the theme of the webinar by putting light on the challenges
faced by the queer community before and after COVID-19.

The second session was on understanding the challenges faced by the queer community before the current pandemic. This was followed by a round of questions by the participants, on the challenges the community faces on a daily basis- from their personal to social and professional spheres. The discussion was ably facilitated by Dr.Chadha, who also contributed her views on the challenges of queer community.

The last session of the webinar involved discussion on the lives of queer community during COVID-19. Ms.Nadkarni also threw light on the challenges of queer migrant labourers where their safety is doubly compromised.

The session concluded with a range of questions being answered by Ms.Nadkarni and Dr.Chadha. It was concluded that pandemic brought to the surface many lesser-known challenges of queer life, and these would only be solved by giving the queer community a domestic, social, and a professional space to flourish. Dr.MeherBhoot Member Secretary, UWDC was also among the panellist and helped in organising the webinar.

The webinar came to end with vote of thanks given byMs.CharmieDalal member, WDC.

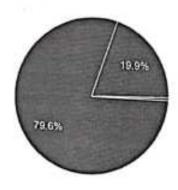

Feedback from 196 attendees was collected during the end of the session. The feedback reflects response to the webinar topic, organisation, resource persons and overall impact.

The topic was rare, complex, sensitive yet relevant and beautifully dealt with by the speaker thus was much appreciated by participants over the chat window as well as personal messages. The positive response received from the participants is a testament to the great success of the webinar.

Date - July 21, 2020

Time - 11.00 am to 1.00 pm

Platform used-Zoom

Total participants - 287

Women's Development Cell of Ghanshyamdas Saraf College of Arts and Commerce along with Maharashtra State Commission for Women, and Responsible Netism organized the launch of 'Digital Stree Shakti', and a webinar on cyber security on Tuesday, 21 July 2020. Adv. Yashomati Thakur, Honourable Minister, Department of Women and Child Development, Government of Maharashtra was the Chief Guest for the launch.

The webinar started with the introduction of the topic by Principal CA Dr. Jayant Apte who highlighted the relevance and need of cyber security measures, especially for women in today's world.

This was followed by a brief history of the Institute provided by Shri Ashok Saraf, President, RSET. Mr. Saraf made a mention that among the 16,000 students currently enrolled in RSET institutions, more than 10,000 students are girls. As also among staff members, 80% of the total strength are female employees.

Dr. Lipi Mukherjee, Convener of Women Development Cell introduced the Chief Guest and the resource persons for the webinar.

Mrs. Aastha Luthra, IA & AS Member Secretary Maharashtra State Commission for Women highlighted the need of safeguarding oneself on various digital platforms in the current scenario of curbed physical mobility due to lockdown. She emphasized on the vital role played by 'Digital Stree Shakti' in empowering women by imbibing knowledge about the responsible use of internet.

The session started with the launch of 'Digital Stree Shakti' by Adv. Yashomati Thakur, Honourable Minister, Department of Women and Child Development, Government of Maharashtra, with an appeal to women to understand the various facets of cybercrime and report it to the authorities. The launch happened with the playing of a descriptive video emphasizing the role of such programmes in curbing cybercrimes.

The launch was followed by a fruitful session on 'Cyber Crimes and Cyber Laws' by Ms. Sonali Patankar, Chairman, Responsible Netism who laid emphasis on understanding the various kinds of cyber frauds and crimes that threaten the security of a person in a digital realm. Ms. Patankar specifically elaborated on cybercrimes against women, ranging from hacking of bank and social media accounts, to identity theft, cyber stalking, body shaming, cyber bullying and sharing of obscene content for harassment. The speaker also criticized the obsessive culture of 'selfie' that has many young boys and girls uploading their pictures on social media to seek validation for their physical attributes. The easy availability of these pictures to hackers, Ms. Patankar pointed out, pose an extreme threat to the security of a person's data. The speaker provided an in-depth explanation of each cybercrime, and supported it with case studies. She expressed the need to tackle these crimes immediately, owing to their consequences on victims ranging from low self-esteem, to panic attacks, depression and suicidal tendencies. Ms. Patankar concluded her session with an appeal to young girls to have a mindful engagement with internet and technology and report cybercrimes to the authorities.

The presentation on cybercrimes and laws was followed by a session on 'Security in Cyberspace' by Mr. Umesh Joshi, Responsible Netism who provided a detailed explanation of various security norms that one needs to abide by in cyberspace. The speaker started with highlighting the crucial role of internet and communication technology in modern life, especially, given the current scenario of being in quarantine. He pointed out that the scope for misinformation and fake news is rampant on social media, given its reach and speed of communication. Mr. Joshi demonstrated the proper use of safety features on various social media accounts, elaborating on the need to update them, owing to the rise in cybercrimes. These safety measures included privacy settings for pictures, videos, location, and limiting unknown audience to one's profile. He also stressed on updating applications and protecting one's data with anti-virus software that blocks malware and phishing sites.

The session concluded with a Q & A session which was effectively hosted by Prof. Bhavana Vaidya, Administrator, GSCC, DSJC and LRMC.

The webinar received excellent reviews from all the participants.

We are living in an age of information and communication technology where internet and social media are rapidly replacing our traditional means of social interaction. Keeping this in view, the webinar was organized for students to inculcate in them a sense of responsibility towards the use of technology. The focus of the webinar was to introduce various ways in which internet is a boon to humankind, at the same time to draw attention to the growing instances of cyber crime due to the misuse of technology.

We were glad to have Mrs. Sonali Patankar as the resource person for the webinar. Mrs. Patankar is the founder of Ahaan Foundation and runs the nation's first non-profit project 'Responsible Netism' that undertakes workshops and talks with educational institutions on ethical use of internet and technology.

The webinar began with welcoming of all the panelists and participants by Prof. Charmie Dalal and a formal welcome by Principal, Dr. Jayant Apte. Prof. Prajna Shetty, WDC and Webinar Convenor, introduced the speaker.

Mrs. Patankar began her talk by giving a brief introduction of her project 'Responsible Netism' and the relevance of the webinar topic in times of rising exposure of ICT to various age groups during this period of pandemic.

The speaker emphasized on the need for a support group of parents, caregivers, and teachers as essential contributors to promoting healthy and responsible online behavior among youth. She stressed on various ways in which internet and technology is being callously used by the youth, that often jeopardizes

and physical health. In highlighting the ill-effects of over exposure to the screen, the speaker discussed case studies of several young girls and boys who experienced an acute loss of appetite, sleep deprivation, extreme mood swings, and lack of tolerance.

Mrs. Patankar also shed light on the various ways social media is steadily replacing social interactions, making individuals socially awkward and secluded. Through her presentation, she discussed various instances of cybercrime like stalking and threats that go undetected due to lack of communication between children and parents. In view of rising cybercrimes, the speaker emphasized on the responsible role that every individual using internet needs to realize. The speaker concluded her session with highlighting that one need not be against technology and internet due to the risks it poses; one only needs to use it responsibly and be morally conscious in the virtual space as one is in a physical, public space.

This was followed by the question an answer session moderated by Prof. Gargi Gothe where questions posted by participants were answered at length by the speaker. The participants' enthusiasm was quite evident from the questions that we received. Mrs. Patankar answered queries related to acceptable screen time, cyber trolling, cyber bullying, and body shaming; concerns which surround several social media users. The speaker's meticulous presentation and zest to share her knowledge is what made the webinar a great success among the participants.

The concluding remarks on the talk were given by Dr. Lipi Mukherjee who thanked Mrs. Patankar for touching upon various challenges faced by students on social media, and for spreading awareness among participants about responsible online behaviour. Prof. Prajna Shetty concluded the session by remarking the session as relevant and helpful for all participants in this growing age of virtual communication.

The formal Vote of Thanks was proposed by Prof. Namrata Pathak where the speaker's presentation, her relatable examples, and her experience in the field of social work were applauded. We immediately circulated feedback form to all the participants. The feedback analysis of the MCQ is attached herewith.

Women Entrepreneurship - A Start Up Guide for Budding Entrepreneurs

Organized by Women's Development Cell & Entrepreneurship Cell

Date: 8h March 2021

Time: 9:00 am

Platform used: Zoom Cloud Meeting App

Total participants: Zoom-81

India is witnessing a steady rise in the start-up culture as people are willing to consider occupations other than traditional professions. Keeping this in mind, the webinar focused on providing knowledge about entrepreneurship as the new business culture in India. On the occasion of International Women's Day, the webinar highlighted the success stories of several women entrepreneurs who have managed to create a path for themselves.

We were glad to have Mrs. Meenal Mohadikar as the resource person for the webinar. Mrs. Mohadikar is a first-generation entrepreneur herself, and the founder of 'Aamhi Udyogini Pratishthan' (We Entrepreneurs)- a forum that guides and supports the ideas of women entrepreneurs of Maharashtra with centers in the State, Goa and the UAE. She also started 'Anand Trade Development Services' which organizes trade exhibitions by the name 'Consumers' Shoppee' all over Maharashtra.

The webinar began with welcoming of all the panelists and participants and a formal welcome by Principal, Dr. Jayant Apte. Dr. Mmahek Chhabria introduced the topic of the day and Prof. Prajna Shetty introduced the speaker.

Mrs. Mohadikar began her talk by giving a brief introduction of her Forum, 'Aamhi Udyogini' and its journey in mentoring women entrepreneurs over the years in the form of capital, collaborations through people and workshops, and using government policies. A veteran in the field of entrepreneurship, she also shared her

experiences, successes and challenges faced as a first-generation entrepreneur in the family.

The speaker emphasized on the role of government schemes in realizing one's career as an entrepreneur. She aimed at the importance of understanding these schemes and the benefits that can be reaped from them. Mrs. Mohadikar focused on the 'Mudra Scheme' under 'Chief Minister Rozgaar Yojana' that has benefitted many budding entrepreneurs. After discussing in detail about the workings of the scheme and its benefits for entrepreneurs, she highlighted the importance of uniqueness of an idea. With her quote that 'idea is currency', she expressed that an idea would only sell if it were unique. The distinctiveness of an idea and its relevance in a particular place and culture, would ensure its sales and success.

Mrs. Meenal, then discussed success stories of several women entrepreneurs who came up with unique ideas and innovation in various fields like technology, pharmaceutical industry, and food industry. She stressed on the importance of exploring uniqueness in an idea, and systematically working on materializing it. Lastly, the speaker laid importance on timely expert guidance and support, and right mentoring especially for students who aspire to step into the start-up culture. Mrs. Mohadikar also runs a YouTube channel, the link of which she was willing to share with our students for guidance.

The concluding remarks on the talk were given by Dr. Lipi Mukherjee who thanked Mrs. Mohadikar for discussing her first-hand experience in the field of entrepreneurship and steering budding entrepreneurs in the right direction. The formal Vote of Thanks was proposed by Prof. Charmie Dalal. We immediately circulated feedback form to all the participants. The feedback analysis of the MCQ is attached herewith.

Sexual Harassment at Workplace: Cases and Provisions

Organized by Women Development Cell

Date: 18th December 2021

Time: 10:00 am

Platform used: Zoom Cloud Meeting App

Total participants: Zoom- 155

Sexual harassment at workplace is a common offence reported in India. In the time when we are working towards developing a global perspective, it is necessary that we all realize the significant role of creating a secure place for all genders at workplace, to begin with. The theme of the webinar was chosen keeping in mind the need to spread awareness about healthy work practices and to educate students about behaviours that can amount to harassment.

The webinar began with an introduction by Prof. Gargi Gothe who welcomed the speaker and the attendees. The formal welcome address and introduction of the speaker was given by Dr. Mmahek Chhabria, Convenor of the Women Development Cell of the College who remarked on the need to educate students about the seriousness of different types of workplace harassment. The resource person for the webinar was Prof. Hema Mehta, professor at Tolani College, Mumbai.

Prof. Hema, in her brief presentation, elaborated on the importance of treating the subject of sexual harassment at workplace with seriousness. She emphasized on adopting healthy and workplace-appropriate behaviour to curb instances of harassment. The speaker's well-researched presentation showed statistical data that proved the rising amount of harassment at workplace. Prof. Mehta discussed several case studies not just from India but worldwide, which shows that harassment is a universal issue and not limited to a particular culture or race. This problem then, is not a reflection of India's domestic issues, but the way we treat and interact with a person. The speaker also roped in video advertisements that spread awareness about sexual harassment and the need to prevent it by standing up against it collectively. In her presentation, Prof. Hema also showed several terms, ways of greeting and interaction, a person's use of space, haptics and gestures that can amount to sexual harassment if not used appropriately. These things, the speaker highlighted can range from being too subtle to being overtly offensive-like derogatory remarks about a person's race, gender, character, physical attributes,

etc. It is hence imperative that we understand the importance of ethical conduct and treat everyone at workplace with dignity.

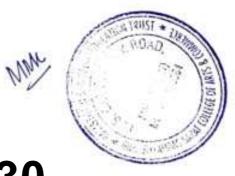

Harassment at workplace, she highlighted, pose a greater, long-term risk to one's self esteem and psychological well-being. It is important that the victim be given a reliable platform to present his/her case. The speaker also insisted that cases reported at workplace need to be addressed through a separate channel like Internal Complaints Committee, which exclusively and confidentially deal with the issue and support the victim throughout the process. It is important then, that we do not attach any taboo to the person reporting harassment, and instead provide a conducive environment for the victim to continue working without any feeling of shame and guilt. Prof. Mehta stressed on having such complaint committees within an organization that will encourage victims to lodge complaints of sexual harassment and also facilitate stringent actions against the perpetrators. Moreover, an inclusive work environment coupled with strong legal backup can empower many to stand up against sexual harassment at workplace.

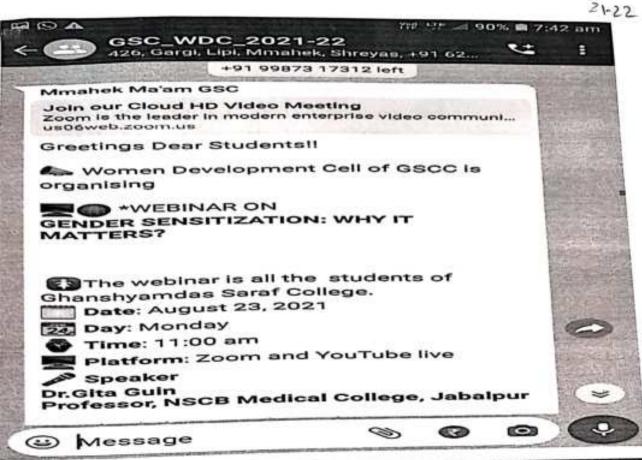

The speaker's presentation was followed by interactive session where students asked different queries regarding various methods to tackle workplace harassment. Prof. Mehta addressed these questions and highlighted on the need to report such incidents in time which can facilitate action accordingly.

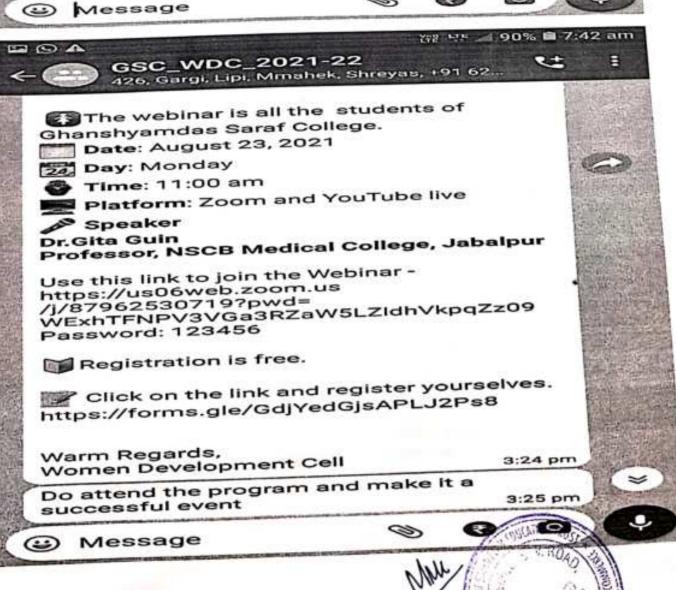

The interactive session was followed by concluding remarks given by Dr. Mmahek Chhabria. Dr. Chhabria summed up the session and highlighted the key points of the session and appealed the participants to stand up to different kinds of harassment. The webinar concluded by a formal vote of thanks proposed by Prof. Namrata Pathak, thanking the speaker, the organizers, the faculty and student attendees.

Feedback from attendees was collected at the end of the webinar. The webinar was received very well by attendees, especially relevance of the theme in contemporary time, resource person's content and case studies discussed by her, and a fruitful discussion at the end of the session.

Gender Sensitization: Why It Matters? Organized by Women Development Cell

Date: 23rd August 2021

Time: 11:00 am

Platform used: Zoom Cloud Meeting App

Total participants: Zoom- 98

Gender Sensitization is a much-conversed topic in the academic and social sphere. The importance of sensitizing people for creating a gender-neutral culture is the day's need. Keeping the emerging gender consciousness in today's youth in mind, a webinar on Gender Sensitization was organized.

The webinar began with an introduction by Dr. Mmahek Chhabria, Conveonr of the Women Development Cell of the College. Welcome address for the webinar was given by Principal, Dr. Jayant Apte who remarked on the need to have a gender- conscious academic space, that promotes equality to students and staff of all genders. This was followed by the introduction of the resource person, Dr. Gita Guin, a Gynecologist and Professor at NSCB Medical College, labalpur.

The speaker, in her concise presentation, elaborated on the importance of gender sensitization in the current times. Dr. Guin, began her talk by drawing attention to the difference between sex and gender, the former being biological and the later being psychological. She stressed on the way a person's social conditioning moulds him/her

Dr. Guin focused on gender stereotypes created and reinforced by the society and media. The highlight of her talk was on the negative effects of such stereotypes on a child's mind. Gender discrimination, she said, was the first hurdle in countering stereotypes. The speaker stressed on the need of consciously using gender-neutral terms. The normalization of such usage, she believed could lead to a steady change in the way society understands people of different genders.

In conclusion, Dr. Guin highlighted the role of educational institutions, family, and peer groups to imbibe the culture of gender neutrality when it comes to allotting work, learning opportunities, responsibilities, etc. the need for gender sensitization is perceived now more than ever, due to the changing work systems that no longer recognize monopoly of a single gender.

Dr. Guin's address was followed by concluding remarks given by Dr. Lipi Mukherjee, addressing the need of gender sensitization among children from a young age. The webinar concluded by a formal vote of thanks proposed by Prof. Namrata Pathak, thanking the speaker, the organizers, and faculty and student attendees.

Feedback from attendees was collected at the end of the webinar, overall response of the webinar was quite positive, especially for the resource person's content, delivery, and the relevance of the theme of the webinar.

g. What is your key take away from the Session?

Confidence and respect

Treat every man and every woman as a human

I used to relate this topic with gender inequality but today I was really clear about this topic. Also, I understood to differentiate a mender inequality but today I was really clear about this topic. Also, I understood to differentiate a person's emotions on the basis of gender is wrong-I think it helped me to examine the personal attitude and beliefs of both sexes and it was an productive

Changing thought about gender sensitization

Feminism is equality

Treat both the gender equally in all matters Gender stereotypes are wrong.

To change the perspective of my mind.

That everyone should give equal respect to each other

Everyone should be treated with equality rather than based on gender.

Improve ourselves

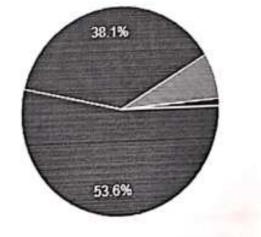

Oneness

I'm rather amazed by the entire session. Gender equality couldn't be portrayed any better.

Gender equality is the must

WOMEN DEVELOPMENT CELL

2023-24

Gender Sensitization Programme

Taking a step towards Gender Equity, the Women Development Cell organized a talk on 'Gender Equity and Gender Sensitization' in Durgadevi Saraf Auditorium of college on 21st August, 2023. The session was conducted by Dr. Sangeeta Desai.

In the first half of the session, Dr. Sangeeta Desai sensitized the students with the help of Power Point Presentation and interactive discussion on gender equality. Further she enlightened the students with the difference between gender equity and gender equality. She asked various questions to the students which made them understand the practical aspect of the topic. She also touched upon the importance of gender equity as the society is more in need of gender equity than gender equality. In the second half of the session, she explained about the consequences of the gender discrimination which is depriving the women in society. Dr. Sangeeta Desai grabbed the attention of male students in such a topic by giving live examples of day to day life. She also provided data research reports in support of her talk which made us all think about the situation of the women in the society. Question and answer session helped the girl students to overcome myths and doubts about gender equality and gender equity.

The session helped to enhance the knowledge of the girl as well as boy students to enhance the positive behaviour that will enable the girl students to deal effectively with the challenges of life. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAF, BCBI, BSc-IT, BMS. 115 girl students and 72 boy students received the benefit from participating in the session.

WOMEN DEVELOPMENT CELL 2023-24

A talk on safer campuses

Taking a step towards safety of all gender students in campus, the Women Development Cell organized a talk on 'Safer Campuses' in Durgadevi Saraf Auditorium of college on 9th September, 2023. The session was conducted by Ms. Apurva Paithane.

In the first half of the session, Ms. Apurva Paithane enlightened students about the various kinds of genders. Further she also explained the difference between the sex and gender, she elaborated that the sex is biological in nature while gender is the feeling which is created in human minds. To make session interactive Ms. Apurva Paithane asked various questions to the students which made them seriously think about the practical aspect of the topic. She also touched upon the importance of gender in the campuses. Ms. Apurva Paithane also stretched upon knowing the kinds of gender for the safer campuses. She elaborated the full form and meaning of the abbreviation of LGBTQ, she told students that L stands for Lesbian, G stands for Gay, B stands for Bisexual, T stands for Transgender, Q stands for Queer. In the second half of the session, she explained in detail about the elements of safe space. She elaborated the elements of safe space, that there must be a comfort, acceptance, protection etc. Question and answer session helped the students to overcome myths and doubts about Safer Campuses.

The session helped to enhance the knowledge of the girl as well as boy students to enhance the positive behaviour that will enable the girl students to deal effectively with the safe campuses. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAF, BCBI, BSc-IT, BMS. 136 students received the benefit from participating in the session.

Dr. Lipi Mukherjee,

Convenor of WDC

Self Defense Workshop

Taking a step to help girl students to be more aware of their surroundings and be prepared for the unexpected events at any time and also to prepare girls to survive and escape without injury by deterring or stopping aggressive behavior. The event was conducted in Durgadevi Saraf Auditorium of college on 27° September, 2023.

Mr. Kotap started with the importance and basics of the self defense. According to him to stop was the first step towards the defense. He said that if any person is misbehaving with any girl, then our step has to stop that person from doing so. Further he added that if anyone is attacking or using physical force then at that time we need to understand the physical capacity before taking any step. He suggested under such circumstances if the person who is attacking is more powerful then it is recommended to run or to avoid such fights. After the oral explanations, Mr. Kotap started with the practical demo of the various forms of the martial arts.

Mr. Kotap taught various techniques like slap and back attack to defend ourselves. He also taught students about the crucial techniques of martial arts to protect us from any uncertain event. Mr. Kotap taught students various easy forms of techniques to defend. He elaborated the various ways of protection in case of late night traveling. He suggested to share the details of the transportation to our family member and also to be on call continuously during the late night journey. Later the team members of Mr. Kotap gave the demo performance of nunchucks martial arts, gymnastics, animal forms etc. Mr. Kotap encouraged all the audience to become fit and to do exercise daily for the physical fitness.

The session helped to enhance the confidence of girl as well as boy students for the self defense and to tackle the difficult situations. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAF, BCBI, BSc-IT, BMS. 173 students received the benefit from participating in the session.
