Insight of the Departmental Event

“Sustainable Development is the pathway to the future we want for all. It offers a framework to generate economic growth, achieve social justice, exercise environmental stewardship and strengthen governance”.

- Ban Ki Moon

It is evident that whenever the economy grows it utilises more of resources, raw materials, capital, infrastructure, etc. which ultimately puts pressure on planet and the eco-system. It is essential to safeguard the environment for our future generations. By keeping this concern in mind, our blooming buds have come up with so many innovative ideas to reduce the wastages which can be a threat to our environment.

BMS department of Ghanshyamdas Saraf College organised the annual departmental activity for its students taking into consideration the recent emerging issues that are essential for the growth and sustainability of the economy.

Flow of the Webinar

The introduction of the session was done by the BMS Coordinator Prof. Prajna Shetty by extending a warm welcome to all present in the virtual meet. She sought permission from Principal Dr, Jayant Apte to begin the session. The session began with the virtual inaugural of the event and by seeking the blessings of the almighty. Prof. Prajna Shetty then invited Principal Dr. Jayant Apte to deliver the welcome address. Principal Dr. Jayant Apte shared information about the college and his views about the event. His encouraging words inspired the students to present their part successfully.

Briefings of sessions were given by Prof. Aswathi Nair, Core Faculty BMS. 15 group's creative ideas were covered in the webinar. Presentations were given by the students in a very proficient manner highlighting all the methods to reduce wastages and optimum utilisation of resources. The program was concluded by our Vice Principal Self Finance Department, Dr. Lipi Mukherjee with her kind and motivational words of appreciation for the event. Vote of thanks was proposed by Prof. Niyati Kalyanpur. With this we ended our session successfully both in Zoom and You tube live platform.

Highlights of the Webinar

Few highlights of the Departmental activity can be implemented in our day to day lives to safeguard the environment, which are as follows:

- 1) Water preservation – What we save today, we earn tomorrow
- 2) Rubber Tyres – Put to use what you think is of no use.
- 3) Tourism App – You don't have to go too far to realise what you search for.
- 4) Edible Cups – Don't waste it when you eat it.
- 5) Bio enzyme – Help things grow natural.

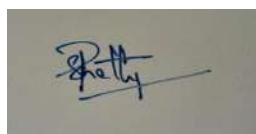

- 6) Advance shoes for blind people – Use technology to aid you.
- 7) Corn a boon for resources – One name many uses
- 8) Sanitizer incense stick – Home-made cost effective remedy.
- 9) News Verifier – No fake news.
- 10) Bottle of light – A ray of hope.

Conclusion

The BMS Annual Departmental activity **“Innovision 2021”** with the theme **“Growing Economies and Sustainable Development”** helped to ‘Encourage, Light & Integrate’ the young minds to think like a contemporary entrepreneur in the context of today’s emerging and growing economies. **INNOVISION** inspires students to think out of the box and come up with unthinkable ideas which help to build, develop and sustain the environment by coming up with business plans which are sustainable, feasible and profitable. It drives them to think like budding future generation entrepreneurs. Thus, it serves as a great motivation in orienting the students to devise innovative, pioneering and sustainable business plans.

“Innovision 2021” was an enormous success owing to the remarkable layout of business plans. The herculean task of implementing the plans was successfully executed by the FYBMS students. The credit of the triumph also goes to the BMS Faculty- Course Coordinator Prof. Prajna Shetty, Activity in charges Prof. Aswathi Nair & Prof. Niyati Kalyanpur; BMS team members- Prof. Kinjal Sanghavi, Prof. Sangeeta Sahoo, Dr. Mmahek Chhabria, Dr. Meghaa Khedekar, Prof. Prasad Anareddy, Prof. Bhavisha Shah & Prof. Yogita Naik for planning & chalking out the activities meticulously and ably guiding the students.

To sum up, the Departmental activity **“Innovision 2021”** ended up with a very positive note. Students participated with lot of enthusiasm and zeal. They discussed great innovative ideas of business with sustainability. As per recommendation of Principal Dr. Jayant Apte, these ideas can be taken forward to the next level with seed funding with the help of our esteemed college. We look forward to contribute to the ecological business environment by organizing such interesting and career-oriented webinars, events and activities in the future as well.

Speakers

Knowledgeable & highly skilled resource persons were invited for each day of the webinar series. Course wise industry experts delivered their insights to the students. The Resource persons/Industry Experts invited were:

1. Mr. Ravi Gupta- Capgemini
2. Mr. Vivek Chaturvedi- Associate Vice President, Advance Analytics Kotak Mahindra Bank
3. Mr. Sunil Gujar- Referral Associate Leader, IIFL Securities and Finance Trader
4. Mr. Jitendra Bapna- Senior Business Mentor, Aditya Birla Life Insurance
5. Mr. Manish Daftari- Senior Manager Treasury, Tata Projects Limited

Flow of the Webinar

The webinar commenced with the welcome address by Principal Dr. Jayant Apte. This was followed by the industry expert's oration.

The session was captivating as the expert speaker included real world scenarios, case studies and examples. The following aspects were covered by the speaker:

- Job opportunities in the market
- New age career opportunities
- What the market expects from youth
- Way forward in industry

The Course Coordinators briefed and oriented the students, about the respective programs on areas like the semester wise subjects, examination pattern, admission process, add-on courses, departmental activities. The session was taken ahead by Dr. Lipi Mukherjee, Vice Principal-SFD to brief the students about the college Placement Cell and various committees. This was followed by playing the videos of the alumni students where they shared their experience about the college journey, importance of the program and its relevance in their career path. The Question and Answer session was then opened. The speaker, Vice Principal-SFD, Course Coordinators addressed the questions. The overall response of the students was very positive. The students gained valuable information on the various programs in the Self Finance Department.

The webinar was concluded with a vote of thanks.

We immediately circulated feedback form to all the participants and 30 students responded. The feedback analysis of the MCQ is attached herewith. It is good to see that the feedback reflects the excellent to good response for the webinar topic, organization, speaker and overall impact.

Takeaways

The major takeaways of the webinar included:

- Detailed knowledge of each course
- Add -on courses that can be taken up alongside the Program
- Core areas that will be touched during the Three Years Program
- Future avenues that will open out to them on completion of the Program

These takeaways has definitely given effective guidance to the students in wisely choosing the program that best suits their interests & capabilities. The webinar has thus certainly succeeded in meeting & fulfilling the expectations of students.

Conclusion

To sum up the webinar was a huge success. The smooth and seamless conduct of the webinar can be attributed to the active participation of the anchors Prof. Mansi Dangarwala (BSc-IT), Prof. Avanti Sathe (BCBI), Swati Chandak (BFM), Ekta Sinha (BMS), Yogita Mahimkar (BCAF) & faculty members of Self Finance Department under the able guidance of the Course Coordinators- Prof. Sneha Khajane (BSc-IT), Prof. Urvi Pillai (BCBI), Prof. Prasanna Choudhari (BFM), Prof. Prajna Shetty (BMS) & Prof Mamta Chhajer (BCAF). Finansiera this year was based on the theme – **Balanced Development in Global Economy**. Each and every developed and developing nation has their own problems of development. There is a need for stability in the development process of the country by adopting the process of balanced development of the country. Since we stay in global era where interconnected worldwide economic activities take place between multiple countries, it is important to develop all sectors of the economy on the global lines for the balanced development. By this theme, students of Department of BCAF took an effort to compare and contrast different sectors of the economy with global leaders in that respective sector.

Students from FY displayed creative Power Point Presentations, Videos and games with respect to various sectors to make this Webinar full of knowledge, learning and fun. There were **12** sectors covered for this Webinar as mentioned below:
