Dear Mamta Madam,

Greetings!!!

This is to inform you that we have enrolled 15 students from your college for a CFX course. I am sharing the examination results of NISM examination & CFX examination for your reference. There are only 5 students who have cleared the CFX & others have not started due to which the overall performance is impacted.

As we have offered upto 100% scholarships to these students, we would want them to take 100% advantage of this opportunity. We have contacted these students who have not appeared for the examination or the NISM profile registration is incomplete but we haven't received any response from them.

I kindly request you to please inform these students to complete their registrations and give the examinations failing which we would not be able to share the certificates and placement assistance with these students.

Below are the list of the students for your reference :
