Covid-19 has brought a paradigm change in the working style of the educators making it shift from classroom teaching to online teaching. From times immemorial, educators are required to develop teaching content, monitor the progress of the students, generate various reports for different purposes on a continuous basis. The only difference is now all these responsibilities of educators need to be performed with the aid of technology. Considering all this, the webinar theme was perfectly a step to address the need of the faculty members to be well versed with advanced functions of MS Excel which could be applied in their everyday work life to make work done in simpler, faster and effective manner.

The IQAC along with the BCAF Dept. realised this growing need and organised two days National Webinar on Advanced Excel in association with SDVTII on May 20 and 21, 2020 from 3 p.m. to 5 p.m.
