We are living in an age where information and communication technology is vastly influencing our daily interaction with the people around us. Understanding this, the webinar was organized for students to make them aware of various threats and malpractices that prevail in the virtual world when they use various social media platforms for day-to-day communication.

On account of International Women's Day, a special initiative was taken to organize a webinar on the responsible use of information and communication technology for all students. The highlight of the webinar was to introduce different ways in which internet and social media are central to communication, but also vulnerable to cybercrimes. It is this point that prevailed the one-hour session where students were made aware of various ways in which their security can be compromised in the virtual space.

We were glad to have Mr. Tushar Bhagat as the resource person for the webinar. Mr. Tushar belongs to the nation's first non-profit project 'Responsible Netism' that undertakes workshops and talks with educational institutions on ethical use of internet and technology.

The webinar began with a formal welcome of the speaker, all the panelists and the participants by Dr. Mriahel Chhabria, Convenor, Women Development Cell of the College.

ushar began his session by giving a brief introduction of their project 'Responsible Netism' and the relevance of the webinar topic in times of rising instances of cybercrimes.

The speaker emphasized on the need for transparent communication between students and trusted adults (parents, teachers) to ensure the safety of all young users of technology, both online and offline. Mr. Bhagat gave an elaborate description along with case studies on various cybercrimes like- creation of fake profiles, hacking of social media accounts, cyber stalking, morphing of photographs, cyber bullying, trolling, financial frauds, and cyber terrorism.

In his comprehensive presentation, Mr. Bhagat covered all the malpractices that jeopardize the safety of users' pictures, videos, and other personal details uploaded on social media. The speaker also spoke on digital addiction which may result in the rise of anxiety, self-doubt, a sense of low self-esteem, and a constant need of external validation.

The topics discussed came out to be very relatable, especially given the rise in the use of digital platforms for education and communication during the pandemic. Mr. Bhagat also highlighted the dangers of youth getting socially disconnected owing to the overuse and overdependence of social media for communication instead of personal, face-to-face interaction with their family and peers.

The speaker concluded his session by emphasizing the need to realize the threats along with the uses of being on social media platforms. The threats, he said can be neutralized by upgrading privacy settings and knowing responsible use of information and communication technology. This was followed by the questions and answer session where the speaker addressed various concerns of the participants from cyber bullying to cyber stalking.

The speaker's comprehensive presentation and enthusiastic oration made the webinar a great success among the participants. The formal vote of thanks was proposed by Prof. Namrata Pathak for shedding light on the topic that is so relevant and useful for today's youth. The feedback received from the participants was very encouraging and appreciative.

#### Process and Execution:

The event was led by Rtr. Vignesh Chhejara, serving as the Digicom Director. It unfolded within the confines of the LC room, drawing a diverse crowd of enthusiastic participants. The primary focus of the event was to delve into the art of video editing and reel creation using the versatile platform, Canva. As the event commenced, Rtr. A Workshop on Basics of Equity Investing and Mock Trading was organized in collaboration with IQAC & Career Guidance and Skill Academy. The session commenced at 10.00 am with the warm welcome extended to all by Prof. Mebin Varghese followed by the introduction of judge for the session Jeetendar Peswani, CFA

The speaker took over the session and delved into the basics of Equity Investing. With a clear and concise delivery, the speaker imparted valuable knowledge about the fundamental concepts and principles underlying equity investments. As part of the interactive session, students were encouraged to create accounts on Screener.com for analyzing companies. Through hands-on experience on the platform, students gained practical insights into the process of company analysis and stock selection.

One of the highlights of the session was the virtual trading exercise, which provided students to execute trades and manage portfolios. This practical exposure allowed students to apply theoretical concepts in real-time scenarios, thereby enhancing their understanding of equity markets and investment strategies.

Overall, the session received positive feedback from both students and faculty members.

department, titled **"Finansiera 2023-2024,"** on **March 16, 2024**, at Durgadevi Saraf Auditorium, running from 8:30 a.m. to 11:30 a.m.

**"Finansiera"** stands as a beacon of innovation and creativity within the B. Com (Accounting & Finance) Department of Ghanshyamdas Saraf College. Its inception in the academic year 2017-2018 aimed to nurture creativity, enhance presentation skills, and foster effective communication among students. This event serves as a platform to impart practical insights into the realms of Accounting and Finance, while also cultivating teamwork, leadership qualities, and facilitating experiential learning. Over the past six years, Finansiera has consistently garnered acclaim and commendation, fostering a strong bond between faculty and students.

This departmental activity occurs biannually, featuring intercollegiate events in the odd semesters and intra-college events in the even semesters. Each edition of Finansiera revolves around unique themes, suggested collaboratively by the BCAF student body and faculty members.

For this year's Finansiera, the theme was conceptualized through collective brainstorming sessions involving both students and teachers. A dedicated team of students was formed to oversee the event's execution, with roles and responsibilities allocated across various departments including Public Relations, Social Media, Creatives, Skit, and Events etc..

Under the captivating theme of **"AI Wonderland,"** Finansiera 2023-2024 aimed to delve into the realm of artificial intelligence. As part of this theme, a hands-on workshop focusing on **"LinkedIn Profile Optimization and Ethical Usage of AI Tools"** was meticulously organized, offering participants practical insights into leveraging AI technology ethically for professional development.

The event commenced at 8:30 a.m. with a ceremonial ribbon-cutting ceremony led by Principal Dr. Ashwat Desai, Vice Principal
