Webinar on

**Women Entrepreneurship – A Start Up Guide for Budding Entrepreneurs**

Organized by Women's Development Cell & Entrepreneurship Cell

**Date: 8<sup>th</sup> March 2021**

**Time: 9:00 am**

**Platform used: Zoom Cloud Meeting App**

**Total participants: Zoom- 81**

India is witnessing a steady rise in the start-up culture as people are willing to consider occupations other than traditional professions. Keeping this in mind, the webinar focused on providing knowledge about entrepreneurship as the new business culture in India. On the occasion of International Women's Day, the webinar highlighted the success stories of several women entrepreneurs who have managed to create a path for themselves.

We were glad to have Mrs. Meenal Mohadikar as the resource person for the webinar. Mrs. Mohadikar is a first-generation entrepreneur herself, and the founder of 'Aamhi Udyogini Pratishthan' (We Entrepreneurs)- a forum that guides and supports the ideas of women entrepreneurs of Maharashtra with centers in the State, Goa and the UAE. She also started 'Anand Trade Development Services' which organizes trade exhibitions by the name 'Consumers' Shoppee' all over Maharashtra.

The webinar began with welcoming of all the panelists and participants and a formal welcome by Principal, Dr. Jayant Apte. Dr. Mmahek Chhabria introduced the topic of the day and Prof. Prajna Shetty introduced the speaker.

Mrs. Mohadikar began her talk by giving a brief introduction of her Forum, 'Aamhi Udyogini' and its journey in mentoring women entrepreneurs over the years in the form of capital, collaborations through people and workshops, and using government policies. A veteran in the field of entrepreneurship, she also shared her

experiences, successes and challenges faced as a first-generation entrepreneur in the family.

The speaker emphasized on the role of government schemes in realizing one's career as an entrepreneur. She aimed at the importance of understanding these schemes and the benefits that can be reaped from them. Mrs. Mohadikar focused on the 'Mudra Scheme' under 'Chief Minister Rozgaar Yojana' that has benefitted many budding entrepreneurs. After discussing in detail about the workings of the scheme and its benefits for entrepreneurs, she highlighted the importance of uniqueness of an idea. With her quote that 'idea is currency', she expressed that an idea would only sell if it were unique. The distinctiveness of an idea and its relevance in a particular place and culture, would ensure its sales and success.

Mrs. Meenal, then discussed success stories of several women entrepreneurs who came up with unique ideas and innovation in various fields like technology, pharmaceutical industry, and food industry. She stressed on the importance of exploring uniqueness in an idea, and systematically working on materializing it. Lastly, the speaker laid importance on timely expert guidance and support, and right mentoring especially for students who aspire to step into the start-up culture. Mrs. Mohadikar also runs a YouTube channel, the link of which she was willing to share with our students for guidance.

The concluding remarks on the talk were given by Dr. Lipi Mukherjee who thanked Mrs. Mohadikar for discussing her first-hand experience in the field of entrepreneurship and steering budding entrepreneurs in the right direction. The formal Vote of Thanks was proposed by Prof. Charmie Dalal. We immediately circulated feedback form to all the participants. The feedback analysis of the MCQ is attached herewith.
