Gender Sensitization Programme

Taking a step towards Gender Equity, the Women Development Cell organized a talk on 'Gender Equity and Gender Sensitization' in Durgadevi Saraf Auditorium of college on 21st August, 2023. The session was conducted by Dr. Sangeeta Desai.

In the first half of the session, Dr. Sangeeta Desai sensitized the students with the help of Power Point Presentation and interactive discussion on gender equality. Further she enlightened the students with the difference between gender equity and gender equality. She asked various questions to the students which made them understand the practical aspect of the topic. She also touched upon the importance of gender equity as the society is more in need of gender equity than gender equality. In the second half of the session, she explained about the consequences of the gender discrimination which is depriving the women in society. Dr. Sangeeta Desai grabbed the attention of male students in such a topic by giving live examples of day to day life. She also provided data research reports in support of her talk which made us all think about the situation of the women in the society. Question and answer session helped the girl students to overcome myths and doubts about gender equality and gender equity.

He discussed the significance of IPOs in the financial markets, both for companies looking to raise capital and for investors seeking new opportunities. • Mr. Thakkar explained the lifecycle of an IPO, from a company's decision to go public to the final listing on the stock exchange. He emphasized the importance of understanding the business model of the company, its growth prospects, and market conditions before investing. • The session detailed the various stages involved in an IPO, including the filing of the prospectus, regulatory approvals, and the role of underwriters. • A significant portion of the session focused on the risks associated with investing in IPOs. Mr. Thakkar cautioned the students about the volatility of newly listed stocks and the importance of a long-term investment perspective. • The session concluded with an interactive Q&A, where students had the opportunity to ask questions and clarify their doubts. • The session was highly informative and well-received by the students. Mr. Yash Thakkar's expertise and practical insights helped demystify the complexities of IPO investing, equipping students with the knowledge needed to navigate this investment avenue confidently. • **The session was attended by 44 students.**

Self Defense Workshop

Taking a step to help girl students to be more aware of their surroundings and be prepared for the unexpected events at any time and also to prepare girls to survive and escape without injury by deterring or stopping aggressive behavior. The event was conducted in Durgadevi Saraf Auditorium of college on 27th September, 2023.

Mr. Kotap started with the importance and basics of the self defense. According to him to stop was the first step towards the defense. He said that if any person is misbehaving with any girl, then our step has to stop that person from doing so. Further he added that if anyone is attacking or using physical force then at that time we need to understand the physical capacity before taking any step. He suggested under such circumstances if the person who is attacking is more powerful then it is recommended to run or to avoid such fights. After the oral explanations, Mr. Kotap started with the practical demo of the various forms of the martial arts.

Mr. Kotap taught various techniques like slap and back attack to defend ourselves. He also taught students about the crucial techniques of martial arts to protect us from any uncertain event. Mr. Kotap taught students various easy forms of techniques to defend. He elaborated the various ways of protection in case of late night traveling. He suggested to share the details of the transportation to our family member and also to be on call continuously during the late night journey. Later the team members of Mr. Kotap gave the demo performance of nunchucks martial arts, gymnastics, animal forms etc. Mr. Kotap encouraged all the audience to become fit and to do exercise daily for the physical fitness.

The session helped to enhance the confidence of girl as well as boy students for the self defense and to tackle the difficult situations. It is noteworthy fact that there was an overwhelming response to the programme from BCom as well as from Self Finance Courses like BFM, BCAF, BCBI, BSc-IT, BMS. 173 students received the benefit from participating in the session.

A Workshop on Basics of Equity Investing and Mock Trading was organized in collaboration with IQAC & Career Guidance and Skill Academy. The session commenced at 10.00 am with the warm welcome extended to all by Prof. Mebin Varghese followed by the introduction of judge for the session Jeetendar Peswani, CFA

The speaker took over the session and delved into the basics of Equity Investing. With a clear and concise delivery, the speaker imparted valuable knowledge about the fundamental concepts and principles underlying equity investments. As part of the interactive session, students were encouraged to create accounts on Screener.com for analyzing companies. Through hands-on experience on the platform, students gained practical insights into the process of company analysis and stock selection.

One of the highlights of the session was the virtual trading exercise, which provided students to execute trades and manage portfolios. This practical exposure allowed students to apply theoretical concepts in real-time scenarios, thereby enhancing their understanding of equity markets and investment strategies.

Overall, the session received positive feedback from both students and faculty members.

Project Description

Aim:

"The primary objective of this seminar was to empower participants with the knowledge and skills necessary for proficient video editing using Canva software. Through practical demonstrations and insightful discussions, the aim was to foster an understanding of Canva's capabilities in the context of video editing, enabling attendees to enhance their creative projects with this user-friendly and versatile tool."

Process and Execution:

The event was led by Rtr. Vignesh Chhejara, serving as the Digicom Director. It unfolded within the confines of the LC room, drawing a diverse crowd of enthusiastic participants. The primary focus of the event was to delve into the art of video editing and reel creation using the versatile platform, Canva. As the event commenced, Rtr. Vignesh Chhejara graciously guided participants through the seamless process of downloading the Canva application and completing the sign-in procedure, ensuring everyone was equipped to embark on the creative journey ahead.

Once signed in, participants were presented with a drive link leading to four distinct folders, each representing a unique category. The freedom bestowed upon them allowed individuals to choose the category that resonated most with their interests. Within each folder, a treasure trove of five videos awaited, serving as the foundation for their reel-making endeavors.

With their chosen categories in mind, participants enthusiastically commenced the intricate process of crafting their reels. Throughout the event, Rtr. Vignesh Chhejara's expert guidance provided valuable insights into the myriad features and tools offered by Canva. This empowered participants to explore the depths of their creativity, bringing their unique ideas to life.

A Workshop on Basics of Equity Investing and Mock Trading was organized in collaboration with IQAC & Career Guidance and Skill Academy. The session commenced at 10.00 am with the warm welcome extended to all by Prof. Mebin Varghese followed by the introduction of judge for the session Jeetendar Peswani, CFA

The speaker took over the session and delved into the basics of Equity Investing. With a clear and concise delivery, the speaker imparted valuable knowledge about the fundamental concepts and principles underlying equity investments. As part of the interactive session, students were encouraged to create accounts on Screener.com for analyzing companies. Through hands-on experience on the platform, students gained practical insights into the process of company analysis and stock selection.

One of the highlights of the session was the virtual trading exercise, which provided students to execute trades and manage portfolios. This practical exposure allowed students to apply theoretical concepts in real-time scenarios, thereby enhancing their understanding of equity markets and investment strategies.

department, titled **"Finansiera 2023-2024," on March 16, 2024,** at Durgadevi Saraf Auditorium, running from 8:30 a.m. to 11:30 a.m.

"Finansiera" stands as a beacon of innovation and creativity within the B. Com (Accounting & Finance) Department of Ghanshyamdas Saraf College. Its inception in the academic year 2017-2018 aimed to nurture creativity, enhance presentation skills, and foster effective communication among students. This event serves as a platform to impart practical insights into the realms of Accounting and Finance, while also cultivating teamwork, leadership qualities, and facilitating experiential learning. Over the past six years, Finansiera has consistently garnered acclaim and commendation, fostering a strong bond between faculty and students.

This departmental activity occurs biannually, featuring intercollegiate events in the odd semesters and intra-college events in the even semesters. Each edition of Finansiera revolves around unique themes, suggested collaboratively by the BCAF student body and faculty members.

For this year's Finansiera, the theme was conceptualized through collective brainstorming sessions involving both students and teachers. A dedicated team of students was formed to oversee the event's execution, with roles and responsibilities allocated across various departments including Public Relations, Social Media, Creatives, Skit, and Events etc..

Under the captivating theme of "AI Wonderland," Finansiera 2023-2024 aimed to delve into the realm of artificial intelligence. As part of this theme, a hands-on workshop focusing on "Linkedin Profile Optimization and Ethical Usage of AI Tools" was meticulously organized, offering participants practical insights into leveraging AI technology ethically for professional development.

The event commenced at 8:30 a.m. with a ceremonial ribbon-cutting ceremony led by Principal Dr. Ashwat Desai, Vice Principal

BCAF coordinator Prof. Mamta Chhajer and all core team members of BCAF– Prof. Anita Agarwal, Prof. Bhumika Shah, Prof. Yogita Mahimkar, Prof. Namrata Pathak, Prof. Ruddhi Wadadekar and Prof. Seema Hanchate guided the students diligently and left no stone unturned in smoothly organizing the event. Our team of 27 students worked very hard since so many days to organize this event meticulously. The event was a great success and was attended by **170** students. The event came to an end with vote of thanks by Prof. Bhumika Shah. All the participants and student volunteers were given e-certificates.
