

**5.4.1 There is a registered alumni association that contributes significantly to the development of the institution through financial and/or other support services.**

**Response:** We do have our alumni's official group consisting of 1,004 students registered till date, now we have initiated the regular registration process of the alumni association of LRMC under the Societies Registration Act, 1860. (Act No. 21 of 1860)

Alumni cultivate and foster friendly and cordial relations between ex-students and the past and present employees of the college. We frequently meet and call some of the alumni to give guidance to our students for future career, insights of work life and speak to our students regarding outer corporate world. Some students of night college have a guilt of losing out on opportunities, which is an important topic of discussion between alumni and current year students as they can clear and present their experiences with practical scenarios.

In general, we meet and keep rapport with other stakeholders. We are expecting our association to actively contribute to academic events and programs with trustees and our present staff members.

There is a special web portal for alumni associations through which alumni can register.
