The college aims to design its programs, administrations, and activities accessible to the students. The college administration and faculty members should ensure appropriate/reasonable accommodations for each person with a disability, and be willing to resolve access problems. The campus should be barrier free and accessible for differently abled.

- The college provides ramp facility to disabled persons for the easy access of various places in the campus.
- The reduced inclination in the ramp makes easier and safer movement of wheelchair.
- The ramps are carefully designed as per the specifications to be required by the disabled persons.
- College has lift facility at library and indoor sports complex.
- College has provision of lift for barrier free access for students, staff, visitors and differently abled people.
- A wheelchair may be operated by the user alone or with a help of assistance.
- The wheel chairs are placed near the ramps according to the need.
- College library provides separate sitting arrangements for disabled students.
- The Reception Counter provides all the needed information to the differently-abled and human assistance.
