## Appreciation to staff

As the major students belong to the middle economic class and lower economic class, they earn from other jobs along with their education. Due to this they suffer with academics and study loss. Which was increased after the Covid pandemic. To search the solution for this problem, our Professors have found the very creative way, in which they started initiative of rewarding to the students in monetary and non-monetary ways, who perform well in their respective courses.

The management of our College and Principal have taken the cognizance of the noble intention of the Professors who financially supported the economically weaker students as a reward for scoring good marks in their respective subject. They praised the staff and asked to continue this practice in further academic years.

The management of the College have boosted the Faculty members to keep on doing this noble work and continue the legacy.

The list of the staff members who took the initiative are as follows: -

1. Dr. Shripad Joshi
2. Dr. Suryabhushan Mishra
3. Ms. Shweta Chawda
4. Ms. Sandhya Shrivastav
5. Mrs. Neelam Maurya
