Policy Statement on Green Campus **(Rajasthani Sammelan's, Ladhidevi Ramdhar Maheshwari Night College of Commerce reserves the right to modify the policy from time to time)**

Introduction

The world is facing serious environmental issues today. Reports from World Health Organization, IPCC, and Different National and International organizations highlight the environmental issues which are most sensitive and widely discussed issues in the world.

Rajasthani Sammelan's Ladhidevi Ramdhar Maheshwari Night College of Commerce Malad (w) Mumbai is following different green practices which are in line with the vision and mission statement of the college. The college is committed to take lead role and create its own identity in the protection and conservation of environment.

Objectives of the Policy

- To adopt practices to **turn the campus into the green and eco-friendly.**
- To be **self-sufficient in water** by adapting **watershed management and roof top rain water harvesting systems.**
- To undertake plantation drives of **local and endemic plant species in the campus and outside the campus**
- To **involve students, faculty, and stakeholders in the green practices of the college**
- To **conduct green and energy audits** of the college campus focusing on **greening indicators like consumption of energy in terms of electricity and fossil fuel, solid and liquid waste management, etc.**
- **E-Waste management**

The Scope of the Policy

The college is situated at SV road Malad (West) Mumbai. There is one layer of tree canopy in the college campus. The clean and green campus policies will incorporate co-curricular and extracurricular practices, that will encourage the students to take lead in creating positive change. The focus areas are as

- Clean and green campus initiatives like tree plantation activities
- Waste management process

- E-Waste management process
- Rain water harvesting
- Landscaping in campus
- Ban on Use of plastic
- No smoking, No tobacco in campus
- Green audit
- Energy audit
- Restricted entry of automobiles in campus

The Practice

Thus, in view of the policy, the concerned committee will plan and execute to:

- Establish a **Green Campus Environmental Awareness Campaigns**
- Organize Awareness Programmes for the students, faculty, and society Plan to save energy at the institute
- Solar Panel will enable the institute to have 24x7 power supply
- Phase out conventional light source and get them replaced by the LED Bulbs
- Conduct of an Annual Green, Environment and Energy Audits Turn off unnecessary lights and use daylight instead
- Keep lights off in conference rooms, classrooms, lecture halls when they are not in use
- The Institute will make all the necessary efforts to involve the students, faculty and staff in "Green Campus Initiatives" by designating the volunteers of Environmental Task force, printing Caps with green campus initiative slogan specially designed for the purpose
