## From the Principal's Desk

Education is not only about acquiring knowledge but also about nurturing values, skills, and social responsibility. At LRMC, we strive to provide holistic education that empowers students academically and prepares them to face real-world challenges with confidence. This newsletter highlights our academic initiatives, co-curricular achievements, and community engagement activities that reflect our commitment to excellence and social responsibility.

---

## Academic Highlights

During this period, the college successfully conducted regular lectures, tutorials, and internal assessments in accordance with the NEP guidelines. Faculty members actively engaged students through interactive teaching methods, presentations, group discussions, and case studies to enhance conceptual understanding. Special academic support sessions were organized for first-year students to help them adapt smoothly to the curriculum.

---

## NSS Activities & Community Engagement

The NSS unit of LRMC actively participated in social outreach programs focusing on environmental awareness and cleanliness. Mangrove and beach clean-up drives were organized in collaboration with social organizations, where student volunteers demonstrated strong civic responsibility. These activities helped students understand the importance of environmental conservation and teamwork while contributing meaningfully to society.

---

## Sports & Cultural Achievements

LRMC students showcased remarkable talent in sports and cultural events at university and inter-collegiate levels. Participation in competitions such as Mallakhamb brought pride to the institution, with teams securing top positions and qualifying for higher-level events. Cultural activities, including debates, poster-making, and festive celebrations, added vibrancy to campus life.

---

## **Workshops, Seminars & Skill Development**

Several workshops and seminars were organized to enhance students' employability and life skills. Sessions on career guidance, cyber ethics, financial literacy, and communication skills received enthusiastic participation. Experts from academia and industry shared valuable insights, motivating students to plan their academic and professional journeys effectively.

---

## **Student Corner**

Students actively contributed articles, short essays, and creative write-ups reflecting their thoughts on education, society, and current issues. This platform encouraged self-expression, critical thinking, and confidence-building among learners.

---

## **Upcoming Events**

The college is gearing up for upcoming academic assessments, extension activities, and cultural programs. Students are encouraged to actively participate and make the most of the opportunities provided for their overall development.

---

## **Conclusion**

The achievements and activities highlighted in this newsletter reflect the collective efforts of students, faculty, and staff of LRMC. Together, we continue to build an institution that values academic excellence, discipline, and social commitment. We look forward to greater participation and success in the coming months.
