## Main Donor's Message

**Madhusudan R. Maheshwari**

Dear Students and all the stakeholders,

It is a matter of great pride and heartfelt satisfaction for our family to be associated with Ladhidevi Ramdhar Maheshwari Night College of Commerce (LRMC)—an institution that stands as a living testimony to the power of education in transforming lives.

Established in memory of Late Smt. Ladhidevi ji and Shri Ramdhar ji Maheshwari, the college was envisioned as a space where education could reach those who need it most—working professionals, financially constrained youth, and first-generation learners. What began as a humble initiative has today blossomed into a vibrant academic institution committed to excellence, inclusivity, and upliftment.

We are deeply inspired by the college's continued efforts under the aegis of Rajasthani Sammelan Education Trust to deliver quality education in a manner that respects the dignity, aspirations, and unique journeys of its students. The college's focus on value-based learning, flexible timings, skill development, and NEP-aligned academic growth reflects the original spirit with which this institution was founded.

To every student who walks through the gates of LRMC—know that you carry forward a legacy of resilience, hope,

and opportunity. As members of the donor family, we feel honored to support this mission and will always remain committed to nurturing dreams and enabling success through education.

With warm regards and best wishes for the academic year ahead,

## Principal's Message

**Dr. Preeti Oza**

Dear Students, Parents, and Academic Well-Wishers,

Greetings from **Ladhidevi Ramdhar Maheshwari Night College of Commerce (LRMC)**!

As we prepare to welcome a new academic year, I am filled with optimism and purpose. Education today stands at a transformative juncture in India, and LRMHC is proud to be at the forefront of this change.

The **National Education Policy (NEP) 2020** has ushered in a historic shift in the vision of higher education in India—one that promotes flexibility, skill development, critical thinking, and holistic learning. At LRMHC, we have wholeheartedly embraced this vision through the **implementation of the Revised Curriculum Framework (RCF) and the introduction of a credit-based, multidisciplinary approach** across all our programs.

Our evening college model has long served as a lifeline for working learners, and with the NEP's progressive roadmap, we are now equipped to offer even greater academic flexibility, choice-based credit systems, and vocational skill modules. This makes our students not only degree-holders, but well-rounded individuals prepared for the challenges of the 21st-century workforce.

Our dedicated faculty members have undergone continuous professional development to adapt to outcome-based education, interactive pedagogy, and digital integration in teaching. We are also enhancing student support services, industry linkages, and placement opportunities to ensure every learner's success beyond the classroom.

As the Principal of LRMHC, I assure you that this institution remains committed to **inclusive excellence, learner-centric education, and nation-building**. We invite you to be a part of this dynamic learning journey and experience the empowering impact of the National Education Policy in action.

Wishing you an enriching and inspiring academic year ahead.

## Administrator's Message

**Prof. Bhavana Vaidya**

Dear Students,

Welcome to Ladhidevi Ramdhar Maheshwari Night College of Commerce. Established by Rajasthani Sammelan Education Trust (RSET) in 2014, the college offers the B.Com as well as M.Com programmes for students. RSET institutions have always aimed at a holistic, forward-looking and dynamic approach towards education and LPMC is no exception. Our high teaching standards, excellent infrastructure, our varied curricular and extra-curricular activities all combine to create a campus where a student can find the best possible opportunities for all-round development.

Obtaining of "B" grade with a CGPA of 2.15 in its very first cycle of NAAC Assessment in the Academic year 2023-24 speaks volume about its continuous journey towards achievement of its motto "Enlightening Future." In its initial years it was an institution which offered only Under-Graduate course of B.Com but from the academic year 2021-22 it started M.Com (Advanced Accounting Programme) With this, LPMC is now a college which offers both under-graduate and post-graduate degrees in Commerce which was one of the many goals it had set for itself to achieve since its establishment a decade back. Students with day-jobs who wish to do post-graduation will find LPMC the perfect answer to their needs. The Covid pandemic posed several challenges in the way we teach and learn. Online classes and examinations are

things we have learnt to manage, teachers and students alike. However, at LPMC we have ensured that all academic activities are conducted regularly and consistently. Our well-equipped library has several e-resources available to staff-members and students who can access learning materials without leaving their homes. Apart from academics, efforts are made to conduct extra-curricular and extension activities involving maximum number of students. Learning does not stop or falter at LPMC, despite challenges like Covid.

We are confident that with our commitment to quality education, LPMC will continue to reach more new milestones in its march towards excellence. I welcome you, dear students and invite you to join us on this rewarding journey !
