The Right to Information (RTI) Act, 2005 empowers citizens to access information from public authorities, ensuring transparency and accountability. Educational institutions, particularly those funded or recognized by the government (e.g., schools, colleges, and universities), fall under Section 4(1)(b) and Section 2(h) of the RTI Act and must provide information unless exempt under Section 8. The University Grants Commission (UGC) mandates that all universities and colleges under its purview comply with RTI provisions. These institutions must appoint a Public Information Officer (PIO) responsible for handling RTI queries and ensuring prompt responses.
